## The Enchanted Castle (Illustrated Edition)

The Enchanted Castle is a country estate in the West Country seen through the eyes of three children – Gerald, James and Kathleen, who discover it while exploring during the school holidays. The lake, groves and marble statues, with white towers and turrets in the distance, make a fairy-tale setting, and then in the middle of the maze in the rose garden they find a sleeping fairy-tale princess. Edith Nesbit (1858-1924) was the author of world famous books for children - the tales of fantastical adventures, journeys back in time and travel to magical worlds.

## The Enchanted Castle

The enchanted castle of the title is a country estate in the West Country seen through the eyes of three children, Jerry, Jimmy, and Kathy, who discover it while exploring during the school holidays. The lake, groves and marble statues, with white towers and turrets in the distance, make a fairy-tale setting, and then in the middle of the maze in the rose garden, they find a sleeping fairy-tale princess. The "princess" tells them that the castle is full of magic, and they almost believe her. She shows them the treasures of the castle, including a magic ring she says is a ring of invisibility, but when it actually turns her invisible she panics and admits that she is the housekeeper's niece, Mabel, and was just play-acting. The children soon find that the ring has other magical powers such as making the "Ugly-Wugglies" (Guy Fawkes style dummies they had made to swell the audience at one of their play-performances) come to life. They eventually discover that the ring is actually granting their own wishes, and that the disturbing results stem from their failure to specify those wishes precisely. The Enchanted Castle was written for both children and adults. It combines descriptions of the imaginative play of children, reminiscent of The Story of the Treasure Seekers, with a magic more muted than in her major fantasies such as The Story of the Amulet.

## The Enchanted Castle

The enchanted castle of the title is a country estate in the West Country seen through the eyes of three children, Gerald, James and Kathleen, who discover it while exploring during the school holidays.

The lake, groves and marble statues, with white towers and turrets in the distance, make a fairy-tale setting, and then in the middle of the maze in the rose garden they find a sleeping fairy-tale princess. The "princess" tells them that the castle is full of magic, and they almost believe her. She shows them the treasures of the castle, including a magic ring she says is a ring of invisibility, but when it actually turns her invisible she panics and admits that she is the housekeeper's niece, Mabel, and was just play-acting. The children soon discover that the ring has other magical powers. The Enchanted Castle was written for both children and adults. It combines descriptions of the imaginative play of children, reminiscent of *The Story of the Treasure Seekers*, with a magic more muted than in her major fantasies such as *The Story of the Amulet*. About the Author E. Nesbit is the author of *The Treasure Seekers*, *Five Children and It*, and *The Railway Children*. Edith Nesbit (married name Edith Bland; 15 August 1858 - 4 May 1924) was an English author and poet; she published her books for children under the name of E. Nesbit. She wrote or collaborated on more than 60 books of children's literature. She was also a political activist and co-founded the Fabian Society, a socialist organisation later affiliated to the Labour Party.

### THE ENCHANTED CASTLE - A Fantasy Tale for Children and Adults

The Enchanted Castle is a children's fantasy tale by Edith Nesbit, author of *The Railway Children*, *Five Children and It* plus many Others. The Enchanted Castle a country estate in the West Country of England (Cornwall, Devon, Dorset and Somerset) seen through the eyes of three children, Jerry, Jimmy, and Kathy, who discover it while exploring during their school holidays in the early 1900's. The lake, groves and marble statues, with white towers and turrets in the distance, make a fairy-tale setting, and then in the middle of the maze in the rose garden, they find a sleeping fairy-tale princess. The "princess" tells them that the castle is full of magic, and they almost believe her. She shows them the treasures of the castle, including a magic ring she says is a ring of invisibility, but when it actually turns her invisible she panics and admits that she is the housekeeper's niece, Mabel, and she was just play-acting. The children soon find that the ring has other magical powers (as all magical rings do) such as making the "Ugly-Wugglies" (Guy Fawkes style dummies they had made to swell the audience at one of their play-performances) come to life. They eventually discover that the ring is actually granting their own wishes, and that the disturbing results stem from their failure to specify those wishes precisely. The Enchanted Castle was written for both children and adults. It combines descriptions of the imaginative play of children, with a magic more muted than in her major fantasies. =====

### The Enchanted Castle

Three children discover an old country estate during their school holidays. When they're exploring it they come upon a mysterious young girl claiming to be a fairy princess. She shows them the castle's treasure, including a ring that will turn you invisible. But no one is more surprised than she when she slips it on her finger ... and disappears! The ring is indeed magical, and the children waste no time finding out what else it can do.

