Ten years have passed since young nurse Sophie Lee was accused of murdering her wealthy patient, Audrey Star. Kala defended Sophie and had no doubt of her innocence--or of Adam Star's guilt--but the prosecution convinced a jury otherwise. Sophie was convicted on a Tuesday--the day on which every significant event in her life, good or bad, seems to happen. Now, on the verge of his death, Adam exonerates Sophie and also leaves her a huge fortune in atonement. Released from prison, Sophie retreats to Kala's house and tries to evade the media frenzy that surrounds her. Kala is determined to help her client make her way back into the world and adjust to her new wealth and freedom. Yet for both, there are still revelations in store--about the nature of redemption, the strange workings of fate, and the power of forgiveness. And most of all, about the secrets that hide in every heart--even those we think we know best.

Tuesday's Child

Join Team Sisterhood as they take down America's most wanted in this electrifying thriller from the #1 New York Times bestselling author of *Cross Roads*. Thanks to a presidential pardon, the Sisterhood can put their fugitive days behind them and resume their lives in peace. Still, all the women admit that lately things are a little too calm and peaceful. Meeting up for the first time in months to celebrate Kathryn's birthday—in the City of Sin, no less—seems like the perfect antidote. But before they can kick up their heels something too big to pass up is dropped into their laps. The time has come to deal with Enemy #1, aka Hank Jellicoe, who's wanted by the FBI, the CIA, and Homeland Security for starters. President Connor herself has run out of patience with their lack of results. Only the Sisterhood, with their special blend of guts, imagination, and friends in all places are capable of pulling off the impossible—of hunting down this monster and taking him out once and for all . . . Series praise “Spunky women who fight for truth, justice, and the American way.”—*Fresh Fiction on Final Justice* “Readers will enjoy seeing what happens when well-funded, very angry women take the law into their own hands.”—*Booklist on Weekend Warriors* “Delectable . . . deliver[s] revenge that's creatively swift and sweet, Michaels-style.”—*Publishers Weekly on Hokus Pokus*

In this stunning novel, #1 New York Times bestselling author Fern Michaels conjures an unforgettable story of love, betrayal, and redemption . . . When Reuben Tarz and Daniel Bishop met, they were hardly more than boys, brought together by their connection to beautiful, worldly Marchioness Michelene Fonsard, known to all as Madame Mickey. Twenty years later, Reuben is a Hollywood mogul and Daniel has become a renowned Washington D.C. lawyer. Life has rewarded both with riches, success, and beautiful wives, if not always contentment. Out of the blue, an urgent telephone call from Mickey summons Daniel to France to rescue Philippe, the son Reuben never knew existed, and bring him to America. Philippe's arrival will be the catalyst that changes everything—unearthing old secrets and betrayals and forging surprising new bonds. And with each revelation comes that rarest of gifts: a chance to learn from the sins of the past and forge a path to happiness at last . . . “A tale of love and intrigue.” —*Library Journal* “Engaging...compelling...as polished as they come.” —*Publishers Weekly*

Ulysses

Highlights the latest currents in Whitman scholarship and demonstrates how Whitman's work transforms discussions in literary studies.

Sins of the Flesh

Julie Wyatt enlists the aid of fellow members of the Sisterhood, Myra and Annie, to prove that her daughter-in-law, Darlene, is responsible for the mysterious death of her son Larry and help ensure the safety of Larry's daughter.

The New Walt Whitman Studies

The Sisterhood: a group of women bound by friendship and a quest for justice. Now their male allies, the Men of the Sisterhood, have formed a top-secret organization of their own, with the same goal of helping the helpless and righting the wrongs of the world . . . Loyalty is a way of life for the Sisterhood and their significant others. When lawyer Lizzie Fox's husband, Cosmo Cricket, is left critically injured after being shot by an unknown assailant, the men of BOLO Consultants head straight for Las Vegas to comfort Lizzie—and to uncover a dangerous enemy in the City of Sin. As head of Nevada's Gaming Commission, Cosmo has powerful enemies. Yet the shooting seems to be related to one of his private projects. Built in the desert outside Las Vegas, Happy Village is a flourishing community for seniors who have lost a spouse. Cosmo's widowed father found new purpose in running the venture. But the neighborhood that's now home to Happy Village was once run by rival gangs, a complicated past that has come to haunt the place. Jack, Harry, and the rest of the crew need to remove the threat, risking everything to take on a vicious and mysterious gang leader known only as Hot Shot. And while the

men of the Sisterhood fight for justice for their friend, Cosmo is fighting for his life—and the stakes have never been higher . . .

Gotcha!

The female vigilantes—now fugitives—deliver “fun and vengeance in Michaels’ latest hit” as the New York Times bestselling series continues (Booklist). There is no match for the Sisterhood—the seven friends who have taken vigilante justice to a new level—not even the Federal Bureau of Investigation. Although the women foiled former FBI director Mitch Riley’s plot to frame their friends Judge Nellie Easter and lawyer Lizzie Fox, now they must remain in exile or risk capture. They can’t complain about their opulent digs on a remote, luxurious mountaintop, but the ladies desperately miss home. Their wish to return might come true sooner than they expect when they receive a panicked call from Supreme Court Chief Justice Pearl Barnes, who faces blackmail for her own illegal brand of justice. Now the women must not only sneak back into the United States, but also remain undetected as they investigate. But how do you make seven women disappear? With a nosy reporter on the brink of exposing them, the clock is ticking as the Sisterhood tries to create a little magic—and save the day . . . “Delectable . . . deliver[s] revenge that’s creatively swift and sweet, Michaels-style.”—Publishers Weekly Series praise “Spunky women who fight for truth, justice, and the American way.”—Fresh Fiction on Final Justice “Readers will enjoy seeing what happens when well-funded, very angry women take the law into their own hands.”—Booklist on Weekend Warriors “Readers looking for an updated Charlie’s Angels in ‘wild women’ mode will be most satisfied.”—Publishers Weekly on Lethal Justice
