However, Croaker doesn't trust any of the Taken, especially not ones that look so much like The Lady and her sister... I am keeping these Annals because Croaker is dead. One-Eye won't, and hardly anyone else can read or write. I will be your guide for however long it takes the Shadowlanders to force our present predicament to its inevitable end..." So writes Murgan, seasoned veteran of the Black Company. Dreams of Steel

Dreams of Steel is Book 5 in Glen Cook's fantasy masterpiece, The Chronicles of the Black Company. Croaker has fallen and, following the Company's disastrous defeat at Dejagore, Lady is one of the few survivors—determined to avenge the Company and herself against the Shadowmasters, no matter what the cost. But in assembling a new fighting force from the dregs and rabble of Taglios, she finds herself offered help by a mysterious, ancient cult of murder—competent, reliable, and apparently committed to her goals. Meanwhile, far away, Shadowmasters conspire against one another and the world, weaving dark spells that reach into the heart of Taglios. And in a hidden grove, a familiar figure slowly awakens to find himself the captive of an animated, headless corpse. Mercilessly cutting through Taglian intrigues, Lady appears to be growing stronger every day. All that disturbs her are the dreams which afflict her by night—dreams of carnage, of destruction, of universal death, unceasing... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Water Sleeps

The survivors of the Black Company attempt to rescue some of their cohorts, long imprisoned.

Soldiers Live

Glen Cook's epic fantasy noir Chronicles of the Black Company continues with Soldiers Live. When sorcerers and demigods go to war, those wars are fought by mercenaries, "dog soldiers," grunts in the trenches. And the stories of those soldiers are the stories of Glen Cook's hugely popular "Black Company" novels. If the Joseph Heller of Catch-22 were to tell the story of The Lord of the Rings, it might read like the Black Company books. There is nothing else in fantasy like them. Now, at last, Cook brings the "Glittering Stone" cycle within the Black Company series to an end . . . but an end with many other tales left to tell. As Soldiers Live opens, Croaker is military dictator of all the Taglias, and no Black Company member has died in battle for four years. Croaker figures it can't last. He's right. For, of course, many of the Company's old adversaries are still around. Narayan Singh and his adopted daughter--actually the offspring of Croaker and the Lady--hope to bring about the apocalyptic Year of the Skulls. Other old enemies like Shadowcatcher, Longshadow, and Howler are also ready to do the Company harm. And much of the Company is still recovering from the fifteen years many of them spent in a stasis field. Then a report arrives of an evil spirit, a forvalaka, that has taken over one of their old enemies. It attacks them at a shadowgate--setting off a chain of events that will bring the Company to the edge of apocalypse and, as usual, several steps beyond. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Cruel Wind

A Cruel Wind: A Chronicle of the Dread Empire collects the legendary Dread Empire trilogy: A Shadow of All Night Falling, October's Baby and All Darkness Met. The war that even wizards dread begins with A Shadow of All Night Falling. Across the mountains called Dragon's Teeth, beyond the chill reach of

the werewind and the fires of the world's beginning, above the walls of the castle Fangdred, stands Wind Tower, from which the Star Rider calls forth the war that even wizards dread. A war fought for a love. The love of a woman called Nepanthe, princess to the storm kings. . . . When the leaves turn blood and the wind turns bone, it is time. A time for doing things dark and strange; the time of October's Baby. The princess bears a child to the winged thing and the cries are heard far beyond the peaks of Dragon's Teeth. Nepanthe and Mocker wait, but for what, they do not know. At Empire's end, Mocker finds old friends in the halls of death. Nepanthe finds new lovers in the fields of blood and bone, while the war-child wields the sword of truth. The Star Rider's dread secret is at last revealed, where All Darkness Met. And so it ends. Though end is but a wizard-word for new beginnings. . . .

The Tyranny of the Night

In a world in which humans are ruled by demons and dark gods, the Praman warrior Else inadvertently defeats a creature of the Dark and is subsequently forced to penetrate the center of a rival religious faction, sparking a dangerous conflict.

