Baby's First Book of Seriously Fucked-Up Shit

From an orgy between God, Satan, Adam and Eve to beauty pageants for fetuses. From a giant human-absorbing tongue to a place where God is in the eyes of the psychopathic. This is a party at the furthest limits of human decency and cruelty. Robert Devereaux is your host but watch out, he's spiked the punch with drugs, sex, and dismemberment. Deadite Press is proud to present ten stories of the strange, the gross, and the just plain fucked up from one of the most original voices in horror - Robert Devereaux.

Verity

Whose truth is the lie? Stay up all night reading the sensational psychological thriller that has readers obsessed, from the #1 New York Times bestselling author of Too Late and It Ends With Us. #1 New York Times Bestseller · USA Today Bestseller · Globe and Mail Bestseller · Publishers Weekly Bestseller Lowen Ashleigh is a struggling writer on the brink of financial ruin when she accepts the job offer of a lifetime. Jeremy Crawford, husband of bestselling author Verity Crawford, has hired Lowen to complete the remaining books in a successful series his injured wife is unable to finish. Lowen arrives at the Crawford home, ready to sort through years of Verity's notes and outlines, hoping to find enough material to get her started. What Lowen doesn't expect to uncover in the chaotic office is an unfinished autobiography Verity never intended for anyone to read. Page after page of bone-chilling admissions, including Verity's recollection of the night her family was forever altered. Lowen decides to keep the manuscript hidden from Jeremy, knowing its contents could devastate the already grieving father. But as Lowen's feelings for Jeremy begin to intensify, she recognizes all the ways she could benefit if he were to read his wife's words. After all, no matter how devoted Jeremy is to his injured wife, a truth this horrifying would make it impossible for him to continue loving her.

The Writers Directory

Three dark and disturbing horror stories from an astonishing new voice, including the viral-sensation tale of obsession, *Things Have Gotten Worse Since We Last Spoke*. For fans of Kathe Koja, Clive Barker and Stephen Graham Jones. Winner of the Splatpunk Award for Best Novella. A whirlpool of darkness churns at the heart of a macabre ballet between two lonely young women in an internet chat room in the early 2000s—a darkness that threatens to forever transform them once they finally succumb to their most horrific desires. A couple isolate themselves on a remote island in an attempt to recover from their teenage son's death, when a mysterious young man knocks on their door during a storm... And a man confronts his neighbour when he discovers a strange object in his back yard, only to be drawn into an ever-more dangerous game. Three devastating, beautifully written horror stories from one of the genre's most cutting-edge voices. What have you done today to deserve your eyes?

Things Have Gotten Worse Since We Last Spoke And Other Misfortunes

A 12-year-old boy, mourning the death of his mother, takes refuge in the myths and fairytales she always loved--and finds that his reality and a fantasy world start to meld.

The Book of Lost Things

A leading child psychologist argues that children under three do not need training--it's getting one's head straight as a parent that is important As a mother, are you comfortable in your skin? Want to know how best to be a working or stay-at-home mother? Babies have very simple needs, yet many parents are overwhelmed with elaborate advice on how to meet them. Drawing on extensive interviews and the latest clinical research, this book identifies three basic types of mother: the Hugger, the Organiser, and the Fleximum. Outlining the benefits and pitfalls of each, this book shows you how to recognize which style suits you best and outlines simple strategies to reconcile personal ambitions with the needs of your family. Empowering and provocative, Oliver James will help you make the best choices for bringing up a happy, confident child.

How Not to F*** Them Up

The “highly entertaining and thoroughly reprehensible” #1 New York Times bestseller—now with sixteen pages of photos and a new introduction (The New York Times). My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you."

I Hope They Serve Beer In Hell

Go the Fuck to Sleep is a bedtime book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing off to dreamland. Profane, affectionate and refreshingly honest, it captures the familiar and unspoken tribulations of putting your child to bed for the night. Colourfully illustrated and hilariously funny, this is a breath of fresh air for parents new, old and expectant.* *(You probably shouldn't read this to your children.)

Go the Fuck to Sleep

When Germany lost its collective mind, the United States and its allies took steps to restore sanity, hold the Nuremberg trials, and deNazify their culture. The deTrumpification of the USA is up to us, and our first critical step is decisively to destroy the Republican Party, beginning with the 2018 midterm elections. This book discusses a strategy for doing just that.

First We Destroy the GOP

A generous supply of surrealist prose pieces--some of them stories, some vignettes, with nods to Ibsen, Borges, Kafka, Gogol, and others--capped off by a true gem, *Outlaw Circus*, a pun-filled,

Blazing-Saddles-like novella that plays wild and entertaining mind games with the western genre. Heaps of fun!--Robert Devereaux, author of Baby's First Book of Seriously Fucked-Up Shit

Outlaw Circus

Sex, Death, and Santa Claus ... His generosity is legendary. He has a devoted wife, a crack team of sky-borne reindeer, hordes of industrious elves, and the love of good little boys and girls around the globe. But what unholy desires now propel him into the lascivious clutches of a certain fairy? And who was he before the sleigh and workshop, in times forgotten? ... She munches on molars, summons drowned sailors to her pleasure, and recalls, sharp as a pinprick, her life as the most savage of ash nymphs. Why then is she stuck, night after night, hovering above pillows to leave coins for gap-toothed brats? More important, how quickly can she captivate the jolly old elf to the north? ... He's huge, fluffy, lonesome, and unbearably horny. On his Easter rounds, he contrives, as often as possible, to get a grip on himself and peer into interesting bedrooms. But who in the world will throw him down and ravage him as the lovers under his gaze ravage one another? ... Deadite Press is proud to bring back the ultimate erotic Christmas story from Robert Devereaux

