Proposal Myths: Fact or Fiction - August 2021 - Proposal Myths: Fact or Fiction - August 2021 by Shipley Associates 679 views 2 years ago 1 hour - Discuss and have fun with a few common misconceptions about **proposals**.

Debunk or discuss reality based on industry best practice

You can't lose an opportunity in the proposal.

Evaluators "read" your entire proposal

Standard boilerplate content is generally enough because the entire proposal isn't read anyway

On quick turnaround proposals, it's fine to skip the pink team and red team reviews.

The customer asked us to bid so we're in a favored position.

The customer doesn't like the incumbent so we're in a great position.

The executive summary of a proposal isn't important because it often isn't "scored."

Redundancy in a proposal is the enemy

Evaluators will be impressed with big words and technkallanguage.

A discriminator is anything that sets us apart from the competition

Graphics disrupt the flow of the messaging in a proposal.

Technology solutions will catch all the spelling, grammar, and punctuation errors.

Hot buttons and discriminators are the same thing

Simple grammar or punctuation errors won evaluator customer

If you misuse a punctuation mark, you risk confusing your reader and appearing careless

We don't even need to think about a possible protest until after we submit the proposal

The customer has made their buying decision before the orals briefing or demo Why bother?

"Es una de las mas representativas voces en la nueva poesia de un pais encerrado por largos anos en un posmodernismo de falsos tonos que solo fue destruido despues de la guerra del Chaco. Rompiendo con la atrasada vanguardia, que tambien llego tarde a Bolivia, Shimose fue uno de los primeros poetas capaces de dar un salto hacia el futuro, llegando a una notable renovacion con medios personales."

La Reina de los Condenados (Crónicas Vampíricas 3)

La tercera entrega de las «Crónicas Vampíricas» nos aproxima de nuevo al abismal mundo de Lestat, esta vez con su amante: la Reina de los Condenados. Lestat, convertido en una famosa estrella del rock, despierta con su música a Akasha, la Reina de los Condenados. La que una vez fuera la reina del Nilo, toma a Lestat como amante y mano derecha, y vuelca todas sus fuerzas en la destrucción de vampiros y varones con el fin de que las hembras creen un nuevo orden. Pese a las súplicas de Lestat, los deseos de la Reina son irrefrenables, y será necesario un sacrificio para acabar con sus ansias de destrucción. « Yo soy el vampiro Lestat, ¿me recordáis? El vampiro que llegó a ser una superestrella del rock, el que escribió su autobiografía. El de pelo rubio y ojos grises, el de insaciables deseos de hacerse visible y famoso. Me recordáis. Quise ser un símbolo del mal en un siglo iluminado donde el mal (en el sentido estricto de la palabra) que soy yo no tiene lugar. Me imaginé incluso que, de esta forma, haría algún bien: jugando a ser el diablo en el escenario. La última vez que hablamos acababa de empezar algo con buen pie... »

Así hablamos los Argentos

Para los aficionados a los temas lingüísticos, los de comunicación en general y la interpersonal en particular, siempre habrá un sinnúmero de temas atractivos para ser estudiados o analizados desde puntos distintos. "Así hablamos los argentinos, es uno de esos casos". El objetivo de la obra ha sido recoger y presentar vocablos y expresiones de uso habitual, que por su repetición, oral o escrita, configuran locuciones y modismos incorporados a la comunicación coloquial cotidiana dándole ese carácter "particular" a nuestra forma de hablar, tanto que podríamos calificarla como "forma argentina" pero que no se restringe al uso de los calificados como "argentinismos".

Ayudando a sanar

El quehacer del periodista se ha modificado sustancialmente. Los materiales periodísticos impresos, televisivos o radiofónicos se producen hoy de manera completamente distinta a la de hace años. Las tecnologías de la comunicación y de la información posibilitaron que se redujera el tiempo y el espacio, lo que ha reducido el tiempo de reflexión y de investigación. El periodismo en línea, en tiempo real,

los blogs y las herramientas de las redes sociales digitales constituyen innovaciones en las rutinas profesionales. Pero ¿cómo observa el profesional de la información esos cambios? ¿Qué piensa el periodista sobre su propio trabajo y sobre el periodismo en general? ¿Cómo la actividad laboral le organiza su vida? ¿Qué tipo de consumidor mediático es el periodista?