Demon in White

The third novel of the galaxy-spanning Sun Eater series merges the best of space opera and epic fantasy, as Hadrian Marlowe continues down a path that can only end in fire. Hadrian has been serving the Empire in military engagements against the Cielcin, the vicious alien civilization bent on humanity's destruction. After Hadrian and his Red Company achieve a great victory, a cult-like fervor builds around him. However, pressures within the Imperial government scared of his rise to prominence result in an assassination attempt, luckily thwarted. With the Empire too dangerous to stay, Hadrian and his crew leave for a massive library on a distant world. There, he finds the next key to unlocking the secrets of the Quiet: a set of coordinates for their origin planet, unnamed and now lifeless. Hadrian's true purpose in serving in the military was to aid his search of a rumored connection between the first Emperor and the Quiet, the ancient, seemingly long-dead race linked to so many of Hadrian's extraordinary experiences. Will this mysterious lost planet have the answers?

Passage at Arms

The Bestselling author of The Black Company Delivers a classic novel of military science fiction The ongoing war between Humanity and the Ulant is a battle of attrition that Humanity is losing. Humans do, however, have one technological advantage — trans-hyperdrive technology. Using this technology, specially designed and outfitted spaceships — humanity's climber fleet — can, under very narrow and strenuous conditions, pass through space undetected. Passage at Arms tells the intimate, detailed, and harrowing story of a climber crew and its captain during a critical juncture of the war. Cook combines speculative technology with a canny and realistic portrait of men at war and the stresses they face in combat. First published in 1985, Passage at Arms is one of the classic novels of military science fiction. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

Rejoice

From the bestselling author of the epic Malazan Book of the Fallen, comes a story of mankind's first contact and a warning about our future. An alien AI has been sent to the solar system as representative of three advanced species. Its mission is to save the Earth's ecosystem - and the biggest threat to that is humanity. But we are also part of the system, so the AI must make a choice. Should it save mankind or wipe it out? Are we worth it? The AI is all-powerful, and might as well be a god. So it sets up some conditions. Violence is now impossible. Large-scale destruction of natural resources is impossible. Food and water will be provided for those who really, truly need them. You can't even bully someone on the internet any more. The old way of doing things is gone. But a certain thin-skinned US president, among others, is still wedded to late-stage capitalism. Can we adapt? Can we prove ourselves worthy? And are we prepared to give up free will for a world without violence? And above it all, on a hidden spaceship, one woman watches. A science fiction writer, she was abducted from the middle of the street in broad daylight. She is the only person the AI will talk to. And she must make a decision.

Daughter of Redwinter

'A real page-turner, one that kept me guessing, and pulling the rug out from under me' Novel Notions
'This fantasy world was beautiful and deadly . . . [I] adored this and will be recommending it to everyone' Netgalley reviewer, ~~RP~~Raine is seventeen-years-old and still on the run. She can see the dead, a secret that could get her killed. Seeking refuge with a deluded cult is her latest bad decision but rescuing an injured woman in the snow is soon revealed to be a horrific mistake. Hazia endangers not just Raine, but the whole world: she's escaped from Redwinter, fortress-monastery of the Draoihn, the warrior magicians who answer to no king or queen of the land, but to their own Grand Master. They will stop at nothing to retrieve what she's stolen. Raine must survive by her wits, and her skill with a bow in a world turned upside down. A battle, a betrayal and a horrific revelation finds her herself inside Redwinter, where anyone caught communing with ghosts is put to death. As conspirators plot to release an ancient enemy, Raine's ability to see the dead might be their only hope, but to use her power would see her condemned. 'A world that won't let you go, along with a strong heroine who pulls you in emotionally, in a story that thrills you . . . This book is a page-turner that kept you hooked the whole time and pulled the rug out from under me!' Verdigris Deep

In the tradition of truly fantastic storytelling, Verdigris Deep is a darkly witty, utterly creepy and clever novel by Frances Hardinge, author of The Lie Tree. Verdigris n. a blue-green rust that tarnishes ageing and forgotten copper coins, altering them entirely . . . One evening, Ryan and his friends steal some coins from a well. Soon after, strange things begin to happen. Peculiar marks burn on Ryan's knuckles and light bulbs mysteriously explode. Then the well witch appears, with her fountains for eyes and gargled demands. From now on the children must serve her – and the wishes rotting at the bottom of her well. 'Everyone should read Frances Hardinge. Everyone. Right now' - Patrick Ness, author of A Monster Calls.