Santa Steps Out

Pacione with this collection settles quite a few things once and for all. Proving he was plagiarized as the controversy the past year is Stygian Dealer getting plagiarized. He brought out the original version of Media Darling plus some stories which were not seen before. Some of the material was anthologized by others but this was material he thought he didn't want rotting in a drawer somewhere. Pacione has several longer stories in this collection 17 stories in all and every one of them are very dark in nature. As dark as his debut if not more so or Dirty Black Winter which is soon to emerge. Basically in a nutshell this is a boatload of really fucked up new material. As well as a story that was a staple in 2007 called O.W.I.F. submitted for Chimeraworld #3 but didn't make the cut. One will find the story he tried to introduce to smashwords.com but someone lied to get him tossed. The true story in the collection is A Personal Stalker. Pacione unleashed the story that was a direct result of Karen H. Koehler trying to stop Legend Keeper as this outlines what he plans to do after he engaged Eric Hovind. Houses a FictionPress.com based freebie called Things That One Finds which is the other humorous story as the opening story is. Though the humor is very cringe worthy because of the dark subject matter of both. Many of these stories can go toe-to-toe with the author who wrote "Baby's First Book Of Seriously Fucked-Up Shit" well you can't get more fucked up than this. Gruesome Cargo II had his roster laughing with him when he saw the rejection letter from TOR.com as he explored a concept Stephen King also did. This will also carry the sequel to his most notorious short story, The Fandom Writer on a larger scale as the artwork was a negative version of this drawing. Pacione's collection is even more fucked up than Collectives was or An Eye In Shadows. It's on par to An Eye In Shadows on the level of fucked up it is. Fecal Heart addresses Cough Medicine abuse (Dexing) as he implied his former classmate who snubbed his dying contributor. Pacione sent her into the realm he uses to taunt naysayers known as Tabloid Hell! Ripping her world apart as he equates it to what Al Bundy's glory was; her infamy as an adult will overshadow this. He was asking other classmates what they remembered of her vile side so his roster can confront her the same way he did. He shows why he's known for laying down cryptic haymakers. If you called him a retard after reading The Fandom Writer II -- go find yourself the nearest MMA fighter ask them to beat the shit out of you. This collection will show what Pacione's horror is like when he combines his faith elements with the dark nihilism of what he came up with in his twenties. Fecal Heart, The Fandom Writer II, Media Darling, Digital Wasteland, and Our World Is Fucked are his most nihilistic work. He got really nihilistic with Fecal Heart as he used the yearbook photo of the one classmate to create the most nightmarish scene which mirrors his closing story. The element Pacione did with a lot of his 1997 work is he had the element known as "I'm You!" which is the most frightening subject matter he did. This element is brought to the fore when he wrote Places in the Cold in Collectives In A Forsaken Landscape -- the drawing was from the time he was hospitalized for his first nervous breakdown. There's more supernatural horror within the pages of this collection as a majority of the work in here have that element. The other classmate in the story the nonfiction counterpart lived in Oak Lawn around the time Pacione lived in Justice did a no-no; snubbing the dead. Contains his most creative kills.

Collectives in a Forsaken Metascape

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

The Secret

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

Ask a Manager

Uh-oh! God the Father's done wiggled out. Santa's just reported that the entire tone and texture of Earth has darkened, in the USA especially, on his Christmas rounds this year. It seems a would-be tyrant is gearing up to tyrannize. America's democratic republic teeters on its last legs, this mockery of a man having rent its fabric, perhaps irreparably, in the weeks since his highly suspect election. Checks and balances? Out the window. Sexists, racists, anti-Semites, science deniers, homophobes, fake Christians, and bigots of every stripe feel emboldened to publicly trot out the cockroach natures they've hitherto hidden. When the sanity God and Saint Nick wait for refuses to materialize, it's up to them to visit this godforsaken fucker moments after his super-weird inauguration and, in the infinite space afforded them by magic time, repair his wounded psyche. Although it's a psyche as warped and mangled as any God Almighty has ever seen, he has a plan. He has several plans. But one by one, they fall through. Holy Hannah! Will God and Saint Nick succeed in threading their way through this perverse morass of Trumpian motherfuckery? Or are they . . . well, you know . . . DOOMED TO FAIL? Hold onto your hats, boys and girls. You're in for a wild ride!

God and Santa Claus Trump Trump

An anniversary edition of the bestselling collection of "Dear Sugar" advice columns written by the author of #1 New York Times bestseller Wild—featuring a new preface and six additional columns. Soon to be a Hulu Original series. For more than a decade, thousands of people have sought advice from Dear Sugar—the pseudonym of bestselling author Cheryl Strayed—first through her online column at The Rumpus, later through her hit podcast, Dear Sugars, and now through her popular Substack newsletter. Tiny Beautiful Things collects the best of Dear Sugar in one volume, bringing her wisdom to many more readers. This tenth-anniversary edition features six new columns and a new preface by Strayed. Rich with humor, insight, compassion—and absolute honesty—this book is a balm for everything life throws our way.

Tiny Beautiful Things (10th Anniversary Edition)

This is the entire series put into one book. Paperback edition. They took too much. Left too little. I had nothing to lose...until him.*****~Lana~I didn't expect him. I didn't want to fall in love. But I can't

let him go. Logan Bennett makes the world a safer place. He's brilliant. He's a hero. He locks away the sick and depraved. But while he's saving lives, I'm taking them. Collecting the debts that are owed to me. Ten years ago, they took from me. They left me for dead. They should have made sure I stayed dead. Now I'm taking from them. One name at a time. I've trained for too long. I've been patient. I can't stop now. Revenge is best served cold... They never see me coming, until I paint their walls red. Logan doesn't know how they hurt me. He doesn't know about the screams they ignored. He doesn't know how twisted that town really is. He just knows people are dying. He doesn't know he's in love with their killer. No one suspects a dead girl. And Logan doesn't suspect the girl in his bed. They're looking for a monster. Not a girl who loves red. Not a girl in love. I'm a faceless nightmare. At least until I tell them the story they've pretended never happened. But in the end, will Logan choose them? Or will we watch them burn together? **Graphic** Adult language **Some triggers could be too much for the easily disturbed reader** Sexual content **Fucked up moral compass; read at your own risk.

