The Unstuck Church

Acclaimed church leader, blogger, founder and chief strategic officer of The Unstuck Group, Tony Morgan unpacks the lifecycle of a typical church, identifies characteristics of each phase, and provides practical next steps a church can take to move towards sustained health. Think about your church for a moment. Is it growing? Is it diminishing? Is it somewhere in between? Acclaimed church leader, blogger, and founder and chief strategic officer of The Unstuck Group, Tony Morgan has identified the seven stages of a church's lifecycle that range from the hopeful and optimistic days of launch, to the stagnating last stages of life support. Regardless of the stage in which you find your church, it carries with it the world's greatest mission—to "go and make disciples of all the nations . . ." With eternity at stake the Church should be doing most everything within its power to see lives changed forever. The Church should strive for the pinnacle of the lifecycle, where they are continually making new disciples and experiencing what Morgan refers to as "sustained health." In The Unstuck Church, Morgan unpacks each phase of the church lifecycle, and offers specific and strategic next steps the church leader can take to find it's way to sustained health . . . and finally become unstuck. The Unstuck Church is a call for honest an assessment of where your church sits on the lifecycle, and a challenge to move beyond it.

Move

Based on surveys from more than 280,000 people in more than 1,200 diverse churches, "Move" presents the startling results of the latest REVEAL research. The text draws on compelling stories from people of varying spiritual maturity and pastors who talk candidly about the spiritual health of the American church.

The Teaming Church

Learn the secrets about creating a successful team culture.

Replenish

Every leader functions on two stages--the front stage or public world, and the back stage or private world. One cannot lead successfully front stage when one is completely depleted back stage. In a time when pastors are leaving the ministry in record numbers due to cynicism, disillusionment, weariness, and personal scandals, there is an urgent need for soul care in the private lives of leaders. Replenish helps leaders focus on the back stage, the interior life, in order to remain spiritually healthy. In a caring, encouraging tone, it will show pastors how to prioritize matters of the soul develop healthy spiritual practices address problems that lead to burnout create a healthy rhythm in their lives improve their people skills and the spiritual climate of their team develop better systems in their churches discover how to lead an unhurried life For the many ministry leaders who feel alone, in over their heads, or simply worn out, this book will offer welcome relief and a healthy way forward.

Fanning the Revitalization Flame

Revitalization—more than a word, but a practice. In Fanning the Revitalization Flame, author Rev. Robert Beckett presents the case for fanning the flames. Step by step, he discusses what's needed for the revitalization of the small church. Fanning the Revitalization Flame follows the journey of a small, suburban church that had long past lived its glory days. Beckett points out the challenges and rewards of being obedient to God regardless of the consequence and shows the benefit of following God in each small step. Each chapter demonstrates a proven path of success that God honors for revitalization. The church leader will learn that prayer, vision, mission, and implementation are the ingredients for a successful revitalization effort. It's God's desire to see every church succeed and to prosper for his kingdom. Everyone will benefit from the truths shared in this resource that will help bring health and confidence. When the flame of revitalization is fanned and burning hot in a congregation, God will receive the glory and will transform lives both inside and outside the church.

Becoming a Healthy Disciple

In Becoming a Healthy Disciple, Macchia explores the ten traits of a healthy disciple, including a vital prayer life, evangelistic outreach, worship, servanthood, and stewardship. He applies to individual Christians the ten characteristics of a healthy church outlined in his previous book, Becoming a Healthy Church. Discipleship is a lifelong apprenticeship to Jesus Christ, the master teacher. Using the Book of John, Macchia looks to the beloved disciple as an example of a life lived close to Christ. Personal experiences as well as the experiences of others bring the traits of discipleship into modern context. Each chapter ends with a prayer and questions for reflection and renewal. Becoming a Healthy Disciple is excellent for laypeople who want to grow in discipleship, as well as pastors, church leaders, adult classes, and small groups.

American Icon

The inside story of the epic turnaround of Ford Motor Company under the leadership of CEO Alan Mulally. At the end of 2008, Ford Motor Company was just months away from running out of cash. With the auto industry careening toward ruin, Congress offered all three Detroit automakers a bailout. General Motors and Chrysler grabbed the taxpayer lifeline, but Ford decided to save itself. Under the leadership of charismatic CEO Alan Mulally, Ford had already put together a bold plan to unify its divided global operations, transform its lackluster product lineup, and overcome a dys-functional culture of infighting, backstabbing, and excuses. It was an extraordinary risk, but it was the only way the Ford family—America's last great industrial dynasty—could hold on to their company. Mulally and his team pulled off one of the great-est comebacks in business history. As the rest of Detroit collapsed, Ford wen

t from the brink of bankruptcy to being the most profitable automaker in the world. American Icon is the compelling, behind-the-scenes account of that epic turnaround. In one of the great management narratives of our time, Hoffman puts the reader inside the boardroom as Mulally uses his celebrated Business Plan Review meetings to drive change and force Ford to deal with the painful realities of the American auto industry. Hoffman was granted unprecedented access to Ford's top executives and top-secret company documents. He spent countless hours with Alan Mulally, Bill Ford, the Ford family, former executives, labor leaders, and company directors. In the bestselling tradition of Too Big to Fail and The Big Short, American Icon is narrative nonfiction at its vivid and colorful best.

