The Sacred Magic Of Abramelin The Mage

This remarkable grimoire was translated by S.L.M. Mathers from a 15th century French manuscript. This text has had a huge influence on modern ceremonial magic, and has been cited as a primary influence on Aleister Crowley. Abraham of Würzburg, a cabalist and scholar of magic, describes a quest for the secret teachings which culminated in Egypt, where he encountered the magician Abramelin, who taught him his system in detail. The procedure involves many months of purification, followed by the invocation of good and evil spirits to accomplish some very worldly goals, including acquisition of treasure and love, travel through the air and under water, and raising armies out of thin air. It also tells of raising the dead, transforming ones appearance, becoming invisible, and starting storms. The key to this is a set of remarkable magic squares, sigils consisting of mystical words which in most cases can be read in several directions. Of course, these diagrams are said to have no potency unless used in the appropriate ritual context by an initiate. Mathers analyzed these words in an extensive set of notes and gives possible derivations from Hebrew, Greek and other languages.

From Blood and Ash

Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of

her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.

Reviews for *From Blood and Ash*: "Dreamy, twisty, steamy escapism. Take me back!" - New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. From swooning to crying to racing through the pages to find out what happens next, I couldn't stop reading about Hawke and Poppy, and you won't be able to either." - Brigid Kemmerer, New York Times Bestselling Author of *A Curse So Dark and Lonely* "Action, adventure, sexiness, and angst! *From Blood and Ash* has it all and double that. So many feels and so many moments it made me cheer for the character. Read. This. Book! You'll be obsessed!" - Tijan NYT bestselling author "From Blood and Ash is a phenomenal fantasy novel that is filled to the brim with danger, mystery and heart melting romance. I loved every single second of it and I couldn't get enough of this new fantastical world. A heart stopping start to what is clearly going to be a stunning series, perfect for both those who love fantasy and those who are new to the genre. A must read." Kayleigh, K-Books "If you think you are ready for *From Blood and Ash*, think again. Jennifer L. Armentrout has woven a new fantasy universe that will leave you reeling. Filled with action, heart wrenching twists and the most delicious romance, this unputdownable novel comes with a warning: keep a fan close by, because the temperatures are about to rise." Elena, The Bibliotheque Blo "In this exciting new novel by Jennifer L. Armentrout, she introduces a fantastical world filled with immense detail, and characters who are poignant and fierce, Jennifer truly has out done herself!" – BookBesties "From Blood and Ash is a fantastic fantasy that will hook you immediately from the very first page! I loved every single moment and all of the characters are ones you will fall in love with! Jennifer L. Armentrout has done it again with her amazing writing skills and lots of detail! Get this book immediately!!!" - Amanda @Stuck In YA Books "Jennifer has stepped into the fantasy genre with this absolutely amazing novel. With characters you will love and more than a few twists and turns, get ready for one amazing adventure." -Perpetual Fangirl "This magnificent book has so many pieces in it: fantasy, mystery, forbidden romance, supernatural, lies, deceit, betrayal, love, friendship, family. And so, so, so many secrets your head will be spinning. Jennifer L. Armentrout has created another masterpiece that I will be rushing to buy, and will be telling everyone to read it ASAP!" ~Jeraca @My Nose in YA Books "From Blood to Ash is the first high fantasy book from Jennifer L Armentrout, but hopefully not the last. Like all her other works, her ability to create worlds, create swoon worthy men, and feisty strong female characters is amazing. Fantasy, mystery, romance, betrayal, love, and steamy scenes, this book has it all." - Lisa @ The Blonde Book Lover "From Blood & Ash is everything we love about JLA's fantasy writing...pumped up on steroids. There's epic world building and plot twists, a strong female lead, a swoon worthy book hottie, a steamy forbidden love story, and side characters that can't help but steal your heart. My mind was blown by the end of this book." - Kris S. (frantic4romantic) "Step into an exciting new fantasy world by Jennifer L. Armentrout, *From Blood And Ash* takes you on a fantastic ride with twists and turns galore. Characters you will love to laugh and cry with. A phenomenal start to an exciting new series." - Lori Dunn an avid reader "From Blood and Ash was everything I wanted in a high fantasy novel. The myths, the legends, the epic romance, and an adventure that will keep you on your toes beginning to end. I couldn't put the book down. Truly a brilliant start to what I believe will be yet another amazing series by Jennifer L. Armentrout." –Sabrina, Books Are My Life "Jennifer L. Armentrout takes her first step into the high fantasy genre with *From Blood and Ash*. A story of forbidden love, lies, secrets, and betrayal - it will leave you wanting more after the very last page." - Love Just Is Books "From Blood and Ash is like reading my favorite book for first time." - Raquel Herrera "With *From Blood and Ash*, Jennifer Armentrout successfully takes on the genre of high fantasy, proving, once again, that she is a master of her craft. Filled with epic adventure, forbidden romance, deceit, lies, and betrayal, *FB&A* draws you in from page one and refuses to let go!" - Erica, The Rest Just Falls Away "Jennifer L. Armentrout comes trough once again with *From Blood and Ash* as it kept me enthralled throughout the full book. You won't be able to put down this epic story once you start." - Julalicious Book Paradise "From Blood and Ash strikes the perfect balance between fantasy and romance elements leaving the world feeling live in and full while allowing the relationship between the main characters

