Every item has been carefully selected to ensure reliability.

This way, you can use it confidently for your purposes.

We hope this document will be of great benefit to you.

We look forward to your next visit to our website.

Wishing you continued success.

Many users on the internet are looking for this very document.

Your visit has brought you to the right source.

We provide the full version of this document Olga Mukhina Two Plays absolutely free.

Two Plays by Olga Mukhina

Olga Mukhina is one of the most talented, young playwrights in Russia. Born in Moscow in 1970, she has already garnered enviable praise from critics and audiences throughout Russia and Europe since her first play, Tanya-Tanya, was performed in 1996. Tanya-Tanya is an atmospheric, poetic tale that observes three couples at a suburban Moscow home who dance, drink champagne, kiss, fall in and out of love, and struggle with dignity and humor to keep some semblance of control over their lives. The parallels with Chekhovian drama are undeniable and clearly intended by the author. You, Mukhina's most recent work, is a love poem to her hometown of Moscow as well as a scathing attack on the apathy of people blindly wrapped up in their own happiness and sorrow.

Two Plays by Olga Mukhina

This addition to the highly successful Contemporary Cultures series covers the period from period 1953, with the death of Stalin, to the present day. Both 'Russian' and 'Culture' are defined broadly. 'Russian' refers to the Soviet Union until 1991 and the Russian Federation after 1991. Given the diversity of the Federation in its ethnic composition and regional characteristics, questions of national, regional, and ethnic identity are given special attention. There is also coverage of Russian-speaking immigrant communities. 'Culture' embraces all aspects of culture and lifestyle, high and popular, artistic and material: art, fashion, literature, music, cooking, transport, politics and economics, film, crime – all, and much else, are covered, in order to give a full picture of the Russian way of life and experience throughout the extraordinary changes undergone since the middle of the twentieth century. The Encyclopedia of Contemporary Russian Culture is an unbeatable resource on recent and contemporary Russian culture and history for students, teachers and researchers across the disciplines. Apart from academic libraries, the book will also be a valuable acquisition for public libraries. Entries include cross-references and the larger ones carry short bibliographies. There is a full index.

Slavic and East European Performance

The reviews and features collected in John Freedman's *Moscow Performances* bring to life the diversity, energy, and imagination of Russian theater as few books have done before. While focusing on the work of Moscow's leading directors - Pyotr Fomenko, Kama Ginkas, Valery Fokin, Anatoly Vasilyev, Konstantin Raikin, Sergei Zhenovach, Yury Lyubimov, and many others - also included in its review are key productions by many of the renowned guests who bring their art to the Russian capital. Essays on St. Petersburg's Lev Dodin (of the Maly Drama Theatre), Lithuania's Eimuntas Nekrosius, Georgia's Robert Sturua, and Germany's Peter Stein confirm that Moscow's position as a "theatrical mecca" has not diminished since Anatoly Lunacharsky coined the phrase in the 1920s. In addition to recording Freedman's immediate and opinionated responses to Moscow stage developments in the 1990s, *Moscow Performances* contains a wealth of information about the struggles and occasional triumphs of a new generation of talented but as yet unknown playwrights, the successes of the best actors, and the social and financial trends which have had such an impact on Russian theatre in the post-Soviet period.

Encyclopedia of Contemporary Russian Culture

This is a collection of John Freedman's reviews and articles, most originally written for the *Moscow Times*, in which he focuses his expert critical eye on the directors, writers and actors who held centre stage during the 1996-97 theatre season in Moscow. The book looks at the debut of promising new artists and directors at the Moscow Art Theatre celebrating its 100th anniversary this year and offers a wealth of insight into the latest developments in Russian theatre. Freedman illuminates all of the season's noteworthy trends and events in clear, informed and unapologetically opinionated reports. More than just an overview of the stars and highlights, *Moscow Performances* observes at close range the playhouses and the people who make up the ever-changing face of contemporary Russian theatre today. This volume is generously illustrated with photographs of featured productions and will be a useful reference for students, professors, writers, directors and actors in the fields of Russian studies, theatre studies, theatre history and contemporary culture. actors in the fields of Russian studies, theatre studies, theatre history and contemporary culture.

Moscow Performances

New Russian Drama took shape at the turn of the new millennium—a time of turbulent social change in Russia and the former Soviet republics. Emerging from small playwriting festivals, provincial theaters, and converted basements, it evolved into a major artistic movement that startled audiences with hypernaturalistic portrayals of sex and violence, daring use of non-normative language, and thrilling experiments with genre and form. The movement's commitment to investigating contemporary reality helped revitalize Russian theater. It also provoked confrontations with traditionalists in society and places of power, making theater once again Russia's most politicized art form. This anthology offers an introduction to New Russian Drama through plays that illustrate the versatility and global relevance of

this exciting movement. Many of them address pressing social issues, such as ethnic tensions and political disillusionment; others engage with Russia's rich cultural legacy by reimagining traditional genres and canons. Among them are a family drama about Anton Chekhov, a modern production play in which factory workers compose haiku, and a satirical verse play about the treatment of migrant workers, as well a documentary play about a terrorist school siege and a postdramatic "text" that is only two sentences long. Both politically and aesthetically uncompromising, they chart new paths for performance in the twenty-first century. Acquainting English-language readers with these vital works, New Russian Drama challenges us to reflect on the status and mission of the theater.

American Theatre

The first book-length study of the notion of place and its implications in modern drama

Plays International

The bitter cold and three months a year without sunlight make Antarctica virtually uninhabitable for humans. Yet a world of extraordinary wildlife persists in these harsh conditions, including leopard seals, giant squid, 50-foot algae, sea spiders, coral, multicolored sea stars, and giant predatory worms. Now, as temperatures rise, this fragile ecosystem is under attack. In this closely observed account, one of the world's foremost experts on Antarctica gives us a highly original and distinctive look at a world that we're losing.

Moscow Performances II

Russian children's literature has a history that goes back over 400 years. This book offers a comprehensive study of its development, setting Russian authors and their books in the context of translated literature, critical debates and official cultural policy.

New Times

Recounting in detail the development of a new era of repression, the author examines the fraudulent investment schemes, massive corruption & the intrusion of organized crime that has led to criminal involvement at every level of Russian society & administration.

Theater Week

Offers a lyrical fusion of exotic legends, stories, and memories of Chechnya, reimagining the author's ancestral home and his dead friends, revisiting their first loves, their passion for rock music, and their quests for martyrdom.

New Russian Drama

In a faceless city in Russia a young boy dies. Drunk women lie in the streets. The schoolboy Maksim makes his way through this urban hell. His only retreat is into a private world moulded by himself, out of which springs a final act of reckless courage.

Staging Place

The Rough Guide to Moscow is the definitive guide to one of Europe's most fascinating and rewarding cities. The full-colour introduction covers the awe-inspiring Kremlin and The Red Square and includes the essential list of 'what not to miss'. There are lively explorations of all the sights, from Moscow's lavish palaces to world-class museums, as well as detailed accounts of Russian history and politics that have formed this intriguing city. You'll find two full-colour sections that highlight the New Moscow Style – contemporary art, design, fashion, galleries, boutiques, bars and clubs – and the magnificent art-deco metro, famous for its arts, murals, mosaics and ornate chandeliers. With updated and easy-to-use maps, expanded listings of nightlife, restaurants and hotels in Moscow for all budgets, The Rough Guide to Moscow is the must-have item to this colourful and spirited city. Make the most of your time with The Rough Guide to Moscow.