The Mindf*ck Series

Richard Laymon is the undisputed master of the macabre, and nowhere is his talent to terrify shown to better effect than in his short stories. DREADFUL TALES contains all of his short fiction not previously published in the UK and forms a delicious cornucopia of homicidal maniacs, vampires and lust-crazed teenagers - not to mention the drinkers in a low-life dive who attempt to salvage a diamond ring from the mouth of a severed head in a fish tank - with grisly results.

Dreadful Tales

Wanda Sykes reduces people to tears -- tears of laughter. She's done so as a stand-up comic, a sitcom star, and a sports commentator for years now, and in the process she's gained a huge fan base nationwide. Now that she's conquered television, she's applying her genius to her first book, Yeah, I Said It. Here, Wanda presents hilarious and uncensored commentary on sex, family, politics, celebrities, and much more than she could ever say in a sound bite. But then again, she's a genius with a sound bite too. Here's what she says about men and football. "I used to think that football took place in this overbearing male-only environment that bled masculine domination. But the more I attend, the more I realize these football fans could actually be experiencing the straight man's gay pride parade. You see men painting each other's faces in bright colors. You see men proud to wear another man's last name on their shirt. You see some men wear no shirt at all.... Hot wieners on every corner as you walk up to the main competition. Men open the back of their trunks for a little tailgating." Here's what she says about women: "Women are taking stripper classes in hopes their men will stop going to strip clubs.... You can't compete with those strippers.... You gotta have... the stripper mentality. In other words, the ability to lie like a dog for a measly buck. A stripper will tell your man anything for a dollar. 'Oow, I thought you were Brad Pitt.' " An uproarious and irreverent collection from one of today's foremost comedic talents, Yeah, I Said It is Wanda Sykes at her uncensored best. Here, she channels her sharp wit into funny bits on the truth as she sees it from the halls of government in Washington, D.C., to the red carpets and boardrooms of Hollywood. Imbued with her razor-sharp voice, these essays showcase Sykes's sidesplitting candor and her trademark brand of comedy.

Yeah, I Said It

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of The Laws of Human Nature. In the book that People magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, The 48 Laws of Power is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The 48 Laws of Power

Enter apathy. Travis is back from college for the summer, and he's just starting to settle in to the usual pattern at home: drinking, drugging, watching porn, and hooking up. But Travis isn't settling in like he

used to; something isn't right. Maybe it's that deadly debauch in Hawaii, the memories of which Travis can't quite shake. Maybe it's Laura, Travis's ex, who reappears on the scene after a messy breakup and seems to want to get together -- or not. Or maybe it's his suddenly sensing how empty and messed up his life is, and wanting out. But once you're at the party, it's tough to leave...

Exit Here.

This is the sixth book in the series. First five books must be read in order to fully understand this story line. The king in my world fell and a new one slid into place. He wasn't just. He wasn't FAIR. He was cruel and hateful and twisted. But I had this black king figured out. Or so I thought. The game became complicated because my black king had some new moves and one of those involved my heart. Hope trickled in for the briefest of moments. That is, until my black king and my heart sided against me. Those two didn't play FAIR. They used me as their pawn in a bigger game—a game I didn't know how to play. The laws changed. I didn't play by their rules anymore, for the queen makes up her own. I am not a pawn. I am not theirs to use and abuse. I belong to nobody. There are new players on the board and they don't play FAIR either. But the white king does know how to treat his queen. And together, they will make them pay. All's FAIR in love and war, right? Definitely not this time. ***Warning*** This Isn't Fair, Baby is a dark romance. Extreme sexual themes and violence, which could trigger emotional distress, are found in this story. If you are sensitive to dark themes, then this story is not for you.

This Isn't Fair, Baby

This is the fifth book in the series. First four books must be read in order to fully understand this story line. The game was over and they stole the victory away from ME. Cheating. Lies. Corruption. Death. This pawn never stood a chance. But then he came for ME. He plucked ME from my nightmare and kept me safe. My heart was in tatters and my soul was lost. Until the beast in ME woke up. She was hungry and furious and didn't play by the rules of their game. We were a vicious team. And we changed the game altogether. I took what was theirs because they took what was mine. ME against them. That is...until I had someone else with ME. Someone who vowed to fight alongside ME until the very end. I don't want the love he has for ME. But the beast in ME still craves to take everything she deserves. He should run far away from ME. Instead, he runs straight for ME. This is ME, baby and I am going to ruin them all. ***Warning*** This is Me, Baby is a dark romance. Strong sexual themes and violence, which could trigger emotional distress, are found in this story. If you are sensitive to dark themes, then this story is not for you.

This is Me, Baby

Charlotte was looking after the children when her best friend's daughter goes missing; devastated by the loss Harriet can barely speak to her former best friend; but as the police focus their attention on both women and secrets start to surface, Harriet discovers that confiding in Charlotte again may be the only thing that will reunite her with her daughter.

