After the Bunker

Private Investigator, Deanna Kim, is in some ways like a fish out of water. She is the only daughter of General Kim, who immigrated to America following the coup in 1969. His reputation as a fierce martial artist has carried over to Deanna. Deanna in some ways resembles the actress, Lucy Lu, in appearance. However, Deanna has issues of depression and alcoholism, which she continually battles. Neither one is conducive to any investigator, who carries numerous large-caliber firearms, as Deanna does. If she's not careful, this case could be her last. Deanna is hot on the trail of a Hispanic syndicate, which has stolen a potent mind-altering drug, similar to LSD. Eventually, the bad guys mark her for death, using the drug as their weapon of choice. Will Deanna thwart their efforts or end up as just another washed-out junkie?

The Bunker Diary

People have simple needs. Food, water, light, space. Maybe a small measure of dignity. What happens when someone takes all that away? This pulse-pounding, award-winning novel explores what happens when your worst nightmare comes true.

Bunker

Since prehistory, bunkers have been built as protection from cataclysmic social and environmental forces, and as places of power and transformation. Today, the bunker has become the extreme expression of our greatest fears- from pandemics to climate change and nuclear war. And once you look, it doesn't take long to start seeing bunkers everywhere. In Bunker, acclaimed urban explorer and cultural geographer Bradley Garrett explores the global and rapidly growing movement of 'prepping' for social and environmental collapse, or 'Doomsday'. From the 'dread merchants' hustling safe spaces in the American mid-West to eco-fortresses in Thailand, from geoscrapers to armoured mobile bunkers, Bunker is a brilliant, original and never less than deeply disturbing story from the frontlines of the way we live now, an illuminating reflection on our age of disquiet and dread that brings it into new, sharp focus. The bunker, Garrett shows, is all around us, in malls, airports, gated communities, the vehicles we drive. Most of all, he shows, it's in our minds.

The Bunker

A compulsively readable account of Hitler's last days, written by one of the first Americans to enter Hitler's bunker after the fall of Berlin

Wake Me After the Apocalypse

When a killer comet hurtles for the earth, 18-year-old Joanna Murphy is selected to wait out the apocalypse in an underground bunker. She enters cryosleep with her close-knit team, preparing to resettle the planet after the atmosphere clears in two hundred years. Joanna is the only one who wakes up. Faced with a bunker full of bones and a blocked exit, Joanna must claw her way to the surface, figure out what happened to her team, and try not to panic-or die. That's going to be tricky if she's the only person left in the world. From the author of *The Seabound Chronicles*, *Steel and Fire*, and *Empire of Talents* comes a story of resilience and optimism at the end of the world.

Bunker 10

When a scientific experiment goes haywire, a hidden military base is thrown into chaos and its up to a small group of genius teens that lives there to find a way out of certain destruction.

The Man in the Bunker

WHAT IF HITLER HAD SURVIVED? In the gripping new spy thriller from the Sunday Times bestselling author of *Hitler's Secret*, a Cambridge spy must find the truth behind Hitler's death. But exactly who is the man in the bunker? 'MASTER OF THE WARTIME SPY THRILLER' - FINANCIAL TIMES
Germany, late summer 1945 - The war is over but the country is in ruins. Millions of refugees and holocaust survivors strive to rebuild their lives in displaced persons camps. Millions of German soldiers and SS men are held captive in primitive conditions in open-air detention centres. Everywhere, civilians are desperate for food and shelter. No one admits to having voted Nazi, yet many are unrepentant. Adolf Hitler is said to have killed himself in his Berlin bunker. But no body was found - and many people believe he is alive. Newspapers are full of stories reporting sightings and theories. Even Stalin, whose own troops captured the bunker, has told President Truman he believes the former Führer is not dead. Day by day, American and British intelligence officers subject senior members of the Nazi regime to gruelling interrogation in their quest for their truth. Enter Tom Wilde - the Cambridge professor and spy sent in to find out the truth... Dramatic, intelligent, and brilliantly compelling, *THE MAN IN THE BUNKER* is Rory's best WWII thriller yet - perfect for readers of Robert Harris, C J Sansom and Joseph Kanon.

Bunker

It had been a normal day at work. Monika was locking up, ready to head home, when the man arrived. She didn't see his fist until it was far too late. Bundled into a car, tied up and taken in darkness to an old mill in the thick of a forest, she has been flung into a bunker. It is only now, as time passes and she sees her attacker in the light, that she notices the startling resemblance to someone from her very dark and buried past. Someone she never wanted to see again.

In the Bunker with Hitler

Adolf Hitler committed suicide in his private bunker seventy-five years ago. The lone survivor of Hitler's Berlin bunker tells the story of the final days of the Third Reich.

The Bunker

Army officer. The diary tells of Bunker's experiences as a prisoner of war after the fall of Corregidor as well as the actions preceding the siege of Corregidor.

The Bunker Diary, 1941-1943

My first collision with fame was hardly memorable. I was a busboy at Marx's Deli. The year was 1934. The place was Third and Hill, Los Angeles. I was twenty-one years old, living in a world bounded on the west by Bunker Hill, on the east by Los Angeles Street, on the south by Pershing Square, and on the north by Civic Center. I was a busboy nonpareil, with great verve and style for the profession, and though I was dreadfully underpaid (one dollar a day plus meals) I attracted considerable attention as I whirled from table to table, balancing a tray on one hand, and eliciting smiles from my customers. I had something else beside a waiter's skill to offer my patrons, for I was also a writer.