Lost Antarctica

Aleksandr Deineka (1899-1969): An Avant-Garde for the Proletariat is the first exhibition and publication to present this outstanding figure of socialist realism - and, by extension, the historical period from

which his work was borne - in a twofold context: the end of the avant-garde and the advent of Soviet socialist realism. It covers Deineka's entire oeuvre, from his early paintings of the 1920s to the twilight of his career in the 1950s, when the dreamlike quality of his first works gave way to the harsh materiality of everyday life, the life in which the utopian ideals of socialism seemed to materialize. Combining Deineka's graphic work, extraordinary posters and celebrated contributions to illustrated magazines and books with his imposing monumental paintings, this catalogue displays a variety of subjects: factories and enthusiastic masses, athletes and farmers, the ideal and idyllic image of Soviet life.

Fairy Tales and True Stories

Dramaturgy, in its many forms, is a fundamental and indispensable element of contemporary theatre. In its earliest definition, the word itself means a comprehensive theory of "play making." Although it initially grew out of theatre, contemporary dramaturgy has made enormous advances in recent years, and it now permeates all kinds of narrative forms and structures: from opera to performance art; from dance and multimedia to filmmaking and robotics. In our global, mediated context of multinational group collaborations that dissolve traditional divisions of roles as well as unbend previously intransigent rules of time and space, the dramaturg is also the ultimate globalist: intercultural mediator, information and research manager, media content analyst, interdisciplinary negotiator, social media strategist. This collection focuses on contemporary dramaturgical practice, bringing together contributions not only from academics but also from prominent working dramaturgs. The inclusion of both means a strong level of engagement with current issues in dramaturgy, from the impact of social media to the ongoing centrality of interdisciplinary and intermedial processes. The contributions survey the field through eight main lenses: world dramaturgy and global perspective dramaturgy as function, verb and skill dramaturgical leadership and season planning production dramaturgy in translation adaptation and new play development interdisciplinary dramaturgy play analysis in postdramatic and new media dramaturgy social media and audience outreach. Magda Romanska is Visiting Associate Professor of Slavic Languages and Literatures at Harvard University, Associate Professor of Theatre and Dramaturgy at Emerson College, and Dramaturg for Boston Lyric Opera. Her books include *The Post-Traumatic Theatre of Grotowski and Kantor* (2012), *Boguslaw Schaeffer: An Anthology* (2012), and *Comedy: An Anthology of Theory and Criticism* (2014).

Darkness at Dawn

Commissioned by the RSC from two playwriting brothers well-established in Russia. World Premiere: RSC Courtyard Theatre, Stratford, 21 August 2009.

I Am a Chechen!

First Published in 1995. *A Meeting About Laughter* is a collection of sketches, interludes and theatrical parodies by Nikolai Erdman, Vladimir Mass and others. Translated from the Russian Theatre Archive by John Freedman, Harvard University. Erdman is best known as the author of *The Warrant* and *The Suicide*, both written for Vsevolod Meyerhold in the 1920s. Also including the transcript of a startling discussion of *The Suicide* at the Vakhtangov Theatre in 1930 and the only surviving fragments of Erdman's third play *The Hypnotist*.

Plasticine

This selection of Boris Pasternak's correspondence with his parents and sisters from 1921 to 1960—including more than illustrations and photos—is an authoritative, indispensable introduction and guide to the great writer's life and work. His letters are accomplished literary works in their own right, on a par with his poetry in their intensity, frankness, and dazzling stylistic play. In addition, they offer a rare glimpse into his innermost self, significantly complementing the insights gained from his work. They are especially poignant in that after 1923 Pasternak was never to see his parents again.

The Rough Guide to Moscow

Winner of the Evening Standard Most Promising Award for first play, *Plasticine*

Aleksandr Deineka (1899-1969)

In a stand-alone story spanning centuries, Morpheus grants an ordinary man named Hob Gadling a gift allowing him to cheat death. Over the many years, Morpheus revisits Hob to see how a human would deal with unlimited life--for better or worse. But both Hob and Morpheus learn surprising lessons...

The Routledge Companion to Dramaturgy

The reviews and features collected in John Freedman's *Moscow Performances* bring to life the diversity, energy, and imagination of Russian theater as few books have done before. While focusing on the work of Moscow's leading directors - Pyotr Fomenko, Kama Ginkas, Valery Fokin, Anatoly Vasilyev, Konstantin Raikin, Sergei Zhenovach, Yuri Lyubimov, and many others - also included in its review are key productions by many of the renowned guests who bring their art to the Russian capital. Essays on St. Petersburg's Lev Dodin (of the Maly Drama Theatre), Lithuania's Eimuntas Nekrosius, Georgia's Robert Sturua, and Germany's Peter Stein confirm that Moscow's position as a "theatrical mecca" has not diminished since Anatoly Lunacharsky coined the phrase in the 1920s. In addition to recording Freedman's immediate and opinionated responses to Moscow stage developments in the 1990s, *Moscow Performances* contains a wealth of information about the struggles and occasional triumphs of a new generation of talented but as yet unknown playwrights, the successes of the best actors, and the social and financial trends which have had such an impact on Russian theatre in the post-Soviet period.

The Drunks

Your Healing is Killing Me is a performance manifesto based on lessons learned in San Antonio free health clinics and New York acupuncture schools; from the treatments and consejos of curanderas, abortion doctors, Marxist artists, community health workers, and bourgie dermatologists. One artist's reflections on living with post-traumatic stress disorder, ansia, and eczema in the new age of trigger warnings, the master cleanse, and crowd-funded self-care.

A Meeting About Laughter

Mojo Mickybo - The waiting list - I won't dance - Don't ask me.

Boris Pasternak

Main description: Much of the story about the Soviet Union's victory over Nazi Germany has yet to be told. In *Motherland in Danger*, Karel Berkhoff addresses one of the most neglected questions facing historians of the Second World War: how did the Soviet leadership sell the campaign against the Germans to the people on the home front? For Stalin, the obstacles were manifold. Repelling the German invasion would require a mobilization so large that it would test the limits of the Soviet state. Could the USSR marshal the manpower necessary to face the threat? How could the authorities overcome inadequate infrastructure and supplies? Might Stalin's regime fail to survive a sustained conflict with the Germans? *Motherland in Danger* takes us inside the Stalinist state to witness, from up close, its propaganda machine. Using sources in many languages, including memoirs and documents of the Soviet censor, Berkhoff explores how the Soviet media reflected-and distorted-every aspect of the war, from the successes and blunders on the front lines to the institution of forced labor on farm fields and factory floors. He also details the media's handling of Nazi atrocities and the Holocaust, as well as its stinting treatment of the Allies, particularly the United States, the UK, and Poland. Berkhoff demonstrates not only that propaganda was critical to the Soviet war effort but also that it has colored perceptions of the war to the present day, both inside and outside of Russia.

Black Milk

Americans Experience Russia analyzes how American scholars, journalists, and artists experienced and interpreted Russia/the Soviet Union over the last century. It critically engages with postcolonial theories which posit that a self-valorizing, unmediated west dictated the colonial encounter. In examining the fiction, film, journalism, treatises, and histories Americans produced out of their 'Russian experience,' this volume closely analyzes these texts, locates them in their sociopolitical context, and gauges how their producers' profession, politics, gender, class, and interaction with native Russian interpreters conditioned their authored responses to Russian/Soviet reality.

