"It chimes eerily with the times we are living through now." Margaret Atwood, The New York Times Book Review Hendrik Hofgen is a man obsessed with becoming a famous actor. When the Nazis come to power in Germany, he willingly renounces his Communist past and deserts his wife and mistress in order to keep on performing. His diabolical performance as Mephistopheles in Faust proves to be the stepping-stone he yearned for: attracting the attention of Hermann Göring, it wins Hofgen an appointment as head of the State Theatre. The rewards – the respect of the public, a castle-like villa, a place in Berlin's highest circles – are beyond his wildest dreams. But the moral consequences of his betrayals begin to haunt him, turning his dreamworld into a nightmare. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. In her 2007 poem cycle *Niemand's Frau*, Barbara Köhler returns to Homer's *Odyssey*, not to retell it, but to take up some of the threads it has woven into the cultural tradition of the West – and to unravel them, just as Penelope, the wife of the hero who called himself Nobody, unravelled each night the web she re-wove by day. Köhler's return to the *Odyssey* takes place under the sign of a grammatical shift, from 'er' to 'sie', from the singular hero to a plurality of female voices – Nausicaa, Circe, Calypso, Ino Leucothea, Helen and Penelope herself – with implications for thinking about identity, power and knowledge, about

gender and relationality, but also about the corporeality and multivocality which underlies the 'virtual reality' of the printed text. The eight essays in this volume explore Köhler's iridescent poem cycle from a variety of different angles: its context in contemporary German refigurations of the classical; its engagement with Homer and the classical tradition; its contribution to feminist philosophy of the subject and a female 'dialectic of enlightenment'; its incorporation of the voices of poetic predecessors; and the surprising alliance it uncovers between poetry and quantum theory.

Carl Strehlow's comparative dictionary manuscript is a unique item of Australian cultural heritage; it is a large collection of circa 7,600 Aranda, 6,800 Luritja (Luritja) and 1,200 Dieri to German entries compiled at the beginning of the twentieth century at the Hermannsburg Mission in central Australia. It is an integral part of Strehlow's ethnographic work on Aboriginal cultures that his German editor Baron Moritz von Leonhardi published as *Die Aranda- und Luritja-Stämme in Zentral-Australien* (Strehlow 1907–1920) in Frankfurt. Strehlow and his editor had planned to publish a language study that included this comparative dictionary, but it remained unpublished until now due to a number of complicated historical and personal circumstances of the main characters involved with the dictionary. Strehlow's linguistic work is historically and anthropologically significant because it probably represents the largest and most comprehensive wordlist of Indigenous languages compiled in Australia during the early stages of contact. It is an important primary source for Luritja and Aranda speakers. Both languages are spoken in homes and taught in schools in central Australia. The reasons for presenting this work as a heritage dictionary—that is, as an exact transcription of the original form of the handwritten manuscript—are to follow the Western Aranda people's wishes and to maintain its historical authenticity, which will prove to be of great use to both Indigenous people and scholars interested in language.

An "engaging, humorous... and compelling story" of one couple's unexpected life with the "runt of the litter" puppy who grew to be the largest dog... ever (Publisher's Weekly). With his big blue eyes and soulful expression, George was the irresistible runt of the litter. But Dave and Christie Nasser's "baby" ended up being almost five feet tall, seven feet long, and 245 pounds. Eager to play, and boisterous to the point of causing chaos, this big Great Dane was scared of water, scared of dogs a fraction of his size and, most of all, scared of being alone. Giant George is the charming story of how this precocious puppy won Dave and Christie's hearts and along the way became a doggie superstar. In 2010, George was named by Guinness World Records as the Tallest Dog in the World-ever. He appeared on Oprah, and even has his own global fan club. But to Dave and Christie, this extraordinary animal is still their beloved pet, the one who has made them laugh, made them cry, and continues to make them incredibly happy.

A hilarious and heart-wrenching comedy exposing the absurdity of the fine art world as experienced by a young artist. Anna Haifisch's idiosyncratic, episodic comic chronicles the experiences of a young artist in his formative years, satirising the exclusive, ephemeral and frequently absurd world of fine art. Plagued by doubts and anxiety, the artist is confronted with constant setbacks punctuated by occasional, surprising glimpses of recognition. The Artist's sharp and self-deprecating observations resonate with the current generation.

