The videos are made out of videos and **images**, to explain ...

Leopards are powerful and graceful animals mostly found in Africa and Asia They belong to cat family, but they are nothing like your pet cat Leopards are strong, dangerous hunters and best at climbing amongst all cats

WHAT DO LEOPARDS LOOK LIKE? Leopard has light yellow fur with dark brown spots making them to get hide in trees easily. These spots are called "rosettes" and can be either round or square. They are the smallest of the big cats. though normally they are 28 inches high and weigh between 80 and 150 pounds.

NOMADIC ANIMALS Leopards are nomadic animals, means they always moving to other areas and do not stay at one place.

WHAT LEOPARDS EAT? Leopards are carnivores, meaning they eat other animals. Mostly they hunt for antelope, deer, monkeys and warthogs, though, leopards are good swimmers as well, so sometimes they even eat fish and crabs.

WHAT LEOPARDS DRINK? Leopards hardly ever get thirsty and go a very long time without drinking water, sometimes up to 10 days.

NOISES THEY MAKE? Just like any other cat leopard purr when they are happy and make lots of noises when angry or scared too

BABY LEOPARDS Leopards are born without their spots and are grey! Babies drink only their mother's milk, but start eating meat when they are 6 or 7 weeks old.

THE LIFE OF A LEOPARD Leopards really like to live alone, and leave their mother to fend for themselves upon reaching 2 years. Usually, they can live for 20 years in captivity, and about 14 years in the wild

PREDATORS Although leopards are powerful animals and good hunters, lions, tigers and packs of hyenas sometimes hunt them, though being able to climb trees helps them to be safe.

Because they like to live alone and hate company they often fight if another leopard invades one's territory. These fights can be deadly.

Black Panthers are actually leopards mostly found in forests and jungles in Asia. They are not truly black, but very dark grey or brown

Das Buch mit dem Schaf auf der Toilette und über 200 Cartoons

In seiner unverkennbaren eigenen Art und Sprache erzählt uns Steffen die Geschichte seines Lebens, wie er in Ostdeutschland aufwuchs, zum Uhrmacher ausgebildet wurde und sich in der Theaterszene wiederfand, dann seine atemberaubende Flucht in den Westen, seine bayrische Sozialisierung im Münchner Barmilieu der 1990er, seine Reisen und tiefe Verbindung mit östlicher Kultur und schließlich einer Neuorientierung, die, durch Krankheit geprägt, das Äußere nach innen verlegt, aber dadurch nicht

an Originalität und Abenteuer einbüßt. Das vorliegende Werk beschreibt mit schonungsloser Ehrlichkeit die Entwicklung und den Reifeprozess eines liebenswerten Menschen, dessen Anderssein nicht allein, aber auch nicht zuletzt, in seiner Sexualität Ausdruck findet.

Jede Familie hat ein Schaf

Eine Terrorgruppe will den Ausbau der Bahnlinie am Niederrhein verhindern - und entführt Hauptkommissarin Krafft. Die Suche nach ihr bleibt erfolglos, bis eine Frauenleiche mit frappierender Ähnlichkeit ans Rheinufer gespült wird. Das LKA aus Düsseldorf unterstützt das K1 in Wesel in diesem Fall und erkennt: Karin Krafft muss als tot gelten, um zu überleben. Ein harter Weg für ihre Familie und die Kollegen vom K1 um Kommissar Gero von Aha. Thomas Hesse, Jahrgang 1953, lebt in Wesel, ist gelernter Germanist und Journalist und war lange in leitender Position bei der Rheinischen Post am Niederrhein tätig. Heute ist er freier Autor und Publizist. Im Emons Verlag hat er bisher zwölf Niederrhein Krimis veröffentlicht. Renate Wirth, Jahrgang 1957, lebt in Xanten und arbeitet seit vielen Jahren als Gestalttherapeutin im sozialen Bereich. Seit 2005 schreibt sie gemeinsam mit Thomas Hesse und legt nun den neunten gemeinsamen Niederrhein Krimi vor.

Unsere Zeit

Eine Vogelart erkennt man an ihrem "Jizz" und in einem Beatles-Song durften sogar Amseln mitsingen – dies und noch viel mehr außergewöhnliches Vogelwissen erfahren wir von Antonia und Philipp in diesem ganz besonderen Vogelbuch. Die beiden Hobby-Ornithologen und Podcaster wollen möglichst viele Menschen für das begeistern, was sie selbst besonders lieben: Vögel. Sie stellen 13 Vogelarten vor und zeigen, wie man sie beobachtet und schützt. Das alles verbunden mit persönlichen Anekdoten und Ausflügen in Musik, Kunst und Popkultur. Ein unterhaltsames Buch über die Vogel-Liebe, das über den ornithologischen Tellerrand schaut und so richtig Lust aufs (Urban-)Birding macht.

Das schwarze Schaf

Behind every great superhero is a very angry younger brother. Luke Parker was just your average comic book fan until his boring, teacher's pet, helps-old-ladies-across-the-street brother Zack got turned into a superhero. Luke can't believe the unfairness of it all—he's the one with the encyclopedic knowledge of everything from Ant-Man to Wolverine! At least he can help Zack—aka Star Guy—with all the important parts of becoming a superhero, like using his newfound powers and deciding whether or not to wear a cape. But when Star Guy gets into super-size trouble, it's up to Luke—and his intrepid neighbor, Lara—to rescue his big brother and, with a little luck, help him save the world.