The Sandman (1988-) #13

It was a movement so artfully anarchic, and so quickly suppressed, that readers only began to discover its strange and singular brilliance three decades after it was extinguished-and then only in samizdat and emigre publications.

FRIEDRICH FROEBEL 1782-1852 (Tina Bruce)

His start in life.

His interest in nature, maths, science and the arts – everything links.

Education and the first school and community – Keilhau.

His invention of kindergarten for children 2-7 years.

Babies and the mother family songs nurture and love.
The importance of play for imagination and creativity.
RUDOLF STEINER 1861-1925 (Janni Nicol)
His start in life.
Nature and the inner life.
His wide ranging lectures.
The Waldorf Astoria factory.
The first Waldorf school.
The paradise garden and mixed age groups.
The head, the hand and the heart.
A growing movement.
Adults to be worthy of imitation.
MARIA MONTESSORI 1870-1952 (Barbara Isaacs)
Her scientific background and the power of the child.
The importance of early years education.
Learning from children with special needs.
Active learning.
A child out of wedlock
Inspirational writing
Working for poorer children, women and peace.
A world without war.
Froebel's ideas and evolution.
Montessori is international, like Froebel and Steiner.
FRIEDRICH FROEBEL (Tina Bruce)
Natural materials and the gifts – the linden tree.
Gift 1: the soft sphere, links with nature.
Observe children.
No punishment or golden stars.
The law of opposites causing thinking: the hard sphere.
Gift 2: the cubes.
Everything links.
Gift 3, the planks, and gift 5, the prism. Everything links
The occupations – creativity, imagination, developing skills.
Weaving.
Retrieving lost treasure.
MARIA MONTESSORI (Barbara Isaacs)
Froebel's influence.
The opposites.
The geometric solids.
Learning in small steps.
The binomial cube.
Naming the cubes.
Guided learning – start of exploration and investigation.
RUDOLF STEINER (Janni Nicol)
Imaginative play with natural materials.
Good, beautiful and true.
Free play.
MARIA MONTESSORI (Barbara Isaacs)
Real materials.
Mirrors of home events.
Threading, sewing and weaving.
FRIEDRICH FROEBEL (Tina Bruce)
Children to be part of their community.
Weaving continued.
Real and abstract worlds.
RUDOLF STEINER (Janni Nicol)
Learning by imitation.
Activities with a purpose.
Processes from nature.

End results.

MARIA MONTESSORI (Barbara Isaacs)

Bathing the baby.

Learning skills for life.

RUDOLF STEINER (Janni Nicol)

Dolls are real.

Imitating behaviour.

Dolls as puppets.

FRIEDRICH FROEBEL (Tina Bruce)

Experiences of real life. Beauty and knowledge: the Forms.

Knowledge of science and the arts – imagination and creativity.

Freedom with guidance, making connections.

Good and evil in a moral framework.

Imagination – adults tuning in to children's creativity.

Completion, wholeness and unity.

QUESTION TIME (all)

(for thinkin', not eatin') Just when you thought brains couldn't get any more appealing, *Zombies for Zombies*--The Play & Werk Buk gives you, a recently turned zombie, a treasure trove of new ways to maximize your QScale and minimize your capacity to groan. This illustrated buk is packed with games, puzzles, stories, quizzes, and other fun ways to embrace and improve your new zombie life. Where else can you find in one volume: Solid advice from "Ask the Screaming Man" "The Recent Adventures of Li'l Doofus and Diligent" "Jamble"--that pain-in-the-ass scrambled word game Thinky thingz that could make yer hed herty Two pages of paper dolls. ('Nuff said!) Werd surches and crozzwerdz gamez The continuing antics of "The Dead Bear Family" A coloring placemat/menu from Cap'n Ash's Seafood A special message from President Dutch Bingo By werking this buk, you'll never end up being part of THE HORDE. About the Author David P. Murphy is a guy who, apparently, spends an excessive amount of quality time thinking and writing about zombies. He obtained his Ph.Z. from the prestigious Port-Au-Prince Capon Academy, and currently can be seen shambling about Omaha where he closely guards his brains. Please visit www.davidpmurphy.com.

The Complete Idiot's Guide to Zombies

The "New Vampire" . . . The Complete Idiot's Guides® have explored the world of vampires, werewolves, the paranormal, and now the latest book in the "creepy" series is *The Complete Idiot's Guide® to Zombies*. This book brings the world of zombies chillingly to life—in a manner of speaking—covering everything readers need to know about them. The book includes: • The voodoo zombie, the viral zombie, and the whole zombie family. • What zombies and the delicious fear of them say about human psychology. • Zombies in American culture: in film, from the Romero classics to the Living Dead flicks that are so bad they're good, and in fiction, video games, comics, and more! • The zombie survival phenomenon—of course they're not real, but that doesn't stop people from having loads of fun pretending they are.

Not Your Average Zombie

The zombie apocalypse hasn't happened—yet—but zombies are all over popular culture. From movies and TV shows to video games and zombie walks, the undead stalk through our collective fantasies. What is it about zombies that exerts such a powerful fascination? In *Not Your Average Zombie*, Chera Kee offers an innovative answer by looking at zombies that don't conform to the stereotypes of mindless slaves or flesh-eating cannibals. Zombies who think, who speak, and who feel love can be sympathetic and even politically powerful, she asserts. Kee analyzes zombies in popular culture from 1930s depictions of zombies in voodoo rituals to contemporary film and television, comic books, video games, and fan practices such as zombie walks. She discusses how the zombie has embodied our fears of losing the self through slavery and cannibalism and shows how "extra-ordinary" zombies defy that loss of free will by refusing to be dehumanized. By challenging their masters, falling in love, and leading rebellions, "extra-ordinary" zombies become figures of liberation and resistance. Kee also thoroughly investigates how representations of racial and gendered identities in zombie texts offer opportunities

for living people to gain agency over their lives. Not Your Average Zombie thus deepens and broadens our understanding of how media producers and consumers take up and use these undead figures to make political interventions in the world of the living.

Just Add Zombies

Play Details"Desperate" doesn't begin to describe this high school drama troupe: their parents avoid their shows, their faculty sponsor has fled, and the audience for their production of Romeo and Juliet consists of one sleeping homeless woman. When they discover that the sleeping woman is actually dead, the troupe turns her into a zombie so she can join the show and make it a hit with the zombie-loving masses. But one bite leads to another, and soon things spin wildly out of control. When the curtain comes down on this undead Romeo and Juliet, will anyone be left alive?

Zombies

My story is about a brave policeman who discovers his team has turned into zombies. Please read my story if you want to know what happens next

Encyclopedia of the Zombie

A fascinating read for anyone from general readers to hardcore fans and scholars, this encyclopedia covers virtually every aspect of the zombie as cultural phenomenon, including film, literature, folklore, music, video games, and events. The proliferation of zombie-related fiction, film, games, events, and other media in the last decade would seem to indicate that zombies are "the new vampires" in popular culture. The editors and contributors of *Encyclopedia of the Zombie: The Walking Dead in Popular Culture and Myth* took on the prodigious task of covering all aspects of the phenomenon, from the less-known historical and cultural origins of the zombie myth to the significant works of film and literature as well as video games in the modern day that feature the insatiable, relentless zombie character. The encyclopedia examines a wide range of significant topics pertaining to zombies, such as zombies in the pulp magazines; the creation of the figure of the züvembie to subvert decades of censorship by the Comics Code of Authority; *Humans vs. Zombies*, a popular zombie-themed game played on college campuses across the country; and annual Halloween zombie walks. Organized alphabetically to facilitate use of the encyclopedia as a research tool, it also includes entries on important scholarly works in the expanding field of zombie studies.

