This fully revised second edition of *Swedish: An Essential grammar* incorporates the changes proposed to the Swedish grammar by Svenska Akademiens Grammatik. All examples have been fully updated,

the bibliography has been expanded and a number of tables clarified. Swedish: An Essential grammar provides a fresh and accessible description of the language. It is suitable for independent study or for class-based students. The explanations are free of jargon and emphasis has been placed in the areas of Swedish that pose a particular challenge for English-speaking learners.

Essential Swedish Grammar

Designed for those with limited learning time, this book is not a condensed outline of all aspects of Swedish grammar. Rather, it focuses on simple everyday communication, helping students use previously learned phrases and vocabulary more effectively and with great versatility. After introductory discussions of vocabulary building, word order and the formation of negative sentences and questions, the author offers concise, easy-to-follow coverage of the parts of speech. Numerous examples are included to demonstrate each rule of grammatical usage with the emphasis throughout on simple constructions rather than complicated ones. A selection of useful expressions and a glossary of grammatical terms round out this excellent, inexpensive guide, perfect for self-study or as an adjunct to a language course. Whether you are just beginning the study of Swedish or wish to review the fundamentals, Essential Swedish Grammar enables you to learn in a systematic way, at your own rate, guided by your own requirements and interests.

Swedish: An Essential Grammar

This fully revised second edition of Swedish: An Essential grammar incorporates the changes proposed to the Swedish grammar by Svenska Akademiens Grammatik. All examples have been fully updated, the bibliography has been expanded and a number of tables clarified. Swedish: An Essential grammar provides a fresh and accessible description of the language. It is suitable for independent study or for class-based students. The explanations are free of jargon and emphasis has been placed in the areas of Swedish that pose a particular challenge for English-speaking learners.

Basic Swedish Grammar

Basic Swedish: A Grammar and Workbook combines an accessible basic reference grammar and related exercises in one volume, and covers most of the topics that students might expect to deal with in their first year of learning Swedish. Each of the 25 units discusses one or more grammar topics, with examples that are subsequently practised in the exercises that follow. The book introduces the contemporary language against a backdrop of Swedish culture, society, geography, customs and history. Each unit ends with a cultural text that outlines an aspect of Swedish culture and exemplifies and consolidates the grammar topic examined in the unit. Features include: clear grammatical explanations with examples in Swedish and English vocabulary based on a major corpus of written Swedish in order to guarantee authenticity and relevance cross-references to other units over 100 exercises with a key to all the correct answers full vocabulary list at the end of the book. The book is suitable both for independent study and for class use. It can be used by absolute beginners and those who have advanced a little further.

Basic Swedish

This compact volume offers an integrated guide to the major grammatical concepts needed for writing and speaking Swedish.

Essentials of Swedish Grammar

This fully revised second edition of Swedish: An Essential Grammar incorporates a large number of changes of detail and examples throughout, all made with the aim of clarifying the explanations and updating the idioms and advice on current usage. The bibliography has been expanded and a number of tables clarified. Swedish: An Essential Grammar provides a fresh and accessible description of the language. It is suitable for independent study or for class-based tuition. The explanations are free of jargon and emphasis has been placed in the areas of Swedish that pose a particular challenge for English-speaking learners. Features include:- Detailed contents list- Many tables and diagrams for extra clarity- Separate glossary of linguistic and grammatical terms- Detailed index, with numerous key Swedish and English words Philip Holmes was formerly Reader in Scandinavian Studies at the University of Hull and is now a freelance translator Ian Hinchliffe is a freelance translator, living in Sweden.

Basic Swedish grammar

Winner of the Swedish National Language Council's Erik Wellander Prize, 2003 *Swedish: A Comprehensive Grammar* is an award-winning complete reference guide to modern Swedish grammar. Systematic and accessible, the volume is organised to promote a thorough understanding of Swedish grammar, presenting the complexities of Swedish in a concise and readable form. Explanations are full, clear and free of jargon, and an extensive index, numbered paragraphs, cross-references and summary charts provide readers with easy access to the information they require. Now in its third edition, the text has been comprehensively updated to conform to new standards set in the description of language and to reflect the recommendations of the Language Council of Sweden. It offers an improved layout, completely revised index and more user-friendly paragraph structure. Continuing the tradition of previous editions, the emphasis remains fixed on Swedish in everyday communication, drawing on modern corpus material, the internet and the media to provide high frequency words and expressions. Examples have been modernised throughout and new content takes account of recent trends resulting from the increasing democratisation of written Swedish. Features include: detailed treatment of grammatical structures and parts of speech a wealth of examples from present-day Swedish particular attention to areas of confusion and difficulty for learners Swedish/English contrasts highlighted throughout the book chapters on word formation, orthography and punctuation. *Swedish: A Comprehensive Grammar* is the most thorough and detailed Swedish grammar available in English and is an essential reference source for the learner and user of Swedish, irrespective of level. It is ideal for use in schools, colleges, universities and adult classes of all types.

