The Clash

The Clash's sound, forged by class oppression, social apathy, and inner-city stagnation, transformed the group from London punks to stadium stars in a mere five years. The Clash survived the stereotypes of punk to become one of the world's most successful acts of the 1980s. That heady period is captured in Pennie Smith's raw photographs and the witty accompanying captions by members of the band. Smith's moody monochrome images showcase dynamic stage performances and include many pictures from the 1979 breakthrough American tour. Smith's camera also recorded the Clash's downtime offstage — their comic antics and reflective moments. This absorbing survey of a seminal group's heyday lets the reader revisit not only the Clash but one of modern music's golden eras in all its glory.

The Clash

A collection of black-and-white photographs accompanied by captions, depicting members of the British musical group called "The Clash."

The Clash

A collection of black-and-white photographs accompanied by captions, depicting members of the British musical group called "The Clash."

The Clash

"This is the first official book to be created by the band. With unprecedented access to the Clash archive, this landmark publication brings together previously unseen material -- including tour posters, artwork, and photos of the band at home, on stage, in the studio and on the road - with each member telling it like it was, in their own words"--Jacket.

A Riot of Our Own

'Hugely enjoyable ... Green's great achievement is to recapture exactly how those moments felt, but remain sufficiently detached about the whole thing to render the experience honestly' MOJO Johnny Green first met the Clash in 1977. A RIOT OF OUR OWN is his tale of three delirious years of rock 'n' roll madness as confidant and road manager of the Clash, from the early punk days to LONDON CALLING and touring America. Ray Lowry accompanied the band as official 'war artist' on the second American tour and designed the London Calling album cover. Together, in words and pictures, Green and Lowry give the definitive, inside story on one of the most magnificent rock 'n' roll bands ever.

Passion is a Fashion

Pat Gilbert's definitive biography of the Clash – universally acclaimed as a great book – has already sold over 20,000 copies in paperback. Now, for the 30th anniversary of the band's classic London Calling album, it is reissued with a stunning new cover. For the book Pat Gilbert – a former Mojo editor with the highest credentials – talked to everyone, in over 70 interviews with the key participants – roadies, producers, friends and fans - and above all the band members themselves, including Joe Strummer before his death, to be able to give the first real insight into what went on behind the scenes during the Clash's ten-year career. With the surge in interest generated by the Shea Stadium live CD and the official Clash book, Passion Is A Fashion will attract a new sale as the only truly indispensable Clash book.

Clash

For Lucy Larson and Jude Ryder, love might be the thing that just isn't enough. The only easy thing about Jude and Lucy's relationship is their love for one another. Everything else is hard. Especially when it comes to reining in Jude's trigger touch temper and Lucy's increasing jealousy of the female attention that Jude attracts. Feeling the stress of trying to hang on to her quintessential bad boy while becoming the foremost dancer in her class, Lucy knows something's going to break. She wants both. She needs both. But if she doesn't make a choice, she risks losing everything. Full of passion, steamy scenes and hot romance, CLASH is a must for fans of BEAUTIFUL DISASTER and PERFECT CHEMISTRY.

Clash Songbook

Twenty-eight years after its original release, The Clash's London Calling was inducted into the Grammy Hall of Fame. It has topped polls for the best album of the seventies (and of the eighties). It regularly makes the top five in Best of British album polls; and it's always there in the polls for the Greatest Albums of All Time. Now Marcus Gray tells the story of when, how and where this iconic album was made, detailing the stories behind its songs, revealing contexts for the album both personal and political, and considering the effects since on the members of the band and on our culture.

Route 19 Revisited

The book that has shaped modern dog training and ownership with its unique and scientifically sound recognition of the "cultural" differences between dogs and humans. Dogs can't read so you need to in order to really understand your dog.

Culture Clash

Two full-color illustrated graphic novels from The New York Times bestselling author-illustrator Kayla Miller! In Click, Olive "clicks" with everyone in the fifth grade—until one day, a school variety show leaves Olive stranded without an act to join and wondering why all her friends have already formed their own groups . . . without her. Will Olive be able to find her own place in the show before the curtain comes up? In Camp, Olive and Willow are off to have the best time at summer camp. But when Olive makes quick friends, Willow struggles to form connections and latches on to Olive, and it's more than Olive can handle. When this begins to wear on Olive, the girls aren't just fighting, they may not even be friends by the time camp is over. Will the two be able to patch things up before camp is over?

Click And Camp

From rank outsiders to pop stardom a decade later, The Damned blazed an anarchic trail through punk rock to achieve massive chart success. A beacon for the Sex Pistols and The Clash to follow, they flung down the musical gauntlet in 1976 with Britain's first punk single 'New Rose'. Smashing It Up: A Decade of Chaos with The Damned is their definitive biography, drawing on new, in-depth research and interviews with associates and band members – including founders Brian James, Chris Millar (Rat Scabies), Raymond Burns (Captain Sensible) and David Lett (David Vanian). Conflict was rife: managers and labels came and went; bridges were burnt; opportunities squandered; and Kieron Tyler reveals how – and why – the wayward, wild and wilful Damned are the punk band that survived, and why they truly led the British Punk movement and outshone their contemporaries.

Smashing It Up: A Decade of Chaos with The Damned

An Insightful And Powerful Analysis Of The Forces Driving Global Politics Today And Into The Next Century. In The Summer Of 1993 Foreign Affairs Published An Article Entitled The Clash Of Civilizations? By Samuel Huntington. No Article, According To The Editors Of That Distinguished Journal, Had Generated More Discussion Since George Kennan S X Article On Containment In The 1940 S. Now, Huntington Expands On His Article, Explores Further The Issues He Raised Then, And Develops Many New Penetrating And Controversial Analyses. In The Article, He Posed The Question Whether Conflicts Between Civilizations Would Dominate The Future Of World Politics. In The Book, He Gives His Answer, Showing Not Only How Clashes Between Civilizations Are The Greatest Threat To World Peace But Also How An International Order Based On Civilizations Is The Best Safeguard Against War.

