The Bear

From National Book Award in Fiction finalist Andrew Krivak comes a gorgeous fable of Earth's last two human inhabitants, and a girl's journey home In an Edenic future, a girl and her father live close to the land in the shadow of a lone mountain. They possess a few remnants of civilization: some books, a pane of glass, a set of flint and steel, a comb. The father teaches the girl how to fish and hunt, the secrets of the seasons and the stars. He is preparing her for an adulthood in harmony with nature, for they are the last of humankind. But when the girl finds herself alone in an unknown landscape, it is a bear that will lead her back home through a vast wilderness that offers the greatest lessons of all, if she can only learn to listen. A cautionary tale of human fragility, of love and loss, *The Bear* is a stunning tribute to the beauty of nature's dominion. Andrew Krivak is the author of two previous novels: *The Signal Flame*, a Chautauqua Prize finalist, and *The Sojourn*, a National Book Award finalist and winner of both the Chautauqua Prize and Dayton Literary Peace Prize. He lives with his wife and three children in Somerville, Massachusetts, and Jaffrey, New Hampshire, in the shadow of Mount Monadnock, which inspired much of the landscape in *The Bear*.

The Bear

One night a great big, white polar comes to stay with Tilly. The bear's got black hooked claws and huge yellow teeth; but his white furry coat is warm and soft and Tilly decides he's the cuddliest thing in the whole world. Tilly soon finds out that a big bear can cause big problems - he takes a LOT of looking after! But when she describes the bear's latest antics to her parents they think he's a figment of her imagination - but is he? From the creator of *The Snowman*, *Father Christmas* and *Fungus the Bogeyman* - now a live theatre show!

It's the Bear!

Eddie and his mom go into the woods for a picnic and meet a very large, very hungry bear. On board pages.

The Bear Book

The Bear Book brings together an impressive range of bear--usually big, hairy men who favor full-face beards and prefer to wear jeans and flannel shirts--viewpoints to explore this unique social and cultural phenomenon that stretches from America to western Europe to Australia! On the personal level, you learn what beardom means to different people in their daily lives, and on a broader level, its cultural implications for not only the gay community, but also society as a whole. As this book moves across the wide spectrum of bear identities, you learn about the defining forces of identity, the significance of differences among masculinities, and the shapings of the bear movement from different viewpoints. The Bear Book is the first compilation of sociological and cultural analytical investigations of the contemporary gay bear phenomenon. To this end, Editor Les Wright brings together both objective and subjective viewpoints to create a forum where bears can speak for themselves. Through their voices, you'll learn about: bears and sexual identity gay male iconography socializing on the Internet sexual politics (gender, class, "looks-ism," and body image) gay mass media, the single most powerful force in the current construction of "bears" bears, power, and glamor bear-as-image vs. bear-as-attitude Gays, lesbians, lesbian scholars, bears, and social scientists are sure to find The Bear Book thought-provoking and insightful as it broaches questions such as: Are bears caught up in a utopian-romantic impulse to reinvent themselves? What was radical lesbianism's impact on the bear movement? To what extent are bears only another group of exploited consumers in a fragmented market system? And, is it possible to establish social liberation through enslavement to your sexual passions? For both your pleasure and your education, The Bear Book examines nearly every corner of beardom, including bear history, identity, social spaces, iconography, and its constituency abroad.

The Bear Book

Otto is a Book Bear and nothing makes him happier than when people read his book. But he also has a very special secret - when no one is looking he can come to life and explore the house. But one day something terrible happens: Otto's book is left behind when the family moves away, and now there is no one to read Otto! Otto must set off on his biggest adventure yet - to find a new home. But where is the best place for a Book Bear to live?

Otto the Book Bear

Bedtime isn't bedtime without a bear--and Tom's bear is on his way! Follow bear on his adventures as he finds his way back to Tom, from cycling through the jungle with a tiger to hitching a lift with a sheep on a jeep. This fun board book features witty rhymes and silly scenarios, as well as a flap to lift on every page.

The Bedtime Bear

When I get up, there's nobody home. Even Mum has gone out. The note says, 'I have to check my emails. I'll snowmobile to the meltline and be back soon. XX Mummy'. And I think, 'Good. I can feed my bear...' Darcy's life was never exactly simple, but it was about to become a lot more complicated. Recovering from a distressing illness in her parents' cabin surrounded by looming pine trees, Darcy spends most of her days alone, warming herself by the log fire. That is, until she ventures into the woods hours before a heavy snowstorm, and finds herself face-to-face with a grizzly bear. Their encounter takes a surprising turn when it flourishes into a warm and caring companionship. Set against the beautiful backdrop of the snowy Yellowstone National Park in Montana, Mimi Thebo's poetic tale inspires compassion and friendship, sensitively focusing on how the seemingly impossible can become the achievable.

This is the Bear

This best-selling tale of exploration and belonging, which won the Waterstones Childrens Book Prize 2016, Illustrated Book Category, is now available in board book.

