Angels of Abundance

In their travels around the globe, Doreen Virtue and her son Grant (the authors of Angel Words and Angels of Love) meet thousands of talented people who dream of being a healer, spiritual teacher, or writer, or of opening a healing center or school. They also long to be able to afford organic food, vitamin supplements, exercise instruction, trips to spiritual power places, and a wonderful home. However, they don't move forward, because they don't understand how to manifest the financial resources that our current world operates upon. Doreen and Grant wrote this book as an instructional and inspirational guide to everyone who needs material and emotional support for their dream and life purpose. Whether you desire more money, time, ideas, or opportunities, the Angels of Abundance will hold your hand and help you over the hurdles that have previously held you back.

Being Happy

Are you looking for help in relationships with family, friends, and co-workers? Do you want more out of life? Do you find yourself blue or depressed? Have you been confused or lost? Have you tried various modalities to get out of the slump, to no avail? Daily use of my tools will help you reach the happiness you desire. I refer to my tools as toys to give you permission to be childlike while taking the power to be your own advocate and BFF (best friend forever). My toys are easy and will teach you that at any moment, even a perceived serious moment, you can have fun. These toys include breathing techniques, meditation, affirmations, intentions, and building solid rapport. Be childlike and playful as you use these toys to release yourself from the hamster wheel you've been on. When did we get so serious about life that it sucked the fun out of fun? Making life a game and having fun are my life's motto and sole purpose. This outlook helps me discover more possibilities in every situation to be happier and more successful. When you play and make life a game, it will lighten any moment or frustration and you will be able to find ways to get over the slump, find the answer, have deeper relationships, and see the next steps on your path. These toys can assist you in discovering the answers you've been looking for. Come play with me!

Angeli dell'Abbondanza

Essere felici è possibile. Pensa al tuo futuro con un approccio vitale e ottimistico, rafforza i tuoi pensieri positivi, in modo che nella tua vita entrino solo le cose che desideri davvero. L'abbondanza è la condizione naturale del nostro spirito; siamo costantemente circondati da esseri divini che vogliono proteggerci e nutrirci, aiutandoci a sviluppare le nostre potenzialità. Questi esseri assumono nomi diversi e ricoprono vari ruoli, ma comunemente vengono chiamati angeli.

Sacred Angels of Abundant Wealth

When the angels of abundance are on assignment in your life, everything you touch will manifest abundantly; there is nothing that the enemy or devil can do to rob you of your finances and prosperity, neither can they touch your harvest. Malachi 3: 11 "And I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground; neither shall your vine cast her fruit before the time in the field, saith the Lord of hosts." When you become a Christian believer, you are entitled to the riches that come from heaven, and you begin to attract angels of money to work in your life. There's also nothing wrong with wanting more abundance while also counting your current blessings. God already knows what you need before you even ask him, and he is ready to provide all you need beyond your wildest imagination. Angels go on assignment from God to bring you money when you put God and his eternal kingdom priority in your life. There are a few Angels you can call on to invite more money and abundance into your life, and they are ready to respond to your request for help. It is to this effect that this powerful guide, "Sacred Angels of Abundant wealth " is provided. In this book, Christians are more assured of a workable pattern through which their needs will be met. A channel through which intercessors mediate to our heavenly father to provide for our needs. Thus, emphasis in this book is made on 'the nature of the angels, the different angels of abundance and the designated areas they

function in, the intercessory roles of angels, the form angels of abundance can take, and lastly, how to get angels of abundance to help us. This book is a must-read for all Christians as it clears the air of doubt surrounding 'the communion of angels'. Get a copy today!

Manifesting with the Angels

This book connects you with Heaven's help to fill in the gaps of manifestation teaching. We all think we know what we want, but we don't know that what we want will actually bring us happiness. This book encourages us to step back from whatever it is we are dreaming about, recheck our priorities, work on potential karmic and past-life blocks we may not have known about, and then move forward with a more open mind that is less prone to attracting disappointment. Once you take more responsibility for your thoughts and energy/emotions, you'll be able to fine-tune your life and use your God-given power of manifestation to attract benefits rather than obstacles. You'll learn how to: • Work with Divine Timing and the Power of Prayer with Archangel Sandalphon • Frame Your Desires through Visualization and Affirmations with Archangel Gabriel • Harness the Power of Your Inner Passion with Archangel Nathaniel • Clear Your Fears of Happiness with Archangel Michael • Release Karmic Attachments and Cut Past-Life Cords with Archangel Raziel • Heal from Past Pain with Archangel Raphael

Angel Numbers

Are you seeing number sequences like 11:11 and 4:44 everywhere you turn? If you always see the same numbers repeated – from license plates to receipts and digital clocks – it could be your angels sending you a message. Angels are divine messengers who have existed in some form in almost every religion and culture since the dawn of time. In this digital age, they are finding new ways to remind you of your higher truth. Best-selling angel author Kyle Gray explains exactly what your angels are trying to tell you through these repeated sequences, from numbers 0 through 999 and popular digital clock combinations like 1:23, 21:12, 22:22, and 5:55. Whenever you need guidance from your angels, simply ask. Know that your angels are always listening and looking for an opportunity to send you a reminder that they are near.

