The Ways of God

Join teacher and best-selling author Henry Blackaby as he shares the ways of God, which are definitely not the ways of the world. The ways of God require faith and obedience, which lead to His fullness of life.

Ways of God Workbook

The Practice of the Presence of God is a wonderful text, compiled by Father Joseph de Beaufort, of the teachings of Brother Lawrence (born Nicholas Herman), a Carmelite Monk. The beautiful compilation includes letters, as well as records of his conversations kept by Brother Lawrence's interlocutors.

The Practice of the Presence of God

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Recovery from Distorted Images of God

National Book Award Finalist: “This man's ideas may be the most influential, not to say controversial, of the second half of the twentieth century.”—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. “Don't be put off by the academic title of Julian Jaynes's *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor.”—The New York Times “When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis.”—John Updike, *The New Yorker* “He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior.”—American Journal of Psychiatry

I Love Jesus, But I Want to Die

Updated and expanded, the second edition of *The Teaching Ministry of the Church* offers churches a step-by-step plan for establishing and maintaining effective teaching methods for every age.

The Origin of Consciousness in the Breakdown of the Bicameral Mind

Do you long for something more in your relationship with God? The good news is that “something more” does not mean “doing more.” God is not waiting for you to get your spiritual life “right.” He wants to be with you right where you are. The real question is not “What does God want from you?” but “What does God want for you?” Sharon Jaynes understands what it's like to have a “glory ache”—a longing to experience God's presence on a daily basis. She also knows how easily working for God can get in the way of intimacy with God. And she's discovered that we tend to make our faith journey much too hard. In *A Sudden Glory*, Sharon uses Scripture and story to help you erase the line between your “spiritual life” and your “daily life” as you enter the sanctuary of God's presence even in the middle of your busy, messy day. Here you will find your eyes opened to moments of sudden glory in which the Creator assures you of His love as you live and move and have your being in Him. Here you will discover true freedom—the freedom of experiencing God in a deeper and more intimate way than ever before. Includes Bible study and discussion guide.

The Teaching Ministry of the Church

This classic of Christian testimony and devotion explores the attributes of God in words that fly straight to the heart. A superb aid to strengthening and deepening the spiritual life, each chapter begins with a prayer, lucidly discusses a divine aspect -- from God's infinity to God's love -- and relates that aspect to today's world, while pointing always to God's wonder and inscrutability." A. W. Tozer asserts that the cause of many of our modern spiritual woes is the loss in today's church of a lofty concept of God. He argues persuasively that the cure lies in our rediscovery of God's majesty. "True religion confronts earth with heaven and brings eternity to bear upon time," says the author in his preface, "The messenger of Christ, though he speaks from God, must also, as the Quakers used to say 'speak to the condition' of his hearers; otherwise he will speak a language known only to himself. His message must be not only timeless but timely. He must speak to his own generation." The message of this book is indeed both timeless and timely. Tozer is primarily concerned with the loss of the concept of 'majesty' from the popular mind and more importantly in the thinking of the church. He sees the church as having surrendered her once lofty concept of God - not deliberately, but little by little and without her knowledge. With this comes a further loss of religious awe and a sense of the divine presence, of an appropriate spirit of worship and of our ability to withdraw inwardly to meet God in adoring silence. Tozer attempts to address this problem, to go back to the causes of the decline and to understand and correct the errors that have given rise to our loss of a sense of the holy. "It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate," he tells us.

A Sudden Glory

Perfect as a textbook yet excellent for lay readers, this updated edition builds a positive case for Christianity by applying the latest thought to core theological themes. J. Gresham Machen once said, "False ideas are the greatest obstacles to the reception of the gospel"-which makes apologetics that much more important. Wanting to engage not just academics and pastors but Christian laypeople and seekers, William Lane Craig has revised and updated key sections in this third edition of his classic text to reflect the latest work in astrophysics, philosophy, probability calculus, the arguments for the existence of God, and Reformed epistemology. His approach-that of positive apologetics-gives careful attention to crucial questions and concerns, including: the relationship of faith and reason, the existence of God, the problems of historical knowledge and miracles, the personal claims of Christ, and the historicity of the resurrection of Jesus. He shows that there is good reason to think Christianity is true. As Craig says, "If you have a sound and persuasive case for Christianity, you don't have to become an expert in comparative religions and Christian cults. A positive justification of the Christian faith automatically overwhelms all competing world views lacking an equally strong case."

