"Saves a piece of Florida political history by narrating the personal stories of the state's 'minority trailblazers' from the Civil Rights Movement to the present day."--Richard E. Foglesong, author of *Immigrant Prince: Mel Martinez and the American Dream* "Captures Florida's ongoing political transition from a 'yellow-dog,' lily-white state to one where diversity is beginning to make an impact on politics."--Doug Lyons, former senior editorial writer, South Florida Sun-Sentinel

Florida experienced a population surge during the 1960s that diversified the state and transformed it into a microcosm of the nation, but discrimination remained pervasive. With the passage of the Civil Rights Act of 1964 and the Voting Rights Act of 1965, along with later rulings on redistricting and term limits, the opportunity to participate in government became more and more possible for previously silenced voices. Drawing primarily from personal interviews, Susan MacManus recounts the stories of the first minority men and women--both Democrat and Republican--who were elected or appointed to state legislative, executive, and judicial offices and to the U.S. Congress since the 1960s. She reveals what drove these leaders to enter office, how they ran their campaigns, what kinds of discrimination they encountered, what rewards each found during their terms, and what advice they would share with aspiring politicians. In addition to the words of the officeholders themselves, MacManus provides helpful timelines, photos, biographical sketches of each politician, and election results from path-breaking victories. The book also includes comprehensive rosters of minority individuals who have held state offices and those who have gone on to represent Florida in the federal government. Full of inspiring stories and informative statistics, *Florida's Minority Trailblazers* is an in-depth rendering of personal struggles--guided by opportunity, ambition, and idealism--that have made Florida the vibrant, diverse state it is today. Susan A. MacManus is Distinguished University Professor in the Department of Government and International Affairs at the University of South Florida and the coauthor of *Politics in Florida* and *Politics in States and Communities*. A volume in the series *Florida Government and Politics*, edited by David R. Colburn and Susan A. MacManus

The story takes up where "Amelia's Secrets" left off; after the murder trial held in Jacksonville, Florida where the accused, great-great-grandson of President Thomas Jefferson, T. J. Eppes murderer of one of his best friends and father of six children walks out of the courtroom a free man. He returns to Amelia Island there to carry on life as usual with his beautiful young bride Katie, expecting their first child, only to find life for her to be a daily trial by a jury of her peers; an impossible situation in the end. Our protagonist John Whitner describes in detail not only their lives culminating in the great hurricane of 1898, which nearly devastates the island but through the lives of the Carnegies of Cumberland Island, Mrs. Leddy owner and operator of the Florida House Hotel and her only child Grace from age eight through her progression to adulthood, marriage, babies and widowhood at the young age of twenty one. John, himself reveals his journey through all this, his relationship with Pauline; it's ups and downs, a new woman in his life (or women) as well as his passion for photography in the many places he visits, Jekyll Island, Charleston, S. C. during the earthquake of 1886 and Chicago's World's fair of 1893. Meticulous research and beautiful descriptions bring nineteenth century Amelia Island to life. With creative flair, Ms. Carter-de Vries uses the first person narrative of her storyteller, John Whitner, to recreate the turbulence of natural disasters and society's mores and make the past inhabitants of Amelia Island walk off the pages. Whether you're a visitor to the island or a life-long resident, you will find much to enjoy in Carter-de Vries' *Golden Years*, *Silver Tears*. Selkies Are a Girl's Best Friend

During the late 1800s and early 1900s, it was common practice for milliners to decorate women's hats with birds' feathers and plumes--and sometimes with the birds themselves. As many as 300 million birds per year were killed for this fashionable enterprise, causing the extinction of some entire species and the endangerment of others. Lawmakers and bird aficionados were slow to react to the effects of this practice, which went on almost unabated for a quarter of a century. Then, noted naturalists like George Bird Grinnell, William T. Hornaday, and President Theodore Roosevelt, who recognized the economic benefits birds provided, banded together to pass meaningful legislation to protect them and to curb the production of murderous millinery. This book explores the troubled history of millinery and its complicated relationship to birds and conservation. It explores why it took so long for the slaughter to end and how the efforts of individuals and groups brought about change.

