Selección de poesías amorosas en lengua española

Piedrecillas brillantes en el fondo de un lago amansado por el tiempo, las poesías que engarzamos aquí, más o menos románticas o eróticas (irónicos a veces, desencantadas otras) han perdurado y gustado a varias generaciones. Quizás algún lector prefiera otras, y sin duda muchos críticos difieran de mi selección o echen en falta nombres de poetas ausentes en el índice que presentamos. Es más que probable, porque esta no es una antología de nombres sino de textos. Por demás, cada lector tiene sus predilecciones y derecho a elegir... Como lector y como crítico, solo he pretendido reunir las cien piezas líricas que prefiero hoy (quizás ya no mañana, cada día uno es distinto), una selección de poemas diversos e indiscutibles, que me gustan o emocionan y que con el paso del tiempo no perdieron el brillo de la inspiración original. Esta antología pretende únicamente ofrecer un panorama cronológico de la lírica amorosa en lengua española, donde los poetas no son los protagonistas sino los poemas.

Los cien mejores poemas de amor de la lengua española

Selección de 150 sonetos de la lengua española

Sonetos de amor

En todo el mundo y en todas las épocas el amor ha sido y es la medula de la poesía. Como escribió Lope de Vega: B+El amor fue el inventor de los poemas.B; Esta magnífica antología reúne las mejores poesías de amor en lengua española escritas por centenar y medio de poetas de todas las épocas. Como escribe Luis María Anson en la introducción: B+Los enamorados y enamoradas, los maridos y mujeres, los amantes, los que esperan o viven o recuerdan el amor, encontraran en estas páginas la vibración más profunda que a lo largo de los siglos ha suscitado este sentimiento en los poetas de lengua española. Por eso, esta antología no es solo un libro. Es un tesoro literario de belleza indeclinable, de emoción en ascuas vivas. El lector puede abrirlo por cualquier página con la seguridad de que sentirá el aliento más hondo de la escritura de los poetas, el mensaje infinito de quienes rindieron sus letras al amor profundo, a la palabra absorta, al sentimiento insondable, a la carne que se estremece, al devastado corazón, al alma que tiembla, a la cálida ceniza.B;

Antología de las mejores poesías de amor en lengua española

“El poeta de amor más recordado de la poesía amorosa en lengua española murió a los treinta y cuatro años sin saber que iba a ser uno de los más admirados, conmemorados, citados, amados y reconocidos sin interrupción por las generaciones que habían de sucederle. Muchos españoles que no conocen a Espronceda o a Galdós, al duque de Rivas o a Larra, saben de Bécquer porque el poeta sevillano llega a la gente, está en la memoria colectiva, entra en el habla común y se citan sus versos. Lo recordamos como emblema del sentimiento amoroso, como referente para los textos literarios delicados y penetrantes, como símbolo del enamorado sincero, como portador de una expresión excelsa que se aloja en las profundidades del hombre. Otros grandes poetas de amor como Garcilaso de la Vega, Francisco de Quevedo, Lope de Vega, Pedro Salinas o incluso Pablo Neruda son admirados, es verdad, pero no llegan a todo tipo de lectores, a todas las clases sociales, a todas las ideologías, a todos los gustos, a todas las sensibilidades.” Rafael del Moral

