Betty Bunny Didn't Do It

Olivia and Eloise, make room for Betty Bunny, a loveable handful nobunny can resist. From the creator of Disney's Dog with a Blog, this funny book in the Betty Bunny series shows the value of honesty from a preschooler's special point of view. When Betty Bunny breaks a lamp, she has a brand-new idea: Blame it on someone else (like the Tooth Fairy)! Then a vase gets broken and Betty Bunny really didn't do it. But now no one in her family believes her. Honest lies, white lies, crying wolf—how can one four-year-old figure out the right thing to do?

Betty Bunny Didn't Do it

When a young rabbit breaks a table lamp and blames the Tooth Fairy, her family explains the importance of honesty.

Betty Bunny Loves Chocolate Cake

Meet Betty Bunny, a loveable handful nobunny can resist. From author Michael B. Kaplan, creator of Disney's T.V. show Dog with a Blog, comes the debut picture book of the Betty Bunny series. It's a story about patience—seen through the eyes of a precocious preschooler. Betty Bunny is the youngest in her family of rabbits and she's just discovering the important things in life, like chocolate cake. She declares, "I am going to marry chocolate cake" and takes a piece to school with her in her pocket. Mom values healthy eating and tells Betty Bunny she needs patience when it comes to dessert. But Betty Bunny doesn't want patience, she wants chocolate cake! In this funny tribute to chocolate lovers (and picky eaters), Betty Bunny's charming perspective on patience will be recognizable to anyone with a preschooler in their life.

Betty Bunny Didn't Do It

When a young rabbit breaks a table lamp and blames the Tooth Fairy, her family explains the importance of honesty.

Betty Bunny Wants Everything

Preschooler Betty Bunny is back and testing her limits. Luckily, she is a loveable handful nobunny can resist. This hardcover picture book in the Betty Bunny series is by author Michael B. Kaplan, creator of Disney's T.V. series Dog with a Blog. Betty Bunny doesn't know why she can only buy one toy in the toy store when she wants them all. Her family tells Betty Bunny she can't have everything she wants and come up with a lesson to teach her the value of money and spending limits. But the precocious bunny comes up with a hilarious loophole. Betty Bunny's preschool perspective and negotiating skills will leave you in stitches.

The Bunny who Found Easter

In print for almost forty years, Charlotte Zolotow's The Bunny Who Found Easter has delighted generations of readers. A lonely bunny goes hunting for Easter, where he hopes to find other bunnies. His search takes him through the seasons, but only in the spring does he find the true meaning of

Easter. To this heartwarming story Helen Craig has lent her own original interpretation. As multiple stories unfold in each piece of art, viewer and reader are drawn into the poetic, song-filled text. This new rendition of an old classic is sure to charm readers young and old.

Did You Eat the Parakeet?

A 2019 Buckeye Children's Award Nominee A little girl can't find her parakeet—her kitty must have eaten it! Right? Where else would it have gone? It was just here! She shouts, she accuses, and she laments her loss. But her cat might be trying to tell her something . . . With rhyming text and adorable art, *Did You Eat the Parakeet?* by Mark Iacolina is a sweet and silly picture book that will have children laughing through the final page.

Betty Bunny Wants a Goal

For fans of Ladybug Girl and Charlie & Lola, check out the loveable handful nobunny can resist! Betty Bunny puts her own funny preschool spin on soccer (and practice). From the creator of Disney's T.V. series *Dog with a Blog*. Soccer is the first sport most kids play, and Betty Bunny is taking the field. She proudly announces that she will score ten goals in her first game. But like most preschoolers, Betty Bunny's ideas are not exactly in line with reality. When she fails to score a single goal, she decides that "soccer is yucky" and stuffs her uniform in the trash. Now it's up to her family to help Betty Bunny see the value of not giving up when things get hard. In a story about hard work and achieving your goals, Betty Bunny learns that with practice, she can do anything. But in Betty Bunny's world, this lesson has surprising results.

Who's Afraid of the Big, Bad Bunny?