Los cambios en el mundo del trabajo del periodista

Tu depresión y tu ansiedad nunca volverán a ser lo mismo. ¿Sabías que la depresión y la ansiedad tienen un sentido oculto? ¿Sabías que tus emociones están para ayudarte a resolver un conflicto al cual no estabas dando respuesta? La depresión como solución es una guía práctica para que te comprendas y uses a tu favor tus estados emocionales. Es una invitación a dejar de culparte y condenarte por sentir lo que sientes. Algunos de los temas que aborda la obra son: • La intención positiva de la ansiedad y la tristeza • Los mitos sobre la depresión y la ansiedad • El enfoque innovador de la Nueva Medicina Germánica • Cómo dejar de mirar el pasado y el futuro para sanar el presente Puedes sanar tus emociones comprendiendo su intención positiva y dejando de luchar contra ellas. Combinando disciplinas como la biodescodificación, las neurociencias, las leyes biológicas y la psicología, Pablo Vazquez Kunz presenta su primera obra luego de años de investigación sobre cómo sanar la depresión y la ansiedad para experimentar alegría y paz.

La depresión como solución

El contenido de este libro es extremadamente complicado pero fácil de entender. Los temas están divididos en quince encuentros conversacionales entre un profesor universitario retirado y un joven estudiante. Ambos desarrollan una amistad extraordinaria y los temas tratados revelan que hay un misterio espiritual en un lugar no circunscrito y no antes explorado en nuestra vida. Debemos entender que como resultado de nuestras experiencias adquiridas todos tenemos una forma de pensar, de actuar y ver la vida. Por esta razón, es posible que alguno de los temas tratados entre en conflicto con la manera de pensar que hasta ahora hayas tenido. Pero al analizarlos, y entenderlos estos se incorporan a nuestro conocimiento creando cambios de ideas y los conflictos intelectuales se desvanecen. Entonces despertamos a un nuevo amanecer. Seremos felices, prospero, tendremos abundancia, buenas amistades, salud y energía para controlar el dolor, suprimir enfermedades y todo aquello en la mayoría de las veces te maltrata y te abusa. La decisión de explorar esa nueva realidad, constituye el primer paso hacia la iluminación. Aumentaras tu conocimiento y cambiaras tu manera de pensar y ver la vida. Porque, "cuando la mente conoce, al cuerpo no le queda otra cosa que cambiar". El camino resultara muy agradable y comprenderás que "lo importante no es llegar si no que vas de camino"

Los Encuentros

El mismo día en el que Juan Carlos I anuncia su abdicación aparecen en tres ciudades de España —Sevilla, Madrid y Barcelona—, en papeleras de lugares muy conocidos y frecuentados, restos humanos semicongelados: un pie, una mano y un corazón. Todos los indicios apuntan a la siniestra estrategia de un asesino en serie que quiere acaparar toda la atención. Para tratar de resolver el caso, la policía recurre a la excéntrica, huraña e intuitiva inspectora Carmen Puerto, que a pesar de su autoimpuesta reclusión, es capaz de analizar, interpretar y desvelar los crímenes más complicados. Como en "El lenguaje de las mareas\

Los amantes anónimos

Marta Elisa de León fue al infierno y volvió. El infierno era la mentira, la ambigüedad, el consumismo, la poca autoestima, la obsesión por la imagen, el trastorno emocional... en suma: la vida como prostituta. Iniciada como por juego, lúdica al principio, luego angustiada, convertida en cautividad. Siete años después, la autora revive aquella vida oculta en un libro sin equivalencia con los de su género: no busca el morbo ni el escándalo, no se refugia en el sarcasmo, no trata como enemigos a los hombres, no se envuelve con la fantasía del glamour, no se ampara en la coartada de la denuncia. Se limita a relatar, con una prosa transparente y vivaz, con extraordinaria precisión y originalidad sorprendente, su experiencia de ida y vuelta. El viaje de una chica normal que quiso dar un paseo por el lado salvaje y se quedó allí diez años. El testimonio de una mujer imaginativa, lúcida, que ha decidido al fin desocultarse. Marta Elisa de León tiene cuarenta años. Vive con su familia en un pueblo cerca del Mediterráneo y escribe. Este no es su primer libro publicado.

