Farmer Duck

A hardworking duck is rescued from life with a lazy old farmer in this classic tale of justice. Farmer Duck isn't your average duck. This duck cooks and cleans, tends the fields, and cares for the other animals on the farm—all because the owner of the farm is too lazy to do these things himself. But when Farmer Duck finally collapses from exhaustion, the farmyard animals come to the rescue with a simple but heroic plan.

The British National Bibliography

"Aliens love underpants, in every shape and size, But there are no underpants in space, so here's a big surprise...." This zany, hilarious tale is delightfully brought to life by Ben Cort's vibrant illustrations. With a madcap, rhyming text by award-winning Claire Freedman, this is sure to enchant and amuse the whole family! Perfect for joining in, this story is fantastically fresh and funny - you'll laugh your pants off!

The Power of Duck

A heart-warming and inclusive tale about how one small boy's dream of a garden unites a diverse community in a positive and enriching experience for everyone. Kirkus writes, "...sure to inspire young green thumbs in urban, suburban, and rural dwellings alike."

Aliens Love Underpants!

First published in 1926, this classic survey examines the traditional farming methods of the densely populated lands of China, Korea and Japan and shows how fertility can be maintained over many centuries through conserving and utilising natural resources.

Errol's Garden

Japanese Farm Food offers a unique look into life on a Japanese farm through 135 simple recipes, personal stories and over 100 stunning photographs.

Farmers of Forty Centuries or Permanent Agriculture in China, Korea and Japan

How many ducks at once, Gonbei, the hunter set a trap in a pond. Then, just as planned, he could get a lot of ducks in one go. However... KiiroitoriBooks, Vol 103

Japanese Farm Food

Created by leading educators, these colorful, large-size dictionaries introduce beginning language learners to more than 1,550 commonly taught basic words. Each Let's Learn Language Picture Dictionary in the series boasts 30 delightful two-page spreads that vividly illustrate the meanings of words. Fun-filled panoramas focus on scenes familiar to children aged three through eight, such as home life, the classroom, city life, sports, the zoo, and even outer space! Learners will love to revisit these detailed depictions of people, places, actions, and objects, each time improving their recall. Featured words are set off with individual illustrations and definitions to help learners at various levels build vocabulary. Includes an index and glossary of all the individually illustrated words. An ideal selection of first word books for parents and teachers who want to encourage second language acquisition.

Farmers' Bulletin

Includes every day words accompanied by illustrations and a pronunciation guide.

Hello, Mandarin Duck!

1001 Children's Books You Must Read Before You Grow Up is the perfect introduction to the very best books of childhood: those books that have a special place in the heart of every reader. It introduces a wonderfully rich world of literature to parents and their children, offering both new titles and much-loved classics that many generations have read and enjoyed. From wordless picture books and books introducing the first words and sounds of the alphabet through to hard-hitting and edgy teenage fiction, the titles featured in this book reflect the wealth of reading opportunities for children. Browsing the titles in 1001 Children's Books You Must Read Before You Grow Up will take you on a journey of discovery into fantasy, adventure, history, contemporary life, and much more. These books will enable you to travel to some of the most famous imaginary worlds such as Narnia, Middle Earth, and Hogwarts School. And the route taken may be pretty strange, too. You may fall down a rabbit hole, as Alice does on her way to Wonderland, or go through the back of a wardrobe to reach the snowy wastes of Narnia.

Gonbei the Duck Hunter English/Japanese versions

My First Book of Japanese Words is a beautifully illustrated book that introduces young children to Japanese language and culture through everyday words. The words profiled in this book are all commonly used in the Japanese language and are both informative and fun for English-speaking children to learn. The goals of My First Book of Japanese Words are multiple: to familiarize children with the sounds and structure of Japanese speech, to introduce core elements of Japanese culture, to illustrate the ways in which languages differ in their treatment of everyday sounds and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the book's cultural and linguistic notes and appreciate how the book is organized in a familiar ABC structure. Each word is presented in Kanji (when applicable), Kana, and Romanized form (Romaji). With the help of this book, we hope more children (and adults) will soon be a part of the 125 million people worldwide that speak Japanese!

