Owned by the Bastard

Demon, the President of The Soldiers of Wrath MC, is a vicious bastard, a heartless killer, and has no regrets about any of the violent things he does in life. It is how he survives, and how he keeps his club and his men safe. Deanna Monte has stayed in the life of her drug addicted, low-life father since her mother passed away. She may hate her dad, but after her mother's dying wish for Deanna to not give up on him, she knows she can't walk away. When Deanna is given to Demon as payment for her father's debt, she fights with everything inside of her and refuses to submit. But she's never met a man like Demon, a cruel man that is big and powerful and can take her life as easily as he breathes. She shouldn't want him the way she does, not after he takes her away from her life, refusing to let her go, and tells her that she is his now. But she does, and that frightens her most of all. Warning: This title does contain explicit adult themes.

Complete Series

This box set includes the complete series for the Soldiers of Wrath MC: Book 1: Owned by the Bastard-Deanna (a deleted scene from Deanna's POV shortly after her encounter with Demon)Book 2: Bent, Not BrokenBook 3: Hard As Steel-Demon (a snippet of life from Deanna and Demon after Hard As Steel)Book 4: Dead BastardBook 4.5: Ruin and RiseBook 5: The Way I Like ItBook 6: Lost In YouBook 6.5: All or Nothin'Book 7: Wild RideBook 8: The Harder They Fall-Bikers, Babies, and Leather (a free holiday short)is set includes all books in the Soldiers of Wrath MC series, creating one complete collection.

Ruin and Rise

READER NOTE: Dead Bastard (The Soldiers of Wrath, 4) must be read before Ruin and Rise in order to get the full experience of the story. Please find the current books out in The Soldiers of Wrath MC (all books currently available): *Book 1: Owned by the Bastard *Book 2: Bent, Not Broken *Book 3: Hard As Steel *Books 1-3 boxed set *Bonus Story: The Soldiers of Wrath MC FREE read (available on the CSP website) *Book 4: Dead Bastard *Book 4.5: Ruin and Rise ***** Sometimes falling into the ruin doesn't mean you can't rise from the ashes. Shakes and Daniella went through hell to find their happiness, but it didn't come without a price. To keep Daniella, Shakes had to lose a part of himself. Can they really rise from the ashes and not get burned? But then Daniella and Shakes' life gets turned upside down again when an unexpected pregnancy strains the already volatile relationship Shakes has with Daniella's father, Zeke. And where does Shakes' fate lie with the only family he's ever had...The Soldiers of Wrath?

Hard As Steel

Eloise has kept her desires in the dark her entire life. Not sure if she should feel ashamed over her need to have a sexual relationship that consists of pain, she focuses on keeping to herself, knowing that she can never have what she really wants. Steel is a member of The Soldiers of Wrath MC. He is a man that takes what he wants when he wants it; he is never denied. But he wants Eloise, and her refusal to give herself to him makes Steel want her even more. He's determined to break the composed and collected exterior that she carries. When Hanson, Eloise's boss, attacks her, it's Steel that comes and rescues her. Steel feels something for the woman that's seemed to turn his world upside down in such a short time. But Hanson isn't about to be put in his place, or lay down without a fight. He'll show Eloise and Steel that he'll take what he wants regardless of any threat. Can Eloise give herself to Steel fully, or will her fear for what she really wants hold her back? Can Steel finally allow himself to commit to a woman and show her that what she wants is exactly what he desires to give her?

Bent, Not Broken

Pain is a lasting feeling, emotion, and can consume a person without any discrimination. Amy Holland knew all too well what pain did to someone. She has been living with it for far too long, and it is all because of her father. Reese "Joker" Whitman has put his old life behind him. He is now just Joker, part of The Soldiers of Wrath, an outlaw MC that rules his town. Despite the hard edge he carries around, the violence and destruction he's been known to deliver, Joker wants Amy, the daughter of the woman his father married. Amy might be considered family, but she isn't blood, and he wants her more than he's ever wanted anyone in his life. However, he has to tread lightly, because she's been hurt, and she may never be able to give herself fully to him. When she finally sees Joker for who he is, it isn't fear or pain that consumes her; it is hope and desire. But can she give herself to the biker when she sees herself as too damaged to be loved?

Payne

Vicky is in love with Payne. But Payne is a complicated man, and she knows he only sees her as a warm hole to relieve himself in. The heartbreak over that is real, but she loves him too much to stop what they share. Payne and Vicky are explosive in bed, and he doesn't want that to stop. But he also won't admit how he feels. He's never cared about anyone the way he does for Vicky, and maybe he's a bastard for keeping his mouth shut, but he doesn't want to ruin what they have by saying anything. Keeping her at a distance, and only being with her between the sheets is what's best for both of them. At least that's what he keeps telling himself. When Vicky finds out she's pregnant with Payne's baby, she knows she can't stay with a man that doesn't want a commitment. Leaving is the best option for

her and her unborn child. When Payne finds out Vicky left, he realizes how badly he screwed up. Now he'll do anything to bring Vicky back, and make her his old lady. She's it for him, and he'll prove that to her. But what happens when he finds out the secret she's been hiding ... that he'll be a father?

The Soldiers of Wrath MC

VOLUME 2: The Soldiers of Wrath MC This boxed set includes the following Soldiers of Wrath MC: -Previously published Soldiers of Wrath short story (available for free on the Crescent Snow website.) -Book 4: Dead Bastard -Book 4.5: Ruin and Rise -Book 5: The Way I Like It -Previously published Soldiers of Wrath holiday short story (available for free on the Crescent Snow website) -Book 1 of Soldiers spin-off series: Beast (The Soldiers of Wrath MC: Grit Chapter) *Volume 1 box-set should be read first in order to fully enjoy the characters and world. ***** The Soldiers of Wrath MC is filled with, vicious, dangerous men who'll move heaven and earth to get what they want. This box-set is filled with alpha, obsessed bikers that will do anything it takes to make sure the women they love are safe.

Beast

Bridget is in trouble, and knew the only person that can help her is Beast, a hardened biker she's grown up with. He isn't just a man, but a rough around the edges, dangerous and raw alpha that acts first and asks questions later. He is also patched in with the Soldiers of Wrath: Grit Chapter, a motorcycle club that does what it has to do to stay on top. But in order for Beast to help her she's going to have to give something to him in return ... her body. He frightens her, but also arouses her, and she knows being his means more than just surrendering herself. Can Bridget let go and submit to the biker, or is being Beast's in all ways going to end up breaking her?

Dead Bastard

Shakes knew he couldn't have Daniella, but that didn't stop him from taking her. Leaving meant betraying his club and going against her father, Zeke. Even though they are being hunted he won't let her go, he can't. But what happens when they are found? Can Shakes give Daniella back to her father? Can he make amends with the MC? With his patch and life on the line, and the possibility of losing Daniella forever, Shakes must decide which road he'll take.

The Soldiers of Wrath MC

VOLUME 2: The Soldiers of Wrath MC This boxed set includes the following Soldiers of Wrath MC: -Previously published Soldiers of Wrath short story (available for free on the Crescent Snow website.) -Book 4: Dead Bastard -Book 4.5: Ruin and Rise -Book 5: The Way I Like It -Book 5.5: Bikers, Babies, and Leather (available for free on the Crescent Snow website) -Book 6: Lost In You -Book 6.5: All or Nothin' (Exclusive bonus story) *Volume 1 box-set should be read first in order to fully enjoy the characters and world. ***** The Soldiers of Wrath MC is filled with, vicious, dangerous men who'll move heaven and earth to get what they want. This box-set is filled with alpha, obsessed bikers that will do anything it takes to make sure the women they love are safe.

Ugly Beast

Ugly Beast doesn't want an arranged marriage, but what his president says, he gets. Abriana Vigo is not beautiful. In fact, she's bland and terrified, but she's a virgin and a Capo's daughter. Now she's been thrown to the wolves at his president's demands. Abriana will do anything to get away from her father, just to avoid being hurt anymore. She only hopes this scarred man doesn't turn his back on her. If he does, she knows her father will find some way to kill her. But despite all her newfound freedom in the MC life, if Abriana doesn't prove her loyalty to the club, her husband will kill her. When her father orders her to spy on the club and report back, she knows she cannot do it. She has to make a choice. For Ugly Beast, he never thought he would commit to anyone or anything, but after finding out his wife is taken, he's willing to put the club at risk for her. Abriana isn't the woman he wanted, but now, he can't let her go, and anyone who tries to take her, will know what it's like to deal with him.

Lost in You

She was his drug of choice, his addiction. He'd kill for her, die for her. Nerd would walk through hell just to prove he was crazy for her. She was his obsession, and no matter how much she denied him he'd make her see she was it for him. Nerd had never wanted anything for himself ... until she came along.

Hannah was his everything whether she knew it or not. Nerd just needed to prove to her that underneath the bastard he was they'd be good together. *Exclusive novella, All or Nothin', will be included in Lost In You. This novella will feature short stories (a where are they now set-up) from the following Soldiers of Wrath characters: Demon & Deanna, Joker & Amy, Steel & Eloise, and Shakes & Daniella.