"Tasté, selección de poemas de amor" es un compendio de 68 poemas amorosos reunidos en cuatro capítulos: 1. El amor, 2. El odio, la ausencia y la distancia, 3. El delirio y la locura, 4. Canto de la amada ausente. Una vibrante selección de una poesía en la que se combinan elementos dulces y agresivos, cotidianos e irreales, haciendo de los poemas presentados un bello poemario íntimo, a la vez que vibrante. Porque por ti mi voz se viste de almirante y no quiero otra cosa sino tu vida, tu mar de transparencias en que vuelan invencibles luciérnagas y el grito mudo de la tierra. Y esto haría por tu cutis de uva fragmentada o de durazno enhiesto, de indemnes sangres en punto de ebullición, o de tu nombre montañero que tiene la frescura de los pinos, o de la niebla que se desliza por los prados. Porque por ti resucitan campanarios y salen los niños volando como globos de chocolate; porque por ti clausuran cementerios y orfanatos, y salen todos a la calle con su procesión de cebollas y de sartenes tiznados, hacia ninguna parte y hacia todas partes. [...] Porque por ti una mujer es un ángel y las piedras se hacen agua y alcanzan tu cintura. Porque por ti las noches son más azules y ponen espejos en los supermercados, en las casas, en los ojos del hambriento, en el cristal de un agua, y sale tu cabello volando de entre las minas de alfarero, y tu cuerpo se pinta de todos los colores, y te veo en todos los sitios donde anclo los ojos. Si pudiera bajar la luna para dártela bajaría todas las lunas y todos los planetas y los haría ceniza, polvo, lejía, y ese sucio barro te lo entregaría para que los reconstruyeras. Si pudiera arrojar mi cuerpo caliente a un fuego volcánico y abrir los ojos para buscarte entre el agua luminosa; si pudiera ahorcarme con las trenzas de tu cabello mientras te digo todo lo que te amo o mientras te miro en la sombra, quizás sólo dejaría el ruido feroz de los insectos y mis ojos calcinados que te buscan [...]

Los más bellos poemas de amor en lengua española

Veinte poemas de amor y una canción desesperada es una de las más célebres obras del poeta chileno Pablo Neruda (1904-1973). Publicado en 1924, el poemario lanzó a su autor a la fama con apenas 19 años de edad, y es una de las obras literarias de mayor renombre del siglo XX en la lengua española. El libro pertenece a la época de juventud del poeta, ya que fue escrito y publicado cuando no contaba aún con veinte años. Su origen es explicado como una evolución consciente de su poética que trata de salirse de los moldes del posmodernismo que dominaban sus primeras composiciones y su primer libro, *Crepusculario*. La obra está compuesta por veinte poemas de temática amorosa, más un poema final titulado *La canción desesperada*. A excepción de este último, los poemas no tienen título. Aunque el poemario esté basado en experiencias amorosas reales del joven Neruda, es un libro de amor que no se dirige a una sola amante. El poeta ha mezclado en sus versos las características físicas de varias mujeres reales de su primera juventud para crear una imagen de la amada irreal que no corresponde a ninguna de ellas en concreto, sino que representa una idea puramente poética de su objeto amoroso.

200 Poemas de Amor

¿Para qué un poema? ¿Para que tú me oigas? ¿Para que me arrastres al abismo? ¿Para que lloremos juntos? Como dijo Don Pablo, "para mi corazón basta tu pecho".

Soy el amor, soy el verso

Pablo Neruda fue lírico y épico, fue poeta de la naturaleza y de la historia, pero fue, sobre todo, durante toda su vida y de diversas maneras, poeta del amor. Una antología de su poesía de amor debe aspirar a mostrar la vena amorosa de Neruda en sus diferentes etapas y matices, en su prolífica abundancia, en su diversidad e incluso en sus contradicciones. Jorge Edwards, uno de los amigos más cercanos a Neruda durante los últimos años de su vida, es el autor de esta original y reveladora selección, que ha explicado en un prólogo rico en historia, reflexión y revisión crítica.

Veinte poemas de amor y una canción desesperada

El amor, las mujeres y la vida reúne los mejores poemas de amor escritos por Mario Benedetti, donde vuelca su concepción de la vida: el amor como compensación de la muerte se levanta en sus versos lleno de fe, como fuerza principal que mueve al ser humano, como una proclama de la existencia, que va de la erótica del amante hasta la esperanza del revolucionario o la gratitud del amigo.

Poesía completa

Buesa alcanzó en vida una popularidad inusitada, tanto dentro de Cuba, como en el orbe del idioma español. Todavía hay personas en Hispanoamérica, incluso en España, y muchísimas en Cuba, que recuerdan de memoria sus versos, los cuales fueron gala en recitales de declamadores, sirvieron como letras de canciones, fueron oralizados por la radio y la televisión, y hasta declamados a veces parcialmente en algunos filmes. Pasaron manuscritos de mano en mano, se los leyeron entre sí novios de todas partes o sirvieron para declaraciones amorosas. Tal currículo emocional no siempre fue del agrado de los cultos e incisivos críticos; muchos de ellos han seguido considerando a Buesa como un bardo inferior, de calado emotivo populista, y por ello solía ser desposeído de mención o estudio en historias literarias, diccionarios, tesis académicas o de la profusión crítico-ensayística. Pero Buesa sigue vivo con su poesía al hombro. O mejor sea dicho: su poesía sigue viva, arrastrando consigo el nombre de su creador.