Better Together

Thousands of Protestant churches are perplexed by plateaued or declining attendance, while other congregations nearby thrive. Is there a way for them to combine forces, drawing on both their strengths, in ways that also increase their missional impact? Church merger consultant Jim Tomberlin, with co-writer Warren Bird, makes the case that mergers today work best not with two struggling churches but with a vital, momentum-filled lead church partnering with a joining church. In this new book, they provide a complete, practical, hands-on guide for church leaders of both struggling and vibrant churches so that they can understand the issues, develop strategies, and execute a variety of forms of merger for church expansion and renewal to reinvigorate declining churches and give them a "second life."

Better Together

Thousands of Protestant churches are perplexed by plateaued or declining attendance, while other congregations nearby thrive. Is there a way for them to combine forces, drawing on both their strengths, in ways that also increase their missional impact? In *Better Together, Expanded and Updated: Making Church Mergers Work*, church merger consultant Jim Tomberlin and award-winning writer Warren Bird make the case that mergers today work best not with two struggling churches but with a vital, momentum-filled lead church partnering with a joining church. This much-needed resource describes the range of mergers for strong, stable, stuck, and struggling churches. No matter what type of merger a church may be considering, the authors address key questions about the process: How can a merger help a church go forward? How will a merger process unfold? Where can a declining church find another congregation to join? What are the pitfalls that both pastor and congregation should avoid? How can "better together" lead to more, rather than fewer, life-giving, high-impact, reproducing churches? They provide a complete, practical, hands-on guide for church leaders of both struggling and vibrant churches, so they can understand the issues, develop strategies, and execute mergers for church expansion and renewal--ultimately, so they can reinvigorate declining churches and give them a "second life." No matter what your motivation for merging your church with another--to begin a new church life cycle, cross racial lines, reach more people for Christ, multiply your church's impact, or better serve your local community--*Better Together* will give you the tools you need to create a thriving new entity.

Made to Flourish

Every organization is made to flourish. But when problems arise, quick fixes and poor leadership training can drag it down. Here is the book that churches, NGOs, mission agencies, other nonprofits, businesses and the teams within these groups can use to enjoy the holistic, fruitful abundance that God intended for organizations and everyone in them.

Leadership Above the Line

Are you living "above the line"? Are you living and leading with integrity, excellence, and character? In *Leadership above the Line*, Dr. Sarah Sumner introduces a grid called The People Model. The People Model is versatile. It freely goes wherever people are. It applies to relationships anywhere—in the workplace, the home, volunteer clubs, businesses, government, nonprofits, schools, churches, hospitals, you name it. But what sets The People Model apart is its ethical dimension—it will help you become a better person. The People Model describes three sets of people—Strategists, Humanitarians, and Diplomats—and its goal is to help people live above the line in all three categories. Apply The People Model and you will increase your self-awareness, find new motivation, and be able to approach relationships with creativity that will make you more effective. *Leadership above the Line* takes a unique approach among books of this genre, in that it doesn't just explain The People Model, it models it through an engaging story—one that might just sound familiar to parts of your own story! *Leadership*

above the Line also includes an entire section on applying The People Model, as well as a People Model Test and a People Model Workbook for small groups. Leadership above the Line invites you to experience living and leading above the line.

Irresistible Church, The

"A successful pastor and church planter reveals twelve keys to church growth--qualities that can make any church one that people love to be a part of and God can't help but bless"--Provided by publisher.

Burnout or Breakout

How can church leaders be effective without sacrificing their marriage, their family, or their health in the process? How can good leaders get stuck churches unstuck without becoming another casualty? Burnout or Breakout provides answers to both. The burnout epidemic among church leaders, combined with cultural volatility, uncertainty, and complexity catalyze with unhealthy church processes to get churches stuck. All these forces combine to stifle good leaders until it seems that no reasonable leadership effort can succeed. This book brings new insights to churches and church leaders frustrated with making tireless efforts to move the church, yet constantly falling short of their goals and objectives. It helps church leaders avoid quick-fix solutions that actually keep churches stuck by applying systemic, long-term solutions. This book brings hope to stifled leaders on the verge of burnout. Building on biblical and experiential evidence, the author presents burnout as a systemic problem. Seeing from a systems perspective enables leaders to discover how their church really works and provides tools and strategies to help them realign their church system for health and effectiveness. Based on a comprehensive introduction to systems thinking, leaders are encouraged to see their congregations as complex systems of interrelated and interdependent elements. Effective leadership, from a systems perspective, aligns the church to achieve intended outcomes. Based on the account of Jethro and Moses in Exodus 18, leaders are equipped to identify and diagnose church systems designed for burnout and provides strategies to overcome the stifling forces within the church. Leaders are further equipped to apply systemic thinking to common church system problems, such as declining attendance, mission confusion, and volunteer shortages. Brings hope that stifled leaders and stuck churches can break out of their limiting conditions by investing time and effort to learn and practice seeing from a new systems perspective.

Building an Outreach Ministry to Your Community

The Church Is the Only Hope for Renewing and Redeeming Your Community Your church is meant to be a conduit of hope and healing, redemption and renewal for your neighborhood. Is your church equipped and ready for this important work? In Building an Outreach Ministry to Your Community, Pastor Tyrone Barnette uses the miracle of the feeding of the five thousand to explore how Jesus himself ministered to people. Then Barnette shows how he applied those principles to outreach ministry in his own church. Filled with interviews with other ministry leaders who are tackling the challenges of reaching their communities, this book is packed with practical advice on how to establish ministry outreach initiatives in your church, identify needs in your community, encourage a whatever-it-takes mindset, equip young people to serve, serve with limited resources, and much more. This book is your blueprint to grow your church by helping your members turn outward. God intends for the church to be his open hand extended to the people in your community.

