### My Heavenly Hockey Club

WHERE THE BOYS ARE! Hana Suzuki loves only two things in life: eating and sleeping. So when handsome classmate Izumi Oda asks Hana—his major crush—to join the school hockey club, persuading her proves to be a difficult task. True, the Grand Hockey Club is full of boys—and all the boys are super-cute—but given a choice, Hana prefers a sizzling steak to a hot date. Then Izumi mentions the field trips to fancy resorts. Now Hana can't wait for the first away game, with its promise of delicious food and luxurious linens. Of course there's also the getting up early, working hard, and playing well with others. How will Hana survive?

### My Heavenly Hockey Club

The Grand Hockey Club becomes even more glam with the addition of Yukio Francois de Saint-Martin as its new faculty advisor. This tall, blond Frenchman is sexy, passionate, and totally out of his mind. Can the club survive his crazy plans for it? Young adult.

### My Heavenly Hockey Club

During the hockey club's camping trip, Hana and Takashi, her worst enemy, become lost in the jungle, an experience that leads to a change in their relationship.

### The Super-Cool Life of Strawberry Chan

Once upon a time there was a talking frog. This frog's name was Strawberry-Chan. Strawberry-chan loved? his boy, Akiyoshi very much, but Akiyoshi liked nothing more than to use a straw to blow Strawberry-chan up like a balloon, much to the chagrin of Strawberry-chan. Akiyoshi's friends all feel very differently about Strawberry-chan. Some wish he were treated better, some really love Strawberry-chan and one even wishes he was Strawberry-chan. With all of this love and abuse, will our frog possibly survive the first volume?

### My Heavenly Hockey Club

Hana relies on the boys from the Grand Hockey Club to help her improve her grades so she can continue to play on the team.

### Your and My Secret

High schooler Nanako Momoi may be petite and adorable but she is far from sweet. She is obnoxious, violent and has the table manners of a wild boar. Akira Uehara, a dainty, feminine boy has, for some mysterious reason, developed quite a crush on her. One day, Akira stumbles upon Nanako's grandfather, a man best described as a mad scientist. He is performing an experiment on Nanako, but Akira manages to get in the way, and suddenly finds that he and Nanako have switched bodies!. Akira, the now dainty and feminine female, is desperate to get back into his old body, especially after one

of his long time friends starts flirting with him. Switching back may prove difficult, though. It looks like Nanako is starting to enjoy life as a guy!.

### Breathless

Professional hockey players weren't supposed to get their hearts broken. But that's precisely what happened to Marcel Aubert, forward for the Breakers. He'd fallen hard for his ex, and then she'd cheated on him with a truly reprehensible teammate. Because she'd been bored. Of him. Not life. She'd made that fact crystal clear. So Marcel had moved on . . . if remaining single and losing himself in books when he wasn't on the ice was moving on. Until he met Prudence Hansley. She was, quite literally, the most imprudent person he'd ever had the privilege of knowing. A total daredevil, she'd jumped out of planes, had hiked into a volcano, spent time in a shark cage. She was . . . terrifying. And wonderful. And somehow, she liked him. Boring Marcel. But when she dared him to take another chance on love, would he find the courage to leap?

### Playing for Keeps

My teammate's incredibly sweet and gorgeous younger sister should have been off-limits, but my hockey stick didn't get that memo. After our team won the championship, and plenty of alcohol, our flirting turned physical and I took her to bed. Shame sent her running the next morning from our catastrophic mistake. She thinks I don't remember that night—but every detail is burned into my brain so deeply, I'll never forget. The feel of her in my arms, the soft whimpers of pleasure I coaxed from her perfect lips... And now I've spent three months trying to get her out of my head. Which has been futile, because I'm starting to understand she's the only girl I'll ever want. I have one shot to show her I can be exactly what she needs, but Elise won't be easily convinced. That's okay, because I'm good under pressure, and this time, I'm playing for keeps. Get ready to meet your new favorite hot jocks in this series of stand-alone novels. If you like sexy, confident men who know how to handle a stick (on and off the ice), and smart women who are strong enough to keep all those big egos in check, this series of athlete romances is perfect for you!

