

Captains Bride Generals Lady

[#military romance novel](#) [#historical drama love story](#) [#officer's spouse fiction](#) [#duty and desire conflict](#) [#regency era military romance](#)

Delve into a gripping military romance novel where a woman's fate intertwines with the lives of a valiant captain and an influential general. This historical drama love story explores the profound duty and desire conflict faced by an officer's spouse, set against a backdrop of societal pressures and personal ambition. Perfect for fans of Regency era military romance, it promises intrigue, passion, and difficult choices.

Second Hearts

Book 2 of the #1 bestselling Wishes Series Charli Blake's high tolerance for risk doesn't always work in her favour. After a year of living out her dream of travelling the world, the sunny West African village of Kaimte would be her last stop. She's bound for New York, in search of the boy she'd let go of long ago. For Charli, nothing has changed. She's travelled thousands of miles but hasn't moved an inch. Adam Décarie still means everything to her. But reality soon hits hard. For Adam, everything has changed. Memories of the best love she's ever known is all she has left, until Charli makes a shocking discovery. None of it had ever been real in the first place.

Saving Wishes

Second Hearts (Book two, The Wishes Series) Available now. Storm Shells (Book three, The Wishes Series) Available now.

Brave Surrender

A firsthand look into Kim Walker-Smith's journey from a place of shame and fear to stages around the world where she boldly proclaims the unconditional love of God. Kim Walker-Smith's passionate performance of "How He Loves" helped transform Jesus Culture into a global worship movement. But she wasn't always so confident of God's unrelenting, powerful love. Coming from a painful childhood, Kim struggled to believe that God could heal her heart or bring any sense from her past. Yet when she chose to hand her struggles over to God and receive His love, freedom, and healing in return, everything began to change. On the other side of surrender, Kim began a journey of looking at one painful memory at a time with God and exchanging her perspective for His truth--a journey in which God rewrote her story of pain into a story of redemption and hope. If you are longing to experience God more than the shame or hurts of your past, the pressures of your present, or the fear of your future, Brave Surrender offers a soul-healing path forward. As Kim learned in her own life, the first step--and the bravest step--is letting go. Once we let go of anything that gets between us and God, we are freed to take hold of the life that truly matters. As Kim writes, "When we encounter God's love, it changes the way we see. And when we learn to see what He sees, we will never be the same again."

Silk Queen: Book Two

Book 8 in the #1 bestselling Wishes Series To a wannabe princess like Fiona Black, Jean-Luc Décarie is storybook perfect. He's incredibly handsome, worldly and wealthy beyond measure. Best of all, he loves her. At first, her dreams of a fairy-tale ending with her Prince Charming seem to be back in her grasp, but she soon realises that all that glitters is not gold. The Décarie name is mud... and through no fault of his own, Jean-Luc's crown is rusty.

Sand Jewels

Book 2.5 in the #1 bestselling Wishes Series Gabrielle Décarie was over arrogant men – but that didn't mean she couldn't have a little fun with one. When she took a chance on Alex Blake, it was supposed to be a one-night deal. He was too cocky, too flirty and too complicated. Sand Jewels is the story of why she fell madly in love with him anyway.

Hope, Beauty and Friendship

This selection of poems by a new author was triggered by the tragic death of his 28-year-old daughter. So the collection begins with loss and the aftermath of loss: the hope of the author that his daughter and he may be reunited in the life to come. This hope underlies many of the poems. This is clearly articulated in 'Osler and Son', where a father grieves for loss of his son in World War I but in a stoical, unexpressed manner. The author records his childhood experience of emotions being held back in 'Boys Don't Cry John'. While some poems look back, most are contemporary, such as those inspired by the lockdown and the Ukraine War. The author advocates expression of feelings. This is powerfully expressed in relation to his experience of Friendship, both past and present. Transcendental beauty is a theme in the metaphysical poems 'The Colour Blue' and 'Roman Glass'. However, each poem is unique. Many of them speak from the heart and have an emotional impact. The author hopes that these will resonate with readers.

Clinical Methods

A guide to the techniques and analysis of clinical data. Each of the seventeen sections begins with a drawing and biographical sketch of a seminal contributor to the discipline. After an introduction and historical survey of clinical methods, the next fifteen sections are organized by body system. Each contains clinical data items from the history, physical examination, and laboratory investigations that are generally included in a comprehensive patient evaluation. Secret North

Book 4 in the #1 bestselling Wishes Series Ryan Décarie could literally charm the pants off anyone. It was his biggest talent and his biggest downfall. When he crosses paths with Bente Denison five long years after breaking her heart, sparks fly. Trying to convince her that he's finally ready for something more serious isn't easy – and the reason why is simple. He's never had anything serious. Totally clueless when it comes to meaningful relationships, Ryan's in dire need of guidance, and it comes from the most unlikely source imaginable – his four-year-old niece, Bridget.

Prentiss County, Mississippi

Michael Rosen's Sticky McStickstick: The Friend Who Helped Me Walk Again

After being admitted to hospital in 2020 with coronavirus, Michael Rosen had to learn to walk again. With the support of doctors and nurses and a walking stick he names "Sticky McStickstick"

Storm Shells

Book 3 in the #1 bestselling Wishes Series The only way to move forward was to go back to the very beginning.... After three miserable weeks without Charli, Adam makes the decision to follow her, desperately hoping to find a way of following through on his promise of a happy ending. He finds her back in Pipers Cove, healing her broken heart by spending time with the one person who never lets her down. Both know nothing has changed. They're desperately in love, hopelessly stuck in limbo, and unable to find common ground. When fate offers them a chance at a different kind of ending, it's a one-shot deal. Running with it means changing their plans – something neither of them has ever been willing to do before, even for each other. Just as one begins to find their way, the other completely loses direction – and neither of them realise that time is running out.

GAFFERS

The Social Security Administration (SSA) uses a screening tool called the Listing of Impairments to identify claimants who are so severely impaired that they cannot work at all and thus immediately qualify for benefits. In this report, the IOM makes several recommendations for improving SSA's capacity to determine disability benefits more quickly and efficiently using the Listings.

