The Princess and the Pirate King

Princess Podkin wishes for some excitement in her life, but when she lets in the brazen Pirate-King, who locks her parents in the dungeon and begins destroying the palace, Podkin is no longer bored.

THE PIRATE KING AND THE PRINCESS WITH THE DRAGON CREST

Seeking freedom, Princess Caitlin disguises herself as a man and sets out on a journey at sea. She is thrown into the ocean in a storm and mesmerized by a fierce, beautiful man who rescues her. It turns out he is none other than the notorious pirate king himself...

The Princess and the Pirate

Princess Stella of the kingdom of Parthenie has lived her entire life being oppressed by her mother, the Queen. One day, Stella is told that she is to be married to the King of Dorothea, an evil, vile ruler who is over seventy years old! Full of dread towards the marriage, on her way to their country she is unexpectedly kidnapped by a handsome pirate...

Daughter of the Pirate King

A page-turning, seafaring adventure from YA fantasy sensation Tricia Levenseller - the first book in the Daughter of the Pirate King duology 'Kidnapped my interest from the first chapter and never let it go' Anna Banks, author of Of Triton Seventeen-year-old Alosa, daughter of the feared Pirate King, is on a mission. She must retrieve an ancient hidden map, the key to a legendary treasure trove. The catch? Alosa needs to conceal her considerable combat skills and allow herself to be captured by her enemies, giving her the perfect opportunity to search their ship. More than a match for the ruthless pirate crew, Alosa has only one thing standing between her and the map: her captor, the unexpectedly clever and unfairly attractive first mate, Riden. But luckily, she has a few tricks up her sleeve - and no lone pirate can stop the Daughter of the Pirate King.

The Deathless Pirate King

Princess Haree of Ruby Island has been kidnapped by an evil pirate named Razor Toe, and it's up to Al and Owen to rescue her. But there's a lot more to Razor Toe than meets the eye... Can the boys survive a battle with a deathless pirate king? Just try to resist the action-packed Dragon Blood Pirates series - and the lure of adventure and mystery on the high seas.

Princess of Death

Never trust a pirate. The plague struck without warning. Now, to save her people, Cali must cross the mysterious, impenetrable boundary to reach a treacherous land of magic and find the cure. When she arrives, she not only discovers that she looks eerily similar to its princess, but that war is brewing on the horizon. The pirate king has come to call in a debt, and the price he demands is an alliance between his son and the princess Soraya. Soraya refuses to give in to the pirate's whims and demands Cali meet him in her place. Cali doesn't have time to court anyone, especially not a pirate--no matter how beautiful or brooding he is--but she accepts in order to ensure her stay at the palace long enough to

save her dying people. But when she is captured, her only hope to find a cure may rest in the hands of the pirate she scorned. If only she could trust him. Prepare to abandon the world you know for one where moonlight uncovers magic and buccaneer greed steals more than just the sea. Scroll up and one-click this enchanting new fantasy from USA Today bestselling author Cortney Pearson today!

Princess Wilma and the Pirate King

In far-away places of time and space, a young princess, of a land that maybe was or wasn't, is called on to save her friends and her mothers' throne. Ten year old Wilma, heir to the thrones of both powerful Northumberland and small Tuscana, splits her time between the two, spending winters with her father and summers with her mother. Shortly after her return to Tuscana, treachery makes her a captive in the hands of the Pirate King, who is intent on destroying Tuscana with the aid of supernatural allies. Wilma, along with her friends Duncan and Chrissa, must find a way to get back home and foil the Pirate King's bloodthirsty plans.

The Princess and the Pirate

Come away to Wildflower Kingdom, a faraway land with princesses, unicorns, friendly foxes, and more! Join eight-year-old Princess Olivia and six-year-old Princess Juniper, sisters who get into fun fantasy adventures and learn lots of important lessons. Queen Jennifer's brother, Pirate Pete, is an expert treasure hunter. When he pays a visit to Wildflower Kingdom, the princesses get nervous. Pirates are mean, aren't they? They steal things, don't they? As Pirate Pete helps Queen Jennifer follow a mysterious treasure map, the princesses learn that you can't believe everything you hear. Find out what happens in this fantasy princess story for kids ages 6-9! The Fairy Tale Chapter Book Series for Kids is a set of illustrated fantasy adventure books that can be read in any order. Recommended for: first, second, and third grade Recommended reading levels: Chapter books Recommended age: 6, 7, 8, and 9 years old

Pirate Princess

As the daughter of the Pirate King, Tilia Swanson has an unusual upbringing learning skills that aren't often available for women. As the heir apparent for the Kingdom of Crilan, her skills set her apart as she is trained by the best in the land and taught to harness her magic. However, piracy is in her blood, and draws danger to Tilia in the way that treasure draws pirates. Some treasures are more valuable than others. Will this lesson be learned in time or will the betrayal of those around her be her undoing?