### Five Children and It

First published in 1902, "Five Children and It" is a children's novel by English writer and poet E. Nesbit. The story follows the five children Cyril, Anthea, Robert, Jane, and the "Lamb" and their adventures resulting from the discovery of a sand-fairy that has the ability to grant wishes. A charming tale of youth and innocence, "Five Children and It" would make for perfect bedtime reading and is not to be missed by fans and collectors of Nesbit's magical children's literature. Originally published in "Strand Magazine", the tales were made into a full-length novel trilogy also including "The Phoenix and the Carpet" (1904) and "The Story of the Amulet" (1906). Edith Nesbit (1858 – 1924) was a prolific writer of children's literature, publishing more than 60 such books under the name E. Nesbit. She was also a political activist and co-founded the Fabian Society, which had a significant influence on the Labour Party and British politics in general. Many vintage books such as this are becoming increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.

### The Enchanted Castle (Esprios Classics)

Edith Nesbit (married name Edith Bland) (1858-1924) was an English author and poet whose children's works were published under the androgynous name of E. Nesbit. She wrote or collaborated on over 60 books of fiction for children, several of which have been adapted for film and television. She started a new genre of magical adventures arising from everyday settings and has been much imitated. She was also a political activist and co-founded the Fabian Society, a precursor to the modern Labour Party. Nesbit's books for children are known for being entertaining without turning didactic, although some of her earlier works, notably Five Children and It (1902) and even more so The Story of the Amulet (1906), veer in that direction.

### The Enchanted Castle and Five Children and It

The enchanted castle: during their vacation from school, English siblings Gerald, Jimmy, and Kathleen, with their friend, Mabel, discover an enchanted ring that makes wishes come true, but with unexpected consequences.

### The Enchanted Castle

Edith Nesbit (married name Edith Bland; 15 August 1858 - 4 May 1924) was an English author and poet; she published her books for children under the name of E. Nesbit.

### The Enchanted Castle.( Is a Children's Fantasy Novel) by

The Enchanted Castle is a children's fantasy novel by Edith Nesbit first published in 1907. The enchanted castle of the title is a country estate in the West Country seen through the eyes of three children, Gerald, James and Kathleen, who discover it while exploring during the school holidays. The lake, groves and marble statues, with white towers and turrets in the distance, make a fairy-tale setting, and then in the middle of the maze in the rose garden they find a sleeping fairy-tale princess. The "princess" tells them that the castle is full of magic, and they almost believe her. She shows them the treasures of the castle, including a magic ring she says is a ring of invisibility, but when it actually

turns her invisible she panics and admits that she is the housekeeper's niece, Mabel, and was just play-acting. The children soon discover that the ring has other magical powers. The Enchanted Castle was written for both children and adults. It combines descriptions of the imaginative play of children, reminiscent of *The Story of the Treasure Seekers*, with a magic more muted than in her major fantasies such as *The Story of the Amulet*.

#### Five Children and It

Edith Nesbit was an English author best known for children's literature. Nesbit wrote over 60 books in her short life, including classics such as *The Railway Children* and *The Enchanted Castle*.