Cardiovascular Disability

Book 5 in the #1 bestselling Wishes Series After three blissful years of living in Pipers Cove, Adam and Charli head back to the bright lights of New York. Taking on a position at a Manhattan gallery turns out to be Charli's dream job, but just a few weeks after starting at his father's firm, Adam realises that practising law is his worst nightmare. Biding his time is the plan. Charli has wanderlust in her soul and he's hopeful that sooner or later, she'll want to go home. Riding it out isn't hard. They're as close as they've ever been and every spare minute is spent hanging out with their precious little girl. Life is good – until it's not. When fate throws them one nasty curveball after another, Charli's confidence is shattered and her heart is broken. After weeks of trying to make sense of the grief she's feeling, both realise she's out of her depth. Getting out of Dodge is Charli's preferred MO and she doesn't disappoint, finally deciding that it's time to leave New York. Returning to Pipers Cove is not the quick fix they were hoping for. Some things just can't be mended, and the way she deals with that is going to change everything.

Star Promise

"Sleep is one of the most important but least understood aspects of our life, wellness, and longevity ... An explosion of scientific discoveries in the last twenty years has shed new light on this fundamental aspect of our lives. Now ... neuroscientist and sleep expert Matthew Walker gives us a new understanding of the vital importance of sleep and dreaming"--Amazon.com.

Why We Sleep

Mello Yello is the intimate life story of music industry legend Jack Gibson a/k/a "Jack the Rapper." Launching the careers of countless superstars, Gibson forged enduring friendships with some of the

most illustrious African American personalities of the twentieth century. His long reaching influence began in 1949, when he and J.B. Blayton established the first black-owned radio station in the United States. As an emcee and promoter, he built enduring friendships with the early black royalty of the entertainment world, among them, Sammy Davis, Jr., Billie Holiday, Erroll Garner, Sarah Vaughan, Nat King Cole, Pearl Bailey, Dinah Washington, Nancy Wilson, and Ray Charles. When he was hired by Berry Gordy to head up promotion at a fledgling record company called Motown, Gibson befriended a new crop of stars, including Stevie Wonder, The Supremes, and Smokey Robinson. Moving on to the Revelot label, and then to Stax, Gibson's uncanny timing once again positioned him to further the careers of Otis Redding, Jackie Wilson, Isaac Hayes, The Staple Singers, Rufus Thomas, Carla Thomas and many others. In addition to his involvement in the music scene, Gibson gave voice to the history as he lived it—covering the Civil Rights Movement, interviewing Malcolm X, and conducting a man-on-the-street report from Detroit as it burned following Dr. King's assassination. With the publication of his influential Black trade magazine called *The Mello Yello*, *The Rapper* established a forum for discussions and contributed to sweeping changes for African Americans in radio and the recording industry. But his most long-reaching achievement was his glittering “Family Affair”—an annual black music convention that provided a springboard for new talent. Each year, without fail, the heavy hitters of the music industry cleared their schedules to lend their talents to the Family Affair: Prince, Tina Turner, Nancy Wilson, Janet Jackson, James Brown, Whitney Houston, Eddie Murphy, Hammer, Toni Braxton, Sinbad, L.L. Cool J. And the list goes on like a “Who’s Who” of entertainment superstars. After being honored by the Rock and Roll Hall of Fame, other accolades began to roll in from the United States Congress, the Smithsonian Institution, and countless other organizations. But *The Rapper* wasn't finished yet. With decades of stories and music still alive in his soul, he returned to his roots—radio. Nearly fifty years after his beginnings at WERD, Jack The Rapper's voice once again crackled across the airwaves in Las Vegas, Nevada, proclaiming three simple words: “I’m still here.”

Mello Yello

With tight breeches and loose morals, the horse trials circuit is a hell for leather chase across the magnificent parkland of England's finest country estates. Flirtation is compulsory sport; love is a professional hazard. Silver-tongued charmer Rory Midwinter is quite at home in this hedge-jumping, bed-hopping world of competitive weekend house parties. Having been born into the saddle, and with a rock star owner as patron, he has no intention of settling down. Only his long-term groom Faith has other ideas. Tash and Hugo Beauchamp are the undisputed golden couple of British three-day-eventing, but their mettle is put to the test by the arrival of *The Devil on Horseback*, brooding Kiwi rider, Lough Strachan. Lough holds the key to Hugo's darkest secret, and he intends to use it to access his greatest rival's beautiful wife.

Kiss And Tell

In a powerful debut, rising star Sophia Thakur brings her spoken word performance to the page. Be with yourself for a moment. Be yourself for a moment. Airplane mode everything but yourself for a moment. From acclaimed performance poet Sophia Thakur comes a stirring collection of coming-of-age poems exploring issues of identity, difference, perseverance, relationships, fear, loss, and joy. From youth to school to family life to falling in love and falling back out again—the poems draw on the author's experience as a young mixed-race woman trying to make sense of a lonely and complicated world. With a strong narrative voice and emotional empathy, this is poetry that will resonate with all young people, whatever their background and whatever their dreams.

Somebody Give This Heart a Pen

Book 3.5 in the #1 bestselling *Wishes Series* After five long years of waiting, Gabrielle and Alex's most longed-for wish is about to come true. Their baby son is due any day, and Gabi has everything planned down the last detail. Alex has never been one for making plans. He's a firm believer in fate, trusting that on any given day, things are exactly how they're supposed to be. When Gabrielle's plans go awry at the last minute, both are thrown for a loop. Trying to hold his family together soon takes a toll on Alex. When his once unbreakable connection to Gabrielle begins to slip, his faith in fate is stretched to the limit. Charli has been waiting to meet her baby brother for months. When the call finally comes, she jumps on the first flight out of New York and heads home for a surprise visit. Little does she know, her treasured family is at breaking point. Bonding with her brother comes easily. Maintaining the tight bond she's always shared with her father is harder to do.