You Can't Scare a Princess!

When a crew of scurvy pirates take King Cupcake captive, there's only one person who can save the day: Princess Spaghetti! Captain Waffle may be the meanest pirate in the world, but he's no match for this feisty princess. A swashbuckling picture book written by Gillian Rogerson and illustrated by award-winning Sarah McIntyre.

The Pirate King's Thief

Loosely inspired by The Princess Bride, this romantasy will delight readers who love the whimsy of Holly Black, the worlds of Sarah J. Maas, and the fun of Pirates of the Caribbean. A lady thief. A Fae pirate turned bard. A dragon's hoard of secrets. Lina spends her days as the perfect noble lady and her nights robbing the type of men her father demands she wed. She wants gold to bribe her way onto a ship and flee her gilded cage. Zavi is cursed. To regain his wiped memories, the Fae pirate must sneak into a nobleman's ship and find a magic object. If he fails, he will never know what happened to his brother. Lina and Zavi could attempt the heist to cure him and free her only if he can convince her he isn't the villain in this story. But neither of them know the secret that will turn everything upside down... If you love adorable dragons, banter, found family, a cozy vibe but with higher stakes, secrets, a dash of spice, tension, and tattooed males with pointy ears, this fantasy romance standalone is perfect for you. ***This novel is upper YA/NA and contains mature situations. ***The story takes place in the same world as The Fae King's Assassin, The Unseelie King's Rebel, and Bound by Dragons. You may begin with this book. "What a fantastic story! A fiery thief, a handsome fae bard, and a group of fierce best friends you can't help but root for. The twists and angst punched me in the heart in the best kind of way, and the romance had the perfect balance of spice, sweetness, and swoon. I heartily recommend!" Tessonja Odette, author of the bestselling Entangled with Fae series

Princeless

Adrienne has been on the run and working to save her sisters, but when she finds another princess locked away in a tower, she decides to spring her! But Raven Xingtao, the daughter of the Pirate King, is more of a handful than Adrienne could have ever expected. Before she knows it, Adrienne is off on a whirlwind adventure to complete Raven's quest for revenge! The complete collected edition of *Princeless: The Pirate Princess*!

Fate of Ruby and Throne

Georgette dreams of slitting her husband's lying throat and escaping Hallow manor. It's not out of the realm of possibility for the pirate captain, but killing the king won't be without consequence. By day, the king isn't a threat, and that's disconcerting for Georgette. Fighting to break free from his stronghold, she struggles to reconcile her growing attraction and utter disdain for him. Princess Mercy faces two battles. One is a battle of wills with her brother, the King of Adamas. The other is an internal battle with dueling realities. As she grieves for her friends, she pines for a life on the high seas, aboard *The Siren*. Mercy wants to be the princess her people deserve, but with the handsome Captain Elias Baine at her side, she's decidedly conflicted. The palace halls prove much more dangerous than a ship's deck for a pirate turned queen, and a princess turned pirate who brave the unknown in search of their destinies.

