Isaiah: An Introduction and Study Guide

C. L. Crouch and Christopher B. Hays introduce the Book of Isaiah in its diverse historical contexts, tracing its origins and development over several centuries: beginning with the career of the prophet Isaiah ben Amoz in eighth century Jerusalem, continuing with a late seventh century edition and the further revisions made in the late sixth century, and concluding with final shaping during the Persian Period. At each stage Crouch and Hays pay close attention to the historical, cultural, and theological conversations that influenced the book's aims and interests. Crouch and Hays discuss the theological and literary continuities among the book's contributors, as well as where language and concerns differed from generation to generation. They also consider the reception history of Isaiah and what the text has meant to people through history. With suggestions of further reading at the end of each chapter, this guide will be an essential accompaniment to study of the Book of Isaiah.

A Guide Through the Old Testament

Many Bible readers have difficulty understanding the Old Testament's connection to the New Testament, and some even believe it's obsolete in light of God's new covenant. In reality, New Testament writers alluded to earlier books of the Bible roughly 300–400 times. The Old Testament isn't outdated; it's critical to understanding the rest of Scripture. In *Old Made New*, Greg Lanier explains how New Testament authors used the Old Testament to communicate the gospel and present the person and work of Jesus. He also explains what the Old Testament teaches Christians today about the church's identity and ethics. Writing for a broad range of readers, Lanier distills thorough research into simple, descriptive examples and tips. His 3-step method explains how to identify and explore an Old Testament passage and see how it's "remixed" in the New Testament to thoughtfully engage with Scripture.

Old Made New

The material in A Guide to Old Testament Bible Study has been rewritten many times during 46 years of teaching high school students in Mid-City / Crescent City High School. Those who were never before Bible students began to take an interest in God's Word because they saw the purpose running through it. Every year, the Holy Spirit used this material to help some become born-again believers. The study contains two major emphases: the history of early man (although not written as a history book, every bit of history in the Bible is true) and the Messiah (the mission of the Messiah promised in Genesis 3:15 is unfolded and developed throughout this study). This book will strengthen your faith in the Bible as God's Word, and help you to help others. Isaiah 40:8 - "The grass withereth and the flower fadeth, but the Word of our God shall stand forever." Born in Marlowe, Tennessee, Helen Wilson Driscoll graduated magna cum laude from Carson-Newman College in Jefferson City, Tennessee in 1941, with a B.A. in Greek (4 years of study), including three years of Bible study. In 1944, she graduated from New Orleans Baptist Theological Seminary with the Master of Theology degree (including three years of Bible study and Greek, and two years of Hebrew). She then served on the seminary faculty, teaching Greek for three years. Married to J. Paul Driscoll in 1948, Mrs. Driscoll helped her husband build the Mid-City / Crescent City Baptist Church, where they served for 58 years. In 1956, they founded the Mid-City / Crescent City Baptist High School, where she served in administration and taught high school Bible classes for 46 years. She has authored two other books, Around the World in Fifty Days, and God's Redemptive Plan Revealed in the Old Testament

the total conquering of all the lands promised to Abraham. We are introduced to the Judge-Heroes, including but not limited to Gideon, Deborah, and Samson. We read of the rise of the prophet Samuel and reigns of Saul, David, and Solomon. We thrill at the faith and gifts of David and mourn over his fall from grace.