Zombie Movies

Featuring chronological reviews of more than 300 zombie films--from 1932's "White Zombie" to George A. Romero's 2008 release "Diary of the Dead"--this thorough, uproarious guide traces the evolution of one of horror cinema's most popular and terrifying creations. Fans will learn exactly what makes a zombie a zombie, go behind the scenes with a chilling production diary from "Land of the Dead," peruse a bizarre list of the oddest things ever seen in undead cinema, and immerse themselves in a detailed rundown of the 25 greatest zombie films ever made. Containing an illustrated zombie rating system, ranging from "Highly Recommended" to "Avoid at All Costs" and "So Bad It's Good," the book also features lengthy interviews with numerous talents from in front of and behind the camera.

Woodstalk

This collection addresses the significant cultural phenomenon of the 'zombie renaissance' – the growing importance of zombie texts and zombie cultural practices in popular culture. The chapters examine zombie culture across a range of media and practices including films games, music, social media, literature and fandom.

The Zombie Renaissance in Popular Culture

THE STORY: A musical comedy celebration of American ideals and foibles in the Eisenhower era. Songs, dances, and laughs abound in the unlikeliest of settings as the Cold War and space race paranoia threaten the good folks at the fictional Milwaukee

Zombies A-Z

Zombie expert Scott Kenemore (*The Zen of Zombie*) unearths a collection of top-secret lost documents from WWII (originally intercepted by the U.S. Signal Corps in 1941 and presented to Franklin Roosevelt in a confidential memorandum), describing efforts of the Nazi Sicherheitsdienst (or SD) to harness and weaponize Haitian Voodoo and zombie-creating technologies for military purposes. For the first time, here is the thrilling, humorous, and satisfyingly-gory story of an evil empire's foolhardy attempt to harness an ancient and unspeakable monster: the zombie! While the Nazis initially dream of creating an army of bloodthirsty, automaton super-zombies to march across Europe, they soon learn that the walking dead are not as obedient and malleable as they've been led to believe. In contrast, these Nazi agents quickly find that the walking dead of the Haitian backwoods are closer to brain-eating, flesh-rending dynamos that don't respect a nicely pressed SS uniform, and instead just go for the jugular. Faced with Voodoo spells, dangerous flora and fauna, and their own naive assumptions about the dark forces with which they're tangling, these Nazi SD agents learn the hard way that nobody bosses around a zombie. Kenemore—with nearly 100,000 copies of zombie classics in print—does it again.

Zombies from the Beyond

Zombies are were people too! Escape routes, defense plans, survival kits. Enough is enough! Zombies have gotten a bad rap, and it's time the redeeming qualities of these brain-eating (but potentially lovable) creatures come to light. Enter *501 Things to Do with a Zombie*. Inside, you'll see that the undead make the perfect sidekicks for just about anything you've got going on. Can't convince a buddy to join you in karaoke? No worries! A Zombie never suffers from stage fright! Looking to take a leisurely stroll through the local farmers' market? Zombies know the secret to picking out the freshest tomatoes. Need to negotiate a new cell-phone contract? Bring a Zombie along to get out of the two-year commitment (he can strong-arm the sales rep—that is, unless it's missing). Sure, Zombies may have rotting flesh and nasty viruses, but don't we all have our faults? Open your mind and open this book for inspired ideas on how we can all learn to get along. Monstrous fun awaits!

Zombies vs. Nazis

During the 1700's, Black Beard's ship, the "Queen Anne's Revenge" ran aground at the entrance to Beaufort inlet and wasn't discovered until hundreds of years later. During an expedition of the sunken ship "The Queen Anne's Revenge," something went terribly wrong, but the effects of that incident would not be felt until years later when a barrel of an unknown substance was tossed overboard during the expedition. The barrel took several years to erode, but when it did that's when all hell broke loose. The substance oozing out of the barrel on the ocean floor brought Black Beard and his men to life as zombies, causing them to become hungry for flesh and surface to the top of the ocean and head inland for flesh.

501 Things to Do with a Zombie

Not so long ago zombies rarely shuffled out of B-grade horror movies and cult comic books, but today they are everywhere. Zombies are proliferating, demonstrating an extraordinary capacity to transport fluidly from genre to genre, from the apocalyptic future to the already survived past, and in and out of fictional form. Today they can be found in just about any genre or discourse and as they move sinuously across the cultural landscape they keep morphing; taking on ever new and ever more bizarre associations. Zombies would appear to be unthinkable, the ultimate nightmare of a world devoured by the dead, and yet more and more often this horror-scape provides a form of figurative capture for the way things are. This book explores why. *Zombies* explores the recent transformation of zombie from cult genre to a figure that pervades western culture. Rutherford examines the zombie

as a powerful metaphor for a constellation of social forces that define contemporary reality. This is an ideal introduction to all that is social about zombies, for students and general readers alike. Extracts from *Zombies*, were recently published in Australian newspapers, *The Age*, *The Canberra Times* and the *Sydney Morning Herald*. Available now to read online: www.theage.com.au/entertainment/books/dead-right-20130620-2olqr.html

Rise of the Zombies

Growing from their early roots in Caribbean voodoo to their popularity today, zombies are epidemic. Their presence is pervasive, whether they are found in video games, street signs, hard drives, or even international politics. These eighteen original essays by an interdisciplinary group of scholars examine how the zombie has evolved over time, its continually evolving manifestations in popular culture, and the unpredictable effects the zombie has had on late modernity. Topics covered include representations of zombies in films, the zombie as environmental critique, its role in mass psychology and how issues of race, class and gender are expressed through zombie narratives. Collectively, the work enhances our understanding of the popularity and purposes of horror in the modern era. Instructors considering this book for use in a course may request an examination copy [here](#).

Zombies

The dead have always stalked the dark corners of the earth. Since World War II, the number of zombie outbreaks has increased every year, while governments desperately try to cover up the facts. *Zombies: A Hunter's Guide* contains all of the information necessary to recognize and combat this growing threat. Beginning with an explanation of the historical origins of zombies, it follows their history straight through to the threat they pose to the world today. All varieties of zombie are catalogued and examined, giving their strengths and weakness, with a special emphasis on recognition and elimination. Finally, the book covers the tactics and equipment used in zombie fighting. Accompanied by numerous full-colour reconstructions to help with identification, this book is a must for anyone on the frontlines of the Zombie Wars.

Generation Zombie

Zombies have plagued humanity's nightmares for centuries, but fortunately, the scientific community has created this detailed and completely serious guide to the undead. Only *Zombies of the World* tackles this issue and many more, so you might want to read up before a zombie tackles you! *Zombies* menace humanity, yet we barely understand them. There are books that show you how to kill the undead, but this is the first field guide to explain the importance of zombies to us. *Zombies of the World* reveals the undead to be a valuable part of our ecosystem and the key to new discoveries in medicine and technology. *Zombies of the World* uses captivating illustrations to document how evolution has led to a wide variety of species. Few outside the scientific community even realize that creatures like the Egyptian Mummy (*Mortifera mumia aegyptus*) are actually zombies. Some species are even harmless to humans. The Dancing Zombie (*Mortifera immortalis choreographicus*) only seeks to thrill humans with elaborate dance routines. Discover how our history has been affected by the undead and what we can learn from "scientific" research. The answer might surprise you!