John S. turned his little house on Genessee Avenue in Fort Wayne, Indiana, into a place where he sponsored, over the years, a long series of alcoholics and addicts, and led them to sobriety through Alcoholics Anonymous and the twelve steps. Many of these people came from very rough backgrounds, including hardened ex-cons and people who rode in motorcycle gangs, but what you see in them now is a combination of strength and gentleness, of fearlessness and kindness, and of what is still the old toughness, but mixed now with a marvelous depth of love and spiritual presence. In this book he and seven of the people he sponsored tell the story of how their alcoholism and addiction led them into lives of desperation and despair, but how practicing a set of simple daily actions enabled them to recover from their seemingly hopeless affliction. In John's early life he was a great sailor, using St. John in the Virgin Islands as his base and taking fast sailboats for adventure and commerce through the waters of the Southern Atlantic and Caribbean Sea. He worked for many years at a special martial arts dojo, and rode motorcycles which could outrun anything else on the road. But in 1985, he put aside alcohol and drugs, and by 1994 he was devising the method which he lays out in this book. Eleven of the first twelve people he tried it on got sober and stayed sober. It is built on the Big Book of Alcoholics Anonymous, the Joe and Charlie tapes, and the teachings of the good Fort Wayne physician Dr. Zweig. John boils it down into something so simple that anyone can understand how to do it. And it works! People all over

John's part of the country have seen it work for the past 18 years, again and again, for the toughest, the angriest, the most rebellious, and the most self-destructive alcoholics and addicts in the world.

The Bear

From National Book Award in Fiction finalist Andrew Krivak comes a gorgeous fable of Earth's last two human inhabitants, and a girl's journey home. In an Edenic future, a girl and her father live close to the land in the shadow of a lone mountain. He is preparing her for an adulthood in harmony with nature, for they are the last of humankind. But when the girl finds herself alone in an unknown landscape, it is a bear that will lead her back home through a vast wilderness that offers the greatest lessons of all, if she can only learn to listen. A cautionary tale of human fragility, of love and loss, *The Bear* is a stunning tribute to the beauty of nature's dominion. Andrew Krivak is the author of two previous novels: *The Signal Flame*, a Chautauqua Prize finalist, and *The Sojourn*, a National Book Award finalist and winner of both the Chautauqua Prize and Dayton Literary Peace Prize. He lives with his wife and three children in Somerville, Massachusetts, and Jaffrey, New Hampshire, in the shadow of Mount Monadnock, which inspired much of the landscape in *The Bear*.

The Bear Book brings together an impressive range of bear--usually big, hairy men who favor full-face beards and prefer to wear jeans and flannel shirts--viewpoints to explore this unique social and cultural phenomenon that stretches from America to western Europe to Australia! On the personal level, you learn what beardom means to different people in their daily lives, and on a broader level, its cultural implications for not only the gay community, but also society as a whole. As this book moves across the wide spectrum of bear identities, you learn about the defining forces of identity, the significance of differences among masculinities, and the shapings of the bear movement from different viewpoints. The Bear Book is the first compilation of sociological and cultural analytical investigations of the contemporary gay bear phenomenon. To this end, Editor Les Wright brings together both objective and subjective viewpoints to create a forum where bears can speak for themselves. Through their voices, you'll learn about: bears and sexual identity gay male iconography socializing on the Internet sexual politics (gender, class, "looks-ism," and body image) gay mass media, the single most powerful force in the current construction of "bears" bears, power, and glamor bear-as-image vs. bear-as-attitude Gays, lesbians, lesbian scholars, bears, and social scientists are sure to find The Bear Book thought-provoking and insightful as it broaches questions such as: Are bears caught up in a utopian-romantic impulse to reinvent themselves? What was radical lesbianism's impact on the bear movement? To what extent are bears only another group of exploited consumers in a fragmented market system? And, is it possible to establish social liberation through enslavement to your sexual passions? For both your pleasure and your education, The Bear Book examines nearly every corner of beardom, including bear history, identity, social spaces, iconography, and its constituency abroad.

Eddy and the Bear

"A gently absorbing tale which smoothly splices poignant family drama with suspenseful Cold War thriller," from the author of *Hunting Unicorns*. (Daily Mail). In 1980 Germany, under Cold War tension, a mole is suspected in the British Embassy. When the diplomat Nicky Fleming dies—suddenly and suspiciously—some find it convenient to brand him the traitor. As the government digs into Nicky's history, his wife Letty hopes to salvage their family by taking their three children to live on an island in Scotland's Outer Hebrides. But the isolated shores of her childhood retreat only intensify their distance, and it is Letty's youngest child, Jamie, who alone holds on to the one thing he's sure of: his father promised to return. And he was a man who never broke a promise. Named an O Magazine Summer Reading Pick and a selection for NPR's "Books with Personality," *The Summer of the Bear* reads like "García Márquez meets *le Carré* meets A.A. Milne at times, with hints of William Golding at others" (Kirkus Reviews, starred review).