Silver Dawn

Darling, I never wanted to go home as bad in my life as I do now and if they don't give me a furlow I am going any how. Written in December 1862 by Private Wright Vinson in Tennessee to his wife, Christiana, in Georgia, these lines go to the heart of why Scott Walker wrote this history of the Fifty-seventh Georgia Infantry, a unit of the famed Mercer's Brigade. All but a few members of the Fifty-seventh lived within a close radius of eighty miles from each other. More than just an account of their military engagements, this is a collective biography of a close-knit group. Relatives and neighbors served and died side by side in the Fifty-seventh, and Walker excels at showing how family ties, friendships, and other intimate dynamics played out in wartime settings. Humane but not sentimental, the history abounds in episodes of real feeling: a starving soldier's theft of a pie; another's open confession, in a letter to his wife, that he may desert; a slave's travails as a camp orderly. Drawing on memoirs and a trove of unpublished letters and diaries, Walker follows the soldiers of the Fifty-seventh as they push far into Unionist Kentucky, starve at the siege of Vicksburg, guard Union prisoners at the Andersonville stockade, defend Atlanta from Sherman, and more. Hardened fighters who would wish hell on an incompetent superior but break down at the sight of a dying Yankee, these are real people, as rarely seen in other Civil War histories.

Hell's Broke Loose in Georgia

NEW YORK TIMES BESTSELLER • For the first time in decades comes a fresh look at the fabled Tudor dynasty, comprising some of the most enigmatic figures ever to rule a country. "A thoroughly readable and often compelling narrative . . . Five centuries have not diminished the appetite for all things Tudor."—Associated Press In 1485, young Henry Tudor, whose claim to the throne was so weak as to be almost laughable, crossed the English Channel from France at the head of a ragtag little army and took the crown from the family that had ruled England for almost four hundred years. Half a century later his son, Henry VIII, desperate to rid himself of his first wife in order to marry a second, launched a reign of terror aimed at taking powers no previous monarch had even dreamed of possessing. In the process he plunged his kingdom into generations of division and disorder, creating a legacy of blood and betrayal that would blight the lives of his children and the destiny of his country. The boy king Edward VI, a fervent believer in reforming the English church, died before bringing to fruition his dream of a second English Reformation. Mary I, the disgraced daughter of Catherine of Aragon, tried and failed to reestablish the Catholic Church and produce an heir. And finally came Elizabeth I, who devoted her life to creating an image of herself as Gloriana the Virgin Queen but, behind that mask, sacrificed all chance of personal happiness in order to survive. The Tudors weaves together all the sinners and saints, the tragedies and triumphs, the high dreams and dark crimes, that reveal the Tudor era to be, in its enthralling, notorious truth, as momentous and as fascinating as the fictions audiences have come to love. Praise for *The Tudors* "A rich and vibrant tapestry."—The Star-Ledger "A thoroughly readable and often compelling narrative . . . Five centuries have not diminished the appetite for all things Tudor."—Associated Press "Energetic and comprehensive . . . [a] sweeping history of the gloriously infamous Tudor era . . . Unlike the somewhat ponderous British biographies of the Henrys, Elizabeths, and Boleyns that seem to pop up perennially, *The Tudors* displays flashy, fresh irreverence [and cuts] to the quick of the action."—Kirkus Reviews "[A] cheeky, nuanced, and authoritative perspective . . . brims with enriching background discussions."—Publishers Weekly "[A] lively new history."—Bloomberg

An insightful and devastating account of how Wall Street lost its way from an insider who experienced the culture of Goldman Sachs first-hand. On March 14, 2012, more than three million people read Greg Smith's bombshell Op-Ed in the New York Times titled "Why I Am Leaving Goldman Sachs." The column immediately went viral, became a worldwide trending topic on Twitter, and drew passionate responses from former Fed chairman Paul Volcker, legendary General Electric CEO Jack Welch, and New York City mayor Mike Bloomberg. Mostly, though, it hit a nerve among the general public who question the role of Wall Street in society -- and the callous "take-the-money-and-run" mentality that brought the world economy to its knees a few short years ago. Smith now picks up where his Op-Ed left off. His

story begins in the summer of 2000, when an idealistic 21-year-old arrives as an intern at Goldman Sachs and learns about the firm's Business Principle #1: Our clients' interests always come first. This remains Smith's mantra as he rises from intern to analyst to sales trader, with clients controlling assets of more than a trillion dollars. From the shenanigans of his summer internship during the technology bubble to Las Vegas hot tubs and the excesses of the real estate boom; from the career lifeline he received from an NFL Hall of Famer during the bear market to the day Warren Buffett came to save Goldman Sachs from extinction-Smith will take the reader on his personal journey through the firm, and bring us inside the world's most powerful bank. Smith describes in page-turning detail how the most storied investment bank on Wall Street went from taking iconic companies like Ford, Sears, and Microsoft public to becoming a "vampire squid" that referred to its clients as "muppets" and paid the government a record half-billion dollars to settle SEC charges. He shows the evolution of Wall Street into an industry riddled with conflicts of interest and a profit-at-all-costs mentality: a perfectly rigged game at the expense of the economy and the society at large. After conversations with nine Goldman Sachs partners over a twelve-month period proved fruitless, Smith came to believe that the only way the system would ever change was for an insider to finally speak out publicly. He walked away from his career and took matters into his own hands. This is his story.

Why I Left Goldman Sachs

Boy Bear cannot hear Dad Bear coming to wake him up in the morning but he can feel the floor vibrate with his heavy footsteps. He can only grasp little bits of what his teacher says to him at school. He cannot catch what his friends are laughing at. And, all the time, Boy Bear keeps hearing the question, Can Bears ski? What does it mean? With the support of Dad Bear, Boy Bear visits an audiologist and, eventually, he gets hearing aids. Suddenly, he understands the question everyone has been asking him: Can you hear me? Raymond draws on his own experience to show how isolating it can be for a deaf child in a hearing world.

Can Bears Ski?

Werewolf-in-training Kieren is torn between joining an urban wolf pack and staying to protect his human best friend (and love interest) Quincie, whose restaurant is in danger of morphing into a vampire lair

Tantalize

This report considers the biological and behavioral mechanisms that may underlie the pathogenicity of tobacco smoke. Many Surgeon General's reports have considered research findings on mechanisms in assessing the biological plausibility of associations observed in epidemiologic studies. Mechanisms of disease are important because they may provide plausibility, which is one of the guideline criteria for assessing evidence on causation. This report specifically reviews the evidence on the potential mechanisms by which smoking causes diseases and considers whether a mechanism is likely to be operative in the production of human disease by tobacco smoke. This evidence is relevant to understanding how smoking causes disease, to identifying those who may be particularly susceptible, and to assessing the potential risks of tobacco products.

