La guerra interminable

La guerra interminable fue una de las primeras novelas de Joe Haldeman. Un fascinante clásico de ciencia ficción. Iniciada en 1997, la guerra con los taurinos dura desde hace siglos. Como pasan de un mundo a otro a velocidades superiores a la luz, las tropas de la guerra interminable envejecen solo unos pocos días, mientras que en la Tierra pasan los años y el planeta se vuelve cada vez más irreconocible. De ese modo, la lucha más cruel que tendrán que mantener estos soldados será su batalla personal contra el tiempo.

La Guerra Interminable

One of the very best science fiction novels of all time. An intelligent and thought provoking allegory for the Vietnam War. Private William Mandella is a reluctant hero in an interstellar war against an unknowable and unconquerable alien enemy. But his greatest test will be when he returns home. Relativity means that for every few months' tour of duty centuries have passed on Earth, isolating the combatants ever more from the world for whose future they are fighting. Readers can't stop thinking about The Forever War: 'More than just a book about a futuristic war, Haldeman describes a society built around the codependency of the industrial military complex and with a fluid dynamic socio-economic culture that is fascinating to watch unfold' Goodreads reviewer, **★★★★** hugely important story from a very human angle . . . It will come as no surprise that this was written as a reaction to America's war in Vietnam' Goodreads reviewer, **★★★★** Catch-22 is often cited as one of the great books about the futility and inherent paradoxes of war. I think this is easily its equal' Goodreads reviewer, **★★★★** This book is a masterpiece, both as a straight-up science fiction story, but also as an allegory for the horrors and hopelessness of war' Goodreads reviewer, **★★★★** This is military-flavoured bootcamp-to-war Science Fiction in its finest form, as refreshing and thought provoking as it no doubt was when it was released in 1974 . . . a landmark classic of Science Fiction' Goodreads reviewer, **★★★★** Haldeman's story touched on a number of different themes (the horrors of war and those of personal traumatic injury, loneliness, alienation, loss, cultural indoctrination, and societal change over time) . . . a really good sci-fi classic' Goodreads reviewer, **★★★★**

Primeras historias de la guerra interminable

La guerra interminable, considerada por la prestigiosa Kirkus Review la mejor obra de Joe Haldem y galardonada con los premios Nebula, Hugo y Lcus de 1974, a menudo se ha interpretado como un réplica a la ideología subyacente en Tropas de espacio, de Robert Heinlen. En ella aborda Haldem dos de los grandes temas de la literatura de todos los tiempos, la guerra y el amor, enmarcándolos en un conflicto bélico interplanetario de larga duración. Pero es sobre todo por la perfecta reacción de personajes y por el t

The Forever War

As they touch down on the planet Aleph, Platoon 1 are about to put everything they've learned in training into practice. They are under orders to engage the enemy – the Taurans – whom none of them have ever seen before. Ready for battle, they set out across the alien world. The war is real now. They're in it. But, like everything, the expectation and the reality are markedly different. The ideology that led them to this situation also led to decisions that none of them could have prepared themselves for – and the lucky ones who survive will never be the same again... p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px}

La guerra interminable

Private William Mandella is a hero in spite of himself--a reluctant conscript drafted into an elite military unit. He never wanted to go to war, but the leaders on Earth have drawn a line in the interstellar sand--despite the fact that their fierce alien enemy is unknowable, unconquerable, and very far away.

GUERRA INTERMINABLE (RA STICA) (9788435021234)

The end, es una historia que comienza durante la guerra en Bosnia-Herzegovina y concluye en París 21 años después. Es la historia de un río metido en la piel de un hombre que se sueña dentro de una guerra interminable perpetrada por psiquiatras locos y secundada por una red infinita de cómplices, todos ellos hermanados y manipulados a su vez por una fuerza invisible en un complot de dominio sobre los restos de una humanidad decadente e inservible a la que succionan desde hace milenios. Es la historia de un escritor de los Balcanes al que jamás se le ha publicado porque sus legajos aunque perfectamente engargolados, sucios y desgastados están escritos en claves y códigos indescifrables. Arturo Meza nos muestra la gran pesadilla de estar vivos dentro de la piel de la muerte. El desolado feudo interior de la locura sin posibles intersticios de salida.

The Forever War #2

Tras la victoria de Franco, el doctor Guillermo García Medina sigue viviendo en Madrid bajo una identidad falsa. La documentación que lo libró del paredón fue un regalo de su mejor amigo, Manuel Arroyo Benítez, un diplomático republicano al que salvó la vida en 1937. Cree que nunca volverá a verlo, pero en septiembre de 1946, Manuel vuelve del exilio con una misión secreta y peligrosa. Pretende infiltrarse en una organización clandestina, la red de evasión de criminales de guerra y prófugos del Tercer Reich que dirige desde el barrio de Argüelles una mujer alemana y española, nazi y falangista, llamada Clara Stauffer. Mientras el doctor García se deja reclutar por él, el nombre de otro español se cruza en el destino de los dos amigos. Adrián Gallardo Ortega, que tuvo su momento de gloria como boxeador profesional antes de alistarse en la División Azul, para seguir luchando como voluntario de las SS y participar en la última defensa de Berlín, malvive en Alemania, ignorando que alguien pretende suplantar su identidad para huir a la Argentina de Perón. Thriller y novela de espías, Los pacientes del doctor García es tal vez la historia más internacional y trepidante de Almudena Grandes, su narración más ambiciosa, en la que conecta acontecimientos reales y desconocidos de la segunda guerra mundial y el franquismo, para construir las vidas de unos personajes que no sólo comparten la suerte de España, sino también la de Argentina.

