Novalis

Building on recent investigations into affinities between early German Romanticism and French post-structuralism, this study brings together the work of Jacques Derrida with the writings of one of early Romanticism's most important theorists, Friedrich von Hardenberg (1772-1801), better known as Novalis. In contrast to recent criticism, which traces the historical path from Romanticism to modern theory in broad strokes, this book undertakes comparative readings of Novalis's and Derrida's texts on literature and philosophy. The book focuses on the significance both writers accord to paradox and argues that readings which are attuned to paradox can better appreciate the proximity of Romanticism and post-structuralism. As well as their affirmation of paradox, the texts of Novalis and Derrida testify to a profound respect for the Other, and the close readings of selected texts reveal remarkable similarities in their thinking on literature, philosophy and representation, and on the intricate interrelation between language, identity and desire.

Novalis

In *Delayed Endings*, Alice A. Kuzniar demonstrates how Novalis and Hölderlin exemplified the Romantics' new way of narrating time, and how their method of nonclosure, or the deliberate avoidance of resolution and the strategies that bring it about, united the narrative, semantic, and thematic strains of their work. Novalis's *Heinrich von Ofterdingen* not only lacks a conclusion but even has a ruptured and disoriented beginning. --University of Georgia Press.

Paradox, Aphorism and Desire in Novalis and Derrida

Novalis: Forschung und Werk. Friedrich von Hardenberg gilt als der Romantiker der deutschen Literatur. Person und Werk besitzen seit 200 Jahren eine Schlüsselfunktion bei der Auseinandersetzung mit der Romantik und ihrem Verhältnis zur Klassik und zur literarischen und politischen Aufklärung. Der Band enthält die umfassende Beschreibung von Geschichte, Stand und Perspektiven der Forschung, eine Deutung des Gesamtwerks und eine internationale Novalis-Bibliographie.

Delayed Endings

Signposts to Silence provides a theoretical map of what it terms 'metaphysical mysticism': the search for the furthest, most inclusive horizon, the domain of silence, which underlies the religious and metaphysical urge of humankind in its finest forms. Tracing the footsteps of pioneers of this exploration, the investigation also documents a number of historical pilgrimages from a variety of cultural and religious backgrounds. Such mountaineers of the spirit, who created paths trodden by groups of followers over centuries and in some cases millennia, include Lao-Tzu and Chuang-Tzu, Siddhattha and Jesus, Sankara and Fa-tsang, Plato and Plotinus, Isaac Luria and Ibn Arabi, Aquinas and Hegel. Such figures, teachings and traditions (including the religions of 'Judaism', 'Christianity' and 'Islam'; 'Hinduism', 'Buddhism' and 'Taoism') are understood as, at their most sublime, not final destiny and the end of the road, but signposts to a horizon of ultimate silence. The hermeneutical method employed in tracking such pioneers involves four steps: • sound historical-critical understanding of the context of the various traditions and figures • reconstruction of the subjective intentional structure of such persons and their teachings • design, by the author, of a theoretical map of the overall terrain of 'metaphysical mysticism', on which all such journeys of the spirit are to be located, while providing a theoretical context for understanding them tendentially (i.e. taking the ultimate drift of their thinking essentially to transcend their subjective intentions) • drawing out, within the space available, some political (taken in a wide sense) implications from the above, such as religio-political stances as well as ecological and gender implications. Continuing the general direction of thought within what the author endorses

to be the best in metaphysical mysticism in its historical manifestations, the book aims to contribute to peace amongst religions in the contemporary global cultural situation. It relativizes all claims to exclusive, absolute truth that might be proclaimed by any religious or metaphysical, mystical position, while providing space for not only tolerating, but also affirming the unique value and dignity of each. This orientation moves beyond the stances of enmity or indifference or syncretism or homogenisation of all, as well as that of mere friendly toleration. It investigates the seemingly daunting and inhospitable yet immensely significant Antarctica of the Spirit, the 'meta'-space of silence behind the various forms of wordy 'inter'-relationships. It affirms *pars pro toto*, *totum pro parte*, and *pars pro parte*: that each religious, mystical and metaphysical orientation in its relative singularity represents or contains the whole and derives value from that, and that each represents or contains every other. This homiversal solidarity stimulating individual uniqueness is different from and in fact implies criticism of the process of globalisation. While not taking part in a scientific argument as such, *Signposts to Silence* aims at promoting an understanding of science and metaphysical mysticism as mutual context for each other, and it listens to a number of voices from the domain of science that understand this.

Astralis von Novalis

Individualität und Totalität: Aspekte zu einer Anthropologie des Novalis.

Friedrich von Hardenberg, genannt Novalis

The unmistakable modernity of Novalis' poetics derives its dynamic force from its adherence to the philosophical movement of German Idealism. Yet few studies of Novalis' works go beyond a cursory reference to J.G. Fichte's *Grundlage der gesamten Wissenschaftslehre*. This study breaks with traditional Novalis scholarship by laying bare and underscoring Novalis' close reading of all of Fichte's early works. After a brief chapter elucidating Fichte's concept of the imagination the bulk of the work is devoted to in-depth analyses of three key notions constitutive of Novalis' poetics: the sign, time and chance (Zufall). The final chapter weaves the strands of previous discussion into a coherent whole by examining the central concept in Novalis' poetics *Gemut*. The volume enriches our understanding of Fichte's philosophy, Novalis' poetics and that watershed era of modernity: German Romanticism."

Signposts to Silence

Die deutsche Romantik gilt gemeinhin als Überwindung der abstrakten Ich-Philosophie Fichtes. Dieses weitverbreitete Muster differenzierend beweist die vorliegende Studie, daß das philosophische, naturwissenschaftliche und poetische Werk des Novalis auf genau diejenigen Probleme des Subjektdenkens antwortet, die Fichte zu einer Vertiefung seines eigenen Ansatzes bewegt haben. Kongenial greift Novalis transzendentalen Ansatz seines Lehrers auf und nimmt damit zugleich in einigen Punkten dessen späte Wissenschaftslehre vorweg. Der Romantiker par excellence ist ein Fichteaneer.

