Oysterville Sewing Circle

Synopsis coming soon.....

The Oysterville Sewing Circle

Forced by scandal to return to her Pacific coast childhood home, a Manhattan fashionista assumes guardianship over two orphans and bonds with a circle of fellow seamstresses before an unexpected challenge tests her courage and heart.

The Sewing Circle

Greta Garbo, Marlene Dietrich, and Barbara Stanwyck—to name a few—maintained their images as glamorous big-screen sex symbols complete with dashing escorts, handsome husbands, and scores of male admirers, thanks to studio publicity departments. But off the set, all three box office divas were involved in “lavender” marriages (marriages of convenience, often to gay men) or remained stoically single. They, and several other Hollywood starlets of the era, were members of a discreet women’s “club” called the Sewing Circle, Hollywood’s underground lesbian society. Madsen takes a candid look at the very complicated dual lives these great stars led and the impact their preference for same-sex relationships had on their movie careers.

Le Cercle de couture d'Oysterville

De retour à Oysterville, sa ville natale perdue sur les rives de l'océan Pacifique, et désormais tutrice des deux adorables enfants de sa meilleure amie tragiquement disparue. Ce n'est certainement pas de cette façon que Caroline pensait terminer l'année, elle qui se trouvait au sommet de sa carrière de créatrice de mode à Manhattan... Seulement, le destin lui a fait prendre un tout autre chemin, et c'est le cœur serré par l'appréhension qu'elle se prépare à sa nouvelle vie. Heureusement, elle va pouvoir compter sur le soutien indéfectible de sa famille, de ses amies du Cercle de couture et même d'Erik Jensen, son amour de jeunesse... A propos de l'auteur :Professeur diplômé de Harvard, Susan Wiggs a écrit plus de vingt-cinq romans, tous empreints d'une émotion et d'une finesse psychologique qui lui ont valu d'être plébiscitée par la critique et d'émouvoir, mais aussi de faire sourire ses lectrices dans le monde entier.

The Twelve Dogs of Christmas

"Don't miss this charming Christmas tale of thawing hearts, escaping dogs, and finding home. I couldn't help digging into this book with both paws." --Debbie Macomber, #1 New York Times bestselling author of *Must Love Flowers* The ultimate holiday gift from New York Times bestselling author Susan Wiggs: a delightful novel about a Christmas transport of rescue puppies that's guaranteed to warm readers' hearts. Brenda Malloy wants nothing to do with Christmas ever again. Last year, Brenda and her husband rushed their beloved dog Tim to the emergency vet on Christmas eve. The good news: Tim survived after the vet cleared the obstruction--a pair of women's lace undies. The bad news: the undies were not Brenda's. A year after the breakup, Brenda has put her life back together. She's trained for a marathon, is writing a children's novel, and she's found purpose and healing as a volunteer with a dog rescue organization in Houston, Texas. The rescue partners with a program in Avalon, New York--a small, snowy town deep in the Catskills. Now Brenda is arranging the transport of rescued dogs from Houston to Avalon--just in time for a merry Christmas with their forever families. Brenda's friends worry about her driving a van two thousand miles with twelve dogs in crates, but she shrugs off their concern. How hard can it be? She knows the way, and she's just looking to escape the Christmas overload for a while. But a blinding snowstorm, an escaped mutt, and a life-saving encounter with Adam Bellamy--a single dad and paramedic--means Brenda has to stay in Avalon longer than she planned. As she drops off each precious pup at their new homes, some of the comfort and joy of the season begins to creep up on Brenda despite her determination to avoid the holidays. Perhaps you can bring Christmas into your heart after all...if you have the right furry friends to guide the way.

