Great Cloud of Witnesses Speak

Speaking to saints from heaven might be rare, but in these times, more and more people are starting to experience it. In biblical times, Jesus had a conversation with Moses and Elijah on the Mount of Transfiguration recorded in Matthew 17:1-9. Then, in Matthew 27:50-53, as Jesus died and the temple veil was torn, Scripture records in verse 52-53, ..".and the graves were opened and many bodies of the saints who had fallen asleep were raised...and coming out of the graves after His resurrection, they went into the holy city and appeared to many..." We are living in times where known prophets are speaking of encounters they have had with departed saints. For many years, Matthew has been having visitations, and more recently, Jesus commissioned him to interview five saints that the Holy Spirit brought to earth. These saints, part of the great cloud of witnesses mentioned in Hebrews 12:1, all answered the same nine questions. These included: * How do you feel being here to speak to the world today? * What do you think is special to God? * What do you like about heaven? * What keys do you consider important for the Christian life? * What message do you have for this generation? Read these interviews and the answers from the saints. Come to know these biblical characters in a new and fresh way. Let them speak to you of the God they love and the Jesus they worship. Read their perspectives on the life they lived on earth and the one they now live in heaven. The saints interviewed in order of appearance follow: Bob Jones; John Paul Jackson; Madame Jeanne Guyon; Joseph, Jesus' father; and Joseph, Jacob's son.

Great Cloud of Witnesses Speak

We read in the scriptures that Moses and Elijah came to visit Jesus and encouraged him before his death on the cross. When Christ resurrected, we also hear of saints coming out of their graves and appearing in the holy city to people living there. (See Matthew 17:1-13 and Matthew 27:52.) We are now entering a new phase on earth where people that live in heaven are visiting people on earth and mentoring them and teaching them spiritual principles. Justin Abraham, Ian Clayton, Shawn Bolz, and other Christian ministers are reporting these unique visitations, and soon many people on earth will be encountering saints from heaven. In this book, Matthew Robert Payne interviews some of God's generals: John G. Lake, Kathryn Kuhlman, Charles Finney, and Smith Wigglesworth. They each answered several questions, such as: -What is important to God -What they like about heaven -A message for this generation and -Important keys for the Christian life. Let God's generals speak to you in simple English, infused with their wisdom from heaven and their experience on earth so that they can lead you into a type of life that will see you achieve everything that you were born to do. This book provides practical advice and actionable steps that you can use as a tool to thrust you into a successful Christian life.

Great Cloud of Witnesses Speak

Get yourself a hot coffee, hot chocolate, or cup of tea and find a comfortable seat while we open up the lives of some of the saints who walked with Jesus and Paul. We will use the Bible for context but take a deeper look and pull off the covers of the scriptural narratives. Join Paul and Matthew for a behind-the-scenes peek into the lives of Martha, Lazarus, Thomas, and Timothy. Continuing in the tradition of the series, Great Cloud of Witnesses Speaks, Matthew Robert Payne brings you a collection of four saints as he opens up the scriptures and expounds on the back stories to the lives of these saints. Listen to the enthralling interviews and then dig into what Paul Nthoba adds in his commentary after each interview. This book will give you a new perspective of Jesus and of the lives of three of his dearest friends and the life of the Apostle Paul's spiritual son in the faith. Enjoy the fresh insight within these pages as you re-examine familiar stories with new eyes.

Rather, it will be just beginning—in a place of unimaginable bliss or indescribable gloom. Are you ready for that moment? How You Can Be Sure You Will Spend Eternity with God summarizes the Bible's teaching on salvation, answering questions like, "What role do I play in my own salvation? Can I lose my salvation if I commit a serious sin? What if I doubt that I'm saved?" Your Eternal Reward. This book explores the often-overlooked Scriptures about reward and judgment for Christians, answering questions like, "How will believers be judged? Do rewards for faithfulness vary? If heaven is perfect, why do rewards even matter?" Together these books will help you live faithfully today, readying you for that final hour when you meet your Maker.

The Cloud of Witnesses in the Courts of Heaven

The supernatural intersection between your life and the heavenly cloud of witnesses! In the Book of Hebrews, Scripture introduces us to the great cloud of witnesses—believers who have gone before us, joining the ranks of those gathered before the throne of God. Though they are in Heaven, these witnesses remain participating members of Jesus' church, playing an active part in the unfolding purposes of God on Earth. Through supernatural stories and Bible-based revelation, bestselling author Robert Henderson offers groundbreaking teaching on the cloud of witnesses' role in the Courts of Heaven. Discover how these departed believers help you to fulfill what's written in your book of destiny! Uncover God's plan to unify Heaven and earth, evidenced by an increase of supernatural encounters. Operate in the courts of Heaven with fresh revelation, insight, and boldness. Avoid demonic deception and occultic practice involving the spirit-realm. Walk in powerful dimensions of the Spirit opened by Jesus' blood. Intercede in agreement with prayers in Heaven, as the cloud of witnesses has a powerful voice in the heavenly courts. Recognize encounters with the cloud of witnesses in a Biblical, Jesus-exalting way. Step into your destiny by joining the unfolding story of God's Kingdom advancing on Earth. Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith. Hebrews 12:1-2