Die deutsche Literatur zwischen Französischer Revolution und Restauration

Das ist doch mal eine hübsch formulierte Überschrift, die uns da Volker Ebersbach in einem seiner zehn Essays über „Kuriose Liebhaber“ präsentiert : Ein Stratege heiratet. Aber nein, es geht keineswegs um Boris Johnson, den britischen Politclown, Brexit-Durchpeitscher und british prime minister, sondern um einen Mann namens Perikles – der von vor oder um 490 vor Christus bis September 429 vor Christus lebte, ein führender griechischer Staatsmann, ein glänzender Rhetoriker sowie ein Stratege der Demokratie und ein Mann, der sich durchaus für die Liebe und die Lust interessierte und den damit verbundenen Wonnen mit Frauen verschiedener gesellschaftlicher Stellungen keineswegs abgeneigt war: „DIE WONNE DES STRATEGEN“. Und gleich mit den ersten Sätzen seines Versuchs über Perikles kommt Ebersbach auf das Geheimnis zu sprechen, weshalb die yellow press so erfolgreich war und ist: Gerüchte über das Privatleben „großer Männer“ kennen alle Zeiten. Was ein beliebiger Mensch tut und lässt, findet vielleicht das Interesse seiner Nachbarn oder anderer, die ihn kennen. Ein Mann, den alle kennen, muss es hinnehmen, dass sich jeder Gedanken über ihn macht. Er mag seine privaten Vorlieben, Freuden und Ärgernisse der Öffentlichkeit, so gut er kann, verbergen. Alle wollen jedoch mehr über ihn wissen, als bekannt wird, und jeder schließt von sich auf andere. Die Vorzüge des „großen Mannes“ langweilen mit ihrer Selbstverständlichkeit. Mit dem einen oder anderen kleinen Fehler, mit all den Schwächen und Lasten, die man selbst hat, lebt es sich besser, wenn auch ein Bedeutenderer nicht frei von ihnen ist. So trennt sich allmählich, zumal unter einem allgemeinen und scheinbar unumstößlichen Konsens der Gesellschaft über die moralischen Werte, von der Gestalt des berühmten Mannes ein Doppelgänger und beginnt in den neugierigen Köpfen der

Leute ein Eigenleben, auf das sein ahnungsloses Original kaum noch einen Einfluss hat, dafür aber die tausendstimmige Menge umso mehr. Neben Perikles befasst sich Ebersbach, von dessen Büchern man immer schlauer aufsteht als man sich hingesezt (oder bei diesem Thema eher auch hingelegt hat) mit den Lebens- und Liebesabenteuern von Kaiser Caligula, Dante Alighieri, Papst Alexander VI. und Zar Peter dem Großen (DER UNWIDERSTEHLICHE GERUCH DER MÄGDE), Stendhal und Novalis sowie König Edward VIII. von Großbritannien und Nordirland und nicht zuletzt mit John F. Kennedy und – Marilyn Monroe. Sie erinnern sich? „HAPPY BIRTHDAY MISTER PRESIDENT!“

Individualität und Totalität

Autonomie und Authentizität sind nicht nur die beiden basalen Begriffe, in denen das neuzeitliche Verständnis von Subjektivität wurzelt. Aus ihrem dialektischen Gegensatz lässt sich zugleich dessen Konstitutionsgeschichte ableiten. Ausgehend von den epochalen Systematisierungen Kants wird der Übergang von der transzendental-philosophischen zur poetologischen Begründung in der Frühromantik rekonstruiert. Als erkenntniskritische Grundlegung hierfür versucht der erste Teil der Arbeit eine strukturelle Konfiguration von Autonomie und Authentizität anhand der psychoanalytischen Sprachtheorie Jacques Lacans.

Entstehung und Krise lyrischer Subjektivität

Die Reihe Studien zur deutschen Literatur präsentiert herausragende Untersuchungen zur deutschsprachigen Literatur von der Frühen Neuzeit bis zur Gegenwart. Offen besonders auch für komparatistische, kulturwissenschaftliche und wissenschaftsgeschichtliche Fragestellungen, bietet sie ein traditionsreiches Forum für innovative literaturwissenschaftliche Forschung. Alle eingesandten Manuskripte werden doppelt begutachtet. Informationen zum Bewerbungsverfahren und zu Druckkostenzuschüssen erhalten Sie beim Verlag. Wenden Sie sich dazu bitte an den zuständigen Lektor Marcus Böhm (marcus.boehm [at] degruyter.com).

The Fichtean Dynamic of Novalis' Poetics

Achim von Arnims Kunsttheorie und sein Roman »Die Kronenwächter« im Kontext ihrer Epoche

Kudrun: A Critical Appreciation

In this 1978 book, Dr Campbell examines the German epic poem Kudrun.

German Literature of the High Middle Ages

New essays on the first flowering of German literature, in the High Middle Ages and especially during the period 1180-1230.

Adalbert Stifter: A Critical Study

This major study reassesses Adalbert Stifter's work within the context of the tradition of nineteenth-century European fictional prose.

Kudrun

A comprehensive study of the art and thought of George Büchner.

The Drama of Revolt

In this 1982 book, Professor Bance sets the novels of Theodor Fontane in the context of nineteenth-century Europe in order to demonstrate that his oeuvre can be seen in terms of a tension between a desire to present the facts and a desire to assert some transcendent poetic truth.

Theodor Fontane: The Major Novels

This 1980 book contains a selection of twelve essays spanning the period 1953-1977, three of which are translated. The essays in the volume concern medieval ideas of fate, fortune and history, and the persuasive influence of the Consolation of Philosophy of Boethius.