Las ocultas

Venciendo a satanás, es la lucha diaria, que el creyente tiene, contra el enemigo de nuestras almas. Una lucha, que vamos venciendo, día tras día. Este libro, es solo una pequeña ayuda, para que usted, pueda ir venciendo a satanás, a cada momento. Este libro, no se trata de luchas místicas y fantasiosas, de rezos repetitivos, o de conjuros religiosos. No se trata, de actos proféticos, ni de decretos y unciones apostólicas, realizadas bajo del mar, o tirando sal sobre la tierra, para derrotar al diablo. Este libro, nos ayudará a entender, a como vencer a satanás, por medio, de nuestra forma de vivir, que es conforme a los deseos, de nuestro Señor y Dios. De cómo, las enseñanzas de Cristo, si las ponemos en práctica, van a ir derrotando al enemigo, gradualmente, de nuestras vidas. Hasta poder completar, una victoria completa, sobre satanás. Para Jesús, el maligno ya está derrotado, ya está vencido, y lo ha puesto bajo nuestros pies. Ahora es la hora, de que podamos aprender, a como poder tomar esa promesa, y hacerla realidad, con el testimonio de nuestras vidas. Este libro, es el resultado parcial, de cómo en mi vida personal, como cristiano. He podido ir venciendo a satanás, día tras día, a través de la Palabra de Dios, y del poder, de Su Santo Espíritu. Siendo yo convertido, desde el satanismo; pues antes de conocer a Dios, yo fui un seguidor de satanás, un adorador del diablo y la muerte. Pero hoy, soy un hijo de Dios, que logró ver y seguir, el camino, la verdad y la vida. Y que cada día, en mi vida, el diablo está vencido. Y por esa autoridad, que me entregó Jesucristo, escribo este libro. Venciendo a satanás, es una afirmación del presente, es algo que actualmente, estamos haciendo los cristianos. Para Dios, el diablo ya está vencido, para el Señor, el maligno ya se encuentra en el pasado, pues Dios no está prisionero, a nuestro tiempo, de hecho, nuestro futuro, que está impreso, en el libro de Apocalipsis, ya fue escrito, hace dos mil años atrás. Dios ya confirmó, que satanás fue destruido, pero en nuestro tiempo presente, se tiene que cumplir, lo que ya fue escrito...

El coach extraordinario

¿Cuándo se fundan los conocimientos en razones objetivas? ¿Cómo influyen deseos e intereses? Villoro analiza sistemáticamente los conceptos epistemológicos fundamentales: creencia, certeza, saber, conocimiento, y establece sus relaciones con las razones que justifican la verdad de las creencias y con los motivos que pueden distorsionarlas. El libro desemboca en un estudio de las relaciones de creencias y conocimientos con los preceptos que rigen la vida práctica en sociedad. Las condiciones de racionalidad de las creencias aparecen entonces como condiciones de realización de una vida racional y libre.

Creer, saber, conocer

Marcelo Da Costa Porto nos revela en este libro que emprender no es algo sencillo, pero que el secreto reside en nuestro poder de trabajo y en la pasión que le ponemos a nuestros objetivos. La actitud emprendedora se puede aplicar a todos los ámbitos, y este libro nos invita, de manera ágil y entretenida, a encontrarnos a nosotros mismos en ese camino. A lo largo de las páginas, el lector descubrirá capítulos sobre cómo emprender en familia, sobre las particularidades del mercado local, los desafíos que se presentan, y también sobre cómo lidiar con las nuevas tecnologías.

