Praying the Right Way

This is a compilation of a true-life accounts which took place in a Cult Community called The Synagogue, 'church' of all Nations, Ikotun-Egbe, Lagos, Nigeria; where the author was trapped through hypnotism, and brainwashing for over a decade with other devotees. She documented her journey into this community who use religious garb to cover their nefarious operation in order to lure the naive, vulnerable, gullible, and the innocent into occultism. She narrates how they lived, how they were systemic initiated into the dark world by deceit, and were terrorised to swear allegiance to secrecy. They also became instruments of deception in the hands of T. B. Joshua to deceive visitors to the Synagogue. Finally, her escape was a grand style of Jehovah where others lost their lives. This is purely to EDUCATE people and to give ALL THE GLORY back to God, for His Amazing Saving Grace, His constant Love and His abiding Presence. She said, "If I should denied the world this truth, I became a partaker of evil and Hellfire would have been my eternal abode. I am under obligation and indebted to share; I cannot keep it to myself; it burns in my bones. I will also like to use this as a means of restoring the souls of those who have fallen away due to this global deception of T.B. Joshua." This Book is a societal mirror for everyday people, it is saying that, each one of us has the ability to enter into relationship with God individually without depending on another man as a connector. Jesus Christ has made the way. This is to stand as a guide to the blind, as a warning to the gullible, and as a light to the simple; because what causes people to panic, and run helter skelter in search of an intermediary between them and their Creator is still prevalent in the world, such as sickness, affliction, trouble, confusion, disease, barrenness, joblessness, etcetera. What drives people to run from one prophet to another prophetess both false and genuine, which can cause them to eventually fall into error is still at large. Those things that pressurizes people daily, and can cause them to be knocking on the doors of prayer contractors and spiritual arrangers, intending to cut deals with 'God' if possible; rather than to go on their knees and be calling upon their Creator for Mercy and a turnaround is still thriving in the world today. Evil seems to run rampant everywhere. What we need is Peace in God and holding unto His Word. These agents of satan are only having breakthrough at your breakdown. Beware of miracle peddlers, Beware of false prophets, and Beware of false teachers, Jesus warned. This is their time, Run for your life!

Presents a multidisciplinary study of how Nigerian pentecostals conceive of and engage with a spirit-filled world, arguing that the character of the movement is defined through an underlying "spell of the invisible."

The T.B. Joshua I Know

No age has been more in need of the Apostle John's advice than ours: "Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world" (1 John 4:1). Many voices call to modern man: "Follow us, follow us!" Unscrupulous cult leaders claim to have supernatural gifts or powers and promise to give peace and fulfillment to those who will follow them. But in reality, they only lead men and women into bondage and unscriptural practices. In *Seven Steps for Judging Prophecy*, by Rev. Kenneth E. Hagin, you will learn: How you as a Christian can sort out the genuine prophets from the false, How to judge prophecies in the light of the Word, How to be led by the anointing that abides in you. Book jacket.

Astounding Testimonies

There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and

self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

Prophecy

What if it is death that teaches us how to truly live? Keeping the end in mind shapes how we live our lives in the here and now. Living life backward means taking the one thing in our future that is certain—death—and letting that inform our journey before we get there. Looking to the book of Ecclesiastes for wisdom, *Living Life Backward* was written to shake up our expectations and priorities for what it means to live “the good life.” Considering the reality of death helps us pay attention to our limitations as human beings and receive life as a wondrous gift from God—freeing us to live wisely, generously, and faithfully for God’s glory and the good of his world.

Rhapsody of Realities Topical Compendium-Volume 5

So many Christians experience delayed marriages, separation, divorce, suffering, affliction, sickness, poverty, disappointments and failures in their endeavours. Do you think it is the will of God that Christians experience such problems? It is definitely not the will of God. If it is not the will of God, why then do many still have problems? Very many suffer afflictions because they unknowingly practise some wrong doctrines. One of such doctrines that make some Christians suffer is the back-to-sender prayer. The prayer seems logically reasonable but it actually opens the door for the devil into a person's life. Anyone who prays such prayer has no relationship with Jesus Christ. In this book, Pastor Chris used the scripture to expose how praying back-to-sender opens the door for the devil into a Christian's life, and how you can easily receive your heart desires. Pastor Chris Ojigbani is the Apostle of Marriage. God commissioned him to liberate marriages through the preaching of the Word. He is the Senior Pastor of Covenant Singles and Married Ministries.