Intentional Churches

Do you want to reignite your passion for the local church and see your congregation live out the Great Commission by growing and making disciples? If so, implementing the revolutionary Intentional Growth Planning™ operating system will benefit you, your church, and your community! Just as laptops and smart phones have an operating system, the church needs a biblically based operating system where its various programs and activities can effectively plug in to. In Intentional Churches, Doug Parks and Bart Rendel combine their 35 years of executive church leadership experience and unveil a proven and practical operational system that will help you: Clarify your unique vision Filter trends and new ideas through your mission Improve implementation abilities Maintain unity and alignment around what matters most This is a repeatable and transferable process any church can learn. Start today and be ready to go and grow through God's power for God's glory.

Christian Philanthropy

We tend to associate philanthropy with figures like Bill Gates, Warren Buffett, and Phil Knight. We forget, however, that God is the first and ultimate philanthropist (Titus 3:4). He has shown his love for mankind by sending his Son and pouring out his Spirit. Those who have experienced God's philanthropy are called to do likewise, abounding in good toward all. Christian Philanthropy is a timely challenge for professing believers to make philanthropy a basic part of their lives.

Canoeing the Mountains

Over 100,000 Copies Sold Worldwide! 14th Annual Outreach Magazine Resource of the Year Explorers Lewis and Clark had to adapt. While they had prepared to find a waterway to the Pacific Ocean, instead they found themselves in the Rocky Mountains. You too may feel that you are leading in a cultural context you were not expecting. You may even feel that your training holds you back more often than it carries you along. Drawing from his extensive experience as a pastor and consultant, Tod Bolsinger brings decades of expertise in guiding churches and organizations through uncharted territory. He offers a combination of illuminating insights and practical tools to help you reimagine what effective leadership looks like in our rapidly changing world. If you're going to scale the mountains of ministry, you need to leave behind canoes and find new navigational tools. Now expanded with a study guide, this book will set you on the right course to lead with confidence and courage.

How to Break Growth Barriers

Some churches grow rapidly, only to hit a ceiling. Other churches have experienced declining or static attendance--many of them for decades. Frustrated pastors and church leaders want growth methods that work, but without adding to pastoral fatigue. How to Break Growth Barriers argues that growth comes when effective leadership and lay-empowerment skills work hand in hand. This requires a shift of focus from the shepherd as the primary caregiver to shepherd as developer and coach of many caregivers. The authors show pastors how to communicate a vision for the future and then how to lead the congregation into the paradigms necessary for potentially limitless growth. The strategies found in this book are not only tried and true, and taken from a biblical perspective of a "harvest" vision. They're also newly updated to reflect our changing culture, including helpful charts and checklists for self-evaluation.

ReClaimed Church

It's no secret: churches are dying. Tragically, thousands of churches in the United States are shrinking, some closing their doors forever. The key to reversing these trends, argues Bill Henard, is for a local church to recognize where it is in the church life cycle. Unless churches intentionally do something about it, many of them will follow the same pattern: from birth, to plateau, and eventually, to death. But if a church learns to identify its place within the life cycle and embraces the necessary processes, it can return to growth. In a day when church membership has decreased, evangelistic zeal has cooled, and budgets are disappearing, ReClaimed Church is the tool that struggling churches need. Having previously written and taught seminary courses on church revitalization, Bill Henard uses his expertise to provide all the practical insights and instructions needed to reclaim your church.

Dying to Restart

How do you create a thriving organizational culture in your church? Churches are committed to a spiritual mission, but it is often the organizational aspects of the church that hinder the mission from moving forward. Cultivating health in the organizational side of church culture requires a thorough understanding of the church's vision, systems, staffing, relationships, and leadership. When the culture is healthy, it delivers consistently healthy outcomes that advance the mission of the church. But when cultures are unhealthy, or worse, toxic, they perpetuate constant dysfunction and derail the church's purpose. In *Creating Your Church's Culture*, Stephen Blandino gives you the tools and strategies to address the organizational side of your church's culture. You'll learn how to define your culture, activate the Culture Equation, hire staff who fit your culture, and infuse your values into your culture. You'll learn how to create a learning culture, develop effective systems, increase employee and volunteer engagement, measure healthy, and uproot bureaucracy. This practical book is loaded with wisdom and inspiration to improve the organizational aspects of your church's culture.

A source of hope, expert advice, and guidance for people with borderline personality disorder and those who love them Do you experience frightening, often violent mood swings that make you fear for your sanity? Are you often depressed? Do you engage in self-destructive behaviors such as drug or alcohol abuse, anorexia, compulsive eating, self-cutting, and hair pulling? Do you feel empty inside, or as if you don't know who you are? Do you dread being alone and fear abandonment? Do you have trouble finishing projects, keeping a job, or forming lasting relationships? If you or someone you love answered yes to the majority of these questions, there's a good chance that you or that person suffers from borderline personality disorder, a commonly misunderstood and misdiagnosed psychological problem afflicting tens of millions of people. Princess Diana was one of the most well-known BPD sufferers. As a source of hope and practical advice for BPD sufferers and those who love them, this new book by Dr. Jerold J. Kreisman and Hal Straus, bestselling authors of *I Hate You, Don't Leave Me*, offers proven techniques that help you: * Manage mood swings * Develop lasting relationships * Improve your self-esteem * Keep negative thoughts at bay * Control destructive impulses * Understand your treatment options * Find professional help

Sometimes I Act Crazy

~~A~~ *Another Way* describes a new way of leadership for the 21st Century, one that inspires people to delve deeply into their own selves and that creates a mysterious relatedness among strangers. When this leadership happens, we remember people are created to experience community, to find joy in one another, and to create a better world out of a deep reservoir where the soul resides. Written by the leaders of the Forum for Theological Exploration, the internationally recognized leadership incubator for emerging Christian leaders, *Another Way* will shape the way you look at yourself, your leadership, and the communities that hold you accountable to making the world a better place.