Sultana del Lago Editores se contenta en anunciar que próximamente estaremos lanzando al ruedo editorial, tres reediciones, de la extensa familia bibliografía del escritor venezolano Armando José Sequera. El primero de estos libros que volverá a estar disponible en las librerías del país, en las plataformas de Amazon Kindle y Google Play Books. Reeditaremos la novela “LA COMEDIA URBANA”, el libro de crónicas “Funeral para una mosca” y la novela juvenil “El derecho a la ternura”. La primera reedición será la versión definitiva de la galardonada novela “LA COMEDIA URBANA”, que se presentará en tres volúmenes, a saber “Civilizada Barbarie”, “Metástasis de la Locura” y “Escombros y Reliquias”, que configuraran una trilogía narrativa que radiografía narrativamente todo que sucede en una gran ciudad, durante un minuto de su convulsa existencia. Armando José Sequera es el escritor con el oficio más saludable y estricto de nuestro país. Vive en la hermosa ciudad de Valencia, a condición de que el paisaje lo deje escribir; y desde allí acumula uno de los records bibliográficos más extensos de nuestra historia literaria. Conocerlo en una entrevista es casi imposible, aunque hay quien lo haya intentado; en Sultana del Lago, hemos propuesto nuestro cuestionario de autor, para explorar en su pensamiento; pero como Armando es un escritor prolijo, nos regaló la dicha de poder presentar este cuestionario por entregas. Así que esperamos que disfruten las primeras cinco respuestas, que nos abren los ojos a un mundo maravilloso de anécdotas y amor por la literatura.

La comedia urbana

La lucha por la longevidad ha convertido a los hombres en una especie capaz de destruirse entre sí. Solo algunas mujeres, las longevas, son las portadores del gen específico para que la raza humana sobreviva más allá de lo que nunca creyó. Esta es la historia de Axel, un niño no esperado que con el tiempo se convierte en un hombre capaz de cambiarlo todo. Esta es la historia de todos nosotros, capaces de olvidar que la vida es algo más que solo sobrevivir y que lo importante en ella son las semillas que dejamos.

Las semillas que dejamos

¿Qué es el reino de las sombras? La religión. Porque la religión te lleva a creer que tú puedes unirte a Dios y ser dios, y por eso los cristianos se llaman a sí mismos hijos de Dios, eso es el reino de las sombras. Y eso es la locura, porque el ser viviente nace, crece, madura y muere y eso no es Dios. El delomelmicon son los ritos religiosos que atraen oscuridad y las nueve puertas es llegar a la filosofía y el librepensamiento.

Recopilación de los artículos publicados por Arturo Pérez-Reverte en la revista El Semanal desde finales del año 1993 hasta el 1998. Desde 1994, cuatro millones de lectores de numerosos periódicos españoles leen cada fin de semana el artículo que Arturo Pérez-Reverte publica en el suplemento dominical El Semanal: su polémica, original y personalísima página de opinión. Patente de curso recoge una amplia selección de esos textos, de los que el propio autor ha dicho: «Escribo con tanta libertad que me sorprende que me dejen.» De ellos se puede disentir, participar, asumir o no

sus postulados; pero es imposible no contagiarse con la fascinación de su honestidad salvaje, su compromiso personal y su coherencia. Porque son la mirada de veintiún años como reportero y el espejo de la Literatura, aplicados a quemarropa sobre la sociedad contemporánea.

Después de un despido fulminante, Simon se ve obligado a ocuparse de su casa y de su hijo, mientras su esposa sostiene la economía familiar. Deprimido y lleno de odio contra el jefe que lo traicionó, un día Simon conoce en un parque a tres padres en su misma situación, pero que se toman las cosas de manera distinta. Más fuertes, más seguros de sí mismos y más amables, Michael, Charlie y Ramon no tardan en invitar a Simon a sumarse a su «jauría». Hasta que, después de una salida con sus nuevos amigos, Simon empieza a experimentar unos extraños e inquietantes cambios en su cuerpo y en sus percepciones, y siente que su realidad se ha convertido en una pesadilla. Inquietante thriller de suspense a la vez que una radiografía ácida y desapasionada sobre la crisis económica y la nueva masculinidad, La jauría confirma a Jason Starr como uno de los autores de best sellers más agudos de nuestro tiempo.