20 Poemas de Amor y una Canción Desesperada / 100 Sonetos de Amor

Nueva edición. Debido a la múltiple documentación que he encontrado sobre la vida y obra de José Ramón Marín Gutiérrez, conocido por el seudónimo de Ramón Sijó, he creído conveniente dividir el trabajo en dos libros. Por ello, el presente volumen queda acotado y limitado exclusivamente al estudio de La decadencia de la flauta y el reinado de los fantasmas (1935-1973). El segundo lo dedicaré a la biografía, pensamiento político y las opiniones críticas de las que ha sido objeto con el título de Ramón Sijó, el Estigmatizado, donde expondré de una forma lo más objetiva posible las múltiples opiniones, a veces contradictorias sobre su filofascismo, falangismo, radical catolicismo y otros ismos, porque no todo en Sijó es radicalismo o sufrimiento, llaga y dolor o tremendas tempestades consigo mismo, como dijera de Miguel Hernández, una amistad que ha sido mitificada.

30 Poemas de amor y una canción esperada

Madrid se ha ido construyendo a base de ladrillos, de piedras y de cientos de escudos nobiliarios; se ha ido construyendo en el caos de miles de personas que llegaban a sus costas castellanas con la ilusión de comenzar una nueva vida, ya fuera en el siglo XVI cuando Madrid se convirtió en Corte, ya en el siglo XIX, con la primera industrialización, que desbordó los límites de una ciudad que conservaba aún el sueño de las murallas y de sus puertas, esas que eran líneas tejidas al resto de Castilla: Puerta de Alcalá, Puerta de Toledo... [...] Madrid se ha construido a base de palabras. De las palabras de los poetas. Nadie se ha ido de Madrid sin haber escrito un verso, incluso sin haberlo sabido. Un Madrid que se describe en los versos antiguos, en los más medidos y los más fundacionales, porque espanta tanta grandeza... una grandeza que se esconde de puertas para adentro. José Manuel Lucía

Poemas de amor

“En un lenguaje a la vez fluido e incandescente, Lourdes Gil se adentra en la sutil relación entre el amor y la muerte, y evoca el dolor y la belleza que pueden surgir entre las ruinas de la historia, la memoria y el desarraigo. En trágica letanía, la poeta se une al coro de voces literarias, pasadas y presentes, para invocar las sombras de una larga fila de personajes reales y míticos, cuyas vidas icónicas y destinos a menudo fatídicos, actúan como un testimonio a la violencia y la infamia que resultan del

poder desmedido, así como la absoluta vulnerabilidad del individuo que se enfrenta a fuerzas más allá de su control.” ANDREA O'REILLY HERRERA.