The Knowledge of the Holy

Fifty-two meditations on Psalm 27 to instruct and encourage us to worship God through the ups and downs of life. Psalm 27 is a psalm of trouble and worship, of difficulty and beauty, of the evil of people against people, and of the mercy of God. Because of its honesty about life in this fallen world, Psalm 27 speaks into the life of every believer. At the same time it places joyful and self-sacrificing worship next to the trouble that is the psalm's background theme. The blend makes Psalm 27 unique, interesting, practical, challenging and encouraging. This book takes the reader through this roller-coaster ride of a psalm in fifty-two brief and engaging meditations which are designed to fill hearts with patient hope in times of trouble. Reflection questions at the end of the chapter make these meditations thought-provoking and practical.

Reasonable Faith (3rd edition)

The author of *Desiring God* reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Includes a study guide for individual and small-group use. Isn't it true—we really don't know someone until we understand what makes that person happy? And so it is with God! What does bring delight to the happiest Being in the universe? John Piper writes, that it's only when we know what makes God glad that we'll know the greatness of His glory. Therefore, we must comprehend "the pleasures of God." Unlike so much of what is written today, this is not a book about us. It is about the One we were made for—God Himself. In this theological masterpiece—chosen by *World Magazine* as one of the 20th Century's top 100 books, John Piper reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Then we will be able to drink deeply—and satisfyingly—from the only well that offers living water. What followers of Jesus need now, more than anything else, is to know and love—behold and embrace—the great, glorious, sovereign, happy God

of the Bible. "This is a unique and precious book that everybody should read more than once." —J.I. PACKER, Regent College, Vancouver, British Columbia

The Pleasures of God

This collection contains fourteen of Lewis's theological papers on subjects such as Christianity and literature, Christianity and culture, ethics, futility, church music, modern theology and biblical criticism, the Psalms, and petitionary prayer. Common to all of these varied essays are Lewis's uniquely effective style and his tireless concern to relate basic Christianity to all of life.

Gospel Principles

Who is Jesus Christ? You've never met Him in person, and you don't know anyone who has. But there is a way to know who he is. How? Jesus Christ - the divine Person revealed in the Bible - has a unique excellence and a spiritual beauty that speaks directly to our souls and says, "Yes, this is truth." It's like seeing the sun and knowing that it is light, or tasting honey and knowing that it is sweet. The depth and complexity of Jesus shatter our simple mental frameworks. He baffled proud scribes with his wisdom but was understood and loved by children. He calmed a raging storm with a word but would not get himself down from the cross. Look at the Jesus of the Bible. Keep your eyes open, and fill them with the portrait of Jesus in God's Word. Jesus said, "If anyone's will is to do God's will, He will know whether the teaching is from God or whether I am speaking on my own authority." Ask God for the grace to do His will, and you will see the truth of His Son. John Piper has written this book in the hope that all will see Jesus for who he really is and will come to enjoy him above all else.

Christian Reflections

God has more for us than what we are experiencing. We have all limited God in our lives at some point in one way or another. Fear of success, fear of persecution and imaginations are all ways that we limit God. We often see ourselves in a certain way but we have to change that image if we want to experience the abundant life that God has for...

Seeing and savouring Jesus Christ

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Don't Limit God

Rarely do theologians take up the theme of God's beauty--even more rarely do they consider how God's beauty should shape the task of theology itself. But the psalmist says that the heart of the believer's desire is to behold the beauty of the Lord. In *The Beauty of the Lord* Jonathan King restores aesthetics as not merely a valid lens for theological reflection, but an essential one. Jesus, our incarnate Redeemer, displays the Triune God's beauty in his actions and person, from creation to final consummation. How can and should theology better reflect this unveiled beauty? *The Beauty of the Lord* is a renewal of a truly aesthetic theology and a properly theological aesthetics. --

Revelation

This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

The Beauty of the Lord

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers’ intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Dogmatic Constitution on Divine Revelation

God has provided a way for all people, not just scholars, to know that the Bible is the Word of God. John Piper has devoted his life to showing us that the glory of God is object of the soul's happiness. Now, his burden in this book is to demonstrate that this same glory is the ground of the mind's certainty. God's peculiar glory shines through his Word. The Spirit of God enlightens the eyes of our hearts. And in one self-authenticating sight, our minds are sure and our hearts are satisfied. Justified certainty and solid joy meet in the peculiar glory of God.