The Clash of Civilizations and the Remaking of World Order

"An ambitious look at the last days of the Clash . . . as much a political history of the 1980s as it is a look at an influential band in its final years."—Publishers Weekly The Clash was a paradox of revolutionary conviction, musical ambition, and commercial drive. *We Are The Clash* is a gripping tale of the band's struggle to reinvent itself as George Orwell's 1984 loomed. This bold campaign crashed headlong into a wall of internal contradictions and rising right-wing power. While the world teetered on the edge of the nuclear abyss, British miners waged a life-or-death strike, and tens of thousands died from US guns in Central America, Clash cofounders Joe Strummer, Paul Simonon, and Bernard Rhodes waged a desperate last stand after ejecting guitarist Mick Jones and drummer Topper Headon. The band shattered just as its controversial final album, *Cut the Crap*, was emerging. Andersen and Heibutzki weave together extensive archival research and in-depth original interviews with virtually all of the key players involved to tell a moving story of idealism undone by human frailty amid a climatic turning point for our world. "The Clash's final chapter, after guitarist Mick Jones' 1983 departure, has largely been forgotten—until this book, in which authors Mark Andersen and Ralph Heibutzki argue that the punk pioneers were still creating vital music to the very end."—Rolling Stone, an RS Picks/New Books "Focuses on a very different moment in the band's history: the point at which the group splintered in the early 1980s, and its members grappled with an onset of reactionary governments around the world."—Vol. 1 Brooklyn "One of the most rewarding music books you'll come across this year."—Johns Hopkins Magazine

We Are The Clash

The ultimate book on records by The Clash. An album by album, track by track, examination of every song released by The Clash, from their first single 'White Riot' to *Combat Rock* and beyond. Includes sections on compilations, live recordings, films, and post-Clash work by Joe Strummer and Mick Jones. Features include: A chronology of key events in the story of the Clash An album by album, track by track analysis Details of reissues and the state of the current Clash catalogue 16 pages of pictures

The Clash: The Music That Matters

Who's naughty and nice at Riverwood Mall? In this hilarious holiday rom-com, two rivals get together to save their families' livelihoods, and Christmas, too! Chloe Kwon can't stand Peter Li. It's always been that way. Their families don't get along either: their parents operate rival restaurants in the Riverwood Mall food court--Korean food for the Kwons and Chinese food for the Lis. Now it's the holiday season and Chloe's the photographer at the mall's Santa Land, and Peter works at the virtual reality North Pole experience right across the atrium. It's all Chloe can do to avoid Peter's smug, incredibly photogenic face. But it turns out the mall is about to be sold to a developer and demolished for condos. Eviction notices are being handed out right before Christmas. Their parents don't know what to do, and soon Chloe and Peter realize that the two of them need to join efforts to try to save the mall. Just when it seems like they can put aside their differences and work closely (very closely) together, they discover that the Kwon and Li feud goes far deeper than either of them realize...

A Clash of Cymbals

With their last adventure just barely over, the Walker kids thought life could finally go back to normal. They escaped Dahlia Kristoff, the evil Wind Witch, yet again, and this time, they managed to leave with a mysterious treasure map, recovered from

The Christmas Clash

Two intrepid girls hunt for a legendary treasure on the deadly high seas in this YA remix of the classic adventure novel *Treasure Island*. 1826. The sun is setting on the golden age of piracy, and the legendary Dragon Fleet, the scourge of the South China Sea, is no more. Its ruthless leader, a woman known only as the Head of the Dragon, is now only a story, like the ones Xiang has grown up with all her life. She desperately wants to prove her worth, especially to her mother, a shrewd businesswoman who never seems to have enough time for Xiang. Her father is also only a story, dead at sea before Xiang was born. Her single memento of him is a pendant she always wears, a simple but plain piece of gold jewelry. But the pendant's true nature is revealed when a mysterious girl named Anh steals it, only to return it to Xiang in exchange for her help in decoding the tiny map scroll hidden inside. The revelation that Xiang's father sailed with the Dragon Fleet and tucked away this secret changes everything. Rumor has it that the legendary Head of the Dragon had one last treasure—the plunder of a thousand ports—that for decades has only been a myth, a fool's journey. Xiang is convinced this map could lead to the fabled

treasure. Captivated with the thrill of adventure, she joins Anh and her motley crew off in pursuit of the island. But the girls soon find that the sea—and especially those who sail it—are far more dangerous than the legends led them to believe. Praise for *A Clash of Steel: A Cosmopolitan Best YA Book of 2021* "This deeply immersive adventure features deftly interwoven Chinese and Vietnamese, luscious culinary descriptions, and well-rendered explorations of imperialism, treasure, found family, and love." —Publishers Weekly, starred review "Vividly realized and brimming with romantic adventure. Rooted in the legend of Chinese pirate queen Ching Shih, C.B. Lee's *A Clash of Steel* is richly imagined and thrilling to the end." —Malinda Lo, bestselling author of *Last Night at the Telegraph Club* "Lavishly drawn and studded with jewels from the original, C.B. Lee has written a remix that delves deep into questions of family, love, and treasure. This is a book I wish I'd had as a young, queer teen and it deserves a spot in any collection." —Natalie C. Parker, author of the *Seafire* trilogy *The Remixed Classics Series* *A Clash of Steel: A Treasure Island Remix* by C.B. Lee *So Many Beginnings: A Little Women Remix* by Bethany C. Morrow *Travelers Along the Way: A Robin Hood Remix* by Aminah Mae Safi *What Souls Are Made Of: A Wuthering Heights Remix* by Tasha Suri *Self-Made Boys: A Great Gatsby Remix* by Anna-Marie McLemore *My Dear Henry: A Jekyll & Hyde Remix* by Kalynn Bayron *Teach the Torches to Burn: A Romeo & Juliet Remix* by Caleb Roehrig *Into the Bright Open: A Secret Garden Remix* by Cherie Dimaline *Most Ardently: A Pride & Prejudice Remix* by Gabe Cole Novoa

Clash of the Worlds

Forget what you know of England, of the 'Land of Hope and Glory.' Instead, try damp and depressing, and embrace this miserable island for what it is. Our story kicks off in 1976: the country coming apart at its flared corduroy seams, a decade after the Great Train Robbery, when British crime has gone decidedly soft in the middle. Time for a new generation of criminals to rise: a band of snotty-nosed heroes driven by destiny and cheap cider, who will strike fear back into the establishment, put art back into crime and crime back into art, and pull off what will become known as the heist of the century. This new series from Simon Oliver (FBP: FEDERAL BUREAU OF PHYSICS) and Rufus Dayglo (Tank Girl) spans three decades, from the punk rock '70s to the decadent '80s and beyond, charting the rise, fall and redemption of a group of bandits that changed the face of the criminal underworld and closed the door on a legacy.

A Clash of Steel: A Treasure Island Remix

Jack Spencer has more to worry about than being kicked off his high school's basketball team. He uncovers suspicious circumstances surrounding the car crash that severely injured his mother and learns of his father's arrest for fraud. Jack's dad is tough on him, but he has learned to live with it. For the most part, he has it pretty good. Jack is a star player on his high school basketball team with everything going for him—scoring records, popularity and an easy path to a college scholarship. Almost as fast as the crash that put his mom in the hospital, everything Jack believes in starts to crumble. His only hope is to discover what's really going on, and quickly. If he doesn't, Jack may lose much more than a basketball career.