Another Way

This volume helps leaders and leaders-in-training become students of culture who can then contextualize what they learn for their own organizational settings. Douglas McConnell, a respected leader in the worlds of missiology and higher education, enables readers to understand intercultural dynamics so they can shape their organizational cultures and lead their organizations in a missional direction. This is the latest volume in an award-winning series emphasizing mission as partnership with Christians around the globe.

Cultural Insights for Christian Leaders (Mission in Global Community)

Do you want to be a better leader? Raise the threshold of your pain. Do you want your church to grow or your business to reach higher goals? Reluctance to face pain is your greatest limitation. There is no growth without change, no change without loss, and no loss without pain. Bottom line: if you're not hurting, you're not leading. But this book is not a theological treatise on pain. Rather in *Leadership Pain* Samuel Chand—best-selling author recognized as "the leader's leader"—provides a concrete, practical understanding of the pain we experience to help us interpret pain more accurately and learn the lessons God has in it for us. Chand is ruthlessly honest and highly practical as he examines the principles and practices that make our pain a means of fulfilling God's divine purposes for our churches, communities, and us. These features are included in this leadership treasure trove: **POWERFUL**, personal stories from some of the finest leaders in the world, such as Craig Groeschel, Benny Perez, Mike Kai, Lisa Bevere, Mark Chironna, Dale Bronner, Philip Wagner, Michael Pitts, and numerous others **REVEALING INSIGHTS** into the growth that occurs through pain in leadership roles **PRACTICAL EXERCISES** to help you apply the valuable principles you are learning

Leadership Pain

Renowned leadership consultant, Samuel R. Chand details the account of the construction of the Panama Canal, and draws parallels between it and successful leadership methodology. "More passion isn't the answer, and bigger dreams aren't always the solution. Every leader is asking two questions: How can we grow? How can we grow faster? The only way organizations can grow bigger and move faster is by accelerating the excellence of their systems and structures." —from *Bigger Faster Leadership: Lessons from the Builders of the Panama Canal* An epiphany during a visit to the Panama Canal led Sam Chand—one of the country's most respected voices on ministry and marketplace leadership—to bold new insights on the life cycles of business or church organizations. Simply: The size and speed of an organization are controlled by its systems and structures.

Major account of the fourteenth-century crisis which saw a series of famines, revolts and epidemics transform the medieval world.

The Great Transition

Ideology has never before been so much in evidence as a fact, and so little understood as a concept, as it is today. In this now classic work, originally written for both students and for those already familiar with the debates on ideology, Terry Eagleton unravels the concepts many definitions, and explores the concept's torturous history from the Enlightenment to the present. The book provides lucid accounts of the thought of key Marxist thinkers, as well as of Schopenhauer, Nietzsche, Freud and the various post-structuralists. Now updated in the light of current theoretical debates, this essential text by one of our most important contemporary critics clarifies a notoriously confused subject. Ideology is core reading for students and teachers of literature and politics.

Are you ready to see your church impact more people than you have ever before? Are you tired of church leadership books that are long on theory but short on practical help? Have you wanted to reach more people in your community but you weren't sure where to start? Are you worried that your church isn't reaching its full potential? "Church Growth Flywheel : 5 Practical Systems To Drive Growth at Your Church" is full of helpful insights to help your church reach more people starting today! Bestselling author, Rich Birch, has pulled together his own hard-fought experience leading within one of the fastest growing churches in the country as well as over 200 interviews with church leaders from prevailing churches. What Church Leaders are Saying About Church Growth Flywheel: "Rich is right again. Momentum is hard to catch, easy to lose, and most important. If Flywheel has any importance, it has loads of importance. Don't miss this book!" - Clay Scroggins, Lead Pastor, North Point Community Church "Rich Birch has knocked it out of the park with Church Growth Flywheel. His new book is full of practical helps for church leaders looking to reach more people in their communities. Rich cuts through the theory and offers solid advice and guidance that you can put into action right away." - Dan Reiland, Executive Pastor, 12Stone Church, Lawrenceville, Georgia "Rich Birch has been reading my mind! After reading the first 15 pages, I made this book mandatory reading for my entire staff." - Hal Seed, Chief Mentor at PastorMentor.com and Founding Pastor of New Song Community Church "What an incredible book! Rich has a unique way of sharing real and relevant practices from his experience and conversations that will no doubt be a game changer for you and your church community. Church Growth Flywheel is a gift to church leaders filled with practical yet challenging steps to help initiate growth and change within your community. And what church leader doesn't want to see more lives changed by Christ!" - Sonja Waltman, Executive Director of Ministries at LCBC Church "Rich brings a wealth of passion, knowledge and experience to the subject of church growth. He presents a treasure trove of best practices and learnings around engaging people in your city with the message of Christ. Church Growth Flywheel is full practical steps that you can actually start doing and growing in your church, today. I'm so grateful for Rich's voice on this subject and I think you will be too." - Carey Nieuwhof, Founding & Teaching Pastor, Connexus Church "I've followed Rich Birch for many years as he has had a front row seat to some of the fastest-growing churches in North America. That's why I got excited when I heard he was releasing a book with some of what he has learned. You will be energized, informed, inspired, and equipped after reading Church Growth Flywheel." - Tim Stevens, Vice President of Consulting, Vanderbloemen Search Group "Insanely practical... super simple... and

absolutely essential! Rich Birch has captured the disciplines and behaviors that will allow your church to experience growth that enables you to thrive. Buy one for every member of your team and read it together!" - Jenni Catron, Founder/CEO The 4Sight Group and author of The 4 Dimensions of Extraordinary Leadership "Most pastors I meet are frustrated since they are trying tons of tactics for growth, but not seeing any results. It isn't good enough to just go out and just do 100 things. Rich's system is what they are lacking. For sustained growth, you need an end to end process that's strategic and easy to follow. This book gives you the entire blueprint in one shot." - Kenny Jahng, Founder, Church Butler Social Media LOOK INSIDE for more endorsements!