The Prince and the Pirate

Prologue The Captain of the guard, Corin, strode quickly across the marble floor, his armor chinked with each step he took and echoed throughout the room. His face that always seemed to be set in a determined look was now lined deeper in concentration. His steel gray eyes glared straight ahead as he drew closer and closer to the end of the room. There, stood a throne set in gold and precious jewels, and sitting upon that throne was the most dangerous and powerful man in the country, King Kadesh. Approaching the throne Captain Corin dropped down to one knee and bowed his head. Though older than the King, the royal made certain to crush any thoughts of superiority the Captain might have against him, by wearing lavish clothing, jewels, but most of all he always had a nonchalant expression on his face, no matter who it was that walked into his throne room, how rich they were or the title they bore, he treated them all the same. He treated them as slaves. King Kadesh waited until the Captain thought he could no longer keep his patience before finally speaking. "What do you want?" He asked, his tone almost sounding bored. Captain Corin gritted his teeth, "My Lord, the rumors were true. Pirates from the East are approaching our docks." The King interrupted him by sighing impatiently, "I know all this already, Captain. I also know that they plan on kidnapping my daughter for ransom. What I don't know is what your plan is to stop them." The Captain's face flushed with anger, "My men and I will station ourselves inside the Princess' chambers and wait for the pirates." "And you will fight to the death is that it?" King Kadesh asked. The Captain nodded his head. The King stood up from his throne. "Tell me, do you think many of your men will die?" The Captain was taken aback by this question. It was unusual for the King to be concerned about the loss of other lives. "Yes many will die, but I assure you, my Lord, that my men are prepared to die for the safety of the princess." "I know that!" The King yelled, sounding offended. "Every soldier signs their lives over to me when they join the army, but it costs money to replace dead soldiers. Money that I do not want to pay." Corin dropped his head down, no longer able to hide his anger. Each and every man he was in charge of were important to him, and to hear the King speak of their value in only money was unbearable. "What then, do you want me to do, my Lord?" When the King didn't answer, Captain Corin raised his head to look at him and was shocked to see that the King had a puzzled expression on his face. At that moment there was a loud crash, as if someone had dropped glass dishes on the floor. Both the King and the Captain turned in the direction of the sound. Standing in a pile of broken glass, was a servant girl, she was desperately scooping up the broken pieces as if perhaps she could hide the mess now, but the look of terror in the girl's eyes caused the Captain's heart to stop. Already two guards were making their way towards the girl to take her away and no doubt punish her. The Captain looked away, but the King once again surprised him. "Hold!" He ordered. The guards instantly stopped advancing towards the girl. The King stepped down from his throne and walked over to stand in front of the girl. The Captain watched the King's eyes study over the child, slowly a gleam of inspiration filled those cold eyes. "Captain," The King began, never taking his eyes off the girl. "Does this girl look to be around the same age as my daughter?" The Captain felt his throat tighten, for he was no fool, he knew what his answer could mean for this innocent child. "I'll take that as a yes." The King said, grinning wickedly. "Perhaps the pirates will think the same thing." ***** In the dead of night, shadows crept along the castle wall, slithering up the wall silently and up towards the window of th

Daughter of the Pirate King

A 17-year-old pirate captain INTENTIONALLY allows herself to get captured by enemy pirates in this thrilling YA adventure from debut author Tricia Levenseller.

The Princess and the Pirate

Princess Primrose is a dutiful daughter, but ... there is more to this princess than meets the eye. Introducing a fiesty crime-fighter and her trusty steed, Jim.

The Pirate Princess

Set sail with Julie, daughter of the mysterious Pirate King, as she journeys across oceans to reconnect with her father and become the best pirate that has ever existed! Between battles on galleons, ancient curses, and doomed lands, Julie's path will lead her to uncovering mysteries of her displaced family, and her own place in the world. Julie has two goals in life: to make things explode and to become the best pirate who has ever existed! She joins the crew of the Golden Dolphin to find her father, The Pirate

King, but along the way, Julie's path will lead her to uncover mysteries of her displaced family, and her place in the world as the Pirate Princess.

To Capture the Wind

In a risky plan to free her kidnapped lover, Oonagh cleverly solves the evil pirate king's riddles, unites the princess Ethne with her lover, and invents sails.

Daughter of the Siren Queen

The capable, confident, and occasionally ruthless heroine of Daughter of the Pirate King is back in this action-packed sequel that promises rousing high seas adventures and the perfect dash of magic. Alosa's mission is finally complete. Not only has she recovered all three pieces of the map to a legendary hidden treasure, but the pirates who originally took her captive are now prisoners on her ship. Still unfairly attractive and unexpectedly loyal, first mate Riden is a constant distraction, but now he's under her orders. And she takes great comfort in knowing that the villainous Vordan will soon be facing her father's justice. When Vordan exposes a secret her father has kept for years, Alosa and her crew find themselves in a deadly race with the feared Pirate King. Despite the danger, Alosa knows they will recover the treasure first . . . after all, she is the daughter of the Siren Queen. In Daughter of the Siren Queen, Tricia Levenseller brings together the perfect mix of thrilling action, tense battle scenes, and a heart-pounding romance.