Dreaming the Bear

Charts the evolution of teddy bears, from the first Steiff bear to the modern Merrythought bear. An in-depth catalogue section, organized chronologically by description, and a quick-reference fact panel annotation are included. Teddy bear anatomy, clothes and accessories are displayed for every breed and generation of bear. This book also includes features of well-known personality bears, such as Winnie-the-Pooh and Paddington and includes tips on starting your own collection of teddy bears, caring for bears, and taking part in bear-related activities. Pauline Cockrill is Exhibitions Officer at The Bethnal Green Museum of Childhood.

The Bear and the Piano

You mustn't tickle the bear, or it might growl at you... but it's hard to resist that fluffy touchy-feely patch! This hilarious book has four touchy-feely patches which make a sound when you press them (bear, eagle, moose and wolf), along with holes in the pages and a musical finale.

The Ultimate Teddy Bear Book

Despite the criticism of others, a bear finds the perfect gift for his mouse friend.

Don't Tickle the Bear!

From Number One bestselling picture book duo, David Walliams and Tony Ross, comes this bear-iliantly funny adventure for children of 3 and up. At the top of the world, surrounded by snow and ice, lives a very cheeky polar bear cub who loves to goâ€¦ BOO! But this little bear cub doesnâ€™t always know when to stopâ€¦ Presenting a mischievous new picture book packed with snow and surprises, from two standout talents!

This is the Bear

Join Marley Bear for a fun and interactive mini-adventure at the farm. Meet the animals and learn about the noises they make, touch a sheep's fluffy fur, and make funny faces in a mirror. And when you lift the flaps, you'll discover who's joining Marley on a hayride, who's hiding behind a haystack, who's playing with the pigs, and other surprises.

Thank You Bear

Eddy and the bear are an appealing duo - a little boy and a very silly bear who, together, have all sorts of funny adventures. These colourful stickers are based on the television series.

The Bear Who Went Boo!

The movie The Bear was inspired by this exciting story (originally titled The Grizzly King). Thor, a mighty grizzly, and Muskwa, a motherless bear cub, become companions in the Canadian wilderness. Selected by Reader's Digest, the Scholastic Book Club, the Boy's Club of America, and the National Wildlife Federation.

A book about Marley Bear at the farm

A book-loving bear sets off to see the world and discovers the magical places that books can take her.

Eddy and the Bear

"A gently absorbing tale which smoothly splices poignant family drama with suspenseful Cold War thriller," from the author of Hunting Unicorns. (Daily Mail). In 1980 Germany, under Cold War tension, a mole is suspected in the British Embassy. When the diplomat Nicky Fleming dies—suddenly and suspiciously—some find it convenient to brand him the traitor. As the government digs into Nicky's history, his wife Letty hopes to salvage their family by taking their three children to live on an island in Scotland's Outer Hebrides. But the isolated shores of her childhood retreat only intensify their distance, and it is Letty's youngest child, Jamie, who alone holds on to the one thing he's sure of: his father promised to return. And he was a man who never broke a promise. Named an O Magazine Summer Reading Pick and a selection for NPR's "Books with Personality," The Summer of the Bear reads like "García Márquez meets Le Carré meets A.A. Milne at times, with hints of William Golding at others" (Kirkus Reviews, starred review).

The Bear

Longlisted for the Women's Fiction Prize Mummy never yells. Mostly not ever. Except sometimes. Anna is five. Her little brother, Stick, is almost three. They are camping with their parents in Algonquin Park, in three thousand square miles of wilderness. It's the perfect family trip. But then Anna awakes in the night to the sound of something moving in the shadows. Her father is terrified. Her mother is screaming. Then, silence. Alone in the woods, it is Anna who has to look after Stick, battling hunger and the elements to stay alive. Narrated by Anna, this is white-knuckle storytelling that captures the fear, wonder and bewilderment of our worst nightmares - and the power of one girl's enduring love for her family.

The Bear Book

When Castor, a beaver, uses Rabbit and Bear's favorite trees to build a dam that will flood their valley, they help him see that there is more to life than progress.

The Bear and Her Book

Krivak pens a stunning debut novel of brutality and survival on the Southern Front of World War I.