The Forever War

Cuando en 2010 Almudena Grandes publicó Inés y la alegría, en la que novelizó de manera inolvidable el episodio desconocido de la toma del valle de Arán en 1944 por un ejército de republicanos españoles, anunció que con ella iniciaba una serie de novelas independientes con las que querían trazar la historia olvidada de los que resistieron y lucharon en la clandestinidad durante la posguerra y el franquismo. Así aparecieron El lector de Julio Verne, sobre el maquis en la sierra de Jaén, Las

tres bodas de Manolita, sobre la organización de la resistencia en Madrid, entre cárceles, tablaos y Cuelgamuros, Los pacientes del doctor García, sobre la red de evasión de nazis en la España franquista, y La madre de Frankenstein, en el que un manicomio se convierte en microcosmos de un régimen represor. Esas cinco novelas forman el último gran friso de la literatura española, una obra titánica que ha logrado una repercusión irrepetible, y que ahora ofrecemos en un pack de lujo.

The End

Los humanos nacemos con el cerebro cableado para el amor y la compasión y la neurociencia nos enseña que el cerebro está constantemente cambiando. Estos dotes innatos están en nuestros genes, nuestra fisiología y nuestra bioquímica y pueden ser nutridos y desarrollados en función de construir un mundo más solidario

Parias y resistentes

El contenido de este texto dice relación directa con las investigaciones que presentaron diferentes académicos nacionales y extranjeros en el V Congreso Chile España, que se desarrolló en la Universidad Católica de la Santísima Concepción durante el año 2018. Las temáticas que se consideraron en dicha actividad, tuvieron directa relación con la Historia de las Relaciones Internacionales y se iniciaron con el origen y rol de la Sociedad de Naciones el año 1919, culminando con la iniciativa americana en este campo, representada por UNASUR y su actual condición.

Los pacientes del doctor García

The Spanish Civil War (1936-1939) pitted conservative forces including the army, the Church, the Falange (fascist party), landowners, and industrial capitalists against the Republic, installed in 1931 and supported by intellectuals, the petite bourgeoisie, many campesinos (farm laborers), and the urban proletariat. Provoking heated passions on both sides, the Civil War soon became an international phenomenon that inspired a number of literary works reflecting the impact of the war on foreign and national writers. While the literature of the period has been the subject of scholarship, women's literary production has not been studied as a body of work in the same way that literature by men has been, and its unique features have not been examined. Addressing this lacuna in literary studies, this volume provides fresh perspectives on well-known women writers, as well as less studied ones, whose works take the Spanish Civil War as a theme. The authors represented in this collection reflect a wide range of political positions. Writers such as Maria Zambrano, Mercè Rodoreda, and Josefina Aldecoa were clearly aligned with the Republic, whereas others, including Mercedes Salisachs and Liberata Masoliver, sympathized with the Nationalists. Most, however, are situated in a more ambiguous political space, although the ethics and character portraits that emerge in their works might suggest Republican sympathies. Taken together, the essays are an important contribution to scholarship on literature inspired by this pivotal point in Spanish history.

Parias y resistentes

This book is the latest and most comprehensive reference to the regional geography of Spain, taking into account emergent issues such as biodiversity, climate change and nationalism. It appeals to scientists as well as to students and instructors and all fields of geography, regional, environmental and cultural studies, and business related disciplines. It covers the whole range of topics from the physical to the human geography of Spain and provides detailed insights into all 17 autonomous communities. Dozens of GIS maps and hundreds of photographs and images including remote sensing imagery make this volume a must have for every geography department.

War edition

Young Carmen Dula and her family are embarking on the adventure of a lifetime - they are going to Mars. But Carmen isn't so sure she wants to. After training for a year and preparing to leave on the six-month journey, she finds that the initial excitement has given way to both trepidation and frustration. Once there, however, Carmen realizes that things are not so different from Earth. There are chores, lessons, and oppressive authority figures. All of that leads her to venture out into the bleak Mars landscape alone, where an accident takes her to the edge of death - and she is saved by an angel. An angel with too many arms and legs, a head that looks like a potato gone bad - and a message for the newly arrived inhabitants of Mars: We were here first...