Cold-Case Christianity

A modern classic--revised with more than 70 percent new material--is based on seven Scriptural realities that teach Christians how to develop a true relationship with the Creator.

A Peculiar Glory

The author paints a picture of Christ's calm in what he calls "the second most stressful day in the life of our Savior." He shows the secret of transforming panic into peace, stress into serenity, and chaos into control.

Experiencing God (2008 Edition)

Central to God's character is the quality of holiness. Yet, even so, most people are hard-pressed to define what God's holiness precisely is. Many preachers today avoid the topic altogether because people today don't quite know what to do with words like "awe" or "fear." R. C. Sproul, in this classic work, puts the holiness of God in its proper and central place in the Christian life. He paints an awe-inspiring vision of God that encourages Christian to become holy just as God is holy. Once you encounter the holiness of God, your life will never be the same.

In the Eye of the Storm

This book is designed for group bible study with open-ended discussion questions at the end of each chapter. For beginners and more seasoned Bible readers.

In *It's Not Supposed to Be This Way*, Lysa invites us into her own journey of faith and, with grit, vulnerability, and honest humor, helps us to: Stop being pulled into the anxiety of disappointment by discovering how to better process unmet expectations and other painful situations. Train ourselves to recognize the three strategies of the enemy so we can stand strong and persevere through unsettling relationships and uncertain outcomes. Discover the secret of being steadfast and not panicking when God actually does give us more than we can handle. Shift our suspicion that God is cruel or unfair to the biblical assurance that God is protecting and preparing us. Know how to encourage a friend and help her navigate hard realities with real help from God's truth.

Letter from the Birmingham Jail

There is only one question which really matters: why do bad things happen to good people?' Out of a faith-shaking and senseless waste of a life comes this remarkable and caring book, which will help many. It has sensible and unorthodox and mind-opening things to say about God - and about ourselves. Its author has wisdom and no bitterness. We can learn from him, about acceptance and guilt and despair and the helplessness we all feel when 'none of it makes sense' when we say 'why them?' or worse 'why us?'. We owe him our thanks' David Kossoff 'Rabbi Kushner writes from a wealth of Jewish wisdom and pastoral devotion, but his theology is, I find, is wholly in keeping with contemporary Christian thought. So far as there is an answer to the conflict between the goodness of God and the bitterness of suffering, this is it' Gerald Priestland 'It will bring new meaning, strength and hope to many' Dame Cicely Saunders, DBE, FRCP

Heaven

A phrase we often use when describing ourselves is "I am." For many, when we look at ourselves and describe what we see, it is not what God intends. We see ourselves through the lens of the way life has shaped us rather than the vision God has of us. We need the corrective lens of God's word guided by His Holy Spirit to correct our vision. You might ask, "What would be different about the way God sees me than the way I see myself?" Quite simply, God knows all there is to know about you. He knows you better than you know yourself. When God sees you, He sees you through the filter of His plans for you—and His plans are significant. When you see yourself through the eyes of God, He enables you to finish the phrase beginning with "I am" in a different way. This book challenges you to complete the thought using the same language to describe yourself God would use. Once you see yourself through the eyes of God, this vision will set you up for success, giving you an outward focus and purposeful excitement as you wake up every morning.

Dangerous Prayers

Faces Beyond Sacred Walls is not a how-to book as much as it is one for individual and church-corporate self-reflections about their social advocacy role to the community of the poor and oppressed. The author takes the reader on a self-examining journey through the difficult and often painful introspective process for addressing the Church's social advocacy role in response to God's original mandate for the poor found throughout the Bible. Using Luke 4:18-19, 21 as his foundational biblical principle for writing, the author stresses the Church, by divine design, has a dual role: evangelism (salvation) and mission (benevolence or poverty relief). In any given context, they may and should complement each other. However, there should be no conflict between ones' commitment as disciples to evangelism and