Church Growth Flywheel

Readers' Choice Award Winner Outreach Magazine's Resources of the Year It's increasingly clear that leadership should be shared—for the good of any organization and for the good of the leader. Many churches have begun to share key leadership duties, but don't know how to take their leadership team to the point where it thrives. Others seriously need a new approach to leadership: pastors are tired, congregations are stuck, and meanwhile the work never lets up. But what does it actually mean to do leadership well as a team? How can it be done in a way that avoids frustration and burnout? How does team leadership best equip the staff and bless a congregation? What do the top church teams do to actually thrive together? Researchers and practitioners Ryan Hartwig and Warren Bird have discovered churches of various sizes and traditions throughout the United States who have learned to thrive under healthy team leadership. Using actual church examples, they present their discoveries here, culminating in five disciplines that, if implemented, can enable your team to thrive. The result? A coaching tool for senior leadership teams that enables struggling teams to thrive, and resources teams doing well to do their work even better.

Teams That Thrive

How many times have we heard these statements... "We can't compete with the megachurch in our town!" "A new church was started two blocks from us. We've got plenty of churches without them!" "The church brought another one of their campuses near us. It's totally unethical what they are doing." "We can't reach young families. They all go to the big church that has all the children's and student stuff." "We don't have the money or the people the other churches have." Bestselling author Thom S. Rainer (I Am a Church Member, Autopsy of a Deceased Church) has heard comments like these hundreds, if not thousands, of times. They are statements of hopelessness. They are statements of despair. They are statements of defeat. Church leaders don't want to feel this way. They desire to break out of the mediocrity of the same, lame, and tame existence of their churches. They want their churches to make a difference. There is hope. God's hope. God's possibilities. What does a scrappy church look like? Let's take a look together.

Scrappy Church

Veteran church consultant calls church leaders back to the hope that God can and does restore churches, equipping them with practical tools to bring about healthy growth.

There's Hope for Your Church

In *Coach Yourself to Success* Talane Miedander shares the same core principles that she applies when personally coaching executives and international business leaders from companies such as AT&T, Chase Manhattan Bank, and Giorgio Armani. Talane shows readers how to tap into their natural motivation and leverage their strengths to achieve the results they desire.

Coach Yourself to Success, Revised and Updated Edition

Jesus's words, "Blessed are you who are poor," are the seeds of a new reality. So how can God's people participate in this transformation of how to live and serve? *Development in Mission* offers a way forward and encourages readers to embrace a holistic approach to poverty alleviation. Gathering their diverse perspectives on international development, the authors construct a solid theological foundation for global mission. They distill principles for effective Christian engagement in several key sectors, including education, income and poverty reduction, water and sanitation systems, creation care, healthcare delivery, disaster relief, peacemaking, sports ministries, and others. Congregations, missionaries, nonprofit leaders, and Christians in the Global North will find fresh perspectives for engaging global vulnerability, poverty, and injustice faithfully and effectively. Along the way, readers will find that they are being transformed themselves as they join God's mission in the world.

Development in Mission

Churches in America are closing at an alarming rate. Dale Sellers of 95Network believes this trend is largely due to discouragement among small-church pastors. Many church leaders begin ministry with dreams of making an eternal impact. But years of striving, stress, and strain have left them feeling defeated, disillusioned, and stalled. Thankfully, there is hope that ministry can turn around for the discouraged pastor. As a former minister who's been in the trenches, Sellers reveals that ... God is not keeping score, it's impossible for a pastor to let God down, and doing ministry from Jesus, not for Him, is a pastor's key to a thriving church.

First published in 1999, *Advanced Strategic Planning* explains why planning is so important to carrying out the church's mission. Now in its third edition, this classic resource offers •a nine-step strategic thinking and acting model •useful ideas for developing a ministry strategy •diagrams to help illustrate concepts •a new section on spiritual formation The methods in this book are proven to work, having already helped many churches articulate their vision and implement their mission.

What If You Could Change the World without Changing Your Daily Routine? When you've been transformed by God's love, you can't help but want others to experience the same grace and freedom. But how do you share it without scaring them away or offending them? For most Christians, "evangelism" is an intimidating word that suggests handing out tracts to strangers or doing other awkward things. But what if there was a more organic, more authentic way to share your faith with your friends, neighbors, and coworkers? Dave and Jon Ferguson have found five simple, straightforward practices that will allow any believer to do just that. And by consistently living them out, you can affect not just individual lives but your entire neighborhood and community—one person at a time.

BLESS

Presents twelve lessons on keeping a church alive, discussing the consistent themes the author found in dying churches.