Last Gang in Town (2015-) #1

Join Tom on an incredible treasure hunt through time and battle history's mightiest warriors. The first book in a new time-travelling series – perfect for fans of *Beast Quest*.

Titan Clash

"In a world where the Roman Empire never fell, a legion under the command of general Gaius Marcellinus invades the newly-discovered North American continent. But Marcellinus and his troops have woefully underestimated the fighting prowess of the Native American inhabitants. When Gaius is caught behind enemy lines and spared, he must reevaluate his allegiances and find a new place in this strange land"--

Gladiator Clash (Time Hunters, Book 1)

Connor Clash was everything I wasn't. He taught me how to live. I didn't mean for things to go the way they did. But Connor was beautiful, and I was lonely. Falling in love wasn't part of the plan. He betrayed me, and I was scarred. Before I got the job, I didn't know who he was. Now I saw him every night in my

dreams. We were two people, worlds apart, holding each other at arms length. This was not going to end well. Connor Clash was an a**hole. And I loved him with all of my heart.

Clash of Eagles

SOUNDING 3 begins with Echo 34: DERRIMUTT THE GO-BETWEEN. This clan head of the Bunurong people was the traditional 'owner' of the town site that became Melbourne's CBD on the western side of the river. Bible-bashing Protector Thomas's journals of camping with the natives at what is now the Botanic Gardens is eye-opening and reveals mind-bending mysteries and misery with grog and gun-control issues that resonate on up to today. This Sounding personalises many local Kulin identities such as Polierong aka Billy Lonsdale and Yabbee aka Billy Hamilton who name-swapped with the early leading townsmen and squatters on their 'country'. Next follow snippets from Mick Woiwod's fictional but faithful novel *The Last Cry*, along with his Yarra Valley anthropology and reconciliatory vision. Surveying and selling off the Yarra and Diamond Valley 'badlands' stringybark forest leads into discussions on sorcery, smallpox and culture-collapse into fringe-dwelling. The frontier moves on north, west and east and the tone changes to academic, political and biographic studies of Aboriginal workers and surviving kooris including the life and times of Wurundjeri clan heads Billibellary, Simon Wonga and William Barak. In the decades after World War 2, academic historical analysis led to the politicized 'history wars' as reaction to the racist colonial 'white Australia policy' lies, fears and distortions cloaked by denial and patriotism. Echo 49: THE NATIVE POLICE – Turncoats or adaptation [?] is the largest echo in this Sounding and the question is posed in five parts, the last being Irish observer Claire Dunne on applying the bloody colonial lessons of Port Phillip to frontier Queensland and beyond to Central Australia's mass-murderer Constable Willshire and the cultural logic of settler nationalism. Echoes follow on re-visioning Aboriginal / white history and historical geography research of 'high country' clans and language groups in my unsatisfied search of a supposed 'superior tribe' in the Alps who reportedly 'dwelt in stone houses all year round'. Sounding 3 ends with echoes titled COLONIAL OBSERVATIONS OF HIGH SOCIETY EMIGRANTS containing Georgina and her son George McCrae's journals of Yarra-side and pioneering the Mornington peninsula in the 1840s along with early 1860s photographs of native people collected by gentleman squatter John Hunter Kerr.

Clash

Never before have so many Americans been more frustrated with our economic system, more fearful that it is failing, or more open to fresh ideas about a new one. The seeds of a new movement demanding change are forming. But just what is this thing called a new economy, and how might it take shape in America? In *What Then Must We Do?* Gar Alperovitz speaks directly to the reader about where we find ourselves in history, why the time is right for a new-economy movement to coalesce, what it means to build a new system to replace the crumbling one, and how we might begin. He also suggests what the next system might look like—and where we can see its outlines, like an image slowly emerging in the developing trays of a photographer's darkroom, already taking shape. He proposes a possible next system that is not corporate capitalism, not state socialism, but something else entirely—and something entirely American. Alperovitz calls for an evolution, not a revolution, out of the old system and into the new. That new system would democratize the ownership of wealth, strengthen communities in diverse ways, and be governed by policies and institutions sophisticated enough to manage a large-scale, powerful economy. For the growing group of Americans pacing at the edge of confidence in the old system, or already among its detractors, *What Then Must We Do?* offers an elegant solution for moving from anger to strategy.

BUCKLEY, BATMAN & MYNDIE: Echoes of the Victorian culture-clash frontier

The third installment of the critically acclaimed Super Human series All Gethin Rao wants is to be like every other boy his age. But normal twelve-year-olds aren't blue. And they certainly aren't thirteen feet tall. That's what happens when his superpowers kick in. And from that moment on, his life is never the same. Treated as a villain--a monster--Gethin spends the rest of his life on the run or as a prisoner in a secret military facility. When he finally escapes, he falls in with a group of superpowered teens and becomes the one thing he never thought he'd be: a hero. But as the years pass by and he takes the name Brawn, Gethin learns that being a good guy is a lot more difficult than he thought. Michael Carroll delves deeper into the life of one of his favorite characters and in the process gives readers his most satisfying, exciting adventure yet, which leads directly into his Quantum Prophecy trilogy.

What Then Must We Do?

In this fascinating history of London's popular music, Paul Du Noyer, critically-acclaimed music writer and founding editor of Mojo, celebrates the people and places that have made London the most exciting and diverse musical city on earth. The Wes

Votes & Proceedings

A firsthand account in the words of the legendary Don Letts of the links he forged between the roots reggae sounds of his culture and the quickly growing punk scene in London in the 1970s. Highly visual, irreverent, revelatory and staunchly individual, this account - from the man who pioneered sampling techniques that have formed the mainstay of modern dance culture; the man who recorded over 300 influential promo videos featuring, among others, the Sex Pistols, the Slits, PIL and Bob Marley - is an inside story like no other.