Antología de la poesía romántica de lengua española

Si, como escribiera Lezama Lima en su esencial Antología de la poesía cubana, “la isla de Cuba comienza su historia dentro de la poesía”, no resulta menos cierto afirmar que las mujeres ocupan un lugar relevante, significativo, entre los poetas que han contado, o poetizado, esta historia. En Otra Cuba secreta se reúnen por primera vez las voces más importantes de la poesía femenina cubana de los siglos XIX y XX. El volumen se completa con una amplia Introducción, así como notas, comentarios y bibliografía sobre cada una de las poetisas seleccionadas. La Antología queda integrada por cuarenta y tres autoras: Gertrudis Gómez de Avellaneda, Adelaida del Mármol, Julia Pérez Montes de Oca, Úrsula Céspedes, Luisa Pérez de Zambrana, Aurelia Castillo, Nieves Xenes, Juana Borrero, Mercedes Matamoros, María Luisa Milanés, Emilia Bernal, María Villar Buceta, Dulce María Loynaz, Mercedes García Tudurí, Mirta Aguirre, Serafina Núñez, Julia Rodríguez Tomeu, Carilda Oliver Labra, Fina García Marruz, Serafina Núñez, Clea Solís, Rafaela Chacón Nardi, Nivaria Tejera, Pura del Prado, Rita Geada, Georgina Herrera, Edith Llerena, Lourdes Casal, Rosario Hiriart, Juana Rosa Pita, Isel Rivero, Belkis Cuza Malé, Nancy Morejón, Lina de Feria, Magali Alabau, Lilliam Moro, Maya Islas, Mirta Yáñez, María Elena Blanco, Alina Galliano, Lourdes Gil, Soleida Ríos y Reina María Rodríguez. El apéndice final presenta una breve muestra de las poetisas cubanas más recientes: María Elena Cruz Varela, Zoe Valdés, Teresa Melo, Odette Alonso, Damaris Calderón, Alexandra Molina y Wendy Guerra. — “Otra Cuba secreta... –título tomado del ensayo breve de María Zambrano <>- a nuestro entender supera todos los intentos anteriores de llevar a cabo una rigurosa antología de poetisas cubanas. Por encima de los señalamientos que le hemos formulado, constituye una obra valiosa y, a partir de ahora, de imprescindible consulta no solo para conocer en profundidad el discurso poético femenino en Cuba, sino además para comprender mejor el proceso evolutivo de la poesía cubana.” Jorge Domingo Cuadriello [Fragmento de Espacio Laical, 1/2012] — “La poeta, investigadora y profesora cubana Milena Rodríguez Gutiérrez -que desde finales de los años 90 vive en España, en Granada- se está convirtiendo en un importante puente entre los dos países para acercarnos la riqueza poética y el poderío a veces deslumbrante de la poesía femenina cubana, que tanto desconocemos. Pues la dificultad de la lejanía y la particularidad del caso cubano, hay que añadir que la poesía escrita por mujeres siempre ha tenido menos difusión y ha crecido tradicionalmente al margen de la gran corriente poética de la poesía que se considera <>, la escrita por los hombres, que suele acaparar para sí el honor de construir el <> de un país.” Ángeles Mora [Fragmento de Cuadernos Hispanoamericanos, 742, Abril de 2012] — Milena Rodríguez Gutiérrez tuvo a su cargo la edición, introducción, notas y aparato bibliográfico de la antología Otra Cuba secreta. Antología de poetisas cubanas del XIX y del XX (De Gertrudis Gómez de Avellaneda a Reina María Rodríguez con una breve muestra de poetisas posteriores) (Verbum, 2011, 563 pp). Esta es, sin dudas, la antología más ambiciosa de poetisas cubanas, y es también, a nuestro juicio, la más completa y lograda. La introducción de Rodríguez Gutiérrez es un verdadero ensayo que contribuye significativamente al estudio de la poesía escrita por mujeres cubanas, tanto como a la valoración de sus obras respectivas. No estamos ante una «muestra» más, o una mera «selección», sino ante una verdadera antología que se destaca por el rigor de la selección de los textos y por acercarnos, sobre todo en lo que respecta al siglo XIX – esto es importante – a la obra de autoras muchas veces de difícil, si es que no de imposible acceso. De modo que también debemos reconocer el importante trabajo de archivo, y de dominio de la bibliografía precedente que revela el trabajo de la compiladora. Milena Rodríguez Gutiérrez (La Habana, 1971) se doctoró en Teoría de la Literatura y Literatura Comparada en la Universidad de Granada, y ha editado otras antologías como: Insuficiencia de la escala y el iris (2002), de Rubén Martínez Villena; Sin nada en otro sitio (2009), de Tomás Segovia, y la sin dudas imprescindible El instante raro (2010), de Fina García Marruz (posiblemente la mejor antología que tenemos hasta ahora de la poeta cubana). Poeta ella misma, Milena ha publicado los poemarios: El pan nuestro de cada día (1998), Alicia en el país de Lo Ya Visto (2001) y El otro lado (2006). Actualmente trabaja como profesora e investigadora en la Universidad de Granada. Francisco Morán [Nota publicada en La Habana Elegante] — “La antología constituye, por definición, un género imperfecto. Condenado desde el principio a la parcialidad, las omisiones y los excesos, en el mejor de los casos el texto antológico aspira a ser exigente, polifónico, definitivamente personal. Si estas tres últimas características determinan el alcance y la magnitud de una antología, entonces Otra Cuba secreta se nos presenta como una obra capital, que interviene en el campo de la poesía de mujeres renovando paradigmas y respondiendo a las cuestiones de debate más actuales.” María Lucía Puppo [Reseña publicada en La Habana Elegante]