Estuche Episodios de una Guerra Interminable

In a long history of ruination and destruction, neoliberalism is the most recent and virulent form of capitalism. This book is a call to action against the most persistent and pestilent disease of our time. Translated into over twenty different languages, the book offers a call to action that transcends local contexts and speaks to the violent global conditions of our neoliberal age. *Fuck Neoliberalism: Translating Resistance* is a worldwide middle finger to the all-encompassing ideology of our era. The original essay sparked controversy in the academy when it was first released and has since spread around the world as enthusiastic rebels translated it into their own languages. This book brings those translations together, accompanied by short essays from each translator explaining why they translated the text and describing struggles against neoliberalism in their regions. With translations into languages from across the globe, including Mandarin, German, Indonesian, Spanish, Hindi, Italian, Korean, and many more, this book highlights the international nature of resistance to the totalitarian ideology of neoliberalism. Featuring a cover produced by renowned artist Ed Repka (a.k.a. the King of Thrash Metal Art), this internationalized, heavy-metal rant against the all-powerful ideology highlights a chink in its armor. When people across the world find a way to communicate a shared message and stand together, resistance can be both beautiful and inspiring.

La guerra interminable

Spanish Republicans and the Second World War tells the stories of the 500,000 Spanish Republicans that fled across the Pyrenees in 1939 as Catalonia fell to Franco's victorious army in the final weeks of the Civil War. Many of the exiles played an active part in the Second World War. Some joined the French and British armed forces and saw action in various theatres including Africa and Europe (both in 1940 and after D-Day). In August 1944, Spanish Republicans in the La Nueve Company of General Leclerc's Deuxième Blindée were the first Allied troops into Paris during the liberation of the French capital. Those that had remained in Vichy France were active in the early days of the French Resistance, and Republican Maquis also played a significant part in the liberation of the south-west of France in 1944. Those who fought the Axis troops in Spain during the Civil War and then again in France assumed that once the Allies had defeated the Nazis, they would launch a military campaign to overthrow Franco's government in Spain. In October 1944, a force of thousands of Spanish Maquis took part in Operación Reconquista, the invasion of the Valley of Aran on the Spanish side of the Pyrenees. Their declared aim was to trigger a popular uprising and force the Allies to intervene against Franco's dictatorship. Whitehead also examines the role of the Spanish volunteers of the División Azul who swore an oath of allegiance to Hitler and fought with the Wehrmacht on the Eastern Front; the role of the master double-agent Garbo, who played a crucial part in the success of D-Day; the strategic importance of Gibraltar; and the activities of the British diplomatic corps and secret services in resisting Hitler's plans to invade the Iberian Peninsula.

Pack Episodios de una guerra interminable

This book examines the cultural articulation of Spanish History (and histories (remembered, meaningful experiences)). It analyzes how real people and fictional characters experience the rupture of post-war repression, as their vindicating collective memory counters the authoritarian narrative and laws that demonized and criminalized them. The book, that breaks the persistent cycle of denial of Francoist malfeasance, is a resource for scholars and students who research the representation of Spain's dictatorship, its aftermath and the recovery of postdictatorial memory.

Homo Amandi: Evoluçã_o Consciente del Miedo a la Solidaridad

This book deals with two areas: Global Commons and Security: inextricably melted together and more relevant than ever in a world which is ever globalized and... with an incognita looming on the horizon: the effects of the Coronavirus pandemic upon the International Relations and globalization. Global Commons have always been relevant. It was Mahan who argued that the first and most obvious light in which the sea presents itself from the political and social point of view, is that of a great highway; or better, perhaps, of a wide common... Nowadays, this view has been further developed and, in addition to the unique legal implications that the Global Commons introduce, they are viewed, more and more intently, as a common pool of resources. Or perhaps, not that common... Resources, the key word! Which has to be always supplemented by two key words: access and security. And still, another one: data, the cyberspace contribution to the equation.

De la sociedad de las naciones a la globalización: Visiones desde América y Europa

biográfico ficticio irónico cómico trágico

Salvaje de corazon

The Op-Ed Novel follows a clutch of globally renowned Spanish novelists who swept into the political sphere via the pages of El País. Their literary sensibility transformed opinion journalism, and their weekly columns changed their novels, which became venues for speculative historical claims, partisan political projects, and intellectual argument.

Spanish Women Writers and Spain's Civil War

EL REGRESO A COATLICUE

The Geography of Spain

LITERATURE A WORLD HISTORY An exploration of the history of the world's literatures and the many varieties of literary expression Literature: A World History encompasses all the world's major literary traditions, emphasizing the interrelationship of local and national cultures over time. Spanning global literature from the beginnings of recorded history to the present day, this expansive four-volume set examines the many varieties of the world's literatures in their social and intellectual contexts. Its four volumes are devoted to literature before 200 CE, from 200 to 1500, from 1500 to 1800, and from 1800 to 2000, with four dozen contributors providing new insights into the art of literature, and addressing the situation of literature in the world today. Organized throughout in six broad regions—Africa, the Americas, East Asia, Europe, South Asia, Southeast Asia, and Oceania, and West and Central Asia—Literature: A World History offers readers a clear and consistent treatment of diverse forms of literary expression across time and place. Throughout the text, particular emphasis is placed on literary institutions within different regional and linguistic cultures and on the relations between literature and a spectrum of social, political, and religious contexts. Features work by an international panel of leading scholars from around the globe, in Africa, the Middle East, South and East Asia, Australia and New Zealand, Europe, and the United States Provides a balanced overview of national and global literature from all major regions of the world from antiquity to the present Highlights the specificity of regional and local cultures throughout much of literary history, together with cross-cutting essays on topics such as different writing systems, court cultures, and utopias Literature: A World History is an invaluable reference work for undergraduate and graduate students as well as scholars looking for a wide-ranging overview of global literary history.

