The Story of My Life

'A science fiction genius . . . Ted Chiang is a superstar.' – Guardian With *Stories of Your Life and Others*, his masterful first collection, multiple-award-winning author Ted Chiang deftly blends human emotion and scientific rationalism in eight remarkably diverse stories, all told in his trademark precise

and evocative prose. From a soaring Babylonian tower that connects a flat Earth with the firmament above, to a world where angelic visitations are a wondrous and terrifying part of everyday life; from a neural modification that eliminates the appeal of physical beauty, to an alien language that challenges our very perception of time and reality, Chiang's rigorously imagined fantasias invite us to question our understanding of the universe and our place in it. The science fiction novella 'Story of Your Life' is the basis for the Academy Award nominated film Arrival. 'United by a humane intelligence that speaks very directly to the reader, and makes us experience each story with immediacy and Chiang's calm passion.' – China Miéville

My Life Story - Second Edition

The movie that inspired filmmakers to direct is like the atomic bomb that went off before their eyes. The Film That Changed My Life captures that epiphany. It explores 30 directors' love of a film they saw at a particularly formative moment, how it influenced their own works, and how it made them think differently. Rebel Without a Cause inspired John Woo to comb his hair and talk like James Dean. For Richard Linklater, "something was simmering in me, but Raging Bull brought it to a boil." Apocalypse Now inspired Danny Boyle to make larger-than-life films. A single line from The Wizard of Oz--"Who could ever have thought a good little girl like you could destroy all my beautiful wickedness?"--had a direct impact on John Waters. "That line inspired my life," Waters says. "I sometimes say it to myself before I go to sleep, like a prayer." In this volume, directors as diverse as John Woo, Peter Bogdanovich, Michel Gondry, and Kevin Smith examine classic movies that inspired them to tell stories. Here are 30 inspired and inspiring discussions of classic films that shaped the careers of today's directors and, in turn, cinema history.

Story of My Life

A beloved, bestselling classic of humorous and nostalgic Americana—the book that inspired the equally classic Yuletide film and the live musical on Fox. The holiday film *A Christmas Story*, first released in 1983, has become a bona fide Christmas perennial, gaining in stature and fame with each succeeding year. Its affectionate, wacky, and wryly realistic portrayal of an American family's typical Christmas joys and travails in small-town Depression-era Indiana has entered our imagination and our hearts with a force equal to *It's a Wonderful Life* and *Miracle on 34th Street*. This edition of *A Christmas Story* gathers together in one hilarious volume the gems of autobiographical humor that Jean Shepherd drew upon to create this enduring film. Here is young Ralphie Parker's shocking discovery that his decoder ring is really a device to promote Ovaltine; his mother and father's pitched battle over the fate of a lascivious leg lamp; the unleashed and unnerving savagery of Ralphie's duel in the show with the odious bullies Scut Farkas and Grover Dill; and, most crucially, Ralphie's unstoppable campaign to get Santa—or anyone else—to give him a Red Ryder carbine action 200-shot range model air rifle. Who cares that the whole adult world is telling him, "You'll shoot your eye out, kid"? The pieces that comprise *A Christmas Story*, previously published in the larger collections *In God We Trust*, *All Others Pay Cash* and *Wanda Hickey's Night of Golden Memories*, coalesce in a magical fashion to become an irresistible piece of Americana, quite the equal of the film in its ability to warm the heart and tickle the funny bone.

The Soundtrack of My Life

When Julia Child arrived in Paris in 1948, a six-foot-two-inch, thirty-six-year-old, rather loud and unserious Californian, she spoke barely a few words of French and did not know the first thing about cooking. What's a shallot? she asked her husband Paul, as they waited for their sole meunière during their very first lunch in France, which she was to describe later as 'the most exciting meal of my life'. As she fell in love with French culture, buying food at local markets, sampling the local bistros and taking classes at the Cordon Bleu, her life began to change forever, and *My Life in France* follows her extraordinary transformation from kitchen ingénue to internationally renowned (and loved) expert in French cuisine. Bursting with adventurous and humorous spirit, Julia Child captures post-war Paris with wonderful vividness and charm.

A Christmas Story

Here is the incredible story of an infant who never stopped screaming, a toddler who attacked people, a teenager addicted to drugs, violence, and easy sex, a daughter completely out of control—who almost destroyed her parents' marriage and the happiness of the rest of her family.