"Esta antología se caracteriza por la amplitud de la muestra: 120 poemas de otros tantos autores, desde el siglo XVI. La inclusión de un poema precolombino y de textos del Conde de Lautréamont, J. Laforgue, J. Supervielle y Saint-John Perse es aporte novedoso. Muy útil el apéndice bibliográfico, pero la disposición de los poemas en 3 apartados es un tanto gratuita e innecesaria"--Handbook of Latin American Studies, v. 58.

Each story is followed by four optional multiple choice questions designed to assess basic reading comprehension and reasoning skills. Answers are tabulated in the back of the book. Each story is followed by a storytelling prompt, with blank lines for writing, which can be used to try and get kids to write their own wacky stories. May your children or students learn to love reading and make it a lifelong habit.

Tiger Vs. Nightmare

Dirty Wicked Prince

He's the elite's dark prince. I had the audacity of breathing his air. Dirty. Rotten. Savages. The Legacy boys are Windsor Preparatory Academy's most privileged. No one crosses the devil spawn of this town's upper echelon, but I managed. I call one of them out my first day, and no one hears it louder than their blond prince. Evil. Wicked. Twisted. Dorian Prinze is as cruel as he is beautiful and once he sets his sights on me, he refuses to let go. Apparently, I bother him by simply existing at my new school and no matter what I do, I can't stay off the radar of him and his boys. He says I make too much noise and stupid me for not caring. Some really messed up stuff brought my brother and me to this town, and I won't bow down to these elitist pricks. Something tells me going to war with the cruel prince of Maywood Heights may level both our foundations, but I won't go down without a fight. I'll do whatever it takes to win Dorian's devious and twisted games. Even if he promises I'll scream for him by the end. Warning: Dirty Wicked Prince is a dark high school romance that contains dubious content and situations some may find triggering. It's recommended for readers 18+ and is the first book in an all new series by Eden O'Neill titled Court Legacy. Dirty Wicked Prince is not a standalone and does end in a cliff hanger. Author's Note: Court Legacy is a spin-off series about the children of characters featured in Eden O'Neill's Court High and Court University series. It's not necessary to read the previously released series in order to enjoy Court Legacy. This is a new series that can be read completely on its own.

An Eagle Love Story

Do eagles really fall in love? The answer is yes! They literally fall thousands of feet through the air to prove their love, even risking death for each other. This easy-to-read children's book is based on the

true courtship of eagles. This love can also be compared to Jesus's sacrificial love for us as well as how we should have a sacrificial love for each other. No one has greater love [nor stronger commitment] than to lay down his life for his friends. (Jesus, John 15:13 AMP)

The Wind Whisperer

At fifteen, Anaii is the most important member of her tribe-and the most mysterious. Ever since Anaii can remember, the spirits of the wind have whispered of fertile hunting grounds and imminent enemy attacks. But when her people are ambushed by a brother clan without any apparent cause, the spirits remain eerily silent. As the village prepares to retaliate, Anaii is pressured by her best friend, Elan, to marry him. It's an old plea-Elan has spent a lifetime loving her, but Anaii only sees a childhood playmate out of an imposing warrior. Stifled by Elan's insistence, Anaii escapes into the forest where she meets Jayttin, the beautiful son of the enemy chief. Enamored by Jayttin's carefree spirit and hope for peace, she repeatedly sneaks away to be with him, but when her deception is discovered, Elan is devastated. Pledging his lifelong affection, Elan gives her a passionate kiss, and Anaii begins to see her friend in a new light. While Anaii is tormented over which man she must choose, the wind whispers of a new threat that could destroy both tribes. Only a union will afford a chance at survival, but the reality of that union is based on one thing-which man Anaii chooses to die.