The Way I Like It

Running from her old life, innocent Elena finds herself thrust into the world of alpha bikers, domination, and freedom. Controlled her whole life, she jumps head first into the safety Striker offers, and she doesn't look back. When Striker realizes Elena is running from a twisted family and arranged marriage, he offers to help her. It isn't about Striker being noble; he's selfish and sees the natural submissive in her. The Dom in him wants her in his bed, wants to control her in every way. As Elena realizes the kind of relationship Striker wants reaches out to the dark desires she has deep inside, she knows she wants to explore all he has to offer. Her feelings for him grow into something deeper, more intense, and Elena wants nothing more than to accept this new life with Striker, even if it's totally foreign and frightens her. When they find that her family is still after her, Striker and the Soldiers of Wrath MC, a group of dangerous and violent bikers, know they must protect her at all costs. Elena chooses to put her life in their hands. In the end, will Striker want more than just a willing submissive to warm his bed and sate his appetites?

Sofie's Boys

I fell in love with two men. I thought being with them both—at the same time—would be complicated. But it was easy. It was perfect. One of them was twice my age. The other was the boy I'd grown up with. Both of them were so very different, but they gave me exactly what I wanted, exactly what I needed. Ryker was a bad boy with looks, the one I'd given my first everything to. He was also my best friend. Jareth was older, refined, and experienced. He was dominant, skilled, and I felt fragile when I was with him. He was also my boss. Although they were possessive and jealous where I was concerned, they accepted I was in a relationship with both of them. Ryker and Jareth only demanded one thing from me—to only be with them. Would I ever have to pick between them? How wrong would it be if I kept them both?

The Sense of an Ending

A monumental novel capturing how one man comes to terms with the mutable past. 'A masterpiece... I would urge you to read - and re-read ' Daily Telegraph **Winner of the Man Booker Prize for Fiction** Tony Webster and his clique first met Adrian Finn at school. Sex-hungry and book-hungry, they would navigate the girl-less sixth form together, trading in affectations, in-jokes, rumour and wit. Maybe Adrian was a little more serious than the others, certainly more intelligent, but they all swore to stay friends for life. Now Tony is retired. He's had a career and a single marriage, a calm divorce. He's certainly never tried to hurt anybody. Memory, though, is imperfect. It can always throw up surprises, as a lawyer's letter is about to prove.

Plain Jane and the Mafia Beast

When Arika Jane is shot, Vincenzo knows he cannot dump the waitress he

Devil's Charm

No one screws with the Chaos Bleeds crew! Devil is on the hunt for the whore who stole his kid. She may have given birth to his child, but she'll never be the baby's mother. When her sister, Kayla, knocks on her apartment door with a baby, Lexie has no choice to take him in. She loves the boy instantly, and there is no way she'll give him up. When she loses her job, Lexie has no choice but to work in a strip club to help support the baby she's been given. Devil wants Lexie the moment he sees her dancing. He doesn't know at first that she's the sister of the girl he's been looking for, but when he does, everything falls into place. He'll have his son and Lexie both all for his own, but when Kayla comes back to town, all bets are off. There is nothing Lexie can do to save her sister. She's in love with Devil, and she knows he will do everything in his power to keep his family safe, no matter what she asks of him.

The Pack Claims a Mate

THE COMPLETE SERIES The Claiming The First Moon Second Sin Strongest Passions Double Trouble

The Rosemary Nelson Inquiry Report

Rosemary Nelson, a solicitor in Lurgan, Northern Ireland, was murdered by a bomb exploding under her car near her home in March 1999. There were claims the police and government ignored a series of warnings about threats against her: concerns about her safety had been raised over a two-year period before she was killed. She had become a hate figure for hardline loyalists - and reportedly some police officers - because of some of the Republican clients she represented. It was claimed she had been threatened by RUC officers as well as loyalist paramilitaries. The Cory Collusion Inquiry (2004, ISBN 9780102927443) investigated the allegations of collusion between British security forces and paramilitaries in her murder, and concluded that there was enough evidence to warrant a full public inquiry. This Inquiry finds no evidence of any act by or within any of the state agencies (Royal Ulster Constabulary, the Northern Ireland Office or the Security Service) which directly facilitated the murder. Some members of the RUC did publicly abuse and assault her in 1997, and make abusive/threatening remarks about her to her clients, which became publicly known. Combined with intelligence leaks these had the effect of legitimising her as a target. There were omissions by the RUC and NIO which rendered her more at risk and more vulnerable. These omissions meant the state failed to take reasonable and proportionate steps to safeguard the life of Rosemary Nelson. The Inquiry finds no evidence of obstruction into the murder investigation, which was carried out with due diligence.

The Biker's Plaything

Lord: One thing I won't tolerate is a rat. When anyone on my payroll screws me over, I enjoy making an example of them. It was no different when I caught my accountant selling club secrets to my enemies-I made him suffer. The rat had a daughter, and it was only fitting to wipe out the bastard's bloodline. When I had Ally Prixman at my mercy, things didn't go according to plan. There was something captivating about the curvy blonde, and I couldn't pull the trigger. Instead, I offered to keep her as a plaything. She'd fulfill all my sexual fantasies until I bored of her, then she could have her freedom. Ally had no choice but to agree. And I didn't expect to keep her for long. Ally: He killed my estranged father and wanted me dead. For some reason he decided to have mercy on me, although I'm not so sure being Lord's sex toy is much better than death. He's the leader of the Straight to Hell MC and known for his brutality. Surely he won't have mercy on me for being a virgin. I'm mad at myself for not hating my situation more, but I'm impossibly attracted to Lord. His scars and tattoos don't scare me, and it doesn't take long for me to fall for the biker. I have to remind myself I'm only a temporary part of the club. Lord's only using me up until he spits me out. Some men just aren't capable of love.

Satan's Revenge

Callie Patton I've lived a life that I wanted to get out of. One that I was emotionally and, sometimes, physically abused by the people that were supposed to love me unconditionally. The one person in the world that meant anything to me is taken away too soon. In her absence, I'm left with the opportunity to be free and do as I want for the first time in my life. Can I truly be the girl that chases her dreams and learns to make my life what I want it to be? Or will people continuously try to take it all away from me? Damon 'Bear' Jones The only thing I want is to live a simple life and do what I want. One girl completely destroys that notion from the second I lay eyes on her. I've heard about this girl, Callie, for so long that I was beginning to think she didn't truly exist. Now that I've seen her and witnessed the innocence and freedom she's truly experiencing for the first time; can I be the one to try to make her settle down with one person? Will outside threats tear us apart before anything gets started? ** Warning ** There are scenes with possible triggers in this story. There's a few torture scenes and the mention of rape. Please know that these scenarios can cause a reaction in some readers.

Royal Bastards (Royal Bastards, Book 1)

"Jon Snow won't be the only 'bastard' whose name readers will remember." -Entertainment Weekly Being a bastard blows. Tilla would know. Her father, Lord Kent of the Western Province, loved her as a child, but cast her aside as soon as he had trueborn children. At sixteen, Tilla spends her days exploring long-forgotten tunnels beneath the castle with her stablehand half brother, Jax, and her nights drinking with the servants, passing out on Jax's floor while her castle bedroom collects dust. Tilla secretly longs to sit by her father's side, enjoying feasts with the rest of the family. Instead, she sits at the Bastards'

Table. But when Tilla and Jax is lead the visiting Princess Lyriana on a late-night escapade with their fellow bastards, they stumble upon a crime they were never meant to witness--a brutal coup. The group flees for their lives, relentlessly pursued by murderous mercenaries. The bastards band together, realizing they alone have the power to prevent a civil war that will tear their kingdom apart-if they can warn the king in time. And if they can survive the journey . . .

Zeke's Rule (Beautiful Torment, 1)

Zeke isn't a hero, has never seen himself having a happily ever after. He's been called many things: evil, twisted, sadistic, and dangerous. He is all of those things and more. He revels in it, embraces it, and uses it to make himself more powerful. He is a bad man all the way through. Then there is Alessandria, a woman chained, crying, frightened, who yearns for pain with her pleasure. The sadistic part of him wants her all for himself. He'll show her that the type of pain he wants to give her will ultimately bring her the pleasure she yearns for. Will Alessandria be able to handle the monster inside of Zeke, or like so many others, will she run?

