CLEOPATRA

SYMBOL AND A SECRET ANCIENT QUEEN OF EGYPT

ONCE REVERED LIKE ISIS REDUCED TO A TEMPTRESS

SANDS OF TIME HAVE ENTOMBED ALL SHE WAS IS ASSUMED

DOMINION IN HER VEINS

DEFINED BY HER LOVERS NOT SUCCESS AND POWER

IN HIS STORY

IN THE POLITICS OF ROME

MOTHER AND WARRIOR

SNARING MEN WITH HER EYES

A WISE AND KNOWING SAGE

THE STRENGTH TO HOLD HER REIGN

TELL ME HER STORY

A King's Story

Written in 1951, in his own hand, "A King's Story" is the tale of a man raised to be King who abandoned the throne for love. He recalls his strict upbringing, his education and training for public duty, his love for Wallis Simpson and the appalling dilemma that confronted him in the months leading up to his abdication.

Stories of the King

There once was a king who wouldn't sleep—not even a wink!—until he found the perfect prince for his lovely daughter. Princes came from all around. Not one of them was right. But there was someone else watching with an unexpectedly cunning plan up his not-so-royal sleeve...

The King Who Wouldn't Sleep

A furious homage to the homeless and a lyrical meditation on language and experience. You will be led to a place you haven't been, from where few stories come. You will be led by King, a dog (or is he?) to a wasteland beside the motorway called Saint Valery.

King

Every marriage has two hearts, one light and one dark, and Lisey Landon must confront both. King's most personal and powerful book to date is about the wellsprings of creativity, the temptations of madness, and the secret language of love.

Lisey's Story

Excerpt from *Stories of the King* For more than a thousand years the tales and romances which cluster round the name of King Arthur have been told and retold to successive generations of delighted hearers and readers. Each teller has related his story in his own way, preserving the original thread of narrative unbroken, and borrowing more or less from his predecessors, but giving to the whole a color and setting adapted to the intelligence and tastes of his particular audience. Thus the Welsh bards of the tenth century repeated certain of the romances in such manner as to appeal most strongly to the minds and feelings of their countrymen. The French poets of a later time put these romances into a different form and invented new ones for the amusement of the fashionable people of their day. A scholarly Englishman of the fifteenth century collected all the King Arthur legends he could find and rewrote them for the entertainment of the lords and ladies whom he knew. A poet laureate of the nineteenth century selected a few of the most pleasing romances and from them produced the *Idylls of the King* for the perpetual delight of minds mature and poetically inclined. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Stories of the King (Classic Reprint)

This book tells the story of the Duke of Windsor's early youth at Sandringham, his years at Naval School on the Isle of Wight, at Magdalen College, Oxford, in the army in World War I, and his tours of Canada, India, Australia, and New Zealand. After becoming king on the death of his father, he defied the wishes of Stanley Baldwin, the Prime Minister, when he insisted on marrying Wallis Simpson. The book features details of his abdication and his marriage.

A King's Story

In the third and final installment in the Sunlit Lands series, the magic of the Sunlit Lands has been reset, but that doesn't mean all is well. Unrest and discord are growing by the day, and Hanali is positioning himself as ruler of the Sunlit Lands. But, in order for Hanali to seize control, there must be a sacrifice, one that very few are willing to make. Jason, Shula, Bailey, and others must work together to save the lives of those Hanali would sacrifice for his own gain.

The Story King

The Story of King Alfred by Walter Besant. This book is a reproduction of the original book published in 1901 and may have some imperfections such as marks or hand-written notes.

The Story of King Alfred

A level 2 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Written for Learners of English by Peter Dainty. All he wanted to do was to marry the woman he loved. But his country said 'No!' He was Edward VIII, King of Great Britain, King of India, King of Australia, and King of thirty-nine other countries. And he loved the wrong woman. She was beautiful and she loved him - but she was already married to another man. It was a love story that shook the world. The King had to choose: to be King, or to have love . . . and leave his country, never to return.

A King's Story

A biography of the bestselling author Stephen King which details King's early days as a fledgling writer to the present.

