Are you in college now? How do you balance that in your schedule?

How old were you when you First started Dog with a Blog?

How did you get your start in the industry?

What was your favorite episode of Dog with a Blog?

What's your best coping mechanism for stress?

What was your favorite part about working for Disney?

How do you find motivation to study?

What ever happened to the original spin-off of High School Musical?

What show were you most nervous to work on?

How stressed were you with school and acting?

Was it weird having to pretend that a dog was talking?

Any advice for those who want to get into acting?

What's your favorite Disney attraction?

What's your favorite subject/s in school?

Do you have to get a manager to be an actress? Do you have to take acting classes?

Have you ever regretted being an actress?

Did you have to audition for Dog with a Blog since you'd already been in multiple Disney shows?

Why were you living in Madrid?

Advice on starting Uni & the stresses that come with becoming an adult?

Did you ever feel the pressure that turns childhood stars "bad"?

How did they get the dog to type? Was it CGI?

How did you memorize Lines E any tips on auditioning?

Is the dog still alive?

Do people notice you as the "Disney girl" at school?

What was your daily schedule Like when you were on Dog with a Blog?

Would you Film scenes/episodes in chronological order?

What's the most important lesson you learned while playing Avery?

What's your favorite song you've released?

Georgian

Georgian: A Learner's Grammar is a completely revised and updated guide to the fascinating and most widely spoken language of the Caucasus.

English Grammar in Use with Answers, Thai Edition

This is an adaptation of Essential Grammar in Use for Thai elementary learners.

English collocations in use : advanced ; how words work together for fluent and natural English ; self-study and classroom use

Collocations are combinations of words which frequently appear together. Using them makes your English sound more natural.

Stronghand

Reproduction of the original: Stronghand by Gustave Aimard

The Adventure of the Secret Necklace

When Bob and Mary arrive at their Granny's for the summer holidays they are delighted. But this year their big, rough cousin Ralph is staying as well. One rainy day, Granny tells them about a beautiful necklace that disappeared 100 years ago, and soon Bob and Mary find a secret passage.

Informed Consent

Informed consent - as an ethical ideal and legal doctrine - has been the source of much concern to clinicians. Drawing on a diverse set of backgrounds and two decades of research in clinical settings, the authors - a lawyer, a physician, a social scientist, and a philosopher - help clinicians understand and cope with their legal obligations and show how the proper handling of informed consent can improve, rather than impede, patient care. Following a concise review of the ethical and legal foundations of informed consent, they provide detailed, practical suggestions for incorporating informed consent

into clinical practice. This completely revised and updated edition discusses how to handle informed consent in all phases of the doctor-patient relationship, use of consent forms, patients' refusals of treatment, and consent to research. It comments on recent laws and national policy, and addresses cutting edge issues, such as fulfilling physician obligations under managed care. This clear and succinct book contains a wealth of information that will not only help clinicians meet the legal requirements of informed consent and understand its ethical underpinnings, but also enhance their ability to deal with their patients more effectively. It will be of value to all those working in areas where issues of informed consent are likely to arise, including medicine, biomedical research, mental health care, nursing, dentistry, biomedical ethics, and law.

Addiction Mechanisms, Phenomenology and Treatment

Substance-related disorders pose an increasing challenge not only to the field of psychiatry but also to public health. The rapid development of our society has also changed the face of substance use and abuse, both quantitatively and qualitatively. In this volume international experts present reviews of the latest research covering many areas ranging from neurobiology to psychological management, as well as different drugs, from alcohol to ecstasy.

Advanced Mathematical Thinking

This book is the first major study of advanced mathematical thinking as performed by mathematicians and taught to students in senior high school and university. Topics covered include the psychology of advanced mathematical thinking, the processes involved, mathematical creativity, proof, the role of definitions, symbols, and reflective abstraction. It is highly appropriate for the college professor in mathematics or the general mathematics educator.