### Deceptions and Doublecross

The story of the rise of the NHL as the only major hockey league in North America.

### Broken Hearts

She's a figure skater. He's a hockey player. Things are about to heat up on the ice. Rhett Rauthruss is single for the first time in six years. He's fresh off a long-term, long-distance relationship and ready to make the most of what's left of college. Party with his boys, get to the Frozen Four with his team, and maybe play the field for a change. Sienna Hale knows a thing or two about heartbreak. She's a college athlete about to skate for the last time, and nothing is going to throw her off course. Not her worries about finding a job after college, not the whispers of last year's accident on the ice, and not the cute hockey player who keeps asking her out. They think they want different things, but when it heats up between them, there's no denying they have something in common—even if it's just for a night. For fans of: Helena Hunting, Elle Kennedy, Lauren Asher, Emily Henry, Avon Gale, Toni Aleo, Kristen Callihan, LJ Shen, Jana Aston, Karina Halle, Meghan March, Jay Crownover, Anna Todd, Geneva Lee, Audrey Carlan, Jill Shalvis, Helen Hoang, Christina Lauren, Sally Thorne, Penny Reid, Julia Kent, Kelly Jamieson, Kendall Ryan, Kennedy Ryan, Lauren Blakely, Lexi Ryan, Jen Frederick, Sara Ney, Nana Malone. Keywords: hockey, hockey romance, sports romance, new adult romance, sexy romance, steamy romance, valley u hockey, alpha males, alpha romance, friends to lovers, college romance, figure skating.

### Your & My Secret Volume 4

Nanako can't stop thinking about Senbongi, but he's giving Nanako the cold shoulder, making Nanako feel lonely and jealous. Meanwhile, Akira seems to be getting along with Shiina with no intentions of switching back. Akira gives Nanako the OK to go out with a guy (or at least hold hands!), rubbing in the fact that she has no feelings toward him at all. Fed up with it all, Nanako agrees to go out with Senbongi and discovers that, to his surprise, he actually kind of likes it!

#### Duck Prince

Reiichi thought that he said goodbye to the ugly life, but things don't go away that easily. The anxiety of a beautiful boy never ends...

#### The Deal

New York Times bestseller Elle Kennedy brings you the first in the sexy Off-Campus series that everyone is talking about. She's about to make a deal with the college bad boy . . . Hannah Wells has finally found someone who turns her on. But while she might be confident in every other area of her life, she's carting around a full set of baggage when it comes to sex and seduction. If she wants to get her crush's attention, she'll have to step out of her comfort zone and make him take notice . . . even if it means tutoring the annoying, childish, cocky captain of the hockey team in exchange for a pretend date . . . and it's going to be oh so good All Garrett Graham has ever wanted is to play professional hockey after graduation, but his plummeting GPA is threatening everything he's worked so hard for. If helping a sarcastic brunette make another guy jealous will help him secure his position on the team, he's all for it. But when one unexpected kiss leads to the wildest sex of both their lives, it doesn't take long for Garrett to realize that pretend isn't going to cut it. Now he just has to convince Hannah that the man she wants looks a lot like him. Praise for Elle Kennedy: 'Delicious, complicated and drama-filled . . . I read it in one sitting, and you will, too' L. J. Shen, USA Today bestselling author 'A deliciously sexy story with a wallop of emotions that sneaks up on you' Vi Keeland, No.1 New York Times bestselling author 'Elle Kennedy delivers another sexy and addictive read, and my latest personal favourite from her!' Tijan, New York Times bestselling author

#### Sevens Heaven

SHORTLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR 2018 The uplifting, feel-good autobiography of Ben Ryan, the coach of the Olympic gold-medal winning Fijian rugby team It is late summer 2013. Ben Ryan, a red-haired, 40-something, spectacle-wearing Englishman, is given 20 minutes to decide whether he wants to coach Fiji's rugby sevens team, with the aim of taking them to the nation's first-ever Olympic medal. He has never been to Fiji. There has been no discussion of contracts or salary. But he knows that no one plays rugby like the men from these isolated Pacific islands, just as no one plays football like the kids from the Brazilian favelas, or no one runs as fast as the boys and girls from Jamaica's boondocks. He knows too that no other rugby nation has so little - no money and no resources, only basic equipment and a long, sad history of losing its most gifted players to richer, greedier nations. Ryan says yes. And with that simple word he sets in motion an extraordinary journey that will encompass witchdoctors and rugby-obsessed prime ministers, sun-smeared dawns and devastating cyclones, intense friendships and bitter rows, phone taps and wild nationwide parties. It will end in Rio with a performance that not only wins Olympic gold but reaches fresh heights for rugby union and makes Ben and his 12 players living legends back home.