Stronger

Sounding 6 begins with Bain Attwood's thesis Blacks & Lohans and an echo titled SEX & SORROW EAST OF MELBOURNE. Then Henry Meyrick's frontier life and death in Western Port and Gipps Land leads into Echo 93: TAMING MELBOURNE BAYSIDE & THE DANDENONGS. Turning to OPENING GIPPSLAND: elite squatters at Sale are contrasted by surviving Kooris on Jackson's Track. The narrative then backtracks in time with Echo 95: CONTRIBUTIONS TO TRUTH ABOUT SLAUGHTER IN GIPPSLAND comprising the Porter, Cox, Fels and Gardner versions of the blood-stained land-grab. Fels then reports on the Native Police actions and Morgan's recent overview of the Ganai before and after white settlement concludes the shameful issues long denied or excused. Echo 96: LIAR'S LUNCH charts the rise and fall of pioneer Angus McMillan MP before the focus shifts to the historical geography of East Gippsland clans and languages and on to missionary Bulmer at Lake Tyers with the stories of the payback of Hopping Kitty and Attwood's study of Brataualung man Tarra Bobby. Alfred Howitt's birthing of Oz anthropology with his opus The Native Tribes of South-east Australia published at the start of the 20th century is the source material of several echoes on the making of 'clever' men and on songs and song-makers. Sounding 6 closes with extracts reprinted from Professor Elkin's Aboriginal Men of High Degree – their personality and 'making', the powers of medicine men, and in conclusion Echo 106: ABORIGINAL MEN OF HIGH DEGREE IN A CHANGING WORLD.

In the City

On War is a treatise about a military art which Prussian officer Carl Philipp Gottlieb von Clausewitz had been working on for 15 years. It is commonly believed that Clausewitz's treatise had a greater impact on military leaders of the late XIX and XX centuries than any other book. In reality, this book is an overturn in the war theory. The work is notable for its brightness, narration details as well as hard criticism of many war events. The author dedicates a special place in his work to politics, its influence on the war events, the dependence how the war finishes on powers and weaknesses of particular politicians and military leaders. There is a good reason why his famous phrase "the war is the continuation of the politics, but with other, strong arm methods" is still relevant.

Culture Clash

Iconic and never-before-seen images of punk and post-punk's quintessential bands In the late 70s, punk rock music began to evolve into the post-punk and new wave movements that dominated until the early 90s. During this time, prolific photographer and filmmaker Michael Grecco was in the thick of things, documenting the club scene in places like Boston and New York, and getting shots on- and backstage with bands such as The Cramps, Dead Kennedys, Talking Heads, Human Sexual Response, Elvis Costello, Joan Jett, the Ramones, and many others. Grecco captured in black and white and color the raw energy, sweat, and antics that characterized the alternative music of the time. Punk, Post Punk, New Wave: Onstage, Backstage, In Your Face, 1978–1991 features stunning, never-before-seen photography from this iconic period in music. In addition to concert photography, he also shot album covers and promotional pieces that round out this impressively extensive photo collection. Featuring a foreword from Fred Schneider of the B-52's, Punk, Post Punk, New Wave is a quintessential piece of music history for anyone looking for backstage access into the careers of punk and post punk's most beloved bands.

A Permanent Record

Highly readable with a rich quantitative analysis of the largest ever terrorism database constructed for the period 1992-2004, the results of the study are fascinating and have important implications for current U.S. foreign policy in the Global War on Terrorism. The author has painstakingly examined, with precise numbers, the impact of the use of preemptive force in the War on Terrorism in a way that has never been done before. This is the first publication showcasing compelling data on the impact of the current war on terrorism on the level, lethality and frequency of transnational terrorist activity around the globe. With extremely current data, *When Terrorism and Counterterrorism Clash* is a critical reference to all in the fields of international relations and political science. "This is the most compelling, provocative, and sophisticated empirical study I've seen of the Global War on Terrorism. It is essential reading for policymakers and scholars and couldn't come at a more critical time." -John N. Paden, Ph.D., Clarence Robinson Professor of International Studies and Professor of Public and International Affairs, George Mason University "This is exactly what we need to make informed policy decisions." - Alireza Jafarzadeh, Author of *The Iran Threat: President Ahmadinejad and the Coming Nuclear Crisis* and FOX News Channel Foreign Affairs Analyst "A penetrating analysis with a compelling conclusion!" - Daniel Druckman, Professor of Public and International Affairs, George Mason University and Visiting Scholar, Centre for Peace and Conflict Studies, University of Queensland, Brisbane, Australia

BUCKLEY, BATMAN & MYNDIE: Echoes of the Victorian culture-clash frontier

The new historical novel from Philippa Gregory, the Number One bestselling author of *Tidelands* and *Dark Tides*. In a divided country, power and loyalty conquer all . . . Ned Ferryman, inspired by news of a rebellion against the Stuart kings, returns from America with his Pokanoket servant to join the uprising against roman catholic, King James. As Ned swears loyalty to the charismatic Duke of Monmouth, he discovers a new and unexpected love. Meanwhile, Queen Mary summons her friend Livia to a terrified court. Recklessly, Livia drags her son Matthew and his foster mothers Alinor and Alys into a plot to save the queen from Monmouth's invasion, and Matthew is rewarded with the Manor of Foulmire: on the tidelands where Ned, Alinor and Alys had once scraped a poor living. Suddenly, Alinor is lady of the manor, as Ned marches into the last battle between the royalists and commoners, hoping for a new dawn for freedom. A compelling and powerful story of political intrigue and personal ambition, set between the palaces of London, the tidelands of Foulmire and the shores of Barbados. Praise for *Dawnlands*: 'This sprawling, epic addition to the series will delight Gregory's many fans' *The Times* 'Fast-paced, gripping and meticulously researched, the latest novel from Philippa Gregory is historical fiction at its best...' *Daily Express* 'Spellbinding' *Woman's Own* 'I love falling into a Philippa Gregory novel, her vibrant take on historical events always brings past eras alive . . . ' Adele Parks, *Platinum Magazine*

On War

There's a new kid in town! From the moment Natasha sets foot in class, it's clear she's one of the coolest kids in sixth grade. Everyone wants to be her friend, including Olive...but things might not be so easy. Olive tries her best to befriend Nat, but it seems like the only thing they have in common is that they both want to hang out with Olive's friends! Watching as Natasha gets closer with some of her best buds, Olive can't help but worry that they're starting to like Nat more than they like her...and who could blame them? Nat is just that cool...and Olive is, well, just Olive.

Dangerous Knowledge

Ru: In Vietnamese it means lullaby; in French it is a small stream, but also signifies a flow - of tears, blood, money. Kim Thy's *Ru* is literature at its most crystalline: the flow of a life on the tides of unrest and on to more peaceful waters. In vignettes of exquisite clarity, sharp observation and sly wit, we are carried along on an unforgettable journey from a palatial residence in Saigon to a crowded and muddy Malaysian refugee camp, and onward to a new life in Quebec. There, the young girl feels the embrace of a new community, and revels in the chance to be part of the American Dream. As an adult, the waters become rough again: now a mother of two, she must learn to shape her love around the younger boy's autism. Moving seamlessly from past to present, from history to memory and back again, *Ru* is a book that celebrates life in all its wonder: its moments of beauty and sensuality, brutality and sorrow, comfort and comedy.

