Module 9: Acceleration (Book Review 12) - Marginalia Apocalypse

This book is written for young adults I gather, and its central character is a young adult. Great story with an engaging and believable central character.

The Undertaker's Wife

From award-winning author Loren D. Estleman comes *The Undertaker's Wife*. The undertaker's wife waits; she weaves; she builds. The undertaker practices his art, the Dismal Trade, with consummate skill. He has raised it to an art through the high craft of the Connable Method. Through it, he has managed to transform the ugliness of death into a thing of dignity and beauty. Victims brutalized by war, street fights, tavern brawls, ambushes, fires, every hazard in a raw West---these, in his hands, become presentable. Everywhere on the frontier, which erupts with life and death, he offers his skill: to the rich of San Francisco, the bawds and ruffians of the Barbary Coast, to Kansas cowboys, outlaws, soldiers, and sheriffs. He is devoted to dignifying the dead. She is devoted to making her marriage whole, in spite of the tragedy that surrounds it and, most especially, in spite of the tragedy that in one terrible afternoon strikes at its center. Today the undertaker is called to disguise the suicide of a famous financier. It is high drama, for only his art can save America's financial markets. Her task on this day is secret, an act of understanding and dedication. In the end, it is the undertaker's wife who, through love, is able to transcend death. But Murdock may have all he can handle in getting himself back down alive. *Stamping Ground* Deputy U.S. Marshall Page Murdock isn't happy when Judge Blackthorne decides to send him on an assignment to North Dakota, a land of sudden blizzards and spring floods. Thus begins Murdoch's descent into a hell more decadent, corrupt, and dangerous than even he has ever seen—San Francisco's Barbary Coast. With an unwilling backup man, Murdock takes up temporary residence among the whores, gamblers, dope addicts, and cutthroats of the continent's foulest district. No man here is trustworthy. But perhaps the men who seem respectable are the most insidious of all. This edition of the book is the deluxe, tall rack mass market paperback. Walker and the cops assume that Bairn is the murderer, but Walker has no idea what he is getting into. Walker is led to a meeting with a casino owner, who tells him Bairn owed money to a loan shark. The loan shark tells Walker that he is not the only one after Bairn. Soon Walker finds himself on the run from crooked cops and vile gangsters. Every time Walker thinks he's solved the case, he finds out he is farther from the truth than when he started. This case will take all of Walker's cunning,

The Branch and the Scaffold

When Judge Isaac Parker first arrived in Fort Smith, Arkansas, the town had thirty saloons and one bank. Inheriting a corrupt court and a lawless territory roughly the size of Great Britain, he immediately put the residents on notice by publicly hanging six convicted felons at one time. For the next two decades, his stern and implacable justice brought law and order to the West . . . and made him plenty of enemies. As the sole law on the untamed frontier, Parker tried civil and criminal cases throughout the Western District of Arkansas and the Indian Nations. Only God and the president had the power to challenge Parker. His severe judgments scandalized Washington and the Eastern press, and took an onerous toll on his private life, but the "Hanging Judge of the Border" never flinched from his duty. Over the years, he and his marshals, dubbed "Parker's Men," ran up against some of the most colorful and dangerous outlaws the West had to offer, including the notorious Dalton Gang; Belle Star, the Bandit Queen; the murderous Cherokee Bill; and Ned Christie. The Branch and the Scaffold is a fascinating depiction of Judge Parker's life and times, as told by Loren D. Estleman, a five-time winner of the Spur Award. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Walker shadows Strickling to a private airfield as he attempts to flee the country--only to then witness his murder. The twisted web of lies and deceit surrounding both deaths forces Walker to question the motivations of everyone he encounters, from Major Jack Flagg, an elderly barnstormer, Palm Volker, the attractive aviatrix who runs the airfield, Candido, a surly maintenance worker employed by Palm, and Gabe Parrish, a retired boxer. Naturally, everyone has secrets to keep--but the truths lurking beneath the surface this time may make this Walker's final case. Cowboy Songs and Other Frontier Ballads