The Summer of the Bear

_____ Beware the evil in the woods... In a village at the edge of the wilderness of northern Russia, where the winds blow cold and the snow falls many months of the year, an elderly servant tells stories of sorcery, folklore and the Winter King to the children of the family, tales of old magic frowned upon by the church. But for the young, wild Vasya these are far more than just stories. She alone can see the house spirits that guard her home, and sense the growing forces of dark magic in the woods. . . Atmospheric and enchanting, with an engrossing adventure at its core, *The Bear and the Nightingale* is perfect for readers of Naomi Novik's *Uprooted*, Erin Morgenstern's *The Night Circus*, and Philip Pullman's *His Dark Materials*. _____ Now with over 100 5* reviews, readers are spellbound by this magical story: 'This book stayed with me, I didn't want it to end' 'A beautifully written story' 'An entrancing story, which swept me up from the very first chapter' 'Full of magic' _____ Make sure you've read all the books in the acclaimed *Winternight Trilogy* 1. *The Bear and the Nightingale* 2. *The Girl in the Tower* 3. *The Winter of the Witch*

The Bear

Little Beaver's search for a friend he thinks he hears across a pond is perfect for every child who's ever felt lonely."Children old enough to long for friends of their own will nestle right into this appealing story....Ideal for reading aloud at the beginning of the school year or during camp sessions, when there's a little bit of Little Beaver in every kid." -- "Booklist""Perfect for little ones at quiet-time or bedtime." -- "Publishers Weekly""Enchanting." -- "The New York Times Book Review"

Rabbit & Bear: A Bite In the Night

A saxophone-playing bear breaks out of a novelty act and starts a serious jazz career, which alternately lands him in jail, with a recording contract, and in love with a beautiful woman named Iris. A first novel. First serial, Musician.

The Sojourn

Have you ever gone on a bear hunt? Come along on this one with a brave young family -- four children (including the baby) and their father. They're not scared. With them you will cross a field of tall, wavy grass ("Swishy swashy"), wade through a deep, cold river ("Splash splosh"), struggle through swampy mud ("Squelch squerch"), find your way through a big, dark forest ("Stumble trip"), fight through a whirling snowstorm ("Hoooo woooo"), and enter a narrow, gloomy cave. WHAT'S THAT? You'll soon learn just what to do to escape from a big, furry bear With tremendous pace, humor, and verve, Michael Rosen has retold a favorite tractional story. The pictures by Helen Oxenbury, one of the most widely loved contemporary artists, are full of masterly characterizations, delightful comedy, and high drama, set in lovely sweeping landscapes. This is a book not to be missed, one to be chanted aloud and acted out, to be enjoyed over and over again. It is a picture book on the grand scale.

The Bear and The Nightingale

Little Bear is sad that Grandmother Bear has walked away for ever, as old bears do.

This is the Bear and the Scary Night

The final book in the award-winning, best-selling trilogy shows that while fame and fortune might be temporary, the best songs stay in your heart forever.

The Bear Comes Home

That's not my... polar bear book with matching plush toy, together in a decorative gift box. Meet five adorable polar bears with bumpy paws, a fluffy tummy and a squashy nose. Babies and toddlers will love exploring the touchy-feely patches, hunting for the little white mouse and cuddling the incredibly soft polar bear toy.

We're Going on a Bear Hunt

Isobell needs to escape. She has to. Her life depends on it. She has a plan and it's a well thought-out, well observed plan, to flee her privileged life in London and the cruel man who would marry her, and ruin her, and make a fresh start in Scotland. She dreams of faery castles, surrounded by ancient woodlands and misty lochs... and maybe even romance, in the dark and haunted eyes of a mysterious Laird. Despite the superstitious nature of the time and place, her dreams seem to be coming true, as she finds friendship and warmth, love and safety. And the chance for a new beginning... Until the past catches up with her. Set in the late sixteenth century, at the height of the Scottish witchcraft accusations, *The Mermaid and The Bear* is a story of triumph over evil, hope through adversity, faith in humankind and - above all - love.

Are You Sad, Little Bear?

Where the water churns with salmon, thick and rich with leaping fishes, there the brown bear stands and catches the wild king of the river. With stunning watercolour paintings, this lyrical picture book describes eight bears from all over the world, all shown in their wild habitats: Black Bear, Polar Bear, Sloth Bear, Spectacle Bear, Sunbear, Panda, Moonbear, Brown Bear. But which is the best bear of all? Your own teddy bear of course!

The Bear, the Piano and Little Bear's Concert

A delightful children's book "filled with surreal gags about prepositions and adverbs, cheerful absurdity, and down the rabbit hole-style musings" (School Library Journal). One day, a few minutes after *Once Upon a Time*, a bear awakes to find he has lost something very important: himself! He sets out into the Fabulous Forest to find himself, using only a few clues scrawled on a piece of paper: the bear he's looking for is a nice bear; he is a happy bear; and he's very handsome too! These sound like pretty good qualities to Bear, and so begins his memorable journey. With the help of critters like the Convenience Cow, the Lazy Lizard, the Turtle Taxi, and the Penultimate Penguin, Bear finds that he himself is just what he's been looking for all along: a nice, happy bear—and handsome too! "A melding of Phantom Tollbooth logic, Alice in Wonderland whimsy, and peppered with a cast of unforgettable Little Prince like characters . . . You can't help fall into the imaginative world of this delightfully clever picture book." —BookBloom "Irresistible." —O, The Oprah Magazine "Gentle wordplay and Lewis Carroll-like paradoxes . . . Everything is new to Bear, and his discoveries will delight readers." —Publishers Weekly (starred review) "Erlbruch's playful, distinctive illustrations . . . are sublime." —Kirkus Reviews "Young readers with a philosophical nature and an appreciation for provocative silliness will be especially gratified by Bear's self-discovery . . . The Fabulous Forest effectively evokes a fairy tale feel, and Bear, a portly fellow with huge eyes, a bright red mouth, and colorful flecks in his black fur, is loveable at first sight." —New York Journal of Books