Four very hungry bunnies have run out of carrots! One by one they hop off to the vegetable patch. But someone is lying in wait. Someone BIG... and BAD! A fabulous, funny story about a big, bad bunny, and how to stop bullies like him!

Betty Bunny Is Very Busy

Join Betty Bunny and her family for all kinds of fun in this new sticker activity book. Readers will love spotting the differences, making their way through mazes, creating doodles, finishing sticker puzzles, and much more in this fun book, A must-have for all Betty Bunny fans!

Betty Bunny Loves Easter

Nobunny does an Easter egg hunt quite like Betty Bunny! For fans of Ladybug Girl and Fancy Nancy, check out the loveable handful from the creator of Disney's T.V. series *Dog with a Blog*. Yes, Betty Bunny loves Easter. She loves it so much that she just knows when she grows up, she will be the Easter Bunny. So it comes as quite a shock when she learns that her brothers and sister have been helping her in the egg hunt every year. Determined to find eggs on her own, this time, Betty Bunny also finds out a thing or two about the satisfaction of accomplishment. Going it alone, Betty Bunny strikes again in the latest in her series, a funny Easter tale of independence.

Left Fur Dead

On Fur Bridge Farm, Jules cares for rescued rabbits. But when a killer strikes, she'll need a rabbit to rescue her . . . Juliette "Jules" Bridge prides herself on the tender rehabilitation she provides for injured or abused rabbits on her New Hampshire rescue farm, but she has a very special relationship with one bunny in particular. Bun is a black-and-white rabbit who happens to have the ability to communicate through mental telepathy. Once she got over the shock, Jules found her furry friend had a lot to say. One frigid March morning on their walk together, Bun spots a body. The police identify the frozen stiff as Arthur Freeman, aka Arty the Mime. Jules and Arty knew each other on the children's party circuit, where he'd perform magic tricks and she had an educational rabbit petting pen. With Bun egging her on, Jules decides it's time they hop to it and put their heads together to discover who silenced the mime. But their investigation leads them down a rabbit hole of more suspects and lies, while a killer sets a trap for them . . .

Dear Bunny

A family of mice tries to unite Tino and Teeny, two love-struck but shy bunnies, after inadvertently destroying their love letters to make a nest.

The Children Who Loved Books

The beloved webcomic collected in its entirety for the first time in a beautiful deluxe edition! Author Alec Robbins is deeply in love with his wife, 1930s cartoon superstar Betty Boop. And wouldn't you know it, she loves him back! It's the perfect marriage, and nothing will ever go wrong. They'll be happy together forever and nothing will ever come between them--not other famous cartoon characters, not intellectual property law, and certainly not Alec's own towering insecurities. Basically, they're just both really happy together and everything's good and nice and that's the end of it. No more questions. Don't even bother reading this comic. Absurdist humor, a middle finger to corporate IP, and a sweetly romantic heart blend together into one of the most inventive comics of the Twitter age.

The Problem with Problems

How do you give your granny a hug when she lives far away? Send it through the mail, of course! This sweet story makes a perfect gift for Mother's Day for the granny in your life, whether she lives close or far! Owen's hug travels across the country in a series of hilarious, sometimes awkward, always heartfelt embraces between animals of different shapes and sizes. Valeri Gorbachev's adorable artwork pairs beautifully with Sandra Horning's charming text, and makes for a fun, funny, and educational read-aloud. An unexpected twist at the end will delight readers and have kids asking for this book again and again.

Mr. Boop

Six parables, a few to get you to think, a few to be inspirational for you.

The Giant Hug

Betty Bunny REALLY doesn't want carrots for dinner. And she'll say and do ANYTHING to get rid of carrots forever! Watch as Betty goes through all the stages of being HANGRY in this hilarious (and very relatable) book by David Campbell.

Quick Like Bunny Smart Like Jackass

The acclaimed author of "When Kambia Elaine Flew in from Neptune" now delivers the story of one girl's excruciating struggle to beat the odds. Williams imbues this narrative with an unshakable sense of hope that transcends China's bleak reality.