NYT Bestselling author Harlen Coben says of Loren Estleman, "Loren Estleman is my hero," and Bestselling author John Lescroart calls him "The Stravinsky of hard-boiled prose..." Winner of multiple Spur, Western Heritage, and Stirrup awards, and a lifetime achievement award honoree by the Western Writers of America, Estleman is back with "The Master Executioner," a classic novel of the old west. Ordinary people do not understand Oscar Stone. Everything he does, he does impeccably. He is a profound student of his art, completely versed in its traditions over the centuries. He is a student of ropes and their properties, a master of the latest scientific knowledge about the human neck, a careful calculator of weights and drops, and an exacting observer of results. For more than a quarter of a century he has worked to create a reputation as a man peerless in his craft: the master executioner. Yet he is utterly alone: His devotion to his work costs him his marriage. Suddenly, one day, a piece of his past catches him unawares, and Oscar comes to a moment of devastating truth and for the first time knows himself.

The Last Great American Picture Show

A priest's death leads a Detroit gumshoe into a case of church corruption in this mordantly funny hard-boiled crime novel Ralph Poteet is forty pounds overweight, out of gin, and he hasn't seen his gun in weeks. As far as private detectives go, he's not much to look at. But he's the only one in the building, and that's enough for Lyla Dane. A call girl who's far better at her job than Ralph is at his, she calls him in the middle of the night because she has a dead monsignor in her bed. After dealing with Lyla's deceased client, Ralph tries his hand at blackmail, offering to keep mum about the priest's embarrassing demise in exchange for a payoff from the diocese. But when somebody tries to kill Ralph and Lyla, Detroit's most unsavory PI is swept into an unholy swarm of deadly secrets that resonates all the way to Washington, DC, and the Vatican. Three-time Shamus Award-winning author Loren D. Estleman delivers a witty, ribald send-up of the hard-boiled detective genre in this action-packed crime novel.

The Master Executioner

Carefully documenting African American slave foods, this book reveals that slaves actively developed their own foodways-their customs involving family and food. The authors connect African foods and food preparation to the development during slavery of Southern cuisines having African influences, including Cajun, Creole, and what later became known as soul food, drawing on the recollections of ex-slaves

recorded by Works Progress Administration interviewers. Valuable for its fascinating look into the very core of slave life, this book makes a unique contribution to our knowledge of slave culture and of the complex power relations encoded in both owners' manipulation of food as a method of slave control and slaves' efforts to evade and undermine that control. While a number of scholars have discussed slaves and their foods, slave foodways remains a relatively unexplored topic. The authors' findings also augment existing knowledge about slave nutrition while documenting new information about slave diets.

After a day passes, though, a man called Abilene shows up with a note from Peter saying Abilene will take care of her until his return. Macklin's retirement seems to have been premature, and Laurie's innocence is about to end . . .

The Perils of Sherlock Holmes

This anthology collects all thirty-two previously published Amos Walker stories, a previously unpublished story written for the collection, and an introduction by Mr. Estleman.

Something Borrowed, Something Black

In this installment of Loren Estleman's signature PI series, Amos Walker, the quintessential hard-boiled detective, proves that he's mortal after all. Jeff Starzek, an old friend who smuggles cigarettes for a living, saves Walker's life, getting him to the hospital after he's taken a bullet in the leg. A month later, still convalescing, Walker gets a panicked phone call from Starzek's sister. Jeff is missing. One of the few leads is a Homeland Security agent who's after Starzek, in connection with a counterfeiting operation that may have terrorist ties. Though Walker doubts Starzek is a terrorist, he finds treasury paper at a church run by Starzek's brother. Then Starzek's brother disappears too. Back to square one, Walker follows his best hunch, driving Starzek's usual cigarette route along the Lake Huron shore, and finally gets a solid lead on the paper hangers. But before Walker can break the case, someone tries to shoot him—and he's accused of murder. Walker will need all of his intestinal fortitude, injured leg notwithstanding, to stay alive long enough to figure out who's doing what to whom, in time to save his friend, in *Nicotine Kiss*. Amos Walker: The Complete Story Collection