Ulysses

An extraordinary modern novel in the Victorian tradition, Charles Palliser has created something extraordinary—a plot within a plot within a plot of family secrets, mysterious clues, low-born birth, high-reaching immorality, and, always, always the fog-enshrouded, enigmatic character of 19th century—London itself. “So compulsively absorbing that reality disappears . . . One is swept along by those enduring emotions that defy modern art and a random universe: hunger for revenge, longing for justice and the fantasy secretly entertained by most people that the bad will be punished and the good rewarded.”—The New York Times “A virtuoso achievement . . . It is an epic, a tour de force, a staggeringly complex and tantalizingly layered tale that will keep readers engrossed in days. . . . The Quincunx will not disappoint you. It is, quite simply, superb.”—Chicago Sun-Times “A bold and vivid tale that invites the reader to get lost in the intoxicating rhythms of another world. And the invitation is irresistible.”—San Francisco Chronicle “A remarkable book . . . In mood, color, atmosphere and characters, this is Charles Dickens reincarnated . . . It is an immersing experience.”—Los Angeles Times Book Review “To read the first pages is to be trapped for seven-hundred odd more: you cannot stop turning them.”—The New Yorker “Few books, at most a dozen or two in a lifetime, affect us this way. . . . For sheer intricacy and ingenuity, for skill and clarity of storytelling, it is the kind of book readers wait for, a book to get lost in.”—The Philadelphia Inquirer

The Quincunx

She's the only one he'll ever want. He is the first boy she fell in love with. Quinn I met Isabel when I was ten. I fell in love with her before I even knew what that meant. I knew from the moment I saw her she was it for me. No one else compared to her, and I'd do anything to make her mine. But I was afraid of losing the friendship we have, so I've kept my mouth shut. But she's leaving me, and I know I can't keep how I feel inside any longer. Saving myself for the girl I love isn't a hardship, but it's something I'm proud of. When it comes to Isabel, giving her my virginity, and making her see we belong together, is all that matters. Isabel Quinn is like the other half of my soul, the one person I can talk to about anything. He has the bad boy thing going on but is also respectful as much as he is a rebel. He is the first and only boy I will ever love. Being forced to move across the country, and leave him behind, is like leaving a piece of myself in the process. But telling Quinn I am madly in love with him could put a strain on our friendship. I don't know if that's something I could handle or risk. Quinn Nothing can keep me from Isabel. She is it for me, and I mean that in every conceivable way. Nothing can keep me from her. I hope she's ready because there isn't anything or anyone that will stop me from having her as mine. Warning: This story is short, dirty story filled with a possessive virgin hero who wants his heroine to be his one and only. It's drama free, and has insta-everything going on, so be prepared to have an overload of sugary virgin goodness.

Virgin

Just out of a bad marriage, Ava isn't looking for love. She's ready to live her own life in a new town, opening a bakery. She never expected to cross paths with Smokey, the dangerous president of the Hell's Bastards MC. Smokey wants the curvy blonde sitting alone at the bar, and he always gets what he wants. From the start, he explains it's just sex, nothing else. Ava doesn't expect more and promises herself she won't fall in love with the bad biker, but Smokey gets under her skin. He can't let her go, and

now he thinks she works for his enemy. The pain of his punishment will stay with her forever. When the truth comes out, Smokey knows he's hurt the only woman he's ever cared about. After he loses her, he has no choice but to win her back. Ava won't give in, though. He hurt her, shattered her trust, and destroyed her heart. How can he win what he broke?

Smokey

Mikalina It was spur of the moment, maybe reckless, definitely a shock to everyone I knew when I decided to take a trip across the ocean to a foreign country and stay for an undetermined amount of time. Renting out a cottage in a tiny European village whose residents barely spoke English was the perfect escape from overbearing parents, fake friends, and a future that seemed bleak. And helping out an elderly woman with her shopping to earn some extra cash seemed easy enough. Mindless, hour-long walks through the thick woods that surrounded said village also sounded ideal. No Internet. No television. And just the bare basics to get me by. Perfection. Stress-free. Exactly what I needed. Or maybe I was wrong about it all. I felt someone or something watching me from the darkened, dangerous woods. I felt someone-something-stalking me. I didn't know what or who it was, but I knew with certainty it wasn't human... and that it wanted me. Renl wasn't human, not completely. A Lycan—a centuries-old wolf-like creature that was feared by all, stronger than anything on the planet, and who was only ever after one thing. My mate. For over three hundred years, I had one purpose in life. Find her, the one female born to be mine. My female who'd cause the Linking Instinct—that supernatural connection that told me she was mine and I hers—to finally take root and make me whole. And for hundreds of years, I'd been alone, saving myself for my mate, never stopping the search. Until I scented her, saw her, finally felt my heart beat and the blood rush through my veins with hope and anticipation. Mine. She didn't see me, but she sensed me. And she ran. She couldn't possibly know how much the chase turned me on. I didn't know how I'd make her understand I could never let her go, that nothing and no one would stop me from making her mine. Because once a Lycan found his mate... nothing in this world, nothing supernatural or human, could keep him from her.

Proverbial Philosophy

Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. "California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again." Thus begins Hunter S. Thompson's vivid account of his experiences with California's most notorious motorcycle gang, the Hell's Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, "For all its uninhibited and sardonic humor, Thompson's book is a thoughtful piece of work." As illuminating now as when originally published in 1967, *Hell's Angels* is a gripping portrait, and the best account we have of the truth behind an American legend.

Big Bad Wolf

From USA Today best-selling romance author Willow Winters comes an emotionally gripping, romantic suspense. It was only a little lie. That's how stories like these get started. With every lie I told, he saw right through me. I think in his heart he knew I was broken; he felt my pain as if it was his. And that's what changed everything. He's the reason it all fell apart. Sometimes it's a single moment that alters everything in existence. Sometimes it's the chain reaction of falling dominoes, lined up in pretty little rows and designed so that each one will cause more and more pain as it topples. In a single day, everything changed, and there's no way to go back. I didn't know what would happen. Secrets and lies ruin everything and I should have known better. For the first time in I don't know how long, I wish I could take it back. I'd take every bit of it back if I could just be with him again. "I was captivated from the very beginning, and I couldn't let go until the very end. Winters wove an outstanding tale, which has an even better message within its pages." – Kendra, Reads and Treats *It's Our Secret* can be read as a standalone and was originally released in January of 2018. This edition is reedited and

extended. Topics include: mafia romances, dark romance, dark romance mafia, alpha business man book, billionaire romance, billionaire romance series, possessive alpha romance, willow winters books, w. winters books, contemporary romance, contemporary, romance novels, survival romance, the best romance series ever, bestselling series, captive romance, top 100 new releases, hot new release, USA Today Bestseller.

Hell's Angels

MatthewIvy. So sweet and young, so innocent and mine, even though I was crossing a line by simply desiring her. Forbidden. I should stay away, but in my mind I'd already claimed her, already made the decision I couldn't let her go.If wanting her was wrong ... I didn't want to be right.IvyI was still in high school, hadn't even experienced the world, but I already knew who I wanted to spend my life with.Matthew.He was someone I could never be with, yet here I was, feeling him, touching him ... being with him. It was all so perfect until it wasn't, until my father found out ... until my world was turned upside down.And through it all Matthew was there, telling me he wouldn't give me up, wouldn't let me go.But could he keep that promise during the fallout?

It's Our Secret

How can something so wrong feel so good?Callie tries to look at the positive side of life--despite her dire circumstances. She's the underdog, stepped on by her boss, her landlord, and her own family. When a new customer shows interest in her at work, it's impossible to resist his charm. Their budding romance becomes her only joy in life, but when she finds out he's keeping dark secrets, Callie wonders if she really knows him at all.Brick knows he screwed up by hiding the truth from Callie. It just felt so damn good to be looked at with affection rather than fear, and he soon became addicted to the rush. Once he starts falling hard for her, he can't bring himself to tell her he's the VP of the Straight to Hell MC. Brick can't risk losing her. But how long can he go on living a lie?With a rival club rebuilding and a rat in their midst, Brick wonders if it's even safe bringing Callie into his world at all.

So Good

One of the most beloved novels of all time, Colleen McCullough's magnificent saga of dreams, struggles, dark passions, and forbidden love in the Australian outback has enthralled readers the world over. The Thorn Birds is a chronicle of three generations of Clearys—an indomitable clan of ranchers carving lives from a beautiful, hard land while contending with the bitterness, frailty, and secrets that penetrate their family. It is a poignant love story, a powerful epic of struggle and sacrifice, a celebration of individuality and spirit. Most of all, it is the story of the Clearys' only daughter, Meggie, and the haunted priest, Father Ralph de Bricassart—and the intense joining of two hearts and souls over a lifetime, a relationship that dangerously oversteps sacred boundaries of ethics and dogma.

The Biker's Dirty Little Secret

The most evil and complex elements of the Dungeons & Dragons world are presented for the first time--such as moral dilemma, slavery, human sacrifice, prostitution, and other sensitive issues--to allow players to add a level of complexity to their campaigns.

The Thorn Birds

'Impassioned, hugely informative, wonderfully controversial, and scary as hell' John le Carré Around the world in Britain, the United States, Asia and the Middle East, there are people with power who are cashing in on chaos; exploiting bloodshed and catastrophe to brutally remake our world in their image. They are the shock doctors. Exposing these global profiteers, Naomi Klein discovered information and connections that shocked even her about how comprehensively the shock doctors' beliefs now dominate our world - and how this domination has been achieved. Raking in billions out of the tsunami, plundering Russia, exploiting Iraq - this is the chilling tale of how a few are making a killing while more are getting killed. 'Packed with thinking dynamite ... a book to be read everywhere' John Berger 'If you only read one non-fiction book this year, make it this one' Metro Books of the Year 'There are a few books that really help us understand the present. The Shock Doctrine is one of those books' John Gray, Guardian 'A brilliant book written with a perfectly distilled anger, channelled through hard fact. She has indeed surpassed No Logo' Independent

Book of Vile Darkness

THE ALPHA'S TOY To spare an innocent she has to become his plaything. When Zeke attacks her pack, Mary, a half-breed wolf, wants to save a young wolf, but to do so, she has to accept his bargain. She must be his toy until the next full moon. Mary despises the alpha she must now give her body to, but she can't deny the response he inspires within her. Exploring the deceased pack's lair Zeke stumbles onto something that could destroy all breeds of wolf. The leaders of Mary's pack had been experimenting on wolves. The reasons why are still unknown, but Zeke will do everything in his power to find out the truth, especially when he discovers Mary was one of their experiments. Even before the end of the month Mary becomes all he can think about, and he's determined to keep his toy safe. Then a twist of fate lets him know she's more than a toy. Mary is his mate. Can he overcome her fear of him and convince her to stay when her month is up?