Legendary Locals of the Long Beach Peninsula

Geographic isolation, abundant natural resources, and the challenging climate of Washington's Long Beach Peninsula have shaped the strong character, individuality, and creativity of those who live there--from the First Peoples of the Chinook Nation to the eclectic, ever-growing population of the 21st century. Along the Columbia River, the salmon industry has spawned leaders such as P.J. McGowan, John Kola, and Jessie Marchand. On Willapa Bay, oyster workers and cranberry growers like Meinert Wachsmuth, Ira Murakami, Charles Nelson, Jim Crowley, and Malcolm McPhail have struggled to understand and protect their fragile environment. Entrepreneurs like John Morehead, Mary Lou Mandel, Keleigh Schwartz; legislator Sid Snyder; surf rescuer Doug Knutzen; and artist Eric Wiegardt have each played a role in shaping this unique area. *Legendary Locals of the Long Beach Peninsula* chronicles the generations of inhabitants who have celebrated the distinctiveness of their communities even as they have endeavored to cooperate in sculpting their future.

Un refugio junto al mar

Caroline Shelby llegó al amanecer a Oysterville, Washington, un pequeño pueblo situado junto al furioso Pacífico. Un lugar que creía haber abandonado para siempre, el hogar que albergaba su corazón y sus recuerdos, pero no su futuro. Diez años atrás, había iniciado una carrera en el glamuroso mundo de la moda de Manhattan. Pero su exitosa carrera había acabado con un inesperado escándalo y una tragedia que la habían obligado a huir. En el asiento trasero del coche iban dos niños que habían perdido a su madre en un pavoroso instante, Addie, de cinco años, y Flick, de seis. Caroline se había convertido en su tutora, un papel para el que no sabía si estaba preparada. Pero el Oysterville había cambiado. Sus hermanos tenían sus propios problemas y sus padres estaban deseando traspasar su próspero restaurante a la siguiente generación. Y también estaba Will Jensen, militar condecorado SEAL de la Marina, que había vuelto a casa tras haber sido herido en el extranjero. De niños, Will y

Caroline habían sido amigos y su amistad parecía haber encerrado la promesa de algo más hasta que él se había enamorado de Sierra, la mejor amiga de Caroline y la chica más guapa del lugar. En un momento de su vida en el que el trabajo de modelo empezaba a escasear para ella, Sierra también se estaba reinventando a sí misma. Una vez en el pueblo, Caroline regresó a su lugar favorito: la tienda de telas de Lindy Bloom, la mujer que la había inspirado y enseñado a coser. Allí descubrió que, incluso en una idílica población costera, había mujeres que escondían oscuros secretos. Por eso creó el círculo de costura de Oysterville, en el que las mujeres podían sumar fuerzas para apoyarse y superar los problemas que mantenían en secreto. Justo cuando los niños comenzaban a superar su pérdida, un nuevo desafío puso a prueba el valor y el corazón de Caroline. Pero aquella vez no iba a huir. Iba a plantarse y a luchar por todos y por todo lo que amaba.

Um refúgio junto ao mar

Caroline Shelby chegou ao amanhecer a Oysterville, Washington, uma pequena povoação situada junto ao furioso Pacífico. Tinha voltado a casa. Era um lugar que pensava ter abandonado para sempre, o refúgio onde se mantinha o seu coração e as suas recordações, mas não o seu futuro. Há dez anos, tinha iniciado uma carreira no glamoroso mundo da moda de Nova Iorque. Mas a carreira de sucesso tinha acabado com um inesperado escândalo, seguido de uma tragédia que a tinha obrigado a fugir para o único lugar seguro que conhecia. No banco traseiro do carro iam as crianças que tinham perdido a mãe num instante aterrador, Addie, de cinco anos, e Flick, de seis. Caroline tinha-se tornado sua tutora. Mas a Oysterville que tinha deixado estava mudada. Os seus irmãos tinham os seus próprios problemas e os pais estavam desejosos de passar o seu próspero restaurante à geração seguinte. E também lá estava Will Jensen, militar condecorado das equipas SEAL da Marinha, que tinha regressado a casa depois de ter sido ferido no estrangeiro. Uma vez na cidade, regressou ao seu lugar preferido: a loja de tecidos de Lindy Bloom, uma mulher que a tinha inspirado e ensinado a coser. Ali descobriu que até na idílica povoação costeira havia mulheres que escondiam segredos obscuros. Por isso, criou o círculo de costura de Oysterville, onde as mulheres podiam unir forças e apoiarem-se umas às outras para superar os problemas que mantinham em segredo. Pela altura em que as crianças começavam a recuperar da sua perda, surgiu um novo desafio que pôs à prova o coração e o valor de Caroline. Mas daquela vez, não ia fugir. Ia marcar posição e lutar por todos e por tudo o que amava.