As one of the biggest stars to burst into U.S. theaters, Jackie Chan has wowed audiences with death-defying stunts. But who really is this lightning-fast Charlie Chaplin of martial arts moviemaking? Now, in I Am Jackie Chan, he tells the fascinating, harrowing, ultimately triumphant story of his life: How the rebellious son of refugees in tumultuous 1950s Hong Kong became the disciplined disciple of a Chinese Opera Master. Wish I Was There

In these delightfully candid musings about his life and his cinema, RGV reveals the man behind pioneering Telugu and Hindi films such as Shiva, Rangeela, Satya, Sarkar, Bhoot and Company. Discussing a wide range of subjects, from the influences and circumstances that drew him to films to his cinematic techniques, his successful and unsuccessful films, his Bollywood idols, his relations with the media and the controversies dogging him, Guns & Thighs is as much about RGV's life and philosophy of life as about his films and the Indian film world. Characteristically, he pulls no punches, whether he's talking about movies, women or the media. Even when it comes to his own films, he embraces his failures as much his successes and dissects them with rare honesty and humility. Refreshingly contrarian and politically incorrect, this book discloses a perspective as colourful and larger than life as Indian films. It is not for RGV fans alone but for all those passionate about cinema and the people associated with it.

I Am Jackie Chan

"From the internationally best-selling author--and revered moral voice--a remarkable novel of suffering, love, and healing, the story of three generations of women and a secret that needs to be told. The story was inspired by the life of a friend and confidante of David Grossman who, in the late 1940s, was imprisoned and tortured on the notorious Goli Otok, a barren island prison off the coast of Croatia. Grossman's telling focuses on three strong women--Vera, 90; her daughter, Nina; and her granddaughter, Gili, who at 39 years old is a filmmaker and a wary consumer of affection. A bitter secret divides each mother and daughter pair, though Gili--abandoned when she was just three by Nina--has been close to her grandmother throughout her life. With Gili making the arrangements, they travel together back to Goli ("the Adriatic Alcatraz"), where Vera was imprisoned, enslaved, and tortured for three years as a young wife, when she refused to betray her husband and denounce him as an enemy of the people. This unlikely journey, documented by Gili's camera, lays bare the intertwining of fear, love, and mercy, and the complex overlapping demands of romantic and parental passion. With flashbacks to the stalwart Vera protecting what was most precious on the wretched rock where she was held, and Grossman's fearless examination of the human heart, this swift novel will thrill his many readers and bring new ones into the fold"--

My Life on a Plate

In January 2008, movie star Patrick Swayze was given the worst news of his life. What he hoped was just a stomach ache was actually stage four pancreatic cancer, a diagnosis that is fatal within a year for 79% of the people to whom it is given. Remarkably, Patrick is not just alive a year later but continuing his treatment, and responding well. But this book isn't just the story of Patrick's fight against cancer. In the public eye from the early 1980s, this is the story of a remarkable life and career. Intended as a low budget, straight-to-video production, *Dirty Dancing* became a cult hit and remains one of the most enduring films of the 80s. Ghost cemented Patrick as a hugely bankable star, in a role that has had a considerable cultural impact. Most recently Patrick has returned to the public's adoring arms in TV's *The Beast*. This book will chronicle Patrick's personal life as well -- including his treatment for alcoholism following the death of his father and sister's sudden death. What has remained a constant in Patrick's life is his marriage and Patrick and Lisa's love story is inspiring, honest, heartfelt and transcends the typical celebrity marriage. This is a book that anyone who has faced cancer or a terminal illness can

turn to: Lisa and Patrick have shown the world that cancer isn't just a diagnosis given to one individual, but a disease that can bring a household together or pull a family apart. Bold, honest and inspiring, Patrick Swayze's memoir is the story of a remarkable man's life and career and of his refusal to give in.

The Time of My Life

NOW A NETFLIX ORIGINAL SERIES, featuring interviews with Steven Spielberg, Francis Ford Coppola and Guillermo del Toro Before the Second World War the Hollywood box office was booming, but the business was accused of being too foreign, too Jewish, too 'un-American'. Then the war changed everything. With Pearl Harbor came the opportunity for Hollywood to prove its critics wrong. America's most legendary directors played a huge role in the war effort: John Ford, William Wyler, John Huston, Frank Capra, and George Stevens. Between them they shaped the public perception of almost every major moment of the war. With characteristic insight and expert knowledge Harris tells the untold story of how Hollywood changed World War II, and how World War II changed Hollywood.

