Delicious, Love to Cook

From the bestselling author of Tides of Honour and Promises to Keep comes a poignant novel about a young couple caught on opposite sides of the Second World War. In the fall of 1939, Grace Baker's three brothers, sharp and proud in their uniforms, board Canadian ships headed for a faraway war. Grace stays behind, tending to the homefront and the general store that helps keep her small Nova Scotian community running. The war, everyone says, will be over before it starts. But three years later, the fighting rages on and rumours swirl about "wolf packs" of German U-Boats lurking in the deep waters along the shores of East Jeddore, a stone's throw from Grace's window. As the harsh realities of war come closer to home, Grace buries herself in her work at the store. Then, one day, a handsome stranger ventures into the store. He claims to be a trapper come from away, and as Grace gets to know him, she becomes enamoured by his gentle smile and thoughtful ways. But after several weeks, she discovers that Rudi, her mysterious visitor, is not the lonely outsider he appears to be. He is someone else entirely—someone not to be trusted. When a shocking truth about her family forces Grace to question everything she has so strongly believed, she realizes that she and Rudi have more in common than she had thought. And if Grace is to have a chance at love, she must not only choose a side, but take a stand. Come from Away is a mesmerizing story of love, shifting allegiances, and second chances, set against the tumultuous years of the Second World War.

Timed to coincide with the much anticipated Downton Abbey movie, this enticing collection of cocktails celebrates the characters, customs, and drinking way of life at Downton Abbey. Cocktails were introduced in the drawing rooms of Downton Abbey in the 1920s, when US prohibition inspired the insurgence and popularity of American-style bars and bartenders in Britain. This well-curated selection of recipes is organized by the rooms in the Abbey in which the drinks were served and spans everyday sips to party drinks plus hangover helpers and more. In addition to classic concoctions like a Mint Julep, Prince of Wales Punch, and Ginger Beer, this collection features character-specific variations such as Downton Heir, Turkish Attaché, The Valet, and The Chauffeur. The recipes reflect drinks concocted and served upstairs and down, as well as libations from village fairs, cocktail parties, and restaurant menus typical of the time. Addiction is seemingly inexplicable. From the outside, it can look like wilful, arrogant self-destruction; from the inside, it can feel as inevitable and insistent as a heartbeat. It is possible to describe, but hard to explore. Yet in *The Recovering*, Leslie Jamison draws on her own life and the lives of addicts of extraordinary talent - John Cheever, John Berryman, Jean Rhys and Amy Winehouse among them - to take us inside the experience of addiction, exposing the contours, edges and wholes of an intoxicated life. Part memoir, part group biography, part literary history and part definitive analysis of cultural and social considerations of addiction, *The Recovering* is a significant moment in the history of post-war narrative non-fiction.