Her One Mistake

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspingly funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Readers Guide Inside

Let's Pretend This Never Happened

Shortlisted for the Costa First Novel Award 2018 EVERY MOTHER IS A WOMAN WITH A PAST 'An intriguing tale of love and loss . . . written with verve and delivers an amazing twist' Sunday Mirror 'A haunting debut about grief, loss and motherhood' The Pool 'This novel pulls you in and will have you

racing to reach the end' Good Housekeeping When Katharine is found dead at the foot of her stairs, it is the mystery of her life that consumes her daughter, Laura. The medical examiner's report, in which precious parts of Katharine's body are weighed and categorised, motivates Laura to write her own version of events. But as she delves deeper into Katharine's past, she is forced to confront a new version of the woman she knew only as her mother. A woman silenced by her own mother and wronged by her husband. A woman who lived in the shadows but whose secrets are now coming to light. *** Includes an extract from Elisa Lodato's second novel *The Necessary Marriage*.*** 'An incredibly moving story of maternal love, sacrifice, and how little we know those closest to us' Chloë Mayer, author of *The Boy Made of Snow* 'Extraordinarily sensuous storytelling that makes the reader's heart ache in sympathy' Observer 'Spare, confident and affecting. A compelling read' Joanna Barnard, author of *Precocious*

An Unremarkable Body

This author released several different covers of "An Inextricable Tale."The original and very rare covers feature a design pattern meant to be as a curtain opening on a playstage.Later editions were sold in various colours, with bold black print.The story is about the main character Saul Shields who is his own worst enemy.Ask yourself this question:"Are some people better off not having been born in the first place?"Read "An Inextricable Tale"before you answer.

An Inextricable Tale

From the writer hailed for giving voice to a generation in *Kids These Days* comes a bold rejection of a society in which inequality, police violence, and exploitation have come to define our lives In these new and selected pieces, Malcolm Harris, one of our sharpest and most versatile critics, examines everything from the lowering of wages to the rise of fascism—and the maddening cultural landscape in between. Along the way, he explores protest strategies past and present; questions the wrong (and often racist) lessons we've learned from American history; and, most comfortingly, assures us that Marx saw the necessity of a crisis moment just like the one we're in. Rarely does a writer come along who can turn our world so thoroughly upside down that we can finally understand it for what it really is, but Harris's wry and biting essays do just that, and help us laugh at what we see. Our economic situation, political discourse, and future prospects have gotten much worse since a guy brought a sign that said "Shit is Fucked Up and Bullshit" to the Occupy Wall Street protests. We all knew what he meant then . . . but where are we now? And how has so much happened since the so-called end of history? The over thirty pieces collected here offer compelling answers to these questions and more.

Shit Is Fucked Up And Bullshit

Alida Nugent graduated college with a degree in one hand and a drink in the other, eager to trade in parties and all-nighters for "the real world." But post-grad wasn't the glam life she imagined. Soon buried under a pile of bills, laundry, and three-dollar bottles of wine, it quickly became clear that she had no idea what she was doing. But hey, what twentysomething does? In *Don't Worry, It Gets Worse*, Nugent shares what it takes to make the awkward leap from undergrad to "mature and responsible adult that definitely never eats peanut butter straight from the jar and considers it a meal." From trying to find an apartment on the black hole otherwise known as Craigslist to the creative maneuvering needed to pay off student loans and still enjoy happy hour, Nugent documents the formative moments of being a twentysomething with a little bit of snark and a lot of heart. Perfect for fans of HBO's *Girls* and Allie Brosh's *Hyperbole and a Half*, and based on her popular Tumblr blog *The Frenemy*, *Don't Worry, It Gets Worse* is a love note to boozin', bitchin' ladies everywhere.

Don't Worry, It Gets Worse

Jade Two weeks ago I thought the worst was over. Now, I'm trapped in a cage and a woman I never knew existed has taken over my life. Aiden Two weeks ago I began to lose the girl I loved. Something had changed in her, and no matter how much I didn't want to believe it, the reality was that Jade was turning into the monster she feared she would become. Angel Jade never knew I existed, and now she is going to pay for it.

Reclaimed (Evolution Series Book 6)

Our brains are doing our best to help us out, but they can be real assholes sometimes. Sometimes it seems like your own brain is out to get you—melting down in the middle of the grocery store, picking

fight with your date, getting you addicted to something, or shutting down completely at the worst possible moments. You already told your brain firmly that it isn't good to do these things. But your brain has a mind of its own. That's where this book comes in. With humor, patience, and lots of swearing, Dr. Faith shows you the science behind what's going on in your skull and talks you through the process of retraining your brain to respond appropriately to the non-emergencies of everyday life. If you're working to deal with old traumas, or if you just want to have a more measured and chill response to situations you face all the time, this book can help you put the pieces of the puzzle together and get your life and brain back. Here's an excerpt from the book: Knowing what's going on up in your brain is HUGE. So much of how we interact with the world around us is a completely normal response when we take into account our past experiences and how our brains work. • Freaking the fuck out • Avoiding important shit we need to take care of • Feeling pissed off all the time • Being a dick to people we care about • Putting shit in our bodies that we know isn't good for us • Doing shit we know is dumb or pointless None of these things are fucking helpful. But they all make sense. Your brain has adapted to the circumstances in your life and started doing things to protect you, bless it. It's not TRYING to fuck you over (even though it totally is, at times). As we navigate the world, nasty shit happens. The brain stores info about the nasty shit to try to avoid it in the future. Sometimes these responses are helpful. Sometimes the responses become a bigger problem than the actual problem was. It's called a trauma reaction. And even if you aren't dealing with a specific trauma? Adaptive coping strategies, bad habits, and funky behaviors all wire in similar ways. And research is showing that these issues are actually some of the easier ones to treat in therapy ... if we address what's really going on, rather than just the symptoms.

Unfuck Your Brain

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives.