I, Tina

"Much, much more than the reminiscences of a film director. It's a rich, beautifully detailed history of a time, a place, and a world gone by--the British film industry from the 1920s through the late 1940s, in which every remembrance . . . is filtered through [Powell's] poetic genius . . . as absorbing as any novel".--Martin Scorsese. 30 photos.

The Story of My Life

'The next round in Billy's fight is pain-racked, frank and reflective . . . an inspiring piece from a man who's been to hell and back and has the scars to prove it' JOE COLE 'Brutally honest, dark and disturbing. A book that tells of the reality of drugs and a failing prison system' NEIL SAMWORTH, author of *Strangeways: A Prison Officer's Story* 'Billy Moore writes with such a tragic authenticity that it kept me willing for him to succeed, even as I knew he was never too far from self-destruction. It's his self-awareness that I admire - unflinching and brutal and also, it should be said, his wonderful way with words' Professor Emeritus DAVID WILSON, author of *My Life with Murderers* 'His life may have had many ups and downs, but Billy is a wonderful example of never giving up' JAMES ENGLISH 'A true story of forgiveness, not only learning to forgive others but also learning to forgive yourself. An incredibly emotional story about an incredible man who's had an incredible journey' LIAM HARRISON 'This time I am telling the story of my life both before prison in Thailand and what followed once I was back in the United Kingdom, my cancer diagnosis, more prison time and, finally, redemption. I am trying to understand aspects of my childhood that had a role in my eventual downward spiral into addiction, pain, misery and loss' BILLY MOORE Billy Moore spent three years in Klong Prem prison in Thailand, popularly known as the 'Bangkok Hilton', where he witnessed acts of extreme violence and sexual assault. Eventually he found purpose through taking part in Muay Thai boxing tournaments in

jail. Here, he found 'a wall of human community' amongst the elite boxers and regained his sobriety. He was granted early release by the King of Thailand having excelled as a Muay Thai boxer in inter-prison tournaments. But back in the UK and a decade later - with his demons resurfacing - Billy's past caught up with him. He was caught and convicted of a burglary and was despatched to HMP Walton under then home secretary Theresa May's three-strikes rule. Billy has spent almost twenty-two years in various prisons, but since then, he has not only survived cancer, but also gone on to become a powerful advocate of boxing and anti-knife crime initiatives in the Liverpool area, training young boxers. A Prayer Before Dawn was made into a film directed by Jean-Stéphane Sauvaire and starring Joe Cole, of *Peaky Blinders*' fame. The film premiered at the Cannes Film Festival in 2017, but by the time it went on general release, Billy was back in prison in the UK. In this follow-up to Billy's first international bestseller, an autobiography set largely in Thailand's infamous prison system, Billy sets out to explore his experience of childhood abuse that would lead to a life of drug addiction and near-constant incarceration. After Billy's sentence in Klong Prem prison was commuted as a result of his extraordinary success as a Muay Thai boxer, he returned to the UK. In this vividly told story, Liverpudlian Billy contrasts his first-hand experience of one of the cruellest prison systems in the world with his experience of UK prisons. The result is, in part, a shocking exposé of the inadequacy of care and the lack of humanity in British prisons. But Billy's story is mainly one of rehabilitation, recovery and redemption. Rich in detail, honesty and humour, his book is a fast-paced, unputdownable read which shows how the human spirit can endure and eventually thrive.

Five Came Back

"Once an Eagle is simply the best work of fiction on leadership in print." —General Martin E. Dempsey, 18th Chairman of the Joint Chiefs of Staff Required reading for West Point and Marine Corps cadets, *Once An Eagle* is the story of one special man, a soldier named Sam Damon, and his adversary over a lifetime, fellow officer Courtney Massengale. Damon is a professional who puts duty, honor, and the men he commands above self-interest. Massengale, however, brilliantly advances by making the right connections behind the lines and in Washington's corridors of power. Beginning in the French countryside during the Great War, the conflict between these adversaries solidifies in the isolated garrison life marking peacetime, intensifies in the deadly Pacific jungles of World War II, and reaches its treacherous conclusion in the last major battleground of the Cold War—Vietnam. Now reissued with a new foreword by acclaimed historian Carlo D'Este, here is an unforgettable story of a man who embodies the best in our nation—and in us all.

The Branch and the Scaffold and Billy Gashade

Two westerns from Spur Award-Winning author Estleman are collected in this tall Premium Edition. Contains "The Branch and the Scaffold" and "Billy Gashade." Original.