Essays on Medieval German Literature and Iconography

The essays in this 1980 volume deal largely with medieval German heroic and epic poetry.

Essays on Medieval German and Other Poetry

This text studies the narrative techniques of Wolfram and Albrecht.

The Art of Narration in Wolfram's Parzival and Albrecht's Jüngerer Titarel

This 1981 book tells of the part which the visual arts played in Goethe's life and thought.

The Younger Goethe and the Visual Arts

Rasmussen (German, Duke U.) selects several works of fiction to show how dialogues between mothers and daughters reveal much about the contradictions of social and sexual conflicts in medieval German society. Noting the historical context in each case, she examines how the male or anonymous authors produce stereotypical representations of mothers and daughters for specific purposes. Excerpts are in both German and English. Paper edition (unseen), \$16.95. Annotation copyright by Book News, Inc., Portland, OR

The Epic of Kudrun

Walter Cohen argues that the history of European literature and of each of its standard periods can be illuminated by comparative consideration of the different literary languages within Europe and of the relationship of European literature to world literature. The global history of literature from the ancient to the present can be divided into five main, overlapping stages. European literature emerges from world literature before the birth of Europe-during Antiquity, whose Classical languages are the heirs to the complex heritage of the Old World. That legacy is later transmitted by Latin to the various vernaculars. The distinctiveness of this process lies in the gradual displacement of Latin by a system of intravernacular leadership dominated by the Romance languages. An additional unique feature is the global expansion of Western Europe's languages and characteristic literary forms, especially the novel, beginning in the Renaissance. This expansion ultimately issues in the reintegration of European literature into world literature, in the creation of today's global literary system.

Mothers and Daughters in Medieval German Literature

Die Germanische Altertumskunde Online wird – wie bereits das in ihr aufgegangene Reallexikon – durch Ergänzungsbände begleitet. Diese Reihe umfasst Monographien ebenso wie Sammelbände zu spezifischen Themen aus Archäologie, Geschichte und Literaturwissenschaft. Damit wird der Inhalt der Datenbank um jene Aspekte erweitert, die einer ausführlichen Analyse bedürfen. Inzwischen sind bereits mehr als 100 Bände erschienen von Germanenproblemen in heutiger Sicht bis zur Germanischen Altertumskunde im Wandel.

A History of European Literature

Kudrun está considerado como el segundo gran poema épico-heroico de la Edad Media alemana tras el Cantar de los nibelungos, obra de la que es deudora en muchos aspectos, si bien de temática muy diferente. Conservado en un único manuscrito tardío (del siglo xvi), Kudrun data realmente del siglo xiii, y se le ha comparado en ocasiones con la Ilíada y la Odisea, lo que da muestra de su importancia. Efectivamente, Kudrun es una suerte de «odisea germánica», plagada de aventuras marítimas cuyos protagonistas pertenecen a varias generaciones y cuya geografía abarca casi todos los países ribereños del mar del Norte. La presente edición, traducida a partir del original en alto alemán medio, pone a disposición del lector en lengua castellana una obra ya fue considerada por el estudioso Ramón Menéndez Pidal como imprescindible para la comprensión de la literatura medieval.

Neue Methoden Der Epenforschung

Arranged alphabetically, this volume contains articles on various aspects of life in the Middle Ages, from A.D. 500 to 1500 and covering a geographic area including the Latin West, the Slavic world, Asia Minor, the lands of the caliphate in the East, and the Muslim-Christian areas of North Africa.

New German Studies

This award-winning multi-volume series is dedicated to making literature and its creators better understood and more accessible to students and interested readers, while satisfying the standards of librarians, teachers and scholars. The Dictionary of Literary Biography /I provides reliable information in an easily comprehensible format, while placing writers in the larger perspective of literary history. The Dictionary of Literary Biography /I systematically presents career biographies and criticism of writers from all eras and all genres through volumes dedicated to specific types of literature and time periods. For a listing of Dictionary of Literary Biography /I volumes sorted by genre a href ="/pdf/facts/DBLvolbygenre.pdf"click here. /a

Heldensage und Heldendichtung im Germanischen

Examines gender issues that appear in the heroic epics Nibelungenlied, Diu Dlage, and Kudrun, all of which revolve around women. Reviews the conventional scholarship, and discusses property and power, intimate conversations and political strategies, Teuton as Amazon, sovereignty and class, and other topics. Annotation copyright by Book News, Inc., Portland, OR

Kudrun

Includes a selection of papers presented at the Fifteenth-Century Symposia, 1977-

A.U.M.L.A.

Studienarbeit aus dem Jahr 2007 im Fachbereich Germanistik - Ältere Deutsche Literatur, Mediävistik, Note: 1,0, Technische Universität Dresden (Institut für Germanistik), Veranstaltung: Kudrun (Hauptseminar), Sprache: Deutsch, Abstract: Das Ziel dieser Untersuchung soll es sein, ein möglichst objektives Bild Wates im Rahmen der Kudrun-Handlung, aber auch als literarische Figur wiederzugeben, die sich in eine mittelalterliche Erzähltradition einreicht und auf Vorbilder bezieht. Dass Wate im Zuge einer solchen Vereinnahmung unterschiedlichste Prädikate und Charakterzüge zugeschrieben werden, erscheint aus dieser Perspektive als ein Nebenprodukt, welches aus der Anlage seiner Rolle resultiert. Vor allem am Text selbst sollen die Umrisse dieser Gestalt von einer schemenhaften und schlagwortartigen Beschreibung hin zu einer differenzierten Charakterzeichnung ausgearbeitet werden, wobei in erster Linie die für die Erzählabsicht notwendigen Konstituenten Beachtung finden. „Die Zeichnung des Kriegers Wate erinnert geradezu an eine apokalyptische Vision und Personifizierung der blutigen Schlacht, des erbarmungslosen Kampfes.“ So martialisch formuliert es Friedrich Hilgers, als er auf den Charakter der Figur Wates innerhalb der Kudrun zu sprechen kommt. Und tatsächlich wurde bei der Darstellung und Beschreibung dieses Heros in der Vergangenheit kaum mit kraftvollen und zum Teil gewaltigen Synonymen gespart, sodass eine Art Stilisierung seiner Rolle nicht von der Hand zu weisen ist.