That's Not My Polar Bear... Book and Toy

From the creators of *The Paper Dolls* comes *The Everywhere Bear* - a story about a small bear who goes on a BIG adventure! The Everywhere Bear has a home on a shelf, But he doesn't spend very much time by himself. For each boy and girl in the class is a friend, And he goes home with one of them every weekend. The Everywhere Bear has a wonderful time with the children in Grade 1, but one

day he gets more than he bargained for when he falls unnoticed from a backpack and embarks on his own big adventure! He gets washed down a drain and whooshed out to sea, rescued by a fishing boat and loaded onto a lorry, only to be carried off by a seagull! How will he ever make it back to his classroom? The Everywhere Bear is a warm and engaging story from Julia Donaldson and Rebecca Cobb, creators of The Paper Dolls, which has sold over 200,000 copies worldwide and was shortlisted for the CILIP Kate Greenway Medal.

The Mermaid and The Bear

This is the inspiring and charming true story of one of the Second World War's most unusual combatants - a 500-pound cigarettesmoking, beer-drinking brown bear. Originally adopted as a mascot by the Polish Army in Iran, Wojtek soon took on a more practical role, carrying heavy mortar rounds for the troops and going on to play his part as a fully enlisted 'soldier' with his own rank and number during the Italian campaign. After the war, Wojtek, along with some of his Polish compatriots from II Corps, came to Berwickshire, where he became a significant member of the local community before subsequently moving to Edinburgh Zoo. Wojtek's retirement was far from quiet: a potent symbol of freedom and solidarity for Poles around the world, he attracted a huge amount of media interest that shows no sign of abating almost 50 years after his death.

Something About a Bear

A collection of classic picture book bear stories.

The Bear Who Wasn't There

It was Spring Party Day, the best day of the year, So why were the animals trembling with fear? They'd heard growly noises and crept up to see . . . A huge bear asleep in the old hollow tree!

The Everywhere Bear

We're going on a bear hunt! Through the long wavy grass, the thick oozy mud and the swirling, whirling snowstorm - will we find a bear today? This title includes a CD of the story read by Doctor Who actress Sophie Aldred to listen to with the paperback picture book.

Soggy the Bear

Wojtek the Bear

Several concepts relating to resources ...

Welcome back to Social Studies class

There are two types of resources

Physical resources are tangible objects that we use to satisfy our needs and wants

Renewable resources are things that can be replaced, resupply, reinforced or replenished.

Use your paper to make a mode of transportation

The student would have used his/her knowledge of transportation to figure out exactly what to make

They would have also used skills to know how to make the type of transportation

today!

Intro

People in the supply country must have: . An adequate disposable income; • Knowledge of the destination; • Adequate information about travel and accommodation; • Easy access.

How does tourism contribute to the Commonwealth Caribbean economy? • Tourism is the main contributor to the economies of most Caribbean countries. • The industry earns foreign exchange and produces other revenues for governments. • Tourism provides employment directly, for workers in the industry, and indirectly, through associated industries such as agriculture and construction.

Continued..... Tourism can take land away from other uses, such as agriculture, and does not necessarily have strong links with other economic sectors. • Economic leakage of foreign exchange occurs when earnings go back out of the country, for example on importing food for tourists.

Continued... A number of organisations offer education and training in many aspects of work within the tourist industry Jobs and Careers in Tourism Industry

Tourism and the natural environment • Tourism in the Caribbean exploits the natural environment

• Tourism can destroy the natural resources that sustain it through overuse, abuse or misuse. •

Sustainable tourism involves using tourism resources in a sustainable manner. • Nature/ecotourism encourages the preservation of the natural environment.

The internet means consumers can research all aspects of a vacation from any location in the world. • Providers can make information available to a much wider audience. • Providers and tourism authorities can easily gather a wealth of information about visitor numbers, customer feedback and changing trends and tastes. • Booking online and the use of e-ticketing make travel less time-consuming and therefore more appealing.