Billy Gashade

Billy Gashade is a wandering musician crossing the young United States in the late 1800s, and introducing us to its most colorful characters along the way. Calamity Jane, Billy the Kid, Chief Crazy Horse, Oscar Wilde, and many many more cross paths with Billy in this sweeping epic of American History from Loren D. Estleman. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Branch and the Scaffold

Five-time Spur Award-winning author Estleman delivers a fascinating depiction of the life of Isaac Parker, the West's legendary Hanging Judge.

The Undertaker's Wife

From award-winning author Loren D. Estleman comes *The Undertaker's Wife*. The undertaker's wife waits; she weaves; she builds. The undertaker practices his art, the Dismal Trade, with consummate skill. He has raised it to an art through the high craft of the Connable Method. Through it, he has managed to transform the ugliness of death into a thing of dignity and beauty. Victims brutalized by war, street fights, tavern brawls, ambushes, fires, every hazard in a raw West---these, in his hands, become presentable. Everywhere on the frontier, which erupts with life and death, he offers his skill: to the rich of San Francisco, the bawds and ruffians of the Barbary Coast, to Kansas cowboys, outlaws, soldiers, and sheriffs. He is devoted to dignifying the dead. She is devoted to making her marriage whole, in spite of the tragedy that surrounds it and, most especially, in spite of the tragedy that in one terrible afternoon strikes at its center. Today the undertaker is called to disguise the suicide of a famous financier. It is high drama, for only his art can save America's financial markets. Her task on this day is secret, an act of understanding and dedication. In the end, it is the undertaker's wife who, through love, is able to transcend death. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The High Rocks and Stamping Ground

Two books-in-one in the Page Murdock series from award-winning author Loren D. Estleman *The High Rocks* U.S. Deputy Page Murdock rides into the Bitterroot Mountains of Montana in the dead of winter to bring in Bear Anderson, known as "Mountain That Walks" to the local Indians. Murdock, having grown up with Anderson, figures he owes it to the man to try to bring him in alive and give him a chance at a fair trial. But Murdock may have all he can handle in getting himself back down alive. *Stamping Ground* Deputy U.S. Marshall Page Murdock isn't happy when Judge Blackthorne decides to send him on an assignment to North Dakota, a land of sudden blizzards and spring floods. And to make matters worse he has been handed the nearly impossible job of apprehending the renegade Cheyenne leader Ghost Shirt, who is responsible for several massacres in the area. This edition of the book is the deluxe, tall rack mass market paperback. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

White Desert and Port Hazard

Two Westerns in the Page Murdock series from Spur Award-Winning Author Loren D. Estleman! *White Desert* U.S. Marshal Page Murdock is a tough cynic—and the last man you'd want on your tail. Though Montana-based, Murdock pursues a vicious gang into a harsh northern Canadian winter. While trying to outwit and outmaneuver groups of aggressive foes, Murdock pushes his luck as he struggles to get his man—and to survive in the unfamiliar wilderness. *Port Hazard* Page Murdock doesn't know why someone wants him dead, but he knows where the hired killers are coming from. Thus begins Murdoch's descent into a hell more decadent, corrupt, and dangerous than even he has ever seen—San Francisco's Barbary Coast. With an unwilling backup man, Murdock takes up temporary residence among the whores, gamblers, dope addicts, and cutthroats of the continent's foulest district. No man here is trustworthy. But perhaps the men who seem respectable are the most insidious of all. This edition of the book is the deluxe, tall rack mass market paperback. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

American Detective

In Loren D. Estleman's hardboiled *American Detective*, Amos Walker returns for his nineteenth outing in his most challenging case yet. Ex-Detroit Tigers pitcher Darius Fuller wants Walker to break off his daughter's engagement to Hilary Bairn, a man he believes is after her two million dollar trust. Walker goes to Bairn's apartment, only to be ambushed by cops. A murder has taken place, and the victim is Fuller's daughter. Walker and the cops assume that Bairn is the murderer, but Walker has no idea what he is getting into. Walker is led to a meeting with a casino owner, who tells him Bairn owed money to a loan shark. The loan shark tells Walker that he is not the only one after Bairn. Soon Walker finds himself on the run from crooked cops and vile gangsters. Every time Walker thinks he's solved the case, he finds out he is farther from the truth than when he started. This case will take all of Walker's cunning, and will prove to be his greatest trial ever! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Journey of the Dead and The Undertaker's Wife