The Subtle Art of Not Giving a F*ck

Space-Girl Michelle Anthems is the exciting sequel to Space-Girl Michelle Fan Club and the second book in the Space-Girl Michelle series. The Gopher attack on the United States was just the beginning of new threats to the earth. Therese and Kara return to train and lead a new team to save the Galaxy. Vivo and Peter enter training and find out nothing is safe, even when training. Erin returns as the Shadowbird, and new characters such as Space-Guy Arnold are called upon to save the galaxy in its most dangerous hour. There has always been evil, but until now, there wasn't a team like this to lead the fight against it. Space-Girl Michelle is always about people, and the story of these people continues.

Space-Girl Michelle Anthems (Book #2)

Winner of 2021 Lambda Literary Award for Bisexual Nonfiction • #1 NEW YORK TIMES BESTSELLER • From Samantha Irby, beloved author of We Are Never Meeting in Real Life, a rip-roaring, edgy and unabashedly raunchy new collection of hilarious essays. "Stay-up-all-night, miss-your-subway-stop, spit-out-your-beverage funny.... irresistible as a snack tray, as intimately pleasurable as an Irish

goodbye.” —Jia Tolentino Irby is forty, and increasingly uncomfortable in her own skin despite what Inspirational Instagram Infographics have promised her. She has left her job as a receptionist at a veterinary clinic, has published successful books and has been friendzoned by Hollywood, left Chicago, and moved into a house with a garden that requires repairs and know-how with her wife in a Blue town in the middle of a Red state where she now hosts book clubs and makes mason jar salads. This is the bourgeois life of a Hallmark Channel dream. She goes on bad dates with new friends, spends weeks in Los Angeles taking meetings with "tv executives slash amateur astrologers" while being a "cheese fry-eating slightly damp Midwest person," "with neck pain and no cartilage in [her] knees," who still hides past due bills under her pillow. The essays in this collection draw on the raw, hilarious particulars of Irby's new life. Wow, No Thank You. is Irby at her most unflinching, riotous, and relatable.

Wow, No Thank You.

D.L. Hughley calls it like he sees it, discussing everything from dating to former president Barack Obama with sharp, thoughtful commentary “The best book since The Hunger Games. First he was a King of Comedy; now he's the king of comedy authors.”—Chris Rock The American dream is in dire need of a wake-up call. A f*cked up society is like an addict: if you are in denial, then things are going to keep getting worse until you hit bottom. According to D. L. Hughley, that's the direction in which America is headed. In I Want You to Shut the F*ck Up, D.L. explains how we've become a nation of fat sissies playing Chicken Little, but in reverse: The sky is falling, but we're supposed to act like everything's fine. D.L. just points out the sobering facts: there is no standard of living by which we are the best. In terms of life expectancy, we're 36th—tied with Cuba; in terms of literacy, we're 20th—behind Kazakhstan. Things are bad now and they're only going to get worse. Unless, of course, you sit down, shut the f*ck up, and listen to what D. L. Hughley has to say. I Want You to Shut the F*ck Up is a slap to the political senses, a much needed ass-kicking of the American sense of entitlement. In these pages, D. L. Hughley calls it like he sees it, offering his hilarious yet insightful thoughts on: • Our supposedly post-racial society • The similarities between America the superpower and the drunk idiot at the bar • Why apologizing is not the answer to controversy, especially when you meant what you said • Why civil rights leaders are largely to blame for black people not being represented on television • And more!

I Want You to Shut the F#ck Up

When Fig Coxbury buys a house on West Barrett Street, it's not because she likes the neighborhood, or even because she likes the house. It's because everything she desires is next door: The husband, the child, and the life that belongs to someone else.

Bad Mommy

BEST MYSTERY/THRILLER FOR THE YEAR for NPR "Come for the mounting horror and scares, but stay for a devastating examination of the nature of family secrets." - New York Times book review "[A] scary, highly entertaining debut...that pays homage to Shirley Jackson." - South Florida Sun Sentinel A Most Anticipated Book Goodreads * Publishers Weekly * Crime Reads * Popsugar * Bookish * #1 Loanstar Pick in Canada An Indie Next pick! A Library Reads Pick! The Blair Witch Project meets Midsommar in this brilliantly disturbing thriller from Camilla Sten, an electrifying new voice in suspense. Documentary filmmaker Alice Lindstedt has been obsessed with the vanishing residents of the old mining town, dubbed “The Lost Village,” since she was a little girl. In 1959, her grandmother's entire family disappeared in this mysterious tragedy, and ever since, the unanswered questions surrounding the only two people who were left—a woman stoned to death in the town center and an abandoned newborn—have plagued her. She's gathered a small crew of friends in the remote village to make a film about what really happened. But there will be no turning back. Not long after they've set up camp, mysterious things begin to happen. Equipment is destroyed. People go missing. As doubt breeds fear and their very minds begin to crack, one thing becomes startlingly clear to Alice: They are not alone. They're looking for the truth... But what if it finds them first? Come find out. "RELENTLESSLY CREEPY." —Alma Katsu, author of The Hunger (An NPR Best Horror Novel) "IMPOSSIBLE TO STOP READING." —Ragnar Jonasson, author of The Island "Readers will revel in the chills." - Booklist

The Lost Village

A "dark and funny debut"(Seattle-Times) about a young police officer struggling to maintain a sense of reality in a town where the dead outnumber the living. Colma, California, the "cemetery city" serving San Francisco, is the resting place of the likes of Joe DiMaggio, Wyatt Earp, and William Randolph

Hearst. It is also the home of Michael Mercer, a by-the-book rookie cop struggling to settle comfortably into adult life. Instead, he becomes obsessed with the mysterious fate of his predecessor, Sergeant Wes Featherstone, who spent his last years policing the dead as well as the living. As Mercer attempts to navigate the drama of his own daily life, his own grip on reality starts to slip—either that, or Colma's more famous residents are not resting in peace as they should be.