Dual Language Readers: the Ugly Duckling: Le Vilain Petit Canard

Call it "Zen and the Art of Farming" or a "Little Green Book," Masanobu Fukuoka's manifesto about farming, eating, and the limits of human knowledge presents a radical challenge to the global systems we rely on for our food. At the same time, it is a spiritual memoir of a man whose innovative system of cultivating the earth reflects a deep faith in the wholeness and balance of the natural world. As Wendell Berry writes in his preface, the book "is valuable to us because it is at once practical and philosophical. It is an inspiring, necessary book about agriculture because it is not just about agriculture." Trained as a scientist, Fukuoka rejected both modern agribusiness and centuries of agricultural practice, deciding instead that the best forms of cultivation mirror nature's own laws. Over the next three decades he perfected his so-called "do-nothing" technique: commonsense, sustainable practices that all but eliminate the use of pesticides, fertilizer, tillage, and perhaps most significantly, wasteful effort. Whether you're a guerrilla gardener or a kitchen gardener, dedicated to slow food or simply looking to live a healthier life, you will find something here—you may even be moved to start a revolution of your own.

Forest Planting and Farm Management

The FIRST EVER picture book in English and Japanese about the traditional sugarcane harvest on Ishigaki Island! Learn the farmer's way of life, take a tour around one of Okinawa's most beautiful subtropical isles, meet the critters in the field, see how sugar is made the old fashioned way, and remember some very important lessons like protecting our precious natural environment and the value of a hard day's work.

Let's Learn Japanese Picture Dictionary

The Book of Ninja, the ultimate ninjutsu manual, was penned in 1676 by a ninja known as Fujibayashi. Born in the post-civil war era of Japan, Fujibayashi collected and combined information from the ninja clans of Iga - regarded to be the homeland of the ninja - and compiled it into an authoritative book. Known as The Bansenhukai, this book has now been translated into English by the Historical Ninjutsu Research Team. It is widely considered to be the 'bible' of 'ninjutsu', the arts of the ninja. The Book of Ninja begins with an in-depth introduction to the history of Fujibayashi's scripture. Then the teachings themselves, appealingly rendered in this translation, take us into the secrets of guerilla warfare and espionage. We learn how to become the ultimate spy, whether through a network of spies or by hiding in plain sight. Through the stealth and concealment tactics of night-time infiltration and through weapon and tool building skills, as well as mission planning, we can learn much both about warfare and about adopting the right mindset for tackling our own inner and outer enemies. Adding to the mix for the spycraft lover, there are sections on capturing criminals, performing night raids, making secret codes and signs, and even techniques for predicting the weather and using an esoteric Buddhist system of divination. An exciting and engaging tome of lost knowledge, The Book of the Ninja is the final say in the world of the ninja and the ultimate classic for samurai and ninja enthusiasts alike.

First Thousand Words in German

Illustrations and simple text encourage young readers to find the toy duck hiding in various places around the bathroom. On board pages.

1001 Children's Books You Must Read Before You Grow Up

 were ducklings swimming after their mother duck in a farm pond. However, there was only a single bird whose size and color were completely different from the rest of the ducklings. KiitoitoriBooks, Vol 53

My First Book of Japanese Words

"An elegiac prose celebration . . . a classic in its genre."—Publishers Weekly In this acclaimed travel memoir, Donald Richie paints a memorable portrait of the island-studded Inland Sea. His existential ruminations on food, culture, and love and his brilliant descriptions of life and landscape are a window into an Old Japan that has now nearly vanished. Included are the twenty black and white photographs by Yoichi Midorikawa that accompanied the original 1971 edition. Donald Richie (1924–2013) was an internationally recognized expert on Japanese culture and film. Yoichi Midorikawa (1915–2001) was one of Japan's foremost nature photographers.

Recipes recreated from beloved movies and TV shows by the host of one of the most popular food programs on the internet

The One-Straw Revolution

The classic story of an otter living in the Devonshire countryside which captures the feel of life in the wild as seen through the otter's own eyes.

Life Is Sweet

'A work of art...altogether a joyous and lovely thing' New York Times Set in a remote fishing village in Japan, *The Sound of Waves* is a timeless story of first love. It tells of Shinji, a young fisherman and Hatsue, the beautiful daughter of the wealthiest man in the village. Shinji is entranced at the sight of Hatsue in the twilight on the beach and they fall in love. When the villagers' gossip threatens to divide them, Shinki must risk his life to prove his worth. 'A sunny masterpiece' Los Angeles Times

The Book of Ninja

The Korean *Charlotte's Web* More than 2 million copies sold This is the story of a hen named Sprout. No longer content to lay eggs on command, only to have them carted off to the market, she glimpses her future every morning through the barn doors, where the other animals roam free, and comes up with a plan to escape into the wild—and to hatch an egg of her own. An anthem for freedom, individuality, and motherhood featuring a plucky, spirited heroine who rebels against the tradition-bound world of the barnyard, *The Hen Who Dreamed She Could Fly* is a novel of universal resonance that also opens a window on Korea, where it has captivated millions of readers. And with its array of animal characters—the hen, the duck, the rooster, the dog, the weasel—it calls to mind such classics in English as *Animal Farm* and *Charlotte's Web*. Featuring specially-commissioned illustrations, this first English-language edition of Sun-mi Hwang's fable for our times beautifully captures the journey of an unforgettable character in world literature.