feeling real and authentic.” - Nads Book Nook, Nadine Bergeron “Be prepared to spend your whole day reading *From Blood and Ash*. Once you start reading this high fantasy novel, you won't want to put it down.” - Love Book Triangle “*From Blood and Ash* is absolutely breath taking. JLA does what she does best by creating a fantastical world filled with romance, lies, betrayal, adventure and all things we love and expect from JLA characters that melt our hearts and steal our hearts and souls. I cannot wait for the next one!” - Pia Colon “*From Blood and Ash*, Jennifer L. Armentrout brought to life a high fantasy that is enthralling. Another masterful addition to my collection. Get ready to stay on your toes from start to end.” - Amy Oh, Reader by the Mountains “*From Blood and Ash* is the first high fantasy novel by Jennifer L Armentrout and she absolutely nails it. This is fantasy for skeptics and unbelievers because it makes you want to be a fantasy fan! This page turner makes you want to devour it in one night and at the same time savor every detail. Heart stopping and inspiring and grips you from page one.” – Tracy Kirby “An intriguing puzzle of a world, a ruthless hero, a determine heroin, and a plot that will keep you up late, this book is one of the best I've read this year.” – Valerie from Stuck In Books “*From Blood and Ash*, a thrilling high fantasy that packs a punch, each page will leave you wanting more!” - Tracey, Books & Other Pursuits

Scientific American

This revised and expanded anniversary edition features the same delightful introduction to the history and lore of magic as the first edition of the "little green book" published 15 years ago.

The Illustrated London News

A work that has served as a literary cornerstone for the Vietnam generation, *The 13th Valley* follows the strange and terrifying Vietnam combat experiences of James Chelini, a telephone-systems installer who finds himself an infantryman in territory controlled by the North Vietnamese Army. Spiraling deeper and deeper into a world of conflict and darkness, this harrowing account of Chelini's plunge and immersion into jungle warfare traces his evolution from a semipacifist to an all-out warmonger. The seminal novel on the Vietnam experience, *The 13th Valley* is a classic that illuminates the war in Southeast Asia like no other book.

From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her *Blood and Ash* series... *Is Love Stronger Than Vengeance? A Betrayal...* Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolvern are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

One of the very best must-read SF novels of all time.

True Magick

Learn the secrets of the most frightening, fun-filled day of the year! The only day when the forces of darkness are openly celebrated, Halloween comes down to us from the strange, shrouded mists of antiquity, originating in the pagan world and the primitive ceremonies that honor Samhain, the dark, mysterious Lord of the Dead, at a time when the veil between our world and theirs is at its thinnest. The strange and weird customs and beliefs of our ancestors live again, every October 31st, in the only day of the year when it is considered okay to dress in frightening costumes, to go door to door begging, and to feast on fear. A true classic in the literature of pagan lore, you will find this book frightening, fascinating and fun!

This definitive work on the occult's "great beast" traces the arc of his controversial life and influence on rock-and-roll giants, from the Rolling Stones to Led Zeppelin to Black Sabbath. When Aleister Crowley died in 1947, he was not an obvious contender for the most enduring pop-culture figure of the next century. But twenty years later, Crowley's name and image were everywhere. The Beatles put him on the cover of Sgt. Pepper's Lonely Hearts Club Band. The Rolling Stones were briefly serious devotees. Today, his visage hangs in goth clubs, occult temples, and college dorm rooms, and his methods of ceremonial magick animate the passions of myriad occultists and spiritual seekers. Aleister Crowley is more than just a biography of this compelling, controversial, and divisive figure—it's also a portrait of his unparalleled influence on modern pop culture.

The 13th Valley

A fact-filled, illustrated exhibit of four billion years of history in 133 objects—from Pangaea to ancient Rome to Dracula's home to the iPhone. This amazing book tells the story of our planet as you've never seen it before. The Mini Museum is a collection of treasures gathered from across space and time and shared by tens of thousands of people in more than 120 countries. Each item in the collection is inspired by a childhood dream of sharing all the wonders the universe has to offer while bringing all of us closer together. In this book, the Mini Museum team shares the stories of real objects that have shaped our very existence across billions of years of history. Beginning with the birth of our solar system and the very building blocks of life, you'll explore our dynamic planet, from the constant shifting of continents to dramatic and violent upheavals that have changed the course of all life again and again. You'll visit mighty civilizations with cultures spanning millennia, as well as modern symbols of creativity and innovation, and the march of humanity as we reach toward the stars. Every item is photographed and presented in detail—and there are also wild tales of adventure as the crew travels the world and prepares one of the most complex collections ever assembled.