Stupid Carrots

In spare, poignant, direct prose, *I Hate Everyone* paints a nuanced and honest portrait of the complex emotional lives of children. "I hate everyone." In your worst mood, it's a phrase you might want to shout out loud, even if, deep down, you don't really mean it. Set at a birthday party, this disgruntled, first-person story portrays the confusing feelings that sometimes make it impossible to be nice, even-or especially-when everyone else is in a partying mode. A gorgeous, poetic contemplation, sure to elicit a reaction from readers. A worthy successor to *Alexander and the Terrible, Horrible, No Good, Very Bad Day*.

Broken China

Bruce and Betty were going camping. Bailey had to stay home. "You're too little," said his brother. "You can go in a few years," said his sister. But Bailey didn't want to wait. And, with the help of Mama and Papa, Bailey went camping right where he was!

I Hate Everyone

I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better! Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager' is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in) - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice

columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

Bailey Goes Camping

He seemed to be everywhere It amazed Lucy how regularly Mr. der Linssen, the handsome Dutch doctor who taught one of her nursing classes, kept turning up in her life. She would bump into him at the hospital, at her home and even in Holland when she went on vacation. If only he knew she existed! But that wasn't likely, Lucy thought, since far prettier girls were obviously his for the asking....

Ask a Manager

Mills & Boon presents the complete Betty Neels collection. Timeless tales of heart-warming romance by one of the world's best-loved romance authors. What was the use of wanting?

Ring in a Teacup

Lars, the little polar bear who lives at the North Pole, is off on a new adventure. This time he's been accidentally scooped up in a gigantic fishnet and is heading into port aboard a ship. How will he ever get home? Luckily, Lars isn't the only four-footed creature on board. Nemo, the ship's cat, comes up with a plan to get Lars home that just might work. Lars, the little polar bear who lives at the North Pole, is off on a new adventure. This time he's been accidentally scooped up in a gigantic fishnet and is heading into port aboard a ship. How will he ever get home? Luckily, Lars isn't the only four-footed creature on board. Nemo, the ship's cat, comes up with a plan to get Lars home that just might work. AUTHOR: Hans de Beer was born in Muiden, a small town near Amsterdam, in the Netherlands. He studied illustration at the Rietveld Academy of Art in Amsterdam. Colour

Wish with the Candles (Betty Neels Collection, Book 11)

Jack, the Little Bunny, doesn't like being called that and he doesn't think being the smallest rabbit is much fun, either. Why can't he be a normal rabbit with a normal name just like everyone else?

Ahoy There, Little Polar Bear

"A work of real comic genius. . . . A wonderful, funny, warm, honest book, and, to use a much overused word, a classic." —Michael Korda, author of *Country Matters* When Betty MacDonald married a marine and moved to a small chicken farm on the Olympic Peninsula in Washington State, she was largely unprepared for the rigors of life in the wild. With no running water, no electricity, a house in need of constant repair, and days that ran from four in the morning to nine at night, the MacDonalds had barely a moment to put their feet up and relax. And then came the children. Yet through every trial and pitfall—through chaos and catastrophe—this indomitable family somehow, mercifully, never lost its sense of humor. A beloved literary treasure for more than half a century, Betty MacDonald's *The Egg and I* is a heartwarming and uproarious account of adventure and survival on an American frontier.

Don't Call Me Little Bunny

New York Times bestselling adult novelist Adriana Trigiani and beloved illustrator Amy June Bates team up for a heartwarming picture book about how a family comes together to celebrate Valentine's Day. Mia Valentina Amore loves valentines. After all, her name means My Valentine. When she wakes up on Valentine's Day, it looks like just another morning in the rickety old Amore house in the Blue Ridge mountains of Appalachia. But over the course of the day, her home is transformed into the House of Love. Mia and her mama festoon the halls, build a gumdrop tree, bake cupcakes, and most importantly, make valentines for all six of her siblings. But when Mia doesn't receive her own valentine, she wonders if Mama could have forgotten her. New York Times bestselling novelist and filmmaker Adriana Trigiani has crafted a tender mother-daughter story that celebrates Valentine's Day or any day that brings family together. And acclaimed illustrator Amy June Bates brings warmth and coziness to a story that affirms it doesn't matter where you come from as long as that place is full of love.