Advanced Grammar in Use

Widely recognised as the standard text for trainee psychiatrists, the Shorter Oxford Textbook of Psychiatry stands head and shoulders above the competition. The text has been honed over five editions and displays a fluency, authority and insight which is not only rarely found but makes the process of assimilating information as smooth and enjoyable as possible. The book provides an introduction to all the clinical topics required by the trainee psychiatrist, including all the sub-specialties and major psychiatric conditions. Throughout, the authors emphasize the basic clinical skills required for the full assessment and understanding of the patient. Discussion of treatment includes not only scientific evidence, but also practical problems in the management of patients their family and social context. The text emphasizes an evidence-based approach to practice and gives full attention to ethical and legal issues. Introductory chapters focus on recognition of signs and symptoms, classification and diagnosis, psychiatric assessment, and aetiology. Further chapters deal with all the the major psychiatric syndromes as well as providing detailed coverage of pharmacological and psychological treatments. The book gives equal prominence to ICD and DSM classification - often with direct comparisons - giving the book a universal appeal. The Shorter Oxford Textbook of Psychiatry remains the most up-to-date secondary level textbook of psychiatry available, with the new edition boasting a new modern design and greater use of summary boxes, tables, and lists than ever before. The extensive bibliography has been brought up-to-date and there are targeted reading lists for each chapter. The Shorter Oxford Textbook of Psychiatry fulfils all the study and revision needs of psychiatric trainees, but will also prove useful to medical students, GPs, qualified psychiatrists, and those in related fields who need to be kept informed with current psychiatric practice.

New English File

Wangari Maathai, founder of The Green Belt Movement, tells its story including the philosophy behind it, its challenges, and objectives.

Everyday Tsonga

Irish writing in the modernist era is often regarded as a largely rural affair, engaging with the city in fleeting, often disparaging ways, with Joyce cast as a defiant exception. This book shows how an urban modernist tradition, responsive to the particular political, social, and cultural conditions of Dublin, emerged in Ireland at this time.

Cambridge English Prepare! Level 2 Student's Book

Barron's newest edition of TOEFL iBT® provides flexible study options and key skills review to help you study what you need to know for the test.

=3;>-@CAA:89 A;>20@L

Now in its first English edition, this text focuses on the Japanese concept of "kaizen," or "continuous improvement," to demonstrate how smaller, easily adopted improvements can increase performance and reduce production costs.

A Comprehensive English Grammar for Foreign Students

I begin by introducing the main issues of the work, and inviting their consideration; as enticement, I offer a sketch of their practical importance, and of the philosophical challenge they present. And I provide a preview of the work's organization and central argument. There is something so obvious that it is easily-and often-overlooked: the enforcing of criminal statutes is the most intrusive and coercive exercise of domestic power by a state. Forcibly preventing people from doing that which they wish to do, forcibly compelling people to do that which they do not wish to do-and wielding force merely attempting to compel or prevent-these state activities have extraordinarily serious ramifications. Indeed, no state institutions are likely to have more profound an impact on the lives of individual citizens than those of the criminal justice system. I endorse Herbert Packer's assessment: The criminal sanction is the law's ultimate threat. Being punished for a crime is different from being regulated in the public interest, or being forced to compensate another who has been injured by one's conduct, or being treated for a disease. The sanction is at once uniquely coercive and, in the broadest sense, uniquely expensive. As a consequence, these state activities are in special need of moral warrant. Given the great potential for doing grave injustice, the power of the state embodied in the criminal justice system ought not be exercised in the absence of a complete and compelling moral justification.

Flight from the USSR, the first novel from one of Georgia's most famous author, Dato Turashvili, was originally published in Georgia in 1988. Since then, it has been adapted as a stage play entitled "Jeans Generation" and translated into German, Dutch, Italian, Greek and Croatian; receiving brilliant reviews everywhere. The novel is based upon an electrifying and tragic event in 1983. Gega Kobakhidze, a young actor, and seven friends hijack an airplane heading from Tbilisi to Leningrad. They desperately want to flee from the USSR and go to Turkey. They fail, are imprisoned and a number are killed. All of Georgia and the world were caught up in these events. Turashvili is a master of drama, with a precise and compelling sense of dialogue, his characterizations are complex but powerful, his story-line is totally engrossing, and we do not want to believe the inevitable and disastrous conclusion. He weaves a gripping literary work between historical fact and fiction, leaving the reader transfixed.