The Pirate Princess and the Sirens' Song

The Pirate Princess and the Sirens' Song Lotty's story continues in the exciting sequel to the award-winning Pirate Princess and the Golden Locket. When a fierce storm pushes the pirate ship Annie's Revenge into the path of three mystical Sirens, Lotty must use all her courage and skill to overcome the challenges that lie ahead. Can she solve the riddle and discover what the Sirens most desire? Will she overcome her fears and rescue her shipmates from the Sirens' spell, or will they be stuck on the mystery island forever? Follow Lotty and her little dog, Mr Jacks, on another inspiring adventure in the Pirate Princess Series. A positive story full of action, discovery, and a shipload of pirates! * 2021 Book Excellence Award Winner * 2021 Finalist Readers Favorite Awards You can find out more about Lotty and her pirate friends in book one, The Pirate Princess and the Golden Locket.

The Princess and the Pirate's Daughter

A princess named Nikita, a cat that hates water, an extraordinary piglet, a surfing monkey, a pirate and his daughter. How these characters are brought together by a perilous circumstance makes up this wildly adventurous tale. There is a storm at sea. A pirate ship is wrecked. The pirate captain, his daughter, her horse, even her monkey in a crate, the crew and cargo are all washed overboard. All seems lost. Who can save them? The nearby villagers are unaware of their plight, who would save pirates anyway? But through the surf and spray comes a ray of hope! Princess Nikita to the rescue! Is it all too much even for a courageous princess? Back at Nikita's tower, Rose the piglet realizes SOMETHING IS HAPPENING! She devises a clever plan to alert the nearby village. The villagers are only too happy to help save the cargo and get it stowed away before the pirate captain is rescued. They even save some of the crew. Finally, Princess Nikita manages to bring everybody together for a circus ending. A great read aloud book for adventurous princesses.

The Pirate and the Princess Volume 1

Yuri, the pirate looks like Keira Knightly, but is really over 200 years old. She lived in the future and can't return there until she rights a terrible wrong, and thereby redeems herself and fulfills her destiny.

The Princess and the Stag

Even without wings, a true goddess will find a way to fly. Sentenced to death by the damning testimony of the only man she trusts, Velvet is rescued by Nora Hartington, bastard daughter of King George III, stunning socialite turned pirate queen. On the high seas Velvet, is stolen by the duke who betrayed her. He takes her aboard his own vessel in the throes of a black storm and claims that by proxy, and the king's decree, she is his alone.. Velvet is haunted by a magic she held, used, and now regrets with all her soul. A dark collection of precious stones hosting ancient powers which once transformed a frightened prince and princess of France into a snow-white owl and a golden stag. With the full force of

the British monarchy and Napoleon's army closing in, Velvet's haven is also her doom. In the lush bed of the captain's cabin, Henry attempts to hold Velvet to a vow she did not make. Tossed and battered by waves tall as mountains, locked in a passion neither can escape, they are victims to the gods of the deep. Shipwrecked and washed to the white shores of a storied pirate retreat, Ile Sainte-Marie, island of legend and birthplace of the magic which has shaped Velvet's life and threatens to steal everything she loves. Ghosts, enchantments, lost loves, and bloody sacrifice teach Velvet that time and reality are fragile, varied, sparkling dimensions just out sight, and the things that truly matter, always come with the steepest price.

The Princess & The Pirate

Phoenix Holloway knows she's in trouble when she wakes up on the Captain's Girl, a 40 foot ketch, with no land in sight. But her troubles are just beginning because the arrival of Andrew McMillan, a likely pirate if ever saw one, means big trouble. Mac will get her back to land but will she still be in one piece? Because the thing about pirates? You can lose your heart with just a kiss. - 48010 words.

Princeless

Bedelia and Adrienne have a new teammate in Raven, The Pirate Princess. She's tough, smart, fun-loving and she's on an epic quest for revenge. When her quest clashes with Adrienne's, sparks will fly and only one princess can come out on top

Emily Windsnap and the Pirate Prince

Feisty girls take to the helm of a pirate ship in this new Emily Windsnap adventure! Ordinary girl on land, magical mermaid in water... Bubbling with magic, fun, friendship and oceans of adventure. A must-read for girls aged 8+. When Emily Windsnap's boyfriend Aaron is captured by pirates there's only one option - join a rival pirate crew and persuade them to help rescue him. The Pirate Prince agrees, as long as Emily assists in finding the Trident's Treasure first. But as if boarding a pirate ship weren't dangerous enough, Emily soon discovers that pirates hate mermaids. If her true identity is revealed, her life - and Aaron's - will be at risk. How will Emily keep her secret when the only way to win the treasure is by turning into a mermaid?