Marsbound

Juan Goytisolo is arguably Spain's foremost contemporary novelist. This book is one of the few major studies in English to examine all of his mature works, from *Señas de identidad* in 1966 to *Las semanas del jardín*, published in 1997. It focuses on the interface between the thematic content of the novels and its formal expression, viewing this as the crucial nexus of their meaning. Goytisolo's writing is, in his own words, a "commitment of myself ... for a transformation of the world". The *Poetics of Contagion* dissects the nature of the relationship between writer and reader to show how Goytisolo's political commitment is reflected in his work.

Fuck Neoliberalism

Juan Goytisolo is arguably Spain's foremost contemporary novelist. This book is one of the few major studies in English to examine all of his mature works, from *Señas de identidad* in 1966 to *Las semanas del jardín*, published in 1997. It focuses on the interface between the thematic content of the novels and its formal expression, viewing this as the crucial nexus of their meaning. Goytisolo's writing is, in his own words, a 'commitment of myself ... for a transformation of the world'. The *Poetics of Contagion* dissects the nature of the relationship between writer and reader to show how Goytisolo's political commitment is reflected in his work.

Afganistán, un conflicto permanente : factores y dinámicas para entender una guerra interminable

p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px} From Nebula and Hugo Award-winning author, Joe Haldeman. The sequel to *The Forever War* – Joe Haldeman's legendary intergalactic Vietnam War parable. Stunningly realized by Marvano. The Forever War raged for centuries... but Marygay was there to see it all. During

the interstellar travel that took her years, whole generations came and went on Earth. Thanks to special relativity, Marygay was able to wait for many lifetimes to be reunited with her lost love, William Mandella. But they, and the other survivors of the war, are struggling to find their place in the universe after the galaxy shattering conflict. Collects *The Forever War: Forever Free* #1-3. "A classic reinterpretation of a brilliant sci-fi novel that still feels fresher than most comics on the market today." – Multiversity Comics "It's an amazing military story of survival and exploration – highly recommended." – Chuck's Comic of the Day

Spanish Republicans and the Second World War

"A história de guerra mais precisa e dolorosamente genuína que eu já li." William Gibson, autor de *Neuromancer*. Quando a humanidade faz o primeiro contato com uma raça extraterrestre, um movimento hostil causa o início de uma guerra espacial que durará séculos. William Mandella, um jovem norte-americano, está entre os primeiros soldados convocados no alistamento obrigatório. Na guerra, ele aprenderá a manusear as máquinas mortíferas mais modernas e a sobreviver ao ambiente inóspito de mundos alienígenas. Além da resistência física, Mandella precisa lutar para sobreviver aos horrores da guerra, em um constante exercício de questionamento sobre seus reais inimigos. A possibilidade de voltar para casa não é uma esperança nem um alento: devido à dilatação temporal envolvida nas viagens espaciais, soldados que passaram poucos meses no espaço descobrem, ao retornar à Terra, que lá a passagem de tempo foi de décadas ou até de séculos. Inspirado na experiência de Joe Haldeman na Guerra do Vietnã, Guerra sem fim se tornou um clássico da ficção científica militar e recebeu os prêmios Hugo, Nebula e Locus. Além de registrar, em uma metáfora cruel, a realidade de uma geração que vivenciou a guerra nos anos 60, Haldeman também abordou temas universais e atemporais, como ufanismo, solidão e as contradições da guerra.

Francoist Repression and Incarceration in Contemporary Spanish Culture

Each contribution to this book discusses key issues arising from the portrayal of men and the formation of masculine identities in a range of representative and landmark texts, fictional and non-fictional, drawn from different historical periods and from various countries in the Hispanophone Americas. There is an emphasis on the ways in which writers from Argentina (Manuel Puig), Chile (the Spaniard Alonso de Ercilla y Zúñiga and the Chilean Nicolás Palacios), Mexico (Gustavo Sainz and Ángeles Mastretta) and the Hispanic USA (Jennifer Harbury and Francisco Goldman) have explored the themes of love, friendship and trust and their transformative power for gender relations in situations and contexts where deception, exploitation and oppression are often disturbingly present. There is also a discussion of the applications, insights and limitations of different theoretical frameworks and concepts relevant to the task of producing gendered readings, including Connell's 'world gender order' and 'hegemonic masculinity', as well as 'the cult of virility' as characterised by Still and Worton, Chela Sandoval's 'decolonial love' and 'methodology of the oppressed' and Beasley-Murray's 'posthegemony'. This book was originally published as a special issue of *Iberian and Latin American Studies*.

Security in the Global Commons and Beyond

Endloser Kampf Krieg. In gigantischen Raumschiffen werden die Soldaten mit Lichtgeschwindigkeit von einem Gefecht zu anderen befördert. Doch während es für sie immer nur einige Monate dauert, vergehen auf der Erde Jahrhunderte. Einer der bedeutendsten Antikriegsromane, die je geschrieben wurden - neu übersetzt nach der vom Autor überarbeiteten und erweiterten Fassung. Mit einem Vorwort von Ben Bova.