Angel Abundance

Attract wealth and healing with the guidance of the 12 Archangels • Shares 63 healing visualizations to transform fear, resolve debt, and become receptive to the infinite bounty of the Universe • Learn how to tap in to the singing colors of the Central Sun that are mirrored in your chakras and raise your vibration to attract wealth—not only financial wealth, but anything you need to receive from Source to feel safe, happy, healthy, and free • Offers nighttime practices to support your transformation into a vessel to receive the full blessings of Source as well as advanced practices to transform suffering You are personally invited by the 12 Archangels to receive all that you desire from Source, especially the true happiness that often seems out of reach. Your Soul has the clear guidance and tools to help you move from lack to abundance and attract wealth and healing and the Archangels will show you how. Speaking through Belinda Womack, who has been a channel for the 12 Archangels for more than 30 years, the Angels explain that the root issue behind our lack of abundance is the fear of not enough. Sharing 64 healing visualizations, the Angels guide you to dissolve the deep subconscious layers of guilt and shame that keep you stuck in a fear-induced lack of wealth and become receptive to the infinite bounty of the Universe. Reading the visualizations from the 12 Archangels, with intention, helps you tap into the singing colors and undiluted love of the Central Sun mirrored in your chakras. The visualizations raise the vibration of your thoughts, feelings, and beliefs to attract wealth—not only financial gain but all that you need to receive from Source to feel safe, happy, healthy, and free. The 12 Archangels share lessons on the relationship between money and divine law, how to cultivate your garden of intuition and creativity, and how to resolve financial debt with understanding and love. They offer nighttime practices that support your transformation into a vessel to receive the full blessings of Source. They also offer advanced practices on harnessing your innate power to transform suffering. Helping you connect with the boundless care and “deep pockets” of your Soul to transform financial struggles and eliminate self-doubt, the 12 Archangels show that life keeps improving when you make room for the vast flow of creative genius and abundance coming from the Universe through the divine feminine.

Angel Guidance for Wealth: Abundant Living for Everyone

Do you struggle in the area of wealth? Have you felt frustrated? In Angel Guidance for Wealth, the angels speak directly to you. They breathe on the pages their helpful advice, love, and wisdom. In this book, you will hear from multiple angels-they are always at our side to help us. Open up your heart, to the love of your angels, and walk free. Excerpt: Angel Chamuel Blockages can create bumps in your path of abundance. The more blocks, the more bumps. People can uncover blocks by asking questions of themselves. What is stopping me from receiving help? It can come in many forms. Fear. Failure. Doubt. Not knowing how. Not feeling deserving. Little blockages can even stop the flow. The bigger the pipe, or belief system, the easier the flow. The big blocks need dealt with first, but even small ones will mess up the flow of life. Worry damages the flow. It's like denting a pipe-the flow has to work harder to actually come through. Prayers are like this. So, when you pray, "Angels, help me have money." It helps un-dent the pipe. But, remember it takes time to repair a damaged pipe. You must treat yourself with love and patience to flow again. Don't re-dent the issue once you ask. Keep your focus on the fact you have it. Sit in it. Grasp it. Put a picture on your wall. Look at it, and smile like it's in the mail coming. When you purchase something on-line, you know it's shipped and coming. Just because it takes time, you don't get upset, because you already know it's yours. That's how prayer works. You ask and it's shipped! It's on the way! Wealth is already shipped. New jobs or whatever you need.

The angels made it clear that their words in print carry the essence of the divine, positively affecting all who read them. The methods and techniques given by the angels to heal physical and mental pain, in answers to the author's questions, are in fact answers to issues we all face at this time. The key theme throughout the angels' messages is Transformation. This book is not a story but a guide to self-empowerment through the power of light and love. Abundance Alchemy Manifesto

We all know the creation story in the book of Genesis. God made Adam and Eve and put them in the garden He had already prepared for them. They enjoyed full supply, prosperity and abundance with nothing missing, nothing broken. So what would have happened if Adam and Eve had not disobeyed God? How would they have continued living in dominion on earth? Answering these questions require an understanding of God's secret code to abundance that was established from the beginning. In this new book, I will show you how God intended for His children to live on the earth, although our citizenship is in heaven. What is the secret and unique methodology for abundance God instituted specially for those that serve Him? For a long time, the Church has taught about Seedtime and Harvest as the only pathway to prosperity and wealth. This is correct, but not complete. The Bible states that Joseph was a Prosperous man for the Lord was with him. But there is nowhere in the Joseph story where he ever sowed a seed or offer any material offering to the Lord. So how did he prosper? He used God's secret code. Seedtime and Harvest principle was not directed exclusively at believers. It is a law that is meant for ALL that live on the earth. Regardless of your faith or religion, if you plant a crop in the right soil, it will grow. So this principle, just like the law of gravity, works for everybody who work it. But what is the unique attraction and benefit we get as God's children? There is a secret code God has put in place to enable His children prosper far above those serving Satan. This book will change your paradigm forever and equip you to embrace your destiny of abundance as a child of the King for dominion in His kingdom. We are set apart for for this unique blessing, now it is your time to prosper and occupy till He comes. Get ready to enlarge and increase as we possess our inheritance in Christ Jesus.

Belinda Womack was a believer in Angels until the age of 12, when she decided she wanted to become a scientist. Years later, working in a biology lab, she found herself in the presence of the Archangel Gabriel and realized her calling as a spiritual conduit for Angelic healing and support. In this book she shares lessons, practices, and daily guidance from the 12 Archangels to help us listen to and heal our wounded inner child, release our fears, and enact deep subconscious transformation. Each word, transmitted directly from the 12 Archangels, carries their love, so that when read, the love is absorbed into the reader's mind and supports the release of our deepest wounds and fears. The tools and exercises shift your vibration so results are both felt and experienced immediately. Each message awakens your innate spiritual power to rebuild destroyed self-esteem, lifting you higher in vibration and allowing life to be filled with the power of your own divinity. The book includes Angelic guided visualizations on working with Angels to access the healing power of the chakras and to manifest with the creative imagination, as well as specific messages from the 12 Archangels designed for quick access to practical guidance when Angelic support is needed in daily life.