#### The Comeback

Dave Scatchard has always been the underdog, but his drive to overcome obstacles meant none of that mattered. That's how his childhood dream of becoming an NHL hockey player came true at twenty-one, followed by marrying the love of his life and starting a beautiful family. For everything that came his way, he always knew he could work hard, fight through the pain, and prove himself. Everything, that is, until a fifth concussion gave him a taste of death and changed the way he looked at life forever. It took losing it all-his career, his abilities, and very nearly his life-to finally find it all. Dave's journey through the best and worst of his career to the highs and lows of spiritual and physical healing point to a universal

journey we all must take. Just like Dave's life, *The Comeback* is about far more than hockey. It's about how we come back to ourselves to find true freedom, weightless abandon, and a pure childlike joy.

### Home Game

He's a professional hockey player trying to survive on his new team. I'm just trying to survive. I'm down to my last dollar. I live day-to-day in a world that doesn't care. Despite my bad luck, I'm a fighter. I never give up. I never stop trying. Ryan Parker's wealth and generosity, sets him apart from anyone I know. Yet, I don't trust him. It's nothing personal. I trust no one. But when my bad luck takes a turn for the worse, one person shows up. Ryan Parker. I do not understand why he bothered because the guy has enough of his own issues to deal with. But I don't have a choice. I need him. It's a matter of survival. His friendship changed everything. It changed me. I started to believe in myself. I allowed myself to trust. And for the first time, in a long time, I felt my heart beat again. In the game of love, winning is harder than it looks. I don't know the rules. I don't know how to win. ### The Shadow of His Wings

We had to do it. We had to reprint this book. Rarely has a book had such an impact on so many of us here at Ignatius Press. It is one of the most powerful and moving books we have come across. If you can only buy one book this season, this must be the one. Here is the astonishing true story of the harrowing experiences of a young German seminarian drafted into Hitler's dreaded SS at the onset of World War II. Without betraying his Christian ideals, against all odds, and in the face of Evil, Gereon Goldmann was able to complete his priestly training, be ordained, and secretly minister to German Catholic soldiers and innocent civilian victims caught up in the horrors of war. How it all came to pass will astound you. Father Goldmann tells of his own incredible experiences of the trials of war, his many escapes from almost certain death, and the diabolical persecution that he and his fellow Catholic soldiers encountered on account of their faith. What emerges is an extraordinary witness to the workings of Divine Providence and the undying power of love, prayer, faith, and sacrifice. Illustrated

ASHER Hockey, studying, and school runs. That's my life now. After a tragic accident that took our parents' lives, it's up to me and my big brother to take care of our five younger siblings. In between burning their meals and keeping them from killing each other, I'm supposed to get a college degree. It's hard when I don't have time to breathe let alone study, and if I don't get my grades up, I'm in danger of losing the one thing that makes me happy: my spot on the hockey team. Which is why when the new equipment manager offers to tutor me, I really can't afford to say no. Even though I should. He's Coach's son and way too tempting. KOLE As this year's equipment manager for Dad's hockey team, I'm expected to deal with sweaty jock straps and herding hockey players to their rooms at away games. The job is easy, but babysitting Asher Dalton is not supposed to be a part of it. So why, when his brother asks me to keep an eye on him, do I agree? Why, when he's struggling in classes, do I offer to help? And why, when we're studying, do I suggest a reward system that lands us squarely in bed? Asher's trouble, I know he is. But there's something about him that makes it impossible to stay away.