How Tobacco Smoke Causes Disease

The fascinating story of a trial that opened a window onto the century-long battle to control nature in the national parks. When twenty-five-year-old Harry Walker was killed by a bear in Yellowstone Park in 1972, the civil trial prompted by his death became a proxy for bigger questions about American wilderness management that had been boiling for a century. At immediate issue was whether the Park Service should have done more to keep bears away from humans, but what was revealed as the trial unfolded was just how fruitless our efforts to regulate nature in the parks had always been. The proceedings drew to the witness stand some of the most important figures in twentieth century wilderness management, including the eminent zoologist A. Starker Leopold, who had produced a landmark conservationist document in the 1950s, and all-American twin researchers John and Frank Craighead, who ran groundbreaking bear studies at Yellowstone. Their testimony would help decide whether the government owed the Walker family restitution for Harry's death, but it would also illuminate decades of patchwork efforts to preserve an idea of nature that had never existed in the first place. In this remarkable excavation of American environmental history, nature writer and former park ranger Jordan Fisher Smith uses Harry Walker's story to tell the larger narrative of the futile, sometimes fatal, attempts to remake wilderness in the name of preserving it. Tracing a course from the founding of the

national parks through the tangled twentieth-century growth of the conservationist movement, Smith gives the lie to the portrayal of national parks as Edenic wonderlands unspoiled until the arrival of Europeans, and shows how virtually every attempt to manage nature in the parks has only created cascading effects that require even more management. Moving across time and between Yellowstone, Yosemite, and Glacier national parks, *Engineering Eden* shows how efforts at wilderness management have always been undone by one fundamental problem--that the idea of what is "wild" dissolves as soon as we begin to examine it, leaving us with little framework to say what wilderness should look like and which human interventions are acceptable in trying to preserve it. In the tradition of John McPhee's *The Control of Nature* and Alan Burdick's *Out of Eden*, Jordan Fisher Smith has produced a powerful work of popular science and environmental history, grappling with critical issues that we have even now yet to resolve.

Engineering Eden

New York Times best-selling author Cynthia Leitich Smith turns to realistic fiction with the thoughtful story of a Native teen navigating the complicated, confusing waters of high school — and first love. When Louise Wolfe's first real boyfriend mocks and disrespects Native people in front of her, she breaks things off and dumps him over e-mail. It's her senior year, anyway, and she'd rather spend her time with her family and friends and working on the school newspaper. The editors pair her up with Joey Kairouz, the ambitious new photojournalist, and in no time the paper's staff find themselves with a major story to cover: the school musical director's inclusive approach to casting *The Wizard of Oz* has been provoking backlash in their mostly white, middle-class Kansas town. From the newly formed Parents Against Revisionist Theater to anonymous threats, long-held prejudices are being laid bare and hostilities are spreading against teachers, parents, and students — especially the cast members at the center of the controversy, including Lou's little brother, who's playing the Tin Man. As tensions mount at school, so does a romance between Lou and Joey — but as she's learned, "dating while Native" can be difficult. In trying to protect her own heart, will Lou break Joey's?

Hearts Unbroken

The Fury is Book 1 in Alexander Gordon Smith's nightmarish *Fury* series. Imagine if one day, without warning, the entire human race turns against you. Every single person you meet becomes a bloodthirsty, mindless savage, hell-bent on killing you - and only you. Friends, family, even your mum and dad, will turn on you. They will murder you. And when they have, they will go back to their lives as if nothing has happened. The world has the Fury. It will not rest until you are dead. Cal, Brick and Daisy are three ordinary teenagers whose lives suddenly take a terrifying turn for the worst. They begin to trigger a reaction in everybody they meet, that makes friends and strangers alike want to tear them to pieces. These victims of the Fury - the ones that survive - manage to locate each other. But just when they think they have found a place to hide from the world, some of them begin to change...They must fight to uncover the truth about the Fury before it's too late. But it is a truth that will destroy everything they know about life and death.

The Fury

Miranda Martin is a nurse, burned out by the stress of hospital work and too many hopeless cases. Now she works for an online medical information hotline. She is still helping people, but from a safe distance. DJ is a reclusive poet who lives in England with her aunt, Sara. When Sara's health takes a turn for the worse, DJ begins a desperate search for information and hope. She finds much more than she expected when her search leads her to Randa Martin. In the shadow of Sara's debilitating illness, a friendship forms and two hearts connect.

Only Love Can Break Your Heart

The first complete overview of evolutionary computing, the collective name for a range of problem-solving techniques based on principles of biological evolution, such as natural selection and genetic inheritance. The text is aimed directly at lecturers and graduate and undergraduate students. It is also meant for those who wish to apply evolutionary computing to a particular problem or within a given

application area. The book contains quick-reference information on the current state-of-the-art in a wide range of related topics, so it is of interest not just to evolutionary computing specialists but to researchers working in other fields.

Connecting Hearts

Winner of the Whitbread Book of the Year 'Outstanding...a stunningly good read' Observer 'Mark Haddon's portrayal of an emotionally dissociated mind is a superb achievement... Wise and bleakly funny' Ian McEwan The Curious Incident of the Dog in the Night-Time is a murder mystery novel like no other. The detective, and narrator, is Christopher Boone. Christopher is fifteen and has Asperger's Syndrome. He knows a very great deal about maths and very little about human beings. He loves lists, patterns and the truth. He hates the colours yellow and brown and being touched. He has never gone further than the end of the road on his own, but when he finds a neighbour's dog murdered he sets out on a terrifying journey which will turn his whole world upside down.