Ghost Stories of the Long Beach Peninsula

For centuries, the Long Beach Peninsula has been known for the treacherous waters off its western shore, prompting seafarers and fishermen to call it the "Graveyard of the Pacific." But it's not just the ghosts of shipwrecked mariners that residents whisper about on stormy winter nights. As "Ghost Stories of the Long Beach Peninsula" proves, the truly chilling tales are more often about earthbound spirits and specters that linger in the weathered communities along the Peninsula. Early settlers of the region, long-ago neighbors and family members sometimes refuse to leave the area, even after death. Join author and historian Sydney Stevens as she explores unanswered questions about the ghostly phantoms that cling tenaciously to this isolated region.

Clube de Costura dos Corações Remendados

Da mesma autora de A Livraria dos Achados e Perdidos e Mapa do coração, conheça esta história de superação e irmandade entre mulheres vítimas de violência doméstica que tecem uma rede de apoio em um clube de costura. "Clube de Costura dos Corações Remendados tem tudo: romance, corações partidos, recomeços e o poder consolador da irmandade." — Bookhub Nós acreditamos em você. Nós confiamos em você. No raiar do dia, Caroline Shelby chega em Oysterville, uma pequena vila no litoral do Pacífico, também conhecida como casa. Uma casa que ela achou ter deixado para trás, que sempre guardaria o coração e as lembranças dela, mas nunca seu futuro. Dez anos antes, Caroline se mudou para Manhattan para dar início a sua carreira como estilista no glamuroso mundo da moda nova-iorquino. Mas, quando seu sucesso é destruído em uma onda de escândalo e tragédia, ela é obrigada a fugir para o único lugar seguro que conhece. E, no banco de trás do carro, estão duas crianças órfãs, Addie, de 5 anos, e Flick, de 6, das quais ela agora é a guardiã legal. Mas Oysterville mudou. Seus irmãos têm vidas complicadas, os pais querem passar o restaurante da família para a nova geração e Will Jensen, seu melhor amigo de infância, está de volta, depois de ter se ferido numa operação militar. Em meio a tantas mudanças, Caroline busca abrigo em seu lugar favorito: a loja de costura de Lindy Bloom, a pessoa que a inspirou e a ensinou a costurar. Lá, ela descobre que até nas

idades litorâneas mais idílicas há mulheres que guardam segredos sombrios. E é assim que o Clube de Costura de Oysterville é inaugurado, um lugar em que mulheres podem unir forças para lidar com os problemas que mantêm escondidos.