Find the Duck

"Vastly informative and vastly entertaining...A scholarly and fascinating book." —Los Angeles Times With dazzling wit and astonishing insight, Bill Bryson explores the remarkable history, eccentricities, resilience and sheer fun of the English language. From the first descent of the larynx into the throat (why you can talk but your dog can't), to the fine lost art of swearing, Bryson tells the fascinating, often uproarious story of an inadequate, second-rate tongue of peasants that developed into one of the world's largest growth industries.

The Ugly Duckling English/Japanese versions

A teen and his younger brother fly to Japan to visit a pen pal. At the beginning, the strange food and the foreign customs make the boys very uncomfortable, but when the time comes to leave, they find that they have had a wonderful experience that will be with them forever. Written with humor and verve and beautifully illustrated, the story is full of Japanese words and customs and culture.

The Inland Sea

A beautiful and lavishly photographed cookbook focused on authentic Japanese clay-pot cooking, showcasing beloved recipes and updates on classics, with background on the origins and history of donabe. Japanese clay pot (donabe) cooking has been refined over centuries into a versatile and simple method for preparing both dramatic and comforting one-pot meals. In *Donabe*, Tokyo native and cooking school instructor Naoko Takei Moore and chef Kyle Connaughton offer inspiring Japanese home-style recipes such as Sizzling Tofu and Mushrooms in Miso Sauce and Dashi-Rich Shabu-Shabu, as well as California-inspired dishes including Steam-Fried Black Cod with Crisp Potatoes, Leeks, and Walnut-Nori Pesto or Smoked Duck Breast with Creamy Wasabi–Green Onion Dipping Sauce. All are rich in flavor, simple to prepare, and perfect for a communal dining experience with family and friends. *Donabe* also features recipes from luminary chefs such as David Kinch, Noma Shinobu, and Cortney Burns and Nick Balla, all of whom use donabe in their own kitchens. Collectible, beautiful, and functional, donabe can easily be an essential part of your cooking repertoire.

Binging with Babish

Supplements 1-14 have Authors sections only; supplements 15- include an additional section: Para-site-subject catalogue.

Tarka the Otter

Shapes invite babies and young children to identify different shapes in bold, graphic illustrations featuring the Baby Einstein characters. Playful poems will inspire children to seek out shapes in the world around them.

A Japanese-English and English-Japanese Dictionary

An ugly duckling spends an unhappy year ostracized by the other animals before he grows into a beautiful swan.

The Sound of Waves

This third edition of Kenneth Katzner's best-selling guide to languages is essential reading for language enthusiasts everywhere. Written with the non-specialist in mind, its user-friendly style and layout, delightful original passages, and exotic scripts, will continue to fascinate the reader. This new edition has been thoroughly revised to include more languages, more countries, and up-to-date data on populations. Features include: *information on nearly 600 languages *individual descriptions of 200 languages, with sample passages and English translations *concise notes on where each language is spoken, its history, alphabet and pronunciation *coverage of every country in the world, its main language and speaker numbers *an introduction to language families

Maurine

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to ensure edition identification: ++++ Maurine: And Other Poems reprint Ella Wheeler Wilcox W.B. Conkey, 1888

Maurine

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Maurine

Maurine and Other Poems by Ella Wheeler Wilcox is a clever collection of poems about a woman named Maurine receiving mail, chatting with the mailman, visiting with Aunt Ruth, and doing other everyday activities. Excerpt: "The clock chimed three, and we yet strayed at will About the yard in morning dishabille, When Aunt Ruth came, with apron o'er her head, Holding a letter in her hand, and said, "Here is a note, from Vivian I opine; At least his servant brought it. And now, girls, You may think this is no concern of mine, But in my day young ladies did not go Till almost bed-time roaming to and fro..."

Maurine and Other Poems

This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

Maurine and Other Poems (Classic Reprint)

A colorful book of poetry and art, part autobiographical, part spiritual, part existential.

Maurine and Other Poems - Scholar's Choice Edition

Born on November 5th 1850 in Johnstown, Wisconsin, Ella Wheeler was the youngest of four children. She began to write as a child and by the time she graduated was already well known as a poet throughout Wisconsin. Regarded more as a popular poet than a literary poet her most famous work 'Solitude' reflects on a train journey she made where giving comfort to a distressed fellow traveller she wrote how the others grief imposed itself for a time on her 'Laugh and the world laughs with you, Weep and you weep alone'. It was published in 1883 and was immensely popular. The following year, 1884, she married Robert Wilcox. They lived for a time in New York before moving to Connecticut. Their only child, a son, died shortly after birth. Here we publish one of her many poetry books, the classic *Maurine*, that so endeared her to her audience. Ella died of breast cancer on October 30th, 1919.