Introduction to Evolutionary Computing

Nothing stays black and white in a world full of shadows... I'm Alana Mitchell, and for my twentieth birthday, I got a brand-new magical destiny instead of the laptop I was saving for. I'm a witch. I have powers I can't control, enemies I know nothing about and a legacy I can't begin to grasp. There's a whole shadow-world out there waiting to swallow me whole, a world I didn't even know existed until I used my powers and unleashed hell upon my naïve self. I always figured that the first time I'd move in with a man, it'd be my boyfriend, not a bloodthirsty demon with a storm of secrets and his brother, but they're the only ones who can help me. My new roommates are driving me crazy with their I-know-better attitudes, beckoning stares and stupidly handsome faces. I want to hunt the bastards that destroyed my future, but the brothers' past is catching up to us in the form of a smart, bitter, and deadly enemy, one who will stop at nothing to possess me. To survive, I must embrace the darkness simmering inside me. And that darkness is terrifying. Shadow Walker is the first book in a slow-burn urban fantasy/paranormal series filled with action, suspense, angst, and smoking-hot men. Perfect for fans of Supernatural and Vampire Diaries. Demons, witches, forbidden love... Pick-up your copy now!

Violet Bent Backwards Over the Grass

THE SUNDAY TIMES TOP TEN BESTSELLER THE HIGHLY ANTICIPATED DEBUT BOOK OF POETRY FROM LANA DEL REY, VIOLET BENT BACKWARDS OVER THE GRASS 'Violet Bent Backwards Over the Grass is the title poem of the book and the first poem I wrote of many. Some of which came to me in their entirety, which I dictated and then typed out, and some that I worked laboriously picking apart each word to make the perfect poem. They are eclectic and honest and not trying to be anything other than what they are and for that reason I'm proud of them, especially because the spirit in which they were written was very authentic. Lana Del Rey Lana's breathtaking first book solidifies her further as 'the essential writer of her times' (The Atlantic). The collection features more than thirty poems, many exclusive to the book: Never to Heaven, The Land of 1,000 Fires, Past the Bushes Cypress Thriving, LA Who Am I to Love You?, Tessa DiPietro, Happy, Paradise Is Very Fragile, Bare Feet on Linoleum and many more. This beautiful hardcover edition showcases Lana's typewritten manuscript pages alongside her original photography. The result is an extraordinary poetic landscape that reflects the unguarded spirit of its creator. Violet Bent Backwards Over the Grass is also brought to life in an unprecedented spoken word audiobook which features Lana Del Rey reading fourteen select poems from the book accompanied by music from Grammy Award-winning musician Jack Antonoff.

Lobo Vol. 1: Targets

The universe's greatest bounty hunter. The last Czarnian. The unstoppable alien assassin Lobo has reclaimed his identity from the impostor that stole it, but now he finds himself without a sense of purpose. Luckily a new employer comes on the scene with an attractive offer: Lobo can either kill seven of the universe's top assassins or spend the rest of his life in jail. Now, saddled with a crew of human partners he never asked for, Lobo has to locate his quarry one by one while making sure that the assassins can't kill the target they've been hired to destroy: Earth. The entire planet. If that means teaming up with Superman, so be it. But the one thing that Lobo never expected was to run into one of the assassins who may be his equal. Someone who shares a very similar background as him...and may shed new light on his own tragic past! Writer Cullen Bunn (SINESTRO) and artist Reilly Brown (Cable & Deadpool) reinvent the Main Man for the DC Universe...and Lobo is as deadly and merciless as ever! Collects LOBO #1-6.

Mercy Bound Released

Warning NOT meant for the faint of heart, contains very dark themes. Please read the preface before purchasing. This is NOT a romance* Everyone knows the story where the beautiful girl gets taken by a monster. The one where the monster ends up being some poor tortured soul with a fucked up past. Love prevails, and then they live happily ever fucking after. Well, this is my story and it isn't a fairytale. I loved my monster too. But that was before he took me. My reality is dark. His demons are darker.

The End Of Alice

From the 2013 Orange Prize–winning author of *May We Be Forgiven*. Only a work of such searing, meticulously controlled brilliance could provoke such a wide range of visceral responses. Here is the incredible story of an imprisoned pedophile who is drawn into an erotically charged correspondence with a nineteen-year-old suburban coed. As the two reveal—and revel in—their obsessive desires, Homes creates in *The End of Alice* a novel that is part romance, part horror story, at once unnerving and seductive.

Bells of Demonio

Seven days of sin. It was said to be a celebration you could experience only once in a lifetime. For people like us, lovers of all things strange, twisted, and morally questionable, it was a claim that couldn't be ignored. My group of misfit friends and I hopped onto a plane to go and see for ourselves. What we found was a beautiful village that seemed to exist in a world of its own. The locals went all out to ensure our trip was for naught. Their promise to deliver an experience we would never forget went far beyond our wildest expectations. After chilling haunts, creepypastas becoming vividly real, and the hottest one-night stand of my life, I was more than satisfied with this impromptu endeavor. It should've ended there. One folk tale was all it took to turn a celebration into a nightmare. Six of us went into the

woods that story warned us never to enter. Guess how many made it back out? ****PLEASE NOTE****
This is a short prelude to a dark RH standalone. Contains mild drug use, knife/blood play, and heavy PNR elements.

Resistance

Since the release of her first, career-defining solo album *Little Earthquakes*, Tori Amos has been one of the music industry's most enduring and ingenious artists. From her unnerving depiction of sexual assault in "Me and a Gun" to her post-9/11 album *Scarlet's Walk* to her latest album *Native Invader*, her work has never shied away from intermingling the personal with the political. Amos began playing piano as a teenager for the politically powerful at hotel bars in Washington, D.C., during the formative years of the post-Goldwater and then Koch-led Libertarian and Reaganite movements. The story continues to her time as a hungry artist in L.A. to the subsequent three decades of her formidable music career. Amos explains how she managed to create meaningful, politically resonant work against patriarchal power structures and how her proud declarations of feminism and her fight for the marginalized always proved to be her guiding light. She teaches readers to engage with intention in this tumultuous global climate and speaks directly to supporters of #MeToo and #TimesUp, as well as young people fighting for their rights and visibility in the world. Filled with compassionate guidance and actionable advice—and using some of the most powerful, political songs in Amos's canon—this book is for readers determined to steer the world back in the right direction.