The Sweeney Sisters

"This is a big-hearted belly-laugh of a book, told with wit and poignancy. Family secrets, laughter and tears, shocking reveals, and an uplifting ending make this a story to savor--and share."--Susan Wiggs, New York Times bestselling author of *The Lost and Found Bookshop* An accomplished storyteller returns with her biggest, boldest, most entertaining novel yet—a hilarious, heartfelt story about books, love, sisterhood, and the surprises we discover in our DNA. Maggie, Eliza, and Tricia Sweeney grew up as a happy threesome in the idyllic seaside town of Southport, Connecticut. But their mother's death from cancer fifteen years ago tarnished their golden-hued memories, and the sisters drifted apart. Their one touchstone is their father, Bill Sweeney, an internationally famous literary lion and college professor universally adored by critics, publishers, and book lovers. When Bill dies unexpectedly one cool June night, his shell-shocked daughters return to their childhood home. They aren't quite sure what the future holds without their larger-than-life father, but they do know how to throw an Irish wake to honor a man of his stature. But as guests pay their respects and reminisce, one stranger, emboldened by whiskey, has crashed the party. It turns out that she too is a Sweeney sister. When Washington, DC based journalist Serena Tucker had her DNA tested on a whim a few weeks earlier, she learned she had a 50% genetic match with a childhood neighbor—Maggie Sweeney of Southport, Connecticut. It seems Serena's chilly WASP mother, Birdie, had a history with Bill Sweeney—one that has remained totally secret until now. Once the shock wears off, questions abound. What does this mean for William's literary legacy? Where is the unfinished memoir he's stashed away, and what will it reveal? And how will a fourth Sweeney sister—a blond among redheads—fit into their story? By turns revealing, insightful, and uproarious, *The Sweeney Sisters* is equal parts cautionary tale and celebration—a festive and heartfelt look at what truly makes a family. "Dolan uses her experience in podcasting with her own sisters to craft believable women characters who worry about real problems and use wry humor to push through dark moments A warmhearted portrait of love embracing true hearts."—Kirkus

O sabor da esperança

Margot Salton não está exatamente fugindo, mas com certeza precisa de um recomeço — e, de preferência, bem longe do Texas. Sem família, depois de superar traumas inimagináveis, a única coisa que trouxe da antiga vida é seu gato e o talento para a arte do churrasco. Agora, o que Margot mais quer é finalmente abrir seu restaurante, bem no centro de São Francisco. A primeira impressão que Jerome Sugar — um confeitiro talentoso que aprendeu tudo o que sabe na confeitaria da família — tem da nova inquilina com quem vai dividir a cozinha comercial é, para dizer o mínimo, borrada. Afinal, ela quebrou seus óculos e o arremessou no chão nos primeiros cinco minutos de convívio. Felizmente, a impressão que Margot deixa em Ida, a mãe de Jerome, é muito mais positiva. À medida que cria uma conexão com a família Sugar, Margot começa a relaxar diante da promessa de um futuro mais brilhante. No entanto, quando os fantasmas do passado voltam para assombrá-la, ameaçando destruir tudo o que construiu, ela vai precisar tomar decisões difíceis para evitar retornar ao inferno do qual escapou. Com maestria, Susan Wiggs cria novamente uma história sobre resiliência e amor, mostrando como a esperança pode aparecer de diferentes maneiras, das fontes mais improváveis.

Wie Sterne am Himmel

Für die Modedesignerin Caroline Shelby waren die Sterne zum Greifen nah. Bis ihr New Yorker Chef ihre Entwürfe stahl und dann ihre beste Freundin plötzlich starb. Aber Caroline lässt sich nicht unterkriegen. Sie zieht mit den verwaisten Kindern an den einzigen Ort, der ihnen ein sicheres Zuhause bietet: das kleine Küstenörtchen Oysterville am Westpazifik. Hier begegnet sie ihrer ersten großen Liebe Will wieder, und die Frauen ihres Heimatorts tun sich zusammen, um bei ihrem Neuanfang zu helfen. Doch dann droht Caroline die Kinder zu verlieren ... »Meisterhaft beschreibt Susan Wiggs die Eigenheiten menschlicher Beziehungen.« SPIEGEL-Bestsellerautorin Jodi Picoult »Klug, kreativ und genial, hier hat sich Susan Wiggs selbst übertroffen. Ich habe das Buch verschlungen und so schnell umgeblättert, dass ich mich am Papier geschnitten habe.« SPIEGEL-Bestsellerautorin Debbie Macomber über »Dich im Herzen«