Two westerns from Loren D. Estleman, now in one mass market edition! Journey of the Dead When Pat Garrett killed Billy the Kid, he had no idea what a terrible emotional price he would pay. Haunted by memories of Billy, Garrett wanders the New Mexico desert in a fruitless pursuit of peace. Deep in the same desert, an ancient Spanish alchemist searches for the fabled philosopher's stone. The Undertaker's Wife The Wild West claimed many lives; it was Richard Connable's job to bury the dead. As the undertaker's wife, Lucy, tells of the bittersweet adventures that took them from the Barbary Coast to Will Bill Hickok's Kansas to the blizzards of Montana, she reflects on the tragedies that shaped their marriage and reveals the heart of a woman whose love can transcend death. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Murdock's Law and City of Widows

Two Page Murdock Novels from the Spur-Award Winning author Loren D. Estleman Murdock's Law Special U.S. Deputy Page Murdock rides into Breen, Montana, on the trail of a menacing and elusive outlaw. Before he can scout the saloons for his man, he is made town marshal in a territory heating up for the ugliest range war this side of hell. The big ranchers want a gunslinger marshal and the small ranchers have their own hired gun. But the badge on Murdock's chest means law, and he'll enforce it the best way he knows . . . with a gun. City of Widows Page Murdock has been sent to the tough New Mexico of 1881 to track down a man and bring him to justice. Murdock soon finds himself on a desperate odyssey, for in the Southwest a friend can turn out to be one's cruelest enemy and an enemy one's finest friend. The Branch and the Scaffold

When Judge Isaac Parker first arrived in Fort Smith, Arkansas, the town had thirty saloons and one bank. Inheriting a corrupt court and a lawless territory roughly the size of Great Britain, he immediately put the residents on notice by publicly hanging six convicted felons at one time. For the next two decades, his stern and implacable justice brought law and order to the West . . . and made him plenty of enemies. As the sole law on the untamed frontier, Parker tried civil and criminal cases throughout the Western District of Arkansas and the Indian Nations. Only God and the president had the power to challenge Parker. His severe judgments scandalized Washington and the Eastern press, and took an onerous toll on his private life, but the "Hanging Judge of the Border" never flinched from his duty. Over the years, he and his marshals, dubbed "Parker's Men," ran up against some of the most colorful and dangerous outlaws the West had to offer, including the notorious Dalton Gang; Belle Star, the Bandit Queen; the murderous Cherokee Bill; and Ned Christie. The Branch and the Scaffold is a fascinating depiction of Judge Parker's life and times, as told by Loren D. Estleman, a five-time winner of the Spur Award. City Walls

City Walls, the next Amos Walker novel from a Grand Master. "Loren D. Estleman is my hero."—Harlan Coben The search for a fugitive embezzler leads Amos Walker to Cleveland, where he is hired by Emmett Yale, a leading figure in the electric car industry, to investigate the murder of his stepson. Yale believes that his stepson's hitman is connected to Clare Strickling, a former employee, and his attempts to silence whispers that he has bought illegal insider-trading information. Walker shadows Strickling to a private airfield as he attempts to flee the country--only to then witness his murder. The twisted web of lies and deceit surrounding both deaths forces Walker to question the motivations of everyone he encounters, from Major Jack Flagg, an elderly barnstormer, Palm Volker, the attractive aviatrix who runs the airfield, Candido, a surly maintenance worker employed by Palm, and Gabe Parrish, a retired boxer. Naturally, everyone has secrets to keep--but the truths lurking beneath the surface this time may make this Walker's final case. The Homesman

Four women in the isolated frontier territory go mad, and it is up to the unlikely combination of homesteader Mary Bee Cuddy and ne'er-do-well Briggs to escort them east to safety.

Cowboy Songs and Other Frontier Ballads

NYT Bestselling author Harlen Coben says of Loren Estleman, "Loren Estleman is my hero," and Bestselling author John Lescroart calls him "The Stravinsky of hard-boiled prose..." Winner of multiple Spur, Western Heritage, and Stirrup awards, and a lifetime achievement award honoree by the Western Writers of America, Estleman is back with "The Master Executioner," a classic novel of the old west. Ordinary people do not understand Oscar Stone. Everything he does, he does impeccably. He is a profound student of his art, completely versed in its traditions over the centuries. He is a student of ropes and their properties, a master of the latest scientific knowledge about the human neck, a careful calculator of weights and drops, and an exacting observer of results. For more than a quarter of a century he has worked to create a reputation as a man peerless in his craft: the master executioner. Yet he is utterly alone: His devotion to his work costs him his marriage. Suddenly, one day, a piece of his past catches him unawares, and Oscar comes to a moment of devastating truth and for the first time knows himself.

