Best Short Stories

The Large Print Edition of "Best Short Stories Book One" by AZ Writers contains over 40 captivating stories written by 37 different authors possessing an outstanding range of talent. Unlike many other Short Story collections, in this book, the reader will experience the writing voice and style of many authors. Whereas in most other collections the reader is confronted with a dozen or more stories written by one author who writes stories with the same voice, the same style, and with the same plot, which after a story or two, becomes quite boring. Or, as in many other collections, the reader will find stories written 100 years ago by authors who are no longer with us. In "Best Short Stories Book One" by AZ Writers, the reader will find a contemporary multi-genre collection of stories by dozens of authors who are still, as of this writing, on the green side of the grass. AZ Writers "Best Short Stories Book One" includes memoir stories, historical fiction, creative non-fiction, and many other well-written pieces that will amuse, intrigue, and captivate the reader. A few of these stories may make you laugh, and a few may bring a tear to your eye. In this collection, you will find well-crafted stories with irony, sarcasm, adventure, mystery, crime, and a couple of stories with a bit of romance.

The Complete Short Stories

The Complete Short Stories of Roald Dahl in the first of two unsettling and sinister volumes. 'They are brutal, these stories, and yet you finish reading each one with a smile, or maybe even a hollow laugh, certainly a shiver of gratification, because the conclusion always seems so right' Charlie Higson, from his introduction. Roald Dahl is one of the most popular writers of the modern age, effortlessly writing for children and adults alike. In this, the first of two volumes chronologically collecting all his published adult short stories, we see how Dahl began by using his experiences in the war to write fiction but quickly turned to his powerful and dark imagination to pen some of the most unsettling and disquieting tales ever written. In 27 stories, written between 1944 and 1953, we encounter such classic tales as 'Man from the South', featuring a wager with appalling consequences; 'Lamb to the Slaughter', in which a wife murders her husband yet has a novel idea for throwing the police off the scent; and in 'The Sound Machine', the horrific truth about plants is revealed. Enter the sinister, twisted world of Roald Dahl: whether you're young or old, you'll never want to leave. 'Roald Dahl is one of the few writers I know whose work can accurately be described as addictive' Irish Times 'The great magician' Spectator Look out for Volume Two, introduced by Anthony Horowitz Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more

classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

The Penguin Book of Modern British Short Stories

This anthology is in many ways a 'best of the best', containing gems from thirty-four of Britain's outstanding contemporary writers. It is a book to dip into, to read from cover to cover, to lend to friends and read again. It includes stories of love and crime, stories touched with comedy and the supernatural, stories set in London, Los Angeles, Bucharest and Tokyo. Above all, as you will discover, it satisfies Samuel Butler's anarchic pleasure principle: 'I should like to like Schumann's music better than I do; I daresay I could make myself like it better if I tried; but I do not like having to try to make myself like things; I like things that make me like them at once and no trying at all ...'

ILLBORN

Long ago, The Lord Aiduel emerged from the deserts of the Holy Land, possessed with divine powers. He used these to forcibly unify the peoples of Angall, before His ascension to heaven.

The Collected Short Stories of Roald Dahl

(Book Jacket Status: Jacketed) The only hardcover edition of Roald Dahl's stories for adults, the "Collected Stories" amply showcases his singular gifts as a fabulist and a born storyteller. Later known for his immortal children's books, including "Charlie and the Chocolate Factory, James and the Giant Peach, "and "The BFG, "Dahl""also had a genius for adult short fiction, which he wrote throughout his life. Whether fictionalizing his dramatic exploits as a Royal Air Force pilot during World War II or concocting the ingeniously plotted fables that were dramatized on television as "Tales of the Unexpected," Dahl was brilliant at provoking in his readers the overwhelming desire to know what happens next--and at satisfying that desire in ways that feel both surprising and inevitable. Filled with devilish plot twists, his tales display a tantalizing blend of macabre humor and the absurdly grotesque. From "The Landlady," about an unusual boardinghouse that features a small but very permanent clientele, to "Pig," a brutally funny look at vegetarianism, to "Man from the South," in which a fanatical gambler does his betting with hammer, nails, and a butcher's knife, Dahl's creations amuse and shock us in equal measure, gleefully reminding us of what might lurk beneath the surface of the ordinary.