Dictionary of the Middle Ages

Das Buch bietet eine gut lesbare und methodisch aktuelle Einführung in die Heldendichtung der germanischsprachigen Literaturen des Mittelalters, von ihren Anfängen im 8. Jahrhundert bis zu ihrem Ausklang im 16. Jahrhundert. Im Gegensatz zu früheren Einführungen dieser Art wird hier nicht stoffgeschichtlich vorgegangen. Im Zentrum stehen vielmehr die Texte selbst, die nach chronologischen und geographischen Kriterien gruppiert und einzeln vorgestellt und besprochen werden. Es soll dadurch das sich wandelnde Interesse in den Vordergrund treten, dass man in je unterschiedlichen chronologischen, geographischen und kulturellen Kontexten an die alten Geschichten herangetragen hat. Auch die vielfältigen Formen (kurzes Lied, großes Epos, Prosa-Saga, Ballade und Fastnachtsspiel) werden nach ihrer Funktion und Bedeutung befragt und sogar die Überlieferungstypen und -kontexte werden als Spuren eines sich wandelnden Rezeptionsverhaltens betrachtet. Die einzelnen Kapitel enthalten eine Zusammenfassung der jeweiligen Texte, die wichtigste Information zur Überlieferung, Datierung und Lokalisierung sowie eine mehr oder weniger eingehende Besprechung. Am Ende steht immer eine ausgewählte und kommentierte Literaturliste.

German Writers and Works of the High Middle Ages, 1170-1280

This volume is a guide to medieval German literature from its beginnings in the eighth century to the fourteenth century. It will escort the motivated student and colleague with interest in the European Middle Ages but no expertise in older German languages. The chapter authors, all internationally-known scholars, were given the freedom to arrange their chapters as they felt most appropriate, including

the question of the terminus ad quem. Chapters deal either with a chronological period, e.g. 13th century, or with specific genres, eg. drama. In addition, chapters both on the historical epoch and on the development of the German language in the medieval period have been included. In general, historical and cultural topics play an important role in each chapter.

Brides and Doom

This Festschrift on the occasion of Paul Sappler's 70th birthday contains over 30 papers from both younger colleagues and those of long standing. The main emphases in the volume are on Paul Sappler's own areas of interest - courtly lyric, courtly, heroic and minor epics, medieval and early modern drama, text editions and commentaries, lexicography. Individual chapters go beyond the narrower subject boundaries to encompass art history and modern literature.

The Collected Works of Phillis Wheatley

Contains the complete works of the first African-American to publish a book of poetry.

The Collected Works of Phillis Wheatley

The extraordinary writings of Phillis Wheatley, a slave girl turned published poet In 1761, a young girl arrived in Boston on a slave ship, sold to the Wheatley family, and given the name Phillis Wheatley. Struck by Phillis' extraordinary precociousness, the Wheatleys provided her with an education that was unusual for a woman of the time and astonishing for a slave. After studying English and classical literature, geography, the Bible, and Latin, Phillis published her first poem in 1767 at the age of 14, winning much public attention and considerable fame. When Boston publishers who doubted its authenticity rejected an initial collection of her poetry, Wheatley sailed to London in 1773 and found a publisher there for *Poems on Various Subjects, Religious and Moral*. This volume collects both Wheatley's letters and her poetry: hymns, elegies, translations, philosophical poems, tales, and epyllions--including a poignant plea to the Earl of Dartmouth urging freedom for America and comparing the country's condition to her own. With her contemplative elegies and her use of the poetic imagination to escape an unsatisfactory world, Wheatley anticipated the Romantic Movement of the following century. The appendices to this edition include poems of Wheatley's contemporary African-American poets: Lucy Terry, Jupiter Harmon, and Francis Williams. For more than seventy years, Penguin has

been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Complete Writings

Collects poems by the young Black slave with critical commentaries on her short career

The Poems of Phillis Wheatley

Phillis Wheatley was the first African American to publish a book. Born in Gambia in 1753, she came to America aboard a slave ship, the *Phillis*. From an early age, Wheatley exhibited a profound gift for verse, publishing her first poem in 1767. Her tribute to a famed pastor, "On the Death of the Rev. Mr. George Whitefield," followed in 1770, catapulting her into the international spotlight, and publication of her 1773 *Poems on Various Subjects Religious and Moral* in London created her an international star. Despite the attention she received at the time, history has not been kind to Wheatley. Her work has long been neglected or denigrated by literary critics and historians. John C. Shields, a scholar of early American literature, has tried to help change this perception, and Wheatley has begun to take her place among the elite of American writers. In *Phillis Wheatley and the Romantic Age*, Shields contends that Wheatley was not only a brilliant writer but one whose work made a significant impression on renowned Europeans of the Romantic age, such as Samuel Taylor Coleridge, who borrowed liberally from her works, particularly in his famous distinction between fancy and imagination. Shields shows how certain Wheatley texts, particularly her "Long Poem," consisting of "On Recollection," "Thoughts on the Works of Providence," and "On Imagination," helped shape the face of Romanticism in the late eighteenth and nineteenth centuries. *Phillis Wheatley and the Romantic Age* helps demolish the long-held notion that literary culture flowed in only one direction: from Europe to the Americas. Thanks to Wheatley's influence, Shields argues, the New World was influencing European literary masters far sooner than has been generally understood.