### Taking Shots

In New York Times and USA Today bestselling author Toni Aleo's exhilarating Loveswept debut, the first in a series featuring the hockey hunks of the Nashville Assassins, a reformed bad boy helps a charming, willful woman face off against the demons of her past. No matter how hard she tries, Eleanor Fisher never thinks she's good enough, from her job to her weight to her love life. After enduring years of abuse at the hands of an ex-boyfriend, Elli has been drifting through life in a daze. Until, that is, she meets Shea Adler on a promotional shoot for the NHL's Nashville Assassins. Before Elli knows what's happening, the gorgeous Shea breaks the ice and shatters her world. A brilliant athlete inside the rink,

Shea Adler is tired of the life he's living outside of it: the women, the money, the drinking. But everything changes when he meets Elli. After laying eyes on this feisty, witty, beautiful woman, he feels like he's just taken the hardest hit of his life. No matter how skeptical she is, Shea knows they are meant to be together—if only he can convince Elli to put her insecurities aside before she misses out on a shot at love. Praise for Toni Aleo's Nashville Assassins romances "Aleo melts the ice and hits it into the net with her Assassins series."—Award-winning author Jami Davenport "Taking Shots is really the whole package. You get romance, humor, steamy sex, drama, and then it all wraps up with a great conclusion. I am amazed that this is Toni's first book. She has come out in a huge way. I can't wait to read more from her. Don't hesitate for a moment to grab this book."—Guilty Pleasures Book Reviews "A little steamy, a little heartbreaking, and a whole lot of fanning yourself are in order this time around, readers. Are your cheeks feeling a little pink yet? Get used to the feeling."—Dreaming in the Pages, on Trying to Score "Empty Net is an honest, heartwarming, endearing story. . . . Toni Aleo doesn't just write a story. She gives you the ability to experience the journey of her characters right along with them. Her stories are enveloped with passion, emotion, humor, love; and let me tell you, that girl knows how to write a sex scene that just makes you sweat!"—Guilty Pleasures Book Review "Sexy and riveting . . . the perfect combination of love and lust."—USA Today bestselling author Heidi McLaughlin, on Blue Lines "Funny, charming, sweet, sexy . . . [Falling for the Backup] has everything you want in a story."—Blushing Reader Includes an excerpt from another Loveswept title.

### Michigan vs. the Boys

Hockey meets the #MeToo movement in this powerful debut novel. Michigan Manning lives for hockey, and this is her year to shine. That is, until she gets some crushing news: budget cuts will keep the girls' hockey team off the ice this year. If she wants colleges to notice her, Michigan has to find a way to play. Luckily, there's still one team left in town . . . The boys' team isn't exactly welcoming, but Michigan's prepared to prove herself. She plays some of the best hockey of her life, in fact, all while putting up with changing in the broom closet, constant trash talk and "harmless" pranks that always seem to target her. But once hazing crosses the line into assault, Michigan must weigh the consequences of speaking up — even if it means putting her future on the line.

Once upon a time there was a talking frog. This frog's name was Strawberry-Chan. Strawberry-chan loved his boy, Akiyoshi, very much... but Akiyoshi liked nothing more than to use a straw to blow Strawberry-chan up like a balloon - much to the chagrin of Strawberry-chan. Akiyoshi's friends all feel very differently about Strawberry-chan. Some wish he were treated better, some really love Strawberry-chan, and one even wishes he was Strawberry-chan. With all of this love and abuse, will our frog even survive the first volume?