A Trip to the Beach

This is the true story of a trip to the beach that never ends. It's about a husband and wife who escape civilization to build a small restaurant on an island paradise -- and discover that even paradise has its pitfalls. It's a story filled with calamities and comedy, culinary disasters and triumphs, and indelible portraits of people who live and work on a sliver of beauty set in the Caribbean Sea. It's about the maddening, exhausting, outlandish complications of trying to live the simple life -- and the joy that comes when you somehow pull it off. The story begins when Bob and Melinda Blanchard sell their successful Vermont food business and decide, perhaps impulsively, to get away from it all. Why not open a beach bar and grill on Anguilla, their favorite Caribbean island? One thing leads to another and the little grill turns into an enchanting restaurant that quickly draws four-star reviews and a celebrity-studded clientele eager for Melinda's delectable cooking. Amid the frenetic pace of the Christmas "high season," the Blanchards and their kitchen staff -- Clinton and Ozzie, the dancing sous-chefs; Shabby, the master lobster-wrangler; Bug, the dish-washing comedian -- come together like a crack drill team. And even in the midst of hilarious pandemonium, there are moments of bliss. As the Blanchards learn to adapt to island time, they become ever more deeply attached to the quirky rhythms and customs of their new home. Until disaster strikes: Hurricane Luis, a category-4 storm with two-hundred-mile-an-hour gusts, devastates Anguilla. Bob and Melinda survey the wreckage of their beloved restaurant and wonder whether leaving Anguilla, with its innumerable challenges, would be any easier than walking out on each other. Affectionate, seductive, and very funny, *A Trip to the Beach* is a love letter to a place that becomes both home and escape.

Atlanta

Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region. Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region.

Contemporary Authors

A biographical and bibliographical guide to current writers in all fields including poetry, fiction and nonfiction, journalism, drama, television and movies. Information is provided by the authors themselves or drawn from published interviews, feature stories, book reviews and other materials provided by the authors/publishers.

Changing Your Course

Sometimes, stepping off the expected path is the right thing to do, even if it feels emotionally and financially scary. That's how Bob and Melinda Blanchard got to live the life they love--and why they, and others who knew it was time for a change, are here to reveal how they found their happiness. In this invaluable, life-altering manual, real people tell their stories: how they transformed their lives to get

more time with the people they love, more opportunities to do the things that really matter, and, more from their jobs than just a paycheck. In addition to the enticing accounts of success and renewed joy, the Blanchards provide practical advice so everyone can make their move.

Going Places

Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read-alikes with this detailed and expertly constructed guide. Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe, smart librarians need a guidebook that makes sense of the world of travel narratives. *Going Places: A Reader's Guide to Travel Narratives* meets that demand, helping librarians assist patrons in finding the nonfiction books that most interest them. It will also serve to help users better understand the genre and their own reading interests. The book examines the subgenres of the travel narrative genre in its seven chapters, categorizing and describing approximately 600 titles according to genres and broad reading interests, and identifying hundreds of other fiction and nonfiction titles as read-alikes and related reads by shared key topics. The author has also identified award-winning titles and spotlighted further resources on travel lit, making this work an ideal guide for readers' advisors as well a book general readers will enjoy browsing.

At Blanchard's Table

The next best thing to actually living on an island paradise is being able to bring a bit of paradise home. Bob and Melinda Blanchard shared their own "paradise found" in their book *A Trip to the Beach*, the true story of the couple's adventures as they escaped civilization to open a restaurant on the Caribbean island of Anguilla. Now in *At Blanchard's Table*, the couple extends the celebrated warmth and hospitality of their acclaimed restaurant, and its delicious menu, to our homes. The happy result is a cookbook that's as much a pleasure to read as it is enjoyable to follow. Writing with the same humor and charm that made their first book such a success, Bob and Melinda share recipes drawn from their New England roots, their early years in the gourmet food business, and their life in the Caribbean. *At Blanchard's Table* is a delectable collection of more than 160 recipes perfect for get-togethers of family and friends, illustrated with glorious photographs that reveal how lucky they are to have homes in both Vermont and Anguilla. Although the Blanchards' restaurant gets rave reviews for the food, Melinda was never trained formally as a chef, so her recipes are for true homemade meals that are appealing and easy. Caribbean-influenced dishes like Calypso Chicken with Lime, Grilled Lobster Anguilla Style, and Jamaican Jerk Shrimp are complemented by New England-inspired fare such as Vermont Cheddar Soup, Balsamic-Glazed Veal Chops, and Vermont Picnic Ham Baked in Dark Beer. Sections include Casual Starters, Soups, Salads and Dressings, Seafood, Meat, Pasta, Vegetables and Sides, Desserts, and Drinks. Throughout the book, there are dozens of mini-recipes that allow people in a hurry to toss together just a couple of ingredients for a quick and tasty dish. The Blanchards also offer expert cooking tips, as well as more delightful stories about some of their favorite Anguillians. With simple, eclectic, and flavorful recipes--along with sound cooking advice, charming anecdotes, and the same warmth that made people fall in love with *A Trip to the Beach*--*At Blanchard's Table* is truly a pleasure to cook from and nearly as enchanting as an actual trip to the beach.