Claiming One

"You run or you fight. Pick either one, but do something." The distinct characters in Claiming One are both incredibly loving and tragically flawed: far from finding what they seek, and an even longer way from peace. Often, we arrive to their story on the heels of a major change, whether actual or symbolic, and each story offers a glimpse into the characters' moment of choice. We witness perilous options, discoveries and decisions, all while considering the flawless humanity presented to us. This powerful collection brings together 17 short stories linked together by flight or denial. Author E.J. Runyon masterfully intertwines a lop-sided trail of hope, found in the hearts of the characters, to thread these tales together. ----- "Runyon tells her stories with an unashamed truthfulness--what seems to be almost an unaware truthfulness. The work is edgy, but never for the sake of edginess. At the same time there exists a compelling emotional accessibility. If you are willing to risk reading, this will challenge you, capture your attention, and dare you to continue till the very last." -Catherine Ryan Hyde, acclaimed author of Pay It Forward, Jumpstart the World, and 16 other novels.

Russian Short Stories from Pushkin to Bulgakov

From the reign of the Tsars in the early 19th century to the collapse of the Soviet Union and beyond, the short story has long occupied a central place in Russian culture. Included are pieces from many of the acknowledged masters of Russian literature - including Pushkin, Turgenev, Dostoyevsky, Tolstoy, and Solzhenitsyn - alongside tales by long-suppressed figures such as the subversive Kryzhanowsky and the surrealist Shalamov. Whether written in reaction to the cruelty of the bourgeoisie, the bureaucracy

of communism or the torture of the prison camps, they offer a wonderfully wide-ranging and exciting representation of one of the most vital and enduring forms of Russian literature.

Jesus' Son

Eleven stories narrated by a young recovering alcoholic, whose dependency has led him to crime, cruelty, and loss in the Midwest, depict the disparity of emotions that constitute the American experience.

The Collected Short Stories

The Collected Short Stories brings together three of Jeffrey Archer's classic collections of short stories: *A Quiver Full of Arrows*, *A Twist in the Tale* and *Twelve Red Herrings*. Every reader will have their own favourites: the choices run from an imprisoned man who is certain that his supposed murder victim is very much alive, to a female driver pursued relentlessly by a menacing figure in another vehicle. An offhand remark is taken seriously by a Chinese sculptor in one tale, while a British diplomat unexpectedly becomes the owner of a priceless work of art in another . . . And over three of the stories, discover a hauntingly written, atmospheric account of two undergraduates at Oxford in the thirties: a tale of bitter rivalry that ends in a memorable love story. These stories are packed full of the master storyteller's unexpected twists, richly drawn characters and ingenious, witty denouements – some will make you laugh, others will bring you to tears. And, as always, every one of them will keep you spellbound.

A Love So True

London – 1940 As German bombs rain down upon the city of London, Emma Bradley hastily packs a suitcase, cradles her newborn son in her arms, and boards a train with two evacuee children she's agreed to chaperone in exchange for a job in the south of England. Although she's only one of thousands leaving the city, Emma is fleeing more than the horrors of war. Her greatest fear is that the father of her child will track her down and exact revenge for what she's stolen from him. World renowned Dutch concert pianist Andrej Van der Hoosen is a man who cherishes his privacy above all else. His wealth and privilege have afforded him the luxury of avoiding being around children because of a painful loss from his own past. So, when he meets the woman and children he'll reside with for the duration of the war, he's instantly on guard. The children are boisterous and full of life, the cottage they're assigned to live in is small, and he finds himself intrigued by the secret Emma is so clearly trying to hide. Despite their reluctance to trust each other, Emma and Andrej soon find themselves drawn together in a world torn apart by war.