Punk, Post Punk, New Wave

This book offers a vibrant and multifaceted conversation among established and emerging scholars on one of the most important paradigms for the understanding of international politics.

When Terrorism and Counterterrorism Clash

Proceedings of the American Philosophical Society Held at Philadelphia for Promoting Useful Knowledge

Includes proceedings of the Association, papers read at the annual sessions, and list of current medical literature.

Proceedings of the American Philosophical Society Held at Philadelphia for Promoting Useful Knowledge

Kierkegaard's Concepts is a comprehensive, multi-volume survey of the key concepts and categories that inform Kierkegaard's writings. Each article is a substantial, original piece of scholarship, which discusses the etymology and lexical meaning of the relevant Danish term, traces the development of the concept over the course of the authorship, and explains how it functions in the wider context of Kierkegaard's thought. Concepts have been selected on the basis of their importance for Kierkegaard's contributions to philosophy, theology, the social sciences, literature and aesthetics, thereby making this volume an ideal reference work for students and scholars in a wide range of disciplines.

Journal of the American Medical Association

Book 5 of the After series—Anna Todd's Wattpad fanfiction that racked up 1 billion reads online and captivated romance readers across the globe! Before explores Hardin Scott's life before Tessa, reveals what happens after After, and gives new insights on their turbulent #Hessa romance. Cosmopolitan called Anna Todd "the biggest literary phenom of her generation." That's Normal declared Hardin and Tessa "The Mr. Darcy and Lizzy Bennet of our time." Revel in the awesome, messy power of true love. BEFORE Hardin met Tessa he was a raging storm. DURING those first moments they met, he realized he needed to keep her for himself—his life depended on it. AFTER they got together, the world would never be the same. Hardin and Tessa's dramatic love affair became a vortex pulling in everyone around them. For the first time these others are given voice as they appear before, during, and after the events in original After novels. Alongside them, Hardin's account of his first encounters with Tessa—which will change what you thought you knew about the brooding boy and the angel who loved him.

Volume 15, Tome VI: Kierkegaard's Concepts

In the years since the publication of Susumu Ohno's 1970 landmark book *Evolution by gene duplication* tremendous advances have been made in molecular biology and especially in genomics. Studies of genome structure and function prerequisite to testing hypotheses of genome evolution were all but impossible until recent methodological advances. This book evaluates newly generated empirical evidence as it pertains to theories of genomic evolutionary patterns and processes. Tests of hypotheses using analyses of complete genomes, interpreted in a phylogenetic context, provide evidence regarding the relative importance of gene duplication. The alternative explanation is that the evolution of regulatory elements that control the expression of and interactions among genes has been a more important force in shaping evolutionary innovation. This collection of papers will be of interest to all academic and industry researchers working in the fields of molecular biology, biotechnology, genomics and genome centers.

Vols. for 1871-76, 1913-14 include an extra number, The Christmas bookseller, separately paged and not included in the consecutive numbering of the regular series.

Before

Alexandre Dumas's classic tale of revenge and redemption, *The Count of Monte Cristo* "Le Comte de Monte-Cristo", is presented for the first time in English-French parallel text, complete and unabridged with black-and-white illustrations. The story concludes in Volume Six with chapters 98-117: justice finds Dantes's tormentors and Monte Cristo discovers the redeeming power of forgiveness and love. It also features a tribute to Dumas from Robert Louis Stevenson. The Bilingual Library presents the world's classics in parallel text. Each page in the original language is mirrored by its English translation on the facing page. Series editor D. Bannon is a member of the American Literary Translators Association and the American Translators Association.

"Book one of the After series--the Internet sensation with millions of readers. Tessa didn't plan on meeting Hardin during her freshman year of college. But now that she has, her life will never be the same"--

Hearing before the United States Commission on Civil Rights

David Torres-Rouff significantly expands borderlands history by examining the past and original urban infrastructure of one of America's most prominent cities; its social, spatial, and racial divides and boundaries; and how it came to be the Los Angeles we know today. It is a fascinating study of how an innovative intercultural community developed along racial lines, and how immigrants from the United States engineered a profound shift in civic ideals and the physical environment, creating a social and spatial rupture that endures to this day.

Ten sermons preached before and after the celebration of the sacrament of the Lord's Supper: to which is added, Two sermons preached upon occasion of the death of a friend ... The second edition. [The preface signed: Thomas Black.]

The Holy Bible : Old and New Testaments (King James Version) This book include History of King James Bible and their work. The King James Version (KJV), commonly known as the Authorized Version (AV) or King James Bible (KJB), is an English translation of the Christian Bible for the Church of England begun in 1604 and completed in 1611. First printed by the King's Printer Robert Barker, this was the third translation into English to be approved by the English Church authorities. The first was the Great Bible commissioned in the reign of King Henry VIII, and the second was the Bishops' Bible of 1568. In January 1604, King James I convened the Hampton Court Conference where a new English version was conceived in response to the perceived problems of the earlier translations as detected by the

Puritans, a faction within the Church of England. James gave the translators instructions intended to guarantee that the new version would conform to the ecclesiology and reflect the episcopal structure of the Church of England and its belief in an ordained clergy. The translation was done by 47 scholars, all of whom were members of the Church of England. In common with most other translations of the period, the New Testament was translated from Greek, the Old Testament was translated from Hebrew text, while the Apocrypha were translated from the Greek and Latin. In the Book of Common Prayer (1662), the text of the Authorized Version replaced the text of the Great Bible – for Epistle and Gospel readings – and as such was authorized by Act of Parliament. By the first half of the 18th century, the Authorized Version was effectively unchallenged as the English translation used in Anglican and Protestant churches. Over the course of the 18th century, the Authorized Version supplanted the Latin Vulgate as the standard version of scripture for English speaking scholars. Today, the most used edition of the King James Bible, and often identified as plainly the King James Version, especially in the United States, closely follows the standard text of 1769, edited by Benjamin Blayney at Oxford.

The Bookseller

Throughout the contest for the 2008 Democratic presidential nomination, politicians and voters alike worried that the outcome might depend on the preferences of unelected superdelegates. This concern threw into relief the prevailing notion that—such unusually competitive cases notwithstanding—people, rather than parties, should and do control presidential nominations. But for the past several decades, *The Party Decides* shows, unelected insiders in both major parties have effectively selected candidates long before citizens reached the ballot box. Tracing the evolution of presidential nominations since the 1790s, this volume demonstrates how party insiders have sought since America's founding to control nominations as a means of getting what they want from government. Contrary to the common view that the party reforms of the 1970s gave voters more power, the authors contend that the most consequential contests remain the candidates' fights for prominent endorsements and the support of various interest groups and state party leaders. These invisible primaries produce frontrunners long before most voters start paying attention, profoundly influencing final election outcomes and investing parties with far more nominating power than is generally recognized.

