Lift the Flap

Look who's talking! A baby signing book full of lift-the-flaps and real-life sounds from Scholastic Early Learners! Lift the Flap: Look Who's Talking! is a multi-button sound book with flaps to link pictures, words, and baby signing. Each of the 10 sound buttons in the sound bar provides one word. Children can look at the picture, press the button, and hear the word! The book also features all 25 first words that your toddler should be using by age two. Flaps throughout the book reveal baby sign language for each word. Signing with your baby is considered to have many benefits (behavioral, vocabulary and language skills, fine motor skills, and visual attention). It is also fun, and can be a wonderful bonding experience! Scholastic Early Learners: Interactive books for hands-on learning. Perfect for babies, toddlers, preschoolers, kindergarteners, and first graders, too!

Who's Making That Noise?

Lift flaps in this luxury edition to find out who's making that noise.

Guess Who?

Join Fifi and the Flowertots for a game of hide-and-seek. Can you guess which of Fifi's Flowertot friends is hiding under the flaps before she does?

Lift the Flap Look Who's Mooing!

An interactive multi-button sound book that helps young children link farm animals with their sounds.

Rachel and Sam are busy looking behind the doors, inside toy boxes, and under the bed. Join them and see what you can find under the flaps!

Sharing the Journey: Literature for Young Children

This wonderful resource from two authors with an infectious enthusiasm for children's literature will help readers select and share quality books for and with young children. Specifically focused on infants through the third grade, *Sharing the Journey* contains descriptive book annotations, instructive commentary, and creative teaching activities tailored for those important years. Extensive book lists throughout will help readers build a library of quality children's literature. Books representing other cultures are included to help celebrate diversity as well as cultural connection. Genre chapters include poetry, fantasy, and realistic and historical fiction. A chapter on informational books demonstrates how young children can be introduced to, and learn to enjoy, nonfiction.

Look Out, He's Behind You!

Red Riding Hood is off to see her grandmother, but she doesn't know the wolf is following her every step of the way! Will she spot him lurking behind the flaps on every page?

Find Out About: Things That Go

"Help curious preschoolers find out more about amazing machines and things that go with this fantastic lift-the-flap board book. *Find Out About: Things That Go* helps curious preschoolers to learn about their favourite vehicles and discover new ones in an engaging question and answer format. With lots of flaps to lift and plenty to discover, from busy diggers, buses and trucks, to speedy trains, planes and space rockets, this book is perfect for children and their parents to share and have fun finding out together"--Publisher's description.

Lift-The-Flap Looking After Our Planet

Explores the problems facing our planet today, and what we can do about them. A bright, impactful book, explaining simply and effectively what's going wrong with our planet and what we can all do to help - from reducing greenhouse gas emissions and farming responsibly to protecting our forests, oceans and endangered animals. It sets out why conditions on Earth are just right for life, how our modern lives are putting the planet at risk and what we can all do to work towards a greener future.

School Library Journal

Who's that hiding on every page? Young preschool children will love guessing who the different feet belong to in this bright, sturdy lift-the-flap book from Ladybird. Read the rhyming text with your child and talk about what clues you can see in the pictures. Then lift the giant flaps to reveal the animal each time. Did you guess whose feet they were?

Whose Feet?

My Lift-the-flap Book

Lift the over 60 flaps in this book to discover the answers to questions that every child asks: when, how, where, who, why, which, and what!

Whose Nose?

Understanding the concept of time in relation to routine activities is a vital pre-school skill, and this interactive book is an engaging introduction to daily routines, ordering events and describing your day. A fun introduction to a key early learning concept, with over 60 flaps to lift. Part of a growing series of lift-the-flap first concept books which introduce young children to colours, counting, first words and more. An ideal book for parents and children to share with plenty for pre-readers to explore and talk about.

Lift the Flap Questions & Answers

This interactive book is a perfect way for young children to learn all about nature. With lots of flaps to lift, there are counting, matching and spotting activities and lots for pre-readers to talk about too. Scenes include 'Nature's year', 'How flowers grow', 'In the pond' and 'Baby animals' and colourful illustrations bring each page to life. Illustrations: Full colour throughout

Lift-The-Flap My Day

Ding dong! Flush! Moo! Roar! What's that sound? Press the buttons to find out! Listening is an important part of language development, and Twirl's first sound book will engage very young children as they explore sounds and words found in familiar settings, and perhaps some not-so-familiar ones. The 20-button sound panel includes 100 sounds and words; each button accompanies a spread where the actions, objects, and animals are named, followed by the appropriate sounds. From sounds in the home and on the street to sounds in the jungle and even in the ocean, little ones will be able to quickly identify sounds and name the animals and objects that make them. Big sounds for little ears!