Second Hand Curses

When your fairy godmother threatens to enslave you with a curse - when a malevolent piper solves your rat problem but steals your children - when you seek revenge on the prince who turned you into a frog - who can you turn to in your hour of need? The band of scoundrels known far and wide as the Bastard Champions - the swashbuckling trio who travel a world of legend, seeking adventure and righting wrongs - as long as there's enough gold to be earned. They are Jack, the seemingly unkillable leader whose ever-present grin belies a dark past; Marie, who fights with fury but battles more fiercely to control the beast within; and Frank, the master of logistics, whose cloak hides horrific scars that are far more than skin-deep. As they slash and scheme through kingdom and village alike, the Bastard Champions uncover tantalizing clues to their ultimate quarry: the powerful Blue Fairy, who has made each of their lives a living hell. *Second Hand Curses* adds a dash of sly wit and a heaping portion of action to the fairy tales you thought you knew.

After four long centuries, El Murid is the savior who is destined to build a new empire from the blood his enemies. Or so it seems. El Murid has victory in his grasp, the desert tribes of Hammad al Nakir are rallying around him, and the last remaining thread of the royal lineage wanders the desert with only Heathens to help him. But all is not as it seems, and the sinister forces pulling the strings of empire come into the light. Who and what lies behind El Murid's vision of a desert empire?

Or Else Sure, the mysterious Talen says that he's there to protect Cara and Janie. He also says that he's a three-hundred-year-old vampire. Of course, the way he touches her, Cara might actually believe he's had that long to practice.... “Rebecca Zanetti has created a page-turner of a book, with a heroine willing to fight for the ones she loves and a hero who will literally take your breath—just before he steals your heart.”—Kate Douglas, New York Times–bestselling author “Steamy scenes and some genuinely warm moments.”—Publishers Weekly

Tessa's Trust

When the shoe drops, it always hits her on the head Tessa Albertini has spent much of her life guest-starring in other people's stories. Her older sister is a type-A personality who creates opportunities like other people build hopes, and her younger sister finds trouble like it's an integral strand of her DNA. Finally Tessa's hard work and sacrifice allow her to open that restaurant she's been dreaming about since she was a young teenager working her butt off, regardless of the obstacles now slamming into her. There's an advancing enemy who doesn't want Tessa to succeed in business, while Nonna Albertini is determined she'll succeed in love, no matter how much meddling it takes. Finally, Nick Basanelli, the most arrogant and sexy man she has ever met, zeroes his formidable focus into actually courting her—and that's before he discovers she's in danger and morphs into overprotective alpha male mode. While a family's middle child is supposedly a peacemaker, the world is about to discover that when pushed far enough, Tessa is willing to go to war.

Holiday Rebel

It's not just the family match-makers they have to fear during the New Year... Rory Albertini has survived in a world of espionage and danger by being patient and outwaiting any enemy. So, when his fiancé and the only woman he's ever love dumps him, he immediately creates an attack plan. He gives her time—with a deadline—to deal with the fact that he can't talk about his job but will give everything else in his life, including his heart, to her. Yet when danger comes for her, he might have to reveal the deadly skills he wants to hide and then possibly lose her forever. Serenity McDerny is a stubborn Irishwoman who'd thought she had the ideal life with her hottie Italian fiancé in the best small town in the world. They even picked out rings, when she'd had no clue he wasn't actually with the forest service. The guy is some type of spy! He lied to her, way too easily, and she can't let that go. Now, like some arrogant James Bond, he's given her a deadline to figure things out and get back together with him? While she can handle Rory's stubbornness as well as the danger coming fast, not even Serenity can avoid the Albertini match-makers when they set their sights on her.

Disorderly Conduct

Bullets and Kisses Can Burn The last person Anna Albertini expects to see in an orange jumpsuit in District Court—a place she SO doesn't belong as a new prosecuting attorney—is Aiden Devlin, the man who'd saved her life when they were kids. For years, she has dreamed about him. Now here he is—his eyes blue, his chest wide, and his hands in cuffs. Sure, Aiden says he doesn't want her help, and his ties to a deadly motorcycle club should give her warning. Yes, her new boss is a sexy Italian bad boy who might be using the case to climb to the top. Plus, the detective assigned to the case, with his green eyes and broad shoulders, wants her to stay out of his way. With so much testosterone surrounding her all of a sudden, most women would find it hard to concentrate. This might be why the case leads Anna to yelp during a spa appointment, fall out of a tree, and chase a naked old man around the courtroom. It's a good thing Anna learned a long time ago to be her own hero, no matter how fast the bullets fly or the kisses consume.

