Doug Pratt's DVD

Doug Pratt is the leading reviewer of DVDs, a contributor to Rolling Stone, and editor and publisher of The DVD-Laserdisc Newsletter. Choice says, "Pratt's writing is amusing, comprehensive and informative." Rolling Stone calls this two-volume set, "the gold standard on all things DVD." The set is unique in giving space to non-feature-film DVDs, the fastest growing area of the market. Not just a reference book, it's also good reading.

Bowker's Complete Video Directory

Featuring more than 400 new entries among reviews and ratings of 18,000 movies, this guide to films that are available on video and DVD includes brand-new DVD listings, director and star indexes, and much more. Original.

Video Movie Guide 1995

A QUICK AND EASY RENTER'S GUIDE TO HELP YOU FIND VIDEOS, ORGANIZED JUST LIKE YOUR VIDEO STORE! You'll be watching movies like the experts with this fact-packed video guide to more than 16,000 films. Organized by category to make your decision easier, this bestselling encyclopedia is unique in its comprehensive coverage and user-friendliness. From Five Stars to Turkey, the ratings help you preview the perfect movie for you! * * * Indexed by director, star, title, and Oscar winners! * * * In the full-title index, all four- and five-star movies are indicated by an *, and all new entries are highlighted for easy identification. * * * Special sections on family, foreign, and documentary films! * * * More offbeat and obscure films than any other guide, with serials, B-Westerns, horror movies, repackaged TV series, and made-for-TV movies! * * * "The best all-around volume." --Newsday

DVD & Video Guide 2004

Rates more than 17,000 movies on video. Cross-indexed by director and star. More than 800 new entries.

Video Movie Guide 1996

Reviews thousands of movies and rates each film according to a five-star rating system, and features cross-indexing by title, director, and cast.

Video Hound's Golden Movie Retriever, 1991

A guide to programs currently available on video in the areas of movies/entertainment, general interest/education, sports/recreation, fine arts, health/science, business/industry, children/juvenile, how-to/instruction.

Video Movie Guide 1997

No other movie guide offers you 24,000 movie reviews (1,000 more than last year) or in-depth indexes--sure to help you settle that office bet, complete the crossword, experience find-the-movie serendipity, or impress friends, family and complete strangers with your fountain of movie trivia. We make our book (the big orange one you presumably have in your hands right now) easy to find and easy to use for a reason--your movie-watching enjoyment is one thing we take seriously. Book jacket.

Video Movie Guide 1998

Press kit for the video of the same title. Includes two stills, filmography, facts and trivia, lyrics to song King of the cowboys, fact sheets about AMC and the making of the video, list of art and photos for sale, and a 16 page transcript of a 1992 press conference with Roy Rogers and his son Dusty to announce the video.

Video Source Book

USA Today gave it a 4-star rating, the Houston Chronicle called it "by far the best" and the New York Times says the "Hound takes the lead in a blaze of supplemental lists". The new 1996 edition of America's favorite guide to movies on video offers over 22,000 video reviews, including 1,000 new reviews.

Videohound's Golden Movie Retriever 2000

And in a series of exhaustive appendixes, he documents their contributions to each medium they worked in. Testifying to both the breadth and the longevity of their careers, the book includes radio logs, discographies, filmographies, and comicographies that will delight historians and collectors alike."--Jacket.

Roy Rogers

Wondering what video to rent tonight? This bestselling, fact-packed guide is the only sourcebook you and your family will ever need. Mick Martin and Marsha Porter steer you toward the winners and warn you about the losers. DVD & Video Guide 2004 covers it all--more films than any other guide, plus your favorite serials, B-Westerns, made-for-TV movies, and old television programs! Each entry, conveniently alphabetized for easy access, includes a summary, fresh commentary, the director, major cast members, the year of release, and the MPAA rating, plus a reliable Martin and Porter rating--from Five Stars to Turkey--so you'll never get caught with a clunker again!

VideoHound's Golden Movie Retriever 1996

This is the definitive work on Roy Rogers, the "King of the Cowboys." The lives and careers of Rogers and his wife, Dale Evans, are thoroughly covered, particularly their work on radio and television. The merchandising history of Roy Rogers reveals that his marketing of character-related products was second only to that of Walt Disney; Roy Rogers memorabilia are still among the most popular items. Includes a comprehensive discography, filmography and comicography. Heavily illustrated.

King of the Cowboys, Queen of the West

Rogers' story in his own words, lavishly illustrated with photographs from his private collection.

DVD & Video Guide 2005

A guide to programs currently available on video in the areas of movies/entertainment, general interest/education, sports/recreation, fine arts, health/science, business/industry, children/juvenile, how-to/instruction.

Roy Rogers

Roy Rogers and Dale Evans ruled the West from the silver screen as the King of Cowboys and the Queen of the West. Off screen, this husband and wife duo raised a family and lived the "Code of the West." In this biography, named for their first feature film as a pair, the Rogers family shares the inside story of these beloved Western icons, detailing their personal struggles and rise to stardom, the lives of their children, the tragedies that befell their family, and their memories of Roy and Dale and Trigger and other sidekicks on the silver screen and behind the scenes. More than eighty photographs of the

couple at work and at home are included. In this expanded edition, there will be details on Trigger and Buttermilk, the famed horses who co-starred in the duo's most memorable on-screen appearances, and there will be an epilogue covering what's happened to the legacy of the couple and their family.