ALPHA BAIT There is a law that binds an Alpha to his wolf and stops him from hurting others of his pack. If an Alpha lashes out with the intention to harm, then his wolf will stop it, forcing on the transition...but one wolf has found the loophole. Chain is determined to inflict harm. He sends out the one woman he wants but cannot have, Victoria. She will be his Alpha Bait, luring another Alpha to his death, thus freeing Chain from the control of his wolf. For most of her adult life Victoria has been at the mercy of Chain. He scares her more than anything else. Doing as she's told, Victoria sets the trap in order to gain Scorch's attention. Scorch is a good leader and strong Alpha. He will not hurt anyone. When a beautiful red-head ends up in his care, he cannot turn away from the attraction she inspires. Their wolves are mates, and they're destined to be together. However, what will Scorch do when he realizes Victoria is with him to lure him to his death? Can she really send the man she loves to his grave? Being Alpha Bait was never her choice, but who really holds her loyalty, Chain or Scorch?

The Shock Doctrine

No mercy. No pity. No women. Bain has always worked solo, refusing to allow anyone to lord over him. His life has been fucked up enough, and he's learned trust comes with a price. When he finally accepts an invitation to work for Killer of Kings, he regrets the decision after his first contract. It was supposed to be simple, now there's a curvy little temptation tied up in his basement. Scarlett struggles to move up in a career where appearances are everything. When she lands a risky interview with a known crime boss, she hopes it will be her big break as a reporter. Instead, she's caught up in the middle of an assassination and taken hostage by the hitman. She wants to hate the tattooed devil, but finds herself intrigued by his story. Is it the reporter in her wanting to know more...or the woman falling for a broken man?

The Alpha Shifter Collection

Duke has wanted Holly for a long time but she was too young, too innocent, and he was married. Now, she's older and he has waited long enough. She is going to be his. Holly grew up in the MC life. Her father was once president of the Trojans MC before he handed the gavel over to Duke. She refuses to become part of the life like her mother has. Being an old lady is the last thing she wants to become. He has bided his time and now he will not let her go. Holly is his to control, to fuck, to love. He'll do everything in his power to claim his woman but what will happen when Holly finds out the truth about the club? When his ex-wife tries to hurt her, Duke will have to make a choice. Can he kill the mother of his child or will he protect the woman who owns his heart?

Library Lil

A formidable librarian makes readers of not only of her resistant small town but also of the tough talking, television watching motorcycle gang.

A Mini Called Zak

Do you want to be amazed by Puffins pictures? Let's see color photos of Puffins You and your child will find pictures of Puffins in short simplified text for children learning to read or those who like picture books. Puffins: Photos and Fun Facts for Kids. It is Book 109 in the Kids Learn with Pictures Series. This book is around a clear concept: see pictures of Puffins. This is a stock photo book of animals that ASK QUESTIONS of the pictures shown to the reader to encourage interaction and responses from the child. Be sure to read the other books in the Kids Learn With Pictures Series.

Puffins Photos and Fun Facts for Kids

A lonely puffin makes friends and saves the day in this adorable rhyming picture book

What Am I Doing?

Story about a mallard family who make their home near a pond in the Public Garden in Boston.

Harris the Hero

Do you want to be amazed by Puffins pictures? Let's see color photos of Puffins! You and your child will find pictures of Puffins in short simplified text for children learning to read or those who like picture books. Puffins: Photos and Fun Facts for Kids. It is Book 109 in the Kids Learn with Pictures Series. This book is around a clear concept: see pictures of Puffins. This is a stock photo book of animals that ASK QUESTIONS of the pictures shown to the reader to encourage interaction and responses from the child. Be sure to read the other books in the Kids Learn With Pictures Series.

Make Way for Ducklings

Meet Boris, Morris, Horace and Doris, four rude, smelly, bad-tempered boars. Never, ever let them into your home. You have been warned 'Meet Wild Boars' is written and illustrated by award-winning Meg Rosoff and Sophie Blackall.

Puffins

Hannah is confused when her mother seems to be calling her by everything but her name

Meet Wild Boars

Children's picture book featuring Archie and his puffin family

Mommy Doesn't Know My Name

Ideal for today's young investigative reader, each A True Book includes lively sidebars, a glossary and index, plus a comprehensive "To Find Out More" section listing books, organizations, and Internet sites. A staple of library collections since the 1950s, the new A True Book series is the definitive nonfiction series for elementary school readers.

Breakout on Puffin Island

When the clouds drift across the sky, Little Cloud trails behind. He's busy looking at all the trees and animals below. And changing his own shape to match!

Puffins

A child relates a long list of things he would do before he'd say boo to a goose.

Little Cloud

Greedy to have the cove where he swims all to himself, Norvin, who looks a bit like a shark, pretends to be one, scaring off the other swimmers and leaving him in happy aquatic solitude--until he is discovered by an amorous female shark.

Boo to a Goose

Even though Bear is a bear and Honey is a bird, they behave surprisingly like the child in all of us. There are five tales that touch on such universal themes as love, fear, responsibility and friendship. Quality writing, endearing characters and stunning illustrations all combine to make this a timeless treasure of a book.

The Great White Man-eating Shark

A collection of nursery rhymes includes such pieces as "There Was an Old Woman," "Jack Be Nimble," "Hickory, Dickory, Dock," and "Twinkle, Twinkle, Little Star"

Puffin First Picture Dictionary

Examines what happens when Newfoundland and Labrador's official bird heads for the bright city lights.

Honey and Bear

With Clavis Music we embrace the power of reading and the power of listening. We explore a new world: that of books and the music. Will you explore it with us? PIPPA the puffin is going sailing. Maybe a friend wants to sail along . . . Pippa asks the dolphin, the penguin, the seal . . . But they're too busy to join her. And you? Will you look and listen too? A sweet and charming music book for little Arctic adventurers ages 2 and up.

The Puffin Book of Nursery Rhymes

Winner of the Caldecott Medal! For fans of Blueberries for Sal, One Morning in Maine, and Make way for Ducklings. "Out on the islands that poke their rocky shores above the waters of Penobscot Bay, you can watch the time of the world go by, from minute to minute, hour to hour, from day to day . . ." So begins this classic story of one summer on a Maine island from the author of One Morning in Maine and Blueberries for Sal. The spell of rain, the gulls and a foggy morning, the excitement of sailing, the quiet of the night, the sudden terror of a hurricane, and, in the end, the peace of the island as the family packs up to leave are shown in poetic language and vibrant, evocative pictures.

The Boy who was Followed Home

Everyone's favorite puffin is back, and guess what--he's still ANGRY! When Puffin is offered a muffin, he realizes that he's the subject of another picture book and the target of a rhyming scheme gone wrong. His emotions take over and chaos ensues as he tries to escape the story line. Luckily, Puffin knows just where to turn for help. See what happens when characters from other picture books come to Puffin's rescue. Timothy Young fans will have fun spotting characters and scenes from his previously published books, as well as references to other children's classics. Will Puffin get lost in the fantasy worlds, or will he find his way out?

The Puffin Problem

Nobody can make messes like Fritz!

Fee Fi Fo Fum

This essential guide has exactly the right books to help you celebrate special days throughout the year—even "holidays" you've never heard of—and provides hundreds of fun titles and activities that could inspire your students to become life-long readers. Young students need to continually be presented with a vast variety of types of books, authors, illustrators, and subject matter in order to find the perfect concept or image that sparks their imagination, takes their comprehension to a new level, or helps them turn the corner to becoming a book lover. Nancy J. Polette's The Picture Book Almanac: Picture Books and Activities to Celebrate 365 Familiar and Unusual Holidays can be used year-round as a key to open that great literary treasure vault. The books Polette has painstakingly selected for their value as learning opportunities tie into both familiar and unusual holidays, ranging from official, nationally recognized holidays to obscure ones such as Milk Day and Thesaurus Day. The daily featured book titles cover the classics, such as books in the Paddington Bear series and Cinderella to outstanding current and just-published titles, collectively representing the best choices for collection building over time. This book is an excellent tool for collection development as well as an indispensable resource for reading teachers and classroom teachers.

Pippa Will You Sail with Me?

It is school pet day and Hemi decides to take along a very unusual pet - his sister.

Time of Wonder

Wilberforce is going to playgroup for the very first time and he is so excited that he has an extra-large breakfast.

If You Give the Puffin a Muffin

From their time in the sea to their time in the air, the lives of these birds will interest readers, while outstanding illustrations bring these birds to life.

Fritz and the Mess Fairy

For a little puffin, life outside the warm, safe burrow can be very scary. There are gulls ready to swoop, but there are also new friends to find. Puffling must make his way in this big, exciting world-but not until he is strong enough and tall enough and brave enough.