But then Anna awakes in the night to the sound of something moving in the shadows. Her father is terrified. Her mother is screaming. Then, silence. A delightful children's book "filled with surreal gags about prepositions and adverbs, cheerful absurdity, and down the rabbit hole-style musings" (School Library Journal). One day, a few minutes after Once Upon a Time, a bear awakes to find he has lost something very important: himself! He sets out into the Fabulous Forest to find himself, using only a few clues scrawled on a piece of paper: the bear he's looking for is a nice bear; he is a happy bear; and he's very handsome too! These sound like pretty good qualities to Bear, and so begins his memorable journey. With the help of critters like the Convenience Cow, the Lazy Lizard, the Turtle Taxi, and the Penultimate Penguin, Bear finds that he himself is just what he's been looking for all along: a nice, happy bear—and handsome too! The Mermaid and The Bear

This is the inspiring and charming true story of one of the Second World War's most unusual combatants - a 500-pound cigarettesmoking, beer-drinking brown bear. Originally adopted as a mascot by the Polish Army in Iran, Wojtek soon took on a more practical role, carrying heavy mortar rounds for the troops and going on to play his part as a fully enlisted 'soldier' with his own rank and number during the Italian campaign. After the war, Wojtek, along with some of his Polish compatriots from II Corps, came to Berwickshire, where he became a significant member of the local community before subsequently moving to Edinburgh Zoo. Wojtek's retirement was far from quiet: a potent symbol of freedom and solidarity for Poles around the world, he attracted a huge amount of media interest that shows no sign of abating almost 50 years after his death.

The Opposite of Loneliness

The instant New York Times bestseller and publishing phenomenon: Marina Keegan's posthumous collection of award-winning essays and stories "sparkles with talent, humanity, and youth" (O, The Oprah Magazine). Marina Keegan's star was on the rise when she graduated magna cum laude from Yale in May 2012. She had a play that was to be produced at the New York Fringe Festival and a job waiting for her at The New Yorker. Tragically, five days after graduation, Marina died in a car crash. Marina left behind a rich, deeply expansive trove of writing that, like her title essay, captures the hope, uncertainty, and possibility of her generation. Her short story "Cold Pastoral" was published on NewYorker.com. Her essay "Even Artichokes Have Doubts" was excerpted in the Financial Times, and her book was the focus of a Nicholas Kristof column in The New York Times. Millions of her contemporaries have responded to her work on social media. As Marina wrote: "We can still do anything. We can change our minds. We can start over... We're so young. We can't, we MUST not lose this sense of possibility because in the end, it's all we have." The Opposite of Loneliness is an unforgettable collection of Marina's essays and stories that articulates the universal struggle all of us face as we figure out what we aspire to be and how we can harness our talents to impact the world. "How do you mourn the loss of a fiery talent that was barely a tendril before it was snuffed out? Answer: Read this book. A clear-eyed observer of human nature, Keegan could take a clever idea...and make it something beautiful" (People).

From the National Book Award-winning author of "The Corrections," a collection of essays that reveal him to be one of our sharpest, toughest, and most entertaining social critics While the essays in this collection range in subject matter from the sex-advice industry to the way a supermax prison works, each one wrestles with the essential themes of Franzen's writing: the erosion of civil life and private dignity; and the hidden persistence of loneliness in postmodern, imperial America. Reprinted here for the first time is Franzen's controversial 1996 investigation of the fate of the American novel in what became known as "the Harper's essay," as well as his award-winning narrative of his father's struggle with Alzheimer's disease, and a rueful account of his brief tenure as an Oprah Winfrey author.

Reading is a revolutionary act, an act of engagement in a culture that wants us to disengage. In *The Lost Art of Reading*, David L. Ulin asks a number of timely questions - why is literature important? What does it offer, especially now? Blending commentary with memoir, Ulin addresses the importance of the simple act of reading in an increasingly digital culture. Reading a book, flipping through hard pages, or shuffling them on screen - it doesn't matter. The key is the act of reading, the seriousness and depth. Ulin emphasizes the importance of reflection and pause allowed by stopping to read a book, and the focus required to let the mind run free in a world that is not one's own. Far from preaching to the choir, *The Lost Art of Reading* is a call to arms, or rather, pages.

