St. Augustine of Hippo | Quotes to INSPIRE your FAITH - St. Augustine of Hippo | Quotes to INSPIRE your FAITH by Gregarious Catholic 59,143 views 4 years ago 4 minutes, 34 seconds

There is no saint without a past, no sinner without a future.

but I have never read in either of them: 'Come unto Me all ye that labor and are heavy laden!

God has promised forgiveness to your repentance, but He has not promised tomorrow to your procrastination.

To fall in love with God is the greatest romance

to seek Him, the greatest adventure

to find Him, the greatest human achievement.

Pray as though everything depended on God. Work as though everything depended on you.

You aspire to great things? Begin with little ones.

There are wolves within, and there are sheep without

I was unhappy and so is every soul unhappy which is tied to its love for mortal things when it loses them, it is torn in pieces, and it is then that it comes to realize the unhappiness was there even before it lost them.

Our heart is restless until it rests in You.

Resentment is like drinking poison and waiting for the other person to die.

Beauty grows in you to the extent that love grows, because charity itself is the soul's beauty

What does love look like? It has the hands to help others. It has the feet to hasten to the poor and needy. It has eyes to see misery and want. It has the ears to hear the sighs and sorrows of men. That is what love looks like.

It was pride that changed angels into devils; it is humility that makes men as angels.

Right is right even if no one is doing it; wrong is wrong even if everyone is doing it.

A good man, though a slave, is free but a wicked man, though a king, is a slave. For he serves, not one man alone, but what is worse, as many masters as he has vices.

The Holy Scriptures are our letters from home.

Faith is to believe what you do not see; the reward of this faith is to see what you believe.

So What Does the Heavenly City the City of God Say about the Supreme Good and Supreme Evil

It Says that Life Eternal Is the Supreme Good and Death Eternal Supreme Evil and To Obtain the One Escape the Other We Must Live Rightly Thus the Just Lives by Faith for We Do Not As Yet See Our Good It's Yet To Be Fully Realized the Heavenly Jerusalem Which Is the Final Instantiation of the Heavenly City Has Not Yet Descended from Heaven to the Realm of the Visible but Will Eventually to What the Good Oh Yes Indeed this Is It Was His Favorite Part of St Paul Anything Just Shall Live by Faith Yea the Reformation Was Spawned by Paul's Quotation of Habakkuk 2 : 4

Your Own Efforts to Virtue Are Fighting with Their Own Unruliness It's a War but Peace Is Desired by Everybody It Is the End of Our Good Pieces Soaked as a Good So Great that Even in this Earthly and Mortal Life There Is no Word We Hear with Such Pleasure Nothing We Desire Was Such Zest or Fine To Be More Thoroughly Gratifying than Peace There's a Human Attraction to Peace He Argues in that Section Interestingly that in Fact Piece Is So Written into Our Nature that Even the Most Savage Animals He Says Here Encompass Their Own Species with a Ring of Protecting Peace

Nothing We Desire Was Such Zest or Fine To Be More Thoroughly Gratifying than Peace There's a Human Attraction to Peace He Argues in that Section Interestingly that in Fact Piece Is So Written into Our Nature that Even the Most Savage Animals He Says Here Encompass Their Own Species with a Ring of Protecting Peace They Cohabit Beget Produce Suckle and Bring Up Their Young though Very Many of Them Are Not Gregarious but Solitary like Not like Sheep Deer Pigeon Starling Bees but Such as Lions Foxes Eagles Bats

They Cohabit Beget Produce Suckle and Bring Up Their Young though Very Many of Them Are Not Gregarious but Solitary like Not like Sheep Deer Pigeon Starling Bees but Such as Lions Foxes Eagles Bats for What Tigress Does Not Gently / over Her Cubs and Lay Aside Her Ferocity To Fondle Them Etc So How Much More Powerfully Do the Laws of Man's Nature Move Him To Hold Fellowship and Maintain Peace with all Men So Far as in Him Lies an Interesting Point that He Makes However When He Seeks Peace Man Often Seeks It through Subjugating Others and that's the Point of this So How Much More Powerfully Do the Laws of Man's Nature Move Him To Hold Fellowship and Maintain Peace with all Men So Far as in Him Lies an Interesting Point that He Makes However When He Seeks Peace Man Often Seeks It through Subjugating Others and that's the Point of this Part Right Here He Often Seeks To Cause Others To Come under His Domination so that He Can Create a Peaceful Order That Suits His Liking or a Groups Lacking