The Picture Book Almanac

One day when Mrs Wolf takes Little Wolf for a stroll in his pram, he decides he is bored, so he climbs out of his pram and over a fence and falls into the Porker's cucumber frame. The Porkers are delighted with their new pet. This book won the Smarties Prize in 1992.

Hemi's Pet

A small boy who does not want to be bathed leads his parents and other neighbourhood adults on a merry chase.

Wilberforce Goes to Playgroup

Mrs Gimble's cat would love to prowl, but has only three legs. Mrs Gimble's brother, who prowls the world, comes to visit and mistakes the cat for his hat. . . . A gloriously funny picture book.

Puffins

When Lola's favorite book is not on the library's shelf, her older brother, Charlie, tries to find another book she will enjoy.

Puffling

Even though Henry is looking forward to going to kindergarten, he is not sure about staying once he first gets there.

Nice Work, Little Wolf!

Sung to the tune of "The Farmer in the Dell, " verses describe the activities on Halloween night.

Whiskey Ginger

Everything was going fine for Quinn MacKenna - until she accidentally stole from Nate Temple. Meet Quinn MacKenna, a black magic arms dealer from the mean streets of Boston. She knows how to drink, fight, and steal dangerous magical artifacts - but not for money. For favors. Because all her life she's wanted only one thing - a secret so dangerous and well-guarded that no one will give it up. A ticket to the Land of the Fae so she can find her dad and finally get some answers about her past. So she doesn't ask questions of her clients, only favors, hoping that they will eventually add up to get her what she so desperately desires. And with her unique ability to nullify magic, the world's deadliest artifacts - or the clients who demand them - don't really impress her very much. But that all changes when she accidentally robs the infamous Nate Temple, and finds herself in a much deeper world of monsters and conspiracies than she ever knew existed. Because Nate Temple and his friends aren't the only things to be afraid of. Now she has to worry about his enemies, too...

Dark and Stormy

Quinn finally gets what she's always wanted - a Fae-Cation. But now Boston faces annihilation. A bloody murder spree in the Land of the Fae with her vampire bestie should have been all fun and games for Quinn... that is, until she finally learns the stunning truth about her past and the decision she was born to make - a decision which threatens to bring her world to a screeching halt. Because the price is just too high. But when a trusted friend betrays her, unleashing the storm of the century - not to mention an army of ancient, lethal monsters - upon Boston Harbor, Quinn is forced to choose whether she will

save herself or those she cares about. This former black magic arms dealer must call in every favor she has ever earned, and, even then, there's a good chance she won't be strong enough to stop the Eye at the center of the storm from taking away everything she's ever loved. Because the only way to save Boston... Is to become something even worse. What she was born to become... The newest antihero in the Worldwide Bestselling Temple Verse by Shayne Silvers. Join Cameron O'Connell and Shayne at the literary bar to sip a dirty cocktail of feisty Irish brogue - with an unhealthy splash of monsters - TODAY! NOW IT'S YOUR TURN...***

Yuletide Punch

Tis the season...for slaying Fresh off a disturbingly long absence for which she has no explanation or recollection, Quinn MacKenna-reformed Catholic, semi-retired arms dealer, and borderline alcoholic-is busy enjoying the Nordic idea of an afterparty before becoming quickly embroiled in a bitter power struggle coinciding with the advent of the Yuletide season. The issue at hand: the future of the Norse pantheon and its role in the mysterious Omega War to come. The participants: Odin, the All-father and leader of the Aesir, against his younger brothers, Vili and Vé. Unfortunately, amidst this tumultuous backdrop, Quinn finds herself bereft of everything she once possessed: her Valkyrie armor, her legendary spear, and even her dubious divinity. As such, Quinn has no choice but to broker lopsided alliances and cultivate tenuous friendships while searching for answers to questions she doesn't even know how to ask. Of course, when dealing with ancient and occasionally spiteful gods, it's not always easy to tell who's been naughty and who's been nice. To that end, Quinn must decide what paths to take and how far she's willing to go down them-even if that means doing so while blind. But then perhaps it really is as simple as some people say: seeing is believing and believing is seeing. Even if you have to trade an eye for the privilege. If you like Jim Butcher, Kevin Hearne, Steve McHugh, Michael Anderle, Ilona Andrews, Patricia Briggs, Shannon Mayer, or K.F. Breene, you won't be able to put down the highly addictive Phantom Queen Diaries or anything else in the Temple Verse. "Shayne Silvers, Jim Butcher, and Kevin Hearne are easily my favorite Urban Fantasy Authors. In that order." - Michael Anderle, Amazon Top 25 Bestselling Author More than 1m copies downloaded and thousands of five-star reviews. Available in digital, print, and audiobook formats. What Amazon readers are saying:

'His foul-mouthed unicorn murders rainbows!' 'Move over Dresden!' 'The Temple Verse HAS to be picked up by Netflix soon.' 'Silvers could write a grocery list on a dirty napkin and make it an international bestseller.' 'I went from crying my eyes out to laughing uncontrollably, repeatedly.' 'It's like the characters walked off the page, joined me at the bar, and bought me a drink.' 'I am astounded as to how the author keeps the story fresh and exciting.' 'I usually see plot twists a mile away. Shayne has proven me wrong. Every time.' 'Best books I've read in thirty years.' 'His intense actions scenes let you see the fangs and claws, hear the gunshots, feel the magic, and smell the fear.' 'Everything you thought you knew about vampires, shifters, dragons, wizards, fairies and gods is flat wrong.' 'Publishers who didn't snap up this series are missing out on a gold mine.' Silvers has pleased over one million readers with the Temple Universe. Now it's your turn for a little pleasuring...

Last Call

You thought you knew how crazy the TempleVerse could get? Hold my beer¿LAST CALL is a collection of three drunken novellas set in the TempleVerse, including:Motherlucker-Callie and Quinn's girls' night out in Vegas.Collins-Quinn's prequel novella to the Phantom Queen Diaries.Beerlympian-Gunnar's bachelor party.Get ready for some shenanigans¿ You might need a drink just to comprehend the insanity.

Moonshine

After surviving one Hell of a journey, Quinn MacKenna-black magic arms dealer turned demigod-dess-was really looking forward to spending some quality time with friends. And maybe a beer. Unfortunately time is the only thing Quinn doesn't have, and all her friends are either missing, in hiding,

or imprisoned-including her favorite bartender. Then again, after being gone a year and six months without sending so much as a postcard, what should she expect? With the world having literally spun out of control since she last stepped foot in the mortal realm, Quinn finds herself wandering Boston, penniless and without a home. To make matters worse, it seems a very powerful, very mysterious someone has overthrown the powers that be and set something Wild loose in her city. Something determined to Hunt down every last soul Quinn cares about. Unless she turns herself in before the next full moon. Facing a decision she cannot afford to make and a deadline she cannot afford to miss, Quinn has no choice but to leave Boston in someone else's capable hands. Fortunately, if her adventures have taught her nothing else, it's that she can't do everything herself. Which is why-when a pack of Missouri werewolves lead her to question the motives of a white witch-Quinn looks for an enchanting solution. In the end, Quinn will be called upon to weigh the needs of her city against her own. But first, she will have to tap into a power she does not understand, reunite with some exceptionally Sick acquaintances, start a witch-hunt, and stop a massacre. And all before the next full moon-unless she wants to owe a certain goddess a debt that could take an eternity to repay. Turns out being immortal isn't as much fun as Quinn thought it would be. But then, nobody ever said moonlighting as a deity would be easy-though they probably should have mentioned the tremendous sacrifices she'd be asked to make. Like having to wear a freaking dress.

Ulysses

Welcome to Boston, where all your nightmares come to life. Quinn MacKenna learns that the cure for a blinding hangover is simple. Don't answer your freaking door, and stay in bed. Otherwise, you might find yourself roped into a murder investigation, asked to rescue a former international spy, forced to dodge bullets with a Valkyrie, or to take on a power-hungry Fae. Hypothetically speaking. In hindsight, snorting aspirin would have been the wiser choice. Welcome the newest antihero in the Worldwide Bestselling Temple Verse by Shayne Silvers. Join Cameron O'Connell and Shayne at the literary bar to sip a dirty cocktail of feisty Irish brogue - with an unhealthy splash of monsters - TODAY!

Old Fashioned

It's time for Quinn MacKenna to pay off a debt - to Nate Temple. And New York City will never be the same. Quinn MacKenna is a black-magic arms dealer from Boston, but her world drastically changed after accidentally robbing Nate Temple a few weeks ago. Primarily, that her absolution might have come with some strings attached. Like a trip to the Big Apple to steal a mysterious and deadly artifact for Grimm Tech - strictly off the books. But it doesn't take her long to learn that she isn't the only one after the magical whatsit, and that the monsters in New York play for keeps. Key word being play. Because they've all heard about the little ginger from Boston, and want to see if she tastes as sweet as she looks... And that's before she learns that Heaven and Hell have stepped into the game... Maybe it's time Quinn finds some allies from St. Louis. Or the Brooklyn Bridge may just become a memory. Along with Quinn.