Il filo dell'amicizia

Niente è più forte del sostegno di un gruppo di amiche Quando Caroline arriva a Oysterville, un piccolo villaggio sul Pacifico, è quasi l'alba: sta tornando a casa. Se n'era andata dieci anni prima per diventare stilista a New York, ma il suo successo viene travolto da scandali e tragedie, che ora la stanno riportando nell'unico luogo dove risiedono i suoi ricordi e i suoi affetti. La cittadina che Caroline ritrova è molto diversa da quella che ha lasciato, i suoi fratelli hanno una vita complicata, i genitori sono anziani e Will Jensen è sposato con un'altra donna. Quello che non è cambiato è il negozio di cucito di Lindy, dove la giovane stilista ha mosso i primi passi. Tra quelle mura accoglienti e familiari Caroline scopre che diverse donne condividono profondi e dolorosi segreti. Il circolo del cucito di Oysterville, animato da Caroline, diventa un luogo sicuro per tutte le donne che si sentono sole all'interno di relazioni difficili. Ritrovare la creatività e lo spirito combattivo consentirà a Caroline di essere pronta per una sfida inaspettata che metterà alla prova il suo coraggio e il suo cuore. Questa volta non scapperà.

Mapa do coração

Susan Wiggs, autora de *A Livraria de Achados e Perdidos*, traz a história sensível e delicada sobre amor, memória e superação de uma fotógrafa, que, numa jornada de volta à Segunda Guerra Mundial, descobre mistérios do passado que prometem mudar tudo o que ela entende sobre si mesma... Pais e filhos. Amor e perdas. Guerra e segredos. Traição e redenção. Camille Addams é uma fotógrafa bem-sucedida, filha querida, mãe dedicada... e viúva. Desde a morte do marido, ela deixou sua vida cheia de aventuras e adrenalina para trás e se acomodou em uma rotina pacata e segura numa cidadezinha litorânea dos Estados Unidos — afinal, risco é sinônimo de tragédia. No entanto, Julie, sua filha adolescente, não está de acordo com esse plano. Sentindo-se cada vez mais sufocada pela superproteção da mãe, e passando por um momento difícil na escola, tudo o que ela quer é fugir dali. A oportunidade perfeita surge com a chegada de um pacote enigmático vindo do vilarejo francês onde o pai de Camille nasceu, mas de onde foi embora aos 18 anos sem nunca olhar para trás. Os itens recebidos trazem à tona incógnitas na história da família e, para desvendá-las, avô, mãe e filha vão precisar ir a Provença em busca de respostas. Para a empreitada, também recrutam o professor universitário Malcolm Finnemore, que parece bastante interessado em ajudá-los... ou em achar motivos para passar mais tempo com Camille. Susan Wiggs retorna com uma história profundamente emocionante e envolvente sobre amor e família, que abrange diferentes gerações e culturas, celebrando laços antigos e honrando sacrifícios do passado.

A Livraria dos Achados e Perdidos

Uma história sobre recomeços, o amor e a paixão pelos livros, conheça o romance contemporâneo que conquistou milhares de leitores da best-seller Susan Wiggs, autora de *Mapa do coração* e *Clube de Costura dos Corações Remendados*. Após uma tragédia, Natalie Harper herda a charmosa mas praticamente falida livraria antiga de sua mãe, localizada num prédio histórico no centro de São Francisco, na Califórnia, e a responsabilidade de cuidar do seu avô doente, Andrew. Com a recusa de Andrew em vender a loja, Natalie deixa sua antiga vida — segura, confortável e previsível — para trás e volta para São Francisco determinada a recuperar a livraria que um dia foi seu lugar favorito no mundo. Porém, sua vida se parece mais com um livro de horror do que com um conto de fadas. O prédio está caindo aos pedaços, as dívidas se acumulam rapidamente, a saúde do avô entra em declínio e ela não consegue ver uma luz no fim do túnel. Natalie precisa de um sinal, ou pelo menos de um livro que a ajude a resolver seus problemas, mas em vez disso recebe Peach Gallagher, contratado por sua mãe para fazer reparos no prédio. À medida que Peach começa seu trabalho, Natalie se vê envolvida numa jornada de novas conexões, descobertas e revelações, de artefatos antigos escondidos nas paredes da livraria até verdades inexploradas sobre sua família, seu futuro e seu coração.