Lucifer - Revelation

Many years have passed since the death of his companions on *Gauda Prime*, but Avon is still very much on the minds - and a thorn in the side - of those in power. On the run in a stolen spaceship, Avon has world leaders, warlords, aliens, bandits and hitmen on his trail, all hoping to seize control of the super computer Orac, and to be rid of Avon once and for all. However, those who underestimate Avon do so at their peril.

Decoding Despacito

A behind the scenes look at the music that is currently the soundtrack of the globe, reported on and written by Leila Cobo, Billboard's VP of Latin Music and the world's ultimate authority on popular Latin music. *Decoding "Despacito"* tracks the stories behind the biggest Latin hits of the past fifty years. From the salsa born and bred in the streets of New York City, to Puerto Rican reggaetón and bilingual chart-toppers, this rich oral history is a veritable treasure trove of never-before heard anecdotes and insight from a who's who of Latin music artists, executives, observers, and players. Their stories, told in their own words, take you inside the hits, to the inner sanctum of the creative minds behind the tracks that have defined eras and become hallmarks of history. **FEATURING THE STORIES BEHIND SONGS BY:** José Feliciano • Los Tigres Del Norte • Julio Iglesias • Gloria Estefan and Miami Sound Machine • Willie Colón • Juan Luis Guerra • Selena • Los Del Río • Carlos Vives • Elvis Crespo • Ricky Martin • Santana • Shakira • Daddy Yankee • Marc Anthony • Enrique Iglesias with Descemer Bueno and Gente De Zona • Luis Fonsi with Daddy Yankee • J Balvin with Willy William • Rosalía

Dirty Poetry From Mind of Ivan L. Moody

Five Finger Death Punch front man Ivan Moody teams with watercolor illustrator Blake Armstrong to bring Ivan's twisted poetry to life! Ever wondered what really lies beyond "where the sidewalk ends?" From the wonderfully twisted mind of the front man of Five Finger Death Punch; Ivan Moody's *Dirty Poetry* is a book of original poems punctuated with dark art that's guaranteed to inspire upside-down dreamscapes in the minds of its readers. Written by Ivan Moody himself, with beautifully haunting ink and watercolor illustrations by Blake Armstrong, Z2 Comics offers this Halloween treat to readers everywhere this October!

Unruly Media

Unruly Media is the first book to account for the current audiovisual landscape across media and platform. It includes new theoretical models and close readings of current media as well as the oeuvre of popular and influential directors.

Lightbringer

The incredible conclusion to the Empirium Trilogy that started with the instant New York Times bestsellers Furyborn and Kingsbane! This series is perfect for those looking for books for teen girls and is also one of the best fantasy series for adults and teens! Two queens, separated by a thousand years must face their ultimate destinies. Queen Rielle, pushed away from everything she loves, turns to Corien and his promises of glory. Meanwhile, whispers from the empirium slowly drive her mad, urging her to open the Gate. Separated from Audric and Ludivine, she embraces the role of Blood Queen and her place by Corien's side, determined to become the monster the world believes her to be. In the future, Eliana arrives in the Empire's capital as a broken shell of herself. Betrayed and abandoned, she fights to keep her power at bay—and away from Corien, who will stop at nothing to travel back in time to Rielle, even if that means destroying her daughter. But when the mysterious Prophet reveals themselves at last, everything changes, giving Rielle and Eliana a second chance for salvation—or the destruction their world has been dreading. An epic fantasy with female protagonist, the Empirium Trilogy has captured the hearts of many and Lightbringer concludes this beloved teen fantasy series. Schwann CD.

An abomination came in the middle of the night. Death and destruction followed in his wake. The sun fell from the sky and has yet to return. I am now trapped in a world where the savage and corrupt rule, my life has been compromised. He stole my crown with bloodstained hands and claimed me as his queen. Reyes Straykova is seductively cruel. Volatile and ruthless, a vicious beast. His sinister game has just begun. Bow to the king and watch chaos reign. Beauty & Rage is a prequel for the Broken Crowns series. This is a twisted PNR series not meant for the faint of heart. Contains explicit steam and various dark themes.

Beauty & Rage

(Piano/Vocal/Guitar Artist Songbook). Their 30 biggest hits, including: Another One Bites The Dust * Bohemian Rhapsody * Crazy Little Thing Called Love * Under Pressure * We Are The Champions * We Will Rock You * You're My Best Friend * and more.

Queen - Deluxe Anthology (Songbook)

(Piano/Vocal/Guitar Artist Songbook). 27 hits from these rock legends in piano/vocal/guitar arrangements. Includes: The Chain * Don't Stop * Dreams * Gold Dust Woman * Gypsy * Hold Me * Landslide * Little Lies * Over My Head * Rhiannon * Say You Love Me * You Make Lovin' Fun * and more.

Fleetwood Mac - Anthology Songbook

BOOK ONE OF THE DARK DUET: Caleb is a man with a singular interest in revenge. Kidnapped as a young boy and sold into slavery by a power-hungry mobster, he has thought of nothing but vengeance. For twelve years he has immersed himself in the world of pleasure slaves searching for the one man he holds ultimately responsible. Finally, the architect of his suffering has emerged with a new identity, but not a new nature. If Caleb is to get close enough to strike, he must become the very thing he abhors and kidnap a beautiful girl to train her to be all that he once was. Eighteen-year-old Olivia Ruiz has just woken up in a strange place. Blindfolded and bound, there is only a calm male voice to welcome her. His name is Caleb, though he demands to be called Master. Olivia is young, beautiful, naïve and willful to a fault. She has a dark sensuality that cannot be hidden or denied, though she tries to accomplish both. Although she is frightened by the strong, sadistic, and arrogant man who holds her prisoner, what keeps Olivia awake in the dark is her unwelcome attraction to him. WARNING: This book contains very disturbing situations, dubious consent, strong language, and graphic violence.

New York

The intergalactic bounty hunter Lobo returns to the DC Universe and is bringing his well known brand of ultraviolence with him. Charged with protecting a valuable client from six highly trained assassins, Lobo cuts a path of destruction through the DC Universe as he attempts to protect his client, but also must find those responsible for the contract on his client's life. In the midst of all the chaos, Lobo must also track down the individual who has stolen his identity and serve him with Lobo's own brand of justice! Collects issues #1-6 of this exciting new series!