poverty relief. They are hand-in-hand. Through biblical narratives, the author brings the reader to focus on inner conviction about the advocacy's role of the local church. He begins with the premise that the fundamental starting point for transformation and social engagement is our recognition of the integral value in humanity, the beauty of God so often hidden by sin and failure and pain and brokenness. As you read, you will discover the artful dialogue the author implores in highlighting the importance of self-examination towards transformation and social engagement for the purpose of calling the body of Christ in local churches to committed service and ministry to the community of the poor and oppressed. The author makes it plain that if it is our goal to know Christ and make Him known, then Christ will reveal Himself to us as we come face-to-face with "the least of these" in ways we will never meet Him in a Bible study, prayer meeting, or sermon. The author painstakingly argues and engages the reader through such subject matters as God's Mandate for Social Advocacy, The Early Church Concerns for the Poor, Theological Claims for Social Engagement, The Church's Answer to Poverty, Leadership Paradigm Shift, Social Advocacy Challenges, and Rethinking Programs of the Church. Each subject is designed to present a forum for relevant conversation for anyone concerned about the plight of the poor, poverty, lack of relief or means of navigating the bureaucratic system to access such relief, and the role of the church in such a situation. Using the idea of walls, the reader is drawn into an opportunity for serious reflection and dialogue about church-community relationships. Important, because as the author explains, beyond our "specific" sacred walls you will find the many obscure faces of a socially-hurting society: faces that tell stories. Too often, they are specific faces reduced to nothing more than statistics and, at deeper level, testimonies against churches in their community of influence. They are the poor, deemed marginalize by way of costs spent on their behalf and needs that remain unfulfilled. Seldom are they seen as individuals with personalities and considered as deserving of respect. They are nothing more than obscure faces...waiting to be acknowledged. The conclusion of the author is the church has an obligation to engage the entire membership in a journey of discovery about what God is calling them to be, to know, and to do in their lives, and how they can exercise that calling through the church. It is the journey to understand oneself as living in the presence of God and actively engaging in the disenfranchised poor and oppressed community for relief from injustice, brokenness, and suffering. The world is watching to see who truly loves others enough to take action. God is watching to see who is like Him and will love a poor and needy world. One thing for sure, when the church (collectively and individually) makes social advocacy a priority in its life and ministry, it can never expect to be the same.

I Am. . .

God's purpose in all this was to use the church to display his Wisdom in its rich variety to all the unseen rulers and authorities in the heavenly places. This was his eternal plan, which he carried Out through Christ Jesus our Lord. --Ephesians 3:10-11 the primary reason for Christ's coming was to redeem mankind, to give him an opportunity to reclaim the eternal life that was lost when man sinned in the Garden of Eden. Christ also came so that the power and authority of God's kingdom could be restored. God sent his Son to take on the likeness of man. During the thirty-three years he walked on earth, the Son of God demonstrated for us the kind of life we children of God must live in order to be his followers. His was a life of suffering and service. He wants us to emulate his example. We must do the work that he did. (John 14:12) God is sovereign. His sovereignty and power is not limited. He could have chosen any method to save humanity. However, he chose to send his only begotten son to live, suffer, and finally die on a hill called Calvary for the sins of mankind. Yes, he came and he opened the eyes of the blind, raised people from the dead, fed the hungry, and even cast out demons, but God is bigger than all of that. We must remember that he is sovereign, he is just, and his word is true. He has established his justice from the very beginning of the creation. "If you eat its fruit, you are surely to die." (Gen. 2:17) He gave his only begotten son as a just God, and it is man's own part to invite him into his life through repentance and confession of sins. from the creation, God works with time, and in each generation, he reveals himself in a particular way without changing his ways--not only according to the spiritual need of that generation, but also according to the state of the heart in order to acknowledge the justice and the unsearchable wisdom of God. the result is like the parable of the farmer in the book of Matthew 13. What God has revealed will meet: a. those to whom the domain of ministry is not unveiled to (2 Cor. 4:3-4) b. those with the zeal for God but without God's wisdom (Rom. 10:2-3) c. those with a wrong interpretation of God's word (2 Pet. 3:16) d. those in the broad and easy way (Matt. 7:13) the results of these are distortion of God's word, blaspheming of the Holy Spirit, and confusion and division among those called to teach God's oracles. Whatever our standpoint is, the ministry of deliverance from demonic oppression is complicated for man. It is complicated because it involved direct war between