Building Underground Bunker

When tragedy strikes and as the world begins to crumble around him, Mark SleepingBear decides that it's high time to renovate his grandfather's Cold War era fallout shelter. As conditions deteriorate, Mark struggles with the decision to share his bunker, should the need arise, with his neighbors. For years, Mark has isolated himself from these people. After he shares his secret, his neighbors decide to build their own bunker, a massive shelter, constructed with comfort as the number one priority. Soon, Mark learns that the illusion he has created about his neighbors, is just that. They are far from being the perfect couples he has always envisioned them to be. Mark begins to regret his decision to share the secret. Meanwhile, the country is thrown into an uproar when President Crabtree announces that he has penned a Presidential Order, one that combines the United States with Canada and Mexico, in what Crabtree dubs as the North American Union. Chaos ensues, as the Pentagon staunchly refuses to go along with the plan. Sadly, Mark's worst fears are soon realized.

Bunkers

Consider this book. Beyond these pages is my collection of stories centered on mental health and multigenerational relationships. This is my first book since the one I finished in high school, *Mr. Rot's Garden* (2018). It may seem curious there's just nine short stories I've tucked in here, but I am quite proud of all of them and feel they well represent my strengths as a writer. The first I'd like to mention is "An Assessment In Frailty" which picks up right at the end of a home tour. Eighty-four year-old Franklin Sprawl is put down by homeowner Robert Lash who claims the senior hasn't made any meaningful contribution to society during his lifetime of work. This spark's Sprawl's relentless need to prove Lash wrong by making an art piece that says more about Lash's flaws than anything else. The second, "Surface Street Shades," follows Elderly widow, Geraldine Fade, who drives in a weathered truck with a distinctive gash on its tailgate. The old woman is aghast when a white SUV is stalking her, though she manages to lose them momentarily and sets upon inviting her handyman over to do work and quell her stress, she learns the hard way about the many faces of appreciation. Thirdly, my title story, "Threat Along The Homestretch" concerns an anxious young adult, with unbidden urges, who just wants to get home. But when road work redirects him away from the shorter path to his house, he must enter a senior center where he thinks he is increasingly susceptible to striking out. "The Welcoming Bench," shows a young teen boy's perspective change thanks to a story an old Quaker gives him about her dear deceased friend Nanette Looking. It's a cozy premise with memorable characters which tackles greater themes of religion and universal needs for companionship.

Threat Along The Homestretch And Other Stories

'This is the room from which I will direct the war,' Churchill declared, shortly after becoming Prime Minister in 1940. It was from these cramped confines that Churchill turned a seemingly inevitable defeat at the hands of the Nazis into a famous victory. Built in 1938 as a temporary refuge in case of air raid attack, this secret bunker became a second home to Churchill - and to large numbers of military personnel and civil servants whose work until now has been largely unsung. Drawing on a fascinating range of original material, including newly available first-hand accounts of the people who lived there, Holmes reveals how and why the bunker and its war machine developed; how the inhabitants' lives were transformed; and how their work led to victory. Elegant and illuminating, Churchill's Bunker is a unique exploration of one of the most important sites in British history.

Churchill's Bunker

When 12-year-old Helga Goebbels walks into Hitler's underground shelter, she expects to emerge as the most important girl in the victorious German empire. Bewildered by the lack of celebrations, Helga defies her father's orders to stop asking questions. Horrified to discover how many lies she's been told, she plans to escape from Berlin.

The Girl in the Bunker

Relates the final days of World War II in a study of Hitler's final days in the bunker and the torment in Germany's cities and towns as the Third Reich collapsed under the weight of American, British, French, and Russian forces.

Inside Hitler's Bunker

After Maj. Robert J. Darling organizes President Bush's trip to Florida on Sept. 10, 2001, he believes the next couple of days will be quiet. He has no idea that a war is about to begin. The next day, after terrorists crash airliners into the World Trade Center towers and the Pentagon, Maj. Darling rushes to the president's underground chamber at the White House. There, he takes on the task of liaison between the vice president, national security advisor and the Pentagon. He works directly with the National Command Authority, and he's in the room when Vice President Cheney orders two fighter jets to get airborne in order to shoot down United Flight 93. Throughout the attacks, Maj. Darling witnesses the unprecedented actions that leaders are taking to defend America. As Vice President Cheney, Secretary of State Condoleezza Rice, and others make decisions at a lightning pace with little or no deliberation, he's there to lend his support. Follow Darling's story as he becomes a Marine Corps aviator and rises through the ranks to play an incredible role in responding to a crisis that changed the world in 9-11-01: *The White House: 24 Hours Inside the President's Bunker*.

24 Hours inside the President's Bunker

The apocalypse is over. Armageddon is about to begin. The last survivors of the apocalypse have woken up after two hundred years in cryosleep. The bunker cohorts scattered across the country have different rules, rivalries, and expectations for the future. Joanna Murphy travels to the Oregon bunker, hoping to forge an alliance between the cohorts. But Oregon is on edge after an attack, and they're in no mood for peace talks. Charlotte Hartland needs to move her cohort to better land, but her people fear the outside world, and they're questioning her leadership. Joanna's arrival could undo all Charlotte's progress. When strangers from a third bunker appear, Joanna and Charlotte must work together to combat a startling new threat. If violence breaks out between the cohorts, it could destroy everything they've built.

Follow Me to Armageddon

Rudolf Eineger was left with his finger inside a dead body. Repulsed, he withdrew it and wiped it on the black SS tunic. Richard Earlgood, maverick RAF fighter pilot, and Michael Dorfmann, an ambitious Luftwaffe double-agent must fly Hurricane fighters, piggy-backing on 4-engine Stirling bombers, to bomb the almost impregnable Fuhrer Bunker."