Los años, la fatiga o la locura

Del diálogo punzante a la introspección ácida, los personajes de Puedo explicarlo todo estelarian una historia plena de comezones entretejidas, rencores entrañables y demonios comunes. De Xavier Velasco, autor de Puedo explicarlo todo y La edad de la punzada. La historia de un pícaro del siglo XX que un día es fugitivo acorralado, al otro terapeuta de pacotilla y, en un descuido, merodeador de velatorios de perfectos extraños. Joaquín debe escribir un libro de autoayuda, pero ¿qué es lo que puede explicar este pícaro de nuestro siglo? Nada que Imelda y Gina -dos mujeres de sombra larga y mecha corta, cada una a su modo capaz de cualquier cosa- estén dispuestas a creerse fácilmente. Del diálogo punzante a la introspección ácida, los personajes de Puedo explicarlo todo estelarian una historia plena de comezones entretejidas, rencores entrañables y demonios comunes, donde cada meandro puede ser un abismo y no se quiere más que seguir bajando. Otros autores han opinado: "Una novela aguda y candorosa sobre la parte débil de la humanidad, ambiciosa en su estilo, hija de una mano implacable que sabe de timones. Una Literatura con mayúscula" -Élmer Mendoza-

La jauría

Este libro contiene profecías para el mundo, para el continente americano y sobre todo, para todos aquellos que están tratando de borrar a Dios. Que están tratando de borrar su nombre, y nos dice, lo que Él va a hacer con ellos. Profecías en donde una vez más Dios demuestra, que Él no está ciego ni sordo. Que todo lo ve y todo escucha. Empezaré por decirles que mi infancia fue algo extraña, ya que desde muy niña veía y escuchaba cosas, y no había quien me las explicara. Así pasé mi niñez sin saber qué era lo que me pasaba.

Puedo explicarlo todo

A Scholarly Edition of the Gamaliel (Valencia: Juan Jofre, 1525) is a modernized edition of a popular Spanish devotional that appeared in multiple editions until it was banned by the Spanish Inquisition due to its anonymous authorship and apocryphal content.

En respuesta a mis 25 años de docente a nivel medio superior y superior yo he querido hacer un regalo muy especial a todos aquellos jóvenes hombres y mujeres que tienen el firme compromiso de ser mejores ciudadanos por la vía de las humanidades y que desconocen los fundamentos históricos de su fe. Bachiller. Del francés bachelier, joven que aspira a ser caballero. Digamos que es aquel que tiene los conocimientos pre-universitarios para continuar con su formación académica profesional en todos los sentidos, primeramente la religiosa, la del hermano, la del padre comprometido, la de la madre educadora de sus hijos, y cuantos roles más juega el hombre y la mujer en esta vida, muchos diría yo y muy variados, bueno para todos los jóvenes de buena voluntad que quieren aprender más de su fe, este libro es para ustedes. Guarden en sus corazones la palabra de Dios, en sus mentes la justicia y en su corazón la esperanza viva de ser mejores cada día, si lo logran habré considerado que este libro sencillo pero humilde de teología sea un tesoro en tus manos, al que se requiere acudir a él como un amigo sincero. Con profundo afecto dedico mi trabajo a tantos alumnos de bachillerato que continua dudando de la experiencia milenaria de la iglesia que es una, santa, católica y apostólica. A mis amigos los maestros que tienen las mismas inquietudes, y a mis amigos sinceros a quien dejo el siguiente mensaje. Recomienden lo bueno. A pesar de que este material es digerible, recomiendo dos diccionarios que fácilmente se pueden adquirir vía electrónica. Diccionario digital católico. Net. Enciclopedia de teología "sacramentum mundi". A Todo maestro laico o religioso que recomiende este libro solo le puedo expresar mi profundo agradecimiento.

Describe, desde la percepción de una persona común, nuestra misión en este mundo y la manera de encontrar el camino hacia la verdadera felicidad que tanto anhelamos.

A Scholarly Edition of the Gamaliel (Valencia: Juan Jofre, 1525)

La vida en el campo no es tan idílica como parece... El agente de policía y aprendiz de mago Peter Grant decide tomarse un descanso del trabajo en la ajetreada ciudad de Londres para ayudar en la investigación de la desaparición de dos niñas en Rushpool, un pueblecito cerca de Gales donde se siente como un pez fuera del agua. Aunque en un primer momento parece que no se trata de un caso relacionado con la magia, pronto Peter descubrirá que los campos y bosques idílicos de la campiña inglesa esconden una historia muy oscura y que los seres de los cuentos de hadas no solo habitan en los cuentos infantiles... "Las novelas de Aaronovitch son divertidas, encantadoras, ingeniosas y emocionantes, y dibujan un mundo mágico muy cerca del nuestro." The Independent