Cosmopolitan

The White Rose marches for war. The angels will weep, the devils will cry, and mankind may die. Callie Penrose wields the Spear of Destiny and wears Envy's Halo-the corrupting power of darkness balanced by the legendary blade of light. Both fight for dominance of the White Rose, but which force will win? Her best friend, Claire, has been abducted or killed, and her only surviving family has been ritualistically murdered to hide the truth of the Divines and the Sev'n Most Sinist'r. Heaven has deemed her a criminal and Hell begs her to be their queen or die. The Vatican is preparing to march on the City of Fountains to defend mankind against the horrors of the White Rose, the new Master Dracula, once and for all. The answers to her past-and mankind's future-are hidden deep within Solomon's Temple, locked away for very good reason. Callie will have to face some dark, painful truths to bring harmony to a world gone mad. To discover why Heaven and Hell are so eager to bring her under their control. But the Horsewoman of Despair is not alone. The Horseman of Justice and Absolution ride to Kansas City to lay waste to her foes. Three of the Dread Four will march against the forces of Heaven, Hell, and the Vatican. And Kansas City is not the only battleground. The Garden of Eden is in grave peril, and no one knows if Callie is the danger or if she's the savior. After all, how good can Master Dracula be? The Halo Breaker rides a path as thin as the edge of a sword, and even she doesn't know what is right or wrong. But that's what family is about. Getting into-and out of-trouble. Let's just hope the city can survive. Let us pray that the Garden of Eden will thrive. The flip of a coin will decide the fate of the world.

Halo Breaker

Still, to say that it all began when Sophie Mol came to Ayemenem is only one way of looking at it . . . It could be argued that it actually began thousands of years ago. Long before the Marxists came. Before the British took Malabar, before the Dutch Ascendancy, before Vasco da Gama arrived, before the Zamorin's conquest of Calicut. Before Christianity arrived in a boat and seeped into Kerala like tea from a teabag. That it really began in the days when the Love Laws were made. The laws that lay down who should be loved, and how. And how much.

The God of Small Things

Do not go gentle into that ghould night.Valentine IX, orphaned son of Britannia and state-sanctioned executioner, sits in an Anatolian cell accused of a murder he did not commit. While such accommodations are hardly unfamiliar to the man he has become, this time is different. This time, Valentine is charged with the slaughter of a Germani princess a mere week before she was to be wed. And so-armed with nothing but pen and parchment, and filled with a nagging sense of duty-it is up to Valentine to set the record straight.Thus begins the swan song of Valentine the Butcher, a tale of intrigue and betrayal set against the backdrop of an otherworldly metropolis on the fringes of a sprawling empire teeming with gravity-defying skyships, infernal monsters, systemic greed, and draconian double-agents. And it is here, amidst society's seedy underbelly, that Valentine first encounters the foul curse that started it all-a plague known only to myth, tied to a legend that may never die.In a world where naked flame is outlawed and monsters are common as cattle, the fate of humanity will hinge upon the ink-stained ramblings of an avowed arsonist. But you know what they say...Ignis aurum probat.Fire tests gold.

Cinders & Salt

"A city that doesn't believe in magic. A weredragon invasion. Good thing this reckless playboy is a wizard... It's been said that monsters cry when a good man goes to war. But they should run screaming like terrified school girls when that man is a wizard, and not necessarily good..."--Author's website.

Obsidian Son

Every war begins at home.Powerless and still reeling from her trip through time and space, Quinn MacKenna finally returns to Boston looking to rediscover herself and rekindle old friendships. Instead, she finds herself in a war-torn metropolis occupied by the Fae's darkest and most terrifying inhabitants.Determined to learn how this came about, Quinn embarks on a calamitous journey across her hometown that will pit her against primordial forces unlike any she's faced so far-be they storybook monsters, a malevolent and manipulative god, a devastating and mysterious curse, or even the fallout from choices made long ago.With stakes this high and the fate of an entire city hanging in the balance, the question is will Quinn be able to survive on her own, or can she count on allies old and new to have her back when it matters most? And what happens when those she thought she could trust turn out to have allegiances and motives of their own?The answers to these questions and more will be revealed in this, the latest and longest installment of The Phantom Queen Diaries to date!If you like Jim Butcher, Kevin Hearne, Steve McHugh, Michael Anderle, Ilona Andrews, Patricia Briggs, Shannon Mayer, or K.F. Breene, you won't be able to put down the highly addictive Phantom Queen Diaries or anything else in the Temple Verse.

Boilermaker

DigiCat Publishing presents to you this special edition of "Roughing It in the Bush" by Susanna Moodie. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Roughing It in the Bush

Quinn MacKenna is on the warpath to save her bartender. Bear-tender whatever. And it might just break Russia.In every person's life there comes a point where well-meaning people mutter empty Hallmark Card platitudes like "it's all downhill from here," or "the only way to go now is up."For Quinn, black magic arms dealer and potential Fae royalty, that time is now.Fresh after the death of her sole caretaker at the hands of a once-trusted ally, Quinn must forge new alliances and rekindle old friendships if she's going to recover and find her place in the world.She just didn't know step one would take her straight

to Moscow, and into the ever-pleasant, rolling hills of Siberia. But there's one thing an Irish gal simply cannot do...leave her bartender behind. Even if it means squaring off against ex-special forces shifter bears. The newest antihero in the Worldwide Bestselling Temple Verse by Shayne Silvers. Join Cameron O'Connell and Shayne at the literary bar to sip a dirty cocktail of feisty Irish brogue - with an unhealthy splash of monsters - TODAY!

Moscow Mule

Longlisted for the Carnegie Medal Winner of the American Library Association Morris Award for best debut YA Winner of the Amelia Elizabeth Walden Book Award for Young Adult Fiction A BuzzFeed Best of 2016 book Goodreads Choice Awards finalist A Barnes & Noble Best Book of 2016 Publishers Weekly Best of 2016 Dill is a misfit in his small, religious Tennessee town. His dad is in prison for a shocking crime, and his mom is struggling to make ends meet. The only things getting Dill through senior year are his guitar and his fellow outcasts, Travis and Lydia. Travis is an oddball who finds comfort from his violent home life in an epic fantasy book series. And Lydia is like no one else: fast-talking, creative and fiercely protective. Dill fears his heart will break when she escapes to a better life elsewhere. What Dill needs now is some bravery to tell Lydia how he feels, to go somewhere with his music – and to face the hardest test of all when tragedy strikes.

The Serpent King

In these pages, the authors of the widely-acclaimed *The Wellness Syndrome* throw themselves headlong into the world of self-optimization, a burgeoning movement that seeks to transcend the limits placed on us by being merely human, whether the feebleness of our bodies or our mental incapacities. Cederström and Spicer, though willing guinea pigs in an extraordinary (and sometimes downright dangerous) range of techniques and technologies, had hitherto undertaken little by way of self-improvement. They had rarely seen the inside of a gym, let alone utilized apps that deliver electric shocks in pursuit of improved concentration. But, in the course of a year spent researching this book, they wore head-bands designed to optimize meditation, attempted to boost their memory through learning associative techniques (and failed to be admitted to MENSA), trained for weightlifting competitions, wrote what they (still) hope might become a bestselling Scandinavian detective story, enrolled in motivational seminars and tantra sex workshops, attended new-age retreats and man-camps, underwent plastic surgery, and experimented with vibrators and productivity drugs. André even addressed a London subway car whilst (nearly) naked in an attempt to boost attention. Somewhat surprisingly, the two young professors survived this year of rigorous research. Further, they have drawn deeply on it to produce a hilarious and eye-opening book. Written in the form of two parallel diaries, *Desperately Seeking Self-Improvement* provides a biting analysis of the narcissism and individual competitiveness that increasingly pervades a culture in which social solutions are receding and individual self-improvement is the only option left.

Desperately Seeking Self-Improvement

Thanks to a witchy homebrew, Quinn MacKenna-part-time goddess, full-time troublemaker-has slipped past death's door to rekindle an old flame and snuff out an old friend. But in order to do that, Quinn will need allies, be they an alcoholic ferryman, a deadly Horseman, or some of the most feared and respected gods this side of the afterlife. In a do or die effort to track down her old nemesis, Quinn must first expose dark truths, strike a bargain with Hades himself, and journey to a realm fraught with bloodshed and brimming with booze. The sort of place only a warrior could love-or a scrappy redhead from Boston. Quinn quickly becomes immersed in all manner of schemes and intrigues that threaten to distract her from her goals-like starting a bar fight in Valhalla, or flying with the Valkyries, or surviving the mists of Niflheim with the power of a stolen kiss. Quinn's devil may care attitude will lead her down a brimstone path paved with good intentions, reminding her that, sometimes, you have to be willing to lose everything if you want to find anything. Especially if that thing happens to be a mythical city littered with ancient treasures. In the end, Quinn will have no choice but to wallow in the past or embrace her future as her toughest crucible threatens to become her greatest failure. Will she emerge victorious, or will she remain doomed to wander the beyond for all eternity? Come hell or high water, there's only one way to find out.

