Escape, Redemption, and the Alpha's Bite

It has been many years since Lycans revealed themselves to the world. Many humans have had difficulty adjusting to their presence, especially as a consequence of some lycans making the decision to destroy many homes and punish humans who protest their actions. Olivia has been imprisoned for the past twelve years in the Klawmoon pack and has endured many harsh treatments. However, her life changes when the pack is attacked, and she manages to escape, only to eventually find herself in another pack in the woods. And it is in this pack, that she discovers that she is the Alpha's mate.

His menacing smile curled over his white teeth. It is a terrible thing, how such a handsome man can be the devil reincarnated. "It is no secret; I want you as my mate." "WHY ME... WHY DID YOU PICK ME?" I raised my voice and yelled at him. Tears swelled in my eyes, but I refused to let them fall in front of him. "Why couldn't you pick someone as cruel as you?" Alpha Thane stepped to the side instructing one of the guards to unlock my cell door. More clinking sounds echoed off the walls as the cell door slid open. Alpha Thane walked in, stopping in front of me. I could feel his breath on my forehead. My body wanted to move away from him, but I forced myself to stand as tall and as confident as I possibly could. He was much taller than me. I am only 5'3 in height. I looked up at him. Countdown to Alpha's Downfall: Werewolf Romance (The Alpha's Abandoned Mate Book 1)

"The next full-moon night is coming, and I really don't want to be a rogue. I need someone to help me, by having sex with me!" The Alpha murmured desperately. *** Heller was an Alpha, and he already had a mate that he loved, Mira, but now he was desperately in need of a new one. Mira was in the hospital, in a coma for a year, but that was not the main reason for Heller to find a new mate. The main reason was more complicated-he was supposed to have sex with his new and fated mate during the next full moon and quieten and placate his wolf, to make him less disturbing and destructive, and most

importantly, stop himself from turning to a rogue. On that rainy Monday morning, Heller met his fated mate, Leah. "It was ridiculous that the Moon Goddess would choose someone like her to be my mate! She didn't even know she got werewolf blood running in her veins! She just thought she was a damn human!" But for Leah, wasn't this whole thing more ridiculous? Could she end up being Heller's Luna? Or just his sex tool?

Call Me Alpha

TEASER I looked at him again and found his eyes fixed on my neck. His jaw clenched as he started trailing his fingers on my neck, where his claim should be placed. My eyes instinctively shut from the tingling sensation his touch brought me. Damn! I never thought the mate bond could be this strong! Slowly, his head lowered to my neck. My closed eyes shut tight when the tip of his nose touched my skin. Damn it! I'm being drowned deep from the agitation we're sharing. Aiden inhaled my scent and exhaled hard through his mouth, his breathe touched my skin once again and I can't contain my moans. The arms that wrapped my waist hold me even tighter. Another moan-like yelp came out of my throat. "Your scent is so addicting.." he whispered on my neck. I hold my moans to myself when I felt the urge to. Aiden sighed deeply before turning his back on me. My chest flared with pain with what he did. "Won't you claim me?" I asked when I recollect my priorities which was to have my mate finish the mating process. Not the intimate part but at least he should start to claim me. "I'm making myself as an exception into this tradition." "You're not claiming me?!" My voice raised with shock and frustration. I cannot believe him! Just when I needed him to do his part of the mating, he's being exasperating! He turned his head to the side with his back still on me, not entirely facing me. "I'll never put my claim on you."

number of obstacles get in his way from making that sweet claim. Like his sworn enemy who wants to kill his mate for revenge. That would be a big one...

Louisa Unchained Part II

"Father, please. I don't want to become Alpha Lucas' breeder." I cried when he pushed me against the wall. "Don't call me father! You nameless she-wolf!" I closed my eyes. She's shy and sweet. She's the weakest and most useless wolf in the pack. Her life was changed when she was sold to the most powerful wolf in the North Land. Alpha Lucas. Dark, strong, ruthless and moody. Could she, a nameless she-wolf, survive his torture? Could she be emancipated from his enslavement? Could she use her potion box to cure Alpha Lucas' incurable disease called "cruelty"? Could she break the chain of her fate with the help from her friends and...revenge?

The Other End of the Leash

Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years’ experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover: • How you can get your dog to come when called by acting less like a primate and more like a dog • Why the advice to “get dominance” over your dog can cause problems • Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief • How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!” Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

Claiming Their Omega

I’m an alpha. Top of the food chain. What I want, I take, simple as. And I want her. I don’t care she’s a beta, not an omega. She’s mine. I’ve wanted Neve for years, now she works for us. The problem is, I can’t keep my hands off her. And neither can Dante. I’m good with sharing, as long as I can call her mine. Beta or not, She’s the hottest woman I’ve ever seen. She’s lucky she isn’t an omega. If she was, she’d already be wearing my mark and we’d never let her out of her nest. Then her ex starts sniffing around, and he really doesn’t know what he’s gotten himself into. We might wear suits now, but we haven’t forgotten the monsters within. Now they’re coming out to play... Please be aware: This is a much darker and grittier world than my other series, so readers are advised to proceed with caution. A Continuing Story: Please be aware this is a serialized romance in three parts.