Adverse Possession

The plural form of Nemesis is Nemeses Anna Albertini never thought she'd have to look up the plural form of nemesis. In fact, she never thought she'd have one, much less three. But as she and her new partner try to make a go of their fledgling law firm, enemies come from every direction. First, there's a newspaper reporter trying to make a name for herself by dogging Anna's every move. Second, there's a lawyer on the opposite side of every case who just doesn't like Anna. And third, there's Aiden Devlin's ex-girlfriend, who decides to descend upon the sleeping Idaho town like a bird of prey. It's too bad she's discovered dead...after finding herself on the wrong end of a potato gun, putting Anna top of the suspect list. Anna deals with every day as it arrives while juggling her developing relationship with Aiden, trying to pay her rent by finding at least one client who pays, and finally by partnering with her Nonna Albertini in the world's most chaotic plan to match-make her sister with the Elk County's prosecuting attorney, Nick Basanelli. It's a good thing Anna has learned to thrive in chaos.

Holiday Rescue

The Albertini Family is Back in a Holiday Romance! Novella 3.5 between Adverse Possession and Santa's Subpoena Quint Albertini likes his life as a smokejumper and search and rescue expert. He has his dog, his friends, and his freedom. He's had it with women who can't commit or who want him to change, and now all he has to do is dodge the family match-makers so he can live his peaceful life when he's not leaping head first into danger. When Heather Davis gets trapped on a mountain during a wild winter storm, her carefully laid plans of safety and security go right out the snow filled window. Her saviors, dog and man, quickly capture her heart, even though she's trying to remain under the radar from a disastrous past that seems to keep coming for her. While Quint and Heather try to ignore the blazing hot attraction between them, the Albertini family has no intention of letting a possible romance fizzle out—especially during the magical holiday season.

Santa's Subpoena

So Much for Peace During the Holidays Anna Albertini has her hands full during the holiday season. Her boyfriend Aiden is back in town after being undercover across the country for the last three months, and his sudden over-protectiveness is a little too much. In addition, Nonna's latest matchmaking scheme has been so far thwarted by the two most stubborn candidates alive, and Nonna is out of patience and bringing out the big guns. Anna is forced to both protect her sister and run interference, when she'd like to jump in and find a happily ever after for everyone instead. To add to her already hectic life, her life-long stalker is about to make a move and doesn't hide that frightening fact, although Anna is more than ready for him. In fact, she's willing to draw him out to finally bring him down—regardless of the consequences. Finally, Santa has been arrested and charged for murder, needing a good lawyer. Who would arrest Santa? Anna can't let this stand. It's a good thing Christmas is a time of magic and miracles, because she's going to need one.

Shifter

He's an alpha without a pack...She's part of the deal As the only living wolf pack member with the tiniest drop of alpha blood in her veins, Luna McElhanney is suddenly thrust into the spotlight. Normally content in her solitude, she's fixated on defeating a deadly enemy in her lab, and now she's the one being hunted. There's only one solution, according to the pack, and that's for her to mate Erik Volk and bring him into the fold. Erik Volk has been fascinated by the petite wolf shifter from the moment he'd kidnapped her so she could help his family, which she cheerfully did. He's dedicated to his job as the Enforcer for his brother's pack, but the Alpha in him keeps yanking against the chains. When Luna falls into danger, he has no choice but to let the Alpha loose and become the Shifter they all should fear.