Alive in Necropolis

An anthology of tales of horror features the works of Peter Straub, David Morrell, Whitley Streiber, Ramsey Campbell, Thomas Tessier, Joyce Carol Oates, and fifteen other writers. Original.

MetaHorror

In this groundbreaking bestseller, Lundy Bancroft—a counselor who specializes in working with abusive men—uses his knowledge about how abusers think to help women recognize when they are being controlled or devalued, and to find ways to get free of an abusive relationship. He says he loves you. So...why does he do that? You've asked yourself this question again and again. Now you have the chance to see inside the minds of angry and controlling men—and change your life. In *Why Does He Do That?* you will learn about:

- The early warning signs of abuse
- The nature of abusive thinking
- Myths about abusers
- Ten abusive personality types
- The role of drugs and alcohol
- What you can fix, and what you can't
- And how to get out of an abusive relationship safely

"This is without a doubt the most informative and useful book yet written on the subject of abusive men. Women who are armed with the insights found in these pages will be on the road to recovering control of their lives."—Jay G. Silverman, Ph.D., Director, Violence Prevention Programs, Harvard School of Public Health

Interesting coloring book. Lots of lovely and cute images for you to choose from. Excellent image quality and varied images. The design is easy on the eyes and beautiful for everyone. Gifts for everyone in all occasions !!! * Niko: "My nephew loves it. I'm really happy when she loves it" * Cheryl: "Purchased as a gift for my 4 year old cousin. She loves it!!!" * Kallan: "My son was very happy, he keeps coloring it. Cute pictures and good papers." * Jenny: "My children love this coloring book! It has many pages, and should last about a month. The pages are thick enough for coloring with markers with no bleed through. Good buy." HAPPY COLORING

Monster High Coloring Book

"Join the Monster High fun in this colorful and exciting school guide. Children will feel as if they are actually attending the Monster High School as they are thoroughly guided by Frankie Stein. They will learn about the student body, different classrooms, take quizzes and more"--Provided by publisher.

Sea Monster

Tensions are running high as Melody teams up with Frankie in a race against time to try and stop Bekka from spilling Jackson's big secret. But Frankie has bigger plans in mind - she and Brett decide to film a documentary to further the RADs cause . . . but Bekka isn't about to let some monster steal her man! Meanwhile, Cleo freaks when her friends bolt on her Teen Vogue photo shoot to be in Frankie's documentary, and she starts giving Melody the evil eye - just what is that royal pain up to? Will Cleo stop at nothing to remain queen bee, even if it means teaming up with Bekka - a normie?!

We Are Monster High

Doc McStuffins Feelin Good

quickly becoming the most popular show on disney jr. Doc Mcstuffins

Lego Make Your Own Movie

Lights...camera...action! Bring your LEGO minifigures to life with this beginner-friendly guide to stop-motion animation. Ten "Mini Movies" walk you through using your phone, tablet, or computer to make short, funny clips with step-by-step instructions. Set the stage with any of the six included background settings and thirty-six LEGO elements, including a pizza, banana, baseball cap, six minifigure heads, and more! Plus, learn the tricks of the trade as you dive into more advanced skills, such as lighting, sound effects, and camera angles. With these tips and tricks, every movie you make is guaranteed to be a successful smash hit.

Horrible Histories: Vile Victorians (New Edition)

They may have looked all prim and proper, but the Victorians were a jolly naughty bunch who could be vicious and violent and villainous. Readers can discover the murderers who wouldn't hang, when the first public loo was flushed and all about stag hunting in Paddington Station. With a bold, accessible new look, these bestselling titles are sure to be a huge hit with yet another generation of Terry Deary

fans. Revised by the author and illustrated throughout to make Horrible Histories more accessible to young readers.

The Hunt for the Giant Pearl

Uncle Scrooge and his three nephews search for the location of the fabulous Giant Pearl, unaware that they are being followed by Flintheart Glomgold and Magica de Spell.

Pooh Builds

Help Pooh build a fence, plant a garden, and much much more with Pooh Builds! This 12-page interactive board book includes tons of reusable shaped foam stickers that encourage preschoolers to explore their own creativity. With its adorable artwork, fun new format, and beloved Pooh characters, beginning learners will be educated and entertained again and again!

Charlotte's Web

Don't miss one of America's top 100 most-loved novels, selected by PBS's The Great American Read. This beloved book by E. B. White, author of Stuart Little and The Trumpet of the Swan, is a classic of children's literature that is "just about perfect." Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Some Pig. Humble. Radiant. These are the words in Charlotte's Web, high up in Zuckerman's barn. Charlotte's spiderweb tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, love, life, and death that will continue to be enjoyed by generations to come. It contains illustrations by Garth Williams, the acclaimed illustrator of E. B. White's Stuart Little and Laura Ingalls Wilder's Little House series, among many other books. Whether enjoyed in the classroom or for homeschooling or independent reading, Charlotte's Web is a proven favorite.

Fibber in the Heat

Fanatical about cricket since he was a boy, MILES JUPP would do anything to see his heroes play. But perhaps deciding to bluff his way into the press corps during England's Test series in India wasn't his best idea. By claiming to be the cricket correspondent for BBC Scotland and getting a job with the (Welsh) Western Mail, Miles lands the press pass that will surely be the ticket to his dreams. Soon, he finds himself in cricket heaven - drinking with David Gower and Beefy, sharing bar room banter with Nasser Hussain and swapping diarrhoea stories with the Test Match Special team. Amazing! But struggling in the heat under the burden of his own fibs, reality soon catches up with Miles as - like a cricket-obsessed Boot from Evelyn Waugh's Scoop - he bumbles from one disaster to the next. A joyous, charming, yet cautionary tale, Fibber in the Heat is for anyone who's ever dreamt about doing nothing but watching cricket all day long.

