El Pequeño Libro Rojo del Golf

Las vivencias y enseñanzas de un hombre que acumulaba sesenta años de experiencia y pasión por el golf, en un libro con un carácter fundamentalmente didáctico.

El Pequeño Libro Rojo del Golf

Harvey Penick's life in golf began when he started caddying at the Austin, (Texas), Country Club at age eight. Eighty-one years later he is still there, still dispensing wisdom to pros and beginners alike. His stature in the golf world is reflected in the remarkable array of champions he's worked with, both men and women, including U.S. Open champion and golf's leading money winner Tom Kite, Masters champion Ben Crenshaw, and LPGA Hall of Famers Mickey Wright, Betsy Rawls, and Kathy Whitworth. It is not for nothing that the Teacher of the Year Award given by the Golf Teachers Association is called the Harvey Penick Award. Now, after sixty years of keeping notes on the things he's seen and learned and on the golfing greats he's taught, Penick is finally letting his Little Red Book (named for the red notebook he's always kept) be seen by the golf world. His simple, direct, practical wisdom pares away all the hypertechnical jargon that's grown up around the golf swing, and lets all golfers, whatever their level, play their best. He avoids negative words; when Tom Kite asked him if he should "choke down" on the club for a particular shot, Harvey told him to "grip down" instead, to keep the word "choke" from entering his mind. He advises golfers to have dinner with people who are good putters; their confidence may rub off, and it's certainly better than listening to bad putters complain. And he shows why, if you've got a bad grip, the last thing you want is a good swing. Throughout, Penick's love of golf and, more importantly, his love of teaching shine through. He gets as much pleasure from watching a beginner get the ball in the air for the first time as he does when one of his students wins the U.S. Open. Harvey Penick's Little Red Book is an instant classic, a book to rank with Ben Hogan's Modern Fundamentals of Golf and Tommy Armour's How to Play Your Best Golf All the Time.

Harvey Penick'S Little Red Book

El Pequeño Libro Azul Del Golf

"From the bestselling author of Golf Is Not a Game of Perfect and Golf Is a Game of Confidence, a book about how to improve your short game"--

Quotations from Chairman Mao Tse-tung

The inspiration for the HBO documentary from Academy Award-winning producer Alex Gibney. The #1 New York Times bestseller based on years of reporting and interviews with more than 250 people from every corner of Tiger Woods's life—this "comprehensive, propulsive...and unsparing" (The New Yorker) biography is "an ambitious 360-degree portrait of golf's most scrutinized figure...brimming with revealing details" (Golf Digest). In 2009, Tiger Woods was the most famous athlete on the planet, a transcendent star of almost unfathomable fame and fortune living what appeared to be the perfect life. But it turned out he had been living a double life for years—one that exploded in the aftermath of a Thanksgiving night crash that exposed his serial infidelity and sent his personal and professional lives over a cliff. In this "searing biography of golf's most blazing talent" (GOLF magazine), Jeff Benedict and Armen Keteyian dig deep behind the headlines to produce a richly reported answer to the question that has mystified millions of sports fans for nearly a decade: who is Tiger Woods, really? Drawing on more than four hundred interviews with people from every corner of Woods's life—many of whom have never spoken about him on the record before—Benedict and Keteyian construct a captivating psychological profile of a mixed race child programmed by an attention-grabbing father and the original Tiger Mom to be the "chosen one," to change not just the game of golf, but the world as well. But at what

cost? Benedict and Keteyian provide the startling answers in this definitive biography that is destined to linger in the minds of readers for years to come. "Irresistible... Immensely readable... Benedict and Keteyian bring us along for the ride in a whirlwind of a biography that reads honest and true" (The Wall Street Journal). Ultimately, Tiger Woods is "a big American story... exhilarating, depressing, tawdry, and moving in almost equal measure" (The New York Times).