Roy Rogers

*Includes pictures. *Includes Rogers' own quotes about his life and career. *Includes a bibliography for further reading. "I did pretty good for a guy who never finished high school and used to yodel at square dances." - Roy Rogers A lot of ink has been spilled covering the lives of history's most influential figures, but how much of the forest is lost for the trees? In Charles River Editors' American Legends series, readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. In the early 20th century, Westerns were one of the most popular genres in Hollywood, and one of the young stars at the forefront was Roy Rogers, who had come from an Ohio farm to transform himself into a cowboy. Regardless of his background, Rogers certainly looked the part of the quintessential cowboy, along with his wife Dale Evans and his horse Trigger. His versatile singing and acting abilities made him successful both on radio and on the screen. Rogers came of age at a time when the "singing cowboy" was at the apex of his popularity, and that was favorable because he actually got his start in show business as a singer. In the early '30s, he bounced around several groups as a country music singer before earning national attention as a member of the Sons of the Pioneers, who were signed to Decca and had a couple of hits. As a result, when he first appeared in movies in 1935, it was usually in bit roles that required singing, but when Gene Autry threatened to quit acting in 1938, Rogers was viewed as a suitable replacement for lead roles. As it turned out, he became the premiere "singing cowboy" in Autry's stead, and from 1939-1954, he was one of the Top 10 Western stars in Hollywood, and a Top 10 movie star overall during some of those years. As Rogers evolved into the "King of the Cowboys\

Video Source Book

This comprehensive guide contains the most extensive listing of movies available on video--with 1,000 new movies, added categories, and more--plus a multitude of cross-referencing within its 13 primary indexes.

Roy Rogers Favorite Cowboy Songs

A collection of western stories.

The Cowboy and the Senorita

*Includes pictures *Includes their quotes about their lives and careers *Includes a bibliography for further reading "Music has been the better part of my career. Movies are wonderful fun and they give you a famous face. But how the words and melody are joined, how they come together out of air and enter the mind, this is art. Songs are forever" - Gene Autry "I did pretty good for a guy who never finished high school and used to yodel at square dances." - Roy Rogers In the early 20th century, Westerns were one of the most popular genres in Hollywood, and one of the young stars at the forefront was Gene Autry, a Texan whose life story made him a natural to be the country's most famous "singing cowboy". Autry would become a symbol of masculinity and morality on screen during the 1930s, but it was effortless for someone who had already grown up riding horses to school. Autry came of age at a time when the "singing cowboy" was at the apex of his popularity, and like his most famous successor, Roy Rogers, Autry actually got his start in show business as a singer. Even today, Autry might be best known for being a pioneer of country music and the author of Christmas hits "Here Comes Santa Claus\

Roy Rogers: King of the Cowboys

The alternative life raft in a sea of similarity, VideoHound competes on content, categories, and indexing, but the dramatic difference is the attitude. Irreverent, slightly tongue-in-cheek, the Hound never takes himself too seriously. The 1997 edition, fully expanded and updated with 1,000 new entries, provides information and opinions on 22,000-plus videos--more than any other guide on the market--including documentaries, made-for-TV movies, and animated features. Includes Web site entertainment directory.

American Legends

A biography of the man whose movie roles as a singing cowboy made him famous as the "King of the Cowboys."

VideoHound's Golden Movie Retriever 1999

Roy Rogers, Gene Autry, Tex Ritter . . . they were the cowboys that everyone loved. Now their magic is captured in a memorable collection of photos, film clips, lobby cards and sheet music. And that's all topped off with a high-quality compact disc that allows the melodious memories to come racing back. 110 photos, 50 in full-color.

Roy Rogers' Favorite Western Stories

Remember when...he ws King of the Cowboys and she was Queen of the West? Together, Roy Rogers and Dale Evans transformed the movie and TV screen into a captivating landscape for the millions of yongsters who watched their films on Saturday morning, read their comic books and pledged their loyalty to family and country as a part of the Roy Rogers Club. With the authorization and full cooperation of Dale Evans Rogers, Roy "Dusty" Rogers, Jr. and the entire Rogers' family, Eric van Hamersveld has painstakingly collected unedited versions of the films, recreated complete song sheets, and created digital soundtrack recordings. A book and CD Box Set celebrating the over 160 songs in the 28 films starring the King of the Cowboys and the Queen of the West.

Roy Rogers, King of the Cowboys

"The first of Roy's films to star his future lovely real-life wife, Dale Evans. Roy, and his sidekick "Big Boy" Williams, team up to aid a young girl and her cousin (Dale Evans) from a scheming conman. Songs include 'The Enchilada Man' and 'Bunk House Bugle Boy'"--Cover.

Gene Autry and Roy Rogers

An essential work for rock fans and scholars, *Before Elvis: The Prehistory of Rock 'n' Roll* surveys the origins of rock 'n' roll from the minstrel era to the emergence of Bill Haley and Elvis Presley. Unlike other histories of rock, *Before Elvis* offers a far broader and deeper analysis of the influences on rock music. Dispelling common misconceptions, it examines rock's origins in hokum songs and big-band boogies as well as Delta blues, detailing the embrace by white artists of African-American styles long before rock 'n' roll appeared. This unique study ranges far and wide, highlighting not only the contributions of obscure but key precursors like Hardrock Gunter and Sam Theard but also the influence of celebrity performers like Gene Autry and Ella Fitzgerald. Too often, rock historians treat the genesis of rock 'n' roll as a bolt from the blue, an overnight revolution provoked by the bland pop music that immediately preceded it and created through the white appropriation of music till then played only by and for black audiences. In *Before Elvis*, Birnbaum daringly argues a more complicated history of rock's evolution from a heady mix of ragtime, boogie-woogie, swing, country music, mainstream pop, and rhythm-and-blues--a melange that influenced one another along the way, from the absorption of blues and boogies into jazz and pop to the integration of country and Caribbean music into rhythm-and-blues. Written in an easy style, *Before Elvis* presents a bold argument about rock's origins and required reading for fans and scholars of rock 'n' roll history.
