¡VIVA MEXICO! - Cultural Beauty - ¡VIVA MEXICO! - Cultural Beauty by Sultan Khan 67,073 views 2 years ago 5 minutes, 1 second - Cities Explored: Oaxaca, **Mexico**, City, Puebla, Cholula, Cozumel, San Miguel De Allende, Tilcajete Gear: Sony A7r2 (70-200mm) ...

In the first few seconds we are given an introduction of Mexico that is all too familiar. People are taught a narrative about the dangers of the country. However, after this introduction we are quickly shown a

face of a man who was born there.

Music La Bamba by Lila Downs

Church bells slowly break up the music just as they would break up our daily activities for the remembrance of god. It is a primarily a christian faith country.

This place is called Xochimilco near Mexico City. It is a place where people rent boats all day and eat with their friends and families as they row down a network of rivers. Some even jump into the water if it gets too hot!

This is an Aztec ritual for the sun

Regional sewing and fabrics. Some regions use bright colors for their floral designs. This woman was sewing a design of an agave plant (to represent Oaxaca)

Traditional wood painter from Tilcajete

Traditional farmers market in the streets of Oaxaca

A lovely lady who made us food in her home :)

Efrain Fuentes is one of the best woodworkers in Oaxaca. I visited him one day to see his process and meet his family. He is a fifth generation woodworker and is continuing his family's legacy. Then I hitchhiked back into the main city on a random person's motorcycle.

From the wooden ship to underwater we see some of the biodiversity in the beaches of Cozumel.

And my personal favorite part editing this video was showing how rapidly a sunny day can turn into a thunderous night

Futbol is a daily activity for everyone in all times of the day

A traditional carpet maker

2 hours out of Oaxaca are vast open fields and flocks of animals

We end it back to the man from the beginning, to signify that maybe what we've heard about Mexico might actually be very different from what he's seen in his own country. And based on his experience he smiles with pride and love, closing the video to the audience.

The entry for each individual work includes title, publisher, date and place published, number of pages, hardbound or paperback format, and type of book (novel, anthology, etc.). Where appropriate, entries also provide translation notes, series information, pseudonyms, and remarks on special features (such as celebrity introductions). Includes indexes of titles, series, awards, and "doubles" (for locating volumes containing two novels). Annotation copyright by Book News, Inc., Portland, OR.