The Egg & I

Tell your dad how much you love him in this sweet and fun book with the characters from Mr. Men Little Miss, perfect for Father's Day! From reading you books in silly voices to carrying you when you're tired, dads are Funny, Happy, Strong, and Cool--lots of the Mr. Men rolled into one! This book featuring the Mr. Men characters will help you show your dad just how special he is to you. The perfect book for Father's Day, a new dad, a father's birthday--or for anytime you want to say I love you. Readers can also add their own words about their dads at the end of the book to make it a special, personalized gift.

The House of Love

Mills & Boon presents the complete Betty Neels collection. Timeless tales of heart-warming romance by one of the world's best-loved romance authors.

My Dad and Me

More than anything, William wants a doll. "Don't be a creep," says his brother. "Sissy, sissy," chants the boy next door. Then one day someone really understands William's wish, and makes it easy for others to understand, too.

Cobweb Morning (Betty Neels Collection, Book 28)

The Hare family—Papa, Mama, and Little Baby Hare—are enjoying a peaceful day in their rabbit hole until they hear a big THUMP outside their door. The thump is Goldilocks herself, who has fallen down the rabbit hole after being chased by the Three Bears. (I think you know why those bears were chasing her.) The Hare family is happy to help the girl, who has hurt her foot. But as you might imagine, Goldie is not a very good houseguest. She is tough to please, since every chair is too hard, too soft, or otherwise not just right. (If you were the Hares, you might agree that Goldilocks is loud, obnoxious, and demanding.) But when Goldie is finally comfy-cozy in the Hares' rabbit hole, how are they ever going to get her to leave? Margie Palatini and Jack E. Davis bring a hilarious, just-right twist to the nursery classic.

William's Doll

A child's simple lie grows to enormous proportions.

Goldie and the Three Hares

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "*I Know Why the Caged Bird Sings* liberates the reader into

life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin

A Big Fat Enormous Lie

“Much like Donna Tartt’s *The Secret History*, M. L. Rio’s sparkling debut is a richly layered story of love, friendship, and obsession...will keep you riveted through its final, electrifying moments.” —Cynthia D’Aprix Sweeney, *New York Times* bestselling author of *The Nest* “Nerdily (and winningly) in love with Shakespeare...Readable, smart.” —*New York Times Book Review* On the day *Oliver Marks* is released from jail, the man who put him there is waiting at the door. Detective Colborne wants to know the truth, and after ten years, Oliver is finally ready to tell it. A decade ago: Oliver is one of seven young Shakespearean actors at Dellecher Classical Conservatory, a place of keen ambition and fierce competition. In this secluded world of firelight and leather-bound books, Oliver and his friends play the same roles onstage and off: hero, villain, tyrant, temptress, ingénue, extras. But in their fourth and final year, good-natured rivalries turn ugly, and on opening night real violence invades the students’ world of make-believe. In the morning, the fourth-years find themselves facing their very own tragedy, and their greatest acting challenge yet: convincing the police, each other, and themselves that they are innocent. If *We Were Villains* was named one of *Bustle’s* Best Thriller Novels of the Year, and *Mystery Scene* says, “A well-written and gripping ode to the stage...A fascinating, unorthodox take on rivalry, friendship, and truth.”

I Know Why the Caged Bird Sings

A *New York Times* bestselling author and the #1 *New York Times* bestselling illustrator of *The Good Egg* deliver a perfectly timed, funny read-aloud about the importance of telling the truth. There once was a fact who could not lie. But no one believed him. When the Authorities lock the sad little fact away, along with other facts, the world goes dark. But facts are stubborn things. With the help of a few skillful fact finders, they make a daring escape and bring truth back to brighten the world. Because after all, “a fact is a fact” and that’s that! Truth be told, this spare, ingenious story reads like a modern-day parable. Bestselling author, Jonah Winter, and the #1 *New York Times* bestselling illustrator of *The Good Egg*, Pete Oswald, pair together to remind us of the importance of honesty and truth during a time of lies and fake news.