Phillis Wheatley and the Romantics

"This book very conclusively debunks the over two-hundred-year-old conventional wisdom that Wheatley owes her poetic sensibilities to Alexander Pope. ... It will help rejuvenate the study of Wheatley and will be an exciting contribution to scholarly discourse on Wheatley's poetry."--Cedrick May, author of *Evangelism and Resistance in the Black Atlantic, 1760-1835*. Phillis Wheatley was the first African American to publish a book. Born in Gambia in 1753, she came to America aboard a slave ship, the *Phillis*. From an early age, Wheatley exhibited a profound gift for verse, publishing her first.

Phillis Wheatley and the Romantics

The first African American to publish a book on any subject, poet Phillis Wheatley (1753?-1784) has long been denigrated by literary critics who refused to believe that a black woman could produce such dense, intellectual work. In recent decades, however, Wheatley's work has come under new scrutiny as the literature of the eighteenth century and the impact of African American literature have been reconceived. Fourteen prominent Wheatley scholars consider her work from a variety of angles, affirming her rise into the first rank of American writers. --from publisher description.

New Essays on Phillis Wheatley

Carretta offers the first full-length biography of Phillis Wheatley (1753?-1784), who became the first English-speaking person of African descent to publish a book and only the second woman--of any race or background--to do so in America.

Phillis Wheatley

In 1773, the slave Phillis Wheatley literally wrote her way to freedom. The first person of African descent to publish a book of poems in English, she was emancipated by her owners in recognition of her literary achievement. For a time, Wheatley was the most famous black woman in the West. But Thomas Jefferson, unlike his contemporaries Ben Franklin and George Washington, refused to acknowledge her gifts as a writer a repudiation that eventually inspired generations of black writers to build an

extraordinary body of literature in their efforts to prove him wrong. In *The Trials of Phillis Wheatley*, Henry Louis Gates Jr. explores the pivotal roles that Wheatley and Jefferson played in shaping the black literary tradition. Writing with all the lyricism and critical skill that place him at the forefront of American letters, Gates brings to life the characters, debates, and controversy that surrounded Wheatley in her day and ours.

The Trials of Phillis Wheatley

Phillis Wheatley (c. 1753–1784) was an American freed slave and poet who wrote the first book of poetry by an African-American. Sold into slavery in West Africa at the age of around seven, she was taken to North America, where she served the Wheatley family of Boston. Phillis was tutored in reading and writing by Mary, the Wheatleys' 18-year-old daughter, and was reading Latin and Greek classics from the age of twelve. Encouraged by the progressive Wheatleys who recognised her incredible literary talent, she wrote "To the University of Cambridge" when she was 14. By 20 had found patronage in Selina Hastings, countess of Huntingdon. Her works garnered acclaim in both England and the colonies, and she became the first African American to make a living as a poet. This volume contains a fantastic collection of assorted writings by various authors on the subject of Wheatley, exploring her interesting life and influential work. Contents include: "Introduction from Memoir and Poems of Phillis Wheatley, 1834"

The Collected Works of Jupiter Hammon

Set contains the following books: * Ammons, Elizabeth, ed.: *Short Fiction by Black Women, 1900-1920* * Andrews, William, *Introduction: Two Biographies by African-American Women* * Dean, Sharon, *introduction: A Hairdresser's Experience in High Life*, by Eliza Potter * Deskins, David, ed: *The Collected Works of Effie Waller Smith* * Guillaume, Bernice F., ed.: *The Collected Works of Olivia Ward Bush-Banks* * Harris, Trudier, *Introduction: The Selected Works of Ida B. Wells-Barnett* * Herron, Carolivia, ed.: *Selected Works of Angelina Ward Grimke* * Stewart, Jeffrey, ed: *Narrative of Sojourner Truth* * Tate, Claudia, ed.: *The Works of Katherine Davis Chapman Tillman* * Yellin, Jean and Cynthia Bond, eds: *The Pen is Ours*

The Slave Poet from Boston - Collected Writings on Phillis Wheatley

Slave Portraiture in the Atlantic World is the first book to focus on the individualized portrayal of enslaved people from the time of Europe's full engagement with plantation slavery in the late sixteenth century to its final official abolition in Brazil in 1888. While this period saw the emergence of portraiture as a major field of representation in Western art, 'slave' and 'portraiture' as categories appear to be mutually exclusive. On the one hand, the logic of chattel slavery sought to render the slave's body as an instrument for production, as the site of a non-subject. Portraiture, on the contrary, privileged the face as the primary visual matrix for the representation of a distinct individuality. Essays address this apparent paradox of 'slave portraits' from a variety of interdisciplinary perspectives, probing the historical conditions that made the creation of such rare and enigmatic objects possible and exploring their implications for a more complex understanding of power relations under slavery.

Memoir and Poems of Phillis Wheatley, a Native African and a Slave

This edition includes all of the known surviving writings of the poet Phillis Wheatley (1753-1784), several of which have been discovered since the last attempt at a complete edition was published in 2001. Of the fifty-seven poems, as well as their authoritative variants, forty-six were published during her lifetime. Versions of nine of them were published before September 1773. Wheatley published thirty-eight works in *Poems on Various Subjects, Religious and Moral* (London, 1773). Only seven of her poems were published between 1773 and her death in 1784. Eleven poems survive only in manuscript versions. This edition also includes all of Wheatley's extant prose writings: twenty-three letters and four subscription proposals. It includes as well the three known surviving letters written to Wheatley. Wheatley's writings are accompanied by an Introduction to her life and times, as well as extensive textual and explanatory notes.

Poems on Various Subjects, Religious and Moral

The poems of noted African-American poet Effie Waller Smith were popular in magazines and in book form. Collected in this volume, they provide insight into the life and experience of this admired turn-of-the-century poet.