The Publishers Weekly

Great reads for busy people. This is a guide to help busy people find great reads in fiction and nonfiction. Filled with recommendations of popular, entertaining reading, this book covers mystery and suspense, romance, women's fiction and chick lit, Westerns, science fiction, such nonfiction topics as animals, art, biography, memoirs, business, true crime, and more. The New Yorker

Families seeking the ideal Caribbean vacation will find it in these pages. Whether you're traveling with toddlers, teens, or twenty-somethings, look inside for the best activities to be enjoyed in the islands -- as well as on the Caribbean coasts of Mexico, Belize, Honduras, and Costa Rica. The National Geographic Guide to Caribbean Family Vacations takes you to the beach, but it doesn't strand you there. Family-travel expert Candyce H. Stapen has journeyed throughout the region to present the gamut of family-friendly activities. From snorkeling little-known coral reefs to swimming with dolphins to riding horses along a windswept beach, you'll find it here. Tips accompanying site write-ups guide you to key aspects of a destination, while detailed Travelwise boxes provide lodging, contact, and outfitter information. In-depth features showcase the aspects of Caribbean culture that will appeal most to children -- the region's music, its carnivals, and its food, from conch fritters to soursop ice cream. Book jacket.

The Complete Idiot's Guide to the Ultimate Reading List

Finalist - USA Best Book Award *Need Some Pointers in Making the Leap from the Working World to Retirement? What's Next . . . For You?* is the incredible story of Robert and Patricia Gussin, two retirees who watched with glee as long, successful careers in science and medicine gave way to writing, publishing, and winemaking. Much more than a memoir and anything but a how-to-start-a-business manual, *What's Next . . . For You?* is a clear, easy-to-understand guide to reinventing yourself from real experts—two people who did it themselves and lived to tell the glorious tale. Through the engaging, first-person, he said/she said narrative, Robert and Patricia Gussin deliver an inspirational guide filled with advice on why it's never too late to reinvent yourself, and why doing what you love (and loving what you do) is always within reach. A must-read tale of joyfully switching gears, changing careers, and overcoming paralysis by analysis, *What's Next . . . For You?* takes the mystery out of that all-too-common question of how to get from where you are to where you want to be. The Must Read for Those Who Haven't Retired and Those Who Have

The New York Times Magazine

"Cook What You Love blends many of the Blanchards' favorite recipes with anecdotes about how their love for food seeps into every part of life. Bob and Melinda's transporting stories take you from making tortillas and salsa in the mountains of Mexico to discovering the combination of lime, coconut, and ginger in Thailand and grilling chicken and ribs at an Anguillian bike race. From Blue Cheese and Mango Bundles, Reggae Pork, and Pistachio-Crusted Goat Cheese Salad to Crunchy Coconut French Toast, Pumpkin Whoopie Pies, and Key Lime Pound Cake, every recipe merges the timeless flavors of the Blanchards' classic New England roots with the rich influences of the Caribbean."--BOOK JACKET.

People: Almanac 2002

From the bestselling author of *The Sex Lives of Cannibals*, the laugh-out-loud true story of his years on the islands of Vanuatu and Fiji, among cannibals, volcanoes . . . and the world's best narcotics. With *The Sex Lives of Cannibals*, Maarten Troost established himself as one of the most engaging and original travel writers around. *Getting Stoned with Savages* again reveals his wry wit and infectious joy of discovery in a side-splittingly funny account of life in the farthest reaches of the world. After two grueling years on the island of Tarawa, battling feral dogs, machete-wielding neighbors, and a lack of beer on a daily basis, Maarten Troost was in no hurry to return to the South Pacific. But as time went on, he realized he felt remarkably out of place among the trappings of twenty-first-century America. When he found himself holding down a job—one that might possibly lead to a career—he knew it was time for he and his wife, Sylvia, to repack their bags and set off for parts unknown. *Getting Stoned with Savages* tells the hilarious story of Troost's time on Vanuatu—a rugged cluster of islands where the natives gorge themselves on kava and are still known to “eat the man.” Falling into one amusing misadventure after another, Troost struggles against typhoons, earthquakes, and giant centipedes and soon finds himself swept up in the laid-back, clothing-optional lifestyle of the islanders. When Sylvia gets pregnant, they decamp for slightly-more-civilized Fiji, a fallen paradise where the local chiefs can be found watching rugby in the house next door. And as they contend with new parenthood in a country rife with prostitutes and government coups, their son begins to take quite naturally to island living—in complete contrast to his dad.

Guide to Caribbean Family Vacations

It's everyone's dream: to leave behind the rat-race of the working world and start life all over again amidst the cool breezes, sun-drenched colours, and rum-laced drinks of a tropical paradise. This is the story of Norman Paperman, a New York City press agent who, facing the onset of middle age, runs away to a Caribbean island to reinvent himself as a hotel keeper. Pulitzer Prize-winning author Herman Wouk, who himself lived on an island in the sun for seven years, draws on his own experiences to tell a story at once brilliantly comic and deeply moving about a man's search for happiness, and for himself.

What's Next . . . For You?