If We Were Villains

A little girl pictures the things her parents talk about, such as a chocolate moose, a gorilla war, and shoe trees.

The Sad Little Fact

A compilation of 365 free-motion quilting designs from the Free Motion Quilting Project blog, this new edition of a wildly popular book contains a treasury of ideas and inspiration. High-quality photos of each meticulously stitched design - Largest collection of free-motion designs ever published

Morris's Disappearing Bag

A Chocolate Moose for Dinner

The Traveling Tea Ladies

Brew your favorite pot of tea, tuck the kiddies into bed, and prepare to stay up all night with this nail biter. *The Traveling Tea Ladies - DEATH IN DALLAS* is a fun non-stop read where “Charlie’s Angels Meet Steel Magnolias.” Readers will love this tale of strong tea, strong friendships, and strong southern women steeped in mystery. Set in Dogwood Cove, a picturesque small town in Northeast Tennessee, the action begins at “The Pink Dogwood Tea Room” also known as “The Pink Lady.” The gorgeous Victorian, owned by Amelia and Shane Spencer, is the coziest meeting place in town. Amelia

is surrounded by a supportive group of friends including Cassandra Reynolds, CEO of Reynolds's Candies and always on the front row at "Fashion Week"; Sarah McCaffrey, the free-spirited sometimes costumed local librarian; and Olivia Rivers, the brash and sassy owner of Riverbend Ranch. Together with Amelia, they are known as "The Traveling Tea Ladies." Fun and mystery surrounds them wherever their tea travels take them. Cozy mystery fans sit back and enjoy the first book in a new series sure to enchant readers everywhere!

The Traveling Tea Ladies Death in Dallas

Cozy mystery fans sit back and enjoy the revised first installment in The Traveling Tea Ladies Series. Strong women, strong southern friendships and strong tea are steeped in this mystery best described as "Charlie's Angels Meet Steel Magnolias." Tea room owner, Amelia Spencer, and her three friends are known about their small town of Dogwood Cove, Tennessee as "The Traveling Tea Ladies." Everywhere their tea travels take this foursome, murder and mayhem seem to follow. The cast of this tea murder mystery series also includes Cassandra Reynolds, third generation owner of Reynolds's Chocolates and best-dressed diva; Olivia Rivers, the brash and sassy owner of Riverbend Ranch; and Sarah McCaffrey, the free-spirited local librarian. This time the ladies are traveling to Dallas for Amelia's twenty year class reunion. When her former college roommate, Emmy Award winning soap opera star Katherine Gold, is murdered in front of a stadium full of fans, Amelia finds herself at the top of a short list of suspects. It's up to The Traveling Tea Ladies to solve the crime and put Amelia's horrific history with Katherine behind her.

The Traveling Tea Ladies Death in the Low Country

The Traveling Tea Ladies Death in the Low Country Cozy mystery fans sit back and enjoy the third installment in The Traveling Tea Ladies Series. Strong women, strong southern friendships and strong tea are steeped in this mystery best described as "Charlie's Angels Meet Steel Magnolias." O'Hara weaves her combination of mystery, suspense, and fun to take us to the Savannah Fancy Foods Show where former tea room owner, Amelia Spencer, will be participating for the coveted blue ribbon award for best recipe. Her secret ingredient? Tea, of course! Amelia and her three friends, known as The Traveling Tea Ladies, are soon confronted with an overbearing vendor, Dolly Jean, who insists she is the next Paula Deen. Dolly proves she will go to any lengths to win the blue ribbon even if she has to lie, steal, cheat and sleep her way to the top including sabotaging Amelia's cooking demonstration. When Dolly ends up murdered by her own low country recipe, the ladies know they've got to take action and find the killer or they may be the next target!

The Traveling Tea Ladies

Includes instructions on how to make the perfect pot of tea, and recipes of the desserts and other dishes featured in the novel.