The Love of a King - With Audio Level 2 Oxford Bookworms Library

Originally published in 1904, *The Brown Fairy Book* is a vibrant collection of classic stories that have been shared among various cultures, scholars and critics. This is one installment of Andrew Lang's popular children's series. *The Brown Fairy Book* brings the nuance and history of the Americas, Australia and Asia into one compelling collection. With more than 30 stories to choose from, Andrew Lang delivers a captivating fairy tale catalog. This edition includes "How Geirald the Coward was Punished," "The Husband of the Rat's Daughter," "Story of the King who would be Stronger than Fate" and "The Knights of the Fish." This book is a worthy addition to Lang's previous entries: *The Crimson Fairy Book* (1903), *The Violet Fairy Book* (1901), *The Grey Fairy Book* (1900) and *The Pink Fairy Book* (1897). Andrew Lang delivers another impressive assortment of classic children's tales. *The Brown Fairy Book* is an eye-opening account of lesser-known fables that are both rare and impactful. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Brown Fairy Book* is both modern and readable.

The Stephen King Story

Join newlyweds King Lee and King Bertie on their journey into the noisy jungle. The kings are greeted by wild animal families, but the royal travelers suspect that something more significant awaits them in the trees. King & King soon discover that there's no adventure more wonderful than starting a family of their own. Jubilant sequel to Lambda Literary Award nominee *KING & KING*. Subtle clues on each page lead readers to a surprise ending. In a starred review, Kirkus called *KING & KING* "A joyful celebration that . . . firmly challenges the assumptions established and perpetuated by the entire canon of children's picture books." An adoption story for everyone.

The Brown Fairy Book

Inventively retold and vividly illustrated, these stories describe the perilous and thrilling adventures of King Arthur and his knights in that glorious age of chivalry and honor. 41 illustrations.

King and King and Family

It's the Second World War and, with London becoming an increasingly dangerous place to live, the Lockwood children are whisked away to Heron Hall, to stay with their Uncle Peregrine in the countryside. But when they discover two strange boys hiding in a nearby derelict castle, the past and present collide.

The Story of King Arthur and His Knights

Gunn sets out his aim in this book to foster a fresh understanding of the narrative about David in 2 Samuel and 1 Kings, commonly known as the 'Succession Narrative,' by arguing for its fuller appreciation of its nature as a story. Gunn reviews the different hypotheses on the genre of the so-called Court History/Succession Narrative and concludes that the purpose of this story is to entertain. The work is to be considered primarily artistic and literary, and the rhetorical devices in the story are reliant on traditional motifs and devices.

The Children of the King

A never-before published tale by the author of the best-selling *Hittite Warrior*, carries the reader back to Ancient Egypt and biblical Jerusalem. It is 701 B.C-rule of the Kushite dynasty in ancient Egypt. Young Prince Taharka, a very minor royal son, succeeds unexpectedly to the throne of Kush and Egypt-a divine rulership. It's not long, however, before a treacherous plot pushes him into sudden exile and into the hands of Amos, an emissary of King Hezekiah seeking help against the Assyrians. Posing as a medical assistant, Taharka journeys with Amos to Judea where he encounters two kings in conflict. His true identity suddenly uncovered, he must choose with whom he will fight-the mighty Assyrian, Sennacherib, promising alliance or Hezekiah, the Jew who trusts in Yahweh. A novel inspired by research on the historical King Taharka and his period.

The Story of a King

A paraplegic describes his accident, his road through therapy, his struggle to accept his limitations, and his 5600mile trip from Alaska to Washington, D.C.

The Story of King Arthur and His Knights

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Story of King David

Among the greatest storytellers of the world, the ancient Celts told tales that, after more than a thousand years, still bristle with life and excitement. Noted Irish folklorist Padraic Colum (1881–1972) preserved many of Ireland's ancient traditions in collections featuring enchanting tales of old. This handsomely illustrated volume includes fifteen of these beguiling stories, including bold exploits at the Court of King Arthur. Filled with youthful heroes, lovely maidens, and menacing sorcerers and giants, the handsomely illustrated stories will enchant today's audiences as much as they enthralled listeners centuries ago.