Does your life need the Caribbean? Theirs did. Two people travel separately to a tiny Caribbean island with wildly different expectations ... Tracy, a funny, feisty businesswoman in her forties, comes to paradise to investigate a shocking family secret. Expecting the worst, she instead falls madly for a charming fisherman. Is it just a holiday romance or could it - should it - last? Beautiful Charlotte should be having the time of her life on her dream honeymoon - but isn't. And when she finds out why, her self-confidence and faith in the future are destroyed. Will the island help her heal? Take a holiday from real life and voyage to Zephyr, a Caribbean idyll, replete with stunning beaches, luxurious hotels and comic cultural exchanges. Then, journey on to London and the bucolic British countryside, as both women grapple with what they need to do next, to live their best lives. Immerse yourself in Endless Turquoise - a delightful and inspirational beach read.

Library Journal

As the hurricane approaches, take refuge, settle down to a few drinks of rum & rain, and soon you'll be raucously entertained with these 16 stories of madness and mayhem of life afloat and ashore in t

American Book Publishing Record

Who hasn't fantasized about leaving their job, saying goodbye to the rat race and escaping to some exotic destination in search of sun, sand, and a different way of life? Ann Vanderhoof and her husband did just that. In the mid 1990s, the author and her husband were driven, forty-something professionals who were desperate for a break from their harried, deadline-dominated lives. So they left their jobs, rented out their house, moved onto a 42-foot yacht called Receta ('recipe' in Spanish) and set sail from their home in Canada for the Caribbean. AN EMBARRASSMENT OF MANGOES is Ann Vanderhoof's intimate account of this two-year midlife interlude during which she and her husband travelled more than 7,000 nautical miles, dropped anchor in 16 countries (and 47 individual islands), and adapted to a new life on 'island time'. Exchanging suits for bare feet, they leave the stresses of their old life behind and become caught up in a world that is simultaneously simpler and more exuberant. They sip rum with their neighbours and dance through the streets during Carnival, explore secluded beaches, learn to pull their dinner from the sea and create delectable dishes in their tiny galley kitchen. Interspersed with irresistible recipes, from cracked conch in the Bahamas, curried lobster in Grenada, spicy island gingerbread to West Indian rum punch, AN EMBARRASSMENT OF MANGOES is the enticing story of discovering not just vibrant new cultures and cuisines, but what really matters.

Cook what You Love

In early 1969, word reached London that the little Caribbean island of Anguilla had become a hotbed of rebellion and a haven for gangsters. Such flagrant disregard for the rule of law in one of Britain's last remaining overseas outposts could not be allowed to stand. Her Majesty's government acted decisively, despatching a force of three hundred paratroopers and commandos backed by warships, helicopters and fifty of the Metropolitan Police's finest. But their mission soon descended into farce. On arrival, the troops were welcomed by several bemused islanders, many reporters from around the world, and a handful of entirely indifferent goats. But absolutely no resistance whatsoever. Where, asked Downing Street, are the gangsters? What had happened to the violent insurgency? Could it all have been a terrible misunderstanding? UNDER AN ENGLISH HEAVEN is the extraordinary and hilarious true story of what Time magazine described as 'Britain's Bay of Piglets'.

Words on Cassette

One-Way Ticket chronicles the true story of how Melinda and her husband Terry uprooted their fast-paced lives in New Jersey and relocated to Anguilla, an island in the Caribbean that The New York Times has called the "British St. Bart's." Imagine locking your door for the last time, driving to the

airport, and flying away to paradise-just the two of you, two bags, and two cats. That's exactly what these corporate executives did in the early 2000s. Each chapter highlights their challenging journey, from the daunting delays and realities of building their villa on the island's turquoise shores, to the exhausting ordeal of selling in New Jersey post-9/11-all while continuing their endeavors in the medical devices and pharmaceuticals industries. The stress and intensity of working and leaving New Jersey shape the backdrop for increasingly tantalizing trips to savor the promising beauty and tranquility of their new home, far away. Theirs is a story of determination and joy, as they realize a dream that has been more fulfilling than they ever thought possible. You really can leave it all behind and not look back. They did. It just took a while.

Books in Print Supplement

Life in the Left Lane is a short and lively nonfiction book about what it's really like for expatriates to live in a tropical island paradise. Written by a journalist who has lived in the islands for more than thirty-five years, it is an honest, affectionate and humorous report on all aspects of the adventure, from adjusting to island time to making a living, building a dream house and coping with hurricanes. Her vivid descriptions of carnival, the Creole language, gardening and island food, and her insightful observations about minority status, politics, religion and crime, are enlightening reading for anyone curious about life in the Caribbean. The author writes about the islands in general, but specifically her island of St. Croix in the United States Virgin Islands, where driving in the left lane in cars designed to drive on the right is but one of the idiosyncrasies of quirky island style.

