Summer Light

New York Times bestselling author Luanne Rice has inspired the devotion of readers everywhere with her moving novels of love and family. She has been hailed by critics for her unique gifts--a rare combination of realism and romance, according to The New York Times Book Review. *Summer Light* is Luanne Rice at her most magical, an entrancing story of love at first sight, the true meaning of family, and angels right here on earth. May Taylor works as a wedding planner with her best friend and great-aunt, passing on the timeless traditions established by her grandmother and mother. The Taylor women have always believed in the presence of magic in everyday life--especially the simple magic of true love and family. Yet May's own faith in true love was destroyed years ago when she was abandoned by the father of her child. Still, she has found joy in raising her daughter Kylie--a special five-year-old who sees and hears things that others cannot. Her unique visions will lead May to a love she never expected and a life she never imagined. Martin Cartier is a professional hockey player and sports legend. But celebrity has never been enough for Martin. His father, Serge, a hockey champion, taught him to play the game ... and to win at all costs. Now his handsome, polished exterior barely hides a core of rage, heartache and isolation. It is Kylie who first glimpses the role Martin will play in May's life and her own. May and Martin feel an immediate attraction, but each fears being hurt again. Yet the intensity of their connection leads them to begin to believe in a shared future. But just as happiness as a family seems within reach, Martin's past threatens to tear them all apart. Only Kylie sees the way home--and only May can lead them there, if she can somehow finally believe that miracles can come true.... Deftly illuminating the everlasting bonds among mothers, daughters, fathers, and sons, Luanne Rice celebrates life's simple pleasures and the joy of meeting the one person you are destined to love forever. *Summer Light* is a moving tribute to the enduring power of love and an exhilarating testament to the magic always at work in the world for those with the courage to see it.

Safe Harbor

New York Times bestselling author Luanne Rice has touched the hearts and lives of readers everywhere with powerful tales of love and loss . . . and love regained. In an unforgettable novel set on her beloved Connecticut seaside, she weaves a timeless story. After every storm there is a place to return to—if you

have the courage to follow your heart. . . . Artist Dana Underhill has always been a free spirit, traveling the world, filling her canvases with the mysterious colors of the seas she and her sister have sailed since childhood. Then on a calm, moonlit night an inexplicable “accident” occurs and Dana is called home to Hubbard’s Point to become a mother to her two young nieces, a challenge unlike any she’s ever known. As Dana and the girls struggle to begin a new life—and to find the truth about what happened to Dana’s sister and brother-in-law—help comes in the person of an old childhood friend. Sam Trevor is now a tall, striking marine biologist, and he’s been in love with Dana for years. Although she can’t begin to contemplate opening her heart again, together Dana and Sam will discover that Hubbard’s Point is the center of endless mysteries—and endless possibilities. And as Dana rediscovers her passion as an artist and a woman, she will find more than a lifetime’s share of answers, magic, and love in the only safe harbor there is.

Summer's Child & Summer of Roses

Contains two books in one volume, the second being a continuation of the first.

The Perfect Summer

Old friendships--and love--make all things new again. The acclaimed author of *Safe Harbor* and other New York Times bestsellers returns to the seaside, delving into the heart of a once happy family facing troubled waters. Bay McCabe relishes life’s simple pleasures, her children, her home by the sea. She has never forgotten the values of her Irish granny--the everyday happiness of family, good friends, and hard work. Bay and her husband, Sean, have weathered rough spells and moved on. Now a perfect summer, filled with the scent of beach roses, lies before them. Charming and ambitious, Sean splits his energy between the town bank, his old fishing boat, and the family he seems to adore--until he leaves his young daughter stranded after school. As troubling memories resurface, a phone call confirms that Sean is missing. So begins a season that will change everything. As the door to all Bay cherishes seems to close forever, another opens, and an old love steps through. Embraced by enduring friendships, Bay will discover the truth of who she is--what love is--and how life’s deepest mysteries are often those closest to home.

Summer of Roses

Lily Malone is forced to confront the events and relationships of the past as she deals with the man who has separated her from everything she has ever loved, but who could hold the key to her young daughter Rose’s future.

Summer's Child

The lives of four different people come together as the result of the mysterious disappearance of expectant mother Leila Jameson, including Leila’s grandmother Maeve; police detective Mark Murphy, obsessed with the missing woman; Lily Malone, seeking a new life for herself and her young daughter; and Liam Neill, a gifted teacher.