The Secret Bunker Trilogy Box Set [Enclosed in this box set: *Darkness Falls*, *The Four Quadrants* and *Regeneration*] The Secret Bunker Trilogy 1: *Darkness Falls* A secret bunker. A sinister darkness. Can Dan Tracy put the pieces together before the whole world is lost? On a family trip to a disused Cold War bunker, Dan Tracy's family gets caught up in life-threatening events which have cast a sudden and terrible darkness over the surface of the planet. All known life has been put to sleep, causing havoc throughout the world as planes drop from the skies, vehicles career off the road and governments seem powerless to intervene. 24 hours after the darkness descends, the bunker undergoes a massive transformation and it emerges that the dusty old tunnels form a state-of-the-art operations centre which has been hiding in open view for many decades - but its present-day purpose is unclear. Dan soon realises that he and his family are part of something bigger than they could ever have imagined and the world is in perilous danger from a malevolent organisation based on earth and intent on destroying the planet. If you like fast-paced apocalyptic action, captivating characters, and stories that keep you reading all night long, then you'll love Paul Teague's Secret Bunker Trilogy. The Secret Bunker Trilogy 2: *The Four Quadrants* A sleeping planet. A sinister enemy. A hate that could destroy everything ... The entire planet is paralysed by a deadly shroud of darkness. Only those trapped in the secret bunker can save it. But they are not alone. A hidden enemy is battling for control of the Earth, and he's ready to sell it to the highest bidder. He harbours a deep grudge against the government leaders who cast him aside with barely a second thought. Now it's time for revenge ... and the whole world is going to pay. As Dan Tracy continues his terrifying journey through the deep tunnels of the secret bunker, he gets help from an unexpected source. Only they were supposed to be dead ... The Secret Bunker Trilogy 3: *Regeneration* A ravaged planet. A formidable enemy. And now something deadly is lurking in space ... The Earth is burning, the result of vicious sabotage on the terraforming programme that was meant to save it ... Two hundred nuclear weapons have been launched at key targets across the planet ... An alien species is gathering warships while the world sleeps, unable to defend itself ... A ruthless cybernetic army is about to erase all traces of life in the bunkers, controlled by their Queen ... And a genetic time bomb is ticking in the bodies of the only people who can put an end to this deadly assault. Dan Tracy

must face his worst fears as he stares his new enemy directly in the eyes. But only one can survive the final battle in space, only one will make it out alive ... The Secret Bunker Trilogy has been completely re-edited and revised to mark the 25th Anniversary in 2019 of Scotland's Secret Bunker being open to the public. This is the real-life bunker on which this trilogy is based.

Marcus Trencher's bunker becomes nothing short of a subterranean palace. He sends Henry Plyman to recruit desirables to join them underground. Plyman believes he is filling vital roles to service a population of hundreds, if not thousands. That is not exactly the case. Timothy Spencer secures a bunker bid, but elsewhere, and nowhere near as luxurious. He mines coal and subsists on a soy-based protein drink. It becomes a tale of two bunkers - one for the haves, and one for the have-nots. Conspiracy runs deep, truth tends to surface.

How To Survive Apocalypse: How To Build A Bunker And Survive During The First 24 Hours After Collapse, Martial Law And After Nuclear Strike Book 1: Apocalypse Survival: 24 Hours That Will Define Your Life Pandemic, climate change, environmental issues, world leaders, and other potential issues are all driving the planet closer to a global catastrophe than it's ever been before. The threat of an apocalypse is always present, but it's becoming more and more likely. One thing is certain, if it happens it's not going to be like the movies. Being the strongest or the baddest is not going to guarantee your survival, in fact, it's going to limit the possibility of long-term survival. Those that do survive will be the ones that have planned for survival. You'll know how to survive the critical first 24 hours and start rebuilding for the future. That's what this guide is here to help you with, you can't learn everything you need to know from a book, you have to practice the techniques. Book 2: How To Survive During Martial Law: 10 Survival Tactics, And Essential Skills You Need To Protect Yourself Martial law has been used in the US before and is currently in use in several countries round the globe. It is only ever instigated for the safety and prosperity of a country. But who decides that it's time to lock the country down and what controls are there to make sure democracy returns? You'll want to read this guide and discover what martial law really is and how it will affect your freedom and your way of life. More importantly this guide can take you through the steps you need to follow to ensure you and your family remains safe under martial law. Book 3: How To Survive a Nuclear Strike It is possible that the world has never been closer to a nuclear war than it is today. Although tensions were high during the Cold War, the current era has seen a new dimension to the tactical element of nuclear warfare; the ego. As tensions mount between the US, its allies, North Korea, China and even Russia, it looks increasingly likely that a nuclear strike is inevitable. Unfortunately, any strike launched by one party will be responded to by another; it is impossible to predict just how much damage could be done in the space of just a few minutes. But, despite the general feeling being one of doom and gloom, it is actually possible to survive a nuclear strike. Granted, this is highly unlikely if you are within a few miles of the strike point, but any further out and you have an excellent chance of survival; providing you start preparing now. Book 4: Survival Bunker: How To Build And Equip Your Own Bunker And Store Food And Water For 5 Years The most prepared people are those which will survive when everything goes wrong. People who are stockpiling for the future and building shelters are known as preppers and it is becoming a more mainstream pastime. Oil tankers are not solely to blame for pollution at sea. Non-tankers have released numerous spills. The International Convention on Civil Liability for Bunker Oil Pollution Damage has been adopted, but has not yet come into force. This timely and comprehensive book studies compulsory insurance, its main purpose of ensuring compensation and its interrelations with other features such as the rule of strict liability, the limitation of liability of that convention.