Life's Little Instruction Book

Nosotros los humanos somos propensos al fracaso. Somos expertos en enredar, revolver y estropear nuestras vidas. ¿Quién de nosotros no ha mirado hacia arriba desde el fondo de un hoyo y se ha dado cuenta de que lo ha cavado por sí mismo? ¿Quién no ha caído tan hondo y ha echado a perder las cosas de tal manera que ha llegado a pensar que no había esperanza? Es en estos momentos de desaliento cuando anhelamos un recordatorio de que hay esperanza para los quebrantados. Ningún recordatorio es tan conmovedor como una historia que hable de segundas oportunidades. Una historia de gracia en acción. ¿A cuántos no les servirían más historias como estas? Segundas oportunidades está lleno de relatos bíblicos, contemporáneos y de ficción extraídos de las obras publicadas de Max Lucado, donde se observa la gracia de Dios en acción, e incluye historias sobre nuevas oportunidades para aquellas personas propensas al fracaso, llenas de rebeldía, orgullo y otras condiciones. Desde Pedro hasta el rey David, pasando por una hija pródiga, estas historias les recordarán a los lectores la magnitud del evangelio sobre segundas oportunidades. We humans are prone to failure. We're experts at muddying, mixing, and messing up our lives. Who among us hasn't looked up from the bottom of a pit and realized he dug it himself? And it's at these low points that we crave reminders that there's hope for the broken.

El autor de best sellers del New York Times y experto en liderazgo, John Maxwell, ofrece una perspectiva práctica para aprender cómo liderar a la persona que más importa: usted mismo. El camino hacia el liderazgo comienza con una pregunta que pocos nos hacemos: ¿Cómo me lidero a mí mismo? John Maxwell presenta veintiséis ideas, no sólo para quienes aspiran a posiciones de liderazgo sino también para líderes veteranos que tienen la meta de construir y mejorar sobre los pasos que les llevaron a estar al frente. Un liderazgo sano influenciará cualquier tarea, pero los líderes sensatos están preparados para el riesgo, y de modo importante, el fracaso, mientras señalan el camino hacia el logro. Con ejercicios de aplicación y un «Momento para mentores» que acompaña a cada capítulo, El manual de liderazgo presenta un mapa de ruta de un camino que muchos cruzan pero pocos deciden seguir. «Un líder —aconseja Maxwell— nunca tiene que recuperarse de un buen comienzo».

This is a story about people, their livelihoods and their life expectations. This is the story of globalisation. Made on Earth follows the incredible journey of a red fleece manufactured in Bangladesh. From the initial order through to shipping, recycling, and eventually landfill, Made on Earth explores how one single item can connect so many people's lives. Focusing not just on environmental but ethical trading concerns, Made on Earth ultimately explains and explores the concept of globalisation. on the working practices of less developed nations. This book provides a fascinating, accessible and extremely engaging introduction to the complex topic of globalisation.

EVERY WOMAN CAN PLAY GREAT GOLF Known in the world of golf as one of the game's greatest teachers, Harvey Penick worked with U.S. Open winners, great champions, and five out of the thirteen women who are members of the LPGA Hall of Fame. Mickey Wright, Sandra Palmer, Betsy Rawls, Kathy Whitworth, Judy Rankin, and Betty Jameson all had the privilege and honor of working with Penick. Wonder

Vivimos en un tiempo de profunda incertidumbre. Aun así, la Biblia promete que podemos vivir la vida de libertad que fue diseñada para nosotros, incluso en tiempos en los que el mundo que nos rodea parece lleno de oscuridad. Fuimos creados para ser vencedores, y para superar los mayores obstáculos de nuestras vidas. En su nuevo libro, el estimado profesor David Jeremiah dirige su entendimiento a uno de los pasajes más citados, pero menos comprendido de la Biblia: la recomendación del apóstol Pablo a los efesios de que tomen toda la armadura de Dios (Efesios 6:10-18). Con la profundidad de lo caracteriza, de su sabiduría y de su compasión, el Dr. Jeremiah analiza la poderosa importancia de la armadura espiritual como herramienta crítica en nuestra vida cotidiana, al confrontar los retos específicos de nuestras vidas y de nuestra época. Si ya estás harto de vivir en derrota, es hora de encontrar una fuerza renovada y reclamar las promesas de la palabra de Dios de vencer las mayores amenazas de la vida.