Habeas Corpus

Aiming for Love, Landing in Mayhem While Valentine's Day is supposed to be full of romance and flying hearts, this year, Anna finds herself defending a misplaced Cupid, dodging a gang of thieving arrow shooters, and assisting Nick Bassaneli, her stubborn potential brother-in-law, with a bogus murder charge. Meanwhile, she's trying to find her sexy boyfriend the perfect gift, when all he wants is for her

to show up to Valentine's dinner without danger on her heels. Speaking of danger, Aiden Devlin is a little too secretive about his newest investigation, and something is hanging heavy over his head, but the stubborn Irishman refuses to share. Anna begins to fear that the 'bogus' murder charge might not be so bogus, and Nick truly could be in trouble. Unfortunately for Aiden, the Albertini family is full of self-proclaimed sleuths, and they're more than eager to crack the case before he can reach his own conclusions. During the season of love, Anna is forced to juggle her meddling family, solve the puzzle of the chaotic Cupids, save her potential brother-in-law, and arrive at Valentine's Day dinner in one piece. Hey, miracles can happen.

Snap is the biker-boy-next door with the snowy blue eyes, quiet confidence and sweet disposition who was supposed to keep her safe...and fell down on that job. **HAWKYN: A Demonica Novella** by Larissa Ione As a special class of earthbound guardian angel called Memitim, Hawkyn is charged with protecting those whose lives are woven into the fabric of the future. His success is legendary, so when he's given a serial killer to watch over, he sees no reason for that to change. But Hawkyn's own future is jeopardized after he breaks the rules and rescues a beautiful woman from the killer's clutches, setting off an explosive, demonic game of cat and mouse that pits brother against brother and that won't end until someone dies. **RIDE DIRTY: A Raven Riders Novella** by Laura Kaye Caine McKannon is all about rules. As the Raven Riders' Sergeant-at-Arms, he prizes loyalty to his brothers and protection of his club. As a man, he takes pleasure wherever he can get it but allows no one close—because distance is the only way to ensure people can't hurt you. And he's had enough pain for a lifetime. Kids and school are kindergarten teacher Emma Kerry's whole life, so she's stunned to realize she has an enemy—and even more surprised to find a protector in the intimidating man who saved her. Tall, dark, and tattooed, Caine is unlike any man Emma's ever known, and she's as uncertain of him as she is attracted. Every Dark Nights tale is breathtakingly sexy and magically romantic.

Guardian's Grace

Duty—or desire? Vampire soldier Adare O'Cearbhaill's default setting is cranky. Or irritated. Or down-right hostile. Still, as a Highlander of honor and duty, he stepped up to save an enhanced and special human female by mating her—with merely a bite and a brand. The last person he wants in his life is a fragile human, yet he can't get her out of his mind as she regains her strength before taking off for parts unknown. And when he discovers she is in danger, nothing can stop him from hunting her down—whether she likes it or not. There's only one way to find out . . . Photographer Grace Cooper has had it with vampires, demons, and the rest of an immortal world she was happier not knowing about. She also doesn't believe she's destined for some great battle because of an old birthmark. Forget the fact that her mate is the sexiest thing on two stubborn feet, or that her brand is fading along with her health. She'll handle things on her own—until an old enemy reappears and she learns the only way to stay alive is to actually mate, wild sex and all, with that ripped and dangerous Adare—a powerful, captivating Highlander who demands nothing less than everything . . . Shadows

A match made in hell? Devon and Tanner fight like... well, cats and dogs. Which makes sense since hellcats and hellhounds aren't exactly a match made in heaven. Unfortunately, their demons' antipathy towards each other is matched only by the red-hot sexual tension between Tanner and Devon. It's driving them - and their long-suffering friends Harper and Knox - mad. When Devon is nearly kidnapped, Tanner's protective instincts kick into overdrive - he's sticking by her side, day and night. But staying so close means their hunger can no longer be denied . . . They know their demons won't accept the match, but after one red-hot night they'll fight to stay together as long as they can, even though shadows are gathering around them. Devon's would-be kidnapper is still on the loose, a serial killer carrying rage from a twisted past threatens the lair and, most of all, Tanner and Devon are losing themselves to the heat between them. When this relationship goes up in flames, it could be a blaze that neither of them can walk away from . . . There's Nowhere To Hide When Conn and Moira tumbled on the moonlit grass, Conn hadn't meant to mark her as his mate for all time. She was only twenty! But it wasn't easy to wait for her. It was even harder to forget her. So when he finally returns for his wicked-hot witch, he's ready to let the sparks flying. Even if he burns up in flames. . . Vampire's Faith