The Traveling Tea Ladies Death in Dixie

Cozy mystery fans sit back and enjoy the second installment in The Traveling Tea Ladies series. Strong women, strong southern friendships and strong tea are steeped in this mystery best described as "Charlie's Angels Meets Steel Magnolias." O'Hara-Salyers deftly uses her storytelling craft to bring us to the National Story Telling Festival in Jonesborough, Tennessee along with Amelia, Cassandra, Sarah, and Olivia better known about town as "The Traveling Tea Ladies," because everywhere their tea travels take them, murder and mayhem seem to follow. The ladies are in town to rush to the aid of their friend Lucy Lyle, owner of Lyla's Tea Room. What starts out as cut-throat business practices that could put their friend Lucy out of business during the Story Telling Festival, quickly spirals downward into murder with all signs pointing to Lucy as the culprit. Sarah plays a pivotal role in solving this mystery as she applies her library research skills to local ghost stories of Jonesborough sending shivers down readers' backs. So hop on board this wild ride with The Traveling Tea Ladies-Death In Dixie. But be careful not to spill your tea!

The Decline of the Tea Lady

Uses humorous anecdotes to investigate the art of management.

Ida Mae Tutweiler and the Traveling Tea Party

Woven through the tapestry of a lifelong friendship is the story of quiet, reserved Ida Mae Tutweiler and flamboyant daytime TV star Jane Tetley. This book is about life, death, hope and the comfort found in nice hot cup of tea. Includes section of recipes for teatime.

A Texas Bluebonnet

Christened Claudia Alta Taylor when she was born in a country mansion near Karnack, Texas, she received her nickname "Lady Bird" as a small child; and as Lady Bird she is known and loved throughout America today. Perhaps that name was prophetic, as there has seldom been a First Lady so attuned to nature and the importance of conserving the environment. "Bird" was President Lyndon Johnson's partner, confidante, and helpmate. She helped to keep his Congressional office open during World War II when he volunteered for naval service; and in 1955, when he had a severe heart attack, she helped his staff to keep things running smoothly until he could return to his post as Majority Leader of the Senate. He once remarked that voters "would happily have elected her over me". She created a First Lady's Committee for a More Beautiful Capital, then expanded her program to include the entire nation. She took a highly active part in her husband's war-on-poverty program, especially the Head Start project for pre-school children. This book traces Lady Bird's life in a lively, informative and entertaining manner.

Wicked Success Is Inside Every Woman

We're all just one step away from achieving what we want and getting what we deserve out of life. To seize control of her own life and career, Vickie Milazzo, internationally known women's mentor, New York Times bestselling author, Inc. Top 10 Entrepreneur and self-made millionaire, was willing to take a whacking from a Buddhist monk, jump out of an airplane and step out of a comfortable job into the unknown. In *Wicked Success Is Inside Every Woman*, Vickie shares every success secret she used to grow her career into a \$16-million business. Vickie shows you how to get real about achieving wicked success. Not witches and flying broomsticks wicked—but exaggerated wicked. Reading this book, you'll feel like you're sitting with a good friend who inspires you, encourages you and pushes you to think in a more exaggerated and uncommon way. This is a buck-up book with a buck-up plan for any woman ready to take back control of her life and career and unleash the wicked success inside every woman.

The Travel Book

The definitive pictorial dedicated to travel and the world, *The Travel Book* combines stunning images with entertaining, informative text. Features user-friendly A-to-Z coverage, with double-page spreads, of every country in the world.

Sweet Tea (Revised Edition)

Sweet Tea

Secrets in Death

A new novel in the #1 New York Times bestselling series: Lt. Eve Dallas must separate rumors from reality when a woman who traffics in other people's secrets is silenced. The chic Manhattan nightspot Du Vin is not the kind of place Eve Dallas would usually patronize, and it's not the kind of bar where a lot of blood gets spilled. But that's exactly what happens one cold February evening. The mortally wounded woman is Larinda Mars, a self-described "social information reporter," or as most people would call it, a professional gossip. As it turns out, she was keeping the most shocking stories quiet, for profitable use in her side business as a blackmailer. Setting her sights on rich, prominent marks, she'd find out what they most wanted to keep hidden and then bleed them dry. Now someone's done the same to her, literally—with a knife to the brachial artery. Eve didn't like Larinda Mars. But she likes murder even less. To find justice for this victim, she'll have to plunge into the dirty little secrets of all the people Larinda Mars victimized herself. But along the way, she may be exposed to some information she really didn't want to know...