Brimstone Kiss

Callie Penrose - a wizard with a splash of Angel's blood flowing through her veins - kind of broke the Vatican and their band of Holy-warrior, wizard-priests, the Shepherds. Officially, the report stated Callie forgot to turn the other cheek, and things escalated ... She returns home to Kansas City to find new gangs of supernaturals roving the streets, preying on the innocent while the local factions do nothing. Although not unified, everyone seems to agree on one point ... Callie Penrose must die. And she's still hearing those strange Whispers in her mind - much more frequently than before, and not nearly as ... forgiving. But when an epic betrayal blindsides her and she discovers the truth of her birth - why Heaven and Hell have been so interested in her - Callie's world begins to crumble, and she must decide whether she wants to be a good girl ... Or if it's time to be a little naughty. No matter how hard you try, you can't make an Angel cry ... They just roar.

Angel's Roar

It began with a key. One afternoon in 1956, in the home of the Hitchings family in Battersea, south London, a small silver key appeared on Shirley Hitchings' bed. This seemingly insignificant event heralded the beginning of one of the most terrifying, incredible and mysterious hauntings in British history. The spirit, who quickly became known as 'Donald', began to communicate, initially via tapping sounds, but over time - and with the encouragement of psychical researcher Harold Chibbett, whose case-files appear here – by learning to write. Soon, the spirit had begun to make simply incredible claims about his identity, insisting that he was one of the most famous figures in world history – but what was the truth? Here, for the first time, is the full story, told by the woman right at the heart of it all – Shirley herself.

The Poltergeist Prince of London

THE TIKTOK SENSATION Discover the million-copy bestselling fantasy read. The circus arrives without warning. It is simply there, when yesterday it was not. Against the grey sky the towering tents are striped black and white. A sign hanging upon an iron gates reads: Opens at Nightfall Closes at Dawn Full of breath-taking amazements and open only at night, Le Cirque des Rêves seems to cast a spell over all who wander its circular paths. But behind the glittering acrobats, fortune-tellers and contortionists a fierce competition is underway. Celia and Marco are two young magicians who have been trained since childhood for a deadly duel. With the lives of everyone at the Circus of Dreams at stake, they must test the very limits of the imagination, and of their love. Complete your collection with *The Starless Sea*, the second novel from the author of *The Night Circus*, out now. 'The only response to this novel is simply: wow. It is a breath-taking feat of imagination, a flight of fancy that pulls you in and wraps you up in its spell' *The Times*

The Night Circus

Thomas Mann predicted that no manner or mode in literature would be so typical or so pervasive in the twentieth century as the grotesque. Assuredly he was correct. The subjects and methods of our comic literature (and much of our other literature) are regularly disturbing and often repulsive -- no laughing matter. In this ambitious study, John R. Clark seeks to elucidate the major tactics and topics deployed in modern literary dark humor. In Part I he explores the satiric strategies of authors of the grotesque, strategies that undercut conventional usage and form: the de-basement of heroes, the denigration of language and style, the disruption of normative narrative technique, and even the debunking of authors themselves. Part II surveys major recurrent themes of grotesquerie: tedium, scatology, cannibalism, dystopia, and Armageddon or the end of the world. Clearly the literature of the grotesque is obtrusive and ugly, its effect morbid and disquieting -- and deliberately meant to be so. Grotesque literature may be unpleasant, but it is patently insightful. Indeed, as Clark shows, all of the strategies and topics employed by this literature stem from age-old and spirited traditions. Critics have complained about this grim satiric literature, asserting that it is dank, cheerless, unsavory, and negative. But such an interpretation is far too simplistic. On the contrary, as Clark demonstrates, such grotesque writing, in its power and its prevalence in the past and present, is in fact conventional, controlled, imaginative, and vigorous -- no mean achievements for any body of art.

The Modern Satiric Grotesque and Its Traditions

A novelist and short-story writer, Willa Cather is today widely regarded as one of the foremost American authors of the twentieth century. Particularly renowned for the memorable women she created for such works as *My Antonia* and *O Pioneers!*, she pens the portrait of another formidable character in *The*

Song of the Lark. This, her third novel, traces the struggle of the woman as artist in an era when a woman's role was far more rigidly defined than it is today. The prototype for the main character as a child and adolescent was Cather herself, while a leading Wagnerian soprano at the Metropolitan Opera (Olive Fremstad) became the model for Thea Kronborg, the singer who defies the limitations placed on women of her time and social station to become an international opera star. A coming-of-age-novel, important for the issues of gender and class that it explores, *The Song of the Lark* is one of Cather's most popular and lyrical works. Book jacket.

The Song of the Lark

The New York Times bestseller and basis for the Tony-winning hit musical, soon to be a major motion picture starring Cynthia Erivo and Ariana Grande With millions of copies in print around the world, Gregory Maguire's *Wicked* is established not only as a commentary on our time but as a novel to revisit for years to come. *Wicked* relishes the inspired inventions of L. Frank Baum's 1900 novel, *The Wonderful Wizard of Oz*, while playing sleight of hand with our collective memories of the 1939 MGM film starring Margaret Hamilton (and Judy Garland). In this fast-paced, fantastically real, and supremely entertaining novel, Maguire has populated the largely unknown world of Oz with the power of his own imagination. Years before Dorothy and her dog crash-land, another little girl makes her presence known in Oz. This girl, Elphaba, is born with emerald-green skin—no easy burden in a land as mean and poor as Oz, where superstition and magic are not strong enough to explain or overcome the natural disasters of flood and famine. Still, Elphaba is smart, and by the time she enters Shiz University, she becomes a member of a charmed circle of Oz's most promising young citizens. But Elphaba's Oz is no utopia. The Wizard's secret police are everywhere. Animals—those creatures with voices, souls, and minds—are threatened with exile. Young Elphaba, green and wild and misunderstood, is determined to protect the Animals—even if it means combating the mysterious Wizard, even if it means risking her single chance at romance. Ever wiser in guilt and sorrow, she can find herself grateful when the world declares her a witch. And she can even make herself glad for that young girl from Kansas. Recognized as an iconoclastic tour de force on its initial publication, the novel has inspired the blockbuster musical of the same name—one of the longest-running plays in Broadway history. Popular, indeed. But while the novel's distant cousins hail from the traditions of magical realism, mythopoeic fantasy, and sprawling nineteenth-century sagas of moral urgency, Maguire's *Wicked* is as unique as its green-skinned witch.

Wicked

Sylvia Plath began keeping a diary as a young child. By the time she was at Smith College, when this book begins, she had settled into a nearly daily routine with her journal, which was also a sourcebook for her writing. Plath once called her journal her "Sargasso," her repository of imagination, "a litany of dreams, directives, and imperatives," and in fact these pages contain the germs of most of her work. Plath's ambitions as a writer were urgent and ultimately all-consuming, requiring of her a heat, a fantastic chaos, even a violence that burned straight through her. The intensity of this struggle is rendered in her journal with an unsparing clarity, revealing both the frequent desperation of her situation and the bravery with which she faced down her demons. Written in electrifying prose, *The Journals of Sylvia Plath* provide unique insight, and are essential reading for all those who have been moved and fascinated by Plath's life and work.

The Journals of Sylvia Plath

Hal Wallis (1898-1986) might not be as well known as David O. Selznick or Samuel Goldwyn, but the films he produced—*Casablanca*, *Jezebel*, *Now, Voyager*, *The Life of Emile Zola*, *Becket*, *True Grit*, and many other classics (as well as scores of Elvis movies)—have certainly endured. As producer of numerous films, Wallis made an indelible mark on the course of America's film industry, but his contributions are often overlooked. Bernard Dick offers the first comprehensive assessment of the producer's incredible career. A former office boy and salesman, Wallis first engaged with the film business as the manager of a Los Angeles movie theater in 1922. He attracted the notice of the Warner brothers, who hired him as a publicity assistant. Within three months he was director of the department, and appointments to studio manager and production executive quickly followed. Wallis went on to oversee dozens of productions and formed his own production company in 1944. Dick draws on numerous sources such as Wallis's personal production files and exclusive interviews with many of his contemporaries to finally tell the full story of his illustrious career. Dick combines his knowledge

of behind-the-scenes Hollywood with fascinating anecdotes to create a portrait of one of Hollywood's early power players.

Hal Wallis

Of all the plants men have ever grown, none has been praised and denounced as often as marihuana (*Cannabis sativa*). Throughout the ages, marihuana has been extolled as one of man's greatest benefactors and cursed as one of his greatest scourges. Marihuana is undoubtedly a herb that has been many things to many people. Armies and navies have used it to make war, men and women to make love. Hunters and fishermen have snared the most ferocious creatures, from the tiger to the shark, in its herculean weave. Fashion designers have dressed the most elegant women in its supple knit. Hangmen have snapped the necks of thieves and murderers with its fiber. Obstetricians have eased the pain of childbirth with its leaves. Farmers have crushed its seeds and used the oil within to light their lamps. Mourners have thrown its seeds into blazing fires and have had their sorrow transformed into blissful ecstasy by the fumes that filled the air. Marihuana has been known by many names: hemp, hashish, dagga, bhang, loco weed, grass--the list is endless. Formally christened *Cannabis sativa* in 1753 by Carl Linnaeus, marihuana is one of nature's hardiest specimens. It needs little care to thrive. One need not talk to it, sing to it, or play soothing tranquil Brahms lullabies to coax it to grow. It is as vigorous as a weed. It is ubiquitous. It flourishes under nearly every possible climatic condition.