Compulsory Insurance and Compensation for Bunker Oil Pollution Damage

"In 1947, a man is found shot to death in an old military bunker near the Brenner Pass that links Italy to Austria. His papers claim him to be a farm labourer; the scars on his face could only have come from duelling, the mark of a man who was once a member of a German student fraternity. He is Dr. Gerhard Bast, lawyer, athlete, former head of the Gestapo in the Austrian city of Linz and a wanted war criminal. A few years before, his affair with a married woman led to the birth of a son, Martin Pollack, who in his maturity sets out to discover the truth about his father." "Martin Pollack reveals that his loving grandparents, with whom he spent long and happy holidays as a child, were ardent and unrepentant Nazis who never ceased to hate and resent Jews and Slavs, and never acknowledged what their son had really done. And what he did is the heart of this book, as Pollack quietly, relentlessly reconstructs the family history, moving from present-day Slovenia - where his grandparents were involved in vicious sectarian strife with their Slav neighbours - through Austria between the wars, where the family were enthusiastic members of the illegal Nazi party. Once war begins in 1939, Pollack tracks his father from Austria to Poland and on into Russia, where he was the head of an Einsatzgruppe, a killing squad, and back into Poland during the Warsaw Uprising of 1944. The closing months of the war find him rounding up Jews and partisans in Slovakia. In every place that Pollack's father has been, the evidence of mass murder mounts higher and higher, the undeniable evidence impossible to resist."--BOOK JACKET.

The Dead Man in the Bunker

The Battle of Bunkers-Hill by H. H. (Hugh Henry) Brackenridge HUGH HENRY BRACKENRIDGE (1748-1816) The battle of Bunker's Hill was an event which stirred whatever dramatic activity there was in America at the time of the Revolution. Therefore, a play written on the subject should not be omitted from a collection supposed to be representative of the different periods in American history and in American thought. The reader has an interesting comparison to make in Hugh Henry Brackenridge's play, which the title-page declares is "A dramatic piece of five acts, in heroic measure, by a gentleman of Maryland," and a later piece entitled "Bunker Hill, or the Death of General Warren," written by John Daly Burk (1776-1808), who came to America because of certain political disturbances, and published his drama with a Dedication to Aaron Burr (1797), the year it was given in New York for the first time. It will be found that the former play is conceived in a better spirit, and is more significant because of the fact that it was written so soon after the actual event. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

The Battle of Bunkers-Hill

A trove of intimate conversations between Burroughs and Susan Sontag, Andy Warhol, Patti Smith, David Bowie, and more icons of '70s New York and beyond. During the 1970s, William Burroughs, author of *Junky* and *Naked Lunch*, lived in a loft on the Bowery in New York City's Lower East Side. Christened "The Bunker," his apartment became a modern-day literary salon with people like Andy Warhol, Lou Reed, Patti Smith, Susan Sontag, and fellow beat poet Allen Ginsberg passing through for a drink or a joint and the promise of stimulating conversation with the ingenious and eccentric Burroughs. Among Burroughs's entourage was author Victor Bockris, whose tape recorder was always running to capture meandering dinner party conversations and electric late-night sessions in the Bunker. In these moments, Bockris captures Burroughs's desires, anxieties, and thoughts on writing,

photography, punk rock, and more. The recordings and recollections in *With William Burroughs* create an unprecedentedly multidimensional portrait of a man who is often overshadowed by his reputation.

With William Burroughs

An RAF squadron flies into the jaws of death to find one man. Richard Earlgood, maverick RAF fighter pilot, and Michael Dorfmann, an ambitious Luftwaffe double-agent, plan a daring daylight attack on Adolf Hitler himself in this war thriller. This single raid to bomb Hitler's Bunker could win the war, but only one man can win the heart of Anna, the sultry Station X decoder who brought them both together. Richard's audacious plan which will test his new squadron of crack pilots to their limits, but can Dorfmann be trusted to play his part? Fans of 633 Squadron and The Dam Busters will love this white-hot roller-coaster ride through the streets of Wartime Berlin on a bombing mission that will make your hair stand on end! All profits from sales of this book until 10 September 2015 will go to The Stirling Aircraft Project Charity, a project to build a Short Stirling front fuselage section from as many original parts as possible, in commemoration of the people who designed, built flew and maintained this historic aircraft.

Attack Hitler's Bunker!

This is the story of a young German officer who not only survived Stalingrad and another year on the Russian Front, but made it out of Hitler's bunker to surrender to the British.

In the Bunker with Hitler

A killer comet speeds for Earth, big enough to wipe out all life and choke the atmosphere for a century. When the news breaks, soft-spoken freshman Charlotte Hartland gets caught in a flood of panicked students on her college campus-until a black SUV swoops in to extract her. Charlotte's powerful grandfather has saved her a cryosleep berth at the Bunker Reservation Project, a hastily formed effort to save humanity from extinction. When the idealistic program begins to unravel, Charlotte will have to fight for her place in the future. But the only person who can help her is a hotheaded construction worker with a grudge against her family-and the clock is counting down to disaster.

Meet Me at World's End

Fifty years after the fall of the Nazi Third Reich and V-E Day, BOA Editions, Ltd. is proud to present W. D. Snodgrass's *The Fuehrer Bunker: The Complete Cycle*. These dramatic monologues are spoken by members of the German High Command - Adolf Hitler, Heinrich Himmler, Dr. Joseph Goebbels, Albert Speer, Hermann Goering - their wives and mistresses, including Eva Braun and Magda Goebbels, during the last month of the European campaign of World War II, before many of them, along with their Fuehrer, committed suicide in his bunker. Dramatizing the end of the horrible psycho-drama that was Hitler's Reich, *The Fuehrer Bunker* shows much of the paranoia, self-indulgence, degradation and rage that consumed the German leaders. Snodgrass uses a variety of forms - villanelles, letters and sonnets, and nonceforms - triangles, inverted triangles, platoons and squads, American popular songs and a game of solitaire - which intensify the internal conflicts. Albert Speer, Hitler's chief architect and minister of armaments, for example, speaks and thinks in geometric forms, which, as Hitler's mania and Germany's losses increase, break down. Framing the monologues are the songs of Old Lady Barkeep who is both Chorus and Mistress of Ceremonies. She sings of the High Command's deceit and of the people's disillusionment with their leaders.