A STANDALONE sexy, emotional sports romance from #1 New York Times bestselling author Lexi Ryan. "Sexy and twisty, Spinning Out will hook you fast and keep you flipping pages until the very end." -New York Times bestselling author Meghan March ~ ~ ~ Once, the only thing that mattered to me was football—training, playing, and earning my place on the best team at every level. I had it all, and I threw it away with a semester of drugs, alcohol, and pissing off anyone who tried to stop me. Now I'm suspended from the team, on house arrest, and forced to spend six months at home to get my shit together. The cherry on top of my fuckup sundae? Sleeping in the room next to mine is my best friend's girl, Mia Mendez—the only woman I've ever loved and a reminder of everything I regret. I'm not sure if having Mia so close will be heaven or hell. She's off-limits—and not just because she's working for my dad. Her heart belongs to someone else. But since the accident that killed her brother and changed everything, she walks around like a zombie, shutting out her friends and ignoring her dreams. We're both broken, numb, and stuck in limbo. Until I break my own rules and touch her. Until she saves me from my nightmares by climbing into my bed. Until the only thing I want more than having Mia for myself is to protect her from the truth. I can't rewrite the past, but I refuse to leave her heart in the hands of fate. For this girl, I'd climb into the sky and rearrange the stars. Hate-banging their way onto the naughty list might be their only shot at settling the score... Eva Bradshaw used to have standards. But with bills piling up and a six-year-old daughter to feed, there's not much the former Olympic figure skater wouldn't do for some extra cash, even if it means violating her hard limit: hockey players. Like the filthy-mouthed, sex-on-skates hockey god who's about to slide straight into her penalty box... NHL center Walker Dunn has been stuck on the injured list for months. So when his trainer springs for some one-on-one time with a beautiful woman, Walker's more than ready to take the edge off... until he realizes the ice princess with the perfect ass isn't there to handle his stick. She's there to coach him back into action—whether he likes it or not. Walker puts the cock in hockey. Eva's a champion ball-buster. It's a match made in hate-sex heaven. But falling for each other? Never. No way. Not a snowball's chance in hell... NAUGHTY OR ICE is a sexy, steamy, enemies to lovers hockey romance and the first book in the Buffalo Tempest series. If you like red-hot, dirty-mouthed hockey players, smart and sassy women who aren't afraid to put their men against the boards, and a big, hilarious helping of bromance, then you don't want to miss this lineup!

Appropriate for any public library collection, this book provides a comprehensive readers' advisory guide for Japanese manga and anime, Korean manhwa, and Chinese manhua. Japanese manga and anime, Korean manhwa, and Chinese manhua are Asian graphic novels and animated films that have gained great popularity in the last ten years and now are found in most public library collections. Mostly Manga: A Genre Guide to Popular Manga, Manhwa, Manhua, and Anime is the first readers' advisory guide to focus on this important body of literature. This guide provides information on all of the major manga and anime formats and genres, covering publications from the early 1990s to the present. It identifies important titles historically and provides a broad representation of what is available in each format. Selected major titles are described in detail, covering the general plot as well as grade level and pertinent awards. The author also discusses common issues related to manga and anime, such as terminology, content and ratings, and censorship.

Fake. Being the heir to Jacobs Enterprises, I've been around fake people my entire life. I promised myself a long time ago that I wouldn't change for anyone. Which is the only reason I'm a professional hockey player who lives on the beach and does as he pleases without answering to anyone—except my father. And now, my daughter. Being a single dad wasn't in the plan but after a one-night stand who took off after the baby was born, this is my reality. My dad's been harping on me to quit hockey and join the company for years and now that I'm a father, he's only intensified his efforts. Until he makes me a deal I can't refuse. Insert Lena Boyd, the Jacobs' family PR rep. She's beautiful and intelligent and not at all the woman for me—ask anyone. My dad needs us to act happily engaged and sell the idea

that we're in love. If we're successful I won't have to join the family legacy—ever. Of course, I agree. That's when things get complicated. I thought I had her all figured out until I found out there was more underneath her judgmental sneers and eye rolls. It feels like everything is coming together for the future I really want—with Lena—until my past ruins everything.

#### Faking It with #41

From the acclaimed author of *The Last Year of the War* comes a novel set during the Spanish flu pandemic of 1918, telling the story of a family reborn through loss and love. In 1918, Philadelphia was a city teeming with promise. Even as its young men went off to fight in the Great War, there were opportunities for a fresh start on its cobblestone streets. Into this bustling town, came Pauline Bright and her husband, filled with hope that they could now give their three daughters—Evelyn, Maggie, and Willa—a chance at a better life. But just months after they arrive, the Spanish Flu reaches the shores of America. As the pandemic claims more than twelve thousand victims in their adopted city, they find their lives left with a world that looks nothing like the one they knew. But even as they lose loved ones, they take in a baby orphaned by the disease who becomes their single source of hope. Amidst the tragedy and challenges, they learn what they cannot live without—and what they are willing to do about it. As *Bright as Heaven* is the compelling story of a mother and her daughters who find themselves in a harsh world not of their making, which will either crush their resolve to survive or purify it.