The Lost Art of Reading

"Generous and entertaining." -Publishers Weekly (starred review) Finalist for the PEN/Diamonstein-Spielvogel Award for the Art of the Essay From the #1 New York Times bestselling author and columnist comes a "fiercely funny, powerfully smart, and remarkably brave" (Cheryl Strayed) collection of heartwarming personal essays "as wonderful as her fiction" (Mindy Kaling) that "will enthusiastically reach out to readers and swiftly draw them close" (Publishers Weekly, starred review). Jennifer Weiner is many things: a bestselling author, a Twitter phenomenon, and an "unlikely feminist enforcer" (The New Yorker). She's also a mom, a daughter, and a sister, a clumsy yogini, and a reality-TV devotee. In this "unflinching look at her own experiences" (Entertainment Weekly), Jennifer fashions tales of modern-day womanhood as uproariously funny and moving as the best of Nora Ephron and Tina Fey. No subject is off-limits in these intimate and honest essays: sex, weight, envy, money, her mother's coming out of the closet, her estranged father's death. From lonely adolescence to hearing her six-year-old daughter say the F word-fat-for the first time, Jen dives into the heart of female experience, with the wit and candor that have endeared her to fans all over the world.

NATIONAL BESTSELLER ONE OF THE BEST BOOKS OF THE YEAR: VOGUE • FORBES • BOOK-PAGE • NEW YORK POST • WIRED "I have not been as profoundly moved by a book in years." —Jodi Picoult Even after she left home for Hollywood, Emmy-nominated TV writer Bess Kalb saved every voicemail her grandmother Bobby Bell ever left her. Bobby was a force—irrepressible, glamorous, unapologetically opinionated. Bobby doted on Bess; Bess adored Bobby. Then, at ninety, Bobby died. But in this debut memoir, Bobby is speaking to Bess once more, in a voice as passionate as it ever was in life. Recounting both family lore and family secrets, Bobby brings us four generations of indomitable women and the men who loved them. There's Bobby's mother, who traveled solo from Belarus to America in the 1880s to escape the pogroms, and Bess's mother, a 1970s rebel who always fought against convention. But it was Bobby and Bess who always had the most powerful bond: Bobby her granddaughter's fiercest supporter, giving Bess unequivocal love, even if sometimes of the toughest kind. *Nobody Will Tell You This But Me* marks the creation of a totally new, virtuosic form of memoir: a reconstruction of a beloved grandmother's words and wisdom to tell her family's story with equal parts poignancy and hilarity.

Nobody Will Tell You This But Me

"Brisk, ironic ... scalpel-sharp.... A funny, cohesive, and moving collection of stories." --The New York Times Book Review In these tales of loss and pleasure, lovers and family, a woman learns to conduct

an affair, a child of divorce dances with her mother, and a woman with a terminal illness contemplates her exit. Filled with the sharp humor, emotional acuity, and joyful language Moore has become famous for, these nine glittering tales marked the introduction of an extravagantly gifted writer.

'Every person - parent or not - ought to read this . . . beautifully written and searingly honest' i Like grief or falling in love, becoming a mother is an experience both ordinary and transformative - one that not only turns your world upside-down, but your inner self, too. In this frank, funny and fearless memoir, Marianne Levy writes with heart-wrenching honesty about love and loss, rage and pain, fear and joy. She breaks the silence around the emotional turmoil of raising a child and asks why motherhood is at once so venerated and so undervalued. Here is the real story of being a mother in the modern world, voicing the unspoken truths that everyone needs to hear. Don't Forget to Scream

In this taut and thrilling debut, an unraveling woman, unhappily childless and recently separated, becomes fixated on her neighbor--the beautiful, famous actress. The unnamed narrator can't help noticing with wry irony that, though she and the actress live just a few doors apart, they are separated by a chasm of professional success and personal fulfillment. When an interaction with the actress at the annual block party takes a disastrous turn, what began as an innocent preoccupation spirals quickly, and lethally, into a frightening and irretrievable madness.