Captive in the Dark

This book is both a contribution to an interdisciplinary study of literature and other media and a pioneering application of cognitive and frame-theoretical approaches to these fields. In the temporal media a privileged place for the coding of cognitive frames are the beginnings while in spatial media physical borders take over many framing functions. This volume investigates forms and functions of such framing spaces from a transmedial perspective by juxtaposing and comparing the framing potential of individual media and works. After an introductory theoretical essay, which aims to clarify basic concepts, the volume presents eighteen contributions by scholars from various disciplines who deal with individual media. The first section is dedicated to framing in or through the visual arts and includes discussions of the illustrations of medieval manuscripts, the practice of framing pictures from the Middle Ages to Magritte and contemporary American art as well as framings in printmaking and architecture. The second part deals with literary texts and ranges from studies centred on framings in frame stories to essays focussing on the use of paratextual, textual and non-verbal media in the framings of classical, medieval and modern German and American narrative literature; moreover, it includes studies on defamiliarized framings, e.g. by Julio Cortázar and Jasper Fforde, as well as an essay on end-framing practices. Sections on framings in film (including the trailers of Tolkien's *The Lord of the Rings*) and in music (operatic overtures and Schumann's piano pieces) provide perspectives on further media. The volume is of relevance to students and scholars from various fields: intermedia studies, cognitive approaches to the media, literary and film studies, history of art, and musicology.

Lobo

Violin Star is a three-book series offering beginner violinists refreshing and inspirational pieces to build confidence and musical skills. The repertoire is tailored to develop specific techniques through a range of styles. This Accompaniment book includes separate piano and violin accompaniments for every piece featured in the Student's book.

Framing Borders in Literature and Other Media

A novel attempt to make sense of our preoccupation with copies of all kinds—from counterfeits to instant replay, from parrots to photocopies. *The Culture of the Copy* is a novel attempt to make sense of the Western fascination with replicas, duplicates, and twins. In a work that is breathtaking in its synthetic and critical achievements, Hillel Schwartz charts the repercussions of our entanglement with copies of all kinds, whose presence alternately sustains and overwhelms us. This updated edition takes notice of recent shifts in thought with regard to such issues as biological cloning, conjoined twins, copyright, digital reproduction, and multiple personality disorder. At once abbreviated and refined, it will be of interest to anyone concerned with problems of authenticity, identity, and originality. Through intriguing, and at times humorous, historical analysis and case studies in contemporary culture, Schwartz investigates a stunning array of simulacra: counterfeits, decoys, mannequins, and portraits; ditto marks, genetic cloning, war games, and camouflage; instant replays, digital imaging, parrots, and photocopies; wax museums, apes, and art forgeries—not to mention the very notion of the Real McCoy. Working through a range of theories on biological, mechanical, and electronic reproduction, Schwartz questions the modern esteem for authenticity and uniqueness. *The Culture of the Copy* shows how the ethical dilemmas central to so many fields of endeavor have become inseparable from our pursuit of copies—of the natural world, of our own creations, indeed of our very selves. The book is an innovative blend of microsociology, cultural history, and philosophical reflection, of interest to anyone concerned with problems of authenticity, identity, and originality. Praise for the first edition “[T]he author... brings his considerable synthetic powers to bear on our uneasy preoccupation with doubles, likenesses, facsimiles, replicas and re-enactments. I doubt that these cultural phenomena have ever been more comprehensively or more creatively chronicled.... [A] book that gets you to see the world anew, again.” —The New York Times “A sprightly and disconcerting piece of cultural history” —Terence Hawkes,

London Review of Books "In The Culture of the Copy, [Schwartz] has written the perfect book: original and repetitive at once." —Todd Gitlin, Los Angeles Times Book Review

Violin Star 1, Accompaniment Book

There are a million stories about naïve girls being taken by beautiful monsters. In some of them, the monster is a tortured soul with a damaged past, but even then, that monster is redeemable. This is not one of those stories. My monster revels in the carnage he creates. My monster is a villain with no redemption, one that revels in the malice he inflicts. My reality is dark. His demons are darker. And though I love my monster with every beat of my morbid heart, this is no fairy-tale. For me, there is no happily ever after. *Dahlia Saga**This saga contains EXTREMELY dark themes. Reader discretion highly advised. MaliceObsceneDepravityMalevolenceIniquity

Opera Canada

Paul Darrow's vivid reimagining picks up Avon's story at the final moments of the final episode of Blake's 7 and follows him on his fight for survival. The adventure continues years later as Avon, now an old man, finds himself a key player in the game of power politics being played out on a grand scale by The Quartet - four ruthless leaders in an uneasy alliance, who govern the world in place of the Federation. Old enemies resurface and dangerous new ones appear as the time comes for old scores to finally be settled.

The Culture of the Copy

Rodgers and Hammerstein's beloved song from *The Sound of Music* has captured hearts for generations. Now acclaimed illustrator Renée Graef's heartwarming illustrations give it new meaning. Complete with its score, *My Favorite Things* is perfect for reading and sharing.

Opera in Canada

Tragic and Twisted fell in love... Ave Satanas, something wicked this way comes. It's time for the reckoning to begin. Enter the Devil's Playground wary where you tread, for demons are lurking with trickery up their sleeves. Here good and bad cease to exist, and not all will make it to the end. The price of freedom will be revealed only after bloodshed and rapture. A claiming of one and purging of others. That audio recording played exactly three minutes before the crash. It was a riddle, a warning, and a promise. But they didn't know that until it was too late. Now stranded with two friends and a group of apprehensive strangers, Liliana Serpine must decide who and who not to trust as they navigate their way through hell in the form of an opulent city. There's one person who stands out among the others. He's got a gorgeous face and darkly enigmatic aura. Being drawn to him is inevitable but staying by his side becomes necessary to survive. When secrets start being revealed in blood, everything changes. From dabbling in the taboo, being tempted by the forbidden, and falling in lust with the carnage. For those that make it out of this alive, they'll never be the same people they once were. **Warning** Devil's Playground is a dark new adult (not high-school) series. There are graphic situations and content some readers may find objectionable. If you need fluff and sweet romance this is not the series for you. Books 1 & 2 tie together. The remaining books in the series are individual standalones.