*True Love and Other Disasters* is a deliciously romantic rom-com from New York Times bestseller Rachel Gibson - perfect for fans of Jill Shalvis, Jo Watson and Christina Lauren. Heartache, hockey and heavenly bodies - get ready for another red-hot read from Rachel Gibson When money-bags Virgil Duffy leaves his widow a stash of cash and his beloved ice-hockey team in his will, team captain Ty 'Saint' Savage is furious. The Chinooks are set to win the biggest prize of the season, and a beautiful young ex-stripper taking over the reins is the last thing he needs. Even if Faith, former playmate of the year, is the sexiest woman he's ever laid on. Soon tensions are mounting between the Saint and the Sinner from Vegas - but maybe Ty's forgotten the first rule of play: never underestimate your opponent...

#### High Risk Rookie

The editors should be commended for taking on such a big task, and succeeding so well. This book should be in the library of every institution where students have to write a paper that may be related to sport, or on the shelf of any lecturer teaching economics or public finance who has even a remote interest in sport. The material is very accessible, and useful in many different settings. Ruud H. Koning, *Jahrbücher f. Nationalökonomie u. Statistik* Edward Elgar's brilliant market niche is identifying a topic in economics, finding editors who know the area backwards and challenging them to assemble the best cross-section of relevant articles either already published or newly commissioned. *Handbook on the Economics of Sport* is Edward Elgar at its very best. If you love economics you'll find many fascinating insights here; if you love sport but know little economics then this book is mostly accessible and will teach you a lot; and if you are a sports-mad economist then you will be in hog heaven. Furthermore, if, like this reviewer, you are broadly very sceptical about the reports consultants produce for governments on the supposed economic windfall from hosting a big event or subsidising a stadium then you will get a lot of good counter-arguments in this volume. Indeed there are several chapters on the above theme that I'm sure I'll be copying frequently to government officials in years to come. . . The demand for sport is a fascinating subject and it is hard to pick out just one chapter from the second section. Read them all they make a wonderful 65-page treat. . . Part VI was a real feast, a smorgasbord. . . This is a magnificent piece of work and the 36-page index rounds it all off splendidly. John Blundell, *Economic Affairs* The book covers the most important areas of research of an emerging economic sub-discipline spanning the past half a century. It serves admirably the purpose of an introduction into the rich and growing area of reflection for all concerned. . . the editors and authors of the *Handbook* have done a commendable job of accumulating sophisticated material for many economists, managers, politicians and self-conscious fans, who are sure to find excellent training ground for the whole heptathlon. . . This book will be invaluable for advanced students investigating professional sport. From the point of view of lawyers, particularly those engaged with the relationship between law and sports governance, the *Handbook* offers invaluable analysis of the economic issues that are alluded to in those debates but rarely examined in detail. . . These insights will also prove useful for policy analysts and sports administrators for whom many sections should be considered mandatory

reading. Aleksander Sulejewicz, *Journal of Contemporary European Research* Over 800 pages on the economics of sport. What a feast! What a treat! The editors have done a wonderful job both in terms of breadth from David Beckham to child labour in Pakistan and depth, tournaments and luxury taxes for example. . . The 86 chapters are uniformly of a very high standard and illuminating. And there are real gems in some of the contributions. *British Journal on the Economics of Sport* This very interesting and comprehensive book achieves its objective, namely to present an overview of research in sports economics at an introductory level. . . [The editors] have produced an excellent reference book that belongs in all academic institutions libraries. It provides extensive introduction to the growing body of literature in the rising field of economics of sport. The book's relevant monographs should be read by institutions, cities and countries prior to their committing major resources towards sports facilities or a sporting event. James Angresano, *Journal of Sports Economics* One could think of this book as the sports-and-economics counterpart to *Joy of Cooking*, because it will satisfy the needs of those with a keen interest in such subjects as the