Zombies

In today's chaotic, challenging world, we often don't know where to turn for help. Little did we know that life's most valuable lessons lie within the undead. Finally, zombies engage us with musings on life, death, and everything in between. They show us that brains aren't everything...you are what you eat...and what doesn't kill you makes you...more alive.

Zombies of the World

HORROR & GHOST STORIES, CHILLERS. When Nathan and his sister visit their grandfather's grave the last thing they expect is to be accosted by a zombie. A zombie looking for some lemonade. For a party. Can they help him? And will he be able to help them see their granddad again? A fun packed spooky story from a hugely successful author. Ages 9+.

All I Really Need to Know I Learned from Being a Zombie

Add a gurgling moan with the sound of dragging feet and a smell of decay and what do you get? Better not find out. The zombie has roamed with dead-eyed menace from its beginnings in obscure folklore and superstition to global status today, the star of films such as 28 Days Later, World War Z, and the outrageously successful comic book, TV series, and video game—The Walking Dead. In this brain-gripping history, Roger Luckhurst traces the permutations of the zombie through our culture and imaginations, examining the undead's ability to remain defiantly alive. Luckhurst follows a trail that leads from the nineteenth-century Caribbean, through American pulp fiction of the 1920s, to the middle of the twentieth century, when zombies swarmed comic books and movie screens. From there he follows the zombie around the world, tracing the vectors of its infectious global spread from France to Australia, Brazil to Japan. Stitching together materials from anthropology, folklore, travel writings, colonial histories, popular literature and cinema, medical history, and cultural theory, *Zombies* is the definitive short introduction to these restless pulp monsters.

Zombie!

Seabrook has a diverse population, including its award-winning cheerleaders, the zombies from neighboring Zombietown, and a pack of cool werewolves. So it should be no surprise when aliens arrive in Seabrook to compete in the World Cheer Off. This fun guidebook shares the history of Seabrook and how its residents came to call the town home. Revisit when zombies first came to Seabrook High; how Zed, the first zombie football player, took the team to the championships; and how Addison struggled to discover who she really is. Also included are photos and fun facts about each of Seabrook's most beloved residents. Of course, no book about Seabrook would be complete without reliving the romance of Zed and Addison, an unlikely couple who showed Seabrook that it's okay to be different! Complete your Disney Channel collection with these fan favorites: *World of Reading: Zombies 2: Call to the Wild* *HSMTMTS Novelization: Season 1* *Miss Jenn's High School Musical Script Book* *Gabby Duran Adventures in Alien Babysitting* *Descendants 3: Welcome to Auradon* *Big City Greens: Blood Moon* *The Owl House: Witches Before Wizards*

Disney Zombies: Welcome to Seabrook

The zombie apocalypse, which has devastated the world, is in its final throes when Meg's husband is bitten. She has lost so much already that she simply can't face losing him too, so when it becomes apparent that he is about to join the ranks of the walking dead, she decides to employ her skills as a dog trainer and takes it upon herself to train him. Not only must she face the dangers inherent in close contact with a zombie, she must also protect him from outside forces that mean him harm. Can she convince the handsome yet stern Colonel MacDonald that he deserves a chance? Can she stop him being used for vivisection? What about those who want to use him as bait for other zombies? Join Meg during the final few months of the Zombie war, as she shares her, at times, gruesome, sad and darkly humorous story.

Zombies

Noise erupted directly into Jamie's brain from every channel of her transmitter - a cacophony of blaster fire squeals, frantic cries of terror, and inhuman groans. She screamed one name after another into her comlink, to no avail. Suddenly, just behind, a wet smack sounded. It was right on top of her ... Welcome to flesh-eating sci-fi. It doesn't get more intense than this! *All Tomorrow's Zombies* is a supplement for the *All Flesh Must Be Eaten* role playing game, adding the undead to various styles of science fiction, and featuring the most dangerous zombies ever! In it, you'll find: Guidelines for creating alien races. New skills tailored for sci-fi play. Rules for cybernetics, biotechnology, nanotechnology,

and robotics. New zombie Aspects. Streamlined psionics rules. New equipment and weapons, from energy swords, blasters and pulse rifles to motion trackers and environmental suits. Complete starship rules, including building ships and expanded vehicle combat rules. Rules for cyberjacking and net running. Environmental rules. Complete guidelines for structuring a sci-fi campaign. Seven complete Deadworlds, ready to play or for use as examples in your own work. Book jacket.

How to Train Your Zombie

Since 1968, the name of motion picture director George Romero has been synonymous with the living dead. His landmark film *Night of the Living Dead* formed the paradigm of modern zombie cinema; often cited as a metaphor for America during the Vietnam War and the Civil Rights movement, the film used the tenets of the drive-in horror movie genre to engage the sociophobics of late-1960s culture. Subsequently Romero has created five more zombie films, and other directors, including Tom Savini and Zack Snyder, have remade Romero's movies. This survey of those remakes examines ways in which the sociocultural contexts of different time periods are reflected by changes to the narrative (and the zombies) of Romero's original versions.

All Tomorrow's Zombies

The Zombie Apocalypse has arrived and everybody's hungry. Our teenage hero, Little Pete, has his hands full. Forced into going hunting with his abusive father and bully older brother when he'd rather be online, he also has to deal with alcoholism, illegal drugs, gun control (or lack thereof), racism, conspiracy theories, human sexuality... all of these and zombies too! A musical spoof celebrating the classic zombie lore and the original George Romero films, this play combines comedy and social commentary with fifteen original tunes, loads of zombie shooting, horrified townsfolk, and plenty of live ones to munch on. *THE ZOMBIES: A MUSICAL SPOOF!* Offers lots of blood, gore, horror, and the delicate feeding rituals of the undead. The perfect recipe for fun.

10 Ways to Survive the Zombie Apocalypse

Originally published: Somerville, Mass.: Candlewick Press, 2008.

Back from the Dead

Zombie stories are peculiarly American, as the creature was born in the New World and functions as a reminder of the atrocities of colonialism and slavery. The voodoo-based zombie films of the 1930s and '40s reveal deep-seated racist attitudes and imperialist paranoia, but the contagious, cannibalistic zombie horde invasion narrative established by George A. Romero has even greater singularity. This book provides a cultural and critical analysis of the cinematic zombie tradition, starting with its origins in Haitian folklore and tracking the development of the subgenre into the twenty-first century. Closely examining such influential works as Victor Halperin's *White Zombie*, Jacques Tourneur's *I Walked with a Zombie*, Lucio Fulci's *Zombi 2*, Dan O'Bannon's *The Return of the Living Dead*, Danny Boyle's *28 Days Later*, and, of course, Romero's entire "Dead" series, it establishes the place of zombies in the Gothic tradition. Instructors considering this book for use in a course may request an examination copy [here](#).

The Zombies: A Musical Spoof!

What has happened to the world since the dead took over? Where have the humans gone to hide? Who do the living most have to fear? B Smith is heading for unknown territory... Leading a group of humans through London and out into zombie-infested suburbs sounds like suicide - but not for the undead! Even so, the horrors of the journey will be beyond anything B has yet seen . . . 'Do not underestimate the dangers of this mission. Other zombies will not ignore you when they catch the scent of fresh brains. You will almost surely be called upon to fight. The city and countryside are full of angry, bitter people who are trying to execute as many of the undead as they can. They will not distinguish between a revitalised and a revived. Most do not know there is a difference. And most would not care.'