The Schomburg Library of Nineteenth-Century Black Women Writers

In this comprehensive volume of the collected writings of James Monroe Whitfield (1822-71), Robert S. Levine and Ivy G. Wilson restore this African American poet, abolitionist, and intellectual to his rightful place in the arts and politics of the nineteenth

Slave Portraiture in the Atlantic World

In 1773, a young, African American woman named Phillis Wheatley published a book of poetry that challenged Western prejudices about African and female intellectual capabilities. Based on fifteen years of archival research, *The Age of Phillis*, by award-winning writer Honorée Fanonne Jeffers, imagines the life and times of Wheatley: her childhood in the Gambia, West Africa, her life with her white American owners, her friendship with Obour Tanner, and her marriage to the enigmatic John Peters. Woven throughout are poems about Wheatley's "age"—the era that encompassed political, philosophical, and religious upheaval, as well as the transatlantic slave trade. For the first time in verse, Wheatley's relationship to black people and their individual "mercies" is foregrounded, and here we see her as not simply a racial or literary symbol, but a human being who lived and loved while making her indelible mark on history.

mothering #1 Yaay, Someplace in the Gambia, c. 1753 after the after-birth is delivered the mother stops holding her breath the mid-wife gives what came before her just-washed pain her insanity pain an undeserved pain a God-given pain oh oh oh pain drum-talking pain witnessing pain Allah a mother offers You this gift prays You find it acceptable her living pain her creature pain her pretty-little-baby pain

The Collected Works of Jupiter Hammon

Most writers associated with the first generation of British Romanticism - Blake, Coleridge, Wordsworth, Southey, Thelwall, and others - wrote against the slave trade. This edition collects a corpus of work which reflects the issues and theories concerning slavery and the status of the slave.

The Writings of Phillis Wheatley

Black Nature is the first anthology to focus on nature writing by African American poets, a genre that until now has not commonly been counted as one in which African American poets have participated. Black poets have a long tradition of incorporating treatments of the natural world into their work, but it is often read as political, historical, or protest poetry--anything but nature poetry. This is particularly true when the definition of what constitutes nature writing is limited to work about the pastoral or the wild. Camille T. Dungy has selected 180 poems from 93 poets that provide unique perspectives on American social and literary history to broaden our concept of nature poetry and African American poetics. This collection features major writers such as Phillis Wheatley, Rita Dove, Yusef Komunyakaa, Gwendolyn Brooks, Sterling Brown, Robert Hayden, Wanda Coleman, Natasha Trethewey, and Melvin B. Tolson as well as newer talents such as Douglas Kearney, Major Jackson, and Janice Harrington. Included are poets writing out of slavery, Reconstruction, the Harlem Renaissance, the Black Arts Movement, and late twentieth- and early twenty-first-century African American poetic movements. *Black Nature* brings to the fore a neglected and vital means of considering poetry by African Americans and nature-related poetry as a whole. A Friends Fund Publication.

Poems and Letters

Choice Magazine Outstanding Academic Book?? "John Shields's book is a provocative challenge to the venerable Adamic myth so exhaustively deployed in examinations of early American literature and in American studies. Moreover, *The American Aeneas* builds wonderfully on Shields's considerable work on Phillis Wheatley. "--American Literature?? "The American Aeneas should be of interest to classicists and American studies scholars alike." --The New England Quarterly?? John Shields exposes a significant cultural blindness within American consciousness. Noting the biblical character Adam as an archetype who has long dominated ideas of what it means to be American, Shields argues that an equally important component of our nation's cultural identity--a secular one deriving from the classical tradition--has been seriously neglected.?? Shields shows how Adam and Aeneas--Vergil's

hero of the Aeneid-- in crossing over to American from Europe, dynamically intermingled in the thought of the earliest American writers. Shields argues that uncovering and acknowledging the classical roots of our culture can allay the American fear of "pastlessness" that the long-standing emphasis on the Adamic myth has generated. John C. Shields is the editor of *The Collected Works of Phillis Wheatley* and the author of *The American Aeneas: Classical Origins of the American Self*, which won a Choice Outstanding Academic Book award and an honorable mention in the Harry Levin Prize competition, sponsored by the American Comparative Literature Association.

The Collected Works of Effie Waller Smith

Highly spiritual, the work in this collection represents both previously published and unpublished material by Olivia Ward Bush-Banks, a notable and neglected black woman writer. Including short fiction, poetry, and drama, her work fills a lacuna in the understanding of the literature of the nineteenth century.

The Works of James M. Whitfield

A comprehensive, chronological overview of American literature in three scholarly and authoritative volumes *A Companion to American Literature* traces the history and development of American literature from its early origins in Native American oral tradition to 21st century digital literature. This comprehensive three-volume set brings together contributions from a diverse international team of accomplished young scholars and established figures in the field. Contributors explore a broad range of topics in historical, cultural, political, geographic, and technological contexts, engaging the work of both well-known and non-canonical writers of every period. Volume One is an inclusive and geographically expansive examination of early American literature, applying a range of cultural and historical approaches and theoretical models to a dramatically expanded canon of texts. Volume Two covers American literature between 1820 and 1914, focusing on the development of print culture and the literary marketplace, the emergence of various literary movements, and the impact of social and historical events on writers and writings of the period. Spanning the 20th and early 21st centuries, Volume Three studies traditional areas of American literature as well as the literature from previously marginalized groups and contemporary writers often overlooked by scholars. This inclusive and comprehensive study of American literature: Examines the influences of race, ethnicity, gender, class, and disability on American literature Discusses the role of technology in book production and circulation, the rise of literacy, and changing reading practices and literary forms Explores a wide range of writings in multiple genres, including novels, short stories, dramas, and a variety of poetic forms, as well as autobiographies, essays, lectures, diaries, journals, letters, sermons, histories, and graphic narratives. Provides a thematic index that groups chapters by contexts and illustrates their links across different traditional chronological boundaries *A Companion to American Literature* is a valuable resource for students coming to the subject for the first time or preparing for field examinations, instructors in American literature courses, and scholars with more specialized interests in specific authors, genres, movements, or periods.