Maurine

Among the twelve hundred poems which have emanated from my too prolific pen there are some forty or fifty which treat entirely of that emotion which has been denominated "the grand passion"-love. A few of those are of an extremely fiery character. When I issued my collection known as "*Maurine, and Other Poems*," I purposely omitted all save two or three of these. I had been frequently accused of writing only sentimental verses; and I took pleasure and pride in presenting to the public a volume which contained more than one hundred poems upon other than sentimental topics. But no sooner was the book published than letters of regret came to me from friends and strangers, and from all quarters of the globe, asking why this or that love poem had been omitted. These regrets were repeated to me by so many people that I decided to collect and issue these poems in a small volume to be called "*Poems of Passion*." By the word "Passion" I meant the "grand passion" of love. To those who take exception to the title of the book I would suggest an early reference to Webster's definitions of the word.

Maurine and Other Poems

Tea gowns, bleached damask, and yards of flannel and pillow-case lace, stereoscopes, books of gospel hymns and ballroom gems, the New Improved Singer Sewing Machine, side saddles, anti-freezing well pumps, Windsor Stoves, milk skimmers, straight-edged razors, high-button shoes, woven cane carpet beaters, spittoons, the Studebaker Road Cart, commodes and washstands, the "Fire Fly" single wheel hoe, cultivator, and plow combined, flat irons, and ice cream freezers. What man, woman, or child of the 1890s could resist these offerings of the Montgomery Ward catalogue, the one book that was read avidly, year after year, by millions of Americans on farms and in small towns across the nation? The Montgomery Ward catalogue provides one of the few irrefutably accurate pictures of what life was "really like" in the gay nineties, for it described and illustrated almost anything that anybody could possibly need or want in the way of "store-bought" goods. In fact, in that pre-department store era, it was usually the only source for such goods. Imagine if Montgomery Ward had issued an illustrated catalogue in the days of Louis XIV, or Elizabeth I, or Charlemagne: what insights would we have into the daily life of the "common folk," the farmers and shopkeeper, housewives and schoolchildren . . . what sources of information for historians and scholars, collectors and dealers, what models for artists and designers. In 1895, Montgomery Ward was the oldest, largest, and most representative mail-order house in the country. The brainchild of a former traveling salesman, it issued its first catalogue in 1872, a one-page listing of items. By 1895, the catalogue, reprinted here, had grown to 624 pages and listed some 25,000 items, almost all of them illustrated with live drawings. Montgomery Ward was by then a multi-million dollar business that profoundly affected the American economy; and since it reached the most isolated farms and backwoods cabins, its effect on American culture was almost as great. Now once again available, it is our truest, most unbiased record of the spirit of the 1890s. An introduction on the history of the Montgomery Ward Company and its catalogue has been prepared especially for this edition by Boris Emmet, Ph.D. (Johns Hopkins), a foremost expert on retail merchandising. His monumental work *Catalogues and Counters* has long been recognized as a landmark in the study of American economic history.

Maurine, and Other Poem

First Published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

Maurine

American women have created an especially vigorous and innovative poetry, beginning in 1632 when Anne Bradstreet set aside her needle and picked up her "poet's pen." The topics of American women poets have been various, their images their own, and their modes of expression original. Emily Stipes

Watts does not imply that the work of American men and that of American women are two different kinds of poetry, although they have been treated as such in the past. It is her aim, rather, to delineate and define the poetic tradition of women as crucial to the understanding of American poetry as a whole. By 1850, American women of all colors, religions, and social classes were writing and publishing poetry. Within the critical category of "female poetry," developed from 1800 to 1850, these women experimented boldly and prepared the way for the achievement of such women as Emily Dickinson in the second half of the nineteenth century. Indeed at times—for example from 1860 through 1910—it was women who were at the outer edge of prosodic experimentation and innovation in American poetry. Moving chronologically, Professor Watts broadly characterizes the state of American poetry for each period, citing the dominant male poets; she then focuses on women contemporaries, singling out and analyzing their best work. This volume not only brings to light several important women poets but also represents the discovery of a tradition of women writers. This is a unique and invaluable contribution to the history of American literature.

Maurine

DigiCat Publishing presents to you this special edition of "Poems of Passion" by Ella Wheeler Wilcox. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.