BELIEVER BOOK AWARD FINALIST "In prose shimmering with intelligence and compassion, Michelle Latiolais dissects the essentials of everyday life to find the heartbeat within."—Alice Sebold, author of *The Lovely Bones* "Widow is a hymn to reverence, simultaneously heartbroken and celebratory. Michelle Latiolais has given us the rarest item, a splendidly articulated masterpiece." —William Kittredge "In this luminous collection of stories, the gifted Michelle Latiolais writes of loss in all its surprising manifestations. Widow is a devastation and a wonder." —Christine Schutt "There is something mysterious about this book, as there always is in the writing that matters most. It eludes explanation. It illumines terrifying realities. Only because these pages seem nakedly willing to take the imprint of every emotion, no matter how ugly, do they possess this great beauty." —Elizabeth Tallent The stories of *Widow* conjure the nuances of inner sensations as if hitting the notes of a song, deftly played across human memory. These meditations bravely explore the physiology of grief through a masterful interweaving of tender insight and unflinching detail—reminding us that the inner life is best understood through the medium of storytelling. Among these stories of loss are interwoven other tales, creating a bridge to the ineffable pleasures and follies of life before the catastrophe. Throughout this collection, Latiolais captures the longing, humor, and strange grace that accompany life's most transformative chapters. Michelle Latiolais is the author of *Widow: Stories*, a New York Times Editor's Choice selection, and two previous novels, including *A Proper Knowledge*, also published by Bellevue Literary Press. She is the recipient of the Gold Medal for Fiction from the Commonwealth Club of California and an English professor and co-director of the Programs in Writing at the University of California at Irvine.

When I Was A Child I Read Books

Piranesi lives in the House. Perhaps he always has. In his notebooks, day after day, he makes a clear and careful record of its wonders: the labyrinth of halls, the thousands upon thousands of statues, the

tides that thunder up staircases, the clouds that move in slow procession through the upper halls. On Tuesdays and Fridays Piranesi sees his friend, the Other. At other times he brings tributes of food and waterlilies to the Dead. But mostly, he is alone. Messages begin to appear, scratched out in chalk on the pavements. There is someone new in the House. But who are they and what do they want? Are they a friend or do they bring destruction and madness as the Other claims? Lost texts must be found; secrets must be uncovered. The world that Piranesi thought he knew is becoming strange and dangerous

Bold and inventive in style, *City of Night* is the groundbreaking 1960s novel about male prostitution. Rechy is unflinching in his portrayal of one hustling 'youngman' and his search for self-knowledge among the other denizens of his neon-lit world. As the narrator moves from Texas to Times Square and then on to the French Quarter of New Orleans, Rechy delivers a portrait of the edges of America that has lost none of its power. On his travels, the nameless narrator meets a collection of unforgettable characters, from vice cops to guilt-ridden married men eaten up by desire, to Lance O'Hara, once Hollywood's biggest star. Rechy describes this world with candour and understanding in a prose that is highly personal and vividly descriptive.

City of Night

In the tradition of John Jeremiah Sullivan and David Foster Wallace, Cheston Knapp's *Up Up, Down Down* "is an always smart, often hilarious, and ultimately transcendent essay collection" (Anthony Doerr, Pulitzer Prize-winning author of *All the Light We Cannot See*) that brilliantly explores authenticity and the nature of identity. Daring and wise, hilarious and tender, Cheston Knapp's "glittering" (Leslie Jamison) collection of seven linked essays tackles the Big Questions through seemingly unlikely avenues. In his dexterous hands, an examination of a local professional wrestling promotion becomes a meditation on pain and his relationship with his father. A profile of UFO enthusiasts ends up probing his history in the church and, more broadly, the nature and limits of faith itself. Attending an adult skateboarding camp launches him into a virtuosic analysis of nostalgia. And the shocking murder of a neighbor expands into an interrogation of our culture's prevailing ideas about community. Even more remarkable, perhaps, is the way he manages to find humanity in a damp basement full of frat boys. Taken together, the essays in *Up Up, Down Down* amount to a chronicle of Knapp's coming-of-age, a young man's journey into adulthood, late-onset as it might appear. He presents us with formative experiences from his childhood to marriage that echo throughout the collection, and ultimately tilts at what may be the Biggest Q of them all: what are the hazards of becoming who you are? With "a firmly tongue-in-cheek approach to the existential crises of male maturity for the millennial generation...Knapp's intelligent take on coming-of-age deserves to be widely read" (Publishers Weekly). "Compelling...Precise and laugh-inducing" (The New York Times Book Review), *Up Up, Down Down* signals the arrival of a truly one-of-a-kind voice.