Swedish: A Comprehensive Grammar

This grammar-reader is based on almost twenty years' experience of teaching beginners the Swedish language and is reassuringly practical in approach. Miss Hird's aims are threefold: to provide a compromise between the traditional grammar-readers and the new textbooks which are not designed for beginners outside Sweden; to supply grammatical information and exercises and reading texts together for ease of reference; and to stimulate the student's interest in Swedish life, institutions and culture. The grammar part of the book is in seventeen lessons, each comprising a text in Swedish which Miss Hird has specially composed to include useful vocabulary and graded grammatical points upon which exercises (including translation exercises) are set for practice. The central theme of the texts is Stockholm, and attractive drawings illustrate it. To help the student, there is a full vocabulary list covering all the lessons, a brief summary of Swedish grammar, a glossary of grammatical terms, a check list of irregular verbs and a comprehensive index of the grammatical points covered in the book. In the reader part of the book, the texts chosen range from a short play by Strindberg to a sketch by Stig Claesson, one of Sweden's most popular contemporary authors. Each text is preceded by a short biographical and literary introduction and is followed by questions designed to test the student's comprehension and to stimulate his appreciation.

Basic Swedish Grammar

A Short Introduction to Swedish Grammar

This is the new, black and white version of From English to Swedish 1. A full color version is also available. Look for ISBN 978-1540452900. From English to Swedish 1 & 2 is a series of textbooks for English speaking students who would like to learn Swedish. The first book covers level A1 and the second book level A2 of the European CEFR-scale. Unlike most Swedish textbooks they provide vocabulary lists, grammar explanations, and text commentaries in English. To help the reader learn Swedish pronunciation, a series of videos linked to the first book is available on YouTube (see <https://www.youtube.com/watch?v=mEQVgbDPZ4I>). The texts of the two books tell the story of an American girl who comes as an exchange student to live in a Swedish family. She struggles to learn Swedish and adapt to Swedish culture, but in the process runs into a number of culture clashes, all based on the authors' real life experiences. ýke Daun, professor of ethnology from Stockholm University and a specialist in Swedish mentality, has examined the first book and describes the way it introduces Swedish mentality as "innovative and entertaining". To facilitate the student's learning the books take advantage of the close relationship between English and Swedish. Many of the words appearing in the texts are similar to their English counterparts. Having finished both books, the student will have acquired a vocabulary of slightly more than 1,500 words including 57 % of the 2,000 most frequent words of the Swedish language as defined by Sprýkbanken (the Language Bank), a data base published by the University of Gothenburg. In an appendix to book 1, the similarities between English and Swedish are explained from an historical point of view, and over 300 related words from different areas are presented. Each chapter in the books contains a short grammar section presenting essentials in Swedish morphology and syntax. All grammatical terms, except the most common ones, are explained. At the end of each book there is a grammar overview with definitions of concepts and references to relevant chapters. Each lesson includes a number of exercises, where students are encouraged to practice their newly gained grammar knowledge, repeat vocabulary, and answer questions in connection with the texts. As the students' vocabulary develops, the questions become increasingly open-ended in order to stimulate reflection and discussion in class. Furthermore, a number of songs with simple vocabulary are included, mainly children's songs by classic song-writers. Finally, each book contains answers to the exercises and a complete alphabetical glossary. Judgments about From English to Swedish 1: "I'm just learning Swedish, and this book is wonderful. The style & methodology are ideal. Highly recommend." (Amazon, USA) "A brilliant book. ... The words and pronunciations are well explained with examples given. Common Swedish vocab is also used in lessons. Quite amazing that by lesson 2 (Lektion 2) I was understanding and translating simple paragraphs and answering questions in full sentences without much difficulty. The two books are a must buy for people looking to learn the Swedish language. ... The second book is just as good as this one." (Amazon, England) "I've tried to start learning Swedish several times with at least 4 books, and finally I've found one that is didactic enough to keep me going! Very natural way of teaching, the closest thing I've seen to have a teacher that prepares a class for you. I'm already looking for the 2nd book! " (Amazon, Spain)

