My heart has always been his. Since before I could even spell the name Grayson, I only had eyes for one boy--my perfect, larger than life best friend, who always managed to bring his bright light into my very dark existence with just one of his boyish smiles. With Chad, I could forget the dismal life I had of being the flawless privileged daughter of a cruel, evil man. He was my escape. My solace. My hope that one day I'd be free of it all and live how I always envisioned with my green-eyed boy at my side. He was my everything until the devil's piercing black eyes seduced him away from me. They call him Saint, but heaven is not at fault for his pitiful creation. Only the devil could produce such mouth-watering beauty to hide the ugliness that dwells inside. He's the demon that terrorizes my days and haunts my restless nights. Saint wants to steal all that I love, believing he can beat me, but the fool has another thing coming. I'm Eleanor Grayson, b*tch. You want a fight, Saint? Well, I'll give you one you'll never forget. I was born and bred to be ruthless. By the time I'm through, not even hell will recognize you. Ruthless is the first book in the duet focusing on Elle Grayson's love triangle in The Privileged of Pembroke High series. This is a bully/enemy-to-lovers, friends to lovers, contemporary romance, full-length novel. *Recommended 18+ due to mature language, sensitive content and adult situations featuring m/f, m/m, m/f/m. .

Rich Boys Vs. Poor Boys: A High School Bully Romance

No bad boy is too cruel for this school... They made me their plaything. Me, Mary Angerman, a disposable distraction for the Poor Boys of Castle Hill Academy, where the Rich Boys rule and the poor follow orders. I never thought those four drop-dead gorgeous Poor Boys would be the ones to betray me. Turns out they'll throw me to the wolves like so much trash and I'll never see it coming. I was dumb enough to let them use me for their dirty schemes and wicked games, but still they betrayed me. Ripped my heart out and shredded it in their cruel claws. If it wasn't for those three beautifully vicious Rich Boys standing by my side in my darkest hour, I'd be going to prison. Actual prison. Tried as an adult because I just turned sixteen. Because of me, a war is brewing between the Rich Boys and the Poor Boys and I'm caught in the middle. It would be insane for me to stay all four years. But I can't leave. I ran away from my shattered past to get here. There's no going back now. * * * Rich Boys vs. Poor Boys is a full-length reverse harem high school bully romance with an HEA at the end of the series. This is book 1. Like in real life, the teenagers in this story frequently use graphic language, some underage drinking does occur, and there are some consensual sexual situations.

Bully High

He's rude. He's a jerk. He's a bully. He's hot as hell. FML! Caleb Knight is every girls dream but my nightmare. Don't worry though, I can take care of myself. Things are becoming interesting when the star quarterback has his targets set on me, but Caleb keeps getting in the way! He won't leave me alone. I want nothing to do with him, but it's hard when he just so happens to be my neighbor. When my mom leaves on a much needed vacation, Caleb Knight and his family are asked to check up on me. More time with Caleb and his annoying brother, means more headaches. How can someone so good looking be so annoying? It's hard to believe we were best friends when we were kids. It's hard to believe I once had the biggest crush on such a douche. Caleb seems determined to stop any romance in my life. I'm completely peeved. It's time I stand up for myself! This is Book One in the Hillview Academy series. This Young Adult/ New Adult romance is filled with secrets, parties, and raw chemistry. If you want an ultimate experience in teen angst and romance, than start reading and meet your new favorite bad boy. Please note that this is a high school bully romance story that may have some scenes that can trigger readers.

The Golden Boys

West Golden-so easy to hate, yet so hard to resist. Don't let that pretty face of his fool you. He isn't the boy next door, or the kind you trust with your heart. He's the devil in designer jeans, with all the charm of a bona fide psycho. Trust me. He swears I did something to cross him before I even stepped foot inside Cypress Prep, but it's a lie. No one knows better than me that I'm all out of chances. One more misstep and I can kiss my future goodbye, which means I can't possibly be guilty of whatever he thinks I've done. West marks me with a target anyway, and as this town's football star, no one dares to go against him. His money, status, and the loyalty of his equally entitled brothers makes him seem untouchable. Only, I know better than that. This false god isn't infallible like he wants the world to believe. Whenever I stare into those devilish green eyes, I see it plain as day. The chink in his armor. His one and only weakness. Me. The King of Cypress Prep has finally met his match, and taking him down just became

an inside job.***The Golden Boys are all smokin' hot, but there's only one guy for Blue Riley, which means this romance isn't a reverse harem. Also, full disclosure, this saga does contain strong bully themes. So, if you're not into romances where hate turns into love (well ... eventually), and if you don't like your heroes of the unapologetically alpha variety, this might not be the book for you. There is no rape or dubious consent whatsoever. However, due to adult themes and sexual situations, this one's only for the 18+ crowd. This series is sure to give you GOSSIP GIRL and ONE TREE HILL vibes, and the angst will keep you burning through the pages to find out what happens next. One-click and get lost in this series today! Smooches! RJ & NT

Cruel Intentions

In the power struggle between two elite groups, one feisty girl will bring them to their knees... Life is a cruel game where only the most ruthless survive. It's a truth my mother rebelled against, and she paid for it with her life. Now, I play their game. Publicly accepting the destiny that lies in wait for me when I turn eighteen. But, behind closed doors, I plot my escape. Trent, Charlie, and my twin, Drew, rule the hallways of Rydeville High with arrogance and an iron fist. I execute my role perfectly, hating every second, but they never let me forget my place in this world. Everyone obeys the rules. They have for generations. Because our families have always been in control. Until Cam, Sawyer, and Jackson show up. Throwing their new money around. Challenging the status quo. Setting hearts racing with their gorgeous faces, hot bodies, and bad boy attitudes. Battle lines are drawn. Sides are taken. And I'm trapped in the middle, because I made a mistake one fateful night when I gave my V-card to a stranger in a blatant F you to my fiancé. I thought it was the one thing I owned. A precious memory to carry me through each dark day. I couldn't have been more wrong. Because the stranger was Camden Marshall, leader of the new elite and my perpetual tormenter. He hates me with a passion unrivaled, and he won't be the only one. Fire will rain down if the truth is revealed, threatening alliances, and the power struggle will turn vicious. My life will hang in the balance. But I'll be ready, and I'm not going down without a fight. Due to mature content and themes this book is recommended to readers eighteen and over.