#### The Enchanted Castle (1907). by

The Enchanted Castle is a children's fantasy novel by Edith Nesbit first published in 1907. PLOT: The enchanted castle of the title is a country estate in the West Country seen through the eyes of three children, Gerald, James and Kathleen, who discover it while exploring during the school holidays. The lake, groves and marble statues, with white towers and turrets in the distance, make a fairy-tale setting, and then in the middle of the maze in the rose garden they find a sleeping fairy-tale princess. The -princess- tells them that the castle is full of magic, and they almost believe her. She shows them the treasures of the castle, including a magic ring she says is a ring of invisibility, but when it actually turns her invisible she panics and admits that she is the housekeeper's niece, Mabel, and was just play-acting. The children soon discover that the ring has other magical powers.[1] The Enchanted Castle was written for both children and adults. It combines descriptions of the imaginative play of children, reminiscent of *The Story of the Treasure Seekers*, with a magic more muted than in her major fantasies such as *The Story of the Amulet*. Edith Nesbit (married name Edith Bland; 15 August 1858 - 4 May 1924) was an English author and poet; she published her books for children under the name of E. Nesbit. She wrote or collaborated on more than 60 books of children's literature. She was also a political activist and co-founded the Fabian Society, a socialist organisation later affiliated to the Labour Party. Nesbit was born in 1858 at 38 Lower Kennington Lane in Kennington, Surrey (now part of Greater London), the daughter of an agricultural chemist, John Collis Nesbit, who died in March 1862, before her fourth birthday. Her sister Mary's ill health meant that the family travelled around for some years, living variously in Brighton, Buckinghamshire, France (Dieppe, Rouen, Paris, Tours, Poitiers, Angoulême, Bordeaux, Arcachon, Pau, Bagnères-de-Bigorre, and Dinan in Brittany), Spain and Germany, before settling for three years at Halstead Hall in Halstead in north-west Kent, a location which later inspired *The Railway Children* (this distinction has also been claimed by the Derbyshire town of New Mills). At eighteen, Nesbit met the bank clerk Hubert Bland in 1877. Seven months pregnant, she married Bland on 22 April 1880, though she did not immediately live with him, as Bland initially continued to live with his mother. Their marriage was a stormy one. Early on Nesbit discovered that another woman believed she was Hubert's fiancée and had also borne him a child. A more serious blow came later when she discovered that her good friend, Alice Hoatson, was pregnant with Hubert's child. She had previously agreed to adopt Hoatson's child and allow Hoatson to live with her as their housekeeper. After she discovered the truth, they quarrelled violently and she suggested that Hoatson and the baby should leave; her husband threatened to leave Edith if she disowned the baby and its mother. Hoatson remained with them as a housekeeper and secretary and became pregnant by Bland again 13 years later. Edith again adopted Hoatson's child. Nesbit's children were Paul Bland (1880-1940), to whom *The Railway Children* was dedicated; Iris Bland (1881-1950s); Fabian Bland (1885-1900); Rosamund Bland (1886-1950), to whom *The Book of Dragons* was dedicated; and John Bland (1898-1971) to whom *The House of Arden* was dedicated. Her son Fabian died aged 15 after a tonsil operation; Nesbit dedicated a number of books to him: *Five Children and It* and its sequels, as well as *The Story of the Treasure Seekers* and its sequels. Nesbit's adopted daughter Rosamund collaborated with her on the book *Cat Tales*.... Harold Robert Millar (1869 - 1942) was a prominent and prolific Scottish graphic artist and illustrator of the late nineteenth and early twentieth centuries. He is best known for his illustrations of children's books and fantasy literature.

#### TALES OF FANTASTICAL ADVENTURES – E. Nesbit Collection of Children's Books (Illustrated)

Nesbit also wrote for adults, including novels, short stories and four collections of horror stories.