Crónicas publicadas en el diario Levante. Las columnas de Barraca y Tangana (publicadas en el diario Levante) se han convertido en una contraseña de culto entre los ojeadores más exigentes. Ballester escribe, aparentemente, de fútbol. Pero no te fíes: utiliza el regate de la ironía para despistar al lector. En verdad, escribe sobre lo que de verdad importa. Descubre un libro que habla de fútbol. O cualquier otra cosa... EXTRACTO DE La memoria Ramón lo estaba pasando bien. Celebrando un cumpleaños, una victoria o lo que aquello realmente fuera, lo estaba pasando bien. Quizá no tan bien como aquel amigo suyo que había dejado de ver hacía un buen rato, pero lo estaba pasando bien. Caían los vasos, subían las risas y ese tipo de inofensivas consecuencias éticas. Fueron pasando las horas y fueron cerrando los bares. Ramón salió entonces con los suyos a la plaza principal del pueblo, a tomar aire fresco. Alguien se puso a mear junto a una zanja y el resto se contagió de las ganas. Es difícil superar la tentación, es difícil esquivar el placer de una micción de ese estilo. Al cabo de unos segundos, Ramón notó que algo se movía en la oscuridad, allá abajo. Escuchó primero un leve quejido, un sonido infrahumano, que fue creciendo luego hasta los insultos y las mentadas de madre. Aquello que se movía a sus pies era aquel amigo suyo que había dejado de ver hacía un buen rato. Se había quedado dormido. Le habían meado encima. Envidia la memoria de Ramón, que se acuerda de estas aventuras nocturnas, que sorprende además detallando qué partido se jugó aquella noche, quién lo ganó, quién marcó y cómo, y cuántas tarjetas sacó el árbitro. Ramón es matemático y eso igual tiene algo que ver, no lo sé, pero es un tipo de amigo en extinción. No solo porque matamos neuronas por encima de nuestras posibilidades, también porque al fútbol llegó don Google para cargárselo todo. SOBRE EL AUTOR A Enrique Ballester (Castellón, 1983) le pidieron unas líneas autobiográficas y, curioseando en las del resto de Hooligans Ilustrados, se dio cuenta de que era el más joven de todos. Se emocionó tanto que se desveló y cogió insomnio. Es feliz con poco: vive de lo que le pagan por escribir de fútbol y de música. Se le puede leer en Levante-EMV y Diarios de Fútbol.

The House of the Spirits

When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military science fiction novel was first published in book form in 1898, and is considered a classic of English literature.

Women Who Love Too Much

Filled with the lyrical beauty of a now-vanished world, this magnificent novel unfolds during the last great ice age, amid the mist-shrouded mountains of the Pyrenees in prehistoric France. When tainted spring water fatally poisons the women of the tribe of the Horse, the clan's young men set forth to kidnap new women from the matriarchal tribe of the Red Deer—a quest that must succeed or their people will die out. Golden-haired Mar, the leader of the young men, falls in love with the beautiful Alin, daughter of the Red Deer priestess. And though they are born to embrace different traditions, raised to worship different gods, Mar will fight to claim this strangely powerful woman as his own. Against a lush backdrop of ancient magic, mammoth hunts, and secret rites, this mesmerizing novel brings to life the ritual and adventure of a primeval world and tells a timeless tale of conflict between two societies...two beliefs...two sexes...and two people.

'Lolita is comedy, subversive yet divine' Martin Amis, Observer Poet and pervert, Humbert Humbert becomes obsessed by twelve-year-old Lolita and seeks to possess her, first carnally and then artistically, 'to fix once for all the perilous magic of nymphets'. Is he in love or insane? A tortured soul or a monster? Humbert Humbert's fixation is one of many dimensions in Nabokov's dizzying masterpiece, which is suffused with a savage humour and rich, elaborate verbal textures. Filmed by Stanley Kubrick in 1962, and again in 1997 by Adrian Lyne, Lolita has lost none of its power to shock and awe.