The Last Great American Picture Show

A priest's death leads a Detroit gumshoe into a case of church corruption in this mordantly funny hard-boiled crime novel Ralph Poteet is forty pounds overweight, out of gin, and he hasn't seen his gun in weeks. As far as private detectives go, he's not much to look at. But he's the only one in the building, and that's enough for Lyla Dane. A call girl who's far better at her job than Ralph is at his, she calls him in the middle of the night because she has a dead monsignor in her bed. After dealing with Lyla's deceased client, Ralph tries his hand at blackmail, offering to keep mum about the priest's embarrassing demise in exchange for a payoff from the diocese. But when somebody tries to kill Ralph and Lyla, Detroit's most unsavory PI is swept into an unholy swarm of deadly secrets that resonates all the way to Washington, DC, and the Vatican. Three-time Shamus Award-winning author Loren D. Estleman delivers a witty, ribald send-up of the hard-boiled detective genre in this action-packed crime novel.

The Master Executioner

Carefully documenting African American slave foods, this book reveals that slaves actively developed their own foodways-their customs involving family and food. The authors connect African foods and food preparation to the development during slavery of Southern cuisines having African influences, including Cajun, Creole, and what later became known as soul food, drawing on the recollections of ex-slaves recorded by Works Progress Administration interviewers. Valuable for its fascinating look into the very core of slave life, this book makes a unique contribution to our knowledge of slave culture and of the complex power relations encoded in both owners' manipulation of food as a method of slave control and slaves' efforts to evade and undermine that control. While a number of scholars have discussed

slaves and their foods, slave foodways remains a relatively unexplored topic. The authors' findings also augment existing knowledge about slave nutrition while documenting new information about slave diets.

City of Widows

"An excellent collection of short stories and essays." --New York Review of Books "An entertaining and diverting read." --BookPleasures.com "Estleman's style as Watson is better than many." --BestofSherlock.com "Readers are transported back to another place and time during the series of short stories that pay homage to the legend that is Sherlock Holmes." --Pop Culture Guy "The Hound of the Baskervilles." "A Scandal in Bohemia." "The Sign of the Four." These are just a few of the well-known mysteries solved by the one and only Sherlock Holmes. The legendary detective is one of the most enduring literary characters of all time, and he appears once more in *The Perils of Sherlock Holmes*. Each of these adventurous tales has been authorized by the estate of Sir Arthur Conan Doyle. While you may recognize some of these stories, others--such as "The Serpent's Egg"--are revealed for the very first time. Other works in this collection include three previously published essays that delve deeper into the daring world of Sherlock Holmes and the imaginative mind of Sir Arthur Conan Doyle.

Black Powder, White Smoke

Peter Macklin, contract killer--retired--has found himself the perfect woman. He's convinced young, beautiful, innocent Laurie that he is simply a salesman from Detroit, and they're passionately honeymooning in Los Angeles. . . . until the phone call. Peter tells Laurie he has to go to Sacramento to take care of business, and he'll be back in a day. After a day passes, though, a man called Abilene shows up with a note from Peter saying Abilene will take care of her until his return. Macklin's retirement seems to have been premature, and Laurie's innocence is about to end . . .

The Perils of Sherlock Holmes

This anthology collects all thirty-two previously published Amos Walker stories, a previously unpublished story written for the collection, and an introduction by Mr. Estleman.

Something Borrowed, Something Black

In this installment of Loren Estleman's signature PI series, Amos Walker, the quintessential hard-boiled detective, proves that he's mortal after all. Jeff Starzek, an old friend who smuggles cigarettes for a living, saves Walker's life, getting him to the hospital after he's taken a bullet in the leg. A month later, still convalescing, Walker gets a panicked phone call from Starzek's sister. Jeff is missing. One of the few leads is a Homeland Security agent who's after Starzek, in connection with a counterfeiting operation that may have terrorist ties. Though Walker doubts Starzek is a terrorist, he finds treasury paper at a church run by Starzek's brother. Then Starzek's brother disappears too. Back to square one, Walker follows his best hunch, driving Starzek's usual cigarette route along the Lake Huron shore, and finally gets a solid lead on the paper hangers. But before Walker can break the case, someone tries to shoot him—and he's accused of murder. Walker will need all of his intestinal fortitude, injured leg notwithstanding, to stay alive long enough to figure out who's doing what to whom, in time to save his friend, in *Nicotine Kiss*. Amos Walker: The Complete Story Collection