Mártirso

This collection explores the role of memoria histórica in its broadest sense, bringing together studies of narrative, theatre, visual expressions, film, television, and radio that provide a comprehensive overview of contemporary cultural production in Spain in this regard. Employing a wide range of critical approaches to works that examine, comment on, and recreate events and epochs from the civil war to the present, the essays gathered here bring together research and intercultural memory to investigate half a century of cultural production, ranging from "high culture" to more popular productions, such as television series and graphic novels. A testament to the conflation of multiple silencings – be they of the defeated, victims of trauma or women – this project is about hearing the voices of the unheard and recovering their muted past.

Companions of the Night

The Edgar Award–winning author of *Never Trust a Dead Man* puts a terrifying spin on what should be a typical night in a small town. Sixteen-year-old Kerry has got a tough night ahead of her. What begins as a simple lost-and-found trip to the laundromat to rescue her little brother's stuffed koala bear turns into a nightmarish odyssey of murder, vampires, and—quite possibly—true love. “Interview with a Vampire for the learner's permit set.” —The Horn Book “A freshly written thriller, an offbeat love story, an engaging twist on the vampire novel, and an exciting tale of moral complexity Point [this] book at the Lois Duncan fans as well as Anne Rice followers, and get out of the way.” —The Bulletin “[Vande Velde] is a master at taking traditional fairy-tale-like themes and making them fresh and totally unique. *Companions of the Night* . . . does that for the vampire story The narrative is tightly wound, keeping readers ready for excitement and action.” —Emma Carbone, New York Public Library

Companions of the Night

Kidnapping. Car theft. Murder. Vampires. Kerry's got a tough night ahead of her.

Companions of the Night

When sixteen-year-old Kerry Nowicki helps a young man escape from a group of men who claim he is a vampire, she finds herself faced with some bizarre and dangerous choices.

Heir Apparent

Sample Text

Dragon's Bait

In this fantasy adventure, a teenage girl accused of witchcraft and sentenced to death by dragon finds an unexpected friend—and maybe something more. Fifteen-year-old Alys is not a witch. But that doesn't matter—the villagers think she is and have staked her out on a hillside as a sacrifice to the local dragon. It's late, it's cold, and it's raining, and Alys can think of only one thing—revenge. But first she's got to escape, and even if she does, how can one girl possibly take on an entire town alone? Then the dragon arrives—a dragon that could quite possibly be the perfect ally.... An ALA Quick Pick for Reluctant Young Adult Readers A New York Public Library Book for the Teen Age “Wicked wit and charm . . . as well as a gutsy heroine and a sexy dragon.” —Booklist “Alys herself is a worthy heroine, with a capricious gift for irony. A thoughtful mainstream fantasy.” —Publishers Weekly “[A] dark, bittersweet romance.” —Kirkus Reviews

Never Trust a Dead Man

This winner of the Edgar Award for Best Young Adult Mystery is “an entertaining blend of fantasy, whodunit, and comedy” (School Library Journal). When Selwyn, a farmer, is accused of murdering his rival, Farold, he is sealed in the village burial cave with Farold's moldering corpse to await starvation—or worse. Worse comes along quickly in the form of a witch who raises Farold from the dead. Selwyn thought he disliked Farold when he was alive, but that was nothing compared to working by the dead man's side as they search for the real killer. “Murder, magic, salacious secrets, and sparkling wit immediately pull the reader into this engrossing medieval whodunit . . . universally appealing and difficult to put down.” —Kirkus Reviews “A tongue-in-cheek medieval farce and a supernatural mystery.” —Library Journal “An entertaining book that will attract both fantasy and mystery readers.” —Booklist

A Well-Timed Enchantment

It's bad enough that Deanna has to waste her summer in France and her only friend is a mangy black cat, but now she's staring hopelessly into a well, trying to figure out what in the world to wish for. Before she can make a wish, the cat scratches her, her watch falls into the well, and then . . . so has she! Except that now she's in medieval France, the cat is a handsome young man, and her watch has the power to completely change history. Maybe a quiet summer would have been nice?

All Hallows' Eve

A boy is trapped in a possessed car that has stalled in the path of an oncoming train. A girl is dragged into a crypt during a field trip to an eighteenth-century cemetery. A group of friends meet their fate after an unsettling visit with a backwoods psychic. And that's just the beginning. Celebrated author Vivian Vande Velde is at her spine-tingling best in this collection of thirteen scary stories, all of which take place on Halloween night. With tales that range from the disturbing to the downright gruesome, this is one collection that teens will want to read with the lights on . . . and the doors locked.

Companions of the Night

Kidnapping. Car theft. Murder. Vampires. Kerry's got a tough night ahead of her.

Witch Dreams

Sixteen-year-old Nyssa uses her ability to see into people's dreams to discover who murdered her parents six years ago.