God King

How did the most wanted man in the country outwit the greatest manhunt in British history?

The Mike King Story

Retells the story of King Arthur, from Merlin's first vision of the new king, through the founding of the Round Table, to the great quest for the Holy Grail.

Stories of the King

King Arthur and his court come to life in this four volume omnibus of Howard Pyles 'Legends and Stories of King Arthur.' Included herein are 'The Story of King Arthur and His Knights,' 'The Story of the Champions of the Round Table,' 'The Story of Sir Launcelot and His Companions,' and 'The Story of the Grail and the Passing of Arthur.' Hours upon hours of enchanted adventures for the whole family.

The Story of King Arthur and Other Celtic Heroes

Once upon a time, three kings came out of a distant land and followed a star to a little-known town across the desert. They brought with them gold, frankincense and myrrh and presents for a newborn child. But there was another king who set out on the long and difficult journey - the fourth king. Unlike the others he arrived too late and empty-handed... This heartwarming fable will remind readers of the true meaning of Christmas.

The Story of King Wonder Wolf

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

The Story of King Robert the Bruce ... With Sixteen Illustrations by M. Meredith Williams

One morning, Turtle wakes up wearing a crown. Hooray, he thinks, I am the king! But his friends just laugh at him.

To Catch A King: Charles II's Great Escape

New archaeological discovery and textual analysis of original sources leads the two authors to disinter the true King Arthur. The dates of the two known historical events in his life are established in the Dark Ages rather than the Middle Ages. A picture of Britain in the late 5th century emerges as a land reverted to tribal strife after Roman evacuation, beset by foreign invasions from the Picts, Irish and Anglo-Saxons. Wales, and to have led a nationalist Christian pact of British tribes against the pagan invaders. Arthur is revealed to be merely a title, and climatically his true name is revealed - Owen Ddantgwyn - together with his burial place, a mound called The Berth, north-west of Shrewsbury.

The Story of King Arthur

"Written like a bedtime story and illustrated with gentle humour, this book leads the reader to discover what 'family' really means without mystifying the fact of adoption. More, it reaffirms the right of every child to be loved and to have a home."--Page 4 of cover

Legends and Stories of King Arthur

The Fourth King

Old King Karnak is worried. He hasn't long to live, and there is no heir to the throne. So he holds a rather unusual competition to find one. Knights and nobles flock to the palace and the King gives each of them a tiny seed to grow. Jack the farmer's son is given a seed too, so he plants it, waters it and waits for it to sprout... Praise for Nail Soup "Space should still be found for this beautifully retold folk tale. Paul Hess's illustrations make ordinary household objects seem magically unreal all at the same time." - Carousel

Stories of the King (1910)

A lighthearted story about the consequences of rash decisions and the importance of problem solving, responsibility, and acceptance for kids ages 4-8. Told in rhyming couplets, The Barefoot King recounts the story of a young king named Creet who rules a land where people walk around with bare feet. Easily distracted, one day King Creet stubs his toe on a rock and is shocked by the pain. Never wanting to experience that discomfort again, the king decides to cover his whole kingdom in leather, with unfortunate consequences. This short and playful story helps parents discuss concepts of acceptance, awareness, and responsibility with kids. Seeing the consequences of King Creet's decision, kids will learn to navigate challenges in their own lives and the opportunities for growth that obstacles provide. A short "reader's guide" accompanies the story, aiding parents and teachers in discussions of how to handle life's bumps with conscious breaths and mindful steps.

I Am the King

The Treasure Land by W.H. Sagr The Treasure Land: A Story of a King follows the adventures of Hassan as he battles dragons, dwarves, and sorceresses to reach the Land of Treasure and bring riches and glory back to his village. Nurtured by his grandfather, Hassan hones his skills and builds his character to help him along his way.

Once There Was a King

There once was a very hungry king who needed a cook like anything. But cook after cook just isn't good enough. Can the shuffling, shaking Wobbly Bob possibly get the job? This paperback and CD edition features a fun reading of the story by Alexander Armstrong.