A Cloud of Witnesses for the Royal Prerogatives of Jesus Christ: Being the Last Speeches and Testimonies of Those who Have Suffered for the Truth in Scotland, Since the Year 1680

Believers know that when we die we enter heaven and will spend eternity there with God and the saints who have gone before us. But what actually happens in heaven? What are we going to be doing there? Won't it get boring at some point? According to Scripture, a large part of our experience of heaven will be a continual revealing of God's glory. Not just his glory in the moment, but during all of time. The mysteries of providence, the hidden movements of God throughout history, and the forgotten and unnoted works of even the most obscure of God's people will be unveiled so that we can see how wise, loving, gracious, and powerful our God is. And though we will experience perfection in heaven, we will never be omniscient, which means we will always be learning more about God's glory, inspiring us to return joyful praise and thanksgiving. If your vision of heaven has been limited to clouds and harps and angels, it's time to expand that view with the truth found in this biblically based look at the afterlife.

A Cloud of Witnesses, for the Royal Prerogatives of Jesus Christ: Or, the Last Speeches and Testimonies of Those who Have Suffered for the Truth in Scotland, Since the Year 1680, with a Copious Appendix. A New Edition

A new and expanded volume of optional commemorations of significant figures in the history of the Episcopal Church. This volume replaces the popular Holy Women, Holy Men. By action of the 2015 General Convention, Great Cloud of Witnesses is being made available for devotional or catechetical use and for use in public worship throughout the Church. It reflects the lively experience of holiness, especially on the level of the local community. It is accordingly a useful tool for learning about the history of the church and identifying those who have inspired and challenged us from the time of the New Testament to the present. Each entry includes a biographical narrative of the person or people, highlighting the significance of their lives and witness. A devotional collect is provided in both Rite I and Rite II language and a set of indexing "tags" suggests how the entry fits into the broader scope of Christian history and delineates the Christian gifts and virtues that may have inspired the person's ministries. This edition is printed on a special synthetic paper coated with a unique clay coating which combines the advantages of paper with the durability of plastic. This paper looks and feels like paper but stands up to water, weather, grease, chemicals and resists tearing in both directions.

Heaven

Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from 1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On The New Testament" in 1704 and the monumental work was completed shortly before his death in 1714. Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who seek a deeper understanding of the riches that Scripture contains. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here is in Matthew Henry's own words and nothing relevant to today's reader has been omitted.

Mama Bear Apologetics

As Africa and Asia take their place as the new Christian heartlands, a new and robust company of saints is coming into view. In seventeen inspiring narratives Mark Noll and Carolyn Nystrom introduce pivotal Christian leaders in Africa and Asia who had tenacious faith in the midst of deprivation, suffering and conflict. Spanning a century, from the 1880s to the 1980s, their stories demonstrate the vitality of the Christian faith in a diversity of contexts. This kaleidoscopic witness to the power of the gospel will both inspire and educate. Whether for a class in global Christianity or for a personal journey to other times and places of faith, Clouds of Witnesses is a book that tugs at our curiosity and resists being laid down. An engaging traveling companion to Mark Noll's award-winning book *The New Shape of World Christianity*.

Wake Up to Wonder

William L. Holladay offers an illuminating and informative overview of the Psalms, chanted, sung, and recited by so great a cloud of witnesses (Hebrews 12:1) through the past three thousand years.

A Cloud of Witnesses for the Royal Prerogatives of Jesus Christ

For thousands of years, women have enjoyed prominent roles in God's unfolding redemptive plans, through their own sometimes-ordinary and sometimes-extraordinary faithful witness for Him. Immerse

yourself in this great cloud of witnesses! In ten inspiring lessons, the stories of faithful women in the Bible and throughout history unfold with exciting insights, confirming that God still increases our faith through His own faithfulness. These remarkable, life-changing stories of faith include: and • The courageous faith of Elisabeth Elliot and Queen Esther and • The nurturing faith of Susanna Wesley and Lois and Eunice and • The triumphant faith through suffering of Joni Erickson-Tada and Ruth and • The available faith of Corrie and • Ten Boom and the Maid of Naaman's wife and • The faith to seek truth in Sheila Walsh and the Queen of Sheba and many, many more! Kirkie Morrissey enjoys sharing the transforming love of God with others! Her journey as a mother, grandmother, Young Life staff leader, author of five books, conference speaker, and Bible study leader has provided plenty of tested insight into God's faithfulness. Kirkie is also the author of the Bible study Fix Your Eyes on Jesus from Cook Communications. She lives in Colorado Springs, Colorado with her husband Terry. They have three sons and three grandchildren.