The Fuehrer Bunker

"After Edward Bunker died in 2005 a significant discovery was made - among his papers were a novel and several stories, all unpublished. Now, following the novel, *Stark* in 2008, comes *Death Row Breakout* with its final, hard edged serving of Bunker legends from prison life." "The title story *Death Row Breakout* details the routine of being on Death Row, before exploding into action when the plans for a breakout kick in." --Book Jacket.

Fires in Steamship Bunker and Cargo Coal

The author explores his belief in "the government's secret plans to survive a catastrophic attack on US soil--even if the rest of us die--a roadmap that spans from the dawn of the nuclear age to today"--Provided by publisher.

Agreement

A lawyer who represents a corporation may encounter specific ethical questions regarding how his duty to the corporation should be carried out

Attending to the details and schedules needed to assure the matter is handled without harm to the client's interests

Gathering sufficient facts regarding the client's problem

Developing a strategy for solving the client's legal problems

Still, diligence and zeal do not require the lawyer to press for every possible advantage for their client Nor does it mean that a lawyer must employ offensive tactics, or refrain from treating others involved in the legal process with courtesy and respect

All of these decisions should be done in consultation with the lawyer, but the client has the final say Confidentiality

The duty not to reveal information includes any information that could reasonably lead to the discovery of such information

The privilege protects communications between a lawyer and a client, communicated outside of the presence of third parties, which are made for the purpose of obtaining legal assistance or advice

They may have survived the apocalypse, but the Virus changed them...

After the Ending (the Ending Series, #1)

The first book in the emotionally charged post-apocalyptic series, *The Ending*. They may have survived the apocalypse, but the Virus changed them... Grad student Dani O'Connor won't let a cross-country move end her closest friendship. But when a mysterious virus consumes the world and Dani, herself, falls violently ill, she fears she'll never see her loved ones again. After her fever finally breaks, she barely recognizes the devastated world around her. Everyone is dead. Dani is all alone. Or so she thinks... As a bartender, Zoe is used to dealing with hotheads and dirtbags, but nothing could have prepared her for the twisted thoughts of her fellow survivors. Her family is gone, and anyone left alive in the world is either sick, crazy, or changed...like her. As her newfound super senses gain strength, Zoe must learn to control them before she loses herself to madness completely. Perilous terrain spans the distance between them, and deranged survivors lurk in dark corners everywhere. Can Dani and Zoe overcome deadly attacks and unseen dangers in order to find each other? Or will they lose their way--and their lives--along the journey? *After The Ending* is the first book in the evocative, superpowered post-apocalyptic adventure, *The Ending Series*. If you like unbreakable friendships, gritty dystopian settings, and a touch of romance, then you'll love Lindsey Pogue and Lindsey Fairleigh's heart-wrenching tale. Buy *After The Ending* to embark on a supernatural survival story today! **THE ENDING SERIES** *After The Ending* *Into The Fire* *Out Of The Ashes* *Before The Dawn* *The Ending Beginnings: A Collection of Stories* *World Before: A Collection of Stories*

Beginnings: The Ending Series Origin Stories

All six *The Ending Series* prequel novellas in one volume! The virus changed everything. This is how it began. I - **CARLOS** High school. Dealing drugs. A secret girlfriend. Carlos thought his life was hard enough...but then the virus spread. II - **MANDY** 22 years ago, Mandy struggled to find her purpose in life. Purpose, however unexpected, found her. III - **VANESSA** One week. That's how long it took for Vanessa's world to fall apart. One week is how long it took for her to start hearing the voices. Things, she learns, can always get worse. IV - **JAKE** Jake's world was ripped away shortly before he fell victim to the virus. Waking up days later, he finds that everything has changed--even he has changed. V - **CLARA** Clara's childhood was less than ideal, but thanks to her beloved fairy tales, she managed to survive. Just as everything seems to be falling into place, a ghost from the past returns to haunt her. VI - **JAKE & CLARA** Traveling across the country together proves more difficult than either Jake or Clara expects, and just when they both think the world couldn't get any worse, it does. **THE ENDING SERIES:**

After The Ending Into The Fire Out Of The Ashes Before The Dawn The Ending Beginnings: Omnibus Edition World Before: A Collection of Stories THE ENDING LEGACY: World After The Raven Queen

World After

A princess with a secret. An outlaw on a mission. A kingdom on the brink of collapse... The Ending Series was just the beginning. Three centuries later, this is their legacy. Princess Delphinia knows her mother, the queen of the Corvo kingdom, is up to no good. Del can feel it in her bones, and she's determined to uncover the truth. When her search for answers leads her to a mysterious chest filled with artifacts from the distant past--from the world before--she realizes her mother's nefarious actions are more deeply rooted than she ever could have imagined. Finlay Cartwright's people have been hunted since the world collapsed after The Ending. An outcast in hiding, he's trained all his life for the day the Corvo kingdom would come for them. The queen, however, has other plans. When the man who raised Fin is taken, Fin will stop at nothing to save his people. But the lines between friend and foe are blurred when a castle servant girl on a mission of her own offers to help Fin with his rescue. World After is the prequel to a riveting new series in the world of The Ending, The Ending Legacy. If you like unique dystopian worlds, coming-of-age transformations, star-crossed romances, and a hint of Fantasy in your Sci Fi, then you'll love this page-turning adventure.