Marihuana

The young man on his way to "Castle Cut 'Em" was a clean-cut picture of self-reliant youth. But he was not walking as one who goes to a welcome task. He saw two men ahead of him who walked with as little display of eagerness; men whose shoulders were stooped and whose hands swung listlessly as do hands that are astonished at finding themselves idle. The young man, with the memory of his college classics sufficiently fresh to make him fanciful, found suggestion of chained monsters in the aspect of those shrieking mills, with slip-openings like huge mouths. That same imagery invested the big building on the hill with attributes that were not reassuring. But he went on up the street in the sunshine, his eyes on the broad backs of the plodders ahead. King Spruce was in official session. Men who were big, men who were brawny, yet meek and apologetic, were daily climbing the hill or waiting in the big building to have word with the Honorable John Davis Barrett, who was King Spruce's high chamberlain. Dwight Wade found half a dozen ahead of him when he came into the general office. They sat, balancing their hats on their knees, and each face wore the anxious expectancy that characterized those who waited to see John Barrett. Wade had lived long enough in Stillwater to know the type of men who came to the throne-room of King Spruce in midsummer. These were stumpage buyers from the north woods, down to make another season's contract with the lord of a million acres of timber land. Their faces were brown, their hands were knotted, and when one, in his turn, went into the inner office he moved awkwardly across the level tiles, as though he missed the familiar inequalities of the forest's floor.

King Spruce, A Novel

They say time heals all wounds. They lied. After recovering her memories at great personal cost, Quinn MacKenna finds herself reliving those moments she thought lost forever. What she could not know, however, was that doing so would not only expose the brutal truths behind her very existence but entangle her in the lives of so many others--a list that includes notorious figures with surnames like Temple, Solomon, and Ambrosius. Forced to leap through time and space with a mysterious companion in tow and a truly terrifying spell on her heels, Quinn has no choice but to play the part she was always meant to play--even if that means lying to her closest friends, trading away her every advantage, and sacrificing everything she holds dear. In doing so, however, Quinn will encounter unprecedented, mind-blowing revelations the likes of which no one could have possibly foreseen. Well, almost no one. Suffice it to say, if you've come looking for answers to some of the Templeverse's most compelling questions and insight into some of its most intriguing characters, look no further than the newest installment of the Phantom Queen Diaries.

Snakebite

The greatest trick the First Vampire ever pulled was convincing the world that he didn't exist. Before the now-infamous Count Dracula ever tasted his first drop of blood, Sorin Ambrogio owned the night...and now he's back. Fleeing Europe and starting a new chapter in his diary of death--one not written in blood--Sorin finds new meaning to his life when he is adopted into a Native American tribe in the

American Colonies. A wife and a miracle child give this monster a new beginning. Until his vampiric past comes back to haunt him, to eradicate him, to burn his name from their histories and to murder anyone who ever met him--especially his family. Wounded and on the brink of death, Sorin vows to avenge the fallen if the tribe's Medicine Man--the only other survivor--will put Sorin into a healing slumber. His sleep was only supposed to be brief--days or weeks. But Sorin is awoken centuries later by a fledgling Shaman named Nosh--a descendant of the very Medicine Man who first put Sorin to sleep centuries before--who will risk anything to avenge his own murdered tribe from the vampires and other monsters now openly walking the streets of present-day Manhattan. Sorin steps into a world that has drastically changed from the virginal American Colonies he had come to call home. When humanity's only savior is the first man-made devil, the streets of New York City will flow with rivers of blood.

Devil's Dream

Common Errors in English Usage

In *Mirrors*, Galeano smashes aside the narrative of conventional history and arranges the shards into a new pattern, to reveal the past in radically altered form. From the Garden of Eden to twenty-first-century cityscapes, we glimpse fragments in the lives of those who have been overlooked by traditional histories: the artists, the servants, the gods and the visionaries, the black slaves who built the White House, and the women who were bartered for dynastic ends

Mirrors

Irwin Chusid profiles a number of "outsider" musicians - those who started as "outside" and eventually came "in" when the listening public caught up with their radical ideas. Included are The Shaggs, Tiny Tim, Syd Barrett, Joe Meek, Captain Beefheart, The Cherry Sisters, Daniel Johnston, Harry Partch, Wesley Willis, and others.

Songs in the Key of Z

There are only two ways a human can cross the gates of Bloodstone Institute: as a familiar to one of the Blueblood vampires who attend the elite school or as a snack. I'm neither, but I have to get in at all costs. My brother made a big mistake, and now I have to fix it by stealing from the most powerful and cruel vampire to ever come to Bloodstone, Lucca Della Morte. If that wasn't almost suicidal, I need to get it done before the spell concealing my human nature wears off. But I forget that I'm only pretending to be a vampire. I'm still human and susceptible to Lucca's dangerous allure. His darkness calls to my soul. His savagery makes my blood sing. I'm falling for the dark prince, craving him in a visceral way that's frightening and exciting at the same time. If he discovers my secret, he'll destroy me. And yet, I can't help wanting to get closer. I never thought I had a death wish until I met him.

Dark Prince

100 Atmospheres is an invitation to think differently. Through speculative, poetic, and provocative texts, thirteen writers and artists have come together to reflect on human relationships with other species and the planet.

100 Atmospheres

Considered by many to be a founder of Afrofuturism, Sun Ra—aka Herman Blount—was a composer, keyboardist, bandleader, philosopher, entrepreneur, poet, and self-proclaimed extraterrestrial from Saturn. He recorded over 200 albums with his Arkestra, which, dressed in Egypto-space costumes, played everything from boogie-woogie and swing to fusion and free jazz. John Szwed's *Space is the Place* is the definitive biography of this musical polymath, who was one of the twentieth century's greatest avant-garde artists and intellectuals. Charting the whole of Sun Ra's life and career, Szwed outlines how after years in Chicago as a blues and swing band pianist, Sun Ra set out in the 1950s to impart his views about the galaxy, black people, and spiritual matters by performing music with the Arkestra that was as vital and innovative as it was mercurial and confounding. Szwed's readers—whether they are just discovering Sun Ra or are among the legion of poets, artists, intellectuals, and musicians who consider him a spiritual godfather—will find that, indeed, space is the place.

Space Is the Place

Eleven-year-old Owen Meany, playing in a Little League baseball game in New Hampshire, hits a foul ball and kills his best friend's mother. Owen does not believe in accidents and believes he is God's instrument. What happens to Owen after that 1953 foul is both extraordinary and terrifying.

A Prayer for Owen Meany

Meet Callie Penrose, rookie spell-slinger for the Vatican Shepherds - otherwise known as the monster hunters. But is she Heaven's Devil or Hell's Angel.

Unchained

#1 NEW YORK TIMES BESTSELLER • The incredible true story of survival and salvation that is the basis for two major motion pictures: 2014's *Unbroken* and the upcoming *Unbroken: Path to Redemption*. On a May afternoon in 1943, an Army Air Forces bomber crashed into the Pacific Ocean and disappeared, leaving only a spray of debris and a slick of oil, gasoline, and blood. Then, on the ocean surface, a face appeared. It was that of a young lieutenant, the plane's bombardier, who was struggling to a life raft and pulling himself aboard. So began one of the most extraordinary odysseys of the Second World War. The lieutenant's name was Louis Zamperini. In boyhood, he'd been a cunning and incorrigible delinquent, breaking into houses, brawling, and fleeing his home to ride the rails. As a teenager, he had channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics and within sight of the four-minute mile. But when war had come, the athlete had become an airman, embarking on a journey that led to his doomed flight, a tiny raft, and a drift into the unknown. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, a foundering raft, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. In her long-awaited new book, Laura Hillenbrand writes with the same rich and vivid narrative voice she displayed in *Seabiscuit*. Telling an unforgettable story of a man's journey into extremity, *Unbroken* is a testament to the resilience of the human mind, body, and spirit. Praise for *Unbroken* "Extraordinarily moving . . . a powerfully drawn survival epic."—*The Wall Street Journal* "[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring."—*New York* "Staggering . . . mesmerizing . . . Hillenbrand's writing is so ferociously cinematic, the events she describes so incredible, you don't dare take your eyes off the page."—*People* "A meticulous, soaring and beautifully written account of an extraordinary life."—*The Washington Post* "Ambitious and powerful . . . a startling narrative and an inspirational book."—*The New York Times Book Review* "Marvelous . . . *Unbroken* is wonderful twice over, for the tale it tells and for the way it's told. . . . It manages maximum velocity with no loss of subtlety."—*Newsweek* "Moving and, yes, inspirational . . . [Laura] Hillenbrand's unforgettable book . . . deserve[s] pride of place alongside the best works of literature that chart the complications and the hard-won triumphs of so-called ordinary Americans and their extraordinary time."—Maureen Corrigan, *Fresh Air* "Hillenbrand . . . tells [this] story with cool elegance but at a thrilling sprinter's pace."—*Time* "Unbroken is too much book to hope for: a hellride of a story in the grip of the one writer who can handle it."—Christopher McDougall, author of *Born to Run*

Unbroken (Movie Tie-in Edition)

DigiCat Publishing presents to you this special edition of "How to Talk Dirty and influence people" by Lenny Bruce. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.