By 1926, it seemed that John R. Brinkley's experimental rejuvenation cure—transplanting goat glands into aging men—had taken the nation by storm. Never mind that "Doc" Brinkley's medical credentials were shaky at best and that he prescribed medication over the airwaves via his high-power radio stations. To most in the medical field, he was a quack. But to his many patients and listeners, he was a brilliant surgeon, a savior of their lost manhood and youth. His rogue radio stations, XER and its successor XERA, eventually broadcast at an antenna-shattering 1,000,000 watts and not only were a megaphone for Brinkley's lucrative quackery but also hosted an unprecedented number of then-unknown country musicians and other guests. *The Bizarre Careers of John R. Brinkley* tells the story of the infamous "Goat Gland Doctor"—a controversial medical charlatan, groundbreaking radio impresario, and prescient political campaigner—and recounts his amazing rags-to-riches-to-rags career. A master manipulator and skilled con artist, Brinkley left behind a patchwork of myths and unreliable personal accounts that many writers have merely perpetuated—until now. Alton Lee brings Brinkley's infamous legacy to the forefront, exploring how he ruthlessly exploited the sexual frustrations of aging men and the general public's antipathy toward medical doctors. Lee leaves no stone unturned in this account of a man who changed the course of American institutions forever.

A Kingdom of Flesh and Fire

Who, or what, is the Green Man, and why is this medieval image so present in our precarious modern times? An encounter with the Green Man at an ancient Herefordshire church in the wake of catastrophic weather leads Nina Lyon into an exploration of how the foliate heads of Norman stonemasons have evolved into today's cult symbols. The Green Man's association with the pantheistic beliefs of Celtic

Christianity and with contemporary neo-paganism, with the shamanic traditions of the Anglo-Saxons and as a figurehead for ecological movements, sees various paths crossing into a picture that reveals the hidden meanings of twenty-first-century Britain. Against a shifting backdrop of mountains, forests, rivers and stone circles, a cult of the Green Man emerges, manifesting itself in unexpected ways. Priests and philosophers, artists and shamans, morris dancers, folklorists and musicians offer stories about what the Green Man might mean and how he came into being. Meanwhile, in the woods, strange things are happening, from an overgrown Welsh railway line to leafy London suburbia. Uprooted is a timely, beautifully written and joyfully provocative account of this most enduring and recognisable of Britain's folk images.

The Stars My Destination

The carnival rolls in sometime after midnight, ushering in Halloween a week early. The shrill siren song of a calliope beckons to all with a seductive promise of dreams and youth regained. In this season of dying, Cooger & Dark's Pandemonium Shadow Show has come to Green Town, Illinois, to destroy every life touched by its strange and sinister mystery. And two boys will discover the secret of its smoke, mazes, and mirrors; two friends who will soon know all too well the heavy cost of wishes. . . and the stuff of nightmare. Few American novels written this century have endured in the heart and memory as has Ray Bradbury's unparalleled literary classic SOMETHING WICKED THIS WAY COMES. For those who still dream and remember, for those yet to experience the hypnotic power of its dark poetry, step inside. The show is about to begin. Critical Theory Today is the essential introduction to contemporary critical theory. It provides clear, simple explanations and concrete examples of complex concepts, making a wide variety of commonly used critical theories accessible to novices without sacrificing any theoretical rigor or thoroughness. This new edition provides in-depth coverage of the most common approaches to literary analysis today: feminism, psychoanalysis, Marxism, reader-response theory, new criticism, structuralism and semiotics, deconstruction, new historicism, cultural criticism, lesbian/gay/queer theory, African American criticism, and postcolonial criticism. The chapters provide an extended explanation of each theory, using examples from everyday life, popular culture, and literary texts; a list of specific questions critics who use that theory ask about literary texts; an interpretation of F. Scott Fitzgerald's *The Great Gatsby* through the lens of each theory; a list of questions for further practice to guide readers in applying each theory to different literary works; and a bibliography of primary and secondary works for further reading.

Aleister Crowley

Orpheus, a collection of poems written by Aleister Crowley and first published in 1905 – Part of the Best of Aleister Crowley series of books, others include *Mysteries*, *Tannhäuser*, and *Songs of the Spirit*, among others.