Horrible Histories: Measly Middle Ages (New Edition)

Readers can discover all the foul facts about the MEASLY MIDDLE AGES, including why chickens had their bottoms shaved, a genuine jester's joke and what ten-year-old treacle was used for. With a bold, accessible new look, these bestselling titles are sure to be a huge hit with yet another generation of Terry Deary fans.

The Zog Activity Book

Everyone's favourite accident-prone dragon is back - and now you can join in the fun too! This fantastic new activity book is based on the bestselling book ZOG, by Julia Donaldson and Axel Scheffler. Packed with press-outs, colouring and puzzles, there's plenty to keep Zog fans busy for hours. Included in the book: press-out dragon mobile, press-out crown, make your own Egg-Box Zog, over 100 reusable stickers, recipes, bunting, finger puppets, postcards, colouring-in, dot-to-dots, spot the difference, mazes, simple word searches and more!

Li'l Abner

Meet the Flying Doctors: Princess Pearl, Sir Gadabout and, of course, their trusty 'air ambulance', Zog the dragon, in this fabulously original sequel to the best-selling Zog. There's much to do, as they fly

around tending to a sunburnt mermaid, a distressed unicorn and a sneezy lion. But should princesses really be doctors? Pearl's uncle, the King, doesn't think so-until he himself falls ill, and only Pearl knows how to cure him.

Zog and the Flying Doctors

The 2011 Caldecott Medal winner is now available as a board book, perfect for the youngest of readers. Full color.

A Sick Day for Amos McGee

The Tale of Peter Rabbit follows mischievous and disobedient young Peter Rabbit as he is chased about the garden of Mr. McGregor. Mother rabbit always cautions her children about the garden, but her rebellious son Peter goes there to snack on some vegetables. Peter is spotted and loses his jacket and shoes while trying to escape. He hides in a watering can in a shed, but then has to run away again when Mr. McGregor finds him, and ends up completely lost. He escapes and returns home to his mother who puts him to bed after dosing him with chamomile tea. Beatrix Potter (1866-1943) was an English author, illustrator, natural scientist, and conservationist best known for her children's books featuring animals. Potter's artistic and literary interests were deeply influenced by fairies, fairy tales and fantasy. Her best known picture book is The Tale of Peter Rabbit which was also her first publication. The great success was followed by the number of successful children's books about animals, such as The Tale of Squirrel Nutkin, The Tailor of Gloucester and The Tale of Benjamin Bunny. She carried on to write and illustrate until her diminishing eyesight made it difficult to continue. Potter's books continue to sell throughout the world in many languages with her stories being retold in song, film, ballet, and animation.

The Tale of Peter Rabbit (Illustrated Edition)

An unfortunate night watchman continues to encounter living and breathing museum exhibits.

Night at the Museum

Loved by kids, trusted by parents, and developed by teachers, Gold Stars Second Grade Big Workbook is a year-round way to make learning fun.

Second Grade BIG Workbook

Uncle Scrooge decides to have Armstrong the robot replace his butler, and discovers that a major fault lies right under his money bin.

Armstrong the Robot and Earthquake

A charming new bumper short-story collection from the world's best-loved storyteller. A fantastic collection of 30 stories about animals of all shapes and sizes, this will charm children aged 6 and up. From pet puppies to woodland wildlife, garden birds to pond-dwelling frogs, Enid Blyton was a devoted and knowledgeable animal-lover. Readers who feel the same way are bound to love her wonderful stories about our furry friends - and scaly, feathery or fluttery ones too! These delightful stories are ideal for newly confident readers and are the perfect length to be read aloud in the classroom or at bedtime. *** Enid Blyton ® and Enid Blyton's signature are Registered Trademarks of Hodder & Stoughton Limited. No trademark or copyrighted material may be reproduced without the express written permission of the trademark and copyright owner.

Animal Stories

"A monster named Buddy is determined to eat some cute little bunnies, until they prove to be more enjoyable as playmates"--

Stories & Fairy Tales

Put an end to knee pain! An esteemed surgeon and a water therapy expert team up to tell you the essentials about your knees, how to get them back into shape, and how to prevent further pain and injury. Through careful explanation, they examine each part of the healing process—from basic function to long-term exercises—guiding you to a pain-free life. With detailed information on a variety of healing options, you will learn how to make the right decisions for your knees, understand when and why surgery is appropriate, and how simple exercise in your living room and in the pool can speed the post-surgical healing process.

Buddy and the Bunnies in

A new title in the bestselling finger puppet series! Tiny tots can enjoy swimming among the fish with Little Shark in this simple, comforting story. The book features a permanently attached plush finger puppet and peek-a-boo holes in every page, giving parents and children a fun, interactive way to play and read together.

Heal Your Knees

The perfect gift for any dinosaur-loving child, this collection of Hidden Pictures puzzles offers a unique puzzling experience. Kids can use the included bright green highlighter to find hundreds of hidden objects and create fluorescent scenes. This dinosaur activity book with inverted white-on-black puzzles combines the fun of coloring with highlighters and the enduring popularity of intricate Hidden Pictures puzzles. Dinosaur-themed images such as dinosaurs at the dentist, a dinosaur construction site, and a dino rock band pair with Highlights' trademark humorous illustrations, creating a fun and engaging puzzling activity perfect for the whole family.

Little Shark: Finger Puppet Book

This hilarious pad pairs jokes from Highlights with wiggling googly eyes that peek through every page. This laugh-out-loud joke pad brings together wacky googly eyes, silly cartoons, and dozens of zany jokes, including knock-knock jokes and riddles. Guaranteed to amuse any kid on a road trip, in a waiting room, or during other "I'm bored" moments, this book contains jokes the whole family can enjoy. Plus, the reverse side of each page offers a fun and surprising activity.