Flesh of the Zombie

The first mistake twelve-year-old Tulah made was allowing her best friend, Nikki, to dare her into auditioning for the school musical, the second mistake she made was eating the Friday mystery lunch in the school cafeteria; now she finds herself turning into a zombie, with a craving for raw meat, and a

body that feels stiff and awkward--but she still has to go through the audition on Thursday, and stage fright will be the least of her problems.

American Zombie Gothic

It started out as a small zombie problem. Then four more zombies tagged along. Now there are too many to count! From the acclaimed illustrator of *Flora & Ulysses* comes the exciting conclusion to the *Zombie Problems* trilogy. After facing an alligator attack and a paddle boat accident in search of the zombie stone, August comes out unscathed...but emptyhanded. At least Claudette is still by his side, along with a few more zombies. Of course, it isn't long before a few zombies becomes a horde, and August has so many questions: What is he supposed to do with all of these zombies? What is his Aunt Orchid hiding? Will his life ever be like Stella Starz (in her own life)? And most importantly, will he ever find the zombie stone and get everything back to normal?

ZOM-B Mission

It is the future, year 3712. And zombies are coming back to life, reciting poetry.

OMG, Zombie!

It's the end of term and Sam and Arty are anxiously awaiting the final bell. They barely pay attention when the bumbling science teacher causes an explosion and accidentally covers one of the pupils with a strange goo. Sam and Arty are sure it won't be serious - stuff like this happens all the time at their school. But then zombies (and bits of zombies) start turning up, desperate to munch on braaaaaaaaiiins! With a bunch of useless adults quickly getting themselves infected instead of sorting the situation out, Sam, Arty and their fearless friend Emmie have to take charge. If they can't find a cure, they'll be zombie breakfast . . .

August of the Zombies

Soldier, High Schooler, Martial Arts Instructor, Convict, Bank Teller, Mechanic. What do these six people have in common? When you step into their shoes, they're going to survive the zombie apocalypse. Pick from six characters and play 100 possible endings in this choose your own path style adventure. A spinoff of the bestselling *Click Your Poison* book, *INFECTED, PATHOGENS* is the ultimate Zombie Apocalypse gamebook! At the end of each chapter, click your choice and the story automatically evolves around your decisions. Zombocalypse, you say? That's right. Science has finally cracked the code on eternal life with the wonderdrug Gligazyme (r), but that advance came with a terrible price--the immortal living dead are coming to feed on human flesh. And that's not all you'll have to contend with... Serial killers, rapists, psychopaths. There are still animals in the world, just no cages. As civilization's fire goes out, the darkness creeps back in. Who will survive the zombie apocalypse? YOU decide in *PATHOGENS*!

3712

Zombies continue to fascinate with major film releases *World War Z* and television series 'The Walking Dead' and 'In The Flesh'. This exciting book celebrates the rise of the zombie in media and culture, alongside an eye-grabbing selection of artworks.

ZOMBIES!

Have you ever wondered what zombies really want? Maybe all they need is a snack and a friend. Yay, Zombies! encourages children to overcome their fears of the unfamiliar and refrain from judging too quickly. These zombies love to play and they aren't at all hungry for brains. All they want are grains!

Pathogens

The year is 2050, and the United States is in crisis: The East Coast has ooded, the Midwest has been ravaged in a scramble for resources, and, to top it all off, a rogue battalion of zombies has just emerged from the new Lord President's basement.

Peter and Alice

'Of course that's how it begins: a harmless fairy tale to pass the hours' When Alice Liddell Hargreaves met Peter Llewelyn Davies at the opening of a Lewis Carroll exhibition in 1932, the original Alice in Wonderland came face to face with the original Peter Pan. In John Logan's remarkable new play, enchantment and reality collide as this brief encounter lays bare the lives of these two extraordinary characters. This is the new play from Academy Award winning screenwriter and playwright John Logan. His previous play RED played in London to great acclaim before transferring to Broadway where it won 6 Tony Awards including Best New Play.

Never the Sinner

Cast size: medium.

I'll Eat You Last

'You want to be a thing? Make yourself that thing.' 1981. Hollywood. Sue Mengers, the first female 'superagent' at a time when women talent agents of any kind are almost unheard of, invites you into her Beverly Hills home for an evening of dish, secrets, and all the inside showbiz stories that only Sue could tell... Back in the 1970s, Sue Mengers represented almost every major star in Hollywood; her clients were the talk of the town and her glamorous dinner parties were legendary. But by 1981 the glory days were fading. Her time was passing as a sleek and corporate New Hollywood began to emerge. The phone's not ringing so much these days and Sue is forced to face the inevitable truth: the credits roll sooner than you think. Starring Bette Midler who makes her return to the stage in her first Broadway play in over 30 years. A new play by three-time Academy Award-nominated screenwriter and playwright John Logan following the recent success of Peter and Alice in the West End and his play RED, which played London to great acclaim before transferring to a smash hit Broadway run where it won 6 Tony Awards including Best New Play. Logan's work as a screenwriter includes the latest James Bond movie Skyfall, Sweeney Todd, The Aviator, Hugo, Gladiator, The Last Samurai, Rango, Coriolanus, and Any Given Sunday.

The Invention of Hugo Cabret

An orphan and thief, Hugo lives in the walls of a busy train station. He desperately believes a broken automaton will make his dreams come true. But when his world collides with an eccentric girl and a bitter old man, Hugo's undercover life are put in jeopardy. Turn the pages, follow the illustrations and enter an unforgettable new world!

Double Feature

Art and Eros are always superimposed, don't you find? You cannot separate the two: the model naked in supplication before the artist; the artist exposing himself in trust. The beast of creation is always erect. 1964/1967. In a rented cottage in Suffolk, a brilliant young film director, deep in making his magnum opus, confronts the ageing star that the studio has imposed on him. Vincent Price is about to walk out on the film, and Michael Reeves' career hangs by a thread. Across the world, in a strange simulacrum of a Suffolk cottage created on a Hollywood lot, a great director and his star are engaged in a very different sort of power-game, as Alfred Hitchcock and Tippi Hedren take time off from making Marnie for one final confrontation. This edition is published to coincide with the world premiere at the Hampstead Theatre, London, in February 2024.

Hugo

Director Martin Scorsese, the legendary storyteller, invites you to join him on a thrilling journey to a magical world with his first-ever 3D film, from a screenplay by John Logan, based on Brian Selznick's award-winning, imaginative New York Times bestseller, The Invention of Hugo Cabret. Hugo is the astonishing adventure of a wily and resourceful boy whose quest to unlock a secret left to him by his father will transform Hugo and all those around him, and reveal a safe and loving place he can call home. Scorsese has assembled an impressive acting ensemble comprised of rising new talent working alongside venerated stars of the stage and motion pictures, including Ben Kingsley, Sacha

Baron Cohen, Asa Butterfield, Chloë Grace Moretz, Ray Winstone, Emily Mortimer, Helen McCrory, Christopher Lee, Richard Griffiths, Frances De La Tour, Michael Stuhlbarg, and with Jude Law.

The Aviator

The acclaimed debut play that wowed audiences and delighted critics at the 2015 Edinburgh Festival.

Lemons Lemons Lemons Lemons Lemons

"Five bedrooms, five chairs and four boys. The class of 2011 are about to graduate and Benny, Mack, Timp and Cam are due out of their flat. Stepping into a world that doesn't want them, these boys start to wonder whether there's any point in getting older. How will they find the fight to make it as adults? Before all that they're going to have one hell of a party. It's hot and there'll be girls. Predict a riot."--Back cover.

