Intro Music

No matter how good a parent you have been, your children can still be impacted by the dark side of today's culture.

Jesus instructed His disciples to “pray that you may not enter into temptation” (Luke 22:40). We must instruct our adult children in the same way.

Because Joseph was godly and faithful, God worked in all the evil that came against him.

If your adult child is enduring an undeserved punishment or hardship of some kind because of the evil or sin of others, pray that he will not turn against the Lord...

Ask God to send strength from heaven to help your adult child get through what she is facing.

Genesis 4:6...God gave Cain a choice. He could choose to do the right thing and rule over sin, and therefore please God. Or he could choose not to do the right thing and allow his own jealousy, anger,

and revenge to rule over him.

We can't give up on our adult children either, no matter what they have done.

Pray that your adult child's heart will be filled with wisdom and knowledge.

God can deliver us and He promises to continue to deliver us and that includes your adult children. Do not allow the enemy to make you feel that you are disqualified from the powerful intercession for your adult children because of mistakes you may have made in the past.

You have the authority to call upon the Deliverer on behalf of your adult children, so that they can find the deliverance they need.

Trust your instincts when it comes to your adult children.

Pray with me about this.

Intro Music

Your days of serious parents are just beginning.

First of all, you need to know that it never ends. The part no one tells you about being a parent is that parenting never stops.

Your heart and mind will always be with each one of your children for the rest of your life.

When we observe life happening to our adult children in a challenging way, we want to help them.

Parents are finding it so hard to know where to draw the line between letting an adult child learn a hard lesson and helping them to get on their feet.

We all must ask God to show us what to do and what not to do for our adult children.

The third thing you need to know is you must stop blaming yourself.

Guilt is a killer. We parents beat ourselves up with guilt, every time something concerning happens to one of our children because we see how we could have done things differently.

In order to be effective in praying for your adult child, you must stop blaming yourself or everything that goes wrong.

Would you pray with me about this?

In my book, The Power of Praying for Your Adult Children—I give you 15 ways to pray for your adult children and you will need them all.

The Christian Professor Addressed, in a Series of Counsels and Cautions to the Members of Dissenting Churches

Excerpt from The Christian Professor Addressed: In a Series of Counsels and Cautions to the Members of Christian Churches When I look into the New Testament, and read What a Christian should be, and then look into the church of God, and see what Christians are, I am painfully affected by observing the dissimilarity; and in my jealousy for the honour of the Christian Profession, have made this effort, perhaps a feeble one, certainly an anxious one, to remove its blemishes, to restore its impaired beauty, and thus raise its reputation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Christian Professor Addressed

This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The

many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.