Publisher and Bookseller

Book 1 of a new series featuring After worldwide fan-favorite Landon Gibson as he leaves Washington to navigate love and life in New York City. At the end of the After Ever Happy, Landon got married—but readers everywhere have been wondering who will get to call the nicest boy in the After series their forever love? Read it and find out! "I'm so excited for everyone to get to know Landon Gibson. Whether you're just hearing about him or already know him from the After series, I know that readers are going to love his story. He's kind and fiercely loyal, and when he falls in love, he loves hard." (Anna Todd, New York Times and #1 international bestselling author of the After series)

Attack on Titan 6

TITAN ON THE HUNT On the way to Eren's home, deep in Titan territory, the Survey Corps ranks are broken by a charge led by a female Titan! But this Abnormal is different – she kills not to eat but to protect herself, and she seems to be looking for someone. Armin comes to a shocking conclusion: She's a human in a Titan's body, just like Eren!

Attack on Titan Omnibus 1 (Vol. 1-3)

It's never been easier to attack Attack on Titan than with these new, giant-sized 3-in-1 omnibus editions! If you've been waiting for the final anime season to check out the do-or-die shonen adventure that defined a decade, now's your chance. These new books tuck almost 600 pages of manga behind a specially-embossed cover, all in a larger size than the regular version. Includes Vol. 1-3 of Attack on Titan. For eons, humans ruled the natural world. But a century ago, everything changed when the Titans

appeared. Giant, grotesque parodies of the human form, these sexless monsters consumed all but a few thousand human beings, who took refuge behind giant walls. Today, the threat of the Titans is a distant memory, and a boy named Eren yearns to explore the world beyond the wall. But what began as a childish dream will become an all-too-real nightmare when a Titan finally knocks a hole in the wall, and humanity is once again on the brink of extinction...

Attack on Titan

ERWIN'S GREATEST GAMBLE Commander Erwin has finally come to a decision: Putting their own wealth and position ahead of the survival of humanity, the royal government is no longer fit to lead. To execute their leader's most audacious plan yet, Eren and Krista will have to put themselves in peril yet again, and Armin, Mikasa, and the rest of the Survey Corps will have to turn from humanity's guardians into traitors. If they fail this time, they'll face not a Titan's gaping mouth, but the gallows...

Attack on Titan: Colossal Edition 6

Contains Vol. 26-30 of Attack on Titan in an extra-large size, on premium-quality paper! 16 and up. Attack on Titan: Colossal Edition 6 is an oversized collection of Vols. 26-30 of the Attack on Titan manga series. Weighing in at over 900 pages and a 7-inch by 10.5-inch trim, Colossal Edition 6, like its predecessors, contains the same material as the original volumes, but bigger and on higher-quality paper. The best reading experience and the ultimate collector's item for any Attack on Titan fan!

Attack on Titan 33

Once hailed as humanity's greatest hope, Eren has since become unrecognizable. With the Attack Titan now morphed into a grotesque, colossal skeleton of its former self, Eren continues to control the wave of Titans laying waste to the world, extinguishing countless homes, towns, and lives in their wake. In order to salvage what's left of humanity, Mikasa, Armin, and the Survey Corps decide to confront Eren head-on. But to stop the Rumbling, they'll have to dedicate much more than their hearts...

Attack on Titan

WITHIN THE HOLLOW CROWN As a Marleyan invasion dangles like a guillotine blade over the island of Paradis, allies have become enemies, and former friends are at each other's throats. The Yeagerists are in all-out revolt, fighting to dismantle military rule before the potential for world war explodes into certain doom. Meanwhile, deep in the forest, the sides' most ruthless, fanatical killers are locked in single combat, but triumph is elusive where Titans are involved...

Attack on Titan

It's never been easier to attack Attack on Titan than with these new, giant-sized 3-in-1 omnibus editions! If you've been waiting for the final anime season to check out the do-or-die shonen adventure that defined a decade, now's your chance. These new books tuck almost 600 pages of manga behind a specially-embossed cover, all in a larger size than the regular version. Includes Vol. 16-18 of Attack on Titan. Captured by Rod Reiss, the rightful king, Krista and Eren finally have their memories back. What exactly happened to Eren, and what was the crime his father committed? Meanwhile, the Survey Corps desperately hunts for Eren, while at the same time seeking to legitimize their military coup. As the situation inside the walls comes to a head, the mysteries of the world of the Titans seem on the cusp of being solved at last!

Attack on Titan 29

Kuklo had spent his entire life in cages, feared and hated as "the Titan's son." Then he met Sharle Inocencio, a young girl who defied her father and brother to care for and educate the abused boy in secret -- and plot his escape from the dungeon, and her escape from her betrothal. But the night they've dreamed of brings new horrors with it, and Kuklo becomes obsessed with proving that he is not the monster everyone has always assumed him to be. That means meeting a Titan for himself, in person.

Attack on Titan

MINUTES TO MIDNIGHT Eren has infiltrated Marley territory and dealt the empire a devastating blow. But the real goal of the mission was always to get Zeke back to Paradis Island in secrecy. Now that this

Titan heir of royal blood is inside the Walls, the island's military government has its "earth-rumbling" weapon of mass destruction. But has this supposed deterrent actually started a countdown to total world war?

Attack on Titan Omnibus 6 (Vol. 16-18)

It's never been easier to attack Attack on Titan than with these new, giant-sized 3-in-1 omnibus editions! If you've been waiting for the final anime season to check out the do-or-die shonen adventure that defined a decade, now's your chance. These new books tuck almost 600 pages of manga behind a specially-embossed cover, all in a larger size than the regular version. Includes Vol. 4-6 of Attack on Titan. The Survey Corps develop a risky gambit – have Eren in Titan form attempt to repair Wall Rose, reclaiming human territory from the monsters for the first time in a century. But Titan-Eren's self-control is far from perfect, and when he goes on a rampage, not even Armin can stop him! With the survival of humanity on his massive shoulders, will Eren be able to return to his senses, or will he lose himself forever?