Penelope the Pirate Princess

Veronica wants nothing more than to find her brother, who sailed away years ago. But when Veronica's ship is captured by pirates, she's determined to save her own skin, while keeping her magic and her gender a secret. Disguised as male, she finagles a spot as a cabin boy aboard the buccaneers' vessel--which is bound for Ravensbeck, a stronghold where the Pirate King holds sway. He may have the answers Veronica seeks--but getting those answers could cost her more than she's willing to pay. [Trigger warnings: violence, reference to a past abusive relationship, murder, threat of rape, forced tattoo, brief mention of childhood sexual abuse]

Captive of the Pirate King

The defiant, fierce heroine of Daughter of the Pirate King returns in this rip-roaring high-seas adventure 'This lady Jack Sparrow is back, and she's fiercer and wittier than ever!' Elly Blake, author of Frostblood Alosa's mission is finally complete. Not only has she recovered all three pieces of the map to a legendary hidden treasure, but the pirates who originally took her captive are now prisoners on her ship. First mate Riden, still unfairly attractive and unexpectedly loyal, is a constant distraction, but now he's under her orders. And she takes great comfort in knowing that the villainous Vordan will soon be facing her father's justice. When Vordan exposes a secret her father has kept for years, Alosa and her crew find themselves in a deadly race with the feared Pirate King. Despite the danger, Alosa knows they will recover the treasure first... After all, she is the daughter of the Siren Queen.

Daughter of the Siren Queen

"Genie Street is a magical place where anything can happen. When Daisy and Tom move to Genie Street, they find out that nobody who lives on the street is quite what they seem! Dr Singh looks like an ordinary old man, but he is really a pirate captain! What will happens when Daisy and Tom join him for an adventure? " -- Provided by publisher.

Dr Singh Pirate King

The Black Pirate has stolen Princess Lola's crown and all her jewels. Can Harry and his friends find them in time and return them to her?

The Princess and The Pirates

Ivy and Fletch have been best friends since babyhood. But when they get to kindergarten, they discover that the girls play with the girls, and the boys with the boys; suddenly Ivy and Fletch find themselves apart on the playground, on the Princess Team and the Pirate Team. It isn't until Fletch steps in to rescue Princess Ivy from pirate capture that they realize they miss playing together. Can they desegregate their playground? This lighthearted story of cooperation and open-mindedness will resonate with kids, parents, and teachers everywhere.

Pirates and Princesses

Will a virgin captive surrender to this pirate's sinful touch? Nathaniel Bainbridge is used to hiding, whether it's concealing his struggles with reading or his forbidden desire for men. Under the thumb of his controlling father, the governor of Primrose Isle, he's sailing to the fledgling colony, where he'll surrender to a respectable marriage for his family's financial gain. Then pirates strike and he's kidnapped for ransom by the Sea Hawk, a legendary villain of the New World. Bitter and jaded, Hawk harbors futile dreams of leaving the sea for a quiet life, but men like him don't deserve peace. He has a score to settle with Nathaniel's father—the very man whose treachery forced him into piracy—and he's sure Nathaniel is just as contemptible. Yet as days pass in close quarters, Nathaniel's feisty spirit and alluring innocence beguile and bewitch. Although Hawk knows he must keep his distance, the desire to teach Nathaniel the pleasure men can share grows uncontrollable. It's not as though Hawk would ever feel anything for him besides lust... Nathaniel realizes the fearsome Sea Hawk's reputation is largely invented, and he sees the lonely man beneath the myth, willingly surrendering to his captor body and soul. As a pirate's prisoner, he is finally free to be his true self. The crew has been promised the ransom Nathaniel will bring, yet as danger mounts and the time nears to give him up, Hawk's biggest battle could be with his own heart. This May-December gay romance from Keira Andrews features classic tropes including: a tough alpha pirate too afraid to love, a plucky virgin captive half his age, enemies to lovers, first-time sexual discovery, and of course a happy ending.

Kidnapped by the Pirate

After the death of his father and two sisters and the unlawful arrest of his mother, twelve year- old Peter Barons joins a band of orphans known as the Black Dragons, a young pirate crew who scavenges ships in their country of Kirkston. These so-called pirates use the stolen goods to help feed, clothe, and protect the innocent townsfolk against the king's harsh rule. In the Black Dragon tradition, Peter adopts the nickname Smith, and at age seventeen, Smith, an expert swordsman, becomes captain of the Black Dragons. He and his crew handily defeat their foes, but their greatest battle rests within the palace walls as the general, John Stevenson, threatens the livelihood of the country. Smith's crew concocts a bold plan to rid the country of the wicked Stevenson—a plan that involves the kidnapping of Princess Kathleen, the king's only daughter. Any mistakes could turn the entire country against the Black Dragons, whose only goal is to help the people of Kirkston survive. Battle-ready, the Black Dragons forge some unusual alliances in order to foil Stevenson, reclaim Kirkston, and save a crew member from the hangman's rope.