Atlantis Legacy: Volume 1

The first three novels in the Atlantis Legacy. Some secrets are buried for a reason. She's about to uncover the deadliest secret of all... Anxious and reclusive, Cora Blackthorn uses online gaming as her sole tether to the outside world. Due to a condition that makes human touch crippling, she lives her life confined to a small island in the Puget Sound, never accompanying her mother on her tomb-raiding adventures. But when her mom sends home a cryptic SOS in the form of a mysterious package, Cora discovers the shocking truth behind her extraordinary affliction. Her condition isn't an illness; it's a gift not of this world. Armed with a powerful, alien amulet and her mother's journal, Cora heads to Rome on a desperate rescue mission. But on the way, she discovers that a secret society is hot on her trail, and she has no chance of outrunning them. Her only chance is to confront them head on. A clash within the twisty catacombs beneath Vatican City leaves Cora with a perilous choice: find her way through an ancient, deadly labyrinth and save her mom, or fail and die... Song of Scarabs and Fallen Stars

She sings to brighten the dying world. He lurks in the shadows, hunting her kind. When their paths collide, the past—and future—will unravel. Tarsel is accustomed to being the most famous woman on the planet. But the world is locked in a devastating war between humans and immortals, and her spotlight is fading. When she is inexplicably “killed” only to rematerialize in ancient Egypt, she is desperate to cross the vast chasm of time stretching out before her. Striving to keep a low profile to avoid causing a devastating butterfly effect, Tarsel journeys across the harsh desert and befriends a handsome stranger who claims he can repair the damaged timeline. But the man she suspects is her fated mate has an air of dangerous secrecy, and she fears one misstep could cost her life... and that of her entire bloodline. Can this starlet in a strange land course correct the past before it scatters her future to the winds? Song of Scarabs and Fallen Stars is the dark and seductive first book in the thrilling new time travel romance series, the Fateless Trilogy. If you like Egyptian mythology, emotional rollercoasters, ancient settings, and forbidden attractions, then you'll love Lindsey Sparks' atmospheric tale. Out of the Ashes

The third book in THE ENDING SERIES. Hope brought them together, but it's now fear that drives them...and threatens to tear them apart. Zoe and her companions succeeded in rescuing Dani from the Colony. But not without sacrifice. Beaten and broken, they head west, determined to leave behind the torment and horrors they experienced in Colorado. As Dani and Zoe make the perilous trek home to Bodega Bay, they learn that danger can take many forms--other survivors, their friends, even themselves--and that things are rarely what they seem. Zoe is desperate to become the woman she sees in others' memories, while Dani struggles to conceal damaging secrets, risking losing herself--her humanity--completely. Together, they must rediscover the true meaning of friendship, love, and trust, and learn just how hard they're willing to fight for what remains of their shattered world. As relationships are put to the test, second chances are given, and new life emerges, death lurks in the most unlikely of places. To survive, Dani and Zoe must accept that sometimes hope alone isn't enough. Out Of The Ashes is the third installment in the bestselling post-apocalyptic sci-fi series, The Ending, and features gut-wrenching struggles, more secrets revealed, the test of true friendship, all with a touch of romance. Midnight Sun

They survived the Alaskan winter after the Virus devastated the North, but summer in the land of the midnight sun is fraught with a brutality of its own—long, grueling days, mosquito-ridden evenings, and woods with lurking shadows more dangerous than grizzlies. With the discovery of impossible superhuman Abilities, and the looming threat of General Herodson in the lower forty-eight, the Yukon is no longer the refuge it once was. After deciding to stay in Whitehorse, Elle and Jackson work tirelessly to build a self-sufficient home and protect their newfound family. But, it's not long before they realize that even if the world as they once knew it is long gone, everyone's turbulent pasts still linger, and surviving the Virus was only the beginning. Sophie's troublesome dreams begin to worsen, and her Ability makes it impossible for the people she cares about to get closer to her, especially Alex. As her friendship with Phil strengthens, and Alex pulls further and further away, she begins to question her reality, and above all else, her sanity. When whispers of dissension and chaos among the General's ranks reach Whitehorse, and other survivors begin to amass in Hartley Bay, Alex jumps at the chance to explore the world beyond the group's safe haven, and leave his bitterness behind. But when alarming news from home reaches him, Alex must face his fears once and for all, or risk losing everything good he's ever known. From the author of the bestselling, post-apocalyptic world of The Ending Series, comes a new standalone series of epic adventure set in the virus-ravaged world of The Ending. The Darkest Winter

Stephen King's The Stand meets Firestarter in this super-human survival story, fraught with crazies, beautifully broken characters, and bursting with raw emotion you can feel deep in your bones. The Virus spread. Billions died. The Ending began. A group of orphaned misfits. The wildlands of the last frontier. Superhuman abilities, harrowing adventures, and heartbreaking secrets. Haunting shadows are nothing new to Elle St. James, she's been running from them all her life. But since the outbreak spread from the lower forty-eight, new monsters lurk in the darkness. After Elle wakes from the fever,

capable of horrific deeds, she fears she's one of them. When she stumbles upon four orphans, Elle's forced to discover what happens when her greatest fear becomes her darkest secret and her only hope of surviving. After the world goes mad and takes his family with it, Jackson Mitchell tosses aside his badge and decides a bottle of bourbon and the depths of despair are preferable to any semblance of living. All of that changes, however, when a group of young survivors are in dire need of his help and Jackson sacrifices his blissful oblivion in order to keep them safe. As they trek further away from the collapsing cities, Jackson must rely on his knowledge of the backcountry and the traditions of his people, or succumb to the dangers of the Alaskan wilderness. Brought together under the worst possible circumstances, Elle and Jackson must face the inexplicable realities of the new world. Their past lives are over, and the arctic isn't all that's savage anymore. Over 500 pages of new characters, locations, and adventures — The Darkest Winter can be enjoyed on its own or in conjunction with The Ending Series novels. **Rated R for violence and possible triggers.** What readers are saying about The Darkest Winter... Before The Dawn

The conclusion to Dani and Zoe's post-apocalyptic adventures. A year ago, the Virus killed off most people in the world. A year ago, strange things started happening to those who survived. Some of them transformed into something dark and sinister, while others evolved, becoming something more, something beyond human. A year ago, Dani and Zoe were lost. They traversed the country to find one another, losing some of the people dearest to them along the way. They fought for their right to simply live, uncovered long-buried secrets, and discovered irreversible truths. And after everything Dani and Zoe have been through—even with the battle wounds that they bear—they're still not safe. It's time for the struggling to end, for survivors to take back their lives, their families, their safety. It's time to really begin to live, and to do that, they must wait for the first rays of dawn. The Ending Beginnings

The virus changed everything. This is how it began.