Über Land und Meer

Little Owl howls and howls. Everyone in the neighborhood—from the hedgehog and the crow to the squirrel, mole, and stag beetle—tries to comfort her. They rock her in a large cobweb. They give her a nut. But even the mole's necklace of flowers does not calm her down. Could it be that she just needs a hug? "Children are sure to love this cleverly crafted picture book."—Through the Looking Glass Book Review

Vogel entdeckt - Herz verloren

After an absence of some seven years, Greg Bowman returns from America to find his father lying in a bamboo coffin, his estranged brother Billy stalking a woman with no feet and his 79-year-old Uncle Frank planning to rob a bank. While renovating the family house he is unexpectedly visited by the presence of his dead father and charged with the task of 'fixing' the family. In the course of his reluctant investigations, Greg discovers not only the secrets behind the strange behavior of his brother and uncle but also an unsettling secret of his father's, and one that brings him face to face with the unintended consequences of his own past. The Last of the Bowmans is the story of a family on the run from itself in a city with no place to go.

My Brother Is a Superhero

Ein Bestseller aus den 1920er Jahren: Thymian wird ungewollt schwanger und wird von ihrem Vater gedrängt, das Kind zur Adoption freizugeben. Diverse Umstände veranlassen sie nun, ihr Geld als Prostituierte zu verdienen. Doch sie glaubt weiterhin an die wahre Liebe und beweist sich als ehrenvoller und anständiger Mensch. -

Pfälzischer Kurier

Theodora Lau gibt eine Einführung in die chinesische Astrologie und beschreibt auf detaillierte und äußerst unterhaltsame Weise alle 12 chinesischen Tierkreiszeichen sowie ihre jeweiligen Persönlichkeiten und die Einflüsse der fünf Elemente und Aszendenten. Ihr Buch nennt außerdem die möglichen Ehekombinationen zwischen den Jahrestieren sowie die unterschiedlichen Kombinationen aller westlichen Sonnenzeichen und der chinesischen Mondzeichen, wie z.B. Stier-Pferd, Zwilling-Büffel, Jungfrau-Tiger.

Kleine freie Presse Wien

"Vergnügliches" wird gemeinhin nicht als eine prototypische Kategorie des Didaktischen betrachtet und umso reizvoller erscheint es uns, diesen Zusammenhang (neu) zu denken. Auf der Suche nach einem unkonventionellen Zugang zur Thematik soll ein Heft entstehen, das den Verbindungslinien von "Sinn" und "Vergnügen" nachgeht und auch die Frage aufwirft, inwiefern Letzteres, abseits von Konsumkult und Narzissmus, zum Leben im Allgemeinen und zur Bildung im Besonderen gehört. Die Beiträge in diesem ide-Heft sollen mögliche Wege zu einem kulturwissenschaftlich orientierten Unterricht, der weit über einzelne Fächer hinausragt, aufzeigen. Die vergnüglichen Betrachtungen beziehen sich auf Literatur und Sprache, sie führen aber auch in bis dato für den Deutschunterricht wenig relevant erscheinende Bereiche wie etwa die Einbindung des kreativen Potenzials der lebensweltlichen Umwelt in den Unterricht. Diese und andere unkonventionelle Ideen werden das Heft zu einem hoffentlich sehr vergnüglichen Lektüreerlebnis machen.

Teplitz-Schönauer Anzeiger

Ein wahrer Höllentrip – für alle, die ihre Thriller blutig mögen. Sehr blutig Als in einem Container im Hafen von Aberdeen menschliche Leichenteile in den Fleischvorräten für eine Bohrinse gefunden werden, beginnt ein wahrer Alptraum. Offenbar ist der „Fleischer“ zurück, ein Killer, der vor vielen Jahren seine Opfer im wahrsten Sinne des Wortes abgeschlachtet hatte. Ken Wiseman war damals zwar gefasst und verurteilt worden, ist seit einiger Zeit aber wieder in Freiheit. Bald werden weitere Leichenteile gefunden, und von einigen offenbar verschleppten Opfern fehlt jede Spur. Nur Unmengen von Blut zeugen von den unvorstellbaren Gräueln, die sich in ihrem Haus zugetragen haben müssen. Fieberhaft suchen Detective Logan McRae und seine Kollegen nach dem „Fleischer“ – doch der ist ihnen stets einen Schritt voraus ...

Montags-Blatt 1853 - 1854

The most beautiful fish in the entire ocean discovers the real value of personal beauty and friendship.

Owl Howl

I'm Off Then has sold more than three million copies in Germany and has been translated into eleven languages. The number of pilgrims along the Camino has increased by 20 percent since the book was published. Hape Kerkeling's spiritual journey has struck a chord. Overweight, overworked, and disenchanted, Kerkeling was an unlikely candidate to make the arduous pilgrimage across the Pyrenees to the Spanish shrine of St. James, a 1,200-year-old journey undertaken by nearly 100,000 people every year. But he decided to get off the couch and do it anyway. Lonely and searching for meaning along the way, he began the journal that turned into this utterly frank, engaging book. Filled with unforgettable characters, historic landscapes, and Kerkeling's self-deprecating humor, I'm Off Then is an inspiring travelogue, a publishing phenomenon, and a spiritual journey unlike any other.