Lift-The-Flap Nature

Follow a very sweet mouse as it scampers through a garden, and discover what else lives there - from bees, birds and snails to a frog in the pond, very young children will love lifting the sturdy gatefold flaps to discover the nature in a pretty garden. Gorgeously and brightly illustrated by Sarah Allen. Following on from successful 'peep inside series' this new series for younger children and babies has sturdy, shaped gatefold flaps for younger readers. First look at nature at a very young level. Die-cut, shaped, robust gatefold flaps to encourage the child to engage with the book.

My Big Book of Sounds

Our wonderful planet is full of beautiful buildings, exotic animals and fabulous sights to see. To find out where in the world they are, explore the maps and lift the flaps in this delightful atlas.

Little Lift and Look Garden

Invites readers to guess which animal is featured on each page and learn fascinating facts about it.

Lift the Flap Picture Atlas

With over 60 flaps to lift, this delightful book answers questions such as "Where have people visited in space?"

Tushes & Tails!

A tactile introduction to early learning concepts, complete with lift-the-flaps for more interactivity from Scholastic Early Learners! Lift the Flap: First 100 Words is an oversized board book with more than 70 interactive flaps. Each page is filled with photographs and illustrations that cover a variety of different topics, including pets, food, things that go, numbers, colors, and more. The art and text helps children to match pictures to words and build vocabulary and pre-literacy skills. A perfect introduction to learning first words! Scholastic Early Learners: The Most Trusted Name in Learning!

Lift the Flap Questions and Answers about Space

What's the point of belly buttons? When will I stop growing? These are just some of the 60+ questions that are featured in this extremely useful book. Children won't be able to resist lifting the flaps to find out the answers.

First 100 Words: Scholastic Early Learners (Lift the Flap)

Synopsis coming soon.....

Lift-The-Flap Questions and Answers about Growing Up

"In Maryland's Carroll County, story boxes have made this impossible dream come true for twenty years. Now MacMillan, writer, storyteller, and former children's librarian, outlines the proven story box system for sharing an array of successful programs. Story boxes offer a simple method for capturing ideas, talent, creativity, and resources available in your library. Including step-by-step instructions from concept through implementation and supplemented by programming tips, A Box Full of Tales also offers detailed plans for fifty great story boxes, including suggested books, fingerplays, songs, props, crafts, and sign language." "From ah-choo to antlers, from monkey business to zoo escapes, A Box Full of Tales is an easy way to offer winning, stress-free library programs for children without the headaches and the hassles. You can make the impossible happen when you share resources with story boxes!"--BOOK JACKET.

Look Inside Things that Go

Answers difficult questions and gives advice on how to deal with racism. From 'What's wrong with the idea of 'race'? and 'Why is life harder for people with darker skin?' to 'Don't ALL lives matter?' and 'What's racism got to do with me?' this book tackles powerful, pertinent questions in a direct, accessible and thought-provoking way. Discover why racism is everyone's problem to solve, and how we can all be part of the solution.

A Box Full of Tales

La provocation

Est-ce qu'on est prêt ?

Est-ce qu'on est prêt à accepter les pertes réelles de la guerre ?

Est-ce une triste réalité ?

Une vision erronée

L'épidémie est arrivée

On n'est pas prêt à une vraie guerre

Les militaires ne sont pas écoutés
 Les limites de l'action du militaire
 La guerre classique
 Les militaires sont tenus au silence
 Trump va-t-il être candidat ?
 On est capable de faire la guerre tout seul les Européens ?
 Comment voulez-vous dans le futur avec les pays d'Europe tels qu'ils sont au niveau de la défense ?
 La guerre pose-t-elle un problème ?
 Les Américains s'accuse-t-ils de tout ?
 Est-ce qu'on maintient Biden ?
 Est-ce qu'on maintient Donald Trump ?
 Un homme de compromis
 L'Amérique, c'est pas la France
 La Chine, une des premières puissances mondiales
 La Chine n'est pas un peuple guerrier
 L'équipe de Biden a été négociée avec les Chinois
 Les Américains n'ont pas besoin de la guerre
 Je ne critique pas les États-Unis
 Il y a une différence d'investissement dans et de perte
 Les Chinois sont en position militaire défensive
 Ne pas se laisser embarquer par les uns ni par les autres
 Ne pas courir à notre pays des risques injustifiés
 La guerre, c'est une solution de fuite en avant
 Faire des compromis en France