Adopted Texts by the Standing Committee, on Behalf of the Congress

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- The most student-friendly, contextual, and inclusive survey is now personalized, digital, and mobile for today's students. Art History 5th edition continues to balance formal analysis with contextual art history in order to engage a diverse student audience. Authors Marilyn Stokstad and Michael Cothren- both scholars as well as teachers- share a common vision that survey courses should be filled with as much enjoyment as learning, and that they should foster an enthusiastic, as well as an educated, public for the visual arts. This revision is the strongest and most comprehensive learning program for measuring student progress and improving student success in attaining the outcomes and goals of the art history survey course. Not only does the text address four overarching goals of the survey course, the new MyArtsLab further develops and reinforces these outcomes and skills with market-leading learning tools such as personalized study plans for each student and multimedia assets geared towards addressing different learning styles and abilities, such as chapter audio, student videos, Closer Looks, architectural panoramas and much more. The end result is a complete learning program designed to increase students' success with a personalized, digital and a highly mobile learning experience. A better teaching and learning experience This program will provide a better teaching and learning experience--for you and your students. Here's how: Personalize Learning -- MyArtsLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructors gauge individual and class performance. Go Digital - Pearson Custom eText provides instructors and students with a whole new online customizable learning experience. Go Mobile - Make learning easy and convenient with our on-the-go eTexts and key learning applications. Improve Critical Thinking - Key Learning Outcomes encourage students to think critically about visual arts as part of the larger world. Engage Students - Updated scholarship, MyArtsLab, and the readability of the text provide a wonderful engaging student experience. Support Instructors - With a wealth of online resources, instructors have videos, images, and teaching support materials to create a dynamic, engaging course. If you want just Art History Volume 2 with MyArtsLab order the ISBN below: 0205949479 / 9780205949472 Art History, Volume 2 Plus NEW MyArtsLab with eText -- Access Card Package Package consists of: 0205206565 / 9780205206568 NEW MyArtsLab with Pearson eText -- Valuepack Access Card 0205877575 / 9780205877577 Art History Volume 2 If you want the complete Art History with MyArtsLab order the ISBN below: 0205949487 / 9780205949489 Art History Plus NEW MyArtsLab with eText -- Access Card Package Package consists of: 0205206565 / 9780205206568 NEW MyArtsLab with Pearson eText -- Valuepack Access Card 0205873472 / 9780205873470 Art History

This publication not only presents the main results of TALIS 2013, it also offers insights and advice to teachers and school leaders on how they can improve teaching and learning in their schools.

Barron's TOEFL IBT

The Synchronized Production System

Want More Freedom and Travel in Your Life? Read on to Discover an Increasingly Popular Lifestyle That's Surprisingly Affordable. In the words of Bob Dylan, "The Times They Are A Changin'." And while this sentiment will always be true, right now it means some pretty exciting things are happening. They have the potential to revolutionize lifestyle and dramatically increase your quality of life. Ubiquitous technologies and flexible societal structures have created opportunities that were previously unimaginable. For example, remote and freelance work has become incredibly common and highly popular given its desirable flexibility and convenience. The RV lifestyle takes these ideals a step further. Living entirely in an RV, you untether completely from a traditional home base and start having a new experience of life. Despite what you might think, the RV lifestyle isn't just for the wealthy or the retired. While it's an alternative living arrangement, you can still continue to work, have a place to come home to every night, and raise a family. 9 million families in the US currently own an RV. Of those, nearly half a million live in theirs full time. This trend is only increasing. It's a fantastic opportunity to get out of the daily grind with more... Freedom Travel Connection to nature and outdoor activities Focus on experiences and relationships (rather than stuff) ...and adventure. It just takes some preparation, adjustment, and investment to get everything in place and in the swing of things. Though there's upfront effort and expenses, you'll end up saving time and more than \$5000 a year in the long run. "The RV Lifestyle Manual" helps you see if this is for you, get everything up and running, and plan while on the road. In the book, you'll discover: Tons of details and requirements covering every aspect of the RV lifestyle that most people don't think of until they're on the road Answers the riddle of how to live comfortably on the open road (easier than you think). Key requirements for earning an income while traveling Baby steps to downsizing your life and making money in the process RV Purchasing guide - what to look for in an RV based on your situation, intended use, and budget Unexpected things that come up regularly and how to deal with them like it's no big deal How to change things up to make RVing work with children and pets Surprisingly simple things you can do to make a small space feel bigger and homey. Planning your route with lesser-known campgrounds to save money and delight your soul. Frequently asked questions and concerns resolved And much more. Some people resist the idea of an RV lifestyle because it's different than conventional living. While the benefits are extraordinary, the apprehension about change and costs is understandable. By first learning about everything that's involved with the RV lifestyle, you can make an informed choice. Further, you can stagger the changes you're making so everything doesn't come all once. For instance, you can transition to working remotely, downsizing to a smaller fixed living arrangement, or renting an RV to experience it for a limited time. If you want to upgrade to a lifestyle that gives you more of what you're looking for in life, scroll up and click the Add to Cart button.