Up Up, Down Down

A bold new short story collection from one of the most exhilarating and innovative writers of our time. The stories in *Leaving the Sea* take place in a world which is a distortion of our own, where strange illnesses strike at random and where people disappear without a trace. Ben Marcus has created a labyrinth populated by disturbed, weary men; from the frustrated creative writing teacher to the advocate of self-inhumation; from Paul, whose return home leads him further into his isolation, or Mather, whose child is sick, to an unnamed narrator who spends his lonely evenings calculating the probabilities of his mother's imminent demise. Dark, funny and utterly unique, *Leaving the Sea* showcases a writer at the height of his powers.

Leaving the Sea

THE SUNDAY TIMES BESTSELLER 'Memoir of the year' - Vogue 'A wondrous, sensuous memoir of salt-stung survival . . . clear-eyed and poetic prose' Sunday Times 'A fascinating memoir' - Daily Mail When Tamsin Calidas first arrives on a remote island in the Scottish Hebrides, it feels like coming home. Disenchanted by London, she and her husband left the city and high-flying careers to move the 500 miles north, despite having absolutely no experience of crofting, or of island life. It was idyllic, for a while. But as the months wear on, the children she'd longed for fail to materialise, and her marriage breaks down, Tamsin finds herself in ever-increasing isolation. Injured, ill, without money or friend she is pared right back, stripped to becoming simply a raw element of the often harsh landscape. But with

that immersion in her surroundings comes the possibility of rebirth and renewal. Tamsin begins the slow journey back from the brink. Startling, raw and extremely moving, *I Am An Island* is a story about the incredible ability of the natural world to provide when everything else has fallen away - a stunning book about solitude, friendship, resilience and self-discovery.

I Am An Island

Sandra Foster studies fads - from Barbie dolls to the grunge look - how they start and what they mean. Bennett O'Reilly is a chaos theorist studying monkey group behaviour. They both work for the HiTek corporation, strangers until a misdelivered package brings them together. It's a moment of synchronicity - if not serendipity - which leads them into a chaotic system of their own, complete with a million-dollar research grant, coffee latte, tattoos, and a series of unlucky coincidences that leaves Bennett monkeyless, fundless, and nearly jobless. Sandra intercedes with a flock of sheep and an idea for a joint project. (After all, what better animal to study both chaos theory and the herd mentality that so often characterizes human behaviour?) But scientific discovery is rarely straightforward and never simple, and Sandra and Bennett have to endure a series of setbacks, heartbreaks, dead ends, and disasters before they find their ultimate answer...

The "original, first-rate, serious, and beautiful" short fiction (New York Times Book Review) that introduced J. D. Salinger to American readers in the years after World War II, including "A Perfect Day for Bananafish" and the first appearance of Salinger's fictional Glass family. Nine exceptional stories from one of the great literary voices of the twentieth century. Witty, urbane, and frequently affecting, *Nine Stories* sits alongside Salinger's very best work--a treasure that will be passed down for many generations to come. ----- A powerful story about a woman's struggle to claim what is rightfully hers, from the Sunday Times bestselling author Val Wood. 1850: Beatrix Fawcett is just eighteen when her father tells her she is to marry a stranger. Hesitantly, but with little choice, she agrees to the match - in the hope of a good husband in Charles, and a happy new life together in rural Yorkshire. As Beatrix sets about making their house a home, she falls in love with it and the surrounding countryside. But she does not fall in love with her husband... Charles has chosen her simply to meet the requirements of his inheritance and has little interest in his young wife. Soon, the only spark in Beatrix's lonely life is her beloved children. But when Charles threatens to take them away from her, Beatrix must find strength in desperate times. Can she fight against her circumstances and keep what is rightfully hers? ----- Praise for Val Wood: 'A heart-warming story filled with compelling action' Rosie Goodwin 'Hull's answer to Catherine Cookson' BBC Radio 4's Front Row 'Wonderfully fully-fleshed characters are the mainstay of [Val Wood's] stories' Peterborough Telegraph