The Age of Phillis

In the vaunted annals of America's founding, Boston has long been held up as an exemplary "city upon a hill" and the "cradle of liberty" for an independent United States. Wresting this iconic urban center from these misleading, tired clichés, *The City-State of Boston* highlights Boston's overlooked past as an autonomous city-state, and in doing so, offers a pathbreaking and brilliant new history of early America. Following Boston's development over three centuries, Mark Peterson discusses how this self-governing Atlantic trading center began as a refuge from Britain's Stuart monarchs and how--through its bargain with slavery and ratification of the Constitution - it would tragically lose integrity and autonomy as it became incorporated into the greater United States. Drawing from vast archives, and featuring unfamiliar alongside well-known figures, such as John Winthrop, Cotton Mather, and John Adams, Peterson explores Boston's origins in sixteenth-century utopian ideals, its founding and expansion into the hinterland of New England, and the growth of its distinctive political economy, with ties to the West Indies and southern Europe. By the 1700s, Boston was at full strength, with wide Atlantic trading circuits and cultural ties, both within and beyond Britain's empire. After the cataclysmic Revolutionary War, "Bostoners" aimed to negotiate a relationship with the American confederation, but through the next century, the new United States unraveled Boston's regional reign. The fateful decision to ratify the Constitution undercut its power, as Southern planters and slave owners dominated national politics and

corroded the city-state's vision of a common good for all. Peeling away the layers of myth surrounding a revered city, *The City-State of Boston* offers a startlingly fresh understanding of America's history.

Slavery, Abolition and Emancipation Vol 1

In the mid-eighteenth century, Americans experienced an outbreak of religious revivals that shook colonial society. This book provides a definitive view of these revivals, now known as the First Great Awakening, and their dramatic effects on American culture. Historian Thomas S. Kidd tells the absorbing story of early American evangelical Christianity through the lives of seminal figures like Jonathan Edwards and George Whitefield as well as many previously unknown preachers, prophets, and penitents. The Great Awakening helped create the evangelical movement, which heavily emphasized the individual's experience of salvation and the Holy Spirit's work in revivals. By giving many evangelicals radical notions of the spiritual equality of all people, the revivals helped breed the democratic style that would come to characterize the American republic. Kidd carefully separates the positions of moderate supporters of the revivals from those of radical supporters, and he delineates the objections of those who completely deplored the revivals and their wildly egalitarian consequences. The battles among these three camps, the author shows, transformed colonial America and ultimately defined the nature of the evangelical movement.

Black Nature

Offers a critical history of African American poetry from the transatlantic slave trade to present day hip-hop.

The American Aeneas

"Ward takes James Baldwin's 1963 examination of race in America, *The Fire Next Time*, as a jumping off point for this ... collection of essays and poems about race from ... voices of her generation and our time"--

The Collected Works of Olivia Ward Bush-Banks

Black literary production during the 19th century was dominated by the issues of slavery, racial subjugation, abolitionist politics and liberation. This book examines how those authors bore witness to the experiences they described.

A Companion to American Literature

African American Political Thought offers an unprecedented philosophical history of thinkers from the African American community and African diaspora who have addressed the central issues of political life: democracy, race, violence, liberation, solidarity, and mass political action. Melvin L. Rogers and Jack Turner have brought together leading scholars to reflect on individual intellectuals from the past four centuries, developing their list with an expansive approach to political expression. The collected essays consider such figures as Martin Delany, Ida B. Wells, W. E. B. Du Bois, James Baldwin, Toni Morrison, and Audre Lorde, whose works are addressed by scholars such as Farah Jasmin Griffin, Robert Gooding-Williams, Michael Dawson, Nick Bromell, Neil Roberts, and Lawrie Balfour. While African American political thought is inextricable from the historical movement of American political thought, this volume stresses the individuality of Black thinkers, the transnational and diasporic consciousness, and how individual speakers and writers draw on various traditions simultaneously to broaden our conception of African American political ideas. This landmark volume gives us the opportunity to tap into the myriad and nuanced political theories central to Black life. In doing so, *African American Political Thought: A Collected History* transforms how we understand the past and future of political thinking in the West.

The City-State of Boston

Paul Laurence Dunbar (1872–1906) was an American novelist, short story writer, and poet during the turn of the 20th century. Born to ex-slave parents, Dunbar began writing at a very early age and had even published his first poems by the age of 16 in a local newspaper. Much of his work was written in the "African-American Vernacular" associated with the antebellum South, although he also employed conventional English in his novels and poems. Dunbar was among the first African-American writers to garner international acclaim for their work. This volume contains a complete collection of Dunbar's

powerful poetry, presented here in a brand new edition for the enjoyment of a new generation. A fantastic collection of powerful poetry that offers a unique glimpse into the lives of African Americans at the turn of the century. Highly recommended for those interested in African-American history and literature. Other notable works by this author include: "Oak and Ivy" (1892), "Majors and Minors" (1896), and "Lyrics of Lowly Life" (1896). Ragged Hand is proudly republishing this classic collection of poetry, complete with a specially-commissioned new biography of the author.

The Great Awakening

Phillis Wheatley (c. 1753–1784) was an American freed slave and poet who wrote the first book of poetry by an African-American. Sold into a slavery in West Africa at the age of around seven, she was taken to North America where she served the Wheatley family of Boston. Phillis was tutored in reading and writing by Mary, the Wheatleys' 18-year-old daughter, and was reading Latin and Greek classics from the age of twelve. Encouraged by the progressive Wheatleys who recognised her incredible literary talent, she wrote "To the University of Cambridge" when she was 14 and by 20 had found patronage in the form of Selina Hastings, Countess of Huntingdon. Her works garnered acclaim in both England and the colonies and she became the first African American to make a living as a poet. This volume contains a collection of Wheatley's best poetry, including the titular poem "Being Brought from Africa to America". Contents include: "Phillis Wheatley", "Phillis Wheatley by Benjamin Brawley", "To Maecenas", "On Virtue", "To the University of Cambridge", "To the King's Most Excellent Majesty", "On Being Brought from Africa to America", "On the Death of the Rev. Dr. Sewell", "On the Death of the Rev. Mr. George Whitefield", etc. Ragged Hand is proudly publishing this brand new collection of classic poetry with a specially-commissioned biography of the author.