Pirate

"Julie Anne Long reinvents the historical romance for modern readers, delivering intense, passionate characters and high adventure. Her writing glows." —Amanda Quick *I Kissed an Earl* is another installment in rapidly rising star Julie Anne Long's sensual and emotionally charged Pennyroyal Green series, centered around the longstanding feud of the wealthy Eversea and Redmond families of Pennyroyal Green, Sussex. *I Kissed an Earl* absolutely brims with romance, adventure, and, of course, intense passion, as a beautiful, willful Regency lady searching for her lost brother stows away on a sailing ship—and ends up enchanting the vessel's highborn, hard-headed Captain.

I Kissed an Earl

Enemies or allies was the decision that King Richard had to make when he thought about his beloved country of Penarth and King Julien's country of Nantes. For years the two kings had tried to make peace, but only upon the birth of King Richard's granddaughter, Princess Annette Bethina, was there hope that an alliance could be formed between the two countries. A pledge of future marriage between King Julien's son Adrien Laurent and King Richard's granddaughter Annette Bethina would be the basis of the treaty between the two countries and a trip across the sea was planned so that one year old Annette could be approved of by the King and Queen of Nantes. Agreements were made and papers were signed before Prince Elliot and Princess Joanna took their baby back to the ship to sail back to Penarth. No one expected that the baby would never make it home, but end up in the custody of pirate Jon Luc Cavey, and so begins the life of Anna Beth, pirate princess.

Anna Beth

Collects seven legends and parables of Yiddish and Slavic folktale tradition created in the early nineteenth century by a Ukrainian Hasidic rabbi.

The Pirate Princess

In the first-ever Seven Seas history of the world's female buccaneers, *Pirate Women: The Princesses, Prostitutes, and Privateers Who Ruled the Seven Seas* tells the story of women, both real and legendary, who through the ages sailed alongside—and sometimes in command of—their male counterparts. These women came from all walks of life but had one thing in common: a desire for freedom. History has largely ignored these female swashbucklers, until now. Here are their stories, from ancient Norse princess Alfhild and warrior Rusla to Sayyida al-Hurra of the Barbary corsairs; from Grace O'Malley, who terrorized shipping operations around the British Isles during the reign of Queen Elizabeth I; to Cheng I Sao, who commanded a fleet of four hundred ships off China in the early nineteenth century. Author Laura Sook Duncombe also looks beyond the stories to the storytellers and mythmakers. What biases and agendas motivated them? What did they leave out? *Pirate Women* explores why and how these stories are told and passed down, and how history changes depending on who is recording it. It's the most comprehensive overview of women pirates in one volume and chock-full of swashbuckling adventures that pull these unique women from the shadows into the spotlight that they deserve.

Pirate Women

In a world of arrogant nobles and their punishing laws, Georgina will be hung if anyone discovers she is a spy. But when the wicked prince proposes marriage, Georgina must accept. Refusing would expose the secrets she has delivered to a hidden resistance and forfeit her life. With her wedding day looming ever closer, salvation comes from an unlikely source. Pirate Captain Cinder is a terror on the open sea, striking fear into hearts wherever she sails. Now she has a new target. The vulnerable Princess Georgina should be an easy mark in Cinder's kidnapping plot. However the legend of Captain Cinder is more intertwined with Georgina's own history than either of them expect. Treacherous storms. A mysterious pirate king. The prince's unrelenting pursuit. Georgina and Cinder can only escape by following the uncharted course of their hearts. Just as a future together is within their grasp, Cinder's past threatens to drag them both to the deep.

Uncharted

Ruzi helped Adahilara throw off its wicked King. Two years later the new King asks her to go abroad. The infamous "City of Pirates" may have struck at ships sailing around Adahilara. The pirates threaten efforts to extend trade east. She's to investigate the matter and return with a solution. Yet there's only so much one witch can learn by asking questions. Ruzi decides to pay a visit to the City of Pirates. She does find out more about the pirates, but she also discovers that the daughter of the Pirate King is dismissed by those around her. Is there more that Ruzi can do than just observe? Can she come up with a plot to stop the pirates?

Ruzi's Pirate Plot