The Lonely Wife

#1 NEW YORK TIMES BESTSELLER ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF 2020 BY THE NEW YORK TIMES * THE WASHINGTON POST * NPR * PEOPLE * TIME MAGAZINE * VANITY FAIR * GLAMOUR 2021 WOMEN'S PRIZE FINALIST "Bennett's tone and style recalls James Baldwin and Jacqueline Woodson, but it's especially reminiscent of Toni Morrison's 1970 debut novel, *The Bluest Eye*." —Kiley Reid, Wall Street Journal "A story of absolute, universal timelessness ... For any era, it's an accomplished, affecting novel. For this moment, it's piercing, subtly wending its way toward questions about who we are and who we want to be..." — Entertainment Weekly From The New York Times-bestselling author of *The Mothers*, a stunning new novel about twin sisters, inseparable as children, who ultimately choose to live in two very different worlds, one black and one white. The Vignes twin sisters will always be identical. But after growing up together in a small, southern black community and running away at age sixteen, it's not just the shape of their daily lives that is different as adults, it's everything: their families, their communities, their racial identities. Many years later, one sister lives with her black daughter in the same southern town she once tried to escape. The other secretly passes for white, and her white husband knows nothing of her past.

Still, even separated by so many miles and just as many lies, the fates of the twins remain intertwined. What will happen to the next generation, when their own daughters' storylines intersect? Weaving together multiple strands and generations of this family, from the Deep South to California, from the 1950s to the 1990s, Brit Bennett produces a story that is at once a riveting, emotional family story and a brilliant exploration of the American history of passing. Looking well beyond issues of race, *The Vanishing Half* considers the lasting influence of the past as it shapes a person's decisions, desires, and expectations, and explores some of the multiple reasons and realms in which people sometimes feel pulled to live as something other than their origins. As with her New York Times-bestselling debut *The Mothers*, Brit Bennett offers an engrossing page-turner about family and relationships that is immersive and provocative, compassionate and wise.

The Vanishing Half

Lester Young fading away in a hotel room; Charles Mingus storming down the streets of New York on a too-small bicycle; Thelonius Monk creating his own private language on the piano. . . In eight poetically charged vignettes, Geoff Dyer skilfully evokes the embattled lives of the players who shaped modern jazz. He draws on photos and anecdotes, but music is the driving force of *But Beautiful* and Dyer brings it to life in luminescent and wildly metaphoric prose that mirrors the quirks, eccentricity, and brilliance of each musician's style.

G. : a Novel

In 2014, 33-year-old Mandy Len Catron went on a date with an acquaintance. They decided to try an experiment: inspired by a study designed to create romantic feelings, Mandy and Mark spent the evening asking each other 36 increasingly intimate questions, wondering if it would lead to them falling in love. In *How to Fall in Love with Anyone*, this experiment is Catron's starting point for investigating what it means to love someone and to be loved, and how we present our love to the world. What makes love last? Can love ever work the way it seems to in films, books and social media? Is there a "right" way to fall in love? In these candid, charming and wise essays, Catron blends memoir with cultural and social commentary on the psychology, biology, history and literature of love. *How to Fall in Love with Anyone* is a deeply personal, yet universal investigation into the one thing we all want—or think we want—more than anything. Includes "To Fall in Love with Anyone, Do This", one of the most popular essays to appear in the New York Times' "Modern Love" column "In our age of total romantic confusion, Mandy Len Catron is a voice of good sense, warm humor, and consoling wisdom. Through the lens of her own relationships, she teaches us—with a deft, convincing intelligence—some of the vital moves in the art of love." —Alain de Botton, internationally bestselling author of *How Proust Can Change Your Life* and *The Course of Love* MANDY LEN CATRON lives in Vancouver, British Columbia. Her writing has appeared in the New York Times and the Washington Post. She writes about love and love stories at The Love Story Project, and teaches English and creative writing at the University of British Columbia.

But Beautiful

First published in 1957, this book attempts to tackle the conflict between homosexual and heterosexual love. It tells of David, a young man awakening to his true homosexual nature, through a relationship with a barman named Giovanni, as he awaits his fiancée's arrival from Spain.

