A Cord of Three Strands

This collection of Christian love letters from across the centuries provide inspiration as well as examples of Christian marriage bonded together in Christ.

A Cord of Three Strands

Born to a French trader and a Lenape woman. Reared by Quakers. As the French & Indian War rages, one man strives for peace-between Pennsylvania and its Indian tribes, and between his own heart and mind. As 1756 dawns, Isaac Lukens leaves the Pennsylvania wilderness after two years with the Lenape people. He's failed to find the families of his birth parents, a French trader and a Lenape woman. Worse, the tribe he's lived with, having rejected his peacemaking efforts, now ravages frontier settlements in retaliation. When he arrives in the Quaker community where he was reared, questions taunt him: Who is he-white man or Lenape? And where does he belong? Elisabeth Alden, Isaac's dearest childhood friend, is left to tend her young siblings alone upon her father's death. Despite Isaac's promise to care for her and the children, she battles resentment toward him for having left, while an unspeakable tragedy and her discordant courtship with a prominent Philadelphian weigh on her as well. Elisabeth must marry or lose guardianship of her siblings, and her options threaten the life with her

and the children that Isaac has come to love. Faced with Elisabeth's hesitancy to marry, the prospect of finding his family at last, and the opportunity to assist in the peace process between Pennsylvania and its Indian tribes, Isaac must determine where-and to whom-the Almighty has called him. A Cord of Three Strands weaves fact and fiction into a captivating portrayal of Colonial-era Quaker life, including Friends' roles in Pennsylvania Indian relations and in refuting slavery.

A Cord of Three Strands

How can low-income, non-English-speaking parents become advocates, leaders, and role models in their children's schools? A Cord of Three Strands offers a close study of the Logan Square Neighborhood Association, a grassroots organization on the northwest side of Chicago, whose work on parent engagement has drawn national attention. The author identifies three elements—induction, integration, and investment—that together capture the dynamic and developmental nature of successful parent engagement. Writing with both optimism and urgency, author Soo Hong offers richly detailed portraits of parents' experiences and addresses the complex and sometime conflicting relationships among school, family, and community.

While there is no such thing as a perfect business or a fairytale marriage, there are ways to design the life you desire with your spouse. After Josh created multiple start-up businesses and Megan

spending her time as a stay-at-home mom, they decided to be life-partners and business partners. The Business of Marriage is not the traditional marriage book! It is Joshua and Megan's story. Together, they give accounts of their marriage, the good and the bad. They share their pain and hard truths of moments when divorce seemed like the only option. You will get both perspectives of what it's like to work alongside your spouse while navigating hardships and pressing forward when life seems hopeless. Marriage comes with challenges and entrepreneurship only adds to it. With being together for over a decade, Joshua and Megan shed light on difficult topics, living check-to-check, blended families, relocating multiple times and how they are learning to become a husband and wife. Throughout each chapter, the transparency and authenticity will give anyone in marriage and business -- or both -- hope for second chances. Marriage is not easily broken during its darkest and most painful times when built on a cord of three strands.

The Business of Marriage

'A Cord of Three Strands' is my autobiography, written to give my children and grandchildren the story of God's love and grace to me, the story children used to hear 'around the fire side', over the meal table and in the car; and to answer the question 'if only we could ask Grandma about ...'

Cord of Three Strands

Based on a true story of three women struggling, searching, and finding God's redemption and grace despite obstacles and heart wrenching choices, one of them being adoption. First strand: Peggy, a middle aged woman, devoted to God and to her husband, Mitch. Peggy has lived with the heavy burden of longing for eighteen long years. Her longing? To be a mother. Infertility time after time has interrupted her hopes and dreams, and at times caused her to question her faith in her loving God. Second Strand: Tricia, a young, rebellious teenager who has lost her "first love," Jesus. She has stepped away temporarily from her deep faith in Christ, and finds that even temporary disobedience has great consequences. Third Strand: Hilarie, the baby girl who brings both love and light to all. Through Hilarie, God is writing His redemptive story for the world to see. And the effects of this story, and Hilarie's love, will change lives, heal wounds, and bind together the three strands in perfect unity.

A Cord of Three Strands

A Strand of Three Cords is a reminder to me that I am not alone. A single strand can be easily broken, but the more strands you put together it is harder to break. I once felt like a single strand, and the trials I faced would set me back, almost feeling like I was knocked off my feet. When I gave my life to Jesus, the strand became stronger, having the Father, the Son, and the Holy Spirit with me. God provided me with a group of friends and family members that constantly pray for me and encourage me to face each day. Life is hard and discouraging, and we all need someone we can count on and someone we can trust. Friends that will be there for us, no matter what. These friends are strands that God put into my life. They strengthen me and pray for me to persevere through life's challenges.

Christian Marriage in the culture of Chinese people

The Surpassing Greatness of His Power

How did a first-generation Jewish messianic movement develop the momentum to become a dominant religious force in the Western world? The essays here first investigate the roots of God's mission and the mission of his people in the Old Testament and Second Temple Judaism, specifically in the Psalms,

Isaiah, and Daniel. The contributions then discuss the mission of Jesus, and how it continued into the mission of the Twelve, other Jewish believers (in the Gospels, General Epistles, and Revelation), and finally into Paul's ministry to the Gentiles documented in the book of Acts and his epistles. These essays reach backward into the background of what was to become the Christian mission and forward through the New Testament to the continuing Christian mission and missions today.

Three Stranded Bears

The first major translation of the Christian Scriptures from the original languages to be undertaken since the King James Version (1611), the Revised Standard Version debuted in 1952 to simultaneous acclaim and condemnation from American Christians. Mainline Protestants and Roman Catholics lauded the new translation, while many evangelicals villified it. The RSV dramatically shaped the course of English Bible translation work in the latter half of the Twentieth Century, and it remains the Bible of choice for many people. This Anniversary Edition features a clear new type setting that readers are certain to appreciate.