He's growly. Grumpy. Stubborn. And now, my new roommate. Walking away from my disastrous last relationship was an easy decision, but moving in with a friend-of-a-friend hockey star who's rarely home? Not quite as simple, because Grant makes me feel all kinds of things I'm not prepared for. Protected. Desired. Unsteady. • • • She's beautiful. Smart. Tempting. And a little fragile. I've never been anyone's knight in shining armor, but when Ana needed a place to stay, it was easy to offer her a room with me. Not so simple, though, is keeping my hands—or my mouth—to myself. And the night she crawls into my bed and shares her body with me? Heaven. But she's not looking for a relationship, and to my surprise, I find myself pissed off by that idea. They say my heart is broken, that I'll never settle down. I used to think that was true. Now, though? Hell, your guess is as good as mine. First, she took my bed. Then she took my heart. Then she took my everything. Your favorite hot jocks are back with an all new standalone novel. If you like sexy, confident men who know how to handle a stick (on and off the ice), and smart women who are strong enough to keep all those big egos in check, this series is for you!

### Little Heaven

Sandton, the hub of Africa's economic power, sex mavericks and high-class slay queens, the place where dreams are made. But sometimes it proves not to be the city of freedom, while the city lights glitter, many are roped into the dark underground world of the rich and powerful. This is a season when men hold the key to every door and the weak will do anything to be part of the elite circle. Treasure desires nothing more than pure love from her Sugar Daddy but she is starting to see that he has deep-rooted, dangerous fetishes that go beyond greed and lust. She longs for a better life yet isn't sure how she will ever find that. The sacrifices placed in the hands of her tormentor are deadly. Slowly, day by day, she walks into the shadows and claws of death. Her love for materialism will alter the course of her life dangerously. But with her naive softness comes overwhelming feelings of unworthiness, fear and blood spills. She is catapulted back into the darkness, human traffic and organ sales. Terrified by the reality of her own naiveté, Treasure becomes entwined and trapped in a world of darkness and a terrible kind glamor. Will she ever see the light? -- Publisher's description.

### Wild for You

Regular family devotions are important. Unfortunately, they're often . . . boring. But what if devotions looked less like sitting still and listening to someone read and more like, say, shooting bottle rockets, exploding eggs, playing soccer, pranking a friend, or putting on a make-believe game show? These hands-on, kinda dangerous, totally unforgettable object lessons (along with nearly fifty others) are not only more fun than other family devotions--they actually deliver the spiritual impact you desire for your kids. So get out the safety goggles and start bringing the truths of Scripture to vivid life in your household. Just remember to change out of your Sunday clothes first.

Things are out of control for the Sinclair boys! With two already in the NHL, Jace Sinclair is ready to follow in his brothers' HUGE skates in the last Bellevue Bullies novel... Jace Sinclair here, and I'm amazing. There is no other way to describe me. I am the leading scorer for the Bellevue Bullies, I'm the captain, and people love me: my family, my teammates, my coach, and the NHL. This is my last year in college-I already have one foot in the draft. Hockey keeps me warm even when it's freezing. It's always there when nothing else is. And it pushes me to be the best I can be. It's my one and only love. That is, until I see her against a tree with a guitar. Avery. The last thing I wanted was to meet anyone. My heart is on the bench because of what happened with my parents, and I don't want that for myself. I don't want to be hurt by anyone. I can't give them that power. But my heart is begging for ice time, and I can't control it around her. \* \* \* I've always been in the background. No one has ever had time for me and that's fine; I've learned to cope. Coming from a family where hockey is life, the last thing I want is some big, burly hockey player charging at me. I don't have time for it, but Jace Sinclair isn't one to be deked around. I didn't want to meet anyone. I didn't want to end up freezing the puck with him. It's not what I want. I have demons. I have issues. Living in the shadows, no one even knew until it was too late. But Jace wants to know. He wants me. And that scares me the living hell out of me. We were so worried about what would happen if we fell, but we never thought what could happen in the process of falling. We never saw it coming. But it's here, and the repercussions are not pretty. We should have known that there is no way out of the zone when you are being Hooked by Love.