Even Thieves Create You Know Pockets of Lawfulness because They Don't Want To Still amongst Themselves Human Beings Can't Can't Not Gravitate toward some Kind of Orderly Peace Even if It Be Truncated and Stored so Peace Peace Is the Thing Everyone Has the Desire for Peace Now

They Seek Peace by Dominating One another Here's the Famous Statement that He Makes about Political Dominion He Did Not Intend that His Rational Creature Was Made in His Image Should Have Dominion over Anything but the Irrational Creation Not Man over Man Damn Man over the Beasts Okay Where's the Word Dominion Being Drawn from Do You Think in His Imagination

The Families Which Do Not Live by Faith Seek Their Peace and the Earthly Advantages of this Life while the Families Which Lived by Faith Look for those Eternal Blessings Which Are Promised and Used as Pilgrims Such Advantages of Time and of Earth as Do Not Fascinate and Divert Them from God but Rather Aid Them To Endure with Greater Ease and To Keep Down the Number of those Burdens of the Corruptible Soul Which Way Body Which Way upon the Soul Thus the Things Necessary for this Mortal Life Are Used by both Kinds of Men and Families Alike

He Says It's about Men Persons and Families both He Has a Complex Tree of Human Nature That's Not Simply the Vidual Istic so that Explains in some Ways the Misuse of His Doctrines Later On but the Doctors Are Very Interesting because Two Kinds of People They both Need the Same Stuff in Terms of Temporal Goods but They Have Different Aims the Earthly City Which Does Not Live by Faith Seeks an Earthly Peace and the End It Proposes in the Well-Ordered Concord of Civic Obedience and Rule Is the Combination of Men's Wills To Attain the Things Which Are Helpful to this Life That's a Definition of Politics

Now There as I Said He's Not Being Used Sort Of Ambiguously To Refer to like Rome or a Political Order Fully Organized on Simply Human Terms Moral Terms Captive and Stranger though It Has Already Received the Promise of Redemption and the Gift of the Spirit as the Earnest of It Makes no Scruple To Obey the Laws of the Earthly City Whereby the Things Necessary for the Maintenance of this Mortal Life Are Administered and Thus as this Life Is Common to both Cities so There Is a Harmony between Them in Regard to What Belongs to It

And He Doesn't He Doesn't Answer that Question because He Doesn't Have To Care about It Don't Scruple about these Things You Know Just You Know I Understand that a Lot of Things Are Necessary for the Maintenance of this Life You Share It with all Different Kinds of People and So There's a Harmony to a Degree but It Has Come To Pass that the Two Cities Could Not Have Common Laws of Religion So Does that Mean that the Two Cities Should Should Like Pull Themselves Apart and Create Literal Physical Cities That Are Different from like a Christian City versus a Non-Christian City Is that What He's Arguing Here You Know It Isn't because Why He's Already Said that They'Re Entangled They'D Live Together Exactly so They'Re Living Together They'Re Sharing an Interest in the Common Things of this Life Specially Earthly Peace

There's these People Living Together with Different Value Systems They Have a Certain Kind of You Know Least Common Denominator of Earthly Interests but They Can't Have Common Laws of Religion because the Heavenly City Has Been Compelled in this Matter To Dissent To Become Obnoxious to those Who Think Differently and To Stand the Brunt of Their Anger and Hatred and Persecutions He's Also Saying It Shouldn't Be a Theocracy

So He Wasn't a Fan of Saying that You Know once the Emperor's Converted with Enter into Christian Times He Didn't Really Like that Idea What He Did like with this Idea of the City's Living Together without Common Laws of Religion but Together and that's Hard this Is Heavenly City Then while It's Adjourns on Earth Called Citizens out of all Nations and Gathers Together a Society of Pilgrims of all Languages Not Scruple Inc There's that Word Again about Diversities in the Manners Laws and Institutions Where by Earthly Peace Is Secured and Maintained but Recognizing that However Various these Are They all Tend to One in the Same and of Earthly Peace