#### THE HOUSE OF ARDEN - A Children's Fantasy book by e. Nesbit

Two impoverished children, Edred and Elfrida Arden, inherit the decrepit Arden Castle and search for the lost family fortune that will allow them to rebuild it. With the assistance of the magical Mouldiwarp (mole), they travel back in time to earlier periods of English history, searching for clues. During their journeys into the past, the children encounter several historical events: 1807: Napoleon's planned invasion of the United Kingdom, the British military response, and the smuggling around Dymchurch Bay (called "Lymchurch" in the story) ca. 1705: a visit from the "Chevalier St. George" (the Old Pretender) during the reign of Queen Anne 1605: the Gunpowder Plot and a meeting with Sir Walter Raleigh in the Tower of London, from which the children escape using the same stratagem Lady Nithsdale would use in 1717 ca. 1535: a May Day celebration with Anne Boleyn and Henry VIII, with premonitions of Anne's execution. The final episode, in which the children rescue their father from a lost civilization in South America, is reminiscent of the legends of El Dorado and other Cities of Gold. 10% of all profits will be donated to charities. ===== KEYWORDS/TAGS: House of Arden, edith Nesbit, childrens fantasy, children's story, tales, fables, children's book, Edred, Elfrida, arden's lord, mouldiwarp, mole, boney's times, Bonaparte, landing of the French, highwayman, secret panel, key, parlour, guy fawkes, prisoners in the tower, tower of London, white wings, brownie, developments, films, clouds, may-blossom, pearls, find, treasure, Hat, bow, flourish, walk Slowly, Red-Brick, Sidewalk, pavement, Aye, Turning Pages, Quick, Anxious, Carrier's Cart, Hoity-Toity, Old Lady, witch, gnarled, wizened, Severe; Manners, gift, Tea And Sugar, Mouldiwarp, mole, magic, Little Run, Jump, Catch, invasion, Landing, Fleet, Lymchurch Bay, white clock, Sit Down, Line Of Daisies, New Scarf, Modish, modern, mod, Shoot, Betty, Candle, Voices, Truth, Little Miss, Shake, Big Chair, Fall, E. #### The Enchanted Castle (1907) ( Children's Fantasy Novel by

The Enchanted Castle is a children's fantasy novel by Edith Nesbit first published in 1907. The enchanted castle of the title is a country estate in the West Country seen through the eyes of three children, Gerald, James and Kathleen, who discover it while exploring during the school holidays. The lake, groves and marble statues, with white towers and turrets in the distance, make a fairy-tale setting, and then in the middle of the maze in the rose garden they find a sleeping fairy-tale princess. The "princess" tells them that the castle is full of magic, and they almost believe her. She shows them the treasures of the castle, including a magic ring she says is a ring of invisibility, but when it actually turns her invisible she panics and admits that she is the housekeeper's niece, Mabel, and was just play-acting. The children soon discover that the ring has other magical powers.

#### The Collected Young Readers Fiction of E. Nesbit-Volume 4

Two complementing novels of fantastic adventure for young readers in one volume There can be little doubt that contemporary authors of children's fiction whose stories place ordinary children in tales of high adventure, in fantastical lands populated by exotic and mythical characters and creatures, owe

an abiding debt to Edith Nesbit. It is widely accepted that she originated this form of fiction for the young, and has left us not only her own classics such as 'Five Children and It' and 'The Phoenix and the Carpet,' but also potentially offered inspiration for perennial favourites by other writers from, 'The Lion, the Witch and the Wardrobe' to the internationally successful Harry Potter series. This fourth special volume of her stories from Leonaur brings together 'The Enchanted Castle' and 'The Magic City.' Although not strictly part of a series these two books have a common theme which is central to the power and potential for imagination in children's play. Young heroes and heroines embark on their adventures in real life places which are then magically transformed into fantastic realms. As always these novels offer mature readers a nostalgic passport to more innocent times and introduce young readers to Edith Nesbit's wonderfully crafted descriptive and evocative but economic prose. Leonaur editions are newly typeset and are not facsimiles; each title is available in softcover and hardback with dustjacket; our hardbacks are cloth bound and feature gold foil lettering on their spines and fabric head and tail bands.

#### The Enchanted Castle

The Enchanted Castle is a children's fantasy novel by Edith Nesbit first published in 1907. Jerry, Jimmy, and Cathy stumble upon a mysterious castle with a beautiful princess asleep in the garden. The princess is really Mabel, the housekeeper's niece, who is only pretending to be royalty. But when she shows them a secret room filled with treasure where they discover a magical ring, enchantment becomes a reality. Edith Nesbit was an English author and poet; she published her books for children under the name of E. Nesbit. She wrote or collaborated on more than 60 books of children's literature. She was also a political activist and co-founded the Fabian Society, a socialist organisation later affiliated to the Labour Party.

#### Five Children and It (HarperCollins Children's Classics)

This beautiful HarperCollins Children's Classics edition of E. Nesbit's Five Children and It is the perfect addition to any bookshelf.