One X

The last 50 years have proved a particularly lively period in the history of the short story form. This new collection gives a full picture of the richness and diversity of this most American of genres from its very beginnings to the present day. The collection offers a freshly stimulating combination of old favourites such as Mark Twain's 'Jim Smiley's Jumping Frog' and Edgar Allan Poe's 'The Tell-Tale Heart', unfamiliar works by well-known authors, such as Ernest Hemingway's 'Out of Season', Stephen Crane's 'An Episode of War' and F. Scott Fitzgerald's 'The Lost Decade', and some remarkable stories by wonderful but less well known writers such as Mary Wilkins Freeman and Charles W. Chestnutt who deserve a wider audience. It's a compact book but it covers a lot of ground. There are 31 stories, covering 199 years (that is, the first story was published in 1807; the last is from 2006). The final three authors are Lorrie Moore, Jhumpa Lahiri and Lydia Davis. Table of contents Washington Irving - The Little Man in

'The stories here will provoke, delight and impress. Joost Zwagerman's selection forms a fascinating guidebook to a landscape you'll surely want to wander in again.' Clare Lowden, TLS 'There is a lot of northern European melancholy in the collection, though often tinged with wry humour...an excellent book' Jonathan Gibbs, Minor Literatures 'We were kids - but good kids. If I may say so myself. We're much smarter now, so smart it's pathetic. Except for Bavink, who went crazy' A husband forms gruesome plans for his new fridge; a government employee has a haunting experience on his commute home; prisoners serve as entertainment for wealthy party guests; an army officer suffers a monstrous tropical illness. These short stories contain some of the most groundbreaking and innovative writing in Dutch literature from 1915 to the present day, with most pieces appearing here in English for the

first time. Blending unforgettable snapshots of the realities of everyday life with surrealism, fantasy and subversion, this collection shows Dutch writing to be an integral part of world literary history. Joost Zwagerman (1963-2015) was a novelist, poet, essayist and editor of several anthologies. He started his career as a writer with bestselling novels, describing the atmosphere of the 1980s and 1990s, such as *Gimmick!* (1988) and *False Light* (1991). In later years, he concentrated on writing essays - notably on pop culture and visual arts - and poetry. Suicide was the theme of the novel *Six Stars* (2002). He took his own life just after having published a new collection of essays on art, *The Museum of Light*.

Shorts Volume One

A spectacular treasury of the best British short stories published in the last twenty years We are living in a particularly rich period for British short stories. Despite the relative lack of places in which they can be published, the challenge the medium represents has attracted a host of remarkable, subversive, entertaining and innovative writers. Philip Hensher, following the success of his definitive *Penguin Book of British Short Stories*, has scoured a vast trove of material and chosen thirty great stories for this new volume of works written between 1997 and the present day.

The Penguin Book of the Contemporary British Short Story

Angus Wilson's first volume of short stories, *The Wrong Set* was first published in 1949 to immense critical acclaim. The collection is a brilliantly funny exposure of the protective devices with which people seek to mask deep-laid egotism. There is the wallowing in self-adulation on the part of the 'crazy Cockshott family', as they delight to dub themselves. There is the search for really nice standards on the part of Vi, singer at the 'Passion Fruit' nightclub - as hopelessly bemused a spirit as ever lived in sin at Earl's Court and attempted to lecture a young Communist nephew with untidy hair and spectacles. There is the humbug of the bullying new curator at the provincial Art Gallery. And the staff dance at the South Kensington hotel, where lives the lady who spends her life trying to achieve 'a Knightsbridge appearance on a Kensington purse', and where, as the evening progresses and the drinks begin to tell, the lady-like façades and gentlemanly courtesy of the clientele crack up with a vengeance.

The Wrong Set and Other Stories

TELEGRAPH, INDEPENDENT, FINANCIAL TIMES AND OBSERVER BOOKS OF THE YEAR 2015 Hilarious, exuberant, subtle, tender, brutal, spectacular, and above all unexpected: these two extraordinary volumes contain the limitless possibilities of the British short story. This is the first anthology capacious enough to celebrate the full diversity and energy of its writers, subjects and tones. The most famous authors are here, and many others, including some magnificent stories never republished since their first appearance in magazines and periodicals. The *Penguin Book of the British Short Story* has a permanent authority, and will be reached for year in and year out. This volume takes the story from

the 1920s to the present day. Edited and with an introduction by Philip Hensher, the award-winning novelist, critic and journalist.