In some Real Sense May Be Found in all Sorts of Different Politically Organized Societies because There's Lots of Different Ways of Manners Laws and Institutions One Nation Does It One Way another Nation Does It another It's Not All That Big a Deal So Long as It Secures the Peace and People Can Get along with One another so There's Not a Teaching Here that that Somehow the Heavenly City Has To Figure Out the Exact Right Way To Order the Manners Laws and Institutions To Get It Right Contrary to that They Don't Scruple about the Varieties of the Ways of Getting It Right and Politically So We Don't Scruple about these Varieties of Ways of Getting Politics Together There's Not a Perfect Political Order According to to Augusta Insofar as It Does the Basic Jobs of Keeping the Peace and Keeping Earth the Peace and the Necessary Things of this Life Even the Heavenly City Therefore Well in a State of Pilgrimage Avails Itself of the Peace of Earth and So Far as It Can without Injuring Faith and Godliness Notice the Careful Qualifications Their Desires

This Is that You Think Accustomed You Would Say When the Secular Society Is Doing Something Unjust that those of the Heavenly City Should Speak Up Boldly against the Injustice Correct that's a You Know Long Question and Christian Political Theology Which Does Go Back to a Guest and It Would Seem that He Would Lean in that Direction but without without Giving Enfranchising the

Agenda of Getting Everything Perfect because if You'Re Trying To Get Everything Perfect Then You'D Never Get There and He Wants Us To Be He's both an Absolutist and a Relativist at the Same Time I Mean Is He an Absolutist or a Relative's Well Taking the Way We Were Usually Mean the Term Isn't It He's an Absolutist in the Sense That Ultimately There's One Truth One God

Now if You Look at those Words You Can See that the Most Important Word Is What in that Bolded Piece That's Why Agreement Well the Thing Being Maintained Is the Agreement so I Would Say Probably the Agreement Word Is More Important than Me Teamwork about Whatever Yes I Mean Maintaining the Agreement the Common Agreement so There's Something about People Living Together Who Different You Know Spiritually in a Radical Way that the Earthly City Seeks To Maintain the Common Agreement and that Common Agreement Doesn't Scruple about Varieties of Different Ways You Might Organize Laws

So There's Something about People Living Together Who Different You Know Spiritually in a Radical Way that the Earthly City Seeks To Maintain the Common Agreement and that Common Agreement Doesn't Scruple about Varieties of Different Ways You Might Organize Laws and Institutions but It Is Common Agreement and So Having Political Order Based upon a Common Agreement Is a Really Unique Contribution to Political Thought Now It's Not Completely Novel if You Look in the Bible Where Do You See Common Agreements amongst Groups of People

Early Medieval Period these Enclaves Were Created That Were for Christian Discipleship but They Were in the Context of a Broader Society Which Was Secular in the Sense that It Wasn't Theologically Driven Power Was Disaggregated Order Was Kept in the Medieval Period the Monasteries Were Not the Policemen You Know and Yet There Were Monasteries so I Can Omit in a Society That Did Have Enclaves Had Convents and Monasteries but Which Figured in the Larger Social Order the Benedictine Monasteries throughout Europe Really Were Part of the Warp and Woof of Economic Even this People Has a Piece of Its Own Which Is Not To Be Lightly as Steve though Indeed It Shall Not in the End Enjoy It because It Makes Me a Good Use of It before the End but It Is Our Interest that It Enjoy this Peace Meanwhile in this Life for As Long as the Two Cities Are Commingled We Also Enjoy the Peace of Babylon and Then He of Quotes the Prophet Jeremiah Speaking to the Captives in Babel and Counseled Them To Pray for Babylonia Saying in the Peace Thereof You Shall Have Peace the Temporal Peace Which the Good and the Wicked Enjoy

Hope no Properly Phrased It May Be Possible but Look at this Next Quote Which Actually Bears on this the Peace Which We Enjoy in this Life whether Common to all or Peculiar to Ourselves Is Rather the Solace of Our Misery than the Positive Enjoyment of Felicity Our Very Righteousness-Though True Insofar as It Has Respect to the True Good He Is Yet in this Life of Such a Kind That It Consists Rather in the Remission of Sins than in the Perfecting of Virtues His Idea of Are Even those Who Are in the Heavenly City the Degree of Virtue That They'Re Going To Achieve Existentially Seems To Be Pretty Qualified

He Is Yet in this Life of Such a Kind That It Consists Rather in the Remission of Sins than in the Perfecting of Virtues His Idea of Are Even those Who Are in the Heavenly City the Degree of Virtue That They'Re Going To Achieve Existentially Seems To Be Pretty Qualified It's Qualified by the Persistent Effects of What Sin or More Precisely What Kind of Sin Original Originals That the Persistent Effects of Original Sin Make Him Describe Even that Virtues of the Heavenly City and these Highly Qualified Terms