Autopsy of a Deceased Church

People are leaving the church J.D. Greear pastors. Big givers. Key volunteers. Some of his best leaders and friends. And that's exactly how he wants it to be. When Jesus gave his disciples the Great Commission, he revealed that the key for reaching the world with the gospel is found in sending, not gathering. Though many churches focus time and energy on attracting people and counting numbers, the real mission of the church isn't how many people you can gather. It's about training up disciples and then sending them out. The true measure of success for a church should be its sending capacity, not its seating capacity. But there is a cost to this. To see ministry multiply, we must release the seeds

God has placed in our hands. And to do that, we must ask ourselves whether we are concerned more with building our kingdom or God's. In *Gaining By Losing*, J.D. Greear unpacks ten plumb lines that you can use to reorient your church's priorities around God's mission to reach a lost world. The good news is that you don't need to choose between gathering or sending. Effective churches can, and must, do both.

Mary Jane Holmes (April 5, 1825 - October 6, 1907) was a bestselling and prolific American author who published 39 popular novels, as well as short stories. Her first novel sold 250,000 copies; and she had total sales of 2 million books in her lifetime, second only to Harriet Beecher Stowe. Portraying domestic life in small-town and rural settings, she examined gender relationships, as well as those of class and race. She also dealt with slavery and the American Civil War with a strong sense of moral justice. Since the late 20th century she has received fresh recognition and reappraisal, although her popular work was excluded from most 19th-century literary histories. Mary Jane Hawes was born in Brookfield, Massachusetts in 1825, the fifth of Fanny (Olds) and Preston Hawes' nine children. The household was economically modest, but the parents encouraged intellectual endeavor. She may also have been influenced by her uncle, Rev. Joel Hawes (1789-1867), for many years minister at the First Congregational Church in Hartford, Connecticut, and known for his published sermons and other writings. Preston Hawes died when Mary Jane was 12 and she started teaching school at 13. Interested in writing from an early age, she published her first story at 15. On August 9, 1849 Hawes married Daniel Holmes, a graduate of Yale College from New York. They moved for a time to Versailles, Kentucky in the Bluegrass Region, where they both taught for a few years. These were formative years, as Holmes used the small-town, rural setting and people she knew as inspiration for her first novel and others set in the antebellum South. In 1852 the Holmes family returned to New York and settled in Brockport, a short distance west of Rochester, where Daniel read law and was ultimately admitted to the bar. He went into practice and also served in local politics. They had no children. Holmes' supportive marriage was one she used as a model for several portrayed in her novels.

Holy Rosary Parish, Catholic Church, Religious Community, Church Events, Faith Community

Holy Rosary Parish is a vibrant and welcoming Catholic community dedicated to fostering faith, providing spiritual guidance, and serving the needs of its members and the wider community. With a focus on prayer, sacraments, and community outreach, Holy Rosary Parish strives to be a beacon of hope and a place where individuals and families can grow in their relationship with God.

Seventh-day Adventist Church Manual.

Four forty-year generations have entirely passed since 1844. Each one has failed to take hold of the high calling of being in possession of the third angel's message—the “last message of mercy” for a dying world. The delay in the return of Christ must not be charged to God's account, as though He is waiting for some celestial time clock to reach a pre-determined mark. Although God knows the day and the hour, He has been waiting for us. As we look around us at the rapid deterioration of our planet and

witness the increasing fulfilment of the signs of His appearing, we get a deep sense that we are getting very close to the end, perhaps even now entering into the time Jesus spoke of as “the beginning of sorrows.” Are we—the first generation of a new cycle of four—that generation that will see the close of probation, the time of trouble, and the return of Christ? Are there any Bible and Spirit of Prophecy evidences that point to it? Read the first section of this book! In the second section, we take a panoramic view of the history of the movement, giving an understanding of the causes of the long detour into the wilderness travelled by the professed people of God. The prophet Joel points to a story that must be told—a story of the wasting of four generations (Joel 1:2-4). It is important that we hear this story. If we do not know our history as it is, we will continue to perpetuate its mistakes. The message of this book is an alarm clock set to arouse God’s people in the final moments of earth’s history. It is sure to shake the reader. Accept it or reject it—you won’t be able to ignore it!

Of the Times and Seasons

Spes Christiana is the journal of the European Adventist Society of Theology and Religious Studies (EASTRS). It contains articles from all subdisciplines of theology - Biblical Studies, Church History, Systematic Theology, Practical Theology, and Mission Studies, as well as auxiliary disciplines. Major fields and themes of publication include all that are either related to Adventism in Europe or researched by European Adventist scholars.

Spes Christiana 2020-01

This study presents the first comprehensive analysis of Seventhday Adventist interchurch relations – a 20-million member body whose ecumenical stance has so far been underresearched. For the sake of interpreting denominational involvement and reservations in Adventism as well as beyond, the study develops a new academic approach to ecumenism based on Relational Models Theory, a comprehensive social science paradigm of interpreting human relationships. The resulting typology of ecumenical interactions and the historical case study of Adventism suggest that such a relational interpretation of ecumenical interaction sheds light on many of the unresolved issues in ecumenics – such as divergent concepts of unity, difficulties in recognition processes, and the permanence of denominationalism.

Church Manual

The question that perplexes many Christians is how can I be sure I am saved? The topic of the investigative judgement, a heavenly tribunal that investigates the cases of professed believers sheds some light on this question. There can be no greater event in history, yet very few are interested in the results of this tribunal which affects the destiny of everyone who has ever lived on earth. A battle rages over the souls of men, a battle which also includes the vindication of God’s character and law. The investigative judgement is one of the most exciting doctrines in the Bible, because it reveals Christ as the all powerful Mediator.

Adventist Interchurch Relations

The 28 Doctrines of the Seventh-day Adventist Church Bible texts and Descriptions of each doctrine.