The City of Wonders has been saved by nearly miraculous forces and the Silent Army is risen, ready to defend the Fellein Empire and Empress Nachia at any cost. The power that was hidden in the Mounds is on the move, seeking a final confrontation with the very entities that kept it locked away since the Cataclysm. Andover Lashk has finally come to accept his destiny and prepares to journey back to Fellein. The Sa'ba Taalor continue their domination over each country and people they encounter, but the final conflict is coming: The Great Wave of the Sa'ba Taalor stands to destroy an empire and the Silent Army prepares to stop them in their tracks. Caught in the middle is the Fellein Empire and the people who have gathered together on the final battlefield. The faithful and the godless, the soldiers

and killers alike all stand or fall as old gods and new bring their war to a world-changing end. Some struggles are eternal. Some conflicts never cease. The Gods of War are here and they are determined to win. File Under: Fantasy

Are there any legends about cats? Is Cinderella an English story? What is (or was) a Mumming Play? The subject of folklore covers an extremely wide field, with connections to virtually every aspect of life. It ranges from the bizarre to the seemingly mundane. Similarly, folklore is as much a feature of the modern technological age as the ancient world, of every part of the country, both urban and rural, and of every age group and occupation. Containing 2,000 entries, from dragons to Mother Goose, May Day to Michaelmas, this new reference work is an absorbing and entertaining guide to English folklore. Aimed at a broad general readership, the dictionary provides an authoritative reference source on such legendary characters as the Babes in the Wood, Jack the Giant Killer, and Robin Hood, and gives entertaining and informative explanations of a wide range of subjects in folklore, from nosebleeds and wishbones to cats and hot cross buns.

Gaia, in which James Lovelock puts forward his inspirational and controversial idea that the Earth functions as a single organism, with life influencing planetary processes to form a self-regulating system aiding its own survival, is now a classic work that continues to provoke heated scientific debate.

The Bizarre Careers of John R. Brinkley

Sir Peter Pendragon is running from his woes. Caught up in the luck of a large fortune, a life of decadence and indulgence is hard to fight when you're battling inner demons. But marrying the striking and clever Louise Laleham will put him on the right track. Or so it seems. She's the daughter of the occultist Basil King Lamus. And with one too many magic tricks up her sleeve, there's no telling where their love will take them. Set against the backdrop of a society sinking its teeth into addiction following the brutal and bloody World War I, 'Diary of a Drug Friend' weaves an unexpectedly uplifting and insightful tale about the truth behind addiction. Incorporating a magic touch, it's a must-read for fans of Erin Morgenstein's breathtaking 'The Night Circus'. Aleister Crowley (1875-1947) was an English occultist, magician, poet, painter and author. Having founded the religion Thelema, many of his novels and non-fiction books explore the occult and magic as an ancient art, including 'Diary of a Drug Friend', 'Moonchild' and 'Magick in Theory of Practice'. Having focused on poetry and mountaineering at Trinity College, the University of Cambridge, he remains today a highly influential figure in Western esotericism and the counterculture of the 1960s.

Uprooted

The defining, behind-the-scenes chronicle of one of the most extraordinary, beloved, and dominant pop cultural entities in America's history -- Marvel Comics -- and the outsized personalities who made Marvel including Martin Goodman, Stan Lee, and Jack Kirby. "Sean Howe's history of Marvel makes a compulsively readable, riotous and heartbreaking version of my favorite story, that of how a bunch of weirdoes changed the world... That it's all true is just frosting on the cake." —Jonathan Lethem For the first time, Marvel Comics tells the stories of the men who made Marvel: Martin Goodman, the self-made publisher who forayed into comics after a get-rich-quick tip in 1939, Stan Lee, the energetic editor who would shepherd the company through thick and thin for decades and Jack Kirby, the WWII veteran who would co-create Captain America in 1940 and, twenty years later, developed with Lee the bulk of the company's marquee characters in a three-year frenzy. Incorporating more than one hundred original interviews with those who worked behind the scenes at Marvel over a seventy-year-span, Marvel Comics packs anecdotes and analysis into a gripping narrative of how a small group of people on the cusp of failure created one of the most enduring pop cultural forces in contemporary America.

Something Wicked This Way Comes

Critical Theory Today

Aleister Crowley (1875-1947) is one of the most famous and significant authors in the history of western esotericism. Crowley has been long ignored by scholars of religion whilst the stories of magical and sexual practice which circulate about him continue to attract popular interest. "Aleister Crowley and the Temptation of Politics" looks at the man behind the myth - by setting him firmly within the politics of his time - and the development of his ideas through his extensive and extraordinarily varied writings. Crowley was a rationalist, sympathetic to the values of the Enlightenment, but also a romantic and a reactionary. His search for an alternative way to express his religious feelings led him to elaborate his own vision of social and political change. Crowley's complex politics led to his involvement with many key individuals, organisations and groups of his day - the secret service of various countries, the German Nazi party, Russian political activists, journalists and politicians of various persuasions, as well as other writers - both in Europe and America. "Aleister Crowley and the Temptation of Politics" presents a life of ideas, an examination of a man shaped by and shaping the politics of his times.