A Hidden Magic

A young princess is tasked with rescuing a spoiled prince—if she really wants to—in this fantasy adventure by the author of *Dragon Bait*. Once upon a time there lived a very nice but very plain young princess named Jennifer. And she had the bad luck to fall in love with the very handsome but very conceited prince Alexander. The prince had a gift for offending everyone he met, including one day an evil witch, who cast a deep spell over him. It falls to Jennifer to save him. Yet how can a nice (but average) princess hope to defeat a powerful witch? And why save Alexander? Because she loves him? But does she really? “Happily ever after” happens only in fairy tales . . . “An original and delightful parody of the classic fairy-tale genre.” —School Library Journal “Vivian Vande Velde is a master of the unexpected.” —St. Louis Post-Dispatch

Desire the Night

Kay Alisano, wolf shifter and daughter of the Shadow Pack's Alpha, is captured by the evil siren Verah as a captive blood donor for Gideon Marquet, imprisoned in Verah's basement. Kay is just another victim brought to Gideon, who is trapped by silver chains and bled by Verah, to sustain him until her death at his fangs. But Kay is different and Gideon realizes she isn't just another human. As a wolf shifter, every full moon she must give in to the call of the moon. Powerful in her own right, Kay must do what she can to free herself and Gideon from Verah's control. Gideon's love for Kay must stay strong to help this intriguing woman and himself.

The Changeling Prince

The sorceress Daria's brutal tyranny over her collection of changeling predators is about to be challenged. Weiland, her werewolf bodyguard, can no longer endure being forced to hunt and kill for the demon queen. Nor can he endure another of her mad charades, in which he and other changeling slaves must pretend they are human while she plays the part of a lady. With the help of the thief Shile, Weiland intends to steal back his own soul. But can he escape Daria's vengeful wrath?

In the Forests of the Night

I was born to the name of Rachel Weatere in the year 1684, more than three hundred years ago. The one who changed me named me Risika, and Risika I became, though I never asked what it meant. I continue to call myself Risika, even though I was transformed into what I am against my will. By day, Risika sleeps in a shaded room in Concord, Massachusetts. By night, she hunts the streets of New York City. She is used to being alone. But now someone is following Risika. Someone has left her a black rose, the same sort of rose that sealed her fate three hundred years ago. Three hundred years ago Risika had a family -- a brother and a sister who loved her. Three hundred years ago she was human. Now she is a vampire, a powerful one. And her past has come back to torment her. This atmospheric, haunting tale marks the stunning debut of a promising fourteen-year-old novelist.

The Conjuror Princess

One day Lylene was a bridesmaid, all dressed up for her older sister's wedding to a neighboring prince. A week later, Lylene was a wizard's apprentice, determined to gain the power to rescue her sister from the armed knights who had kidnapped her at the altar. And now Lylene is on the road to revenge, armed with nothing but her new magical power, and a couple of outlaw companions. Handsome outlaws, to be sure, but outlaws nonetheless.

The Spirit House

A foreign exchange student comes to live with Julie's family for a year—setting off a frightening chain of events Julie isn't thrilled about her parents' decision to sponsor a foreign exchange student from Thailand. Not only is the stranger going to live with them for a year, but Julie is convinced he'll be a nerd and will embarrass her at school. But when a tall, handsome, super-cool guy named Bia arrives, Julie is suddenly the envy of all her girlfriends. Dominic, Julie's 11-year-old brother, is also thrilled to

have Bia around the house. So to make the guest feel at home in America, Dominic builds a traditional Thai spirit house in the backyard. Overnight, Bia seems to undergo a major personality change. He's mean and spiteful and lies about everything. He also seems terrified of something . . . or someone. Has Dominic's construction somehow invoked a vengeful spirit? Is Bia the bearer of luck so bad it could harm Julie and her family?

User Unfriendly

It's the most advanced computer role-playing game ever: When you play you're really there—in a dark dream teeming with evil creatures, danger-filled fortresses, and malevolent sorceries. The game plugs directly into your brain—no keyboard, no modem, no monitor. And for game hacker Arvin Rizalli and his friends, no cash up front, no questions asked . . . and no hope of rescue when the game goes horribly, deathly wrong.

The Things We Do for Love

The man Mary Anne Drew wants is marrying someone else! So to win him back, she buys a love potion. Mary Anne's not convinced spells and potions work, but still, she has to do something. Too bad the wrong man—aka Graham Corbett—drinks it. Then strange things begin to happen.... Graham has never shown any interest in Mary Anne. In fact, their arguments are legendary. But now Graham is acting anything but hostile! Could the potion really work? Or was Mary Anne looking for love in the wrong place all along?

Belle Morte

There's only one way out Belle Morte. One of five houses where vampires reside as celebrities and humans are paid to be their living donors. While others came here seeking fortune, I came in search of my sister who walked into Belle Morte five months ago . . . and never walked back out. Now that I'm here, the secrets about this world have proven to be much bigger than I ever anticipated. And lurking around every corner are shocking insinuations of what happened to my sister. There's only one person who might have the answers I need, and the undeniable pull I feel toward him is terrifying: Edmond Dantès—a vampire, and my mortal enemy. The harder I try to resist him, the further I fall under his spell. And in one instant my life is irrevocably changed. My past becomes prologue and my fate becomes sealed behind these doors. Belle Morte has spoken. And it may never let me go.

