Curious George, Car Wash, 8x8 book, Children's books, Preschool learning
 Explore the world of Curious George with these exciting stories! Whether he's washing cars and getting into hilarious predicaments or engaging in other fun adventures found in the 8x8 book, children will love learning alongside this mischievous monkey. These books are perfect for preschool learning, fostering a love of reading, and providing endless entertainment.

Who's Been Sleeping in My Porridge?

Colin McNaughton presents a collection of wacky poetry about a range of odd and unusual characters and situations, including Lazy Maisy, who won't get out of bed, except at Christmas, and Doris the Pirate, who rides around in a shopping trolley.

Who's Been Sleeping in My Porridge?

A collection of poems that take a look at the grosser, weirder, funnier side of life, including "A Giant Gorilla Came Up to Me," "Itchy Feet," and "If Ever Aliens."

Who's Been Sleeping in My Porridge?

A collection of poems that take a look at the grosser, weirder, funnier side of life, including A Giant Gorilla Came Up to Me, Itchy Feet, and If Ever Aliens.

Who's Been Sleeping in My Porridge?

A collection of comical poems on such subjects as school, bullies, aliens, dinosaurs, and monsters.

Literature-Based Teaching in the Content Areas

Grounded in theory and best-practices research, this practical text provides teachers with 40 strategies for using fiction and non-fiction trade books to teach in five key content areas: language arts and reading, social studies, mathematics, science, and the arts. Each strategy provides everything a teacher needs to get started: a classroom example that models the strategy, a research-based rationale, relevant content standards, suggested books, reader-response questions and prompts, assessment ideas, examples of how to adapt the strategy for different grade levels (K–2, 3–5, and 6–8), and ideas for differentiating instruction for English language learners and struggling students. Throughout the book, student work samples and classroom vignettes bring the content to life.

Poetry in Literature for Youth

Poetry in Literature for Youth offers teachers, librarians, parents, and students with an instrumental guide for incorporating all forms of poetry into the curriculum. More than 900 annotated entries provide descriptions of books and other resources, including anthologies, classics, various poetry formats, poetry novels, multicultural poetry, performance poetry, teen poetry, poet biographies, and curriculum connections. Lists for building a core poetry collection, along with resources for teaching poetry criticism and writing, electronic poetry resources, booktalks, classroom activities, and lesson plans complement this guide. For anyone interested in knowing about poetry in literature, this is an indispensable guide.

Children's Literature in the Elementary School

Accompanying CD-ROM contains: McGraw-Hill children's literature database; a student study guide; and practical resources.

School Library Journal

Based on extensive research on the features that make children's books appealing and appropriate, this valuable teacher resource offers guidance on selecting books, strategies for specific grade levels, suggestions for extension, and tips for assessment. This teacher-friendly book is organized around the major genres — traditional literature, picture books, nonfiction, poetry, and multicultural texts — that will inspire young readers. Throughout the book, teachers will find suggestions for using literature to implement shared reading, reading aloud, and response strategies with emergent, developing, and independent readers. This comprehensive book is rooted in the belief that educators must consider and offer a wide range of choice to ensure that students read "good" books. It argues that the choices children make about what they read should be governed by their interests and desire to learn; not by a grade or reading level.

Good Books Matter

Paul Janeczko is the best-selling author of numerous poetry books. This book is a how-to guide for writing funny poems.

Good for a Laugh

Folktales and fairy tales are living stories; as part of the oral tradition, they change and evolve as they are retold from generation to generation. In the last thirty years, however, revision has become an art form of its own, with tales intentionally revised to achieve humorous effect, send political messages, add different cultural or regional elements, try out new narrative voices, and more. These revisions take all forms, from short stories to novel-length narratives to poems, plays, musicals, films and advertisements. The resulting tales paint the tales from myriad perspectives, using the broad palette of human creativity. This study examines folktale revisions from many angles, drawing on examples primarily from revisions of Western European traditional tales, such as those of the Grimm Brothers and Charles Perrault. Also discussed are new folktales that combine traditional storylines with commentary on modern life. The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with.

The Publishers Weekly

Guide to storytelling with information on how to set up story hours, exhibits, activities, and suggested stories and poems.

Folktales Retold

CD-ROM contains: Link to dynamic database-driven Website.

The Cumulative Book Index

To mount a Poetry Break at your school, here's everything you need, including a collection of over 240 poems children love by such favorites as Jack Prelutsky, Eve Merriam, Arnold Lobel, Eloise Greenfield, and Shel Silverstein.

Caroline Feller Bauer's New Handbook for Storytellers

Provides information about how the ornitholestes, a small, quick, carnivore that lived in North America in the Jurassic period, may have looked and behaved.