A gripping new novel in the three-time Shamus Award-winning Amos Walker series. The New York Times calls Amos Walker a "streetwise indestructible tiger with an ethical code that keeps him with the good guys." In a sharp new thriller, Detroit's most savvy private eye is up to his neck in international drug-smuggling, hit squads, double-identities, music- industry gangsters, and a client who's nothing but trouble. Gilia Cristobal is a singer with a complicated past. Her name isn't really Gilia. In her country she's wanted for a murder she didn't commit, and she needs Walker to find a missing woman whose name she's using, whom she's been paying monthly so she can stay in the U.S. But when the decomposing body of the real Gilia Cristobal is found next door to her mother's house, what was merely an odd case becomes downright nasty. And when an undercover death squad from the singer's home country is spotted, the Feds think they're planning an assassination. But Walker isn't so sure. His client is involved in a lot more than just music, and all of it's deadly. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Nicotine Kiss

Twenty-seven years in the making (1940–67), this tapestry of nearly two hundred American popular and protest songs was created by three giants of performance and musical research: Alan Lomax, indefatigable collector and preserver; Woody Guthrie, performer and prolific balladeer; and Pete Seeger, entertainer and educator who has introduced three generations of Americans to their musical heritage. In his afterword, Pete Seeger recounts the long history of collecting and publishing this anthology of Depression-era, union-hopeful, and New Deal melodies. With characteristic modesty, he tells us what's missing and what's wrong with the collection. But more important, he tells us what's right and why it still matters, noting songs that have become famous the world over: "Union Maid," "Which Side Are You On?," "Worried Man Blues," "Midnight Special," and "Tom Joad." "Now, at the turn of the century, the millennium, what's the future of these songs?" he asks. "Music is one of the things that will save us. Future songwriters can learn from the honesty, the courage, the simplicity, and the frankness of these hard-hitting songs. And not just songwriters. We can all learn." In addition to 123 photographs and 195 songs, this edition features an introductory note by Nora Guthrie, the daughter of Woody Guthrie and overseer of the Woody Guthrie Foundation.

Poison Blonde

In Estleman's latest novel, Amos Walker is back on the streets of Detroit as he investigates the mysterious death of an ageing pulp fiction writer.

Hard Hitting Songs for Hard-Hit People

In *When the Movies Mattered* Jonathan Kirshner and Jon Lewis gather a remarkable collection of authors to revisit the unique era in American cinema that was New Hollywood. Ten eminent contributors, some of whom wrote about the New Hollywood movement as it unfolded across the 1960s and 1970s, assess the convergence of film-industry developments and momentous social and political changes that created a new type of commercial film that reflected those revolutionary influences in American life. Even as New Hollywood first took shape, film industry insiders and commentators alike realized its significance. At the time, Pauline Kael compared the New Hollywood to the "tangled, bitter flowering of American letters in the 1850s" and David Thomson dubbed the era "the decade when movies mattered." Thomson's words provide the impetus for this volume in which a cohort of seasoned film critics and scholars who came of age watching the movies of this era reflect upon and reconsider this golden age in American filmmaking. Contributors: Molly Haskell, Heather Hendershot, J. Hoberman, George Kouvaros, Phillip Lopate, Robert Pippin, David Sterritt, David Thomson

A Smile on the Face of the Tiger

Johnny Vermillion's theater troupe brings masterpieces to the Wild West. The four actors are versatile enough to wear many costumes and play many roles. A few props, a little makeup, a costume and--voilà--applause on the rugged frontier. Johnny also arranges a special attraction for each town. While his actors bustle in and out of costumes, on and off the stage in many roles, one plays the villain in the bank. Then the actors take their curtain calls and railroad away. Who? Us? Rob a bank? But you saw all of us on stage. When could we have done that? A Pinkerton man becomes the troupe's severest critic: He notices the news reports of stage performances one day and bank robberies the next. He follows the troupe, packing his suspicions. Finally, he sets a clever trap. Loren D. Estleman's *The Adventures of Johnny Vermillion* features one of the most entertaining rogues ever to turn a dishonest dollar. Any audience will love a troupe that can transform *A Midsummer Night's Dream* into grand larceny. Hanging Judge

Celebrates how all the animals in the world make their own music in their own way, some singing low, some singing higher.