Malice

This study brings together writings on this controversial genre, spanning the history of horror in literature and film. It discusses texts from the United States, Europe, the Caribbean and Hong Kong.

Lucifer

This book examines issues of censorship, publicity and teenage fandom in 1950s Britain surrounding a series of controversial Hollywood films: *The Wild One*, *Blackboard Jungle*, *Rebel Without a Cause*, *Rock Around the Clock* and *Jailhouse Rock*. It also explores British cinema's commentary on juvenile delinquency through a re-examination of such British films as *The Blue Lamp*, *Spare the Rod and Serious Charge*. Taking a multi-dimensional approach, the book intersects with star studies and social history while reappraising the stardom of Marlon Brando, James Dean and Elvis Presley. By looking at the specific meanings, pleasures and uses British fans derived from these films, it provides a logical and sustained narrative for how Hollywood star images fed into and disrupted British cultural life during a period of unprecedented teenage consumerism.

My Favorite Things

(Piano/Vocal/Guitar Songbook). 20 of the top hits of 2020 and 2021 for piano, voice and guitar. Includes: *Drivers License* (Olivia Rodrigo) * *Dynamite* (BTS) * *I Hope* (Gabby Barrett) * *Ice Cream* (BLACKPINK & Selena Gomez) * *Kings & Queens* (Ava Max) * *Monster* (Shawn Mendes & Justin Bieber) * *Positions* (Ariana Grande) * *Therefore I Am* (Billie Eilish) * *Watermelon Sugar* (Harry Styles) * *Willow* (Taylor Swift) * and more.

Periculum

The first book in the instant New York Times bestselling series, the Empirium Trilogy! Furyborn is an epic YA fantasy about two fiercely independent young women, centuries apart, who hold the power to save their world...or doom it. When assassins ambush her best friend, Rielle Dardenne risks everything to save him, exposing herself as one of a pair of prophesied queens: a queen of light, and one of blood. To prove she is the Sun Queen, Rielle must endure seven elemental magic trials. If she fails, she will be executed as the Blood Queen...unless the trials kill the queen first. One thousand years later, the legend of Queen Rielle is a fairy tale to Eliana Ferracora. A bounty hunter for the Undying Empire, Eliana believes herself untouchable—until her mother vanishes. To find her, Eliana joins a rebel captain and discovers that the evil at the empire's heart is more terrible than she ever imagined. As Rielle and Eliana fight in a cosmic war that spans millennia, their stories intersect, and the shocking connections between them ultimately determine the fate of their world—and of each other. Perfect for: Epic fantasy and dark fantasy YA readers Fans of *To Kill A Kingdom* and *Ash Princess* Lovers of dual POVs and epic world building Those who enjoy fiction about strong girls and women The Empirium Trilogy: *Furyborn* (Book 1) *Kingsbane* (Book 2) *Lightbringer* (Book 3) Praise for *Furyborn*: "Set in an immersive world of elemental magic, legendary godsbeasts, and cutthroat assassins, Claire Legrand's *Furyborn* is an addictive, fascinating fantasy." —Kendare Blake, #1 New York Times bestselling author of the *Three Dark Crowns* series A BuzzFeed Most Anticipated Title of Spring 2018 A Goodreads Most Anticipated Title of Spring 2018 A Bustle Most Anticipated Title of Spring 2018 "A must-read." —Refinery29 "A series to watch." —Paste Magazine "Visionary." —Bustle "One of the biggest new YA Fantasies." —Entertainment Weekly "Empowering." —BuzzFeed

The Horror Reader

Love is madness. Love is anguish. Ours was ill-fated from the beginning. Crazier than crazy. Sicker than sick. Samael was the epitome of a beautiful nightmare. Together, we were poetry. The kind that bled and wept, a mess of euphoric bliss and heartbreak. I promised I'd be by his side until the bitter end, but after far too long I needed to be free of him. Leaving would be one of the hardest things I'd ever done. He'd come after me, of that I was sure. Many would lose their lives, becoming casualties in our war. When this was all said and done, our story would be whispered in darkened corners for years to come. A tale of a wolf pursuing a lamb, but with a masochistic twist. For even lambs have teeth, and this one bites back.

Furyborn

She is heir to a Sultanate that once ruled the world. He is an unwanted prince with the power to destroy. A sweeping, political fantasy romance set in a world inspired by the ancient Ottoman Empire.

Miscreants

The Bhagavad Gita has been called India's greatest contribution to the world. For more than five thousand years, this great scripture has shown millions in the East how to fill their lives with serenity and love. In these pages, Jack Hawley brings these ancient secrets to Western seekers in a beautiful prose version that makes the story of the Gita clear and exciting, and makes its truths understandable and easy to apply to our busy lives. The Gita is a universal love song sung by God to His friend man. It can't be confined by any creed. It is a statement of the truths at the core of what we all already believe, only it makes those truths clearer, so they become immediately useful in our daily lives. These truths are for our hearts, not just our heads. The Gita is more than just a book, more than mere words or concepts. There is an accumulated potency in it. To read the Gita is to be inspired in the true sense of the term: to be "inspirited," to inhale the ancient and ever-new breath of spiritual energy.

THE LOCAL HALLOWEEN CONTEST IS TURNING INTO A REAL FRIGHT FEST! Bayport citizens are wild about the Merchant Association's new Halloween mystery contest. The prizes for winning include DVD players, a classic motorcycle, a boat, and even flying lessons! It's sure to be the biggest social event of the fall season. When big prizes are up for grabs, though, some people will do anything to win -- and it's up to the Hardys to keep the competition honest. As they try to keep things in line, the Hardy boys and their friends contend with spooky settings, fright-masked bandits, a chase through the Halloween parade, and a horror movie star with secrets "buried" in his past. Soon it looks like the bad guys have this contest in the bag. Fortunately, the good guys -- Frank and Joe -- still have a few tricks left!