Words on Cassette, 2002

This 16th edition of Footprints best-selling guide covers all the major islands of the Caribbean from Anguilla and Aruba to Jamaica, Puerto Rico, and the U.S. Virgin Islands, with detours to more out-of-the-way locales like Isla de Margarita and Sint Eustatius. The guide features objective recommendations of where to eat and stay, from palatial accommodations to rustic beach huts. Options for the adventurous traveler include trekking in Jamaica's Blue Mountains, diving off Little Cayman, salsa dancing in Cuba, and sampling voodoo rites in Haiti. Profiles of each island's history and culture offer useful context, while a full-color highlights map guides travelers to must-see destinations and events.

Getting Stoned with Savages

No-one travels like the renowned writer-adventurer Richard Grant and, really, no-one should. Having narrowly escaped death at the hands of Mexican drug barons in *Bandit Roads*, he now plunges with his trademark recklessness and curiosity into Africa. Setting out to make the first descent of a previously unexplored river in Tanzania, he gets waylaid by thieves, whores and a degenerate former golf pro in Zanzibar, then crosses the Indian Ocean in a cargo dhow before the real adventure begins on the Malagarasi river. Travelling by raft, dodging bullets, hippos, lions and crocodiles, hacking through swamps and succumbing to fevers, Grant's gripping, illuminating and often hilarious book will thrill his devoted readers and bring him to an even broader audience.

Don't Stop the Carnival

This textbook is the new edition of Purnell's famous *Transcultural Health Care*, based on the Purnell twelve-step model and theory of cultural competence. This textbook, an extended version of the recently published *Handbook*, focuses on specific populations and provides the most recent research and evidence in the field. This new updated edition discusses individual competences and evidence-based practices as well as international standards, organizational cultural competence, and perspectives on health care in a global context. The individual chapters present selected populations, offering a balance of collectivistic and individualistic cultures. Featuring a uniquely comprehensive assessment guide, it is the only book that provides a complete profile of a population group across clinical practice settings. Further, it includes a personal understanding of the traditions and customs of society, offering all health professionals a unique perspective on the implications for patient care.

The Writers Directory

An essential tool for assisting leisure readers interested in topics surrounding food, this unique book contains annotations and read-alikes for hundreds of nonfiction titles about the joys of comestibles and cooking. *Food Lit: A Reader's Guide to Epicurean Nonfiction* provides a much-needed resource

for librarians assisting adult readers interested in the topic of food—a group that is continuing to grow rapidly. Containing annotations of hundreds of nonfiction titles about food that are arranged into genre and subject interest categories for easy reference, the book addresses a diversity of reading experiences by covering everything from foodie memoirs and histories of food to extreme cuisine and food exposés. Author Melissa Stoeger has organized and described hundreds of nonfiction titles centered on the themes of food and eating, including life stories, history, science, and investigative nonfiction. The work emphasizes titles published in the past decade without overlooking significant benchmark and classic titles. It also provides lists of suggested read-alikes for those titles, and includes several helpful appendices of fiction titles featuring food, food magazines, and food blogs.

Endless Turquoise

Award winning guidebook brings you a treasure trove of practical advice, information and listings, from the Bahamas and Cuba to Guyana.

Hurricanes and Hangovers

Each year, the flowering of cherry blossoms marks the beginning of spring. But if it weren't for the pioneering work of an English eccentric, Collingwood "Cherry" Ingram, Japan's beloved cherry blossoms could have gone extinct. Ingram first fell in love with the sakura, or cherry tree, when he visited Japan on his honeymoon in 1907 and was so taken with the plant that he brought back hundreds of cuttings with him to England. Years later, upon learning that the Great White Cherry had virtually disappeared from Japan, he buried a living cutting from his own collection in a potato and repatriated it via the Trans-Siberian Express. In the years that followed, Ingram sent more than 100 varieties of cherry tree to new homes around the globe. As much a history of the cherry blossom in Japan as it is the story of one remarkable man, *The Sakura Obsession* follows the flower from its significance as a symbol of the imperial court, through the dark days of the Second World War, and up to the present-day worldwide fascination with this iconic blossom.

Subject Guide to Books in Print

Completely updated every year (unlike most of the competition), Frommer's Caribbean features gorgeous color photos of the stunning beaches, crystal-clear waters, and colorful coral gardens that await you. There are dozens of islands and hundreds of accommodations to choose from, so our guide compares all the options, helping you find the tropical getaway that's right for you. We've included web addresses for every hotel, so you can check out pictures as you make your decision. Inside you'll find in-depth, honest reviews of lavish honeymoon resorts, intimate inns, family-friendly motels and condo complexes, and more, with selections in every price category. We'll point you to the loveliest secluded beaches, and send you to the best places for snorkeling, diving, golf, sailing, tennis, deep-sea fishing, and more. You'll also get a complete shopper's guide, and up-to-date coverage of the hottest nightlife in the region, from glittering casinos and sizzling reggae clubs to funky beach bars. You'll even find an up-to-date cruise planner, tips on finding the best package deals, and an online directory that makes trip-planning a snap.