A History of African American Poetry

The prophetic poetry of slavery and its abolition During the pitched battle over slavery in the United States, Black writers—enslaved and free—allied themselves with the cause of abolition and used their art to advocate for emancipation and to envision the end of slavery as a world-historical moment of possibility. These Black writers borrowed from the European tradition of Romanticism—lyric poetry, prophetic visions—to write, speak, and sing their hopes for what freedom might mean. At the same time, they voiced anxieties about the expansion of global capital and US imperial power in the aftermath of slavery. They also focused on the ramifications of slavery's sexual violence. Authors like Frances Ellen Watkins Harper, George Moses Horton, Albery Allson Whitman, and Joshua McCarter Simpson conceived the Civil War as a revolutionary upheaval on par with Europe's stormy Age of Revolutions. The Black Romantic Revolution proposes that the Black Romantics' cultural innovations have shaped Black radical culture to this day, from the blues and hip hop to Black nationalism and Black feminism. Their expressions of love and rage, grief and determination, dreams and nightmares, still echo into our present.

The Fire This Time

This book brings together all of the known writings of William Apess, a Native American of mixed Pequot and white parentage who fought for the United States in the War of 1812, became a Methodist minister in 1829, and championed the rights of the Mashpee tribe on Cape Cod in the 1830s. Apess's *A Son of the Forest*, originally published in 1829, was the first extended autobiography by an American Indian. Readable and engaging, it is not only a rare statement by a Native American, but also an unusually full document in the history of New England native peoples. Another piece in the collection, *The Experiences of Five Christian Indians of the Pequo(d) Tribe* (1833), concludes with an eloquent and unprecedented attack on Euro-American racism entitled "An Indian's Looking-Glass for the White Man". Also included are Apess's account of the "Mashpee Revolt" of 1833-34, when the Native Americans of Mashpee petitioned the government of Massachusetts for the right to elect their own representatives, and his Eulogy on King Philip, an address delivered in Boston in 1836 to mark the 160th anniversary of King Philip's War. In his extensive introduction to the volume, Barry O'Connell reconstructs the story of Apess's life, situates him in the context of early nineteenth-century Pequot society, and interprets his writings both as a literary act and as an expression of emerging Native American politics.

Impossible Witnesses

Meet the women who wrote. They wrote against all odds. Some wrote defiantly; some wrote desperately. Some wrote while trapped within the confines of status and wealth. Some wrote hand-to-mouth in

abject poverty. Some wrote trapped in a room of their father's house, and some went in search of a room of their own. They had lovers and families. They were sometimes lonely. Many wrote anonymously or under a pseudonym for a world not yet ready for their genius and talent. We know many of their names—Austen and Alcott, Brontë and Browning, Wheatley and Woolf—though some may be less familiar. They are here, waiting to introduce themselves. They marched through the world one by one or in small sisterhoods, speaking to each other and to us over distances of place and time. Pushing back against the boundaries meant to keep us in our place, they carved enough space for themselves to write. They made space for us to follow. Here they are gathered together, an army of women who wrote and an arsenal of words to inspire us. They walk with us as we forge our own paths forward. These women wrote to change the world. The perfect keepsake gift for the reader in your life Anthology of stories and poems Book length: approximately 90,000 words

Phillis Wheatley Chooses Freedom

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. The Age of Enlightenment profoundly enriched religious and philosophical understanding and continues to influence present-day thinking. Works collected here include masterpieces by David Hume, Immanuel Kant, and Jean-Jacques Rousseau, as well as religious sermons and moral debates on the issues of the day, such as the slave trade. The Age of Reason saw conflict between Protestantism and Catholicism transformed into one between faith and logic -- a debate that continues in the twenty-first century. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. "The following is a copy of a letter sent by the author's master to the publisher."--p. [5], dated: Boston, Nov. 14, 1772. [Philadelphia]: London: printed.: Philadelphia: re-printed, and sold by Joseph Cruikshank, in Market-Street, between Second and Third-Streets, MDCCLXXXIX. [1789]. vi, [3],10-66, [4]p.; 12°

African American Political Thought

"June Jordan was not the blacksmith's daughter. June Jordan was the blacksmith. . . . She never waited around, not for anyone's permission, to write or act or be. . . . For this book to have its birth now, in the lopsided moment when we need it most, is no chance occurrence. This great woman blacksmith is still sweetly hammering us on." —Nikky Finney Poet, activist, and essayist June Jordan is a prolific, significant American writer who pushed the limits of political vision and moral witness, traversing a career of over forty years. With poetry, prose, letters, and more, this reader is a key resource for understanding the scope, complexity, and novelty of this pioneering Black American writer. From "Poem about Police Violence": Tell me something what you think would happen if everytime they kill a black boy then we kill a cop everytime they kill a black man then we kill a cop you think the accident rate would lower subsequently? . . . I lose consciousness of ugly bestial rabid and repetitive affront as when they tell me 18 cops in order to subdue one man 18 strangled him to death in the ensuing scuffle (don't you idolize the diction of the powerful: subdue and scuffle my oh my) and that the murder that the killing of Arthur Miller on a Brooklyn street was just a "justifiable accident" again (again) People been having accidents all over the globe so long like that I reckon that the only suitable insurance is a gun

The Complete Poems of Paul Laurence Dunbar

Being Brought from Africa to America - The Best of Phillis Wheatley