A gripping new novel in the three-time Shamus Award-winning Amos Walker series. The New York Times calls Amos Walker a "streetwise indestructible tiger with an ethical code that keeps him with the good guys." In a sharp new thriller, Detroit's most savvy private eye is up to his neck in international drug-smuggling, hit squads, double-identities, music- industry gangsters, and a client who's nothing but trouble. Gilia Cristobal is a singer with a complicated past. Her name isn't really Gilia. In her country she's wanted for a murder she didn't commit, and she needs Walker to find a missing woman whose name she's using, whom she's been paying monthly so she can stay in the U.S. But when the decomposing body of the real Gilia Cristobal is found next door to her mother's house, what was merely an odd case becomes downright nasty. And when an undercover death squad from the singer's home country is spotted, the Feds think they're planning an assassination. But Walker isn't so sure. His client is involved in a lot more than just music, and all of it's deadly. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Nicotine Kiss

Twenty-seven years in the making (1940–67), this tapestry of nearly two hundred American popular and protest songs was created by three giants of performance and musical research: Alan Lomax, indefatigable collector and preserver; Woody Guthrie, performer and prolific balladeer; and Pete Seeger, entertainer and educator who has introduced three generations of Americans to their musical heritage. In his afterword, Pete Seeger recounts the long history of collecting and publishing this anthology of Depression-era, union-hopeful, and New Deal melodies. With characteristic modesty, he tells us what's missing and what's wrong with the collection. But more important, he tells us what's right and why it still matters, noting songs that have become famous the world over: "Union Maid," "Which Side Are You On?," "Worried Man Blues," "Midnight Special," and "Tom Joad." "Now, at the turn of the century, the millennium, what's the future of these songs?" he asks. "Music is one of the things that will save us. Future songwriters can learn from the honesty, the courage, the simplicity, and the frankness of these hard-hitting songs. And not just songwriters. We can all learn." In addition to 123 photographs and 195 songs, this edition features an introductory note by Nora Guthrie, the daughter of Woody Guthrie and overseer of the Woody Guthrie Foundation.

Poison Blonde

In Estleman's latest novel, Amos Walker is back on the streets of Detroit as he investigates the mysterious death of an ageing pulp fiction writer.

Hard Hitting Songs for Hard-Hit People

In *When the Movies Mattered* Jonathan Kirshner and Jon Lewis gather a remarkable collection of authors to revisit the unique era in American cinema that was New Hollywood. Ten eminent contributors, some of whom wrote about the New Hollywood movement as it unfolded across the 1960s and 1970s, assess the convergence of film-industry developments and momentous social and political changes that created a new type of commercial film that reflected those revolutionary influences in American life. Even as New Hollywood first took shape, film industry insiders and commentators alike realized its significance. At the time, Pauline Kael compared the New Hollywood to the "tangled, bitter flowering of American letters in the 1850s" and David Thomson dubbed the era "the decade when movies mattered." Thomson's words provide the impetus for this volume in which a cohort of seasoned film critics and scholars who came of age watching the movies of this era reflect upon and reconsider this golden age in American filmmaking. Contributors: Molly Haskell, Heather Hendershot, J. Hoberman, George Kouvaros, Phillip Lopate, Robert Pippin, David Sterritt, David Thomson

A Smile on the Face of the Tiger

Johnny Vermillion's theater troupe brings masterpieces to the Wild West. The four actors are versatile enough to wear many costumes and play many roles. A few props, a little makeup, a costume and--voilà--applause on the rugged frontier. Johnny also arranges a special attraction for each town. While his actors bustle in and out of costumes, on and off the stage in many roles, one plays the villain in the bank. Then the actors take their curtain calls and railroad away. Who? Us? Rob a bank? But you saw all of us on stage. When could we have done that? A Pinkerton man becomes the troupe's severest critic: He notices the news reports of stage performances one day and bank robberies the next. He follows the troupe, packing his suspicions. Finally, he sets a clever trap. Loren D. Estleman's *The Adventures of Johnny Vermillion* features one of the most entertaining rogues ever to turn a dishonest dollar. Any audience will love a troupe that can transform *A Midsummer Night's Dream* into grand larceny. In *Hanging Judge*, Justin Moffitt is eager to help keep the peace as a deputy marshal in small-town Texas. That is, until Justin is assigned to the wrong marshal—a "hanging judge" who is as famous for his ruthlessness as he is for his commitment to justice. When Justin's boss hangs a controversial criminal, Justin must defend himself against an army of friends and relatives, desperate for