Learn Swedish: Must-Know Swedish Slang Words & Phrases

Focusing primarily on Swedish, a Germanic language whose particles have not previously been studied extensively, this study develops a theory of non-projecting words in which particles are morphologically independent words that do not project phrases. It identifies the violations of the basic tenets of X-bar theory and develops a formally explicit revision of X-bar theory that can accommodate the requisite "weak" projections.

Swedish Tutor: Grammar and Vocabulary Workbook (Learn Swedish with Teach Yourself)

This second edition of Finnish: An Essential Grammar has undergone profound revisions. The chapter on basic sentence structure has been rewritten and syntax has been given more space. Sections have been added on phrase types, simple clause types, and types of complex sentences. A section on discourse particles has been added. The vocabulary of the copious example sentences has been updated to give it a touch of the twenty-first century. The section on modern colloquial Finnish has been considerably expanded. Internet addresses helpful for any learner of Finnish are provided which make it possible to automatically analyse the grammatical structure of any Finnish words and sentences. It gives not only a systematic account of the structures of the written language, but also features the characteristics of colloquial Finnish. No prior knowledge is assumed on the part of the reader and grammatical rules are clearly explained without jargon. Features include: pronunciation guide, including the tendencies in present-day colloquial Finnish thorough descriptions of morphology (word structure) and syntax (sentence structure) clear rules and an abundance of concrete examples inflection tables subject index internet addresses to online software for grammatical analysis of Finnish. This is the ideal reference source both for those studying Finnish independently and for students in schools, colleges, universities and adult classes of all types.

From English to Swedish 1

Intermediate Swedish: A Grammar and Workbook combines an accessible intermediate reference grammar and related exercises in one volume that covers most of the topics that students might expect to deal with in their second year of learning Swedish. The book follows on naturally from and complements its companion volume, Basic Swedish. Each of the 26 units discusses one or more grammar topics, with examples that are subsequently practised in the exercises that follow. The book presents the contemporary language against a backdrop of Swedish culture, society, geography, customs and history. Each unit ends with a cultural text which outlines an aspect of Swedish culture and, in nearly all cases, exemplifies and consolidates the grammar topic examined in the unit. Features include: * clear grammatical explanations with examples in Swedish and English * vocabulary based on a major corpus of written Swedish in order to guarantee authenticity and relevance * cross-references to other units * over 100 exercises with a key to all the correct answers. The book is suitable both for independent study and for class use. It can be used by intermediate students and those who have grasped the basics of grammar and vocabulary.

Non-Projecting Words

The newest volume in Mike Ellis's best-selling SLanguage series will help you learn the basics of the Swedish language. Swedish SLanguage provides translations and pronunciation guides for approximately 300 English words and phrases. Use the pronunciation guide to say them out loud a few times, and soon you'll be speaking basic Swedish words and phrases like "How are you?" (Hör du mer?) and "Cold" (För skilling). Fun and helpful illustrations paired with easy English words to pronounce will have you speaking Swedish in no time. Mike Ellis is a Web designer with expertise in e-commerce, online marketing, search engine optimization, and affiliate marketing. He's the author of nearly a dozen previous SLanguage books. Mike helps run a youth athletic league and loves coaching kids in his spare time. He lives with his family near Philadelphia.

Finnish: An Essential Grammar

Essential Russian Grammar

Words shape and redefine reality, a constantly evolving and fluid interpretation of social rules and ideas. Foreign words expose us to other realities, unfamiliar practices and exotic beliefs. They can help us discover feelings that are not expressible in our native language. They can inspire us to adopt a new lifestyle, or question the way we live. They may seem obvious, obscure, quirky, unnecessary, universal, or remarkably niche. Swedish has enriched the English language with moped, ombudsman, and smorgasbord. While culturally, Abba, Ikea, Spotify, and Volvo have become part of the global lexicon and in many ways transcend their Swedish origins. But it is more recent words like lagom (moderation) and fika (coffee breaks) which have pushed Swedish language and culture deeper into the global consciousness. But Sweden is more than lifestyle trends and technical solutions. It is the country of fredagsmys (cosy Friday), kosläpp (release of the cows), lillördag (little Saturday, Wednesday), and where the average citizen dreams of a villa, Volvo and a vovve. - Explore the Swedish lifestyle beyond