On Criminalization

From the creator of the Just a Colorado Gal blog comes a guide to help you plan for a fun backpacking experience. It's time to take a hike! In Backpacking 101, outdoor expert Heather Balogh Rochfort goes step-by-step through the preparation process of hiking—from selecting the right gear to choosing the perfect destination. She also provides useful information for out on the trail, including how to -Properly read a topographic map -Set up an environmentally friendly campsite -Safely interact with wildlife -Handle being lost in the woods With Backpacking 101 in your bag, you can be prepared for whatever comes your way during your trek—no matter what skill level you are. It's the perfect resource for anyone ready for an outdoor adventure!

Flight from the U.S.S.R

The new edition of this best-selling series combines comprehensive development and practice in the rhetorical modes while integrating instruction in reading, grammar, critical thinking, and vocabulary

development. -Developing Composition Skills focuses students on narrating, describing, analyzing, comparing and contrasting, classifying, and evaluating at the paragraph level and offers a complete introduction that bridges the gap between the paragraph and the essay level. -Refining Composition Skills develops essay writing skills needed for success at the college level by thoroughly reviewing and presenting the following rhetorical modes: compare and contrast, example, classification, process analysis, cause and effect, and argument

Art History

Curvaceous, friendly and wholesome-looking, Playboy pinup Betty Page was the perfect complement to the still-innocent fantasies of young men during the Eisenhower years. Betty Page Confidential includes a biography of the reclusive goddess, an official Betty Page trivia quiz and 100 photos. Betty Page Confidential is the ultimate book on this 1950s icon.

TALIS A Teachers' Guide to TALIS 2013 Teaching and Learning International Survey

This work offers teachers best practices for nurturing emergent literacy, teaching literary concepts and developing reading and writing in all students. It looks at the troubled reader, family literacy, technology, writing and reading connections, language diversity and phonic awareness.

Georgian

Round-up is a fun, practical grammar practice book that supplements your coursebook. It is perfect for extra grammar practice at the end of a lesson or as homework. It has good, clear exercises that can be used with all sorts of learners who need practical in general English grammar. Book Six is for upper-intermediate students.

New Total English

The 1996 Netherlands Yearbook of International Law contains expert articles on issues such as: protection of cultural property in time of armed conflict; the contribution of the International Law Commission to international water law; effectiveness v. the rule of law following the East Timor case; Estoppel and the preclusive effects of inconsistent statements and conduct: the practice of the Iran-United States Claims Tribunal; state responsibility in a liberalised world economy The documentation section surveys Dutch state practice for the parliamentary year 1994-1995; international agreements to which the Netherlands is a party; Netherlands judicial decisions and municipal legislation involving questions of public international law, and Dutch literature in the field of public international law and related matters. This Yearbook is included in the 1996 subscription to the Netherlands International Law Review (Volume 43).