How to Fall in Love with Anyone

Paul Kingsnorth was once an activist, an ardent environmentalist. He fought against rampant development and the depredations of a corporate world that seemed hell-bent on ignoring a looming climate crisis in its relentless pursuit of profit. But as the environmental movement began to focus on 'sustainability' rather than the defence of wild places for their own sake and as global conditions worsened, he grew disenchanted with the movement that he once embraced. He gave up what he saw as the false hope that residents of the First World would ever make the kind of sacrifices that might avert the severe consequences of climate change. Full of grief and fury as well as passionate, lyrical evocations of nature and the wild, *Confessions of a Recovering Environmentalist* gathers the wave-making essays that have charted the change in Kingsnorth's thinking. In them he articulates a new vision that he calls 'dark ecology,' which stands firmly in opposition to the belief that technology can save us, and he argues for a renewed balance between the human and nonhuman worlds. Provocative and urgent, iconoclastic and fearless, this ultimately hopeful book - which includes the much-discussed 'Uncivilization' manifesto - poses hard questions about how we've lived and how we should live.

Giovanni's Room

Author of the Booker-longlisted novel *Second Place* A GUARDIAN BOOK OF THE YEAR After the publication of *Outline*, *Transit* and *Kudos* - in which Rachel Cusk redrew the boundaries of fiction - this writer of uncommon brilliance returns with a series of essays that offers new insights on the themes at the heart of her life's work. Encompassing memoir and cultural and literary criticism, with pieces on gender, politics and writers such as D. H. Lawrence, Olivia Manning and Natalia Ginzburg, this collection is essential reading for our age: fearless, unrepentantly erudite, both startling and rewarding to behold. The result is a cumulative sense of how the frank, deeply intelligent sensibility - so evident in her stories and novels - reverberates in the wider context of Cusk's literary process. Coventry grants its readers a rare opportunity to see a mind at work that will influence literature for time to come.

Confessions of a Recovering Environmentalist

Simon Leys' cultural and political commentary has long been legendary for its profundity and acerbic wit. In *The Hall of Uselessness* his most significant essays are finally gathered together, on subjects ranging from China to Orwell, from Quixotism to the sea. Leys feuds with Christopher Hitchens, ponders the popularity of Victor Hugo and analyses whether Nabokov's unfinished novel should ever have been published. He dissects Mao's Cultural Revolution and the Khmer Rouge, and discusses Waugh, Simenon and Confucius. He considers Chinese art, culture and politics, the joys and difficulties of lit.

A human emissary sent to the world of Winter to bring it into a galactic civilization must find a way to bridge the gulf between his outlook and that of the natives, who can change gender at will.

The Hall of Uselessness

A NEW YORK TIMES NOTABLE BOOK OF 2018 An Edgar Award nominee for best critical / biographical Best of 2018 according to Kirkus, The Boston Globe, The New York Times, The Portland Mercury, Bustle, Thrillist, and Electric Lit A New York Times Editor's Choice, a best of summer 2018 according to Bitch Magazine, Harpers Bazaar, The Millions, Esquire, Refinery29, Nylon, PopSugar, The Chicago Tribune, Book Riot, and CrimeReads In this poignant collection, Alice Bolin examines iconic American works from the essays of Joan Didion and James Baldwin to *Twin Peaks*, Britney Spears, and *Serial*, illuminating the widespread obsession with women who are abused, killed, and disenfranchised, and whose bodies (dead and alive) are used as props to bolster men's stories. Smart and accessible, thoughtful and heartfelt, Bolin investigates the implications of our cultural fixations, and her own role as a consumer and creator. Bolin chronicles her life in Los Angeles, dissects the Noir, revisits her own coming of age, and analyzes stories of witches and werewolves, both appreciating and challenging the narratives we construct and absorb every day. *Dead Girls* begins by exploring the trope of dead women in fiction, and ends by interrogating the more complex dilemma of living women – both the persistent injustices they suffer and the oppression that white women help perpetrate. Reminiscent of the piercing insight of Rebecca Solnit and the critical skill of Hilton Als, Bolin constructs a sharp, perceptive, and revelatory dialogue on the portrayal of women in media and their roles in our culture.

The Left Hand of Darkness

In this deeply smart and sneakily poignant collection of essays, the bestselling author of *Fraud and Don't Get Too Comfortable* makes an inspired case for always assuming the worst—because then you'll never be disappointed. Whether he's taking on pop culture phenomena with Oscar Wilde-worthy wit or dealing with personal tragedy, Rakoff's sharp observations and humorist's flair for the absurd will have you positively reveling in the untapped power of negativity.

Dead Girls