The Poetry of Germany

During the International Congress for Hypnosis and Psychosomatic Medicine, held in Paris from April 28th to 30th 1965 under the patronage of the World Federation for Mental Health, about one hundred papers were presented and the following panel discussions held: Electroencephalography and Hypnosis, chairman Prof. H. FISCHGOLD (Paris); The Teaching of Hypnosis, chairmen Dr. C. CEDERCREUTZ (Hamina) and Dr. H. ROSEN (Baltimore); Hypnosis and Pain, chairman Dr. M.H. ERICKSON (Phoenix); Hypnosis and the Psychotropic Drugs, chairman Dr. B.B. RAGINSKY (Montreal). The official languages of the Congress (German, French and English) were not always the speakers' mother tongues. A certain amount of editing was therefore necessary before publication, and this retarded the printing. Approximately half of the papers appear in this volume. We wish to thank the following organizations for the help they granted the Congress. Prof. J. The fourteen chapters in this anthology feature original analyses of contemporary German-language literary texts, films, political cartoons, cabaret, and other types of performance. The artworks display a wide spectrum of humor modes, such as irony, satire, the grotesque, Jewish humor, and slapstick, as responses to unification with the accompanying euphoria, but also alienation and dislocation. Kerstin Hensel's Lärchenau, Christoph Hein's Landnahme, and vignette collections by Jakob Hein (Antrag auf ständige Ausreise und andere Mythen der DDR) and Wladimir Kaminer (Es gab keinen Sex im Sozialismus) are interpreted as examples of the grotesque. The popular films Lola rennt, Sonnenallee, Herr Lehmann, NVA, Alles auf Zucker!, and Mein Führer—Die wirklich wahrste Wahrheit über Adolf Hitler are reexamined through the lens of traditional and more recent humor or comic book theories. The contributors focus on how each artwork enriches four prominent postwall German cultural trends: post-unification identity reconstruction, Vergangenheitsbewältigung (including Hitler humor), New German Popular Literature (Christian Kracht's ironic subtexts), and immigrant perspectives (a "third voice" in the East-West binary reflected here pointedly in Eulenspiegel cartoons). To date, no other scholarly work provides as comprehensive an overview of the diverse strategies of humor used in the past two decades in German-speaking countries.

The German Lyric of the Baroque in English Translation

The poetry of Wilhelm Müller, to whom Heine expressed indebtedness for his renewal of the forms of the German Volkslied, had rarely been discussed in depth prior to this volume originally published in 1970. Cottrell's study is an interpretation of Müller's three most successful song-cycles: *Die schöne Müllerin*, *Die Winterreise*, and *Fruhlingsskranz*. The first two, interpreted in chapters one and two, are famed through Schubert's musical settings. Chapter three offers an interpretation of the *Fruhlingsskranz*. A last chapter considers Müller's poetic imagination. Full texts of the poems discussed are included in the Appendix and are indexed by titles and first lines.

The Dragon Sisters

This book, designed for students who have already developed a basic competence in German, aims to broaden and improve their vocabulary by providing detailed information on groups of German words with related meanings. It is invaluable as a guide to finding the right word for the context. In order to enhance understanding of the structure of the German vocabulary, groups of synonyms are organised under German (rather than English) headwords. All entries are accompanied by an example of usage and English glosses and there are two indexes allowing users quickly to locate words in German or English. The book takes full account of register variation, indicating the degree of formal or informal use, and reflects regional usage especially in Austria and Switzerland. It is an essential reference for intermediate and advanced students as well as teachers and other professional linguists seeking access to the finer nuances of the German language.

This volume seeks to investigate how humour translation has developed since the beginning of the 21st century, focusing in particular on new ways of communication. The authors, drawn from a range of countries, cultures and academic traditions, address and debate how today's globalised communication, media and new technologies are influencing and shaping the translation of humour. Examining both how humour translation exploits new means of communication and how the processes of humour translation may be challenged and enhanced by technologies, the chapters cover theoretical foundations and implications, and methodological practices and challenges. They include a description of current research or practice, and comments on possible future developments. The contributions interconnect around the issue of humour creation and translation in the 21st century, which can truly be labelled as the age of multimedia. Accessible and engaging, this is essential reading for advanced students and researchers in Translation Studies and Humour Studies.

Rich with anecdotes, irreverence, and wisdom, Once In Love, Always in Love is a vulnerable story of a spiritual leader who sought to right the wrongs in the world through the power of inclusivity and love. Driven by a deep sense of rejection and a personal, insatiable thirst for love, Fr. Mauthe transformed what was broken within himself by bettering the lives of others. He does not hold back in expressing his fears, his failings, and his doubts as a way of demonstrating what is possible with an unshakable vision, unequivocal faith, and unrelenting hard work. Fr. Richard Mauthe (1929-2017) was a Catholic priest who spent his life fighting for the underdog, building bridges, and serving those in need. In life, he was recognized by the first John Cardinal Newman Award for Campus Ministry and was selected as one of the Top 100 Most Influential People of the Twentieth Century in Wisconsin. Dick Mauthe was a lion of

Beyond Order

The inspirational sequel to *12 RULES FOR LIFE*, which has sold over 5 million copies around the world - now in paperback In *12 Rules for Life*, acclaimed public thinker and clinical psychologist Jordan B. Peterson offered an antidote to the chaos in our lives: eternal truths applied to modern anxieties. His insights have helped millions of readers and resonated powerfully around the world. Now in this long-awaited sequel, Peterson goes further, showing that part of life's meaning comes from reaching out into the domain beyond what we know, and adapting to an ever-transforming world. While an excess of chaos threatens us with uncertainty, an excess of order leads to a lack of curiosity and creative vitality. *Beyond Order* therefore calls on us to balance the two fundamental principles of reality - order and chaos - and reveals the profound meaning that can be found on the path that divides them. In times of instability and suffering, Peterson reminds us that there are sources of strength on which we can all draw: insights borrowed from psychology, philosophy, and humanity's greatest myths and stories. Drawing on the hard-won truths of ancient wisdom, as well as deeply personal lessons from his own life and clinical practice, Peterson offers twelve new principles to guide readers towards a more courageous, truthful and meaningful life.