Summer of Roses

Few novelists touch our hearts, quicken our souls, and enrich our lives like Luanne Rice. Now she brings full circle one of her most compelling explorations of the heart . . . all the ways it can be broken . . . and the magic that makes it whole again. On the windswept coast of Nova Scotia, two friends and their young daughters have found refuge in the rugged community of Cape Hawk. Lily Malone and nine-year-old Rose are making a new home with a man who will do whatever it takes to protect them. Marisa Taylor and young Jessica are beginning to recapture the music that once filled their world with joy. But now a stranger from faraway New England has made his way to Cape Hawk, bearing secrets from the past and news of an uncertain future. And each woman will face choices that will irrevocably shape all the seasons to come—between lives left behind, mysteries unsolved, and loves that must be reclaimed or abandoned forever. . . . “Luanne Rice has enticed millions of readers by enveloping them in stories that are wrapped in the hot, sultry weather of summer . . . she does it so well.”—USA Today

Light of the Moon

Feeling adrift in the wake of her mother's death, anthropologist Susannah Connolly travels to the French Camargue to investigate a saint linked to her family's history, but her life is changed by an encounter with a lonely man and his wounded daughter.

Pretend She's Here

Mega-bestselling author Luanne Rice returns with a ripped-from-the-headlines story of a girl who is kidnapped by her friend's family. Emily Lonergan's best friend died last year. And Emily hasn't stopped grieving. Lizzie Porter was lively, loud, and fun -- Emily's better half. Emily can't accept that she's gone. Here she teaches art at the convent school's beautiful seaside campus, over which Honor's sister-in-law, mother superior Bernadette Ignatius, keeps a benevolent and watchful eye. No one could have foreseen the day rebellious Regis would come home with the stunning news that she was getting married. Nor could anyone have guessed how that sudden announcement would soon change all their lives forever. Eleven years ago, Honor thought she had the perfect home, the perfect love, the perfect life. Then her husband, brilliant photographer and sculptor John Sullivan, broke her heart—and tore their little family apart. Now, hearing of Regis's impending marriage, John has ended his self-imposed exile and returned to the family he's always loved more than anything on earth. What he finds is one daughter still hurting over his abandonment, another who barely remembers him, and a third who may be in more trouble than anyone knows. And then there is Honor herself—and a passion that may have been interrupted but that has never waned. Some things, like sandcastles, don't survive the changing tides. But love, family, and friendship—just as fragile—have a way of standing against anything. It will take nothing short of a miracle to heal the rift between father and daughter, husband and wife, the past and the present—but a miracle is exactly what is in the works at Star of the Sea Academy. The only question is: Do you believe?

All She Ever Wanted (A gripping romantic mystery!)

Bestseller Luanne Rice returns with a novel as timeless as the sea on which it's set. From the beloved New York Times bestselling Luanne Rice comes a heartwarming yet heart-wrenching portrait of three far-flung sisters who come home to Martha's Vineyard one last time. Their mother's beach house is the only place any of them ever found true happiness and they need to begin the difficult process of letting go. Memories of their grandmother, mother, and their Irish father, who sailed away the year Dar turned twelve, rise up and expose the fine cracks in their family myth-especially when a cache of old letters reveals enough truth to send them back to their ancestral homeland. Transplanted into the unfamiliar, each sister sees life, her heart, and her relationship to home in a new way. But how do they let go of a place that contains the complicated love of their imperfect family? Without the house, where will they be together? The novel is a season on Martha's Vineyard; a mission to Ireland; a cast of friends, including one wildly off-the-grid Zen genius; passionate love in the surf; and three very different sisters with lives filled with beauty, sorrow, and deep love they'd never been quite sure they could trust. *The Silver Boat* is Luanne Rice at her very best, complete with her singular talent for capturing a family in all its flawed complexity.

The Silver Boat

Her unforgettable evocations of family, friendship, and loves lost and won in such novels as *The Edge of Winter*, *Sandcastles*, and *Summer of Roses* give voice to our most powerful emotions. Now she brings back two of her most beloved characters to tell of their journey across the sea to unravel the mysteries of a shared past—and two undying love affairs.... What Matters Most Sister Bernadette Ignatius has returned to Ireland in the company of Tom Kelly to search for the past—and the son—they left behind. For it was here that these two long-ago lovers spent a season of magic before Bernadette's calling led her to a vocation as Mother Superior at Star of the Sea Academy on the sea-tossed Connecticut shore. For Tom, Bernadette's choice meant giving up his fortune and taking the job as caretaker at Star of the Sea, where he could be close to the woman he could no longer have but whom he never stopped loving. And while one miracle drew them apart, another is about to bring them together again. For somewhere in Dublin a young man named Seamus Sullivan is also on a search, dreaming of being reunited with his own first love, the only "family" he's ever known. They'd been inseparable growing up together at St. Augustine's Children's Home, until Kathleen Murphy's parents

claimed her and she vanished across the sea to America. Now, in a Newport mansion, that very girl, grown to womanhood, works as a maid and waits with a faith that defies all reason for the miracle that will bring back the only boy she's ever loved. That miracle is at hand—but like most miracles, it can come only after the darkest of nights and the deepest of heartbreaks. For life can be as precarious as a walk along a cliff, and its greatest rewards reached only by those who dare to risk everything...for what matters most.