The Essential Cult TV Reader

The Essential Cult TV Reader is a collection of insightful essays that examine television shows that amass engaged, active fan bases by employing an imaginative approach to programming. Once defined by limited viewership, cult TV has developed its own identity, with some shows gaining large, mainstream audiences. By exploring the defining characteristics of cult TV, The Essential Cult TV Reader traces the development of this once obscure form and explains how cult TV achieved its current status as legitimate television. The essays explore a wide range of cult programs, from early shows such as *Star Trek*, *The Avengers*, *Dark Shadows*, and *The Twilight Zone* to popular contemporary shows such as *Lost*, *Dexter*, and *24*, addressing the cultural context that allowed the development of the phenomenon. The contributors investigate the obligations of cult series to their fans, the relationship of camp and cult, the effects of DVD releases and the Internet, and the globalization of cult TV. The Essential Cult TV Reader answers many of the questions surrounding the form while revealing emerging debates on its future.

Chicken Butt!

You know what? What? Chicken butt! The classic schoolyard joke has been recast as an irreverent picture book, with call-and-response parts for parent and child. The word repetition in Erica S. Perl's text, and wonderfully comic illustrations by beloved artist Henry Cole, make this a particularly inviting book for new readers, as does the opportunity to "trick†? a parent or other adult into participating in a very silly joke. The humor builds to a surprising and satisfying conclusion. Warning: Kids will want to read this one over and over and over again! "An unhinged piece of slap-happy rhyming...rocket-propelled artwork...the romp is a powerful piece of cacophony, more frenetic by the moment.†?—Kirkus Reviews

Hobgoblin and the Seven Stinkers of Rancidia

Named a Best Book of 2019 by Kirkus Reviews, this pungent parody of *Snow White* modernizes (and stinks up) the themes of the classic fairy tale to serve as a timely parable of the virtues of inclusive democracy versus the evils of corrupt regimes. Set in the faraway land of Rancidia, where it's good to smell bad and bad to smell good, this acclaimed middle-grade adventure follows a profoundly stinky Hobgoblin as he flees the jealous wrath of a monstrous, democracy-hating ogre tyrant named Fiddlefart.

The Real Science Behind the X-Files

Could an alien organism really survive a centuries-long trip on a meteor and remain virulent enough to attack a human being? How would a scientist know she was peering at a microbe from another planet? What's the possibility of a genetically mutated monster actually developing? In a gripping exploration of the facts behind the science fiction that has enthralled millions of X-philes, Anne Simon -- the respected virologist who comes up with the science for many intriguing episodes -- discusses telomeres, cloning, the Hayflick limit, nanotechnology, endosymbionts, lentiviruses, and other strange phenomena that have challenged the intellect and threatened the lives and sanity of America's favorite FBI agents. With Simon's extraordinary gift for explaining complicated, cutting-edge science in a light, accessible style, and her behind-the-scenes commentary on the development of various plot lines, *The Real Science Behind the X-Files* will appeal to science buffs and X-Files aficionados alike.

The Cyclops Witch and the Heebie-Jeebies

Zombie, Or Not to Be

This topical and hilarious parody of Shakespeare's Hamlet follows a young science-minded zombie teenager named Edda as she deals with a myriad of death-altering problems including a climate crisis caused by the anti-science humans in Ignorway and the conniving takeover of her country by her villainous Aunt Agonista.

The Areas of My Expertise

In the great tradition of the American almanac, The Areas of My Expertise is a brilliant and hilarious compendium of handy reference tables, fascinating trivia, and sage wisdom on all topics large and small. Although bestsellers such as Poor Richard's Almanack and The Book of Lists were certainly valuable, they also were largely true. Here is a different kind of handy desk reference, one in which all of the historical oddities and amazing true facts are sifted through the singular, illuminating imagination of John Hodgman—which is the nice way of saying: He made it all up. John Hodgman brings his considerable expertise to bear in answering all of the questions book buyers have been asking: -What are the mottoes of the 51 United States? THE ANSWER IS PROVIDED -Who were the U.S. presidents who had hooks for hands? THE ANSWER IS PROVIDED -What role does the Yale secret society “Skull and Bones” play in the secret world government? THERE IS NO SECRET WORLD GOVERNMENT -What was the menu at the first Thanksgiving, and did it include eels? Technically, that is two questions, but do not apologize, for John Hodgman shall answer them both . . . LATER. -Aside from a compendium of fake trivia, what is the best kind of book to write? A SIMPLE TABLE OF THE 55 MOST DRAMATIC LITERARY SITUATIONS PROVIDES THE ANSWER, and John Hodgman is the author of that table. Imagine if The Book of Lists had been rewritten by Peter Cook and Jorge Luis Borges under the pseudonym of “John Hodgman” and then renamed The Areas of My Expertise, and you will only begin to have a sense of the dizzying, uproarious, sublimely weird, and strangely wise journey that is contained within this book (along with all the pages and words). Perfect for anyone who thirsts for knowledge, and especially for collectors of books of fake trivia, The Areas of My Expertise offers through absurdity a better understanding of the world we share—and recognizes that while the truth may be stranger than fiction, it is never as strange as lies . . . or as true. Look out for John Hodgman's latest book, Vacationland, available from Viking in Fall 2017.