Hell Phone

Seventeen-year-old Nick buys a used cell phone only to call his girlfriend, but strange and desperate people keep calling--one of them a denizen of Hell--begging for or demanding his help.

Witch's Wishes

On Halloween, six-year-old Sarah encounters a witch who repays her kindness by making her magic wand real for the night, resulting in a series of wishes come true that the witch then has to fix.

The Stepsister Scheme

The epic, action-packed story of what happened after the fairy tales. Once upon a time, a girl named Danielle (better known as Cinderella) escaped her evil stepmother, married a prince, and according to the stories, lived happily ever after. The stories lie. Danielle Whiteshore has no sooner moved into the palace when her stepsisters show up to kidnap her prince and steal him away to the realm of fairies. To save Prince Armand, Danielle needs more than the enchanted glass sword her mother left her. She needs the Queen's secret protectors: the deadly warrior and assassin Talia (Sleeping Beauty) and the fun-loving, flirtatious witch known as Snow White. Plunged into a world of adventure and intrigue, Danielle must forge the trio into a team if they're to rescue her prince and survive the machinations of a foe far deadlier than her stepsisters.

Stolen

Generation Dead

All over the tri-state area, something strange is happening. Teenagers who die aren't staying dead. They are coming back to life, but they come back different - they stutter and their reactions to everything are slower. Termed 'living impaired' or 'differently biotic', there are lots of conspiracy theories to explain this new phenomenon. But as their numbers keep on growing, so does the discomfort of the living people in the community. When Phoebe falls for Tommy Williams, her best friend and star of the football team, Adam, has conflicting emotions. And when Tommy decides to try out for the football team, it sets off a chain of events that escalates into deadly violence.

There's A Dead Person Following My Sister Around

When Ted's five-year-old sister, Vicki, invents an imaginary friend, no one is too concerned . . . except that Vicki's friend has the never-popular name of Marella, and unlike most imaginary friends, Marella can move things. Ted might think Marella is a ghost, but why would a ghost haunt Vicki, of all people? And why would she suddenly move into a house Ted's family has lived in for ages? And why is Marella terrified of another ghost, a dark figure who seems to be hunting Ted? Hilarious, haunting, and unexpectedly moving, *There's a Dead Person Following My Sister Around* is Vivian Vande Velde at her frightening best.

Shattered Mirror

Sarah Vida is a witch and a vampire hunter — and a loner. Christopher Ravena is a vampire trying to pass as a normal high school student who wants to know Sarah better. Drawn to him despite her better judgment, Sarah's forced to admit that there's room for gray in her otherwise black-and-white world of good versus evil — until she meets Nikolas, Christopher's twin and one of the most hunted vampires in history.

Three Good Deeds

Caught stealing some goose eggs from a witch, Howard is cursed for his heartlessness and turned into a goose himself, and he can only become human again by performing three good deeds.

Being Dead

A sixteen-year-old will give anything to be with her true love—even though he died two hundred years ago. . . . A sopping-wet little dead girl stalks a teen who had nothing to do with her death—honest! . . . A heartless man dances with his wife—after she's passed away. From the hilarious to the horrific, master storyteller Vivian Vande Velde explores the world of the dead—and the undead—in this surprisingly moving collection of unnerving tales.

Vivian Vande Velde

"A biography of American author Vivian Vande Velde"--Provided by publisher.

The Silver Kiss

Zoe is wary when, in the dead of night, the beautiful yet frightening Simon comes to her house. Simon seems to understand the pain of loneliness and death and Zoe's brooding thoughts of her dying mother. Simon is one of the undead, a vampire, seeking revenge for the gruesome death of his mother three hundred years before. Does Simon dare ask Zoe to help free him from this lifeless chase and its insufferable loneliness?

Look For Me By Moonlight

When sixteen-year-old Cynda goes to stay with her father and his second wife, Susan, at their remote bed-and-breakfast inn in Maine, everything starts off well despite legends about ghosts and a murder at the inn. But Cynda feels like a visitor in Dad's new life, an outsider. Then intense, handsome stranger Vincent Morthanos arrives at the inn and seems to return Cynda's interest. At first she is blind to the subtle, insistent signs that Vincent is not what he seems—that he is, in fact, a vampire. Can Cynda free herself-and her family-from Vincent's power before it's too late? Full-bodied characterizations and page-turning suspense ensure that this eerie, riveting novel will appeal to middle school fans of mystery and horror.

The Tough Guide to Fantasyland

This authoritative A-Z guide constitutes an essential source of information for all who dare to venture into the imaginative hinterlands, providing acute insights into such subjects as: the varying types of virgin, why High Priests are invariably evil, how Dark Lords always have minions, and why Cooks all have filthy tempers. Whether you're a first-time visitor or a veteran Fantasyland traveler, "The Tough Guide to Fantasyland" has everything you need to get the most from your Tour, including: what to do when you're captured by a Goblin, where to find a Healer when you're stricken with the dreaded plague, and how to obtain the magic sword which will protect you from those pesky Barbarian Hordes.