Attack on Titan: Before the Fall

Contains Vol. 6-10 of Attack on Titan in an extra-large size, on premium-quality paper! Also includes an exclusive look at Isayama's design work, and an eight-page color crossover with the superheroes of Marvel's Avengers! The megahit Attack on Titan anime finally returns, streaming on April 1! **FACING A NEW TERROR** After helping the Garrison to victory, retaking Trost District from the Titans, Eren awakens in a prison cell. He may be a hero to the common people, but among the leaders of humanity, fear of Eren's mysterious powers threatens his continued survival. It's only the insistence of the tenacious and pragmatic Erwin Smith, leader of the Survey Corps, that wins Eren a chance: Prove himself outside the Walls, and bring the evidence from his family home back from Titan territory, and the rest of the military will let him live. But soon after the Corps passes through the gate, a new and terrible threat appears—one that Erwin may know more about than he's letting on.

Attack on Titan 27

"On the way to Eren's home, deep in Titan territory, the Survey Corps ranks are broken by a charge led by a female Titan! But this Abnormal is different--she kills not to eat but to protect herself, and she seems to be looking for someone. Armin comes to a shocking conclusion: she's a human in a Titan's body, just like Eren!"--Page 4 of cover.

Attack on Titan: Colossal Edition 2

Anime Season 2 coming to Funimation in April 2017! The blockbuster manga edges closer to its thrilling conclusions. The mysteries of the Titans are being revealed... who will escape death at the hands of giants and human beings?

Attack on Titan, Vol. 15

CAN YOU GO HOME AGAIN? Thanks to Eren, humanity has taken the town of Trost back from the Titans. Exhausted, Eren falls into a coma for three days – and wakes in shackles, staring at Erwin Smith, leader of the Survey Corps. Certain that Eren's father's research holds the key to the mystery of the Titans' rise, Smith wants an expedition to retrieve it from the house where Eren grew up. But that's deep in Titan territory, and to get there Eren will need to master a power he still doesn't fully understand... The megahit Attack on Titan anime finally returns, streaming on April 1!

Attack on Titan Guidebook: INSIDE & OUTSIDE

Kuklo had spent his entire life in cages, feared and hated as "the Titan's son." Then he met Sharle Inocencio, a young girl who defied her father and brother to care for and educate the abused boy in secret -- and plot his escape from the dungeon, and her escape from her betrothal. But the night they've dreamed of brings new horrors with it, and Kuklo becomes obsessed with proving that he is not the monster everyone has always assumed him to be. That means meeting a Titan for himself, in person.

Attack on Titan

Pasukan penyelidik akhirnya melakukan ekspedisi ke luar tembok bersama dengan Eren dan para prajurit baru lainnya. Mereka pergi menuju Wall Maria dengan melewati jalur baru. Namun, di dalam perjalanan mereka bertemu dengan ÒTitan WanitaÓ yang menghancurkan formasi merekaÉ

Attack on Titan

After breaking through a stronghold of old friends and enemies, Zeke hands down his plan for the Eldians to Eren. But what Eren was plotting with his rumbling powers leaves his brother in the dust, betrayed and alone once more. Now, with some help from Ymir, a parade of massive Titans are roused from their centuries-long slumber, breaking free of the Walls to answer their founder's call. Where the march leads, only Eren knows...

Attack on Titan 5

BIRTH OF A MONSTER The Colossal Titan has breached humanity's first line of defense, Wall Maria. Mikasa, the 104th Training Corps' ace and Eren's best friend, may be the only one capable of defeating them, but beneath her calm exterior lurks a dark past. When all looks lost, a new Titan appears and begins to slaughter its fellow Titans. Could this new monster be a blessing in disguise, or is the truth something much more sinister? This volume of Attack on Titan includes special extras after the story! The megahit Attack on Titan anime finally returns, streaming on April 1!

Attack on Titan: Before the Fall

BLOOD ON HIS HANDS The expedition outside the wall was Eren's chance to prove himself. But it failed, and the female Titan is free once more! With his squad dead, Eren faces a royal summons. Will Mikasa and Armin have to betray their king to save their friend? And can they discover the female Titan's identity before she kills again? **PRAISE FOR THE HIT ANIME** "A visceral and fantastically intense action/horror story." - Anime News Network "Japan's equivalent of The Walking Dead." - io9

LC: ATTACK ON TITAN 06

THE THIEF AND THE SOLDIER The young Erwin Smith is a rising star in the Survey Corps, humanity's only hope of defeating the man-eating monsters known as Titans. Ruthless and dispassionate, Erwin's mind is devoted to strategies and intrigue. But beneath Erwin's feet is another world, the Underground, where humans are born and die surrounded by the garbage the Capital throws away. Here, the criminal Levi survives on his wits and agility. But when these two ambitious men cross paths, who will prove himself stronger? The long-awaited origin story of Levi and Erwin, two of Attack on Titan's most beloved characters! The megahit Attack on Titan anime finally returns, streaming on April 1!

Attack on Titan 31

The story of Captain Levi, Attack on Titan's most beloved character, collected in a single, 400-page hardcover in glorious full color! The Complete, Color Saga of the Thief and the Soldier In Attack on Titan, Erwin Smith and Captain Levi are an inseparable duo, the calculating brain and pumping heart of the Survey Corps. But their past was a mystery, until the release of the globally-acclaimed bestseller Attack on Titan: No Regrets. Years earlier, the young Erwin was an ambitious military ladder-climber and political prodigy, while Levi lived in another world under the elite's feet, the Underground. In this place, humans are born and die surrounded by the garbage the Capital throws away, and only the lucky or the ruthless have a chance to emerge onto the surface and see the Sun. Under a fierce exterior, Levi longs for a life of dignity for himself and his friends, while Erwin's lifelong obsession with the Titans drives him to depths of moral ambiguity. The two men's collision course will lead to tension, tragedy,

and the greatest team of Titan-fighters humanity will ever know. Direct from Japan in a newly-colored edition Includes never-before-published bonus stories and illustrations

Attack on Titan 2

Before the fall, and before the trials of "the Titan's son" Kyklo, a young smith by the name of Angel Aaltonen grappled with the giants as only a craftsman could... The first of the three-part Before the Fall light novels, whose second and third installments have been adapted into a manga of the same name, this prequel of prequels details the origins of the devices that humanity developed to take on the mysterious Titans.

Attack on Titan 8

Own six of the most explosive chapters from Attack on Titan's 12-year run, selected by readers, editors, and creator Hajime Isayama himself, retouched and rendered in spectacular color! This collectible hardcover also includes the original draft of Attack on Titan Episode 2, never before published in English. Experience the moments that defined Levi, Historia, Reiner, Eren, and more of your favorite characters—and then read chapter 2 of Attack on Titan story that wasn't told! THE COLORS OF FEAR AND FREEDOM Blast beyond the bounds of black and white, and revisit six of the most consequential episodes of Attack on Titan, remastered in full color. This premium volume also includes the originally-submitted draft of Episode 2—an intriguingly divergent story that has never been published in English before. Curated by the editors, fans, and creator Hajime Isayama himself, this is the capstone of any Titan manga collection!