the clichés, with the help of more than 100 Swedish words, translated into English. - Learn more about the country where yes is just another word for no, where the word for poison is the same as for married, and where words without meaning are described as mashed snow. - Listen to three different Swedish dialects with complementary audio files, and wrap your tongue around the pronunciation tricks you need to master to sound like a local. - Be challenged with language quizzes, word games and crossword puzzles. - Enjoy the silliness of direct translations, false friends and other quirky features of the Swedish language — and learn more about the origins of those words we think of as Swedish today. Villa Volvo Vovve is inspired by The Local's popular 'Word of the day' column which continues to explore Swedish language and culture beyond global stereotypes and buzz words.

Complete Swedish Beginner to Intermediate Course

Dutch: A Comprehensive Grammar is a complete reference guide to modern Dutch grammar. This completely updated new edition covers the new spelling system introduced in 1997 and the latest reform of 2005. A new section covers modal particles. Concentrating on the real patterns of use in modern Dutch through lively and accessible descriptions of the language, the Grammar is an essential reference source for the learner of Dutch, irrespective of level. It is ideal for use in schools, colleges, universities and adult classes of all types as well as being indispensable to those teaching themselves. The volume is organized to promote a thorough understanding of Dutch grammar. It offers a stimulating analysis of the complexities of the language, and provides full and clear explanations. Throughout, the emphasis is on Dutch as used by present-day native-speakers. An extensive index and numbered paragraphs provide readers with easy access to the information they require. Features include: • detailed treatment of the common grammatical structures and parts of speech • extensive exemplification • particular attention to areas of confusion and difficulty • Dutch-English parallels highlighted throughout the book

Common Swedish Verbs

This is the full color edition. A less expensive black and white edition (ISBN-13: 978-1540529954, ISBN-10: 1540529959) is also available. From English to Swedish 1 & 2 is a series of textbooks for English speaking students who would like to learn Swedish. The first book covers level A1 and the second book level A2 of the European CEFR-scale. Unlike most Swedish textbooks they provide vocabulary lists, grammar explanations, and text commentaries in English. To help the reader learn Swedish pronunciation, a series of videos linked to the first book is available on YouTube (see

<https://www.youtube.com/watch?v=mEQVgbDPZ4I>). The texts of the two books tell the story of an American girl who comes as an exchange student to live in a Swedish family. She struggles to learn Swedish and adapt to Swedish culture, but in the process runs into a number of cultural clashes, all based on the authors' real life experiences. Yke Daun, professor of ethnology from Stockholm University and a specialist in Swedish mentality, has examined the first book and describes the way it introduces Swedish mentality as "innovative and entertaining". To facilitate the student's learning the books take advantage of the close relationship between English and Swedish. Many of the words appearing in the texts are similar to their English counterparts. Having finished both books, the student will have acquired a vocabulary of slightly more than 1,500 words including 57 % of the 2,000 most frequent words of the Swedish language as defined by Språkbanken (the Language Bank), a data base published by the University of Gothenburg. In an appendix to book 1, the similarities between English and Swedish are explained from an historical perspective, and over 300 related words from different areas are presented. Each chapter in the books contains a short grammar section presenting essentials in Swedish morphology and syntax. All grammatical terms, except the most common ones, are explained. At the end of each book there is a grammar overview with definitions of concepts and references to relevant chapters. Each lesson includes a number of exercises, where students are encouraged to practice their newly gained grammar knowledge, repeat vocabulary, and answer questions in connection with the texts. As the students' vocabulary develops, the questions become increasingly open-ended in order to stimulate reflection and discussion in class. Furthermore, a number of songs with simple vocabulary are included, mainly children's songs by classic song-writers. Finally, each book contains answers to the exercises and a complete alphabetical glossary. Judgments about From English to Swedish 1: "I'm just learning Swedish, and this book is wonderful. The style & methodology are ideal. Highly recommend." (Amazon, USA) "I've tried to start learning Swedish several times with at least 4 books, and finally I've found one that is didactic enough to keep me going! Very natural way of teaching, the closest thing I've seen to have a teacher that prepares a class for you. I'm already looking for the 2nd book!" (Amazon, Spain)