The Penguin Book of the British Short Story: 2

Bringing together six short stories – two of which are previously unpublished – *One Last Dram Before Midnight* is the perfect Christmas gift for fans of Denzil Meyrick. These tales take us from Jim Daley's early days pounding the beat in Glasgow as a young constable to a light-hearted whisky smuggling romp involving Hamish and some ghostly pipers. Includes four previously eBook exclusive stories: 'Single End', 'Two One Three', 'Dalintober Moon' and 'Empty Nets and Promises'.

One Last Dram Before Midnight

In Our Time is the title of Ernest Hemingway's first collection of short stories, published in 1925 by Boni & Liveright, New York, and of a collection of vignettes published in 1924 in France titled *In our time*. Its title is derived from the English Book of Common Prayer, "Give peace in our time, O Lord". The stories's themes – of alienation, loss, grief, separation – continue the work Hemingway began with the vignettes, which include descriptions of acts of war, bullfighting and current events. The collection is known for its spare language and oblique depiction of emotion, through a style known as Hemingway's "theory of omission" (iceberg theory). According to his biographer Michael Reynolds, among Hemingway's canon, "none is more confusing ... for its several parts – biographical, literary, editorial, and bibliographical – contain so many contradictions that any analysis will be flawed."

The perfect place to fall in love this summer... Willow McKay needs a fresh start. Her recent break-up may not have left her heartbroken, but it's certainly wounded her pride. His passion for restoring the village to its former glory is contagious and soon they are working together, forming a secret society to bring happiness back to Happiness. And as sparks fly between them Willow can feel herself falling. But Andrew is holding something back. Will they succeed in transforming the old village to its original beauty before it's too late? With an introduction by John Banville. From his first published story in the Paris Review in 1968, James Salter's stories have been universally acclaimed. Including his two published collections, Dusk and Other Stories (1988) and Last Night (2005), and the previously uncollected 'Charisma', this volume contains over twenty short stories by one of the finest writers of our time. Concerning men and women in their most intimate moments, struggling with loss, desire, or the burden of memory, each indelible

narrative in the Collected Stories is marked by James Salter's great literary grace, his ability to show the subtleties of a character or situation with precision, and his equally assured ability to command reversals of fortune or shocking revelations. 'It's the short stories which make him one of the greatest writers of the last century and the present one' Financial Times 'Writing that is bowstring-taut and carries considerable punch' Sunday Times 'Salter's stories are masterpieces of poise and clarity, so much so that their dazzling surface stillness often blinds you to the surprisingly bold risks' Metro

Goodbye to Ribbons is a historical biography that follows the incredible story of a remarkable woman growing up in rural Britain in the 1950s. Rosie only wants one thing-her mother's love. But for reasons she is yet to discover, her popular, bolshy, and brash mother treats her no better than a servant. Like a cat toying with a shrew, she doesn't miss any opportunity to dig her claws in and ridicule her daughter, taking advantage of her willingness and desperation to please. When Rosie happens upon a situation that she wishes for all the world she could unsee, her mother is left with no choice but to coax her deeper into the secret and more unsavoury parts of her life. And soon enough, Rosie becomes more than just her servant-she becomes her confidant, her accomplice, and her alibi. Having finally achieved what she always wanted, Rosie must decide if the price is worth paying as she finds herself teetering on the precipice of a moral conflict that threatens the very moral fabric of her family life. Then, upon reaching her lowest ebb, the confident and fast-living Teddy Miller sets his sights on young Rosie, and with the gift of the gab and his heart on his sleeve, Teddy always gets what he wants. And so, Rosie soon finds herself caught in an emotional, manipulative, and sometimes violent tug-of-war, in which it appears there can only ever be one loser. Based on an incredible true story, Rosie recounts her traumatic life in a unique way, unlike any voice you will have heard before, with truly inspirational positivity that can only reaffirm your confidence in the tenacity of the human spirit to conquer all that life dares to throw before us. (This literary fiction, historical biography contains several strong themes regarding the female protagonist's family life, including domestic abuse, domestic violence, and adultery.)
