Le livre de la maison et de la décoration au point de croix

Christel Elbaz consacre ce nouveau livre à la décoration de la maison : éléments brodés pour la cuisine, pour les chambres, le salon ou le jardin. Ce sont vingt réalisations qui sont présentées et expliquées pas à pas, avec des dessins à taille réelle et des photos de détail. Tous les points utilisés, les astuces et les conseils sont dévoilés en début d'ouvrage et rendent la réalisation des modèles facile et agréable. L'auteur, dont l'imagination semble sans fin, vous invite à nouveau à exercer vos talents de brodeuse ou vous initier à la broderie traditionnelle d'une façon simple et accessible pour un résultat toujours plein de charme et d'élégance. Un livre qui n'en doutons pas aura le même succès que le précédent !

Le point de croix

In Embroidery pour la Maison, a delightful little craft book from French artist Sylvie Blondeau, you'll find more than 100 adorable ways to personalize and decorate everyday items in your home. Part of a new series of embroidery books and featuring more 100 projects and twenty-one different needlepoint methods, Embroidery pour la Maison includes easy-to-follow directions and plenty of inspiration to personalize aprons, bags, and more. A fun, easy way for do-it-yourselfers to add a touch of charm to every room of the house—kitchen, bedroom, bathroom, living room, laundry room, and office. Embroidery pour la Maison is a valuable resource for crafters at all skill levels, complete with step-by-step instructions and illustrations.

Broderie déco pour la maison

Revisitez avec Hélène Le Berre ce tissu tendance débordant de fraîcheur et de légèreté. Pour notre plus grand bonheur, elle a choisi de l'associer au point de croix et ainsi d'allier la douceur de la broderie à la fantaisie du Liberty. Confectionnez de petits objets mode (pochette, miroir de poche, bijou de tête), de la déco pour votre maison (stickers, cadres, coussins) mais aussi d'adorables accessoires pour

bébé (chaussons, hochet, cubes). Laissez-vous enchanter par ces créations toutes plus ravissantes et originales les unes que les autres et amusez-vous en remplaçant, pourquoi pas, les couleurs ou les tissus.

Décoration pour la maison

Ce livre est le résultat d'années d'expériences et présente des ouvrages simples à réaliser pour la décoration de la maison en broderie Hardanger. 12 idées de réalisation sont proposées : coussin senteur, tableau, boîte à ouvrage, porte-revues... Les points de broderie sont détaillés et expliqués avec photos techniques et grilles de réalisation à l'appui. Chaque modèle proposé est présenté en situation, avec sa grille et des explications détaillées.

LE POINT DE CROIX DANS LA MAISON.

« PARLER de SOIE » est consacré à l'étude de la SOIE dans toute sa dimension. Nous avons voulu englober les femmes et les hommes qui ont travaillé la SOIE, ou participé aux techniques de sa fabrication, mais aussi toutes celles et tous ceux qui l'utilisèrent pour sa finesse, son brillant, sa ténacité, la beauté de ses coloris. Appartenant à la quatrième génération travaillant dans ce monde merveilleux de la SOIE, comme moulinier, transformateur, marchand, j'ai eu l'honneur de représenter cette noble matière sur les ROUTES de la SOIE, ROUTES de DIALOGUE de l'UNESCO, comme membre de l'équipe scientifique internationale et j'ai été nommé expert près de la Cour d'appel de Paris. Ce livre est né de cette participation à l'UNESCO et de la demande de certains confrères de continuer le glossaire de mon livre ARTS et TECHNIQUES de la SOIE¹, projet associé de l'UNESCO. Il représente plusieurs dizaines d'années de recherches, des centaines de rencontres, des milliers d'heures de lectures. Il n'est certainement pas exhaustif. IL EST un HYMNE à la PLUS BELLE, la PLUS NOBLE des FIBRES: la SOIE. Merci à toutes celles et à tous ceux qui, à travers le monde m'ont permis de le réaliser. 1. Éditions