The Investigative Judgement

This book is written to promote unity in the UCJCA, enabling its leaders and members to be familiar with its laws and practices, moral expectations, and doctrine. It is a reference manual to be consulted in matters related to efficient church governance and is to be consulted as a guide to dealing with issues as they may arise from time to time.

Religion Online provides new insights about religiosity in a contemporary context, offering a comprehensive look at the intersection of digital media, faith communities, and practices of all sorts. Recent research on Apple users, video games, virtual worlds, artificial intelligence, digital music, and sports as religion supports the idea that media and religion, once considered separate entities, are in many cases the same thing. New media and religious practice can no longer be detached; this two-volume set discusses how religionists are embracing the Internet amidst cultural shifts of secularization, autonomous religious worship, millennials' affinity for new media, and the rise of fundamentalism in

the global south. While other works describe case studies, this book explains how new media are interwoven into the very fabric of religious belief, behavior, and community. Chapters break down the past, present, and projected future of the use of digital media in relation to faith traditions of many varieties, extending from mainline Christianity to new religious movements. The book also examines the impacts of digital media on beliefs and practices around the world. In exploring these subjects, it calls on the study of culture, namely anthropology, to conceptualize a technological period as significant as the industrial revolution.

Church Manual

Ecclesiology is the study of the church and has two focal points; the one is the historical and doctrinal perspective on the church, and the other is the church as situated in a local context in the sense of the local practices of actual congregations. The ecclesiology or, more correctly, the ecclesiologies of this volume mainly focuses on the second aspect, i.e., understanding the local congregation or parish as a community of believers. A congregation may firstly be described by posing a theological question: What is the local missional church or congregation all about? This question may be answered from different perspectives, but it remains essential to answer it from a theological perspective. The first five chapters in this book focus mainly on a theological understanding of the congregation. This is done from different disciplines within the study field of theology. Congregations are, secondly, social realities and should be described and analysed through an analytical or empirical lens, or, to answer the question attached to the first empirical-descriptive task of practical theology, "What is going on?". The remaining chapters use a quantitative and qualitative lens and give an empirical analysis of the congregation. The intention is to critically reflect on the church and congregations' ecclesiology from a theological and analytical perspective with an emphasis on the South African context. It wants to map markers for the development of contemporary ecclesiologies, and the different chapters are meant as mirrors to look in and reflect on the theological and contextual relevance of denominations and congregations in South Africa.

Church Manual

The Associational Baptist Church Manual provides pastors and church members with a reliable resource for defining biblical doctrine and practice in the local church. This book contains a collection of historic Baptist documents including the New Hampshire Confession of Faith, Charles Spurgeon's Catechism, and Samuel Jones' "Treatise of Church Discipline." Also included is a chapter on the Essential Qualities of a Church by J. E. Cobb. Each chapter contains an introduction and historical description, which helps readers understand the historical and doctrinal significance of each document included. This is the first edition of this work. The second edition will include suggested orders of service and helpful essays on ministry in the local church.

The Book of Church Order and Discipline of the United Church of Jesus Christ (Apostolic)

'Maté's book will make you examine your behaviour in a new light' Guardian 'Bold, wise and deeply moral. [Maté] is a healer to be cherished' Naomi Klein, author of No Logo and The Shock Doctrine Children take their lead from their friends: being 'cool' matters more than anything else. Shaping values, identity and codes of behaviour, peer groups are often far more influential than parents. But this situation is far from natural, and it can be dangerous – it undermines family cohesion, interferes with healthy development, and fosters a hostile and sexualized youth culture. Children end up becoming conformist, anxious and alienated. In Hold on to Your Kids, acclaimed physician and bestselling author Gabor Maté joins forces with Gordon Neufeld, a psychologist with a reputation for penetrating to the heart of complex parenting. Together they pinpoint the causes of this breakdown and offer practical advice on how to 'reattach' to sons and daughters, establish the hierarchy at home, make children feel safe and understood, and earn back your children's loyalty and love. This updated edition also addresses the unprecedented parenting challenges posed by the rise of digital devices and social media. By helping to reawaken our instincts, Maté and Neufeld empower parents to be what nature intended: a true source of contact, security and warmth for their children.

Religion Online [2 volumes]

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Church

This completely new typeset of the monumental 1957 classic contains an extensive historical and theological introduction and detailed notations by George R. Knight, professor of church history at Andrews University.; Originally produced by the Ministerial Association of the General Conference of SDAs, Questions on Doctrine was widely acclaimed and heavily distributed in the late 1950s and early 1960s as a forthright answer to questions from evangelicals about key elements of Adventist doctrine. Controversy regarding the book's position on the nature of Christ and the atonement soon stopped its circulation.; Intended as a complete reference on the book itself, this new edition faithfully reproduces the original text of Questions on Doctrine, with in-text indicators of the original pagings. It includes later important documents that bring the work up to date. The original bibliography is followed by an updated selected bibliography. Commentary on various historical or bibliographic topics is included in new footnotes throughout the text, all while preserving the reading integrity of the original edition.; George Knight's introductory essays provide the background for how the book came about and describe the interaction of the principal players involved in the dispute about a small section of content that shelved this classic work for more than a generation.; This new edition of Question on Doctrine beautifully preserves this outstanding and winsome work of Adventist apologetics to future generations of scholars, laypersons, and critics. It is an essential element of every Adventist library.

