Effective Method For Melody Writing And Shaping Of Notes|ABRSM Music Theory Grade 8. Part 1. - Effective Method For Melody Writing And Shaping Of Notes|ABRSM Music Theory Grade 8. Part 1. by Jenny Soh 6,825 views 3 years ago 21 minutes - Effective Method For Melody Writing And Shaping Of Notes|ABRSM **Music Theory Grade 8**,. Part 1. (Simple Time Rhythm).

writing a chalkboard melody with simple time rhythm

use a combination of two quavers

use ternary form for melody writing

end with a tonic

plan our ternary form

copy the opening melody

starts with a d major chord

end the phrase with imperfect cadence

imitate the rhythm from bar one

skip to another note

imitate the rhythm of bar two

compose a melody in bar three and four

end this melody with interrupted cadence

add in the accidentals

add in more notes

write down the main note

start to add in the rhythm

remove some of the notes

end your melody of this bar with another chord note

add in the decoration

add a passing note

finish writing the notes

start your melody

follow the rhetoric pattern and the melody

repeat the melodic shape and the release pattern

start with the same position of the note in that chord

end with the same notes in the same position of the chords

use a syncopated rhythm quaver

belong to the chord note

forget to add in the accidentals

add any more crescendo

### O Christmas Tree Easiest Piano Sheet Music

Easy Piano Arrangement Easy Note Style Sheet Music Letter Names of Notes embedded in each Notehead! Traditional Christmas Carol for Easy Piano A SilverTonalties Arrangement!

### O Christmas Tree Easiest Piano Sheet Music with Colored Notation

Traditional Christmas Carol for Easy Piano A SilverTonalties Arrangement! With Colored Notation to enable Beginner Pianists to read Music quickly and accurately!

### Christmas Piano Songs for Kids

The BEST Christmas Gift for Tiny Aspiring Pianists! Do you have a little one at home who just loves to mess around with the Piano? Maybe they are just dying to play along to their favorite Christmas songs but are put off by all the complicated sheet music and boring teaching methods? Well, you've certainly come to the right place. Our Christmas songbook is just perfect for kids of all ages, even if they have absolutely zero prior experience before playing the piano. You see, every song in this book has only the most basic notation (which is perfect for complete beginners) with all the letters clearly written above each note - so they won't get bogged down with memorizing all the notes first. PLUS all the songs have the lyrics clearly written beneath them, so your little ones can sing their hearts out to all their favorite songs. But maybe you can't remember exactly what all the symbols mean? "Hmm, what was that squiggle again??" Don't worry! We've got you covered. You and your kids will love reading through our crash course to learn piano with our special bonus section at the beginning of the book. It's kid-friendly & fun. Watch their face light up as they effortlessly soak up everything they need to know to then go on and play EVERY song in the book. It's that easy. Take a look for yourself, it's perfect for everyone to have a tinkle with (but be careful - it gets addictive!) Inside you'll find: Simple Sheet Music for 30 Christmas Classics (Jingle Bells, Silent Night, Away in a Manger, Hark! The Herald Angels Sing, The First Noel, We Wish You a Merry Christmas, O Christmas Tree, the list goes on...) FREE MP3 Files for every song - listen before you play. It makes the learning process all the more easier. ALL songs have easy-to-read notation, with labeled notes & clear fonts (great for kids). A BONUS Crash Course for Beginners, teaching everything from basic rhythm to some very clever tricks for knowing what each note is on the piano (hint, it involves a cute dog.) Compose Your Own Music! This section at the end gives your child the unique opportunity to let their creativity run wild, and write their own Christmas carols. No more floppy books! Don't you just hate it when your book keeps falling off the piano stand? They constantly flop all over the place and drive us all crazy! For this reason, we've added extra-large margins and dotted lines to allow your kids to have fun cutting out their favorite pieces to lay out on the piano stand whilst they play. This means no more frantic turning of pages, no more squinting to see what the notes are near the spine of the book. Just effortless reading - 100% enjoyment of the piano music, without any of the hassle. You see, reading sheet music is kinda like learning another language.

It takes time and effort. That's why this book does it in the most fun and easy way possible - through learning Christmas songs! It's the ideal book for young kids and complete beginners to get started with. So what are you waiting for? This book'll make the perfect Christmas gift for your little ones - we know they'll absolutely love it! It's made with love and care (and a whole load of fun!). So scroll up and Buy Now!

Piano Cover | Skylar Grey - Love the way you lie (By Piano Variations) - Piano Cover | Skylar Grey - Love the way you lie (By Piano Variations) by Piano Variations 93,186 views 5 years ago 4 minutes, 29 seconds - Hi everyone, This is my **piano**, cover of Skylar Grey's "**Love the way you lie**," which was also covered by Rihanna and Eminem.

On the first page of our story

The future seemed so bright

Then this thing turned out so evil

Even angels have their wicked schemes

But you'll always be my hero

And you take that to new extremes

Well that's alright because I love the way you lie

Now there's gravel in our voices

Glasses shattered from the fight

Even when I'm right

'Cause you feed me fables from your head

With violent words and empty threats

Are what keeps me satisfied

Just gonna stand there and watch me burn

Just gonna stand there and hear me cry

So maybe I'm a masochist

I try to run but I don't wanna ever leave

Till the walls are going up

In smoke with all our memories