Bloody Season

In *Burning Midnight*, master of the hard-boiled detective novel Loren D. Estleman gives readers a hot new Amos Walker mystery. Amos Walker knows Detroit, from the highest to the lowest, and that includes the gangs of Mexicantown. When a friend asks Walker to get his son's brother-in-law out of one of two

feuding gangs, Walker gets in trouble fast. First, dead bodies start to pile up; then come suspicious fires and the bottle bombs. Walker is caught in the middle of a gang war. Whether or not a middle-aged gringo like him can cool things off between the Maldados and the Zapatistas, he's got to try; he did promise his friend. Once he gets involved, he realizes there's something else going on; the specter of an international conspiracy threatens to make this local trouble blow sky-high. And if he ends up dead or in jail for murders he didn't commit, he might have to put that promise on hold. It's tough being Amos Walker. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

All God's Critters Got a Place in the Choir

Beginning with Texas's declaration of independence in 1835 and stretching into the turbulent Depression era a century later, many ruthless criminals and daring deputies and rangers kicked up dust within the state's borders. Billy the Kid, Machine Gun Kelly, Bat Masterson, and Belle Star were familiar faces. Other characters included Texas Jack, Rowdy Joe, Mysterious Dave, Long Haired Jim, Buckskin Frank, and Curly Bill. In this book, accounts of gunfights, robberies, and kidnappings follow selected profiles. In a borrowed costume, Marshal Ratliff, the Santa Claus Robber, held up cashiers while several of his "elves" pulled weapons to help St. Nick fill his sack. Mishaps, accidents, and misunderstandings lighten the mood between truly heinous crimes such as that of the Bender family. Owners of a small hotel, the four family members would kill lone travelers for their possessions. While pursuing his undergraduate degree at the University of Tulsa in Oklahoma, Laurence Yadon considered himself fortunate to have studied under William Settle, a Jesse James scholar. This experience served as his inspiration to become a lifelong student of American history, especially that of the Southwest. Dan Anderson is a former newswriter, photographer, features writer, and columnist. He has been honored with multiple awards from the Associated Press for spot news reporting, investigative reporting, and newswriting. Anderson and Yadon are also the authors of *100 Oklahoma Outlaws, Gangsters, and Lawmen: 1839-1939*, published by Pelican.

Burning Midnight

Aged 65, Emmett Dalton is the last survivor of the legendary Dalton gang. Now he lives off his memories in Hollywood. Combining fact and fiction, Ron Hansen depicts the outlaw past of the Daltons and the West they travelled. The Dalton brothers turn from being peace officers in the Indian territories to a life of rustling. When their leader, Bob, meets Eugenia Moore, a schoolteacher who begins to plan their robberies, they become the most notorious outlaws of their time. As their raids, on trains and banks, become more daring and successful the price on their heads and the pursuit of the law increase. Then they ride into Coffeyville, intending to rob both the town's banks. Ron Hansen was the first writer to approach the mythology of the West with the intent of rewriting history, to show the mixed motives and dubious intentions of heroes and outlaws alike. In Hansen's carefully styled authentic voice (drawing on contemporary newspapers and accounts) his novels would pave the way for Cormac McCarthy's *Border* trilogy. Combining historical research with his novelist's imagination and ability to evoke character, Ron Hansen rewrites the history of the American West, and revises the romanticised mythology of violence created by Hollywood.

200 Texas Outlaws and Lawmen, 1835-1935

True stories of the wild and dangerous world of the Arizona Territory—includes photos. A refuge for outlaws at the close of the 1800s, the Arizona Territory was a wild, lawless land of greedy feuds, brutal killings and figures of enduring legend. These gunfighters included heroes as well as killers, and some were considered both. Bandit Pearl Hart committed one of the last recorded stagecoach robberies in the country, and James Addison Reavis pulled off the most extraordinary real estate scheme in the West. But with fearless lawmen like C.P. Owens and George Ruffner at hand, swift justice was always nearby. In this collection of true stories, Arizona's official state historian and celebrated storyteller Marshall Trimble brings to life the rough-and-tumble characters from the Grand Canyon State's most terrific tales of outlawry and justice.

Desperadoes

A revisionist history of the Old West battle challenges popular depictions of such figures as the Earps and Doc Holliday, tracing the influence of a love triangle, renegade Apaches, and the citizens of Tombstone.

Module 9: Acceleration (Book Review 12) - Marginalia Apocalypse

This book is written for young adults I gather, and its central character is a young adult. But it's well worth a read by older adults too as it is tremendously well written and that teen voice comes through very authentically without ever being annoying. Great story with an engaging and believable central character.