Fading Shadows

Ross and Kat have butted heads since the day they first met—he's gruff, grumpy, and always glaring at her; and she's sarcastic, sassy, and exasperates the hell out of him. But a lot can change in three years, and with a thriving settlement in Whitehorse, Ross and Kat have had to put their differences aside in order to protect their close-knit community. In fact, they've come to need one another more than they realize, until now. Crazy survivors and Ability-hungry madmen aren't the only repercussions of the Virus, and when a new, unforeseen danger threatens the townspeople, Kat must embrace her unharnessed Ability she's been trying for years to avoid, and just as Ross realizes his feelings for his smart-mouthed partner, it might be too late. Together, Ross and Kat will be tested, and in the grips of fear, they must fight to save those they love and themselves . . . with a few dozen grumbles and eye rolls along the way. The Echo Trilogy Collection: The Complete Series

All three novels and both Echo Trilogy novellas bundled together! Their love is destined to shatter the boundaries of time... Archaeology grad student Alexandra Larson's world is turned upside down when her mother shares her deepest, darkest secret--that she doesn't know the true identity of Lex's father. The revelation sparks a change within Lex, and her dreams become far too real. She sees things she shouldn't be able to see...knows things she couldn't possibly know. Terrifying things. Deadly things. To distract her from the surreal changes taking over her life, Lex leaps at the chance to join an Egyptian excavation run by Oxford's enigmatic Professor Marcus Bahur. But the distraction might be more than she bargained for. While deciphering the secrets of a mysterious stone tablet, Lex falls headlong into a prophecy created by a dying god over four millennia ago. She must rely on her frightening new psychic powers to dig up the truth. And it doesn't take long for her visions to convince her that both Professor Bahur and his excavation are much more than they seem... The past clashes with the present in this paranormal tale of ancient prophecies and warring gods. An exhilarating treasure-hunting adventure with a sci-fi twist! Some myths hold a seed of truth. She must uncover the truth behind the myth of Hades, god of the underworld...before it destroys her. Using wit and gumption—along with a hearty dose of her newfound psychic gifts—Cora Blackthorn has narrowly escaped the clutches of the Custodes Veritatis. With the help of her closest friend and strongest ally, Raiden Cross, as well as her mental hitchhiker, Persephone, Cora must outrun the sinister secret order long enough to uncover the mysteries left behind by Hades, the last of the Olympians. But when an ancient treasure hunt turns into a wild goose chase, Cora fears the worst—the quest is hopeless. Until an unexpected discovery sets Cora on a new path. A hidden civilization thrives deep underground beneath the Amazon rainforest, and they have been waiting for Persephone's return. With their help, Cora discovers that the greatest danger to her life isn't the Order; it is Persephone, herself... Fate of the Fallen is the second book in the captivating sci-fi adventure series, the Atlantis Legacy. If you like ancient mysteries, Greek mythology, treasure-hunting adventurers, and dynamic characters, then you'll love this exhilarating adventure! Fate of the Fallen

Kat Dubois never asked to be the emissary for the good guys. Diplomacy isn't her strong suit, and patience isn't one of her personal virtues. But when a millennia-old god asks you to do a job to further the war cause, you do that job...especially when you're the opposition's most wanted. Kat's mission is complicated when a mysterious disease crops up among Seattle's homeless population. It's up to her to find a cure while the infection is contained, and to do that, she must go straight to the source--Ouroboros. It's been a week since Kat promised to come after the twisted corporation; the time has come for her to fulfill that promise. Stay busy. Stay focused. Sam's plan to keep the past behind her was simple. But summertime, it would seem, has something else in store. Desperate to escape the harrowing night that irrevocably altered her life, Samantha buries herself in ranch work to keep her father's business afloat. But when Sam's past comes rumbling back to town in a lifted, cherry-red pickup truck, it's all she can do to keep her wits about her. A heatwave, a pair of familiar blue eyes, and a camping trip with friends will leave Sam reeling as she grapples with guilt and her yearning for a happiness she's not sure she deserves. Everyone knows Reilly, the all-American boy-next-door, had a broken home. He couldn't wait to leave for the army after high school, but that was before he fell in love with Sam and captured her heart, only to break it when he deployed. When Reilly comes home to close the darkest chapter of his life, he learns it's what has happened to Sam in his absence that will haunt him the most. Sam, Reilly, and their quirky friends will venture down a winding path of self-discovery and second chances in Whatever It Takes, a small-town romance, bursting with raw emotion, unwavering friendships, and plenty of heart. *Visit www.authorscarletstjames.com for triggers* Keywords: boy-next-door country romance, best friends to lovers new adult love story, best friends story collection

Sacrifice of the Sinners

The riveting third book in The Ending Series. Hope brought them together, but it's now fear that drives them...and threatens to tear them apart. Zoe and her companions succeeded in rescuing Dani from the Colony. But not without sacrifice. Beaten and broken, they head west, determined to leave behind the torment and horrors they experienced in Colorado. As Dani and Zoe make the perilous trek home to Bodega Bay, they learn that danger can take many forms--other survivors, their friends, even themselves--and that things are rarely what they seem. Zoe is desperate to become the woman she sees in others' memories, while Dani struggles to conceal damaging secrets, risking losing herself--her humanity--completely. Together, they must rediscover the true meaning of friendship, love, and trust, and learn just how hard they're willing to fight for what remains of their shattered world. As relationships are put to the test, second chances are given, and new life emerges, death lurks in the most unlikely of places. To survive, Dani and Zoe must accept that sometimes hope alone isn't enough. Out Of The Ashes is the third installment in the bestselling post-apocalyptic sci-fi series, The Ending Series, and features gut-wrenching struggles, more secrets revealed, and the test of true friendship, all with a touch of romance. Whatever It Takes