The Spine of the World

New York Times—bestselling series: Join barbarian hero Wulfgar on another action-packed adventure in the Legend of Drizzt saga Spending just one day in the torture chambers of the Abyss would be enough to break even the heartiest soul. Wulfgar of Icewind Dale was there for six miserable years. Though Wulfgar has since been freed, he is still haunted by the memories of the pain he endured at his captor Errtu's hands. Hoping to distance himself from his past, he flees to the faraway port city of Luskan—but in so doing, isolates himself from his friends and develops an unhealthy penchant for booze. For Wulfgar, things get worse before they get better. Fired from his gig at a tavern, robbed of his warhammer, and accused of murder, he goes on the run with Morik the Rogue—beginning a dangerous, combat-filled journey toward his redemption. The Spine of the World is the second book in the Paths of Darkness series and the twelfth installment in the Legend of Drizzt series.

Demon in My View

Jessica isn't your average teenager. Though nobody at her high school knows it, she's a published author. Her vampire novel *Tiger, Tiger* has just come out under the pen name Ash Night. Jessica often wishes she felt as comfortable with her classmates as she does among the vampires and witches of her fiction. She has always been treated as an outsider at Ramsa High. But two new students have just arrived in Ramsa, and both want Jessica's attention. She has no patience with overly friendly Caryn, but she's instantly drawn to handsome Alex, a cocky, mysterious boy who seems surprisingly familiar. If she didn't know better, she'd think Aubrey, the alluring villain from *Tiger, Tiger* had just sprung to life. That's impossible, of course; Aubrey is a figment of her imagination. Or is he? Nail-bitingly suspenseful, here is the deliciously eerie follow-up to *In the Forests of the Night*, by the remarkable fifteen-year-old novelist Amelia Atwater-Rhodes.

Tales from the Brothers Grimm and the Sisters Weird

Welcome to the fairy-tale world where Hansel and Gretel are horrible children who deserve to be baked and where Beauty is dismayed when her beloved Beast turns human. In the realm of the Brothers Grimm and the Sisters Weird, when the sky really does fall, Chicken Little becomes the leader of a religious movement, gets her own TV show, collects millions of dollars to build a theme park, and then makes off with the money. These tongue-in-cheek interpretations of more than a dozen favorite fairy tales will have readers in stitches.

Compañeros de la noche

A escondidas de su padre, Kerry sale a medianoche a recuperar el oso de peluche que su hermanito olvidó en una lavandería, sin imaginar la escalofriante sucesión de acontecimientos que la marcarán por vida a lo largo de esa terrible noche. Visita nuestro blog "<http://www.elladooscurooceanotraves-ia.blogspot.com/>"

Altered

They were made to forget. But they'll never forgive. Everything about Anna's life is a secret. Her father works for the Branch, at the helm of its latest project: monitoring and administering treatments to the four genetically altered boys in the lab below their farmhouse. There's Nick, solemn and brooding; Cas, light-hearted and playful; Trev, smart and caring; and Sam . . . who's stolen Anna's heart. When the Branch decides it's time to take the boys, Sam stages an escape. Anna's father pushes her to go with them, making Sam promise to keep her away from the Branch, at all costs. On the run, with her father's warning in her head, Anna begins to doubt everything she thought she knew about herself. She soon discovers that she and Sam are connected in more ways than either of them expected. And if they're

both going to survive, they must piece together the clues of their past before the Branch catches up to them and steals it all away.

The Wind Blows Backward

Although they share a love of poetry and problems with their parents, a shy high school senior's attraction to a popular classmate is tempered by her fear of his moody, self-destructive side.

Frogged

When almost-thirteen-year-old Princess Imogene is turned into a frog, she puts into practice lessons from the book, *The Art of Being a Princess*, as she tries to become her less-than-perfect self again.

Those Who Hunt the Night

From a New York Times–bestselling author: A former spy is recruited to unmask a vampire hunter in this Locus Award Winner. James Asher, a retired member of the Queen's secret service in Edwardian England, has settled into quietude as an Oxford professor of philology with his physician wife, Lydia. But his peace is shattered when he's confronted by a pale aristocratic Spaniard named Don Simon Ysidro, who makes an outlandish claim that someone is killing his fellow vampires of London, and he needs James's help to ferret the culprit out. The request also comes with a threatening ultimatum: Should James fail, both he and his wife will die. With James's talent for espionage and Lydia's scientific acumen and keen analytical mind, the couple begins an investigation that takes them from the crypts of London to the underworld circles of the unliving to the grisly depths of a charnel house in Paris. Now James and Lydia must believe in the unbelievable—if they're to survive another night in the shadow of Don Simon Ysidro. This first book in the James Asher series is "one of the more memorable vampire novels of recent years—smoothly written, suspenseful, awash in moral ambiguity, and rich in vampire lore . . . a must-read for vampire fans" (Kirkus Reviews). Barbara Hambly gives "Anne Rice a run for her money" (Publishers Weekly) and "Don Simon is unforgettable" (Charlaine Harris). This ebook features an illustrated biography of Hambly, including rare photos and never-before-seen documents from her personal collection.