A Great Cloud of Witnesses

Fully revised and expanded, this new work is the first major revision of the liturgical calendar of the Episcopal Church in more than 40 years! It is the official revision of Lesser Feasts and Fasts and authorized by the 2009 General Convention. All commemorations in Lesser Feasts and Fasts have been retained, and many new ones added. Three scripture readings (instead of current two) are provided for all minor holy days. Additional new material includes a votive mass of the Blessed Virgin Mary, many more ecumenical commemorations, plus a proper for space exploration. For years the oft revised volume, Lesser Feasts and Fasts (LFF), has served parishes and individuals mark part of the holiness of each day by providing Scripture readings, a collect, a Eucharistic preface, and a narrative about those remembered on the church's calendar that day whose lives have witnessed to the grace of God. Holy Women, Holy Men (HWHM) is a major effort to revise, but also to expand and enrich LFF. Where LFF provided two readings (gospel and other New Testament) plus a psalm, HWHM adds an Old Testament citation. Where LFF was limited to few non-Anglicans in the post-reformation period (and few non-Episcopalians after 1789), HWHM dramatically broadens appreciation for other Christians and their traditions. Over-emphasis on clergy is redressed by additional laity, males by females, and "in-church" activities by contributions well beyond the workings of institutional agendas. These almost daily commemorations occupy over 600 of the book's 785 pages, by far the lion's share of its content. Remaining sections address: principles of revision and guides for future revision; liturgical propers for seasons (Advent/Christmas, Lent, and Easter); and new propers for a miscellany of propers usable with individuals (or events) not officially listed in the formal calendar. Two cycles of propers for daily Eucharist are also included, one covering a six week period, the other a two year cycle.

Christianity Today Award of Merit in Spiritual Formation "Now, with God's help, I shall become myself." These words from Danish philosopher Søren Kierkegaard resonate deeply with Marlena Graves, a Puerto Rican writer, professor, and activist. In these pages she describes the process of emptying herself that allows her to move upward toward God and become the true self that God calls her to. Drawing on the rich traditions of Eastern and Western Christian saints, she shares stories and insights that have enlivened her transformation. For Marlena, formation and justice always intertwine on the path to a balanced life of both action and contemplation. If you long for more of God, this book offers a time-honored path to deeper life.

On the Whole Bible

"I don't think it is enough appreciated how much an outdoor book the Bible is," wrote Wendell Berry, and author Daniel Cooperrider illustrates his point with beautiful narrative—like a stroll through the woods. Speak with the Earth analyzes the Bible's treatment of nature and intersperses this analysis with the author's own reflections on experiences in nature. Organized in sections touching on the four elements, the book engages with the multifaceted relationship between the Bible and nature through various media, including art, theology, the natural sciences, history, and lived experience. A timely work on the gift of the Earth that makes a strong case for environmental conservation as a cornerstone of religious life.

Clouds of Witnesses

Includes Blessed Sister Faustina, St. Bernard of Clairvaux, St. Paul Miki, St. Bernadette Soubirous, Dietrich Bonhoeffer, St. Francis Xavier, Takashi Nagai, Blessed Edith Stein, St. Alphonsus Liguori, Blessed Jeanne Jugan, St. Clare of Assisi, St. John Bosco, Blessed Katharine Drexel, Saint Athanasius, St. Philip Neri, and St. Catherine of Siena

The Psalms through Three Thousand Years

We are living in strange times when life on earth is growing darker and darker, according to Isaiah 60:1. Often, we hear of terror attacks on the news, and we see that mankind is turning away in large numbers from the message of Christ and Christianity. Some years ago, in 2014, Matthew interviewed nineteen saints, which included an interview with Elijah and Enoch, the two witnesses in Revelation 11. Today, so that people don't miss what they have said, Matthew has republished their interviews in this small book. This book will tell you: * What these two men say is important to God * What the future of the earth will look like * The importance of building your life on the rock and * Insight into the thoughts of these two men who will judge the world. In this updated and edited version of the interviews from Great Cloud of Witnesses Speak, you will also be directed to other important books that will teach you how to be a light of Jesus to the world, how to find your purpose on earth, and what the two witnesses will do when they come to earth. In this book, I endeavor to share the hearts and minds of the two witnesses. However, this book is not about what they will actually do on earth. For more information on what the two witnesses will do on earth, read Matthew's book, Optimistic Visions of Revelation.

A Great Cloud of Witnesses

ÒYou are in a Bible study, with a group of people. You are all studying the same passage. And someone points out something that you hadn't noticed before. New light is suddenly shed on familiar material. And you realize that, left to yourself, you'd have missed that. ÒOther people help us understand both Scripture and our faith more deeply. It helps to study Scripture and think about the gospel in good company -- and this book aims to put you in good company as you think through some key areas of the Christian faith. ÒReading about the great Christian thinkers of the past is like being at a really good Bible study. They can help you think through things you may have been puzzled by. They can cast new light on a familiar scriptural passage. They can inspire with their testimonies. They can stretch your thinking, helping you wrestle with important questions which you ought to think through at some point. What better way to begin, than to be introduced to a classic discussion of such questions?Ó --from the Introduction