Bloody Season

In *Burning Midnight*, master of the hard-boiled detective novel Loren D. Estleman gives readers a hot new Amos Walker mystery. Amos Walker knows Detroit, from the highest to the lowest, and that includes the gangs of Mexicantown. When a friend asks Walker to get his son's brother-in-law out of one of two feuding gangs, Walker gets in trouble fast. First, dead bodies start to pile up; then come suspicious fires and the bottle bombs. Walker is caught in the middle of a gang war. Whether or not a middle-aged gringo like him can cool things off between the Maldados and the Zapatistas, he's got to try; he did promise his friend. Once he gets involved, he realizes there's something else going on; the specter of an international conspiracy threatens to make this local trouble blow sky-high. And if he ends up dead or in jail for murders he didn't commit, he might have to put that promise on hold. It's tough being Amos Walker. All God's Critters Got a Place in the Choir

Beginning with Texas's declaration of independence in 1835 and stretching into the turbulent Depression era a century later, many ruthless criminals and daring deputies and rangers kicked up dust within the state's borders. Billy the Kid, Machine Gun Kelly, Bat Masterson, and Belle Star were familiar faces. Other characters included Texas Jack, Rowdy Joe, Mysterious Dave, Long Haired Jim, Buckskin Frank, and Curly Bill. In this book, accounts of gunfights, robberies, and kidnappings follow selected profiles. In a borrowed costume, Marshal Ratliff, the Santa Claus Robber, held up cashiers while several of his "elves" pulled weapons to help St. Nick fill his sack. Mishaps, accidents, and misunderstandings lighten the mood between truly heinous crimes such as that of the Bender family. Owners of a small hotel, the four family members would kill lone travelers for their possessions. While pursuing his undergraduate degree at the University of Tulsa in Oklahoma, Laurence Yadon considered himself fortunate to have studied under William Settle, a Jesse James scholar. This experience served as his inspiration to become a lifelong student of American history, especially that of the Southwest. Dan Anderson is a former newswriter, photographer, features writer, and columnist. He has been honored with multiple awards from the Associated Press for spot news reporting, investigative reporting, and newswriting. Anderson and Yadon are also the authors of *100 Oklahoma Outlaws, Gangsters, and Lawmen: 1839-1939*, published by Pelican.

Burning Midnight

Aged 65, Emmett Dalton is the last survivor of the legendary Dalton gang. Now he lives off his memories in Hollywood. Combining fact and fiction, Ron Hansen depicts the outlaw past of the Daltons and the West they travelled. The Dalton brothers turn from being peace officers in the Indian territories to a life of rustling. When their leader, Bob, meets Eugenia Moore, a schoolteacher who begins to plan their robberies, they become the most notorious outlaws of their time. As their raids, on trains and banks, become more daring and successful the price on their heads and the pursuit of the law increase. Then they ride into Coffeyville, intending to rob both the town's banks. Ron Hansen was the first writer to approach the mythology of the West with the intent of rewriting history, to show the mixed motives and dubious intentions of heroes and outlaws alike. In Hansen's carefully styled authentic voice (drawing on contemporary newspapers and accounts) his novels would pave the way for Cormac McCarthy's *Border* trilogy. Combining historical research with his novelist's imagination and ability to evoke character, Ron

Hansen rewrites the history of the American West, and revises the romanticised mythology of violence created by Hollywood.

200 Texas Outlaws and Lawmen, 1835-1935

True stories of the wild and dangerous world of the Arizona Territory—includes photos. A refuge for outlaws at the close of the 1800s, the Arizona Territory was a wild, lawless land of greedy feuds, brutal killings and figures of enduring legend. These gunfighters included heroes as well as killers, and some were considered both. Bandit Pearl Hart committed one of the last recorded stagecoach robberies in the country, and James Addison Reavis pulled off the most extraordinary real estate scheme in the West. But with fearless lawmen like C.P. Owens and George Ruffner at hand, swift justice was always nearby. In this collection of true stories, Arizona's official state historian and celebrated storyteller Marshall Trimble brings to life the rough-and-tumble characters from the Grand Canyon State's most terrific tales of outlawry and justice.

Desperadoes

A revisionist history of the Old West battle challenges popular depictions of such figures as the Earps and Doc Holliday, tracing the influence of a love triangle, renegade Apaches, and the citizens of Tombstone.

Gute Gesellschaft und gutes Essen.

Hast du so einen großen Hut?

Was hättest du denn gern?

Sag mal, wie lange gibt es das Restaurant eigentlich schon?

Ich hätte gerne einen Kaffee, aber zum Mitnehmen bitte.