Churches in the mirror - Developing contemporary ecclesiologies Theological Explorations, Volume 4

A classic study of Christian doctrine, this book explores topics such as the nature of Christ, salvation, and the return of Christ. Originally published in the 19th century, it remains a cornerstone of religious thought. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Associational Baptist Church Manual

This interdisciplinary volume brings together leading writers and thinkers to provide a critique of a broad range of topics related to Hillsong Church. Hillsong is one of the most influential, visible, and (in some circles) controversial religious organizations/movements of the past thirty years. Although it has received significant attention from both the academy and the popular press, the vast majority of the scholarship lacks the scope and nuance necessary to understand the complexity of the movement, or its implications for the social, cultural, political, spiritual, and religious milieus it inhabits. This volume begins to redress this by filling important gaps in knowledge as well as introducing different audiences to new perspectives. In doing so, it enriches our understanding of one of the most influential Christian organizations of the late 20th and early 21st centuries.

Hold on to Your Kids

Pastors and church leaders are in need of mature, godly elders to ensure church health, but the training of elders is often entirely missing or badly neglected. What if there were a process to proactively call and train elders? The New Elder's Handbook is designed to equip elders with the knowledge, character, and skills the office calls for. It takes church leaders through the development of a vision for

ministry, recruitment of elders to carry out that vision, and specific, biblical training, providing a way to be intentional about developing elders.

Revelation

"The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God."-Ellen G White

Seventh Day Adventist Baptismal Manual

These notebook leaflets--which were first published in the 1920's--printed to make available to ministers and gospel workers choice materials that are found in the Ellen G. White manuscript and letter files. The series is composed of four groups of leaflets:CHRISTIAN EXPERIENCE--which has 16 chapters covering many of the experiences which Christians go through in this life.THE CHURCH--containing eight chapters on doctrines and the Scriptures.EDUCATION--six chapters such as home training and church school.METHODS--thirteen chapters showing how to present truth and using medical missionary work.

Seventh-Day Adventists Answer Questions on Doctrine

In 1853, at twenty-one years of age, John N. Loughborough began working with James and Ellen White preaching the gospel of Christ and sharing the three angels' messages with all who would listen. From that time until his death in 1924, Loughborough was a faithful witness and dedicated minister of the Seventh-day Adventist Church. During his ministry, Loughborough experienced many trials and miracles. From battling blizzards in the Midwest to being threatened by a knife-wielding man in California, he relied on God for protection as he preached to overflow crowds and converted hundreds of people. Miracles in My Life is a first-person account of the providential and faith-building experiences Loughborough had while working as an evangelist and traveling with James and Ellen White. The unique stories he shares will inspire confidence in the gift of prophecy and God's leading in the early Advent movement and in the life of His servants.

Synopsis of the Present Truth..

When world-class biblical scholar Bart Ehrman first began to study the texts of the Bible in their original languages he was startled to discover the multitude of mistakes and intentional alterations that had been made by earlier translators. In Misquoting Jesus, Ehrman tells the story behind the mistakes and changes that ancient scribes made to the New Testament and shows the great impact they had upon the Bible we use today. He frames his account with personal reflections on how his study of the Greek manuscripts made him abandon his once ultraconservative views of the Bible. Since the advent of the printing press and the accurate reproduction of texts, most people have assumed that when they read the New Testament they are reading an exact copy of Jesus's words or Saint Paul's writings. And yet, for almost fifteen hundred years these manuscripts were hand copied by scribes who were deeply

influenced by the cultural, theological, and political disputes of their day. Both mistakes and intentional changes abound in the surviving manuscripts, making the original words difficult to reconstruct. For the first time, Ehrman reveals where and why these changes were made and how scholars go about reconstructing the original words of the New Testament as closely as possible. Ehrman makes the provocative case that many of our cherished biblical stories and widely held beliefs concerning the divinity of Jesus, the Trinity, and the divine origins of the Bible itself stem from both intentional and accidental alterations by scribes -- alterations that dramatically affected all subsequent versions of the Bible.

The Hillsong Movement Examined

According to Scripture, humankind was created in the image of God. Hoekema discusses the implications of this theme, devoting several chapters to the biblical teaching on God's image, the teaching of philosophers and theologians through the ages, and his own theological analysis. Suitable for seminary-level anthropology courses, yet accessible to educated laypeople. Extensive bibliography, fully indexed.

The Pilgrim's Progress

On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.

The New Elder's Handbook

Close to 60 percent of young people who went to church as teens drop out after high school. Now the bestselling author of *unChristian* trains his researcher's eye on these young believers. Where Kinnaman's first book *unChristian* showed the world what outsiders aged 16-29 think of Christianity, *You Lost Me* shows why younger Christians aged 16-29 are leaving the church and rethinking their faith. Based on new research, *You Lost Me* shows pastors, church leaders, and parents how we have failed to equip young people to live "in but not of" the world and how this has serious long-term consequences. More importantly, Kinnaman offers ideas on how to help young people develop and maintain a vibrant faith that they embrace over a lifetime.

The Great Controversy Between Christ and Satan: From the Destruction of Jerusalem to the End of the Controversy

Edinburgh 2010 has a special relevance for Christians in India, particularly when we consider the contributions Indian Christians continue to make both academically and in their day-to-day lives to living out and promoting interfaith relations and interfaith dialogue. For the typical Indian Christian, living with a neighbor of another faith is a daily reality. This pluralism has influenced Christians in India to view ecumenism in a realistic and appreciative manner. The essays in this book reflect not only this acceptance and celebration of pluralism within India but also, by extension, an acceptance of and a need for unity among Indian Christians of different denominations. The essays were presented and studied at a preparatory consultation on Study Theme II: Christian Mission among Other Faiths, under the theme Interfaith Relations among Other Faiths at the United Theological College, Bangalore, India, July 17-19, 2009.