The Encyclopedia of Film

An alphabetical reference on the major film figures (stars, producers, directors, writers, et al.), past and present. Each entry provides a substantial career biography and a complete listing of all films the individual has been involved with. Annotation copyrighted by Book News, Inc., Portland, OR

Sweet Tea

Giving voice to a population too rarely acknowledged, Sweet Tea collects more than sixty life stories from black gay men who were born, raised, and continue to live in the South. E. Patrick Johnson challenges stereotypes of the South as "backward" or "repressive" and offers a window into the ways black gay men negotiate their identities, build community, maintain friendship networks, and find sexual and life partners--often in spaces and activities that appear to be antigay. Ultimately, Sweet Tea validates the lives of these black gay men and reinforces the role of storytelling in both African American and southern cultures.

Obsession in Death

A crisp winter morning in New York. In a luxury apartment, the body of a woman lies stretched out on a huge bed. On the wall above, the killer has left a message in bold black ink: FOR LIEUTENANT EVE DALLAS, WITH GREAT ADMIRATION AND UNDERSTANDING. Eve Dallas is used to unwanted attention. Famous for her high-profile cases and her marriage to billionaire businessman Roarke, she has learned to deal with intense public scrutiny and media gossip. But now Eve has become the object of a singular and deadly obsession. She has an 'admirer', who just can't stop thinking about her. Who is convinced they have a special bond. Who is planning to kill for her - again and again... With time against her, Eve is forced to play a delicate - and dangerous - psychological dance. Because the killer is desperate for something Eve can never provide - approval. And once that becomes clear, Eve knows her own life will be at risk - along with those she cares about the most.

Billboard

Noting how Jackie's celebrity and devotion to privacy have for years precluded a more serious treatment, Perry's story illuminates Kennedy's immeasurable impact on the institution of the first lady. Perry illustrates the complexities of Jacqueline Bouvier's marriage to John F. Kennedy, and shows how she transformed herself from a reluctant political wife to an effective, confident presidential partner. Perry is especially illuminating in tracing the first lady's mastery of political symbolism and imagery, along with her use of television and state entertainment to disseminate her work to a global audience.

Comfort

Laine Tavish is an ordinary woman living an ordinary life in the small town of Angel's Gap, Maryland, as the proprietor of Remember When, an antique treasures and gift shop. At least, that's what everyone in Angel's Gap thinks. They have no idea that she used to be Elaine O'Hara, daughter of the notorious con man Big Jack O'Hara. Or that she grew up moving from place to place, one step ahead of the law. Laine's past has just caught up with her, though - in a very dramatic way. Her long-lost uncle suddenly turned up in her shop, leaving only a cryptic warning before dying in the street, run down by a car. Soon afterward, her home is ransacked. Now it's up to Laine, and a sexy stranger named Max Gannon, to find out who's chasing her, and why. The answer lies in a hidden fortune - a fortune that will change not only Laine's life but also the lives of future generations. And danger and death will surround that fortune for years to come. Until New York City Detective Lieutenant Eve Dallas gets on the case. A thrill-ride of a novel that blends present-day romance and futuristic suspense.

Texas Monthly

Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub www.weeklyworld-news.com is a leading entertainment news site.

Once a Week

New York, 2061. Darlene Fitzwilliams - a young heiress - kills her brother then jumps from a tall building. All the evidence suggests a tragic but familiar murder/suicide case for Lieutenant Eve Dallas. But when Eve discovers that Darlene has been visiting psychics and spiritual healers, things take a dark and unsettling turn. Someone has been meddling with Darlene Fitzwilliams' subconscious - someone with a gift for hypnosis and a disturbing obsession with Lewis Carroll's Alice in Wonderland. With husband Roarke and partner Peabody at her side, Eve finds herself falling down the rabbit hole into one of the strangest investigations of her career. One that threatens not just her body, but her mind... Set between Devoted in Death and Brotherhood in Death.