Orpheus

A scathingly funny debut novel about disillusionment, indifference, and one man's desperate fight to assign absolutely no meaning to modern life. The only thing Shane cares about is leaving. Usually on a Greyhound bus, right before his life falls apart again. Just like he planned. But this time it's complicated: there's a sadistic corporate climber who thinks she's his girlfriend, a rent-subsidized affair with his landlord's wife, and the bizarrely appealing deaf assistant to Shane's cosmically unstable dentist. When one of the women is murdered, and Shane is the only suspect who doesn't care enough to act like he didn't do it, the question becomes just how he'll clear the good name he never had and doesn't particularly want: his own. "The malaise of cubicle culture may be well-trodden comedic territory by now, but Neilan's debut skewers office life with a flourish for the grotesque." —The Village Voice

The Bride

She's on trial for murder... Now it's her turn to tell her story... The truth is that I loved James with my whole heart. We were soulmates: meant to be together forever. I had just found out I was carrying his child. But it's time to tell my side of the story. It's time everyone knew what happened on our wedding day, on our honeymoon, and on that fateful last drive together. It's time everyone found out about the secrets and about the threat that loomed over our marriage. It's time everyone found out who really killed James. And I need everyone to believe me. To believe I'm not a killer. Because if they don't, then my baby won't just have no father... she'll have no mother. An totally gripping psychological thriller full of jaw-dropping twists, that will keep you reading late into the night. If you loved Gone Girl, The Mother-in-Law and The Housemaid, you'll be hooked on The Bride. Readers LOVE The Bride: 'I had goosebumps on my goosebumps. I found this book impossible to put down and finally turned the last page at 1am. Yes. this book is that good!!!!... MUST READ!!!!' Goodreads reviewer **P**Absolutely addictive and gripping. I seriously WOULD NOT even start this book unless you have cleared your schedule because you will not be able to put it down!!! I absolutely blew through it in one sitting and it genuinely was unputdownable!!! A true page turner absolutely rammed with suspense, tension and everything you want when you read a psychological thriller.' Goodreads reviewer **P**The hairs on the back of my neck are still up!... Makes your skin quiver... I was well and truly hooked... The twist had my mouth dropping and rereading twice!' Goodreads reviewer **P**I was hooked... W{:}ill leave you with shivers down your spine and chills in your heart. Some of the twists in this book left my jaw on the floor. And the ending blew me away. Outstanding!' Goodreads reviewer **P**Absolutely brilliant... Immensely readable... Gripping... Never slows down at all.' Goodreads reviewer **P**Completely unputdownable... reeled me in right from the very

start. [The twists] left me speechless. I did gasp out loud at the ending which I thought was brilliant.' Goodreads reviewer P

The Colton Bride (Mills & Boon Romantic Suspense) (The Coltons of Wyoming, Book 4)

Danger and deception at Dead River Ranch foreman Gray Stark and heiress Catherine Colton may live together on Dead River Ranch, but they're from different worlds. She made that clear when she broke his heart years ago.

The Wedding Party

An unputdownable thriller, perfect for fans of THE HOLIDAY and BIG LITTLE LIES. 'A sparkling, thrilling whodunit with a cast of extraordinarily well-realised characters and a setting that will take your breath away. I read it in twenty-four hours and was bereft when it ended' LISA JEWELL Till death do us part . . . Lucy has dreamt of her wedding day for as long as she can remember. Bodyguard To The Bride (Mills & Boon Intrigue)

The most beautiful bride he'd ever seen – and she belonged to someone else

A Murderous Marriage

A raucous wedding reception turns sober when the wealthy groom is murdered in this historical mystery set in post-WWI England. Since the Great War, the Renshaw family fortune has suffered, and Lady Julia Renshaw is under pressure to marry for money. She has settled on Gilbert Townsend, a much older viscount and wealthy industrialist. It's clear to her sister Phoebe that this is not a love match. Nevertheless, the wedding takes place—and in a hurry. At the reception aboard the groom's yacht, there appears to be tension between Gil and several guests: his best man, a fellow veteran of the Boer War; his grouchy spinster sister; and his current heir, a nervous young cousin named Ernest. The bride is also less than pleased when she discovers that Gil's attractive young secretary will be escorting them on their honeymoon. The next morning, before the yacht can depart the harbor, Gil's body is found in the water below—and Julia is the prime suspect. Now Phoebe and her maid Eva must discover who pushed him over before the Renshaws' social standing is irreparably stained by murder.

Lady Violet Attends a Wedding

Lady Violet Belmaine is just finding her balance as a widow who has recently put off mourning when she's summoned to the family seat to celebrate a sibling's wedding. Hugh St. Sevier's escort makes the journey somewhat bearable, while Sebastian MacHeath's presence among the guests is a more dubious blessing. Violet is managing as best she can with her stubborn Papa, difficult brothers, and well meaning aunties, when the bride goes missing. Tempers flare, old secrets come out at the worst times, and Violet can rely on only St. Sevier and Sebastian to help her find the bride... until she discovers that St. Sevier was the last person seen with the missing lady!