"A wry, funny and touching meditation on loneliness, that private shame of the singleton in the era of the dating app and of fraudulent boasting on social media ... written with a real depth of insight, humour, compassion and a keen sense of the ridiculous..." The Independent It's the early hours of the morning in the aftermath of Laura's housewarming party. Danny, 42, divorced and living with his mother, is the last remaining guest. The flat is in a mess and so are they. One more drink? This sharp and astute two-hander takes an intimate look in real-time at the first fragile moments of risking your heart and taking a chance. Both comedic and tender, it asks questions about mutual loneliness and human connections. Beginning premiered at the National Theatre, London in October 2017. This new Modern Classics edition features an introduction by Sarah Grochala.

Already slated as one of the top movies of 2003, "The Last Samurai," starring Tom Cruise, will be released nationally on December 5, 2003. This book contains parts of the script, exclusive stills from the movie, and interviews from the actors, actresses, and the director.

Catalog of Copyright Entries. Third Series

High atop a Los Angeles skyscraper, an office Christmas party turns into a deadly cage-match between a lone New York City cop and a gang of international terrorists. Every action fan knows it could only be the explosive big-screen blockbuster Die Hard. But before Bruce Willis blew away audiences as unstoppable hero John McClane, author Roderick Thorp knocked out thriller readers with the bestseller that started it all. A dozen heavily armed terrorists have taken hostages, issued demands, and promised bloodshed — all according to plan. But they haven't counted on a death-defying, one-man cavalry with no shoes, no backup, and no intention of going down easily. As hot-headed cops swarm outside, and cold-blooded killers wield machine guns and rocket launchers inside, the stage is set for the ultimate showdown between anti-hero and uber-villains. Merry Christmas to all, and to all a good fight... to the death. Ho ho ho!

Beginning

The application of causal inference methods is growing exponentially in fields that deal with observational data. Written by pioneers in the field, this practical book presents an authoritative yet accessible overview of the methods and applications of causal inference. With a wide range of detailed, worked examples using real epidemiologic data as well as software for replicating the analyses, the text provides a thorough introduction to the basics of the theory for non-time-varying treatments and the generalization to complex longitudinal data.

The Last Samurai

Breaking with tradition, Erik Blake has brought his Pennsylvania family to celebrate Thanksgiving at his daughter's apartment in lower Manhattan. As darkness falls outside the ramshackle pre-war duplex, eerie things start to go bump in the night and the heart and horrors of the Blake clan are exposed.

Nothing Lasts Forever (Basis for the film Die Hard)

Homes lays bare the foundations of marriage and family life, and creates characters outrageously flawed, deeply human and entirely believable

Causal Inference

The first collection of plays from the multi-award-winning legendary screenwriter and playwright. Contains the plays RED, PETER AND ALICE and I'LL EAT YOU LAST. Contents: Introduction by Michael Grandage RED Under the watchful gaze of his young assistant and the threatening presence of a new generation of artists, Mark Rothko takes on his greatest challenge yet: to create a definitive work for an extraordinary setting. A moving and compelling account of one of the greatest artists of the 20th century whose struggle to accept his growing riches and praise became his ultimate undoing. Nominated for 7 Olivier Awards (2009) and winner of 6 Tony Awards (2010) including Best New Play. PETER AND ALICE When Alice Liddell Hargreaves met Peter Llewelyn Davies at the opening of a Lewis Carroll exhibition in 1932, the original Alice in Wonderland came face to face with the original Peter Pan. In John Logan's remarkable play, enchantment and reality collide as this brief encounter lays bare the lives of these two extraordinary characters. I'LL EAT YOU LAST: A CHAT WITH SUE MENGERS 1981. Hollywood. Sue Mengers, the first female 'superagent' at a time when women talent agents of any kind are almost unheard of, invites you into her Beverly Hills home for an evening of dish, secrets, and all the inside showbiz stories that only Sue could tell... Back in the 1970s, Sue Mengers represented almost every major star in Hollywood; her clients were the talk of the town and her glamorous dinner parties were legendary. The phone's not ringing so much these days and Sue is forced to face the inevitable truth: the credits roll sooner than you think.

The penance of John Logan

Just as Jack Kerouac captured the beat of the '50s, his daughter captured the rhythm of the generation that followed. With a graceful, often disturbing detachment and a spellbinding gift for descriptive imagery, Jan Kerouac explores the tortured, freewheeling soul of a woman on her own road. From an adolescence of LSD, detention homes, probation, pregnancy, and a stillbirth in the Mexican tropics at age 15; to the peace movement in Haight-Ashbury and Washington state; to traveling by bus through Central America with a madman for a lover, Baby Driver moves with the force of a tropical storm.

John Logan: Plays One

When, at an isolated convent, the infant of a young nun is found strangled, a court-appointed psychiatrist must decide if the devout but troubled girl is fit to stand trial.

The Gladiator. Buch und 2 Cassetten..

"Frank W. Abagnale, alias Frank Williams, Robert Conrad, Frank Adams and Ringo Monjo, was a daring conman, forger, impostor and escape artist. In his brief but notorious career, Abagnale donned a pilot's uniform and co-piloted a Pan Am jet, masqueraded as a member of hospital management, practised law without a licence, passed himself off as a college sociology professor and cashed over \$2.5 million in forged checks, all before he was 21. Known by the police of 26 foreign countries and all 50 US states as The Skywayman, Abagnale lived a sumptuous life on the run - until the law caught up with him.

Now recognized as a leading authority on financial foul play, Abagnale is a charming rogue whose hilarious, stranger-than-fiction international escapades and ingenious escapes - including one from an aeroplane - make *Catch me if you can* an irresistible tale of deceit. Abagnale's story has now been made into a film, starring Tom Hanks and Leonardo DiCaprio."--Publisher description.

Baby Driver

When Dakota Pink decides to find out the truth about Medusa's baby monster it is the beginning of a quest that will lead Dakota and her best friend, Treacle, away from the White Flats to Dog Island and the Fortress. Will they manage to escape the mutant killer eels to discover what lies behind the barbed wire of the Fortress and who the mysterious Lassitter Peach is?

Selling Your Screenplay

Author Rick Nichols' John Logan, Ex Spy Turned Private Detective, has found a new home at Pro Se Productions. *COLD DISH*, Logan's debut novel with Pro Se, is the fifth novel in the Logan Series. And now Logan's first four adventures are also available, all together in one action adventure omnibus from Pro Se Productions. *SURVIVOR'S AFFAIR* John Logan has left his life in the intelligence community behind, eking out a meager living as a private investigator and trying to stay off the espionage radar. But keeping a low profile proves harder than he thought when Coral Bay's millionaire Golden Boy ends up on the wrong side of a Samurai sword and his former mentor's wayward daughter the number one suspect. Finding himself honor bound, Logan is forced to join the hunt for the real killer. *THE AFFAIRS OF MEN* Private Investigator John Logan has always been haunted by the tragic mission years before that took the lives of his black-ops team. But when he sees one of his former teammates alive in downtown Coral Bay, with a luscious woman by his side, and a horde of Russian hit men on his tail...Logan realizes that there was more to the ill-fated mission than he originally believed. As the danger rises, Logan will be forced to visit those places he had sworn off forever, dark shadows of his heart not seen since the death of his beloved Shikira. *THE SHELTERING TREE* Mason Killian lies in critical condition, the victim of a drive by hit. With his best friend fighting for his life, John Logan is determined to unravel who is responsible. To find justice for his friend, Logan must do the unthinkable: he must dig into Killian's life and open things that Killian has kept forever closed. What he finds will lead Logan into a web of deceit, betrayal, and murder, and could jeopardize his friendship with the man who has been his brother in arms for twenty years. *INTO THE MAGIC NIGHT* When a beautiful exotic dancer asks John Logan for help he is all too willing to help. But she's scared and before she can meet with Logan to tell him her problem, she's dead and Logan is left with more questions than answers. Who was she and why was she so scared? His digging will put Logan into the seedier side of Coral Bay and get him involved with a ruthless businessman, a venture capitalist, and could put him at odds with one of Logan's dearest friends. *JOHN LOGAN: FOUR IN THE CHAMBER* by Rick Nichols from Pro Se Productions