Attack on Titan: No Regrets 1

A prequel to the blockbuster Attack on Titan series, Before the Fall is a three volume young adult fiction fantasy novel series set years before the events that transpire with Eren and Mikasa. Together, the second and third volumes of Before the Fall are yet another prequel story and they are for the most part separate from the story of Angel and Wall Maria. In this collection we are introduced to a new character, Kuklo, who was found as a baby crying in a mass of Titan vomit, amidst the dead titan corpses. He is called "a child of titan" and is essentially hated by the people inside the walls. Kuklo, despite his horrible beginnings and a single-functioning eye, also seems to grow unnaturally fast. He parts himself from his past and gambles on the fate of humanity by enlisting in the Survey Corps. This group functions primarily outside of the safety of the walls. And here with his strength and determination Kuklo survives and thrives. But to accomplish this he gets his hands on the Vertical Maneuvering Equipment. Although the gear is still imperfect and causes a troublesome incident for Kuklo, he fights the titans. Whether it is because it is his fate to fight them, or it is because of his past, he fights against them.

Attack on Titan: No Regrets Complete Color Edition

REMEMBER YOUR TRUE ENEMY Erwin's political enemies have hired Levi and his crew to take back some incriminating documents. Their reward: the right to live a proud life above ground, in the royal capital. But deep in Titan territory, it's going to be tough to break formation and steal from a squad leader, and Levi still insists on killing the man who humiliated him after the mission is complete. Of course, beyond the walls anything can happen, and a sudden change in Levi's fortunes will force him to face the greatest regret in his life... FINAL VOLUME! From the Trade Paperback edition.

Attack on Titan: Before the Fall (Novel)

Contains the FINAL VOLUMES of Attack on Titan in an extra-large size, on premium-quality paper! 16 and up. END OF AN ERA Determined to protect his beloved home of Paradis, Eren uses the Founding Titan's power to rouse a parade of massive Titans from their centuries-long slumber, breaking free of the Walls to answer their founder's call—to wipe out all of humanity. Though once hailed as humanity's greatest hope, the Attack Titan has now morphed into a grotesque, colossal skeleton of its former self, with Eren long unrecognizable as a friend, a brother, a savior...and soon indiscernible from a devil. Now, Mikasa, Armin, and the surviving members of the Survey Corps must band together with their sworn enemies to stop the Rumbling and Eren once and for all. Will their attack finally put an end to the Titans, or will the cycle of fear, oppression, and destruction only continue? FINAL VOLUME! This edition contains Attack on Titan Vol. 31-34 Attack on Titan: Colossal Edition 7 is an oversized collection of Vols. 31-34 of the Attack on Titan manga series. Weighing in at over 900 pages and a 7-inch by 10.5-inch

trim, Colossal Edition 7, like its predecessors, contains the same material as the original volumes, but bigger and on higher-quality paper. The best reading experience and the ultimate collector's item for any Attack on Titan fan!

Attack on Titan Sampler

It's never been easier to attack Attack on Titan than with these new, giant-sized 3-in-1 omnibus editions! If you've been waiting for the final anime season to check out the do-or-die shonen adventure that defined a decade, now's your chance. These new books tuck almost 600 pages of manga behind a specially-embossed cover, all in a larger size than the regular version. Includes Vol. 22-24 of Attack on Titan. Despite losing countless lives in the battle against the Titans, what's left of the Survey Corps arrives at the doorstep of Eren's family home. There, in the basement, they find three notebooks that explain at last the origins of their walled world. In the notebooks, Eren's father recounts a strange childhood and an even darker history: Eighteen centuries ago, one woman obtained the power of the Titans, provoking a racial conflict that ripped humanity apart. The Survey Corps realizes that they have been fumbling around in the dark...but what will they do now that they know the horrific truth?

The Best of Attack on Titan: In Color Vol. 2

The perfect gift for Attack on Titan devotees! Including over 60 coloring pages of gruesome, dramatic, intricate, and hilarious illustrations, including fun games and in-jokes for fans, the Attack on Titan Coloring Book is just what your Survey Corps member desires. • Special large size and premium feel • Thick, white paper suited to any media, from coloring pencils to heavy gouache • Over 60 pages of art and games

Attack on Titan: Kuklo Unbound

The blockbuster action manga that inspired the epic anime stampedes towards its climax! **MARCHING ONWARD** Once hailed as humanity's greatest hope, Eren has since become unrecognizable. With the Attack Titan now morphed into a grotesque, colossal skeleton of its former self, Eren continues to control the wave of Titans laying waste to the world, extinguishing countless homes, towns, and lives in their wake. In order to salvage what's left of humanity, Mikasa, Armin, and the Survey Corps decide to confront Eren head-on. But to stop the Rumbling, they'll have to dedicate much more than their hearts...

Attack on Titan: No Regrets

TURNING ON THEIR OWN The Survey Corps sets a cunning trap to capture the mysterious Abnormal Titan that broke through their ranks. As Armin tries to determine the grotesque creature's identity and purpose, scouts report Titans closing in on all sides! But they don't seem to be after the humans – instead they're targeting the Titan!

Attack on Titan: Colossal Edition 7

ON THE SHOULDERS OF TITANS Fifteen years ago, humanity led a last-ditch attempt to discover the Titans' weakness – a survey expedition to capture one of the beasts. But the ten-meter Titan who appeared during the capture attempt threw the expedition into chaos. Among those who escaped behind Wall Maria was the genius craftsman Angel, a weapon-developer who was participating in the expedition as a researcher. What would he conjure up from this failure?

Attack on Titan Omnibus 8 (Vol. 22-24)

A QUEST FOR VENGEANCE Sharle has taken matters into her own hands to recruit the reclusive Angel, the original inventor of the Device that might one day help humanity fight back against the Titans. But Angel's harrowing experiences have left him scarred, and he may need extra encouragement to rejoin the struggle. Meanwhile, Kuklo remains missing, his fate in the balance...

Attack on Titan Coloring Book

Eren's titanic Rumbling claims thousands of lives beyond the walls of Paradis, and the boy who once lived in fear of the Titans becomes the world's most feared man. Determined to stop the destruction wrought by their childhood friend, Armin, Mikasa, and their surviving comrades reach the Attack Titan

and decide to face him head on in an ultimate showdown. Will humanity finally be set free from the cycle of fear, oppression, and destruction, or will the Titans outlive their victims? FINAL VOLUME!