Cullinan and Galda's Literature and the Child

Theme-related classic and contemporary fiction and nonfiction trade books leveled as easy, average, or challenging.

The Poetry Break

A collection of humorous poems about eccentric characters.

American Bookseller

An illustrated collection of poems about traveling and vacations, including "I'm Off to Treasure Island," "If You're Traveling in Transylvania," and "Are We Nearly There Yet?"

The Horn Book Guide to Children's and Young Adult Books

In this zany book there are over 60 verses and some of the weirdest characters you're ever likely to meet. There's the Jolly Giant, the Elibird, the Human Siren, Borer the Explorer, Nosey Porker, Mugsy O'Shea and many, many more

A Guide to Children's Poetry for Teachers and Librarians

A big book of Florian verse, now in paperback

Scholastic Literacy Place

Book Review Index provides quick access to reviews of books, periodicals, books on tape and electronic media representing a wide range of popular, academic and professional interests. Book Review Index is available in a three-issue subscription covering the current year or as an annual cumulation covering the past year.

American Book Publishing Record

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

Children's Literature Review

Surviving motherhood? It's all about having the right support network. Lawyer Cassie has a new baby, a husband who converses mainly through jokes, a best friend on the other side of the world, and a taskforce of Babycraft mums who make her feel she has about as much maternal aptitude as a jellyfish. Husband Jonathan dismisses Cassie's maternal anxieties, but is he really paying attention to his struggling wife? He's started sleep talking and it seems there's more on his mind than he's letting on. Then sexy, swaggering ex-boyfriend Malkie saunters into Cassie's life again. Unlike Jonathan, he 'gets' her. He'd like to get her into bed again, too... And on top of all her emotional turmoil, she also finds herself advising a funeral director on ghost protocol and becomes involved in an act of hotel spa fraud, never mind hiding cans of wasp spray all over the house to deal with the stalker who seems to be lurking everywhere she looks. Marriage and motherhood isn't the fairytale Cassie thought it would be. Will her strange new world fall apart around her or will tiny acts of love be enough to get her through? Funny, perceptive and real, *Tiny Acts of Love* portrays the rawness of motherhood, the flipside of love and the powerful lure of paths not taken. PRAISE FOR TINY ACTS OF LOVE 'A beautiful portrayal of the tribulations of becoming a new mum, it's a fantastic debut.' OK MAGAZINE 'Funny, poignant and honest, this is a cracker of a debut novel.' THE SUN 'With tear-provoking moments and chapters that will make you laugh out loud, this page-turner is impossible to put down.' CLOSER MAGAZINE (4 Stars) 'If you have ever been a new parent, every moment of this novel will resonate with you. If you have not, you are still in for a fantastic and invigorating peek into one fictional family's life ... Really cannot recommend this highly enough.' LIZLOVESBOOKS (Blog)

There's an Awful Lot of Weirdos in Our Neighborhood

When they first arrived, they came quietly and stealthily as if they tip-toed into the world when we were all looking the other way. Ade loves living at the top of a tower block. From his window, he feels like he can see the whole world stretching out beneath him. His mum doesn't really like looking outside but it's going outside that she hates. She's happier sleeping all day inside their tower, where it's safe. But one day, other tower blocks on the estate start falling down around them and strange, menacing plants begin to appear. Now their tower isn't safe anymore. Ade and his mum are trapped and there's no way out . . .

The Junior Bookshelf

Since 2013, She Grrrowls has been bringing live shows of talented women in comedy, music, poetry (and everything in between) to stages across London. In this anthology, Carmina Masoliver -founder, poet and feminist - has selected and commissioned new work from ten poets who have featured at the event over the years. Featuring: Bridget Minamore, Joelle Taylor, Sabrina Mahfouz, Selina Nwulu, Rachel Long, Natalie Cooper, Aisling Fahey, Sophie Fenella, Jasmine Cooray, Esther Poyer, Belinda Zhawi and Rowena Knight.

Cumulated Index to the Books

Mother Truths is a beautiful, funny, and raw collection of poetry about early motherhood. The perfect gift for expectant mothers and new mums.

Children's Books in Print

A collection of children's most requested poems by a Kurt Maschler award-winner. When Colin McNaughton says he's talking big, he means BIG. Meet monsters, dinosaurs, giants and many other larger-than-life characters in this hugely enjoyable selection of funny verse and pictures. I'm Talking Big has been inspired by the many children's events that Colin has attended, and is made up of the poems his young audience ask to hear the most often. A humorous interview between Colin and a 'reader' at the end is also based on the most commonly asked questions he faces from his many fans. Daft and daring, this hilarious, madcap collection will delight all who read it.