Dinosaur Hidden Pictures Puzzles to Highlight

Create painted rocks featuring a dozen happy little Bob Ross designs to brighten someone's day. This kit includes enough materials for 3 projects, plus step-by-step instructions for an entire collection of Bob Ross-inspired rocks. Rock painting is a joyful way to spread positivity in your community—and adding these 12 Bob Ross paintings to your rocks is sure to bring a smile to someone's face. The step-by-step instructions, photographs, and stencils included in Bob Ross Rocks! make it a breeze to add colorful and vibrant art to your rocks. Complete each project with a Bob Ross quote, and—son of a gun!—you'll have a happy little rock. This kit includes 3 river rocks, 3 acrylic paints, 3 colored gel pens,

2 paintbrushes, a dotting tool, a permanent marker, a dozen stencils, and a 48-page instruction book to guide you through the joy of rock painting.

Googly-Eyed Jokes

The study of deductive reasoning is one of the key areas in cognitive psychology. Much of the initial impetus for studies in this field came from a developmental perspective, in particular as a consequence of Piaget's theory of formal operations. Subsequent research that examined some of the predictions of this theory has led to what appear to be quite contradictory conclusions. On the one hand, reasoning is held to be a very precociously acquired, if not innate, competence, such that very young children can reason 'logically'. On the other hand, reasoning in adults has been found to be so convincingly 'illogical' that the very notion of logical competence, even in educated adults has been put into question. Clearly, these two conclusions cannot both be true, and their continuing existence reflects the increasing fragmentation of studies of children and of adults. In this context, developmental studies appear to be critical to an integrative approach to reasoning that considers both children and adults within a single theoretical and empirical perspective. This issue presents some of the more important developmental perspectives on the development of reasoning.

Bob Ross Rocks!

This playful rhyming Little Golden Book asks, "How do penguins play?" Children will delight in watching bear cubs, seals, penguins, monkeys, and other animal friends frolicking joyfully with each other. Adorable pastel illustrations show these animals playing king-of-the-hill, keep away, and other fun and familiar games.

Development and Reasoning

Bob Ross fans can relax with the coloring and word search activities in this book. This happy little activity book includes 52 word search puzzles accompanied by detailed line art of paintings from the beloved Joy of Painting artist Bob Ross. Color in luscious landscapes, majestic waterfalls, and glorious mountains, and then find the thematic words in the puzzles on the opposite page. As a bonus, some coloring pages also feature an iconic, inspiring quote from Bob to be colored in.

How Do Penguins Play?

Kids will need to brush up their searching skills to find all the toothbrushes in this engaging puzzle book! More than 101 of them are hiding among 90 puzzles and over 1,500 total hidden objects. Young puzzlers will also enjoy full-color bonus puzzles and activities that include toothbrush jokes, riddles, mazes, drawing activities and more. Easily portable for travel and taking fun on the go, this 144-page activity book is a perfect gift for fans of Hidden Pictures puzzles with a unique thematic twist. Kids 6 and up will love hunting for hidden objects in classic black-and-white puzzles—they also make great coloring pages after the objects are found! Every Highlights Hidden Pictures book provides kids with engaging and rewarding games that build confidence, concentration and problem-solving. Highlights puzzles are all well thought out, well constructed and visually appealing to help bring kids meaningful benefits and maximum fun.

Bob Ross Word Search and Coloring Book

Don't tickle the pig or you might make it oink! but that touchy-feely patch is ever so tempting! Little children will love pressing the touchy-feely patches to hear the animal sounds in this hilarious and charming book. Combines touchy-feely patches with sounds and holes in the pages to create a fun and amusing experience for little children. A musical finale features all the animals being noisy at once.

101 Toothbrushes

Go to bed with Little Dino and his mother in this playful and interactive reading experience for parent and child.

Don't Tickle the Pig

My First I Can Draw Things That Go

"Put your fingers in the soft (so soft!) bunny arms to wiggle and squeeze as you read this sweet story." — Entertainment Weekly Share your love with this huggable finger puppet book: The sweetly reassuring stories in this brand-new series celebrate all things a parent's arms can do for their child, from playing games to sharing a treat and—best of all—showing their love with a hug. • Adorable illustrations and two plush finger puppet arms make for a cozy, interactive reading experience for babies and their loved ones • The affectionate story line inspires the bond between family and baby and encourages relaxing moments spent together • Book makes a sweet gift for new and soon-to-be parents An interactive journey that explores the true power of a parent's love and how simple moments shared with your little ones can have a great impact. • Great family read-aloud book • Books for kids ages 0-3 • Books for preschool and up

Baby Orca: Finger Puppet Book (Puppet Book for Babies, Baby Play Book, Interactive Baby Book)

Baby Yeti emerges from his crystal cave to play with his friends on the snowy mountain.

Backpack Explorer: Beach Walk

"Meet the Sisters of the Last Straw, a community of Sisters trying hard to overcome their bad habits. Join these lovable misfit nuns as they learn to love God and forgive one another. When their new chapel seems to be haunted, the Sisters have to work together to uncover the mystery!"--Back cover.

Hug Me Little Bunny: Finger Puppet Book

Over 400 irresistible, reusable, and collectible stickers to mix, match, and trade! Whether on windows, notebooks, lunch boxes, or scrapbooks, these peel-and-place stickers are perfect for creating your own work of art—anytime, anywhere!

Treasures

What is Baby Llama's favorite food? Follow along with this cute baby animal as it experiences its world, from playtime to bedtime. The simple, comforting story in this go-to baby gift series have made it a multimillion seller. Featuring a permanently attached plush finger puppet, this volume offers parents and children a fun, interactive way to play and read as they build a lifelong love of books together.