The Independent

"The Secret History meets Jennifer's Body. This brilliant, sharp, weird book skewers the heightened rhetoric of obsessive female friendship in a way I don't think I've ever seen before. I loved it and I couldn't put it down." - Kristen Roupenian, author of You Know You Want This: "Cat Person" and Other Stories The Vegetarian meets Heathers in this darkly funny, seductively strange novel about a lonely graduate student drawn into a clique of rich girls who seem to move and speak as one. "We were just these innocent girls in the night trying to make something beautiful. We nearly died. We very nearly did, didn't we?" Samantha Heather Mackey couldn't be more different from the other members of her master's program at New England's elite Warren University. A self-conscious scholarship student who prefers the company of her imagination to that of most people, she is utterly repelled by the rest of her fiction writing cohort--a clique of unbearably twee rich girls who call each other "Bunny," and are often found entangled in a group hug so tight it seems their bodies might become permanently fused. But everything changes when Samantha receives an invitation to the Bunnies' exclusive monthly "Smut Salon," and finds herself drawn as if by magic to their front door--ditching her only friend, Ava, an audacious art school dropout, in the process. As Samantha plunges deeper and deeper into

Bunny world, and starts to take part in the off-campus "Workshop" where they devise their monstrous creations, the edges of reality begin to blur, and her friendships with Ava and the Bunnies are brought into deadly collision. A spellbinding, down-the-rabbit-hole tale about loneliness and belonging, creativity and agency, and female friendship and desire, Bunny is the dazzlingly original second book from an author with tremendous "insight into the often-baffling complexities of being a woman" (The Atlantic).

The Goosehill Gang and the Disappearing Dues

The Goosehill Gang suspect the new boy when their club dues disappear, but when they go to his house to confront him they see something sobering.

Catalog of Copyright Entries. Third Series

A critical survey of over 150 years of Texas women writers, including fiction and nonfiction authors, poets, and dramatists.

Texas Women Writers

Four friends look for a cake thief and a way to help a lonely old lady feel useful.

The Goosehill Gang and the Chocolate Cake Caper

The Goosehill gang focuses its attention on such community projects as helping an elderly citizen in danger of losing his home.

The Publishers Weekly

Using CB radios, the Goosehill Gang uncovers a ring of bicycle thieves in their neighborhood.

The Goosehill Gang and the Pocket Park Problem

The Goosehill Gang helps find a job for a recently paroled convict.

The Goosehill Gang and the C. B. Convoy Caper

In solving the mystery of the runaway house, the Goosehill gang start a project that benefits the children of their neighborhood.

The Goosehill Gang and the Shadow on the Shade

Includes entries for maps and atlases.

The Goosehill Gang and the Mystery of the Runaway House

The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim (the name of the copyright claimant as given in the application for registration, the copyright date, the copyright registration number, etc.).

Writers Directory

Series covers individuals ranging from established award winners to authors and illustrators who are just beginning their careers. Entries cover: personal life, career, writings and works in progress, adaptations, additional sources, and photographs.

Children's Books in Print

This work is the only comprehensive guide to sequels in English, with over 84,000 works by 12,500 authors in 17,000 sequences.

Children's Books In Print 1979-1980

A major phase of economic expansion occurred in southern England during the second and early first millennium BC, accompanied by a fundamental shift in regional power and wealth towards the eastern lowlands. This book offers a synthesis of available data on Bronze Age lowland field systems in England, including a gazetteer of sites. The research demonstrates the importance of large-scale animal husbandry in the mixed farming regimes as evidenced in the design of the field systems which incorporate droveways, stock proof fencing, watering holes, cow pens, sheep races and gateways for stockhandling. It is argued that the field systems represented a form of conspicuous production, an "intensification" of agrarian endeavour or a statement of intent, to be understood in relation to the maintenance, display and promotion of hierarchical social systems involved in exchange with their counterparts across the English Channel.