Hot Chicks with Douchebags

Greasy foreheads. Spiky frosted hair. Oiled-up faces dripping with Tag Body Shot spray. Armani Exchange T-shirts and rank cologne wafting off their backs like fetid pollen clouds as they pump their fists and attempt to grind into any hotties nearby. Young beauties oblivious to the hulking monstrosity clutching at their butts like snapping turtles on Red Bull. From sea to douche sea, ours is a culture plagued by this festering blight. By the dark forces of über-douchebaggery. How did this happen? What can we do to confront the douchebag/hottie plague that rots our collective souls like boils sent by a wrathful and angry God? And how can you recover if you or your loved one is 'bag? Now, for the first time, there is an answer to those questions that haunt our collective will and sap our culture of any claim to societal advance: Why hottie/douchebaggery? Why now? And why are douche-faces so silly? In this book we dissect, analyze, contemplate and mock the rank douchescrotes that pollute our country's hottie supply on a daily basis. Every branch of the douche-tree will be examined. Every corner of our cultural rot will be exposed. And if we can lust after their hotties along the way, then all the better.

First Timers and Old Timers

"The Texas Folklore Society has been alive and kicking for over one hundred years now, and I don't really think there's any mystery as to what keeps the organization going strong. The secret to our longevity is simply the constant replenishment of our body of contributors. We are especially fortunate in recent years to have had papers given at our annual meetings by new members--young members, many of whom are college or even high school students. "These presentations are oftentimes given during sessions right alongside some of our oldest members. We've also had long-time members who've been around for years but had never yet given papers; thankfully, they finally took the opportunity to present their research, fulfilling the mission of the TFS: to collect, preserve, and present the lore of Texas and the Southwest. "You'll find in this book some of the best articles from those presentations. The first fruits of our youngest or newest members include Acayla Haile on the folklore of plants. Familiar and well-respected names like J. Rhett Rushing and Kenneth W. Davis discuss folklore about monsters and the classic 'widow's revenge' tale. These works--and the people who produced them--represent the secret behind the history of the Texas Folklore Society, as well as its future."--Kenneth L. Untiedt

Night Horrors

The Culinary Bro-Down Cookbook

The *Culinary Bro-Down Cookbook* is full of irreverent essays and anecdotes, but running throughout is a deep sense of soul and self that strives to answer the question: Why can't the deep-fried nonsense you eat with your bros at 2 a.m. have the same emotional gravitas as an intimate family dinner? There was never anything wrong with instant ramen. But there was never anything wrong with not being on the moon, either. That didn't stop Neil Armstrong, Buzz Aldrin, and that other guy* from changing the course of human history with a few daring steps and a super dope catchphrase. So too shall journalist and blogger Josh Scherer change the course of late-night, often-insane, sometimes-smart-but-always-monstrous munchie food that puts your MSG packet garbage to shame. You'll find more than seventy creations broken into the ten "brossential" food groups like: Beer, Fried Things, Tacos, and Struggle Snacks (because money is hard). Josh's recipes range from indulgent eats like Beer-Poached Bratwurst Party Subs and Mac 'n' Cheese Nachos to hell-a-classy dishes like Broccolini with Burnt Lemon Hollandaise and Pork Belly Tacos with Fish Sauce Caramel. Sprinkled in are the unholy commandments for bro cooking, such as "bagged wine is the only wine you need," and Josh's

expert advice on how to beat a hangover (it's mostly just pastrami and emotionally purging movies). Oh and there's bacon, too. Like, a lot of it.