#### Five Children and It

To Cyril, Anthea, Robert, Jane, and their baby brother, the house in the country promises a summer of freedom and play. But when they accidentally uncover an accident Psammead--or Sand-fairy--who has the power to make wishes come true, they find themselves having the holiday of a lifetime, sharing one thrilling adventure after another. Asleep since dinosaurs roamed the earth, the ill-tempered, odd-looking Psammead --with his spider-shaped body, bat's ears, and snail's eyes --grudgingly agrees to grant the children one wish per day. Soon, though the children discover that their wishes have a tendency to turn out quite differently than expected. Whatever they wish whether it's to fly like a bird, live in a mighty castle, or have an immense fortune --something goes terribly wrong, hilariously wrong. Then an accidental wish has horrible consequences, and the children are faced with a difficult choice: to let an innocent man be charged with a crime or to lose for all time their gift of magical wishes. Five Children and It is one of E. Nesbit's most beloved tales of enchantment.

#### 7 Books in 1

Classic stories by much-loved children's author E. Nesbit. This great-value book contains seven full-length, unabridged novels. Set in a 1900s England of steam-trains and magic, generations of children have thrilled to these exciting adventures. When the children in these stories aren't preventing a train crash, you'll find them getting wishes from the sandy Psammead, flying on a magic carpet, travelling through time with an enchanted Egyptian amulet, hatching the egg of the mythical phoenix, or using their magical ring to explore an enchanted castle! The brothers and sisters created by E. Nesbit have the convincing feeling of being a real family - they're usually disagreeing with each other, but they're always cheerful about it. They try to be good but are always in trouble of one kind or another. With a subtle ethical message underlying their exciting plots, these novels have been listed among the best works of children's literature for many years. This '7 books in 1' edition is an ideal gift for any child who loves reading, or any adult who wants to bring some magic into their life!

#### The Enchanted Castle

The Enchanted Castle is a children's fantasy novel by Edith Nesbit first published in 1907. The enchanted castle of the title is a country estate in the West Country seen through the eyes of three children, Gerald, James and Kathleen, who discover it while exploring during the school holidays. The lake, groves and marble statues, with white towers and turrets in the distance, make a fairy-tale setting, and then in the middle of the maze in the rose garden they find a sleeping fairy-tale princess. The "princess" tells them that the castle is full of magic, and they almost believe her. She shows them the treasures of the castle, including a magic ring she says is a ring of invisibility, but when it actually turns her invisible she panics and admits that she is the housekeeper's niece, Mabel, and was just play-acting. The children soon discover that the ring has other magical powers. The Enchanted Castle was written for both children and adults. It combines descriptions of the imaginative play of children, reminiscent of The Story of the Treasure Seekers, with a magic more muted than in her major fantasies such as The Story of the Amulet.

#### The Enchanted Castle

The Enchanted Castle by E. Nesbit is a wondrous tale about a group of young people who discover a magical castle and meet a sleeping fairytale princess. This book has been a great source of wonder

### The House of Arden

Now in paperback, an enchanting tale of time travel and treasure hunting by one of England's finest storytellers. The famous Arden family treasure has been missing for generations, and the last members of the Arden line, Edred, Elfrida, and their aunt Edith, have nothing to their names but the crumbling castle they live in. Just before his tenth birthday, Edred inherits the title of Lord Arden; he also learns

that the missing fortune will be his if—and only if—he can find it before he turns ten. With no time to lose, Edred and Elfrida secure the help of a magical talking creature, the temperamental Mouldiwarp, who leads them on a treasure hunt through the ages. Together, brother and sister visit some of the most thrilling periods of history and test their wits against real witches, highwaymen, and renegades. They find plenty of adventure, but will they find the treasure before Edred's birthday?

### Five Children and It Book and Charm

Anthea said -- "I wish we all had beautiful wings to fly with." The Sand-fairy blew himself out, and next moment each child felt a funny feeling, half heaviness and half lightness, on its shoulders. Cyril, Anthea, Robert, Jane, and their baby brother are ready for a summer of fun and games. All around their new house in the country, there are so many places to explore: quaint villages and the surrounding woods, local farms and bakeries. But when they accidentally dig up a wish-granting, ill-tempered, prehistoric Sand-fairy, the children find themselves in one amazing adventure after another. Soon they learn to mind their tongues, for wishes aren't always what they seem.