A psychic doctor discovers her latest coma patient is a vampire in this paranormal romance from the New York Times--bestselling author of Fated. Vampire Ronan Kayrs wasn't supposed to survive the savage sacrifice he willingly endured to rid the world of the ultimate evil. He wasn't supposed to emerge in this time and place, and he sure as hell wasn't supposed to finally touch the woman who's haunted his dreams for centuries. Yet here he is, in an era where vampires are hidden, the enemy has grown stronger, and his mate has no idea of the power she holds. Dr. Faith Cooper is flummoxed by irrefutable proof that not only do vampires exist...they're hot blooded, able to walk in sunlight, and shockingly sexy. A Light Amongst Shadows

James Spencer is hardly the typical troubled youth who ends up at Whisperwood School for Boys. Instead of hating the strict schedules and tight oversight by staff, James blossoms, quickly making friends, indulging in his love of writing, and contemplating the merits of sneaking love poems to the elusive and aloof William Esher. The rumours about William's sexuality and opium reliance are prime gossip material amongst the third years...rumours that only further pique James' curiosity to uncover what William is really like beneath all that emotional armor. And, when the normally collected William stumbles in one night, shaken and ranting of ghosts, James is the only one who believes him. James himself has heard the nails dragging down his bedroom door and the sobs echoing in the halls at night. He knows others have, too, even if no one will admit it. The staff refuses to entertain such ridiculous tales, and punishment awaits anyone who brings it up. Their fervent denial and the disappearance of students only furthers James' determination to find out what secrets Whisperwood is hiding...especially if it prevents William and himself from becoming the next victims.

The Shadow of What Was Lost

M. M. Kaye, author of The Far Pavilions, sweeps her readers back to the vast, glittering, sunbaked continent of India. Shadow of the Moon is the story of Winter de Ballesteros, a beautiful English heiress

who has come to India to be married. It is also the tale of Captain Alex Randall, her escort and protector, who knows that Winter's husband to be has become a debauched wreck of a man. When India bursts into flaming hatreds and bitter bloodshed during the dark days of the Mutiny, Alex and Winter are thrown unwillingly together in the brutal and urgent struggle for survival.

Shadow of the Moon

From George Lucas, creator of Star Wars(r) and Indiana Jones, and Chris Claremont, author of the bestselling X-Men adventures, comes the thrilling sequel to Shadow Moon, taking readers deeper into a stunningly original world of magic, myth, and legend. The momentous Ascension of Princess Elora Danan should have brought peace to the Thirteen Realms. Instead, an intense Shadow War rages, spearheaded by the evil Mohdri. He has dispatched his dread Black Rose commando assassins to capture Elora and her sworn protector, Thorn Drumheller. But Mohdri himself is just a facade for a more dangerous entity: the Deceiver. But who--or what--is the Deceiver? And how can Elora, Thorn, and their ragtag band defeat this unspeakable force? The answer lies in a perilous journey to a land undisturbed since the dawn of time. A journey that will end at the unbreachable citadel of the dragon, where a chilling betrayal will change the fate of Elora, Thorn, and the Thirteen Realms forever.

Shadow Dawn

From New York Times and USA Today bestselling author Rebecca Zanetti comes a new story in her Dark Protectors/Rebels series... Tabi Rusko has a simple to-do list: Rob a bank, steal a recording, set up a lucrative factory, and survive the assassins on her tail. Sure, she's a demoness with the cunning and instincts that come with her species, but she's always spent more time exploring than training, and her fighting skills are okay at best. One sexy man, a human cop no less, is responsible for her being stuck in a small hick town and forced into a human anger-management group that's crazier than her. To make matters worse, his dangerous blue eyes and hard body leave her breathless and ready to rumble, and his overbearing attitude is a challenge a demoness can't refuse. Evan O'Connell just wants to enjoy his time out of the military by policing a small town and hopefully pulling cats from trees and helping old ladies cross the street before he succumbs to the disease plaguing him. The last thing he needs is a stunning, too sexy, pain in the butt blonde casing his bank and causing a ruckus everywhere she goes. There's something different about her that he can't figure out, and when she offers him immortality in exchange for her freedom, he discovers that isn't enough. One touch of her, a whirlwind beyond his imagination, and he wants the Vixen to be his forever, as soon as he takes care of the centuries old killers on her tail. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.**