God's instrument (a mortal blind human being) that must depend totally on God for the power to war against the unseen rulers in the unseen kingdom (demons, evil spirits). Deliverance is complicated and despised because it is not the principal element of our salvation. Nevertheless, as long as it is ignored or malpracticed, the church of God or let's say the children of God will remain weak, vulnerable to the devil, and nonaggressive. Consequently, many children of God will remain in bondage, spiritually weak and sick. Such is seen in Luke 13 with the woman whom the devil held captive for eighteen long years. the children of God will not enjoy the freedom and the abundant life that our Lord, Jesus Christ, gave to them until they learn to operate within the leadership of the Holy Spirit--within the will of God according to his calling in their lives, not within the doctrines of men or denominations. We often hear the testimonies about children of God being delivered. This deliverance, however, is short-lived, and the cycle begins again. Unless we realize that these series of attacks are connected with spiritual bondage, we are doomed to repeat the cycle. We must submit to God and allow him to operate in our lives. Until we do, the agents of darkness will also continue to operate, rule, and occupy prominent positions in our midst. on several occasions, our Lord Jesus Christ performed deliverance in the synagogues. Each time he faced opposition from the religious leaders who were supposed to teach, heal, and deliver the sheep of God from the power of the devil and sin, but because of their personal interest, they were not concerned about the well-being of God's flock (Luke 13:11). Many of us who have received God's revelation in this ministry of deliverance are doing it with wrong motives in order to have many members and make a name for ourselves. to make as much money as possible and, at the same time, making ourselves as the most holy not desiring to undergo deliverance. It required the strong and mighty hand of God and one of his methods--with the help of my wife--in order for me to accept being involved as a deliverance minister in the deliverance ministry. Most of the time, I used to watch my wife engaged in deliverance with reservation. the truth is that whenever she was conducting deliverance, God used to reveal to me what was going on in the spirit; but fear took over, hindering me from being practically involved. I always had in mind that the ministry of demonic deliverance was very dangerous; of course it is. That fear was mostly great because, as a boy, my grandparents told many frightening stories about ghosts and, also, because I myself was still in need of deliverance. My wife's great compassion for souls, her courage, and her experience inherited during her practice in the medical profession--crowned with God's great anointing--makes her very aggressive, bold, and tireless. Fear has never been the case of my wife. I had been a pastor before my wife but was far from being involved in the deliverance ministry. Even though I was not ignorant of the need for a deliverance ministry, she was far ahead of me. About twenty years ago, the Lord told us that the greatest need for his church today was deliverance. He said over ninety percent of the world is in the spirit world, with conscious and unconscious witches and wizards. Considering the fact that God has anointed us in this area of ministry, teaching, and engaging us to train deliverance ministers, we have yielded to the Lord. After several years of visitation, we have finally accepted God's instruction to bring forth our contribution to add to what our other colleagues in the vineyard of God have already done through literature. Acknowledging that this is for the church of God, we are writing this book based on the teachings of the Holy Spirit, many years in the deliverance field across the continents, and our experiences from our spiritual and biological children as well as experiences in our personal lives.

Faces Beyond Sacred Walls

How do I know it's God? is one of the most commonly asked questions of new and mature Christians alike, and the aim of God Conversations is to both equip and inspire the reader and show them that hearing the voice of the Spirit is accessible to everyone who chooses to follow Jesus. Most Christians know that God speaks, yet struggle with how to recognise his voice in their everyday lives. What does God's voice sound like? How do we know if what we're hearing is from God? Stories of God talking to his people abound throughout the Bible, but we usually only get the highlights. We read; "And God said to Joseph; 'Go to Egypt'," and then; "Mary and Joseph left for Egypt." We don't get a blow-by-blow description of how God spoke. We don't receive a detailed explanation of how they knew it was God, and we don't get to see what was going on inside their heads as they acted on what they'd heard. In God Conversations, international speaker and pastor Tania Harris shares insights from her own journey about hearing God's voice. You'll get to eavesdrop on some contemporary conversations with God in the light of his communication with the ancient characters of the Bible. Part memoir, part teaching, this unique and creative collection of stories will help you to recognise God's voice when he speaks and how to respond when you do.

The Sunday teachers' treasury, ed. by W.M. Whittemore

In today's church, there seems to be two well-intentioned groups. "Deed" people feed the hungry and help the poor, while "Word" people proclaim the gospel and engage in apologetics. The two often seem to compete with one another, but God always intended them to be partners. Sacrificial love can grab the attention of those we serve, opening their ears and minds to the words we share. In *Tangible*, author and Pastor Chris Sicks explains how God's people can effectively introduce hurting people to God through intentional acts of kindness. This book does more than discuss these good ideas. It's full of ways to make God known to the needy in your community today. Extra features include: A thorough resource section Ministry examples Discussion questions for personal study or group discussion By sharing both words of truth and deeds of mercy, God's people will reflect Christ's love—the most tangible proof of God's existence.