The Gang of St Bride's

NEW YORK TIMES BESTSELLER In this thrilling novel of romantic suspense, Linda Howard cordially invites us to an elaborate wedding—one in which rings will never be exchanged, kisses will never be shared, and the bride will never see the light of day, because a killer has been waiting under a **VEIL OF NIGHT** Jaclyn Wilde is a wedding planner who loves her job—usually. But helping Carrie Edwards with her Big Day has been an unrelenting nightmare. Carrie is a bridezilla of mythic nastiness, yet the unpleasant task at hand turns seriously criminal when Carrie is brutally murdered and everyone involved with the ceremony is accusing one another of doing the deed. Assigned to the case, Detective Eric Wilder finds that there's too much evidence pointing toward too many suspects. Compounding his problems is Jaclyn, now a prime suspect, with whom he shared one deeply passionate night before Carrie's death. As the heat intensifies between Eric and Jaclyn, a cold-blooded murderer moves dangerously close. And this time the target is not a bride but one particularly irresistible wedding planner, unaware of a killer's vow. **BONUS:** This edition contains an excerpt from Linda Howard's *Prey*.

Veil of Night

She believes her husband is dead... until he kidnaps her! With a baby on the way and her late husband accused of embezzlement, Linda is about to marry an old friend for the support she desperately needs. Then, on their wedding day, the husband she still loves—but barely knows—spirits her away. Can she trust his story that he was framed and barely escaped being murdered? Or is her life in danger? Don't miss this edge-of-your-seat romantic mystery by Jacqueline Diamond, the USA Today bestselling author of more than a hundred novels, including *His Secret Son* and *Touch Me in the Dark*. A former Associated Press reporter and TV columnist, Jacqueline is the author of the *Safe Harbor Medical Mysteries*. "Jacqueline Diamond tells a complicated story with plenty of twists and turns in *And the Bride Vanishes*."—Debbie Richardson, *Romantic Times*

And the Bride Vanishes

Favel is swept of her feet by the dashing heir to Pendorruc, only to find that a curse lingers over the "brides of Pendorruc."

Bride of Pendorruc

Lovely Charity Carew had nothing but awe and reverence for the distinguished poet Martin Revesby. Boldly she wrote him of her admiration, and when he offered her a job as secretary, her delight knew no bounds. Nevertheless, a sense of foreboding shadowed her arrival at Malmaynes, the eerie castle on the grim Cornish coast. Something evil, she was sure, watched and waited. The surly caretaker, perhaps? Or the sinister deaf-mute? Something or someone aroused in her a feeling of danger. Only her growing love for the poet held her safe as she learned the bloodstained legend of The Beast, a creature long dead who, it was said, refused to die. Suddenly, without warning, the dark tale of violence sprang to life anew, claiming fresh victims, and a chasm of terror stood between Charity and the promise of happiness that had been just within her grasp a short while before. A chasm she could not hope to cross - and live... *The Winter Bride* by Carola Salisbury is a gothic drama of passion and terror in the shadow of a killer risen from the grave...

THE WINTER BRIDE

The moment Joanna told me she was engaged, I had this awful feeling that something was wrong. We used to speak on the phone every day. Growing up I spent more time at her house than I did at my own. I'd always imagined what it would be like to see her get married, and now I didn't even know her fiancé's name. She asked me to come and meet Mark and I intended to tell her to slow down. You can't know someone for a month and be sure that you want to spend the rest of your lives together. When I got to Joanna's front door, only Mark was there. He was charming and gorgeous and nothing but nice to me, and I started to understand. And then he told me that Joanna was missing. *The Bride* is a twisty, unputdownable psychological thriller that will have you reading until late at night. Perfect for fans of *The Girl on the Train*, *Gone Girl* and anything by Lisa Jewell. What readers are saying about *The Bride*:

'Wow oh wow!! I didn't expect to finish this book in just one sitting. I completely and utterly flew through it. This is definitely one of those books which you can't put down because you just have to know what was going to happen next.' Little Miss Book Lover 87, 5 stars 'I was not expecting it to pull me in the way it did. It absorbed me that much, I devoured it in two hours!... You are hit with twists after twist!' Goodreads reviewer, 5 stars 'OMG what did I just read! I never even thought it to be like this. This book keeps me pulled in. The first chapter is curious enough to keep you reading. The twist always go higher and higher until it blasts! Definitely unexpected... The twist is definitely commendable, and noteworthy! I never even thought! Though there are things which I made a correct guess but I still didn't expect the happenings. It's a shock! A bomb!' Goodreads reviewer, 5 stars 'WOW! I hope I can give this 10 out of 5! This book was amazing. I did not want to put this down, high praise to Wendy Clarke for The Bride. This book has so many twists and turns it is great. Fantastic read. Recommended.' Goodreads reviewer, 5 stars 'One of the best psychological thrillers I have read in a long time, I read this book from cover to cover in less than 24 hours, unable to put it down, sucked in right from the outset with the prologue which caught my attention and encouraged me to read on... It's been a long time since I have read a book that captivated me quite so much.' Real Mum Review 'The suspense literally had me missing a heartbeat because I just couldn't work out where this story was leading me. It made me doubt myself and had me hooked, line and sinker till the very end. The ending really made this book and my eyes were on stalks reading the last couple of pages. Wow.' Goodreads reviewer, 5 stars 'Unbelievable! Loved this book. This one blew all the others like it away! Had me flying through the pages to find out what happened.' Goodreads reviewer, 5 stars 'This thriller had it all... Everything I thought I knew, I didn't, and what I read I couldn't believe. Forced to put the book down, I was truly excited to pick back up the next night and read her whirlwind finish.' Goodreads reviewer, 5 stars 'What can I say but wow. Such a brilliant book full of suspense twists and turns on every page. Kept you doubting yourself. So good I read it in one day.' Goodreads reviewer, 5 stars 'My goodness... I was gripped from the first page... My eyes are still wide with surprise and shock and I think I just love it!... Definite five stars from me!' Goodreads reviewer, 5 stars 'Ah, what an amazing thriller! I couldn't put this one down! I was up reading waaaay too late on work nights to find out what happened... Tons of twists and turns (just how I like it), and the ending? AHH!' Goodreads reviewer, 5 stars

Bride by Candlelight

"A young woman lies dead at the bottom of a waterfall, dressed in a wedding gown with a rose stem jammed down her throat. And in the small town of Graveyard Falls, the horrifying vision stirs a long-ago nightmare back to life... FBI Special Agent Cal Coulter gets called in to investigate the murder, which bears a terrifying resemblance to a series of killings committed thirty years ago: three teenage girls were found dead at the waterfall's base, all bearing rose stems in their throats. But the high school football star was convicted and imprisoned for those murders, leading Cal to suspect that the killer is still out there. Now, the body count is rising again. The monster's sights are set on counselor Mona Monroe, Cal's best friend's widow...and the woman he's always loved. Can Cal stop the killer before Mona becomes the next victim?,"--page [4] of cover.

The Bride

Yorkshire, 1845 A young woman has gone missing from her home, Chester Grange, leaving no trace, save a large pool of blood in her bedroom and a slew of dark rumours about her marriage. A few miles away across the moors, the daughters of a humble parson, Charlotte, Emily, and Anne Brontë are horrified, yet intrigued. Desperate to find out more, the sisters visit Chester Grange, where they notice several unsettling details about the crime scene: not least the absence of an investigation. Together, the young women realise that their resourcefulness, energy and boundless imaginations could help solve the mystery - and that if they don't attempt to find out what happened to Elizabeth Chester, no one else will. The path to the truth is not an easy one, especially in a society which believes a woman's place to be in the home, not wandering the countryside looking for clues. But nothing will stop the sisters from discovering what happened to the vanished bride, even as they find their own lives are in great peril.

All the Beautiful Brides

Three generations of Irish nobles face their family secrets in this spellbinding novel from the award-winning author of the Boleyn King trilogy. The Gallagher family has called Deeprath Castle home for seven hundred years. Nestled in the Wicklow Mountains of Ireland, the estate is now slated to become a public trust, and book lover and scholar Carragh Ryan is hired to take inventory of its historic library. But

after meeting Aidan, the current Viscount Gallagher, and his enigmatic family, Carragh knows that her task will be more challenging than she'd thought. Two decades before, Aidan's parents died violently at Deeprath. The case, which was never closed, has recently been taken up by a new detective determined to find the truth. The couple's unusual deaths harken back a century, when twenty-three-year-old Lady Jenny Gallagher also died at Deeprath under mysterious circumstances, leaving behind an infant son and her husband, a renowned writer who never published again. These incidents only fueled fantastical theories about the Darkling Bride, a local legend of a sultry and dangerous woman from long ago whose wrath continues to haunt the castle. The past catches up to the present, and odd clues in the house soon have Carragh wondering if there are unseen forces stalking the Gallagher family. As secrets emerge from the shadows and Carragh gets closer to answers—and to Aidan—could she be the Darkling Bride's next victim? Praise for *The Darkling Bride* "A gorgeous concoction of Victorian gothic, mystery, and romance, all with an unforgettable library, *The Darkling Bride* is the perfect book to curl up with in front of a roaring fire. Laura Andersen has created a masterpiece."—Tasha Alexander, New York Times bestselling author of the *Lady Emily Mysteries* "Who can say no to an abandoned castle, a mysterious library, a renowned Victorian novelist, a brooding viscount, and a mystery that goes back several generations? Andersen captures the gothic tone perfectly, drawing you into the secrets of Deeprath Castle. . . . Perfect for reading on a rainy day with a strong cup of Irish tea!"—Lauren Willig, New York Times bestselling author of *That Summer*