The fourth book in the exhilarating treasure-hunting adventure series, the Atlantis Legacy. Earth is doomed, but humanity still has a fighting chance... Cora, the reincarnation of the powerful Amazon warrior, Persephone, already died to protect Earth once before. She's not about to let her sacrifice be in vain. Backed up by a dream team of humans and Olympians, Cora races against the clock to save what she can of the planet—and people—she loves from the ruthless Tsakali invaders. As the clock ticks down, she fears she made a grave mistake. By refusing to abandon either of her people, she may have inadvertently doomed both. Song of the Soulless is the fourth book in the captivating sci-fi adventure series, the Atlantis Legacy. Out Of The Ashes

The Empire will kill him for stealing this ship... but they have to catch it first! To the Empire the Wanderer was just another booby-trapped ship to claim, and Jess was just another worthless slave who could be sacrificed in the process. Things didn't go to plan. Jess survived the dangers, and when he sat in the pilot's chair the ancient ship came to life for the first time in centuries. Acting on instinct Jess seized the chance, firing up the engines and fleeing the Imperial forces. Now Jess and the ancient self-aware ship are on the run, their freedom and their very existence on the line. The smart thing to do would be to run like hell and never stop, but Jess finds he can't ignore pleas for help from those in danger. With the powerful Wanderer at his command he can truly make a difference... but at what cost? Buy this collection of the first three books and see why tens of thousands of people have loved following the Wanderer's journey, leaving comments including "In the end, I was gripping the arms of my chair as I rooted for the heroes.", "A fast paced, can't-put-it-down Sci-fi." and "One of the best books I've read this year."

Song of the Soulless

They call me Angel of Death, but my name is Nisha Blake. I am Shepherdstown's living urban legend. My life, a tale of the macabre. People avoid me like the plague. Well, everyone but my friends. They don't see the Angel of Death when they look at me. They see poor, broken Nisha-the bully victim,

suffering from vicious night terrors and vivid hallucinations. Things take a turn for the worse when Blaze shows up. He's a too hot, tattooed, bad-ass MMA fighter from London, hell-bent on getting to know me. Since he walked into my miserable life, my hallucinations graduated to a point where I can no longer differentiate between fiction and reality. I am insane. Broken beyond repair. Or so I think until- I uncover a secret from the past-a link between all the deaths, my hallucinations, and my night terrors. It's then I understand I'm not the Angel of Death. I am something else. Someone else.

A LitRPG retelling of a beloved Classic - Jane Austen's *Pride and Prejudice*. The virtual world of Austentopia is every Jane Austen fan's dream...until it becomes a nightmare. Laid-off teacher Olivia Crawford feels lost without the everyday personal interactions with her students. Attracted by the salary and the potential for a career change, she considers an offer to become a beta player for a new Jane Austen virtual world within the VR universe of Allworld Online. Swallowing her fear, she accepts the position...and the invasive neural implant that will give her access to the virtual realm. When Olivia wakes from the procedure already inside the literary-based universe, she enjoys reliving iconic scenes as Elizabeth Bennet...until a glitch causes a fellow gamer to suddenly vanish. As more players disappear and Olivia finds herself unable to detach from her avatar, she fears a forced shutdown might cause her to be permanently deleted. Can Olivia figure out who's holding her prisoner in cyber-Hertfordshire before it's too late? Allworld Online: *Pride & Prejudice* is the first book in the suspenseful Allworld Online LitRPG series. If you like wondrous virtual worlds, escalating tension, and classic tales with an unusual twist, then you'll love this Science Fiction Adventure! *** KEYWORDS: litrpg, jane austen variation, pride and prejudice variation, jane austen litrpg, pride and prejudice litrpg, sci-fi, virtual reality, jane austen, pride and prejudice, gamer, gamelit, artificial intelligence, litrpg romance, regency sci-fi, cliffhanger, enemies-to-lovers

Out Of The Ashes

The conclusion of the exhilarating science fiction adventure series, the Atlantis Legacy. Cora has given up almost everything to live out her remaining years with Hades, protecting what remains of those she loves the only way she can—by plotting to destroy the Tsakali threat. But when the mission goes sideways, Cora will need to face her bone-deep prejudices and trust the enemy. If she can't, she risks losing everything, including her own life. *Rise of the Revenants* is the sixth and last book in the unique and captivating Hades and Persephone retelling, the Atlantis Legacy. If you like ancient mysteries, Greek mythology, treasure-hunting quests, and epic love stories, then you'll love this exhilarating adventure! The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

Rise of the Revenants

For Kat Dubois, death is only the beginning... Kat is on a mission, and the fate of the universe depends on whether or not she succeeds. She must journey into the heart of the underworld and track down Isfet before time runs out. Before the bonding withdrawals claim her bond-mate's life and her ticket out of the afterlife vanishes. Before the Mother of All attacks. For once, luck is on Kat's side. Some of her closest friends and most trusted allies have her back, even in the hereafter. The mission should be breeze. But it doesn't take Kat long to realize that the underworld is far more dangerous than she ever could have imagined... Afterlife is the final book in the Kat Dubois Chronicles, a tough-girl urban fantasy series set in Seattle, WA. No place on earth is untouched by the Shift. In the bustling industrial cities of Victorian America, soot clouds darken the skies, plaguing citizens with black lung. Rich or poor, young or old, no matter their station, no one is able to escape the life-threatening disease, and the West family is no exception. Overcome by death and sickness, the Wests flee to the New Territories for refuge, only to discover more devastation. Wind and drought ravage the land and no one is safe. No place on earth is untouched by the Shift. Borne of Sand and Scorn is the prelude to the post-apocalyptic adventure, Dust and Shadow, and is a Forgotten Lands Series Prequel.
