Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

King Noanett; a Story of Old Virginia and the Massachusetts Bay

This Is A New Release Of The Original 1896 Edition.

King Noanett

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

King Noanett

Excerpt from King Noanett: A Story of Old Virginia and the Massachusetts Bay Time printed. Though first set down (as appears by the context) for the edification of the writer's children, Mr. Carew's views upon some subjects, notably Cromwell and the later Puritans, would have rendered their publication inopportune in New England at a time much before the present. But if he sets forth these matters in a somewhat novel light, he is severer still upon certain phases of early life in Virginia. He speaks without fear or favour, and I have printed it as written, altering only the spelling; and although occasionally he uses words only suited to the robust stomachs of his time, I have let them stand: partly that the sweet and noble temper of his story atones for them, partly that our own stomachs are a trifle over queasy (as to words alone). To use his own, the fighting companies of the Old Dominion were but a ribald crew and the events, even the incidents, which he narrates I have found curiously verified in memoirs nearly contemporary, notably the diaries of his acquaintance. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