Veil of Night

Favel Farrington meets Roc Pendorric on the idyllic Mediterranean island of Capri, where she was raised and lives with her father. Roc sweeps her off her feet, taking her from her home by an emerald sea to the ancient family home of the Pendorrics, in Cornwall. His sister and her family await them with open arms, welcoming young Favel. She is the much anticipated Bride of Pendorric, a name that amuses and flatters her. The castle is beautiful in its way, but the atmosphere is foreboding. Roc's twin nieces begin watching her carefully; even the stones in the courtyard seem to have eyes. On the walls hang portraits of two other Brides of Pendorric—one of them Roc's mother—who died both young and tragically. Favel's fear increases as Roc seems to be growing more and more distant. Has her courtship and marriage been just a deception? Soon Favel can no longer dismiss as accidents the strange things happening to her. Someone is trying to kill her and she must confront the very real dangers that surround her.

The Bridesmaid

Why must a widow newly emerged from mourning be invited to every wedding in the realm? Lady Violet Belmaine ponders that conundrum while traveling from London to rural Scotland at the invitation of an old friend. Escorted by her dashing physician friend, Hugh St. Sevier, Violet prepares to again subject herself to a nuptial celebration, except... the groom fails to appear. Matters become more interesting when Violet discovers that Sebastian MacHeath is laird of the nearest castle, and well acquainted with the bride and her family. Mysterious cousins, surly neighbors, and appearances much at variance with the facts all confound Violet's efforts to find the missing groom, and any designs she might have on her handsome escort!

Maiden Bride

Sheriff Jericho Yates was about to marry a friend as a favor when a gorgeous damsel appeared, dodging bullets and running for shelter. He had to help this woman who didn't know who she was. Rosie wished she could tell Jericho why she'd been running--and how she'd ended up pregnant. She did know she was falling in love with the handsome, engaged sheriff. Then Jericho's marriage was called off... and he showed Rosie how far he'd go to keep her safe. But once her memory returned, would they lose their chance for a future together?

Lady Violet Finds a Bridegroom

She's on trial for murder... Now it's her turn to tell her story... The truth is that I loved James with my whole heart. We were soulmates: meant to be together forever. On the morning of our wedding, I had just found out I was carrying his child. But it's time to tell my side of the story. It's time everyone knew what happened on that wedding day, on our honeymoon, and on that fateful last drive together. It's time everyone found out about the secrets and about the threat that loomed over our marriage. It's time everyone found out who really killed James. And I need everyone to believe me. To believe I'm not a killer. Because if they don't, then my baby won't just have no father... she'll have no mother. A totally gripping psychological thriller full of jaw-dropping twists, that will keep you reading late into the night. If you loved *Gone Girl*, *The Mother-in-Law* and *The Housemaid*, you'll be hooked on *The Bride*.

The Sheriff's Amnesiac Bride / Soldier's Secret Child (Mills & Boon Intrigue) (The Coltons: Family First - Book 3)

A young governess brings new life to a Victorian manor, but soon falls victim to its curse in this haunting novel from the author of *Heads You Lose*. For four hundred years, the squires of Aberdar have lorded over this gloomy patch of Wales. In Elizabethan times, the house burst with life, love, and intrigue, as gentlemen schemed endlessly in the shadow of the Virgin Queen's court. But now the house is dark, populated only by two darling twins, their ghastly Belgian aunt, and their father, whose grief for their departed mother is too powerful to bear. Into this grim environment steps Miss Alys Tettermann, a bright young governess with a disfiguring scar and secrets of her own. As she undertakes the education of the girls, she learns there is a long history of twins at Aberdar manor—and of brides dying young. There is one lesson Miss Tettermann should learn herself: Run.

The Bride

Three distinctly different Welsh policemen share one common dilemma--a mysterious death without a clue. Was the dead woman the victim of a political execution or something even more sinister? What they discover is a 200-year-old puzzle that adds up to murder, and a conspiracy of silence that haunts the town of Gallows Cottage to this day. Original.

The Brides of Aberdar

Tabitha Locke and Doug Willis have planned their dream wedding at the palatial Hawthorne Manor and are looking forward to a lifetime of joy and togetherness. But the death of Tabitha's ex-boyfriend, Eric Brownley, at the Hawthorne Manor on the eve of the wedding casts a dreadful chill over the nuptial plans. Then Doug is named as a suspect in Eric's possible murder. Is it an open-and-shut case of murder, or did a mentally unstable man plot to deny the bride the life she wants? Caroline Steel, the maid of honor, and her friend Jason White, a private detective, are determined to prove the murder was a well-planned suicide and get the groom out of hot water-but something doesn't add up. Caroline and Jason discover more than they bargained for as they frantically search for the missing clue, and Doug squirms over whether he'll spend his wedding night in the arms of his new bride or behind bars.