Money

Based on the life and times of Howard Hughes, *The Aviator* tells the story of aviation pioneer Hughes (Leonardo DiCaprio), the eccentric billionaire industrialist and Hollywood film mogul famous for romancing some of the most beautiful women of his time. The drama recounts the years of his life from the late 1920s through the 1940s, an epoch when Hughes was directing and producing Hollywood movies and test flying innovative aircrafts he designed and created.

Catch Me If You Can

The most comprehensive account to date of the 9/11 attack on the Pentagon and aftermath, this volume includes unprecedented details on the impact on the Pentagon building and personnel and the scope of the rescue, recovery, and caregiving effort. It features 32 pages of photographs and more than a dozen diagrams and illustrations not previously available.

Dakota of the White Flats

With films like *Gladiator*, *Blade Runner*, and *Black Hawk Down*, director Ridley Scott has shown his mastery of cinematic storytelling that is epic in dimension but with a deeply personal core. In *Kingdom of Heaven*, he turns to the Crusades—that world-shaping 200-year collision between Europe and the East—to frame the tale of a young Frenchman who defies all odds to become a knight, then lives out what that glorious title really means. "I'd always wanted to make a movie about knights and medieval times, the Crusades especially," says Scott. "Historically, the knight—like the cowboy or the policeman—has given us great opportunities to tell stories about a hero." With the cry "God wills it!" Pope Urban II in 1095 urged Christian Europe into a frenzy to reclaim the holy city of Jerusalem, conquered by Muslim armies that swept through the Middle East in the 7th century. Thousands answered the call, from kings to peasants, and in the ensuing waves of war ancient cities fell to bloody sieges, Christian kingdoms were founded in the Holy Land, and unspeakable atrocities were committed on both sides. Between the Second and Third Crusades, however, two visionary leaders—King Baldwin IV of Jerusalem and the Saracen general Saladin—forged a short-lived peace amid the carnage. Drawn into this immense drama is the young blacksmith Balian (Orlando Bloom). Fleeing his village under a death sentence, and fleeing his own demons as well, Balian joins forces with a great knight, Godfrey of Ibelin (Liam Neeson), who swears him to serve King Baldwin and up-hold the truce—that fragile "kingdom of heaven." On reaching the Holy Land, Balian falls under the spell of the king's sister, Sibylla (Eva Green), and becomes embroiled in a struggle for the kingdom's soul, as the dying king is assailed by extremists bent on war. Ultimately, Balian must choose between his love and his sense of knightly honor. And when Jerusalem faces its greatest peril, he must use all his wits and courage to defend it against staggering odds. Scott and his production team scale new heights in creating worlds on film: building vast sets on locations in Morocco and Spain, peopling them with international stars and thousands of extras, enhancing filmed action with state-of-the-art effects. Scenes of medieval warfare, breathtaking in scale and realism, feature weapons and machines that were carefully researched and built for real. This splendid companion book, illustrated with more than 200 photos, drawings, and Scott's own storyboards, documents this landmark production behind the scenes and before the cameras. But it also delves into the details of storycrafting that give *Kingdom of Heaven* its solid historical grounding, and includes a lively primer on the Crusades that will expand readers' appreciation of both the film and the history behind it. With more than 200 photographs and illustrations.

John Logan

The official illustrated companion book to the winner of five Academy Awards, including Best Picture, Best Actor (Russell Crowe), Costume Design, Sound, and Visual Effects. Director Ridley Scott (*Blade Runner*, *Thelma and Louise*, *Alien*) brings the glorious battles of the ancient Roman arena back to the big screen. Set against the splendor and barbarity of the Roman Empire in AD 180, *Gladiator* tells an epic story of courage and revenge: The great Roman general Maximus (Russell Crowe) has been forced into exile and slavery by the jealous heir to the throne, Commodus (Joaquin Phoenix). Trained as a gladiator, Maximus returns to Rome, intent on avenging the murder of his family by Commodus, now emperor. The one power stronger than that of the emperor is the will of the people, and Maximus knows he can attain his revenge only by becoming the greatest hero in all the Empire. Russell Crowe heads up an international cast that includes Joaquin Phoenix, Connie Nielson, Oliver Reed, Derek Jacobi, Djimon Hounsou, and Richard Harris. Directed by Ridley Scott from a script by David Franzoni and John Logan, *Gladiator* is produced by Franzoni, Douglas Wick, and Branko Lustig, with Walter F. Parkes serving as executive producer. This is the official full-color companion book, featuring excerpts from the screenplay, historical sidebars and illustrations, details on period costumes and epic set designs, behind-the-scenes photographs from the location filming, and interviews with the screenwriters, actors, and director.

The Aviator

A spookily prescient espionage thriller from one of the masters of the genre. What if the Soviet Union gained control over the US Presidency? SIS agent James Mackay fears that this may already be happening when he realises the newly elected president's press secretary is a former communist radical with links to the KGB. When the witnesses who support his suspicions are systematically eliminated, MacKay must race against time to prove that the President-Elect is not his own man before Inauguration Day and avoid a national catastrophe. 'When I say Ted Allbeury knows where the bodies are buried I mean it literally.' - Len Deighton, author of *The Ipcress File*.

Kingdom of Heaven

GOOD MORNING AMERICA BUZZ PICK • The Pulitzer Prize–winning playwright and co-writer of *In the Heights* tells her lyrical story of coming of age against the backdrop of an ailing Philadelphia barrio, with her sprawling Puerto Rican family as a collective muse. **ONGLISTED FOR THE ANDREW CARNEGIE MEDAL • ONE OF THE BEST BOOKS OF THE YEAR:** NPR, New York Public Library, BookPage, and BookRiot • “Quiara Alegria Hudes is in her own league. Her sentences will take your breath away. How lucky we are to have her telling our stories.”—Lin-Manuel Miranda, award-winning creator of *Hamilton* and *In the Heights* Quiara Alegria Hudes was the sharp-eyed girl on the stairs while her family danced their defiance in a tight North Philly kitchen. She was awed by her mother and aunts and cousins, but haunted by the unspoken, untold stories of the barrio—even as she tried to find her own voice in the sea of language around her, written and spoken, English and Spanish, bodies and books, Western art and sacred altars. Her family became her private pantheon, a gathering circle of powerful orisha-like women with tragic real-world wounds, and she vowed to tell their stories—but first she’d have to get off the stairs and join the dance. She’d have to find her language. Weaving together Hudes’s love of music with the songs of her family, the lessons of North Philly with those of Yale, this is a multitythmic dive into home, memory, and belonging—narrated by an obsessed girl who fought to become an artist so she could capture the world she loved in all its wild and delicate beauty.
